### Item 1.01 Entry into a Material Definitive Agreement

On December 21, 2004, Advanced Photonix, Inc. ("API") entered into a Stock Purchase Agreement (the "Agreement") with Robert Kinard and Dennis Mattock as the sole stockholders of Photonic Detectors, Inc, ("PDI"), whereby API purchased all of the issued and outstanding shares of stock of PDI for a purchase price of \$1,075,000 cash and 113,572 shares of API's Class A Common Stock. PDI is a privately owned developer and manufacturer of optoelectronic components and assemblies, specializing in high-performance silicon photodiodes. See Section 2.01 below for further details on the acquisition.

### Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 21, 2004, API purchased from the Robert Kinard and Dennis Mattock (the "Sellers") all of the issued and outstanding shares of common stock of PDI pursuant to the terms of the Agreement. None of the Sellers is an affiliate of API, or any of API's executive officers, directors or principal shareholders. The principal assets owned by Sellers are its customer base, its equipment used in the manufacture and assembly of custom optoelectric semiconductor based components, and related inventory and raw materials.

The purchase price remains subject to an adjustment based on the PDI's financial statements as of December 21, 2004. This purchase price was determined through arm's-length negotiations between the parties. API used cash from its working capital accounts to pay the cash portion of the purchase price.
