Agreement dated December 20, 2016 by and between Piton and each Seller (each, a "Purchase Agreement" and collectively the "Purchase Agreements"). References to, and descriptions of, each Purchase Agreement as set forth in this Item 6 are qualified in their entirety by the terms of each Purchase Agreement, copies of which are filed herewith as Exhibit C and Exhibit D and incorporated by reference herein.

As an inducement to Piton to enter into each Purchase Agreement, the Company granted "demand" and "piggy back" registration rights to Piton and the other Reporting Persons for as long as they qualify as clients of Kokino LLC (the "Kokino Clients") pursuant to a Registration Rights Agreement, dated December 20, 2016 (the "Registration Rights Agreement"). If the demand registration rights are exercised in accordance with the terms and conditions of the Registration Rights Agreement, the Kokino Clients who participate in the registration will severally, not jointly, reimburse the Company for the Kokino Clients' pro rata portion of certain expenses incurred in connection with the demand registration based on the number of Shares held by the Kokino Clients that are included in the registration statement. The Kokino Clients may only exercise their demand registration rights from time to time when the Company is obligated to file its Form 10-K or a Form 10-Q. References to, and descriptions of, the Registration Rights Agreement as set forth in this Item 6 are qualified in their entirety by the terms of the Registration Rights Agreement, a copy of which is filed herewith as Exhibit E and incorporated by reference herein.

The Trust, M3C and Piton each hold a portion of their assets, which may include some of the Issuer's securities, in prime brokerage accounts at one or more institutions, which accounts provide the Trust, M3C and Piton with access to margin or other financing. The customer and related agreements governing such accounts generally provide the broker counterparty with security, collateral or similar rights of possession, sale or offset with respect to such account assets in the event of a customer default. Such agreements generally also provide the counterparty with rights to lend assets held in such account, in some cases without advance or other notification to the customer. To the extent the Issuer's securities owned by the Trust, M3C or Piton are held from time to time in such prime broker accounts, they may be subject to such counterparty rights.

Other than as described herein, there are no contracts, arrangements, understandings or relationships among the Reporting Persons, or between the Reporting Persons and any other person, with respect to the securities of the Issuer.

COMMON STOCK PURCHASE AND OPTION AGREEMENT

This COMMON STOCK PURCHASE AND OPTION AGREEMENT (this "Agreement") is dated December 20, 2016 ("Agreement Date") by and between Piton Capital Partners LLC (the "Purchaser") and Brian Tepfer (the "Seller").

RECITALS

- A. The Seller is the owner of not less than 1,000,000 shares of the common stock, par value \$0.0001 per share (the "Shares"), of usell.com, Inc., a Delaware corporation (the "Company");
- B. The Purchaser wishes to purchase, and the Seller wishes to sell, 500,000 Shares (the "Purchased Shares") on the terms and conditions set forth in this Agreement; and
- C. The Seller wishes to grant to Purchaser an option to purchase up to an additional 500,000 Shares (the "Option Shares") on the terms and conditions set forth in this Agreement.

Now, therefore, in consideration of the mutual covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Purchase and Sale. Subject to Section 6, the Seller hereby agrees to sell, transfer, assign, grant and convey the Purchased Shares to the Purchaser free and clear of all Encumbrances (as defined in Section 3(d)), and the Purchaser hereby agrees to purchase and acquire the Purchased Shares, for consideration of One Dollar (\$1.00) per Purchased Share or an aggregate of Five Hundred Thousand Dollars (\$500,000) (the "Purchase Price"). The Purchase Price shall be paid by the Purchaser wiring such amount, in immediately available funds, to an account with Chadbourne & Parke LLP (the "Escrow Agent") as escrow agent for the parties in accordance with the instructions in Annex I hereto (the "Escrow Account") within five (5) Business Days after Purchaser's and Seller's exchange of signed counterpart signature pages to this Agreement (the "Execution Date"). Thereafter, upon Escrow Agent's receipt of a certificate representing the Purchased Shares (the "Certificate"), Escrow Agent shall transfer the Purchase Price to an account designated by Seller in accordance with the instructions in Annex I hereto (the "Seller's Account") and shall deliver the Certificate to Purchaser. The Certificate shall be duly endorsed in blank or accompanied by stock powers or other instruments of transfer duly executed in blank, with all required stock transfer tax stamps affixed thereto. The term "Business Day" shall mean a day (excluding Saturdays, Sundays and public holidays) on which banks are open for all forms of normal commercial business in New York City. For purposes of this Agreement, a party's timely delivery of any payment or document to Escrow Agent shall constitute timely delivery of such payment or document by that party.

2. Option.

Subject to the terms and conditions of this Agreement and in further consideration of the purchase of the Purchased Shares, Seller hereby grants to Purchaser, and Purchaser hereby accepts, the right and option (but not the obligation) ^{a.} to purchase from Seller up to an aggregate of 500,000 of the Option Shares (the "Option"). The Option shall expire on the fifth (5th) anniversary of the Agreement Date (the "Expiration Date").

The Purchaser may exercise the Option in whole or in part, at any time, and from time to time, in one or more transactions, from the Agreement Date until the Expiration Date. In consideration of the payment of the applicable ^{b.} Option Price, Seller will sell, transfer, assign, grant and convey to the Purchaser the number of Option Shares set forth in the relevant Notice (defined below) free and clear of all Encumbrances.

Any exercise of the Option shall take place on the date specified by Purchaser in a written notice delivered to Seller pursuant to Section 8(b) (each such date, a "Closing Date"), which written notice will set forth the amount of Option Shares that Purchaser elects to purchase pursuant to the Option (each such notice, a "Notice"). In connection with each Closing Date, (i) Purchaser shall deliver to the Escrow Agent the aggregate Option Price for the Option Shares being purchased on such Closing Date by wiring such amount, in immediately available funds, to the Escrow Account and (ii) Seller shall execute and/or deliver or cause to be delivered to Escrow Agent at least three (3) Business Days before such Closing Date (y) duly issued certificate(s) for all of the Option Shares being purchased on such Closing Date, duly endorsed in blank or accompanied by stock powers or other instruments of transfer duly executed in blank, with all required stock transfer tax stamps affixed thereto and (z) a certificate executed by Seller ^{c.} confirming that the representations and warranties of Seller set forth in this Agreement remain true and correct as of such Closing Date, except to the extent they relate to a specified date, in which case they remain true and correct as of such specified date. Purchaser may, within two (2) Business Days after the date on which Escrow Agent receives the certificates referenced in (y) and (z) above, object to the condition or nature of any such certificate, in which case Escrow Agent will return the certificates referenced in (y) and (z) to Seller and will return the Purchase Price to Purchaser. If Purchaser does not make such an objection within two (2) Business Days after the date on which Escrow Agent receives the certificates referenced in (y) and (z) above, then on the Closing Date the Escrow Agent shall transfer the Option Price to Seller's Account and shall transfer the certificates referenced in (y) and (z) above to Purchaser.

The purchase price to be paid by Purchaser to the Seller for the purchase of the applicable Option Shares shall be One Dollar (\$1.00) per Option Share (the "Option Price"). The number of Option Shares subject to the Option and the Option Price shall be equitably adjusted in the event of a stock split, stock dividend or other subdivision, consolidation or combination of the Shares such that upon exercise of the Option for the same aggregate Option Price, Purchaser shall receive the same corresponding value as Purchaser would have received had it exercised the Option immediately prior to such stock split, stock dividend or other subdivision or consolidation of the Shares and ^{d.} participated in such stock split, stock dividend or other subdivision, consolidation or combination. Additionally, if at any time after the Agreement Date the Company distributes cash, securities, evidence of indebtedness or other assets or property (including, for example, a cash dividend) and such distribution is not contemplated by the second sentence of this Section 2(d), then the Option Price shall be automatically reduced by the fair market value of the cash, securities, evidence of indebtedness or other assets or property applicable to one share of the Shares to the extent such distribution is (or will be) received by Seller.

- e. From the date hereof until the Expiration Date, Seller shall at all times reserve and keep available, solely for the purpose of delivery upon the exercise of the Option, the maximum number of Option Shares deliverable upon the exercise of the Option and shall not (i) sell, transfer, assign, grant or convey such reserved Option Shares or any interest in such reserved Option Shares other than in accordance with this Agreement or (ii) otherwise subject such reserved Option Shares to any Encumbrance. Additionally, from the Agreement Date through the Expiration Date, Seller agrees that Chadbourne & Parke LLP shall hold Seller's stock certificates evidencing the maximum number of Option Shares deliverable upon Purchaser's exercise of the Option at any point in time.

- f. If the Company undergoes a merger, consolidation, acquisition, or plan of exchange pursuant to which the Option Shares are converted into cash or other stock, securities or property, or a sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, the assets of the Company, then, at the election of Purchaser in its sole discretion, either:

- i. If applicable, the Option shall be converted into an option to acquire the stock of the surviving or acquiring corporation received by Seller in the applicable transaction (and the Purchaser may thereafter exercise the Option in whole or in part pursuant to Section 2(b)), with the amount and type of shares subject thereto and Option Price thereof to be determined by reference to the relative values of the companies involved in the applicable transaction and the exchange rate used in determining shares of the surviving corporation to be held by the former holders of the Shares following the applicable transaction, and disregarding fractional shares; or

- ii. Purchaser shall have the right to receive the kind and amount of shares of stock or other securities or property receivable upon such consolidation, merger, acquisition or exchange by Seller upon exercise of the Option immediately prior to such transaction.

3. Representations and Warranties of the Seller. In order to induce the Purchaser to purchase the Purchased Shares and the Option Shares, Seller represents and warrants that as of the Agreement Date and each Closing Date:

a. Seller has full power and capacity to execute and deliver this Agreement and to perform its obligations under this Agreement.

Seller's execution, delivery, and performance of this Agreement has not resulted and will not result in a conflict, breach or violation of any provision of (i) any statute, law, writ, order, rule or regulation of any governmental authority applicable to Seller; (ii) any judgment, injunction, decree or determination applicable to Seller; or (iii) any contract, indenture, mortgage, loan agreement, note, lease or other agreement, document or instrument to which Seller may be a party, by which Seller may be bound or to which any of the assets of Seller is subject.

(i) This Agreement (A) has been duly and validly executed and delivered by Seller and (B) is the legal, valid and binding obligation of Seller, enforceable against Seller in accordance with its terms, except that such enforceability against Seller may be limited by bankruptcy, insolvency, or other similar laws of general applicability affecting the enforcement of creditors' rights generally and by the court's discretion in relation to equitable remedies; and (ii) no notice to, registration with, consent or approval of or any other action by any relevant governmental authority or other person is, will be, or was required for Seller to execute, deliver, and perform its obligations under this Agreement, assuming that the representations and warranties of Purchaser are true and correct.

Seller is the sole legal and beneficial owner of and has good title to the Purchased Shares and the Option Shares, free and clear of any charge, claim, hypothecation, community property interest, pledge, condition, equitable interest, lien (statutory or other), option, security interest, security arrangement, mortgage, easement, encroachment, right of first refusal, or restriction of any kind, including any restriction on use, voting, transfer, receipt of income or exercise of any other attribute of ownership or other adverse claim against title of any kind ("Encumbrance"). The Purchased Shares and the Option Shares are not subject to any prior sale, transfer, assignment or participation by Seller or any agreement by Seller to assign, convey, transfer or participate, in whole or in part.

No proceedings are pending against Seller or to Seller's knowledge, threatened against Seller before any relevant governmental authority that, in the aggregate, will materially and adversely affect (i) the Purchased Shares and the Option Shares or (ii) any action taken or to be taken by Seller under this Agreement.

Seller has not engaged in any acts or conduct or made any omissions that will result in Purchaser receiving proportionately less in payments or distributions under, or less favorable treatment for, the Purchased Shares and the Option Shares than is received by other holders holding Shares of the same tranche, class or type as the Purchased Shares and the Option Shares.

g. No broker, finder or other entity acting under Seller's authority is entitled to any broker's commission or other fee in connection with the transactions contemplated by this Agreement for which Purchaser could be responsible.

h. Seller acknowledges that the consideration given for the purchase by the Purchaser of the Purchased Shares and the Option Shares may differ both in kind and in amount from any payments or distributions which the Purchaser may ultimately receive with respect to the Purchased Shares and the Option Shares, and the Seller shall not have any recourse to the Purchaser for any deficiency.

i. Seller (i) is a sophisticated seller with respect to the sale of the Purchased Shares and the Option Shares, (ii) has adequate information concerning the business and financial condition of the Company to make an informed decision regarding the sale of the Purchased Shares and the Option Shares and (iii) has independently and without reliance upon Purchaser, and based on such information as Seller has deemed appropriate, made its own analysis and decision to enter into this Agreement. Seller acknowledges that Purchaser has not given Seller any investment advice, credit information, or opinion on whether the sale of the Purchased Shares and the Option Shares is prudent.

j. Seller acknowledges that (i) Purchaser currently may have, and later may come into possession of, information with respect to the Shares, the Company or any of its affiliates that is not known to Seller and that may be material to a decision to sell the Purchased Shares and the Option Shares ("Seller Excluded Information"), (ii) Seller has determined to sell the Shares notwithstanding its lack of knowledge of the Seller Excluded Information and (iii) Purchaser shall have no liability to Seller, and Seller waives and releases any claims that it might have against Purchaser whether under applicable securities laws or otherwise, with respect to the nondisclosure of the Seller Excluded Information in connection with the transactions contemplated by this Agreement; provided, however, that the Seller Excluded Information shall not and does not affect the truth or accuracy of Purchaser representations or warranties in this Agreement.

k. The Purchased Shares and the Option Shares have not been registered under the Securities Act of 1933, as amended (the "Act"), are "restricted securities" as defined in Rule 144 under the Act, and may not be offered, sold or otherwise transferred in the absence of an effective registration statement with respect to the Purchased Shares and the Option Shares or an exemption from the registration requirements under the Act. Seller has not made any offers to sell, or solicitations of any offers to buy, all or any portion of the Purchased Shares and the Option Shares in violation of any applicable securities laws.

1. Seller is not a party to, or bound by, any document or agreement that could adversely affect the Purchased Shares and the Option Shares or Purchaser rights and remedies under this Agreement.

Seller has not and, to the best of Seller's knowledge, no one acting on its behalf has, taken any action, other than in connection with the transactions contemplated by this Agreement, which could subject the sale of the Purchased Shares and the Option Shares to Section 5 of the Act.

Seller is fully aware that, with regard to the sale of the Purchased Shares and the Option Shares, the Purchaser is relying upon the truth and accuracy of these representations and warranties. No representation or warranty by Seller in this Agreement and no statement contained in this Agreement or any certificate or other document furnished or to be furnished to Purchaser pursuant to this Agreement contains any untrue statement of a material fact, or omits to state a material fact necessary to make the statements contained therein, in light of the circumstances in which they are made, not misleading.

The Purchased Shares and the Option Shares transferred to Purchaser hereunder are being delivered pursuant to an exemption from the registration requirements under the Act in reliance upon the representations and warranties of Purchaser.

Seller is not a "foreign person" as that term is used in Treasury Regulations Section 1.1445-2. The Company is not, nor has it been, a United States real property holding corporation (as defined in Section 897(c)(2) of the Internal Revenue Code of 1986, as amended (the "Code")) during the applicable period specified in Section 897(c)(1)(a) of the Code.

Except as provided in Schedule 3(q), to Seller's knowledge, there has been no event, occurrence or development that has had, or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect with respect to the Company since the date of the Company's last public filing pursuant to the Act or the Securities Exchange Act of 1934, as the case may be, and the applicable rules and regulations promulgated thereunder.

q. "Material Adverse Effect" means any event, occurrence, fact, condition or change that is, or could reasonably be expected to become, individually or in the aggregate, materially adverse to (i) the business, results of operations, condition (financial or otherwise) or assets of the Company, or (ii) the ability of Seller to consummate the transactions contemplated hereby on a timely basis.

4. Purchaser Representations and Warranties. Purchaser makes the following representations and warranties to the Seller in connection with its purchase of the Purchased Shares and the Option Shares as of the Agreement Date and each Closing Date:

- a. The Purchaser has all necessary corporate or other power and authority to enter into this Agreement and to purchase the Purchased Shares and the Option Shares;

b. The Purchaser is a sophisticated institutional investor that is an "accredited investor" within the meaning of Rule 501 under the Act and has knowledge and experience in financial and business matters and is capable of evaluating the merits and risks of its investment in the Purchased Shares and the Option Shares and is able to bear the economic risk of such investment.

c. The Purchaser is acquiring the Purchased Shares and the Option Shares for its own account, and not with a view to, or for sale in connection with any, distribution thereof.

d. The Purchased Shares and the Option Shares were not offered or sold to Purchaser by any form of general solicitation or general advertising.

e. Purchaser acknowledges that the Purchased Shares and any Option Shares purchased pursuant to this Agreement will be "restricted securities" as defined in Rule 144 under the Act and may not be offered, sold or otherwise transferred by Purchaser in the absence of an effective registration statement with respect to the Purchased Shares and the Option Shares or an exemption from the registration requirements under the Act.

f. Purchaser acknowledges that the certificate(s) representing the Purchased Shares and any Option Shares will contain a standard securities law restrictive legend.

g. Purchaser acknowledges that Company maintains an equity incentive plan (the "Plan") under which stock options have been or will be issued; however, Purchaser acknowledges that any Option Shares acquired by Purchaser pursuant to this Agreement are not subject to or governed by the Plan.

5. Seller Covenants.

a. Seller agrees to take all actions as may be required, including delivery of opinions of counsel, to effect the transfer of the Purchased Shares and Option Shares purchased by Purchaser and to register Purchaser as the record owner of such Purchased Shares and Option Shares on the stock transfer records of the Company.

b. From time to time, at the request of Purchaser and without further consideration, Seller shall execute and deliver to Purchaser such other documents, and take such other action, as Purchaser may reasonably request in order to consummate or evidence more effectively the transactions contemplated hereby and to vest in Purchaser good, valid, and marketable title to the Shares, the Option and the Option Shares (as applicable).

c. On demand of Purchaser and prior to Closing the purchase of the Purchased Shares, Seller agrees to deliver to Purchaser a certificate pursuant to Treasury Regulations Section 1.1445-2(b) that Seller is not a foreign person within the meaning of Section 1445 of the Code.

All transfer, documentary, sales, use, stamp, registration, value added and other such taxes, expenses, costs and fees (including any penalties and interest) incurred in connection with this Agreement (including any real property d. transfer tax and any other similar tax) shall be borne and paid by Seller when due. Seller shall, at its own expense, timely file or submit any tax return or other document with respect to such taxes, expenses, costs or fees (and Purchaser shall cooperate with respect thereto as necessary).

6. Conditions to Closing.

The obligations of Purchaser to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or Purchaser's written waiver of each of the following conditions:

On or prior to the Agreement Date, the Company shall have executed and delivered the Registration Rights Agreement attached as Annex II hereto (the "Registration Agreement") pursuant to which the Company agrees to file and maintain a registration statement on Form S-1 with the Securities and Exchange Commission (the a. "Registration Statement") to register the Purchased Shares and the Option Shares for resale by the Purchaser and certain additional Shares owned by certain other clients of Kokino LLC (including any Shares to be issued upon exercise of warrants), from time to time in one or more resale transactions.

7. Indemnification.

Seller agrees to indemnify and hold the Purchaser harmless against and in respect of any and all damages, losses, liabilities, obligations, costs and expenses (including reasonable attorney's fees) (collectively "Damages") that the a. Purchaser may suffer or incur as a result of a breach of any of the representations, warranties or agreements by the Seller set forth herein.

b. Purchaser agrees to indemnify and hold the Seller harmless against and in respect of any and all Damages that the Seller may suffer or incur as a result of a breach of any of the representations, warranties or agreements by the Purchaser set forth herein.

c. All indemnification payments made under this Agreement shall be treated by the parties as an adjustment to the Purchase Price for tax purposes, unless otherwise required by law.

8. Miscellaneous.

a. Expenses. Each party shall bear the costs and expenses (including, without limitation, attorney's fees) incurred by such party in connection with the transactions contemplated by this Agreement.

b. Notices. All notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been given (i) when delivered by hand (with written confirmation of receipt); (ii) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (iii) on the date sent by e-mail of a PDF document (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next Business Day if sent after normal business hours of the recipient; or (iv) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. This COMMON STOCK PURCHASE AND OPTION AGREEMENT (this "Agreement") is dated December 20, 2016 ("Agreement Date") by and between Piton Capital Partners LLC (the "Purchaser") and Scott Tepfer (the "Seller").

RECITALS

- A. The Seller is the owner of not less than 1,000,000 shares of the common stock, par value \$0.0001 per share (the "Shares"), of usell.com, Inc., a Delaware corporation (the "Company");
- B. The Purchaser wishes to purchase, and the Seller wishes to sell, 500,000 Shares (the "Purchased Shares") on the terms and conditions set forth in this Agreement; and
- C. The Seller wishes to grant to Purchaser an option to purchase up to an additional 500,000 Shares (the "Option Shares") on the terms and conditions set forth in this Agreement.

Now, therefore, in consideration of the mutual covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Purchase and Sale. Subject to Section 6, the Seller hereby agrees to sell, transfer, assign, grant and convey the Purchased Shares to the Purchaser free and clear of all Encumbrances (as defined in Section 3(d)), and the Purchaser hereby agrees to purchase and acquire the Purchased Shares, for consideration of One Dollar (\$1.00) per Purchased Share or an aggregate of Five Hundred Thousand Dollars (\$500,000) (the "Purchase Price"). The Purchase Price shall be paid by the Purchaser wiring such amount, in immediately available funds, to an account with Chadbourne & Parke LLP (the "Escrow Agent") as escrow agent for the parties in accordance with the instructions in Annex I hereto (the "Escrow Account") within five (5) Business Days after Purchaser's and Seller's exchange of signed counterpart signature pages to this Agreement (the "Execution Date"). The term "Business Day" shall mean a day (excluding Saturdays, Sundays and public holidays) on which banks are open for all forms of normal commercial business in New York City. For purposes of this Agreement, a party's timely delivery of any payment or document to Escrow Agent shall constitute timely delivery of such payment or document by that party.

2. Option.

Subject to the terms and conditions of this Agreement and in further consideration of the purchase of the Purchased Shares, Seller hereby grants to Purchaser, and Purchaser hereby accepts, the right and option (but not the obligation) ^{a.} to purchase from Seller up to an aggregate of 500,000 of the Option Shares (the "Option"). The Option shall expire on the fifth (5th) anniversary of the Agreement Date (the "Expiration Date").

The Purchaser may exercise the Option in whole or in part, at any time, and from time to time, in one or more transactions, from the Agreement Date until the Expiration Date. In consideration of the payment of the applicable ^{b.} Option Price, Seller will sell, transfer, assign, grant and convey to the Purchaser the number of Option Shares set forth in the relevant Notice (defined below) free and clear of all Encumbrances.

Any exercise of the Option shall take place on the date specified by Purchaser in a written notice delivered to Seller pursuant to Section 8(b) (each such date, a "Closing Date"), which written notice will set forth the amount of Option Shares that Purchaser elects to purchase pursuant to the Option (each such notice, a "Notice"). In connection with each Closing Date, (i) Purchaser shall deliver to the Escrow Agent the aggregate Option Price for the Option Shares being purchased on such Closing Date by wiring such amount, in immediately available funds, to the Escrow Account and (ii) Seller shall execute and/or deliver or cause to be delivered to Escrow Agent at least three (3) Business Days before such Closing Date (y) duly issued certificate(s) for all of the Option Shares being purchased on such Closing Date, duly endorsed in blank or accompanied by stock powers or other instruments of transfer duly executed in blank, with all required stock transfer tax stamps affixed thereto and (z) a certificate executed by Seller ^{c.} confirming that the representations and warranties of Seller set forth in this Agreement remain true and correct as of such Closing Date, except to the extent they relate to a specified date, in which case they remain true and correct as of such specified date. Purchaser may, within two (2) Business Days after the date on which Escrow Agent receives the certificates referenced in (y) and (z) above, object to the condition or nature of any such certificate, in which case Escrow Agent will return the certificates referenced in (y) and (z) to Seller and will return the Purchase Price to Purchaser. If Purchaser does not make such an objection within two (2) Business Days after the date on which Escrow Agent receives the certificates referenced in (y) and (z) above, then on the Closing Date the Escrow Agent shall transfer the Option Price to Seller's Account and shall transfer the certificates referenced in (y) and (z) above to Purchaser.

The purchase price to be paid by Purchaser to the Seller for the purchase of the applicable Option Shares shall be One Dollar (\$1.00) per Option Share (the "Option Price"). The number of Option Shares subject to the Option and the Option Price shall be equitably adjusted in the event of a stock split, stock dividend or other subdivision, consolidation or combination of the Shares such that upon exercise of the Option for the same aggregate Option Price, Purchaser shall receive the same corresponding value as Purchaser would have received had it exercised the ^{d.} Option immediately prior to such stock split, stock dividend or other subdivision or consolidation of the Shares and participated in such stock split, stock dividend or other subdivision, consolidation or combination. Additionally, if at any time after the Agreement Date the Company distributes cash, securities, evidence of indebtedness or other assets or property (including, for example, a cash dividend) and such distribution is not contemplated by the second sentence of this Section 2(d), then the Option Price shall be automatically reduced by the fair market value of the cash, securities, evidence of indebtedness or other assets or property applicable to one share of the Shares to the extent such distribution is (or will be) received by Seller.

- e. From the date hereof until the Expiration Date, Seller shall at all times reserve and keep available, solely for the purpose of delivery upon the exercise of the Option, the maximum number of Option Shares deliverable upon the exercise of the Option and shall not (i) sell, transfer, assign, grant or convey such reserved Option Shares or any interest in such reserved Option Shares other than in accordance with this Agreement or (ii) otherwise subject such reserved Option Shares to any Encumbrance. Additionally, from the Agreement Date through the Expiration Date, Seller agrees that Chadbourne & Parke LLP shall hold Seller's stock certificates evidencing the maximum number of Option Shares deliverable upon Purchaser's exercise of the Option at any point in time.

- f. If the Company undergoes a merger, consolidation, acquisition, or plan of exchange pursuant to which the Option Shares are converted into cash or other stock, securities or property, or a sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, the assets of the Company, then, at the election of Purchaser in its sole discretion, either:

- i. If applicable, the Option shall be converted into an option to acquire the stock of the surviving or acquiring corporation received by Seller in the applicable transaction (and the Purchaser may thereafter exercise the Option in whole or in part pursuant to Section 2(b)), with the amount and type of shares subject thereto and Option Price thereof to be determined by reference to the relative values of the companies involved in the applicable transaction and the exchange rate used in determining shares of the surviving corporation to be held by the former holders of the Shares following the applicable transaction, and disregarding fractional shares; or

- ii. Purchaser shall have the right to receive the kind and amount of shares of stock or other securities or property receivable upon such consolidation, merger, acquisition or exchange by Seller upon exercise of the Option immediately prior to such transaction.

3. Representations and Warranties of the Seller. In order to induce the Purchaser to purchase the Purchased Shares and the Option Shares, Seller represents and warrants that as of the Agreement Date and each Closing Date:

a. Seller has full power and capacity to execute and deliver this Agreement and to perform its obligations under this Agreement.

Seller's execution, delivery, and performance of this Agreement has not resulted and will not result in a conflict, breach or violation of any provision of (i) any statute, law, writ, order, rule or regulation of any governmental authority applicable to Seller; (ii) any judgment, injunction, decree or determination applicable to Seller; or (iii) any contract, indenture, mortgage, loan agreement, note, lease or other agreement, document or instrument to which Seller may be a party, by which Seller may be bound or to which any of the assets of Seller is subject.

(i) This Agreement (A) has been duly and validly executed and delivered by Seller and (B) is the legal, valid and binding obligation of Seller, enforceable against Seller in accordance with its terms, except that such enforceability against Seller may be limited by bankruptcy, insolvency, or other similar laws of general applicability affecting the enforcement of creditors' rights generally and by the court's discretion in relation to equitable remedies; and (ii) no notice to, registration with, consent or approval of or any other action by any relevant governmental authority or other person is, will be, or was required for Seller to execute, deliver, and perform its obligations under this Agreement, assuming that the representations and warranties of Purchaser are true and correct.

Seller is the sole legal and beneficial owner of and has good title to the Purchased Shares and the Option Shares, free and clear of any charge, claim, hypothecation, community property interest, pledge, condition, equitable interest, lien (statutory or other), option, security interest, security arrangement, mortgage, easement, encroachment, right of first refusal, or restriction of any kind, including any restriction on use, voting, transfer, receipt of income or exercise of any other attribute of ownership or other adverse claim against title of any kind ("Encumbrance"). The Purchased Shares and the Option Shares are not subject to any prior sale, transfer, assignment or participation by Seller or any agreement by Seller to assign, convey, transfer or participate, in whole or in part.

No proceedings are pending against Seller or to Seller's knowledge, threatened against Seller before any relevant governmental authority that, in the aggregate, will materially and adversely affect (i) the Purchased Shares and the Option Shares or (ii) any action taken or to be taken by Seller under this Agreement.

Seller has not engaged in any acts or conduct or made any omissions that will result in Purchaser receiving proportionately less in payments or distributions under, or less favorable treatment for, the Purchased Shares and the Option Shares than is received by other holders holding Shares of the same tranche, class or type as the Purchased Shares and the Option Shares.

g. No broker, finder or other entity acting under Seller's authority is entitled to any broker's commission or other fee in connection with the transactions contemplated by this Agreement for which Purchaser could be responsible.

h. Seller acknowledges that the consideration given for the purchase by the Purchaser of the Purchased Shares and the Option Shares may differ both in kind and in amount from any payments or distributions which the Purchaser may ultimately receive with respect to the Purchased Shares and the Option Shares, and the Seller shall not have any recourse to the Purchaser for any deficiency.

i. Seller (i) is a sophisticated seller with respect to the sale of the Purchased Shares and the Option Shares, (ii) has adequate information concerning the business and financial condition of the Company to make an informed decision regarding the sale of the Purchased Shares and the Option Shares and (iii) has independently and without reliance upon Purchaser, and based on such information as Seller has deemed appropriate, made its own analysis and decision to enter into this Agreement. Seller acknowledges that Purchaser has not given Seller any investment advice, credit information, or opinion on whether the sale of the Purchased Shares and the Option Shares is prudent.

j. Seller acknowledges that (i) Purchaser currently may have, and later may come into possession of, information with respect to the Shares, the Company or any of its affiliates that is not known to Seller and that may be material to a decision to sell the Purchased Shares and the Option Shares ("Seller Excluded Information"), (ii) Seller has determined to sell the Shares notwithstanding its lack of knowledge of the Seller Excluded Information and (iii) Purchaser shall have no liability to Seller, and Seller waives and releases any claims that it might have against Purchaser whether under applicable securities laws or otherwise, with respect to the nondisclosure of the Seller Excluded Information in connection with the transactions contemplated by this Agreement; provided, however, that the Seller Excluded Information shall not and does not affect the truth or accuracy of Purchaser representations or warranties in this Agreement.

k. The Purchased Shares and the Option Shares have not been registered under the Securities Act of 1933, as amended (the "Act"), are "restricted securities" as defined in Rule 144 under the Act, and may not be offered, sold or otherwise transferred in the absence of an effective registration statement with respect to the Purchased Shares and the Option Shares or an exemption from the registration requirements under the Act. Seller has not made any offers to sell, or solicitations of any offers to buy, all or any portion of the Purchased Shares and the Option Shares in violation of any applicable securities laws.

l. Seller is not a party to, or bound by, any document or agreement that could adversely affect the Purchased Shares and the Option Shares or Purchaser rights and remedies under this Agreement.

Seller has not and, to the best of Seller's knowledge, no one acting on its behalf has, taken any action, other than in connection with the transactions contemplated by this Agreement, which could subject the sale of the Purchased Shares and the Option Shares to Section 5 of the Act.

Seller is fully aware that, with regard to the sale of the Purchased Shares and the Option Shares, the Purchaser is relying upon the truth and accuracy of these representations and warranties. No representation or warranty by Seller in this Agreement and no statement contained in this Agreement or any certificate or other document furnished or to be furnished to Purchaser pursuant to this Agreement contains any untrue statement of a material fact, or omits to state a material fact necessary to make the statements contained therein, in light of the circumstances in which they are made, not misleading.

The Purchased Shares and the Option Shares transferred to Purchaser hereunder are being delivered pursuant to an exemption from the registration requirements under the Act in reliance upon the representations and warranties of Purchaser.

Seller is not a "foreign person" as that term is used in Treasury Regulations Section 1.1445-2. The Company is not, nor has it been, a United States real property holding corporation (as defined in Section 897(c)(2) of the Internal Revenue Code of 1986, as amended (the "Code")) during the applicable period specified in Section 897(c)(1)(a) of the Code.

Except as provided in Schedule 3(q), to Seller's knowledge, there has been no event, occurrence or development that has had, or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect with respect to the Company since the date of the Company's last public filing pursuant to the Act or the Securities Exchange Act of 1934, as the case may be, and the applicable rules and regulations promulgated thereunder.

^q "Material Adverse Effect" means any event, occurrence, fact, condition or change that is, or could reasonably be expected to become, individually or in the aggregate, materially adverse to (i) the business, results of operations, condition (financial or otherwise) or assets of the Company, or (ii) the ability of Seller to consummate the transactions contemplated hereby on a timely basis.

4. Purchaser Representations and Warranties. Purchaser makes the following representations and warranties to the Seller in connection with its purchase of the Purchased Shares and the Option Shares as of the Agreement Date and each Closing Date:

^a The Purchaser has all necessary corporate or other power and authority to enter into this Agreement and to purchase the Purchased Shares and the Option Shares;

^b The Purchaser is a sophisticated institutional investor that is an "accredited investor" within the meaning of Rule 501 under the Act and has knowledge and experience in financial and business matters and is capable of evaluating the merits and risks of its investment in the Purchased Shares and the Option Shares and is able to bear the economic risk of such investment.

c. The Purchaser is acquiring the Purchased Shares and the Option Shares for its own account, and not with a view to, or for sale in connection with any, distribution thereof.

d. The Purchased Shares and the Option Shares were not offered or sold to Purchaser by any form of general solicitation or general advertising.

e. Purchaser acknowledges that the Purchased Shares and any Option Shares purchased pursuant to this Agreement will be "restricted securities" as defined in Rule 144 under the Act and may not be offered, sold or otherwise transferred by Purchaser in the absence of an effective registration statement with respect to the Purchased Shares and the Option Shares or an exemption from the registration requirements under the Act.

f. Purchaser acknowledges that the certificate(s) representing the Purchased Shares and any Option Shares will contain a standard securities law restrictive legend.

g. Purchaser acknowledges that Company maintains an equity incentive plan (the "Plan") under which stock options have been or will be issued; however, Purchaser acknowledges that any Option Shares acquired by Purchaser pursuant to this Agreement are not subject to or governed by the Plan.

5. Seller Covenants.

a. Seller agrees to take all actions as may be required, including delivery of opinions of counsel, to effect the transfer of the Purchased Shares and Option Shares purchased by Purchaser and to register Purchaser as the record owner of such Purchased Shares and Option Shares on the stock transfer records of the Company.

b. From time to time, at the request of Purchaser and without further consideration, Seller shall execute and deliver to Purchaser such other documents, and take such other action, as Purchaser may reasonably request in order to consummate or evidence more effectively the transactions contemplated hereby and to vest in Purchaser good, valid, and marketable title to the Shares, the Option and the Option Shares (as applicable).

c. On demand of Purchaser and prior to Closing the purchase of the Purchased Shares, Seller agrees to deliver to Purchaser a certificate pursuant to Treasury Regulations Section 1.1445-2(b) that Seller is not a foreign person within the meaning of Section 1445 of the Code.

All transfer, documentary, sales, use, stamp, registration, value added and other such taxes, expenses, costs and fees (including any penalties and interest) incurred in connection with this Agreement (including any real property d. transfer tax and any other similar tax) shall be borne and paid by Seller when due. Seller shall, at its own expense, timely file or submit any tax return or other document with respect to such taxes, expenses, costs or fees (and Purchaser shall cooperate with respect thereto as necessary).

6. Conditions to Closing.

The obligations of Purchaser to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or Purchaser's written waiver of each of the following conditions:

On or prior to the Agreement Date, the Company shall have executed and delivered the Registration Rights Agreement attached as Annex II hereto (the "Registration Agreement") pursuant to which the Company agrees to file and maintain a registration statement on Form S-1 with the Securities and Exchange Commission (the a. "Registration Statement") to register the Purchased Shares and the Option Shares for resale by the Purchaser and certain additional Shares owned by certain other clients of Kokino LLC (including any Shares to be issued upon exercise of warrants), from time to time in one or more resale transactions.

7. Indemnification.

Seller agrees to indemnify and hold the Purchaser harmless against and in respect of any and all damages, losses, liabilities, obligations, costs and expenses (including reasonable attorney's fees) (collectively "Damages") that the a. Purchaser may suffer or incur as a result of a breach of any of the representations, warranties or agreements by the Seller set forth herein.

b. Purchaser agrees to indemnify and hold the Seller harmless against and in respect of any and all Damages that the Seller may suffer or incur as a result of a breach of any of the representations, warranties or agreements by the Purchaser set forth herein.

c. All indemnification payments made under this Agreement shall be treated by the parties as an adjustment to the Purchase Price for tax purposes, unless otherwise required by law.

8. Miscellaneous.

a. Expenses. Each party shall bear the costs and expenses (including, without limitation, attorney's fees) incurred by such party in connection with the transactions contemplated by this Agreement.

- (a) registration statement (including each preliminary prospectus), in conformity with the requirements of the Securities Act, and such other documents, as the Investor may reasonably request on behalf of the Kokino Clients, in order to facilitate the public sale or other disposition of the Registrable Securities;
- (b) use all commercially reasonable efforts to make such filings under the securities or blue sky laws of Florida, New York and such other jurisdictions as the Investor may reasonably request on behalf of the Kokino Clients to enable the Kokino Clients to consummate the sale in such jurisdiction of the Registrable Securities;
- (c) notify the Investor at any time when a prospectus relating to the Registrable Securities is required to be delivered under the Securities Act, of the Company's becoming aware that the prospectus included in the related registration statement, as then in effect, includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and promptly prepare and furnish to the Investor on behalf of the Kokino Clients a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;
- (d) otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the Commission and to perform its obligations hereunder;
- (e) use commercially reasonable efforts to cause Registrable Securities to be quoted on each trading market and/or in each quotation service on which the Common Stock of the Company is then quoted; and
- (f) notify the Investor on behalf of the Kokino Clients of any stop order threatened or issued by the Commission and take all actions reasonably necessary to prevent the entry of such stop order or to remove it if entered.

5. Other Procedures.

- (a) Subject to the remaining provisions of this Section 5(a) and the Company's general obligation under Section 4, the Company shall be required to maintain the effectiveness of a registration statement until the sale of all Registrable Securities. The Company shall have no liability to the Kokino Clients for delays in the Kokino Clients being able to sell the Registrable Securities as long as the Company files a registration statement, amendments to a registration statement, post-effective amendments to a registration statement or supplements to a prospectus contained in a registration statement (including any amendment or post effective amendments).
- (b) In consideration of the Company's obligations under this Agreement, the Investor agrees that, upon receipt of any notice from the Company of the happening of any event

of the kind described in Section 4(d) herein, the Investor shall cause the Kokino Clients to forthwith discontinue sales of Registrable Securities pursuant to the registration statement covering such Registrable Securities until the Investor's receipt on behalf of the Kokino Clients of the copies of the supplemented or amended prospectus contemplated by said Section 4(d) and, if so directed by the Company, shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies, then in the Investor's possession of the prospectus covering such Registrable Securities current at the time of receipt of such notice.

(c) The Company's obligation to file any registration statement or amendment including a post-effective amendment, shall be subject to the Investor furnishing on behalf of the applicable Kokino Clients to the Company in writing such information and documents regarding the Kokino Clients and the distribution of the Registrable Securities as may reasonably be required to be disclosed in the registration statement in question by the rules and regulations under the Securities Act or under any other applicable securities or blue sky laws of the jurisdiction referred to in Section 4(c) herein. The Company's obligations are also subject to the Investor and other applicable Kokino Clients promptly executing an appropriate representation letter concerning compliance with Regulation M under the Exchange Act (or any successor rule or regulation). If a Kokino Client fails to provide all of the information required by this Section 5(c), the Company shall have no obligation to include the Kokino Client's Registrable Securities in a registration statement or it may withdraw the Kokino Client's Registrable Securities from the registration statement without incurring liability to the Kokino Client.

(d) If any such registration or comparable statement refers to a Kokino Client by name or otherwise as a stockholder of the Company, but such reference to the Kokino Client by name or otherwise is not required by the Securities Act or the rules thereunder, then the Investor shall have the right to require the deletion of the reference to the Kokino Client.

(e) In connection with the sale of Registrable Securities, the Investor shall cause the applicable Kokino Client to deliver to each purchaser a copy of any necessary prospectus and, if applicable, prospectus supplement, within the time required by Section 5(b) of the Securities Act.

6. Registration Expenses.

(a) The Company shall, whether or not any such registration shall become effective, from time to time, pay all expenses (other than Selling Expenses, which shall be borne by the holders of the Registrable Securities as provided in Section 5(c)) incurred in connection with any registration of Registrable Securities pursuant to Section 2(a) or 3, including all registration, filing and qualification fees and expenses incurred in connection with compliance with securities or blue sky laws; printers' and accounting fees; and fees and disbursements of counsel for the Company and all independent public accountants and other Persons retained by the Company (collectively, "Registration Expenses"); provided, that in connection with each registration pursuant to Section 2(a), each of the Kokino Clients shall severally, and not jointly, reimburse the Company for the Kokino Clients' pro rata portion of the following Registration Expenses based upon the number of Registrable Shares held by the Kokino Clients that are included in the registration statement: (i) the Commission registration fee with respect to the

registration of the Registrable Securities, (ii) the reasonable fees and disbursements of Nason, Yeager, Gerson, White & Lioce, P.A. in connection with (x) the preparation, filing and initial effectiveness of the registration statement for the registration of Registrable Securities, which reimbursement shall not exceed \$30,000.00 in the aggregate for each registration, and (y) the preparation, filing and effectiveness of any post-effective amendment to such registration statement, and (iii) the reasonable fees and disbursements of the Company's independent auditors in connection with the preparation, filing and initial effectiveness of the registration statement and any post-effective amendment to such registration statement, other than the customary fees associated with the quarterly reviews and annual audits of the Company's financial statements included in its periodic reports filed with the Commission under the Exchange Act.

(b) The Company shall be responsible for all of its internal expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audits and quarterly reviews, and any other expense that the Company incurs in connection with fulfilling its reporting obligations under the Exchange Act or any other similar law that is applicable to the Company, even if such expenses would otherwise constitute Registration Expenses.

(c) All Selling Expenses relating to the offer and sale of Registrable Securities registered under the Securities Act pursuant to this Agreement shall be borne and paid by the holders of such Registrable Securities, in proportion to the number of Registrable Securities included in such registration for each such holder.

7. Indemnification.

(a) In the event of any registration of any shares of Common Stock under the Securities Act pursuant to this Agreement, the Company shall indemnify and hold harmless the Investor and each Kokino Client, from and against any losses, claims, damages or liabilities, joint or several, to which the Investor may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any registration statement under which such Registrable Securities were registered under the Securities Act, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereto, or any document incident to registration or qualification of any Registrable Securities pursuant to Section 4(c) herein, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading or, with respect to any prospectus, necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or any violation by the Company of the Securities Act, the Exchange Act, or state securities or blue sky laws applicable to the Company and relating to action or inaction required of the Company in connection with such registration or qualification under the Securities Act or such state securities or blue sky laws. If the Company fails to defend the Investor or any Kokino Client as required by Section 7(c) herein, it shall reimburse (after receipt of appropriate documentation) the Investor or such Kokino Client for any legal or any other out-

of-pocket expenses reasonably incurred by any of them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company shall not be liable to the Investor in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon (i) an untrue statement or alleged untrue statement or omission or alleged omission made in said registration statement, said preliminary prospectus, said prospectus, or said amendment or supplement or any document incident to registration or qualification of any Registrable Securities pursuant to Section 4(c) hereof in reliance upon and in conformity with written information furnished to the Company by the Investor or such Kokino Client specifically for use in the preparation thereof or (ii) any act or failure to act of the Investor or such Kokino Client including the failure of the Investor or such Kokino Client to deliver a prospectus as required by Section 5 of the Securities Act.

(b) In the event of any registration of any Registrable Securities under the Securities Act pursuant to this Agreement, the Investor or such Kokino Client shall, severally and not jointly, indemnify and hold harmless (in the same manner and to the same extent as set forth in Section 7(a)) the Company, each director of the Company, each officer of the Company who signs such registration statement and any Person who controls the Company within the meaning of the Securities Act, from and against any loss, claim, damage, or liability that is based upon any untrue statement or omission from such registration statement, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereto, if such untrue statement or omission was made in reliance upon and in conformity with written information furnished to the Company by the Investor or such Kokino Client specifically for use in the preparation of such registration statement, preliminary prospectus, final prospectus or amendment or supplement.

(c) Promptly after receipt by an indemnified party of notice of the commencement of any action involving a claim referred to in Section 7(a) or (b), such indemnified party shall, if a claim in respect thereof is made against an indemnifying party, give written notice to the indemnifying party of the commencement of such action. The indemnifying party shall be relieved of its obligations under this Section 7(c) to the extent that the indemnified party delays in giving notice and the indemnifying party is damaged or prejudiced by the delay. In case any such action is brought against an indemnified party, the indemnifying party shall be entitled to participate in and to assume the defense thereof, jointly with any other indemnifying party similarly notified to the extent that it may wish, with counsel reasonably satisfactory to such indemnified party, and, after notice from the indemnifying party to such indemnified party of its election so as to assume the defense thereof, the indemnifying party shall be responsible for any legal or other expenses subsequently incurred by the indemnifying party in connection with the defense thereof, provided, however, that, if counsel for an indemnified party shall have reasonably concluded that there is an actual or potential conflict of interest between the indemnified and the indemnifying party the indemnifying party shall not have the right to assume the defense of such action on behalf of such indemnified party, and such indemnifying party shall reimburse such indemnified party for the fees and expenses of counsel retained by the indemnified party which are reasonably related to the matters covered by the indemnity agreement provided in this Section 7; provided, however, that in no event shall any indemnification by the Investor or a Kokino Client under this Section 7 exceed the net proceeds from the sale of Registrable Securities received by the Investor or such Kokino Client,

respectively. No indemnified party shall make any settlement of any claims indemnified against hereunder without the written consent of the indemnifying party, which consent shall not be unreasonably withheld. In the event that any indemnifying party enters into any settlement without the written consent of the indemnified party the indemnifying party shall not, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff of a release of such indemnified party from all liability in respect to such claim or litigation.

(d) In order to provide for just and equitable contribution to joint liability under the Securities Act in any case in which any indemnified party makes a claim for indemnification pursuant to this Section 7, but it is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or the denial of the last right of appeal) that such indemnification may not be enforced in such case notwithstanding the fact that this Section 7 provides for indemnification in such case, or (ii) contribution under the Securities Act may be required in circumstances for which indemnification is provided under this Section 7; then, in each such case, the Company, the Investor and the applicable Kokino Client shall contribute to the aggregate losses, claims, damages or liabilities to which they may be subject as is appropriate to reflect the relative fault of the Company, the Investor and such Kokino Client in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities, it being understood that the parties acknowledge that the overriding equitable consideration to be given effect in connection with this provision is the ability of one party or the other to correct the statement or omission (or avoid the conduct or take an act) which resulted in such losses, claims, damages or liabilities, and that it would not be just and equitable if contribution pursuant hereto were to be determined by pro-rata allocation or by any other method of allocation which does not take into consideration the foregoing equitable considerations. Notwithstanding the foregoing, (i) neither the Investor nor such Kokino Client shall be required to contribute any amount in excess of the net proceeds received by the Investor or such Kokino Client for all Registrable Securities sold by the Investor or such Kokino Client, as applicable, pursuant to such registration statement, and (ii) no Person who is guilty of fraudulent misrepresentation within the meaning of Section 11(f) of the Securities Act shall be entitled to contribution from any Person who is not guilty of such fraudulent misrepresentation.

(e) Notwithstanding any of the foregoing, if, in connection with an underwritten public offering of the Registrable Securities, the Company, the Investor, any Kokino Clients and the underwriters enter into an underwriting agreement relating to such offering which contains provisions covering indemnification among the parties, then the indemnification provision of this Section 7 shall be deemed inoperative for purposes of such offering.

8. Lock-up Agreement. The holders of Registrable Securities agree that in connection with any underwritten registered offering of the Common Stock or other equity securities of the Company, and upon the request of the managing underwriter in such offering, the holders of Registrable Securities shall not, without the prior written consent of such managing underwriter, during the period beginning 10 days prior to the effective date of such registration statement and ending on the date specified by such managing underwriter (such

period not to exceed 70 days), effect a public sale or distribution (including any short sale) of any Registrable Securities or any security convertible into or exchangeable or exercisable for shares of Common Stock. The foregoing provisions of this Section 8 shall be applicable only if all officers and directors of the Company and all stockholders owning more than 10% of the Company's outstanding Common Stock are subject to the same restrictions. Each holder of Registrable Securities agrees to execute and deliver such other agreements as may be reasonably requested by the Company or the managing underwriter which are consistent with the foregoing or which are necessary to give further effect thereto. Notwithstanding anything to the contrary contained in this Section 8, each holder of Registrable Securities shall be released, pro rata, from any lock-up agreement entered into pursuant to this Section 8 in the event and to the extent that the managing underwriter or the Company permit any discretionary waiver or termination of the restrictions of any lock-up agreement pertaining to any officer, director or holder of greater than 10% of the outstanding Common Stock.

9. Allocation of Securities Included in Registration Statement. In the case of a registration pursuant to Section 3 for the Company's account, if the Company's managing underwriter shall advise the Company and the Investor in writing that the inclusion in any registration pursuant hereto of some or all of (a) the Registrable Securities sought to be registered by the Investor and securities offered by other holders, and (b) the Company's securities sought to be registered creates a substantial risk that the proceeds or price per unit that will be derived from such registration will be reduced or that the number of securities to be registered is too large a number to be reasonably sold, (i) first, the number of Company securities sought to be registered shall be included in such registration, and (ii) next, the number of Registrable Securities offered by the Investor and securities offered by other holders shall be included in such registration to the extent permitted by the Company's managing underwriter with the number of Registrable Securities and such other securities being registered determined on a pro-rata basis based on the number of Registrable Securities and securities the participating holders including the Investor desire to have registered; provided, however, that, if the Investor would be required pursuant to the provisions of this Section 9 to reduce the number of Registrable Securities that may be included in such registration, the Investor may withdraw all or any portion of its Registrable Securities from such registration and may request the registration of such withdrawn Registrable Securities under another registration statement referred to in Section 2(a) or 3 following the earliest of (x) the completion of the offering by the Company, (y) the withdrawal of the registration statement or (z) the date that is 60 days after such registration statement has been declared effective by the Commission.

10. Rule 144. The Company covenants that it will file the reports required to be filed under the Exchange Act and the rules and regulations adopted by the Commission thereunder (or, in the event that the Company is not required to file such reports, it will make publicly available information as set forth in Rule 144(c)(2) promulgated under the Securities Act), and it will take such further action as the Investor may reasonably request, or to the extent required from time to time to enable the Investor or the Kokino Clients to sell Registrable Securities without registration under the Securities Act within the limitation of the exemption provided by (a) Rule 144 under the Securities Act, as such Rule may be amended from time to time, or (b) any similar rule or regulation hereafter adopted by the Commission (collectively, "Rule 144").

Upon request of the Investor, the Company will deliver to the Investor a written statement as to whether it has complied with such requirements.

11. Severability. In the event any parts of this Agreement are found to be void, the remaining provisions of this Agreement shall nevertheless be binding with the same effect as though the void parts were deleted.

12. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. The execution of this Agreement may be by actual or facsimile signature.

13. Benefit. This Agreement shall be binding upon and inure to the benefit of the parties hereto, the Kokino Clients and their respective legal representatives, successors and assigns.
