of any material breach by the Company of any covenant or agreement contained in this Agreement; provided however that no such notification shall affect the representations, warranties, covenants or agreements of the Company or the conditions to the obligations of Parent under this Agreement; and

(9)

shall provide, and agrees to use commercially reasonable efforts to cause the officers and employees of the Company and the Subsidiaries to provide, in each case prior to the Effective Time, reasonable cooperation in connection with the arrangement of any financing by Parent, including (i) preparation of the financial statements reasonably necessary to complete such financing, participation in meetings, due diligence sessions, road shows, the preparation of offering memoranda, private placement memorandum, prospectuses and similar documents, (ii) the execution and delivery of any commitment letters, underwriting or placement agreements, pledge and security documents, other definitive financing documents, or other requested certificates or documents, including comfort letters of accountants and legal opinions customarily delivered in connection with comparable financings, in each case as may be reasonably requested by Parent, (iii) the delivery of a payoff letter (the **Payoff Letter**) reasonably satisfactory to Parent in respect of the Credit Agreement (the **Credit Agreement**), dated as of July 28, 2004, as amended, among IPG (US) Inc., as a U.S. Borrower (as defined therein), the other U.S. Borrowers, Intertape Polymer Inc., as the Canadian Borrower, the Guarantors party thereto, the Lenders referred to therein and Citigroup North America, Inc. as Administrative Agent, (iv) the delivery of stock certificates for the Subsidiaries, and (v) all documentation necessary to release (**Release Documents**) any liens in respect of Credit Agreement and any other indebtedness that will not remain outstanding following the Effective Date; provided, however, that no director or officer of the Company shall be required to sign any certificate, registration statement, prospectus and similar documents prior to the Effective Date (but shall sign the Payoff Letter and any Release Documents). Parent acknowledges that none of the Company or any of its Subsidiaries shall be required to pay any commitment fee or similar fee or incur any other liability in connection with any such financing prior to the Effective Time.

Section 5.3

Non-Solicitation and Opportunity to Match.

(1)

Except as otherwise provided herein, on and after the date hereof, the Company shall not, directly or indirectly, through any officer, director, representative, advisor or agent of the Company or any of its Subsidiaries: (i) solicit, assist, initiate, encourage or otherwise facilitate any inquiries, proposals, offers or expressions of interest regarding an Acquisition Proposal; (ii) engage in any discussions or negotiations regarding any Acquisition Proposal, provided that for greater certainty, the Company may advise any Person making an unsolicited Acquisition Proposal that such Acquisition Proposal does not constitute a Superior Proposal when the Company Board has so determined; (iii) furnish or provide access to any information concerning the Company, its Subsidiaries or their respective businesses, properties or assets to any Person in connection with an Acquisition Proposal; (iv) withdraw, modify or qualify, or propose publicly to withdraw, modify or qualify, in any manner adverse to Parent, the approval or recommendation of the Company Board (including any committee thereof) of this Agreement or the Arrangement; (v) accept, approve or recommend, or remain neutral with respect to, or propose publicly to accept, approve or recommend, or remain neutral with respect to, any Acquisition Proposal (except that the Company may publicly take a neutral position or no position with respect to an Acquisition Proposal for a period of time not in excess of five Business Days after the first public announcement of such Acquisition Proposal and for greater certainty, such position shall not be considered an adverse withdrawal, modification or qualification of, or a public proposal to so withdraw, modify or qualify, the approval or recommendation of the Company Board (such period of time, an **Acquisition Proposal Assessment Period**) unless such position continues beyond the expiration of the Acquisition Proposal Assessment Period), or (vi) accept or enter into, or publicly propose to accept or enter into, any letter of intent, agreement in principle, agreement or arrangement relating to an Acquisition Proposal.

(2)

Nothing contained in this Section 5.3 or in any other provision of this Agreement shall prevent the Company Board from engaging in any discussions or negotiations with, or furnishing or providing access to information to, any Person in response to an unsolicited written *bona fide* Acquisition Proposal by such Person, if and only to the extent that:

(a)

subject to Section 5.3(4), the Company has received an unsolicited *bona fide* written Acquisition Proposal from such Person (in circumstances not involving any breach of Section 5.3(1));

(b)

the Company Board, after consultation with and after receiving the advice of its financial advisors and outside legal counsel, has

determined in good faith that such Acquisition Proposal, if consummated in accordance with its terms, is reasonably likely to result in a Superior Proposal;

(c)

the Company Board, after consultation with and after receiving the advice of outside legal counsel, has determined in good faith that taking such action is necessary for the Company Board not to breach its fiduciary duties under applicable Laws; and

(d)

the Company has provided to Parent the information required to be provided under Section 5.3(6) in respect of such Acquisition Proposal and has promptly notified Parent in writing of the determinations in Section 5.3(2) and Section 5.3(2)

(3)

Nothing contained in this Section 5.3 or in any other provision of this Agreement shall prevent the Company Board from (i) withdrawing, amending, modifying or qualifying (or proposing publicly to withdraw, amend, modify or qualify), in any manner adverse to Parent, the approval or the recommendation of the Company Board (including any committee thereof) of this Agreement or the Arrangement in favour of a Superior Proposal; or (ii) accepting, approving, endorsing or recommending or proposing publicly to approve, accept, endorse or recommend a Superior Proposal, in each case, if and only to the extent that:

(a)

subject to Section 5.3(4), the Company has received an unsolicited *bona fide* written Acquisition Proposal from such Person (in circumstances not involving any breach of Section 5.3(1));

(b)

the Company Board, after consultation with and after receiving the advice of its financial advisors and outside legal counsel, has determined in good faith that such Acquisition Proposal constitutes a Superior Proposal;

(c)

the Company Board, after consultation with and after receiving the advice of outside legal counsel, has determined in good faith that taking such action is necessary for the Company Board not to breach its fiduciary duties under applicable Laws;

(d)

the Company has provided to Parent the information required to be provided under Section 5.3(6) in respect of such Acquisition Proposal and has promptly notified Parent in writing of the determinations in Section 5.3(3) and Section 5.3(3)

(e)

at least two Business Days prior to the expiry of the five Business Day period in Section 5.3(8), the Company notified Parent in writing that

the Superior Proposal was not subject to any due diligence condition; and

(f)

the Company has provided notice to Parent under Section 5.3(8), a period of at least five Business Days has elapsed and, if Parent has proposed to revise the terms and conditions of the Transactions in accordance with Section 5.3(8) within such five Business Day period, the Company Board has again made the determinations in Section 5.3(3) and Section 5.3(3) taking into account such proposed revisions to the terms and conditions of the Transactions.

(4)

For greater certainty, nothing in this Agreement shall preclude (i) an unsolicited written Acquisition Proposal from a Person, or the Affiliates of a Person, party to a standstill agreement with the Company to be considered a *bona fide* Acquisition Proposal for the purposes hereof (whether or not such standstill agreement operates to permit such proposal with or without the approval or authorization of the Company or of the Company Board (or a committee thereof)) or (ii) the Company or the Company Board from approving or authorizing a Person, or the Affiliates of a Person, party to a standstill agreement with the Company to make an unsolicited written Acquisition Proposal (in circumstances not involving any breach of Section 5.3(1)). The Company shall notify Parent in writing of any waiver or termination of a standstill agreement with the Company.

(5)

The Company has terminated, and has caused the officers, directors, employees, representatives, advisors and agents of the Company and its Subsidiaries to terminate, any discussions or negotiations with any parties (other than Parent) with respect to any proposal that constitutes, or may reasonably be expected to constitute, an Acquisition Proposal. Subject to Section 5.3(4), the Company agrees not to release any third party from any confidentiality or standstill agreement to which the Company and such third party is a party or to waive any of the provisions of such agreements except pursuant to the terms of a Superior Proposal following the period of time in Section 5.3(3) in respect of which Parent did not exercise its Right to Match.

(6)

From and after the date of this Agreement, the Company shall promptly (and in any event within 24 hours after it has received any proposal, inquiry, offer or request) notify Parent, at first orally and then in writing, of any future Acquisition Proposal or any future request for non-public information relating to the Company or any of its Subsidiaries in connection with an actual or potential Acquisition Proposal or for access to the properties, books or records of the Company or any Subsidiary by any Person that informs any member of the Company Board or the board of directors of any Subsidiary that it is considering making, or has made, an Acquisition Proposal. Such

notice to Parent shall indicate such details of the proposal, inquiry or contact known to the Company Board as Parent may reasonably request including the identity of the Person making such Acquisition Proposal, together with, a copy of all documentation relating to any such proposal or inquiry. The Company shall keep Parent informed of the status of, including any changes to any of, the terms of any such Acquisition Proposal.

(7)

If the Company Board receives a written request for material non-public information from a Person who has made a *bona fide* written Acquisition Proposal (in circumstances not involving any breach of Section 5.3(1), but subject to Section 5.3(4)) that was not solicited after the date hereof and the Company Board has promptly notified Parent in writing of the determinations in Section 5.3(2) and Section 5.3(2), the Company may, subject to the prior execution and delivery by such Person of a confidentiality and standstill agreement containing confidentiality and standstill provisions that are no less restrictive than the confidentiality provisions and standstill provisions set forth in the Confidentiality Agreement, provide such Person with access to information regarding the Company, provided that the Company sends a copy of any such confidentiality agreement to Parent promptly upon its execution and Parent is provided with a list or copies of any and all information provided to such Person unless previously provided to Parent, and promptly provided with access to similar information to which such Person was provided.

(8)

The Company covenants that it will not enter into any agreement, understanding or arrangement providing for a Superior Proposal (a **Proposed Agreement**) and the Company Board will not withdraw its recommendation of the Arrangement or change or modify such recommendation in a manner adverse to Parent or Acquisition Sub unless it has provided Parent with a copy of the Superior Proposal document and written evidence of the determination of the Company Board that the proposal constitutes a Superior Proposal as well as evidence of availability of financing of such Superior Proposal promptly upon the Company Board making such determination, without first providing Parent with an opportunity, for a period of five Business Days from the date of delivery to Parent of a copy of the Proposed Agreement, to amend the terms and conditions of the Transactions such that the Superior Proposal no longer constitutes a Superior Proposal as determined by the Company Board, acting in good faith and in accordance with its fiduciary duties (the **Right to Match**). If Parent exercises its Right to Match and the Company Board determines that the amended terms and conditions of the Transactions proposed by Parent would result in the Superior Proposal no longer constituting a Superior Proposal, the Company, Parent and Acquisition Sub

shall enter into an amended agreement reflecting Parent's proposed amendments to the terms and conditions of the Transactions. In the event Parent does not exercise the Right to Match or the Company Board acting in good faith and in accordance with its fiduciary duties determines that the amendments to the terms and conditions of the Transactions proposed by Parent under the Right to Match do not result in the Superior Proposal no longer constituting a Superior Proposal, the Company may enter into the Proposed Agreement.

In particular, the Company covenants to provide Parent with a copy of any Proposed Agreement not less than five Business Days prior to its proposed execution by the Company.

(9)

The Company shall ensure that the officers and directors of the Company and its Subsidiaries and any investment bankers or other advisors or representatives retained by the Company are aware of the provisions of this Section 5.3, and the Company shall be responsible for any breach of this Section 5.3 by such bankers, advisors or representatives.

(10)

The Company acknowledges and agrees that each successive modification of any Acquisition Proposal shall constitute a new Acquisition Proposal for purposes of this Section 5.3.

(11)

Nothing contained in this Section 5.3 (but subject to the Purchaser's rights in Section 9.2) shall prohibit the Company Board from making any disclosure to Shareholders prior to the Effective Time if, in the good faith judgment of the Company Board, after consultation with outside legal counsel, such disclosure is necessary for the Company Board not to breach its fiduciary duties or is otherwise required under applicable Law.

Section 5.4

Pre-Acquisition Reorganization.

Subject to the following sentences, the Company agrees that, upon request by Parent, the Company shall, and shall cause its Subsidiaries to, at the expense of Parent, use its best efforts to effect the reorganization of its business, operations, subsidiaries and assets or such other transactions disclosed in writing to the Company prior to the execution of this Agreement (the **Pre-Acquisition Reorganization**) or such other reorganization as Parent may reasonably request prior to the Effective Date, and the Plan of Arrangement, if required, shall be modified accordingly; provided, however, that the Company need not effect an amended or new Pre-Acquisition Reorganization, which in the opinion of the Company, acting reasonably, (i) would require the Company to obtain the approval of the Shareholders in respect of such Pre-Acquisition Reorganization other than at the Meeting, (ii) would prejudice the Shareholders or Optionholders in any material

respect, (iii) would impede or materially delay or prevent the consummation of the Transactions (including by giving rise to litigation by third parties), and (iv) is materially different than the proposed Pre-Acquisition Reorganization disclosed in writing to the Company prior to the execution of this Agreement. Parent shall provide written notice to the Company of any amendments to the proposed Pre-Acquisition Reorganization at least ten days prior to the anticipated Effective Time. Upon receipt of such notice, the Parent and the Company shall, at the expense of the Parent, work cooperatively and use commercially reasonable efforts to prepare prior to the Effective Time all documentation necessary and do such other acts and things as are necessary to give effect to any Pre-Acquisition Reorganizations. No Pre-Acquisition Reorganization will be made effective unless (i) it is reasonably certain, after consulting with the Company, that the Arrangement will become effective; (ii) such Pre-Acquisition Reorganization can be reversed or unwound without adversely affecting the Company or its Subsidiaries in the event the Arrangement does not become effective and this Agreement is terminated; or (iii) the Company otherwise reasonably agrees. If the Arrangement is not completed, Parent shall forthwith reimburse the Company for all reasonable fees and expenses (including any professional fees and expenses) incurred by the Company and the Subsidiaries in considering or effecting a Pre-Acquisition Reorganization and shall be responsible for any costs, fees, expenses, damages or other amounts that are or may become payable by of the Company and its Subsidiaries in connection with or as a result of reversing or unwinding any Pre-Acquisition Reorganization that was effected or undertaken prior to termination of this Agreement at Parent's request. The obligation of Parent to reimburse the Company for fees and expenses and be responsible for costs and other amounts as set out in this Section will be in addition to any other payment Parent may be obligated to make hereunder and will survive termination of this Agreement. The completion of the Pre-Acquisition Reorganization shall not be a condition to completion of the Arrangement.

Section 5.5

Access to Information.

Subject to applicable Law and the Confidentiality Agreement, upon reasonable notice, the Company shall (and shall cause each of its Subsidiaries to) afford officers, employees, counsel, accountants and other authorized representatives and advisors (**Representatives**) of Parent reasonable access, during normal business hours from the date hereof and until the expiration or termination of this Agreement, to its books, records, files, documents, assets, properties, contracts and agreements as well as to its management personnel, and, during such period, the Company shall (and shall cause each of its Subsidiaries to) furnish promptly to such Representatives all information concerning its business, properties and personnel as such Representatives may reasonably request. Parent may not conduct any invasive environmental testing or assessments without the

prior written consent of the Company and any applicable landlord, which in the case of the Company, such required consent shall not be unreasonably withheld.

ARTICLE 6 COVENANTS OF ACQUISITION SUB

Section 6.1

Covenants Regarding the Performance of Obligations

Acquisition Sub shall perform all obligations required or desirable to be performed by it under this Agreement, and co-operate with the Company in connection therewith, in order to consummate and make effective, as soon as reasonably practicable, the Arrangement and, without limiting the generality of the foregoing, Acquisition Sub shall:

(1)

apply for and use all commercially reasonable efforts to obtain all Regulatory Approvals relating to Acquisition Sub, Parent or any of its Subsidiaries which are required in order to consummate the Arrangement under this Agreement and, in doing so, keep the Company reasonably informed as to the status of the proceedings related to obtaining the Regulatory Approvals;

(2)

furnish promptly to the Company a copy of each notice, report, schedule or other document or communication delivered or filed by Acquisition Sub or Parent in connection with the Arrangement or the Interim Order or the Meeting with any Governmental Authority in connection with, or in any way affecting, the transactions contemplated herein, but excluding any notice, report, schedule or other document or communication delivered or filed by Acquisition Sub or Parent relating to the ICA Approval; and

(3)

use its commercially reasonable efforts to defend all lawsuits or other legal, regulatory or other proceedings against Acquisition Sub or Parent challenging or affecting this Agreement or the making or completion of the Arrangement.

Section 6.2

Officers and Directors Insurance and Indemnification.

(1)

Parent agrees to use reasonable efforts to secure, to the extent the Company itself has not previously secured, directors and officers insurance coverage for the Company's current and former directors and officers on a six year trailing (or run-off) basis. If a trailing (or run-off) policy is not available at a reasonable cost (a reasonable cost being not greater

than the estimated cost of providing the coverage referred to in this and the next sentence), then Parent agrees that for the entire period from the Effective Time until six years after the Effective Time, to cause the Company or any successor to the Company to maintain the Company's current directors' and officers' insurance policy or an equivalent policy, subject in either case, to terms and

conditions no less advantageous to the directors and officers of the Company than those contained in the policy in effect on the date hereof, for all current and former directors and officers of the Company, covering claims made prior to or within six (6) years after the Effective Time. Further, Parent agrees that, after the expiration of that six (6) year period, if there is no cost in doing so, Parent shall use reasonable commercial efforts to cause such directors and officers to be covered under Parent's then existing directors and officers liability insurance policy.

(2)

From and after the Effective Time, neither Parent nor the Acquisition Sub shall do anything to prevent the Company from indemnifying and holding harmless and providing advancement of expenses to all past and present directors and officers of the Company or its Subsidiaries, to the extent such Persons are lawfully entitled to indemnity from the Company or its Subsidiaries or have the right to advancement of expenses by the Company or its Subsidiaries pursuant to the Company's or Subsidiaries' by-laws and indemnity agreements, in existence immediately prior to the date hereof, for liabilities and obligations of the Company and for acts or omissions occurring on or prior to the Effective Time (including acts or omissions occurring in connection with the approval of this Agreement and consummation of the transactions contemplated hereby). Parent and/or the Acquisition Sub will not (unless it assumes such obligations and gives written notice to the beneficiaries thereof to the extent it has their addresses) wind-up or liquidate the Company or otherwise take any other action where doing so adversely affects the ability of the Company to satisfy its indemnity obligations referred to herein.

(3)

In the event the Company or any of its Successors or assigns, after the Effective Time, (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that such successors and assigns of the Company or, at Parent's option, Parent, shall assume the obligations set forth in this Section 6.2.

(4)

The provisions of this Section 6.2 are intended to be for the benefit of, and will be enforceable by, each individual referred to therein, his or her heirs and his or her legal representatives. Furthermore, the provisions of this Section 6.2 shall survive the termination of this Agreement as a result of the occurrence of the Effective Time.

Section 6.3

Accuracy of Representations and Warranties.

Parent covenants and agrees that at all times during the Pre-Effective Date Period, Parent shall not, and shall cause the Acquisition Sub to not, intentionally take any action, or fail to take any action, which would reasonably be expected to result in the representations and warranties set out in Schedule "D" being untrue at any time during the Pre-Effective Date Period.

Section 6.4

Contacts with Suppliers, Employees and Customers.

Prior to the Effective Time, without the prior written consent of the Company (which consent shall not be unreasonably withheld, delayed or conditioned), Parent shall not contact any suppliers to, employees of, or customers of, the Company or its Subsidiaries in connection with or pertaining to any subject matter of this Agreement.

Section 6.5

Law Firm Retainers.

In connection with the matters contemplated by this Agreement, Parent confirms that it has been advised that the Company has retained Stikeman Elliott LLP and that the Company Board has retained Fasken Martineau DuMoulin LLP to advise them. Parent hereby confirms that it consents to such retainer (including such law firms continuing with such retainer) notwithstanding any past or current relationship between Parent (or any related party) and such law firms and/or any adversity in interest that currently exists or may hereafter arise between Parent and any one or more of the Company or the members of the Company Board. In addition, Parent waives any duty of loyalty owed to it by such law firms to the extent that such law firms may currently be acting for it (or for any of its related parties) in matters unrelated to the matters contemplated by this Agreement and are also acting as described in this Section 6.5. Neither Stikeman Elliott LLP nor Fasken Martineau DuMoulin LLP will use confidential information obtained from Parent or from the Company by virtue of the transaction contemplated by this Agreement or their other relationships with Parent and the Company in connection with the performance of services for other companies or entities.

**ARTICLE 7
MUTUAL COVENANTS**

Section 7.1

Consultation.

(1)

Parent and the Company agree to consult with each other in issuing any press releases or otherwise making public statements with respect to the Transactions or any other Acquisition Proposal and in making any filings with any Governmental Authority or with any securities exchange with respect thereto. Each Party shall use its reasonable efforts to enable the other

Party to review and comment on all such press releases prior to release thereof unless otherwise required by applicable Law.

(2)

The Company shall promptly notify Parent of any written communications of a material nature received from or provided to any Governmental Authority relevant to the Transactions and provide Parent with copies thereof. Parent and the Acquisition Sub shall promptly notify the Company of any written communications of a material nature received from or provided to any Governmental Authority relevant to the Transactions and, except in respect of communications in respect of ICA Approval, provide the Company with copies thereof. Any competitively sensitive information required to be shared by one Party with another Party pursuant to this Section 7.1, shall be shared with that other Party's external antitrust counsel only.

Section 7.2

Further Assurances.

Subject to the terms and conditions herein, each Party agrees to use its respective commercially reasonable efforts to take, or cause to be taken, all reasonable action and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws and regulations, to consummate the transactions contemplated by this Agreement and the Transactions. The Company will, and cause its Subsidiaries to, use its commercially reasonable efforts (and Parent will cooperate with the Company and its Subsidiaries) to obtain all necessary waivers, consents and approvals, in form and substance satisfactory to Parent and the Acquisition Sub, from other parties to loan agreements, leases and other contracts or agreements (including the agreement of any Persons as may be required pursuant to any agreement, arrangement or understanding relating to the Company's or to its Subsidiaries' operations. Each of the Parties will, and, in the case of the Company, will cause its Subsidiaries to use its reasonable efforts (i) to make all necessary filings and obtain all necessary consents, approvals and authorizations as are required to be made or obtained under any federal, provincial, state or foreign law or regulations with respect to this Agreement or the Transactions, (ii) to avoid, lift, rescind or appeal any injunction or restraining order or other order adversely affecting the ability of the Parties to consummate the transactions contemplated hereby or by the Transactions, and (iii) to fulfil all conditions and satisfy all provisions of this Agreement and the Transactions.

Section 7.3

Governmental Filings and Approvals.

Without limiting the generality of Section 7.2, Section 5.1(k) and Section 6.1(1), each of Parent and the Company will as promptly as possible, and in any event within 21 days, after execution of this Agreement, make all filings or submissions as are required to obtain all Regulatory Approvals or necessary to consummate the transactions contemplated by this Agreement and shall promptly

file any additional information requested by any Governmental Authority. Each of Parent and the Company will promptly furnish to the other, or to its external antitrust counsel, such necessary information and reasonable assistance as the other may request in connection with its preparation of any filing, notification, or submission which is necessary or desirable in connection with obtaining any Regulatory Approval. Parent will be responsible for the filing fees and charges associated with obtaining the Regulatory Approvals. Any competitively sensitive information required to be shared by one Party with another Party pursuant to this Section 7.3, shall be shared with that other Party's external antitrust counsel only.

ARTICLE 8 CONDITIONS

Section 8.1

The respective obligations of the Parties to complete the Arrangement shall be subject to the satisfaction, on or before the Effective Time, of the following conditions precedent, each of which may only be waived by the mutual consent of Parent and the Company:

In addition, the representations and warranties set forth in Sections 4(a), 4(b) and 4(c) of Schedule "C" shall be true and correct in all respects. Parent shall have received a certificate of the Company addressed to Parent and dated the Effective Date, signed on behalf of the Company by two senior executive officers of the Company (on the Company's behalf and without personal liability), confirming the above as at the Effective Date;

(5)

the aggregate number of Shares held, directly or indirectly, by Shareholders who have properly exercised Dissent Rights in connection with the Arrangement shall not exceed 10% of the outstanding Shares;

(6)

the Company shall have: (i) deferred the separation of the Rights under the Rights Plan; and (ii) waived or suspended the operation of or otherwise rendered the Rights Plan inoperative in respect of the Transactions, to the satisfaction of Parent, acting reasonably; and

(7)

all consents, waivers, permits, orders and approvals of any Governmental Authority, and the expiry of any waiting periods, in connection with, or required to permit, the consummation of the Transactions, the failure of which to obtain would render completion of the Transactions unlawful, shall have been obtained or satisfied on terms satisfactory to Parent acting reasonably.

Section 8.3

Additional Conditions Precedent to the Obligations of the Company

The obligations of the Company to complete the Transactions shall also be subject to the following conditions precedent (each of which is for the exclusive benefit of the Company and may be waived by the Company):

The funds shall be held by the Transfer Agent in an escrow or restricted account agreement among Parent, Parent's lead lenders, the Company and the Transfer Agent, reasonably satisfactory to all parties thereto, pursuant to which, among other things, the Transfer Agent shall be irrevocably instructed to release the funds (less any interest earned thereon) to the Transfer Agent, in its capacity as depository, upon presentment by the Company to the Transfer Agent of a copy of the Certificate of Arrangement.

Section 8.4

Notice and Cure Provisions

(1)

Parent and the Company will give prompt notice to the other of the occurrence, or failure to occur, at any time during the Pre-Effective Period of any event or state of facts which occurrence or failure would, or would be likely to:

(a)

cause any of the representations or warranties of the other Party contained herein to be untrue or inaccurate on the date hereof or on the Effective Time such that the conditions set forth in Section 8.2 or Section 8.3, as applicable would not be satisfied as of the Effective Time; or

(b)

result in the failure in any material respect to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by the other hereunder prior to the Effective Time such that the conditions set forth in Section 8.2 or Section 8.3, as applicable would not be satisfied as of the Effective Time.

(2)

Neither Parent nor the Company may seek to rely upon any conditions precedent contained in Section 8.1, Section 8.2 or Section 8.3, or exercise any termination right arising therefrom, unless forthwith and in any event prior to the filing of the Articles of Arrangement for acceptance by the Director, Parent or the Company, as the case may be, has delivered a written notice to the other specifying in reasonable detail all breaches of covenants, representations and warranties or other matters which Parent or the

Company, as the case may be, are asserting as the basis for the non-fulfilment of the applicable condition precedent or the exercise of the termination right, as the case may be. If any such notice is delivered, provided that the Company or Parent, as the case may be, is proceeding diligently to cure such matter, if such matter is susceptible to being cured (for greater certainty, except by way of disclosure in the case of representations and warranties), the other may not terminate this Agreement as a result thereof until the earlier of (i) the expiration of a period of 15 days from such notice, and (ii) the Outside Date. If such notice has been delivered prior to the date of the Meeting, such Meeting shall, unless the Parties agree otherwise, be postponed or adjourned until the expiry of such period. If such notice has been delivered prior to the making of the application for the Final Order or the filing of the Articles of Arrangement with the Director, such application and such filing shall be postponed until the expiry of such period. For greater certainty, in the event that such matter is cured within the time period referred to herein without a material adverse effect on the Party in breach, this Agreement may not be terminated as a result of the cured breach.

Section 8.5

Satisfaction of Conditions

The conditions precedent set out in Section 8.1, Section 8.2 and Section 8.3 shall be conclusively deemed to have been satisfied, waived or released when, with the agreement of Parent and the Company, a Certificate of Arrangement in respect of the Arrangement is issued by the Director.

ARTICLE 9 AMENDMENT AND TERMINATION

Section 9.1

Amendment

(1)

This Agreement and the Plan of Arrangement may, at any time and from time to time before or after the holding of the Meeting but not later than the Effective Date, be amended by mutual written agreement of the Parties, and any such amendment may without further shareholder approvals, subject to applicable Laws and the Interim Order, without limitation:

(a)

change the time for performance of any of the obligations or acts of the Parties;

(b)

wave any inaccuracies or modify any representation or warranty contained herein or in any document delivered pursuant hereto;

(c)

waive compliance with or modify any of the covenants herein contained and waive or modify performance of any of the obligations of the Parties; and/or

(d)

waive compliance with or modify any conditions precedent herein contained provided that any such change does not decrease or change the form of the consideration payable to the Shareholders.

(2)

Any of the terms, covenants, representations, warranties or conditions hereof may be waived, but only by written instrument executed by the Parties hereto; provided, however, that a Party may in its discretion waive a condition herein which is solely for its benefit without the consent of the other Party, unless otherwise expressly provided herein. No waiver of any nature, in any one or more instances, shall be deemed or construed as a further or continued waiver of any condition or any breach of any other term, representation or warranty in this Agreement.

Section 9.2

Termination

This Agreement may be terminated and the Arrangement may be abandoned at any time prior to the Effective Time, notwithstanding any requisite approval and authorization of this Agreement by Shareholders:

(1)

by mutual written consent of Parent and the Company duly authorized by the boards of directors of Parent and the Company;

(2)

by either Parent or the Company if the Effective Time shall not have occurred on or before the Outside Date; provided, however, that the right to terminate this Agreement under this Section 9.2(2) shall not be available to any Party whose failure to fulfill any obligation under this Agreement has been the principal cause of, or resulted in, the failure of the Effective Time to occur on or before such date;

(3)

by either Parent or the Company if any Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Law which has the effect of making the Arrangement illegal or otherwise preventing or prohibiting consummation of the Arrangement;

(4)

by either Parent or the Company if the Arrangement Resolution shall have failed to receive the requisite vote for approval at the Meeting or at any adjournment or postponement thereof in accordance with the Interim Order;

(5)

by Parent if the Meeting has not occurred on or before July 15, 2007; provided, however, that the right to terminate this Agreement under this Section 9.2(5) shall not be available to Parent if failure by Parent or Acquisition Sub to fulfill any obligation under this Agreement has been the principal cause of, or resulted in, the failure of the Meeting to occur on or before such date;

(6)

by Parent, if: (i) the Company Board withdraws, modifies, changes or qualifies, its approval or recommendation of this Agreement or the Transactions in any manner adverse to Parent or makes a public announcement to that effect; or (ii) the Company Board (or any committee thereof) recommends or approves, or publicly proposes to recommend or approve, an Acquisition Proposal or makes a public announcement to that effect;

(7)

by Parent, if the Company Board fails to publicly affirm its approval or recommendation of the Transactions within five business days of any written request to do so from Parent (or, in the event that the Meeting shall be scheduled to take place within such five business days, prior to the scheduled time of the Meeting) provided, however, that the written request is not provided during an Acquisition Proposal Assessment Period;

(8)

by the Company, if the Company publicly proposes to or does enter into a Proposed Agreement with respect to a Superior Proposal in compliance with the provisions of Section 5.3(8), provided, however, that the Company has previously or concurrently will have paid to Parent the applicable Termination Fee and further provided that the Company is not in breach of any of its covenants, agreements or obligations in this Agreement in any material respects;

(9)

by Parent, if there has been a breach of or failure to perform any representation, warranty, covenant or agreement on the part of the Company set forth in this Agreement, which breach or failure to perform (i) would cause the conditions set forth in Section 8.2(1) or Section 8.2(2) not to be satisfied and (ii) is incapable of being cured or, if curable, is not cured in accordance with Section 8.4;

(10)

by the Company, if there has been a breach of or failure to perform any representation, warranty, covenant or agreement on the part of Parent set forth in this Agreement, which breach or failure to perform (i) would cause the conditions set forth in Section 8.3(1) or Section 8.3(2) not to be satisfied and (ii) is incapable of being cured or, if curable, is not cured in accordance with Section 8.4; or

(11)

by Parent if there shall have occurred any circumstance, fact, change, event or development that has resulted in a Material Adverse Effect.

If this Agreement is terminated in accordance with the foregoing provisions of this Section 9.2, no Party shall have any further liability to perform its obligations under this Agreement except as provided in Section 9.3 and as otherwise expressly contemplated by this Agreement, and provided that

neither the termination of this Agreement nor anything contained in this Section 9.2 shall relieve any Party from any liability for any breach by it of this Agreement, including from any inaccuracy in its representations and warranties and any non-performance by it of its covenants made herein.

Section 9.3

Termination Fees; Expenses

(1)

The Company shall pay the Termination Fee to Parent, by way of a wire transfer in immediately available funds to an account specified by Parent, if:

(a)

this Agreement is terminated in the circumstances set out in Section 9.2(6), Section 9.2(7) or Section 9.2(8);

(b)

this Agreement is terminated by Parent pursuant to Section 9.2(9) as a result of the Company being in default of any of its obligations or covenants contained in Section 5.3; or

(c)

(i) prior to the Meeting, (A) an Acquisition Proposal shall have been publicly announced or any Person shall have publicly announced an intention to make an Acquisition Proposal or (B) a report under the early warning requirements (as defined in National Instrument 62-103 -- *The Early Warning System and Related Take-Over Bid and Insider Reporting Issues* of the Canadian securities administrators) in connection with the acquisition of any Shares of the Company, is filed by any Person (other than Parent or any of its Affiliates); (ii) this Agreement is terminated pursuant to Section 9.2(4); and (iii) at least a majority of the shares or other ownership, voting or equity interests of the Company or of the assets of the Company and its Subsidiaries taken as a whole shall have been acquired under by any Person within the six-month period following the date of termination of this Agreement (other than as a result of a rights offering made available to all Shareholders).

(2)

Such payment shall be due:

(a)

in the case of a termination specified in Section 9.3(1) or Section 9.3(1), forthwith (and in any event within five business days) following the termination of this Agreement but prior to or concurrently with termination in the case of a termination pursuant to Section 9.2(8); and

(b)

in the case of the circumstances specified in Section 9.3(1) , within two business days following the execution by the Company of a binding agreement with respect thereto and if no such agreement is

executed, prior to or concurrently with the consummation of the Acquisition Proposal.

(3)

The Company shall pay, or cause to be paid, to Parent by wire transfer of immediately available funds, the reasonable documented expenses of the Parent and its affiliates incurred in connection with the transactions contemplated hereby (other than any expenses related to a broker, finder or investment banker) not to exceed \$1.5 million if:

(a)

this Agreement shall have been terminated pursuant to Section 9.2(4);

(b)

this Agreement shall have been terminated by Parent pursuant to Section 9.2(2), provided that the reason that the Effective Time did not occur prior to the Outside Date was the failure by the Company to complete the Transactions hereby when required to do so; or

(c)

this Agreement shall have been terminated by Parent pursuant to Section 9.2(9) other than as contemplated by Section 9.3(1)

For greater certainty, if, after making any payment pursuant to this Section 9.3(3), it is subsequently determined that Parent is entitled to the Termination Fee under Section 9.3(1), any such payment under this Section 9.3(3) shall be treated as payment against the Termination Fee payable under Section 9.3(1) and not in lieu thereof.

(4)

In no event shall the Company be obligated to pay under this Section, in the aggregate, an amount in excess of the Termination Fee.

(5)

Acquisition Sub shall pay, or cause to be paid, to the Company, by way of a wire transfer in immediately available funds to an account specified by the Company, an amount equal to the Termination Fee if this Agreement shall have been terminated by the Company pursuant to Section 9.2(2) or Section 9.2(10), provided that in the case of termination pursuant to Section 9.2(2) the reason that the Effective Time did not occur prior to the Outside Date was the failure by Parent to complete the Transactions hereby when required to do so. Such payment shall be made within two Business Days of any such termination.

(6)

The Parties acknowledge that all of the payments of amounts set out in this Section 9.3 represents liquidated damages which are a genuine pre-estimate of the damages, including opportunity costs, which a Party will suffer or incur as a result of the event giving rise to such payment and the resultant termination of this Agreement, and are not penalties. Each Party irrevocably waives any right it may have to raise as a defence that any such liquidated damages are

excessive or punitive. Subject to Section 9.4, for greater certainty,

the Parties agree that the right to receive payment of the amount determined pursuant to this Section 9.3 in the manner provided therein is the sole and exclusive remedy of the Party entitled to such payment in respect of the event giving rise to such payment. Other than amounts that may become payable pursuant to the Sponsor Guarantee, there shall be no liability of any shareholder, director, officer, employee, advisor or representative of Parent, Acquisition Sub or any affiliate thereof, whether to the Company or any other person (including any shareholder, director, officer, employee, advisor or representative thereof) in connection with any liability or other obligation of Parent, Acquisition Sub or any affiliate thereof, whether hereunder or otherwise in connection with the transactions contemplated hereby (including in connection with the Equity Funding Letter).

(7)

Any obligation to make a payment as a result of Section 9.3 shall survive the termination of this Agreement.

Section 9.4

Remedies.

(1)

The Company acknowledges that any failure by it to comply with the terms and conditions of this Agreement may give rise to irreparable injury to the other Parties hereto inadequately compensable in damages. Accordingly, in the event of a violation, contravention, breach or threatened breach of this Agreement by the Company, a non-breaching Party may, in addition to any other remedy available at law, enforce the performance of this Agreement by injunction or specific performance upon application to a court of competent jurisdiction without proof of actual damage (and without the requirement of posting a bond or other security), and notwithstanding that damages may be readily quantifiable, each Party agrees not to plead sufficiency of damages as a defence in any proceeding.

(2)

The rights and remedies provided in this Agreement and the Confidentiality Agreement are cumulative and in addition to, and not in substitution for, any other rights and remedies. All such rights and remedies may be exercised from time to time, and as often and in such order as the party so exercising deems expedient.
