CURATIVE HEALTH SERVICES COMPLETES  
ACQUISITION OF OPTCARE PLUS

## Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 8-K

Hauppauge, New York - November 22, 2002 - Curative Health Services, Inc., (Nasdaq: CURE), announced today that it has completed its acquisition of OptCare Plus, Inc. ("OptCare") for approximately \$10.5 million in cash. OptCare could also receive additional proceeds depending upon the achievement of certain targets in calendar year 2003.

OptCare is a specialty pharmacy dispensing biological medications such as Hemophilia clotting factors. OptCare's focus is on persons affected by bleeding disorders. In addition, OptCare coordinates infusion nursing and provides complete pharmacy services, clinical and reimbursement support services to chronic disease communities. OptCare's service area primarily focuses on the populations of Virginia, Maryland and District of Columbia.

"The combined efforts of the teams at OptCare and our Specialty Pharmacy unit enabled us to close this transaction ahead of schedule," said Joseph Feshbach, Curative's Chairman and Chief Executive Officer. "This prompt closing is enabling an earlier integration of OptCare as a member of the Curative family. Our teams will be dedicated to ensuring a smooth and successful integration."

### o About Curative Health Services

Curative Health Services delivers superior clinical outcomes and unmatched patient satisfaction for patients experiencing serious medical conditions through two unique business units.

Curative's Specialty Pharmacy Services business unit provides services to help patients manage the health care process, and offers related pharmacy products to patients for chronic and critical disease states, such as Hemophilia.

Curative's Specialty Healthcare Services ("SHS") business unit is an industry leader in chronic wound care management, consistently achieving an outcome success rate of more than 80 percent. SHS provides a broad continuum of services to health care providers through a nationwide network. This national network of more than 100 hospital-based Wound Care Center(R) programs has offered comprehensive treatment to over 300,000 patients, achieving more than a 95 percent patient satisfaction rate.

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause the actual results, performance or achievements of the Company, or industry results, to be materially different from any future results, performance, or achievements expressed or implied by such forward-looking statements. Factors that might cause such differences include, but are not limited to, the termination or non-renewal of a material number of contracts, an inability to obtain new contracts, changes in the government regulations relating to the Company's Specialty Healthcare Services or Specialty Pharmacy Services business units, changes in the regulations governing third party reimbursements for the Company's services, manufacturing shortages of products sold by Curative's Specialty Pharmacy Services business unit, and the other risks and uncertainties detailed in the Company's filings with the Securities and Exchange Commission. Readers of this release are referred to the Company's Quarterly Report on Form 10Q for the quarter ended September 30, 2002, for further discussion of these and other factors that could affect future results.
