Magic Software Strengthens Its Position As Leading Provider Of Technology And Solutions For Senior Living And Healthcare In The U.S.

Company Increases Holdings In Advanced Answers On Demand (AAOD) To 84%

Or Yehuda, Israel (April 29, 2004) Magic Software Enterprises (Nasdaq: MGIC), a leading provider of state-of-the-art business integration and development technology announced today the execution a stock purchase agreement with existing shareholders to purchase twenty one percent of the outstanding and issued stock of Advanced Answers on Demand, Inc. (AAOD). This purchase increases Magic's holding in AAOD from 63% to 84%.

Advanced Answers on Demand (www.advanced-answers.com) develops, markets and supports integrated software solutions designed to meet the challenges and ever-changing demands of the healthcare and senior living industries. AAOD continues to be an industry leader in the U.S. and provides a vast array of software solutions to over 500 facilities. AAOD's solutions are developed and deployed using Magic's eDeveloper application development technology.

"AAOD is performing very well with continuous growth in annual revenue and profit from the time of our initial investment three years ago," said Menachem Hasfari, CEO of Magic Software. "Given the growing opportunities in the senior living industry in the U.S. and abroad, we expect the consolidation of the number of shareholders to provide us with the flexibility we need to develop the AAOD business more quickly and with stronger results in this growing industry."
