Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On July 17, 2017, Benchmark Electronics, Inc. (the “*Company*”) issued a press release announcing the appointment of Michael D. Buseman, age 56, as Executive Vice President of Global Operations. His appointment will be effective August 7, 2017.

Mr. Buseman served as Chief Global Logistics and Operations Officer of Avnet, Inc., a global electronics components company, from November 2013 to July 2017. From 2007-November 2013, he was Executive Vice President of Global Manufacturing Operations of Plexus Corp., having served as its Vice President of Global Technology, Quality and Facilities since 2006. Mr. Buseman previously served as Vice President and General Manager of Operations of Celestica, Inc., as well as its Director, Operations, Engineering, and Technology. He began his career in 1983 with Unisys, Inc., holding positions of increasing responsibility, including Principal Process Engineer and Director of Advanced Design Manufacturing Services. Mr. Buseman holds a BS in Mechanical Engineering from South Dakota State University and an MBA from the University of St. Thomas, Minnesota.

Mr. Buseman’s compensation will include the following:

- a base salary of \$400,000 per year;
- participation in the Company’s executive annual incentive compensation plan with a target incentive award of 75% of his base salary, on the same terms and conditions as the other executives of the Company participating in such plan, which will be prorated for 2017;
- participation in the Company’s Deferred Compensation Plan, executive health screening, health club reimbursement, tax planning reimbursement and other health and benefit programs the Company offers to its executives on the same terms and conditions as the other executives participating in such Plan and programs;
- a sign-on award of \$75,000 in partial consideration for benefits forfeited at his prior employer, which he may defer, and which would be forfeited pro rata if he left the Company within one year following his start date;
- an award of restricted stock units pursuant to the Company’s 2010 Omnibus Incentive Compensation Plan, as amended (the “*Plan*”) with a fair market value of \$350,000 based on the closing price of the Company’s common stock on his start date, which will be scheduled to vest in equal annual installments of 25%; and
- an award of performance-based restricted stock units (“*PSUs*”) pursuant to the Plan with a fair market value of \$350,000 based on the closing price of the Company’s common stock on his start date, which will be scheduled to vest on the same date and subject to the same performance criteria as the PSUs awarded to the Company’s other executives earlier this year.

Item 8.01. Other Events.

On July 17, 2017, the Company issued a press release relating to the matters described under Item 5.02. The press release is incorporated herein by reference to Exhibit 99.1 filed herewith.
