Item 2.02 Results of Operations and Financial Condition

The Hartford Financial Services Group, Inc. (the “Company”) made revisions to its Investor Financial Supplement (“IFS”) for the quarterly period ended September 30, 2014, as referenced in Item 7.01 below. These revisions are incorporated herein by reference.

The information furnished pursuant to this Item 2.02, including Exhibit 99.1, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”) or otherwise subject to the liabilities under that Section and shall not be deemed to be incorporated by reference into any filing of the Company under the Securities Act of 1933 or the Exchange Act.

Item 7.01 Regulation FD Disclosure

On January 12, 2015, the Company made available to investors selected quarterly financial information for each of the quarters in the nine months ended September 30, 2014 and the year ended December 31, 2013 to illustrate the impact on the Company’s financial results and certain financial measures of (1) refining the definition of underwriting expenses by including certain centralized services and bad debt expenses in the determination of underwriting results and (2) realigning certain lines of business between Middle Market and Specialty Commercial within the Commercial Lines reporting segment (formerly P&C Commercial) to reflect the Company’s management reporting structure. Underwriting results for programs and livestock business are now reported in Middle Market instead of Specialty Commercial and underwriting results for fidelity and surety business are now reported in Specialty Commercial instead of Middle Market. The reclassification of certain centralized services and bad debt expenses from other income (expense) did not impact previously reported Property & Casualty Combined net income or core earnings. Separately, the Consumer Markets reporting segment has been renamed “Personal Lines”. The Company is making this information available to provide investors an opportunity to become familiar with the impact of these changes prior to the Company’s earnings release for the quarterly period ending December 31, 2014. A copy of the revised IFS is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference and furnished herewith.
