ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

PURCHASE AGREEMENT

On September 6, 2006, Ligand Pharmaceuticals Incorporated, a Delaware corporation (the "COMPANY"), King Pharmaceuticals, Inc., a Tennessee corporation ("KING PHARMACEUTICALS"), and King Pharmaceuticals Research and Development, Inc., a Delaware corporation and wholly owned subsidiary of King Pharmaceuticals ("KING R&D", and together with King Pharmaceuticals, "KING") entered into a Purchase Agreement (the "PURCHASE AGREEMENT"), pursuant to which King has agreed to acquire all of the Company's rights in and to Avinza(R) (morphine sulfate extended-release capsules) in the United States, its territories and Canada, including, among other things, all Avinza(R) inventory, equipment, records and related intellectual property, and assume certain liabilities as set forth in the Purchase Agreement (collectively, the "TRANSACTION"). In addition, King has, subject to the terms and conditions of the Purchase Agreement, agreed to offer employment following the closing of the Transaction (the "CLOSING") to certain of the Company's existing sales representatives that support the sale of Avinza(R) or otherwise reimburse the Company for certain agreed upon severance arrangements offered to any such non-hired representatives.

Pursuant to the Purchase Agreement, at Closing, the Company will be paid a \$265 million cash payment (the "CLOSING PAYMENT"), \$15 million of which will be funded into an escrow account to support any indemnification claims made by King following the Closing, and King will assume certain liabilities, including a product-related liability owed by the Company to Organon Pharmaceuticals USA Inc. of approximately \$48 million. The Closing Payment is subject to adjustment based on the Company's ability to reduce wholesale and retail inventory levels of Avinza(R) to certain targeted levels by Closing in accordance with the Purchase Agreement.

King has also agreed to pay the Company, in addition to assuming existing royalty obligations owed to Organon Pharmaceuticals USA Inc. and other third parties, a 15% royalty on King's annual net sales of Avinza(R) or any reformulation or derivation thereof for the first 20 months following the later of the Closing or January 1, 2007, and, thereafter through November 25, 2017, as follows:

- o if annual net sales are \$200 million or less, 5% of all such net sales;
- o if annual net sales exceed \$200 million but do not exceed \$250 million, 10% of all such net sales; and
- o if annual net sales exceed \$250 million, 10% on all net sales up to and including \$250 million, plus 15% of net sales in excess of \$250 million.

In connection with the Transaction, King has committed to loan the Company, at the Company's option, \$37.75 million (the "LOAN"). If the Loan is drawn by the Company, amounts outstanding thereunder would be subject to certain market terms, including a 9.75% interest rate and a security interest in Company assets other than those related to Avinza(R). Upon Closing, accrued interest on the Loan would be forgiven and the outstanding principal amount due thereunder

would be credited against the Closing Payment. If the Loan is drawn by the Company and the Closing does not occur, accrued interest and the outstanding principal amount due thereunder would become due on January 1, 2007.

The Purchase Agreement may be terminated by either King or the Company if the Closing has not occurred by December 31, 2006, or upon the occurrence of certain customary matters. In addition, if the Purchase Agreement is terminated under certain circumstances, including a determination by the Company's board of directors to accept an acquisition proposal it deems superior to the Transaction, the Company has agreed to pay King a termination fee of \$12 million. The Closing is subject to certain closing conditions, including, but not limited to, Company stockholder approval of the Transaction, the conversion or redemption prior to Closing of all outstanding 6% Convertible Subordinated Notes due 2007 of the Company, the expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and certain other customary closing conditions.

CONTRACT SALES FORCE AGREEMENT

Also on September 6, 2006, the Company entered into a Contract Sales Force Agreement (the "SALES AGREEMENT") with King, pursuant to which King has agreed to conduct a detailing program to promote the sale of Avinza(R) for an agreed upon fee, subject to the terms and conditions of the Sales Agreement. Pursuant to the Sales Agreement, King has agreed to perform certain minimum monthly product details, which are to commence no later than October 1, 2006 and continue for a period of six months following such date or until the Closing or earlier termination of the Purchase Agreement. The Company estimates that, assuming the Closing were to occur at the end of December 2006, the amount due to King under the Contract Sales Force Agreement would be approximately \$4 million.

The foregoing descriptions of the Purchase Agreement and the Sales Agreement do not purport to be complete and are qualified in their entirety by reference to such agreements. The Purchase Agreement is filed as Exhibit 2.1 hereto and is incorporated herein by reference.
