Anne:	

This will confirm management's intention to recommend to the Board of Directors an amendment to the Company's 2000 Stock Option Plan to reduce from 500,000 to 200,000 the maximum number of option shares that may be granted to one individual in any one-year period. Until shareholder approval of such amendment, the Company does not intend to grant options for more than 150,000 shares in any one-year period to any one individual.
