ITEM 4.02

**NON RELIANCE ON PREVIOUSLY ISSUED FINANCIAL STATEMENTS OR A
RELATED AUDIT REPORT OR COMPLETED INTERIM REVIEW**

<R>On May 13, 2008, in </R>preparing its financial statements for the period ended March 31, 2008, Cordia Corporation (the Company), identified errors related to certain intercompany transactions and the recognition of expense during the fourth quarter of 2007. The result of these errors was an overstatement of revenues of approximately \$400,000 and an understatement of expenses of \$300,000 for the period ended December 31, 2007.

The audit committee, board of directors and management discussed these errors and have concluded that (1) our previously issued financial statements and any related report of our independent registered public accounting firm for the fiscal year ended December 31, 2007 should no longer be relied upon because of the aforementioned errors in those financial statements, (2) our earnings and press releases and similar communications should no longer be relied upon to the extent that they relate to these financial statements, and (3) our financial statements and Form 10-K dated March 31, 2008, for the fiscal year ended December 31, 2007, should be restated to reflect the correct accounting for the items discussed above. <R> In addition, the Company s management discussed these errors with its Independent Registered Public Accounting Firm. </R>

Accordingly, it is necessary that we restate our financial statements for the period ended December 31, 2007 by filing an amendment to the Company s Form 10-K dated March 31, 2008. As a result, this restatement will delay the timeliness of filing of our Form 10-Q for the quarter ended March 31, 2008, which is due on May 15, 2008. A Form 12b-25, Notification of Late Filing has been filed with the SEC. <R> The Company anticipates filing its restated financials on Form 10-K/A on May 20, 2008. </R>
