On April 11, 2013, The Hartford Financial Services Group, Inc. (the “Company”) issued a press release in conjunction with an investor presentation (the “Investor Presentation”). A copy of the press release is furnished herewith as Exhibit 99.1 and is incorporated herein by reference.

The information furnished pursuant to this Item 2.02, including Exhibit 99.1, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities under that Section and shall not be deemed to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act.

On April 11, 2013, the Company disclosed the following items in conjunction with the Investor Presentation:

Financial results for the first quarter of 2013 will include a deferred acquisition cost (“DAC”) charge of approximately \$600 million, after tax. The charge reflects the elimination of future estimated gross profits on the (i) Japan variable annuity (“VA”) block due to costs associated with the Company's expanded Japan VA hedging program.

The first quarter of 2013 will also include the previously announced charge of \$140 million, after tax, associated (ii) with costs incurred in connection with the Company's \$800 million debt tender offer completed in the first quarter of 2013.

Due to the impact of the charges described in items (i) and (ii) above, the Company expects to record a net loss for the first quarter of 2013.
