**Item 5.03.**

**Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On November 11, 2015, the Board of Directors (the "Board") of Kohl's Corporation (the "Company") approved and adopted Amended and Restated Bylaws (the "Bylaws"), which became effective the same day, to implement new proxy access rights for eligible shareholders, among other amendments.

After a non-binding shareholder proposal received a favorable vote from a majority of votes cast on the matter at the Company's 2015 annual meeting of shareholders, the Company engaged in discussions regarding proxy access with a number of its largest shareholders that together held over 40% of its outstanding stock. This shareholder engagement allowed the Company to gain valuable feedback from its shareholders regarding proxy access, including feedback as to the particular proxy access parameters that the Company's shareholders viewed as appropriate.

As amended, Article II, Section 2.12 of the Bylaws generally permits an eligible shareholder, or a group of up to 20 shareholders, that has continuously owned at least three percent of the Company's outstanding shares of common stock for three years to include in the Company's proxy materials director nominations of up to the greater of two Directors and 20% of the number of Directors currently serving on the Company's Board, subject to the terms and conditions specified in the Bylaws.

The Board further amended Article III, Section 3.13 of the Bylaws in order to conform this section with the Wisconsin Business Corporation statutory provisions regarding committee powers. Certain technical and conforming amendments were also made to the Bylaws.

The preceding summary of the amendments to the Bylaws is qualified in its entirety by reference to, and should be read in connection with, the complete copy of the Amended and Restated Bylaws attached hereto and incorporated herein by reference.
