PROXY STATEMENT
Annual Meeting of Common Shareholders

June 5, 2002

This statement is being furnished to common shareholders on or about May 1, 2002, in connection with a solicitation by the Board of Directors of Shoe Carnival, Inc. (the "Company") of proxies to be voted at the annual meeting of common shareholders to be held at 10:00 a.m., C.D.T., Thursday, June 5, 2002, at the Evansville Marriott, 7101 North U.S. Route 41, Evansville, Indiana, for the purposes set forth in the accompanying Notice.

At the close of business on April 5, 2002, the record date for the meeting, there were 12,515,794 shares of Common Stock of the Company outstanding and entitled to vote at the meeting. On all matters, including the election of

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

Directors, each common shareholder will have one vote for each share held.

If the enclosed form of proxy is executed and returned, it may nevertheless be revoked at any time insofar as it has not been exercised. The proxy may be revoked by giving written notice of revocation to the Company, executing a subsequently dated proxy that is delivered to the Company, or attending the annual meeting and voting in person. Unless revoked, a proxy will be voted at the meeting in accordance with the instructions of the shareholder in the proxy, or, if no instructions are given, for the election as Directors of the nominees listed under Proposal 1 and for Proposal 2. Election of the Directors will be determined by the vote of the holders of a plurality of the shares voting on such election. Approval of Proposal 2 will be subject to the vote of the holders of a greater number of shares favoring approval than those opposing it. A proxy may indicate that all or a portion of the shares represented by such proxy are not being voted with respect to a specific proposal. This could occur, for example, when a broker is not permitted to vote shares held in street name on certain proposals in the absence of instructions from the beneficial owner. Shares that are not voted with respect to a specific proposal will be considered as not present and entitled to vote on such proposal, even though such shares will be considered present for purposes of determining a quorum and voting on other proposals. Abstentions on a specific proposal will be considered as present, but not as voting in favor of such proposal. Neither broker non-votes nor abstentions will have any effect on the vote required to approve any of the proposals.

The Board of Directors knows of no matters, other than those reported below, which are to be brought before the meeting. However, if other matters properly come before the meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

The cost of this solicitation of proxies will be borne by the Company. Proxies may also be solicited personally or by telephone by Company employees acting without additional compensation.

ELECTION OF DIRECTORS

Nominees

The Company currently has five Directors divided into three classes. Two classes contain two Directors each, with the remaining class containing one Director. The term of one class expires each year. Each Director holds office for a three-year term expiring at the annual meeting of shareholders held in the year that is three years after his election and thereafter until his successor is elected and qualified.

The shareholders will be asked to elect two Directors. J. Wayne Weaver and Gerald W. Schoor have been nominated by the Board of Directors for election as Directors for a term to expire at the 2005 annual meeting of shareholders and until his successor is elected and qualified. Mr. Weaver has served as a Director since 1988 and Mr. Schoor since 1993. It is the intention of the persons named in the accompanying form of proxy, absent contrary instructions therein, to vote such proxy for the election to the Board of Directors of Messrs. Weaver and Schoor.

Unless otherwise indicated in a footnote to the following table, the principal occupation of each Director has been the same for the last five years, and each Director possesses sole voting and investment power with respect to the shares of Common Stock indicated as beneficially owned by him.

did not meet in fiscal year 2001, consists of Messrs. Bindley and Schoor. The Audit Committee, which met five times during fiscal year 2001, consists of Messrs. Bindley, Schoor and Aschleman. The Audit Committee is responsible for recommending independent auditors, reviewing with the independent auditors the scope and results of the audit engagement, establishing and monitoring the Company's financial policies and control procedures, reviewing and monitoring the provision of non-audit services by the Company's auditors and reviewing all potential conflict of interest situations, including the Company's relationships with LC Footwear, LLC and PL Footwear, Inc. The Compensation Committee is responsible for reviewing, determining and establishing the salaries, bonuses and other compensation of the executive officers of the Company. The Stock Option Committee is responsible for administering the Company's 1993 Stock Option Plan, 2000 Stock Option Plan and Employee Stock Purchase Plan. The Board of Directors does not have a nominating committee. All of the Directors attended all of the meetings of the committees on which they served during the 2001 fiscal year.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16 (a) of the Securities Exchange Act of 1934 requires the Company's executive officers and Directors, and persons who own more than 10% of Common Stock, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Such persons are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to the Company and written representations from certain reporting persons, the Company believes that during fiscal 2001 all filing requirements applicable to its executive officers, Directors and greater than 10% shareholders were timely satisfied.

Summary Compensation Table

The following table sets forth a summary of the compensation paid by the Company for services rendered in all capacities to the Company during each of the three most recent fiscal years, to the Company's Chief Executive Officer, and to each of the Company's four other most highly compensated executive officers, based on salary and bonuses earned during fiscal 2001 (the "Named Executive Officers").

Employment and Noncompetition Agreements

On January 15, 1993, the Company entered into a noncompetition agreement with J. Wayne Weaver. As long as Mr. Weaver is an executive officer or Director of the Company he may not engage directly or indirectly through any other company or entity in the retail shoe business without the prior approval of the Company's Audit Committee. The Audit Committee has approved Mr. Weaver's association with LC Footwear, LLC and PL Footwear, Inc. Effective February 1, 1993, Mr. Weaver became an employee of the Company at an annual salary of \$300,000. Although Mr. Weaver will continue to be involved in other business activities and will not devote full time to the Company, he will devote such time to the Company as he deems necessary or appropriate to perform his duties as Chairman of the Board.

On August 1, 2001, the Company entered into Employment and Noncompetition Agreements with Mr. Baker and Mr. Sifford. The term of the agreements is through December 31, 2003. The agreements will automatically be extended for successive one-year periods unless either party gives notification prior to the end of the then term of the agreement that the term of the agreement shall no longer be extended. The agreements provide for an annual base salary equivalent to the salary in effect as of August 1, 2001, subject to increase by the Compensation Committee of the Company's Board of Directors. Messrs. Baker and Sifford are entitled to participate in such bonus plans as the Company may establish from time to time. Under each of the agreements, employment of the executive may be terminated by the Company upon death or disability of the executive or by the Company for "Cause" (as defined in the agreement) or without Cause. The executive may terminate employment voluntarily or for "Good Reason" (defined as a reduction in salary or position). If an executive is terminated for death, disability, Cause or voluntarily terminates, the executive will receive only amounts that are earned and unpaid as of the date of termination. If an executive is terminated by the Company without Cause or terminates for Good Reason, absent a "Change in Control," the executive will continue to receive his bi-weekly salary for a period of twelve months and be reimbursed for health care premiums for the lesser of twelve months or until the executive is reemployed and is eligible for health care coverage. Additionally, any non-vested stock options granted after the date of the agreement that would have vested within twelve months of termination will become immediately exercisable. If the executive is terminated by the Company without Cause or terminates for Good Reason within two years of a "Change in Control" (as defined in the agreement), the executive is entitled to a lump sum payment within 30 days of termination equivalent to 200% of his base salary plus the highest bonus paid within the past two years, which bonus amount will not be less than 25% of his base salary; reimbursement for health care premiums for the lesser of eighteen months or

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

until the executive is reemployed and is eligible for health care coverage; outplacement services; and any non-vested stock options that would have vested within twelve months of termination will become immediately exercisable. If any payment under the agreement would be subject to the excise tax under Section 4999 of the Internal Revenue Code, the executive would be entitled to receive additional compensation from the Company to cover the excise taxes, interest and penalties (if applicable) and other taxes arising from the additional compensation. The benefits to the executive under the agreement are subject to certain conditions, including the agreement by the executive not to compete with the Company for a period of two years following the termination of the executive's employment.

The Company does not currently have employment or noncompetition agreements with any other executive officers. However, the Company expects to enter into an employment and noncompetition agreement with Mr. Lemond, the terms of which would be subject to the approval of the Compensation Committee of the Company's Board of Directors.

7

Compensation of Directors

During 2001, the Company paid non-officer Directors an annual retainer of \$15,000 per year and a fee of \$1,000 for each meeting of the Board or a committee thereof attended. All Directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with meetings of the Board. No Director who is an officer or employee of the Company receives compensation for services rendered as a Director.

On March 4, 1999, the Board of Directors approved the Outside Directors Stock Option Plan. The plan calls for each non-employee director to be granted on April 1 of each year an option to purchase 1,000 shares of the Company's common stock at the market value on the date of the grant. The options will vest six months from the date of grant and expire ten years from the date of grant.

Stock Options

The Company's Board of Directors and shareholders approved the 1993 Stock Option Plan, effective January 15, 1993, and amended it at the 1997 annual meeting of shareholders. The 1993 Stock Option Plan reserves 1,500,000 shares of the Company's Common Stock for stock option grants (subject to adjustment for subsequent stock splits, stock dividends and certain other changes in the Common Stock).

The Company's Board of Directors and shareholders approved the 2000 Stock Option Plan, effective June 8, 2000. The 2000 Stock Option Plan reserves 1,000,000 shares of the Company's Common Stock for stock option grants (subject to adjustment for subsequent stock splits, stock dividends and certain other changes in the Common Stock).

The Stock Option Committee of the Board of Directors administers and grants incentive awards under the 1993 Stock Option Plan and the 2000 Stock Option Plan. The 1993 Stock Option Plan and the 2000 Stock Option Plan provide for the grant to officers and other key employees of the Company of incentive awards in the form of stock options or restricted stock. Stock options granted under the plans may be either options intended to qualify for federal income tax purposes as "incentive stock options" or options not qualifying for favorable tax treatment ("nonqualified stock options").

The following table sets forth information with respect to the exercise of options held by the Named Executive Officers during fiscal year 2001 and

unexercised stock options held by such individuals at the end of the fiscal year ended February 2, 2002.

Compensation Report of the Compensation and Stock Option Committees

Executive Compensation Policy. In evaluating the performance of the Company, the Compensation Committee focuses primarily on attained increases in store growth, sales, operating income, net earnings and earnings per share as compared to the Company's internal financial plan for the year approved by the Board of Directors. In making compensation decisions, the Compensation Committee also reviews executive compensation practices within the retail and footwear industries with consideration given to, among other factors, differences in sales, growth rates and total market capitalization.

The Company designs compensation programs to attract, retain and motivate the finest talent possible for all levels of the organization. In addition, the programs are designed to treat all employees fairly, to be cost-effective and to assure that all compensation will continue to be tax deductible. To that end, all programs, including those for executive officers, have the following characteristics.

- Compensation is based on the level of job responsibility, the individual's level of performance and Company performance. Members of management have a greater portion of their pay based on Company performance than do non-management employees.

- Compensation also takes into consideration the value of the job in the marketplace. To retain its highly skilled work force, the Company strives to remain competitive with the pay of employers of a similar stature who compete with the Company for talent.

- The Company's 1993 and 2000 Stock Option Plans are intended to provide a long-term incentive for executives and other key employees to maximize growth and profitability to create shareholder value.

The basic components of executive compensation, including that of the Chief Executive Officer, consist of salary, bonus, stock options and participation in the Company's 401(k) Savings Plan, Deferred Compensation Plan, Employee Stock

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

Purchase Plan and Executive Medical Plan. The Company does not currently provide for any defined benefit pension plan.

Cash Compensation. The Compensation Committee reviews and approves salaries for the Chief Executive Officer and other executive officers on an annual basis or at other times as necessary to accommodate the hiring of new employees, promotions or other considerations. Recommended base salaries are reviewed and set based on a number of factors, including job responsibilities, individual industry experience, individual performance, Company performance, industry data for comparable positions and recommendations by senior executive officers. No predetermined weight is given to any of the above factors.

Salary increases for the Company's executive officers have averaged approximately 13.3% annually for the past three years. Certain executive officers have received greater salary increases corresponding to expanded responsibilities as a result of the continued growth of the Company.

A portion of the cash compensation of executive officers and most other salaried employees consists of bonus payments. Under the Company's Executive Incentive Compensation Plan, most salaried employees, including all executive officers, are eligible to receive a cash bonus equal to a specified percentage of the participant's base salary if certain financial objectives are met. The financial objectives for executive officers relate to the attainment of sales, operating income, net earnings, earnings per share, return on equity, return on invested capital and stock price appreciation goals established in advance by the Company's management and approved by its Board of Directors. Based on the Company's 2001 financial performance, bonuses under the plan were awarded to all Named Executive Officers.

Stock Options. The Company considers equity compensation, in the form of stock options, to be an important element in the overall compensation of its executive officers and other key employees. The grant of stock options continues the Company's practice of increasing management's equity ownership in order to ensure that the interests of management remain closely aligned with those of the Company's shareholders. Stock options also create an incentive for the Company's key employees to remain with the Company for the long term because the options are typically not immediately exercisable and, if not exercised, are forfeited immediately if the employee is terminated for cause or voluntarily terminates his employment (other than by reason of death, disability or retirement) or within three months if employment is terminated for any other reason except death, disability or retirement.

9

Options are granted pursuant to the Company's 1993 and 2000 Stock Option Plans at the discretion of the Company's Stock Option Committee. The Stock Option Committee relies in large part on the recommendation of the Chairman in determining the number of option shares to be granted to executive officers, based upon the Chairman's assessment of individual performance and the Company's performance. With the exception of new employees, options are typically granted on an annual basis. During 2001, four new employees were granted options to purchase an aggregate of 13,000 shares. No options were granted to executive officers during 2001.

Chief Executive Officer Compensation. The Chief Executive Officer's total compensation is based upon the same factors as the compensation of other executive officers, including his individual performance and the Company's short-term and long-term performance, as measured principally by increases in store growth, sales, operating income, net earnings, earnings per share, return on equity, return on invested capital and stock price appreciation. In addition, the Compensation Committee reviews the level of chief executives' compensation within the retail and footwear industries with consideration given to, among other factors, differences in sales, growth rates and total market

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

capitalization.

In March 2001, the Compensation Committee increased Mr. Lemond's salary 7% from \$467,500 to \$500,000. Mr. Lemond did not receive a stock option grant in 2001, but based on the 2001 financial results, received a bonus of \$132,500 under the quantitative Executive Incentive Compensation Plan. The bonus represents 53% of the maximum that could be earned under the plan by Mr. Lemond.

Certain Transactions

Mr. Weaver, along with Bradley W. Weaver, his son and the owner of 5.0% of the outstanding shares of the Company's Common Stock, are the principal shareholders of LC Footwear, LLC and PL Footwear, Inc. Mr. J. Wayne Weaver is also Chairman of the Board and Chief Executive Officer of LC Footwear, LLC and PL Footwear, Inc.

SHOE CARNIVAL, INC. CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

One committee of the Board of Directors is the Audit Committee. Only independent directors may serve on the Audit Committee.

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its responsibilities. The function of the Audit Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements. Management is responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Company's independent accountant is responsible for planning and carrying out a proper audit of the Company's annual financial statements, timely reviews of the Company's quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Company and are not, and do not represent themselves to be, accountants or auditors by profession or experts in the fields of accounting or auditing including in respect of auditor independence. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (1) the integrity of those persons and organizations within and outside the Company from which it receives information, (2) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors) and (3) representations made by management as to any

information technology and other non-audit services provided by the independent accountant to the Company.

GENERAL RESPONSIBILITIES

1. The Audit Committee will provide an open avenue of communication between the independent accountant and the Board of Directors.
2. The Audit Committee will report all committee actions to the Board of Directors and may make appropriate recommendations.
3. The Audit Committee has the power to conduct or authorize investigations into matters within the committee's scope of responsibilities. The committee is authorized to retain independent legal counsel, accountants or others it needs to assist in an investigation.
4. The Audit Committee will meet at least four times each year; more frequently if circumstances make that preferable. The Audit Committee chairman has the authority to call a committee meeting whenever he or she thinks there is a need. The committee may ask members of management or others to attend a meeting and is authorized to receive all pertinent information from management.

MEMBERSHIP

The Audit Committee shall be comprised of at least three directors appointed by the Board, each of whom shall be an "independent director" within the meaning of the rules of the Nasdaq Stock Market applicable to National Market issuers. "Independent director" means a person other than an officer or employee of the Company or any other individual having a relationship which, in the opinion of the Company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The following persons shall not be considered independent:

- (a) a director who is employed by the Company or any affiliate of the Company for the current year or any of the past three years;
- (b) a director who accepts any compensation from the Company or any affiliate in excess of \$60,000 during the previous fiscal year, other than compensation for board service, benefits under a tax-qualified retirement plan, or non-discretionary compensation;
- (c) a director who is a member of the immediate family of an individual who is, or has been in any of the past three years, employed by the Company or any affiliate as an executive officer. Immediate family includes a person's spouse, parents, children, siblings, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, and anyone who resides in such person's home;
- (d) a director who is a partner in, or a controlling shareholder or an executive officer, of, any for-profit business organization to which the Company made, or from which the business organization received, payments (other than those arising solely from investments in the corporation's securities) that exceed 5% of the Company's or business organization's consolidated gross revenues for that year, or

\$200,000, whichever is more, in any of the past three years;
and

- (e) a director who is employed as an executive of another entity where any of the Company's executives serve on that entity's compensation committee.

All members of the Audit Committee shall have a working familiarity with basic finance and accounting practices, and at least one member of the Audit Committee shall have accounting or related financial management expertise. Audit Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant.

RESPONSIBILITIES FOR ENGAGING INDEPENDENT ACCOUNTANT

1. The Audit Committee will recommend the selection of the independent accountant and the fees to be paid to the independent accountant. The committee's recommendation is subject to approval by the Board of Directors of the Company. The Audit Committee may also recommend dismissal of the independent accountant by the Board of Directors.
2. The Audit Committee will seek confirmation of the independence of the independent accountant, including a review of audit and non-audit services provided by the independent accountant and the fees paid for those services.
3. The Audit Committee will consider, in consultation with the independent accountant, the audit scope and procedural plans made by the independent accountant.
4. The Audit Committee will listen to management and the independent accountant if either think there might be a need to engage additional independent accountants. The Audit Committee will decide whether to engage an additional independent accountant and, if so, which one.

RESPONSIBILITIES FOR REVIEWING THE ANNUAL EXTERNAL AUDIT AND QUARTERLY AND ANNUAL FINANCIAL STATEMENTS

1. The Audit Committee will require the independent accountant to be available to the Board of Directors at least annually and that it provide the committee with a timely analysis of significant financial reporting issues.
2. The Audit Committee will require the independent accountant to review the Company's interim financial reports prior to the release of quarterly earnings and all quarterly reports containing financial information prior to their filing with the SEC.
3. The Audit Committee will ask management and the independent accountant about significant risks and exposures and will assess management's steps to minimize them.
4. The Audit Committee will regularly review the following with the independent accountant:
 - (a) The adequacy of the Company's internal controls, including computerized information system controls and security.
 - (b) Any significant findings and recommendations made by the independent accountant, together with management's responses to them.

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

5. Shortly after the annual examination is completed, the audit committee will review the following with management and the independent accountant:
 - (a) The Company's annual financial statements and related footnotes.
 - (b) The independent accountant's audit of and report on those financial statements.
 - (c) The independent accountant's qualitative judgments about the quality and appropriateness, not just the acceptability, of accounting principles and financial disclosures and how aggressive (or conservative) the accounting principles and underlying estimates are.
 - (d) Any serious difficulties or disputes with management encountered during the course of the audit.
 - (e) Anything else about the audit procedures or findings that GAAS requires the independent accountants to discuss with the committee.
6. The Audit Committee will consider and review the following with management:
 - (a) Any significant findings during the year and management's responses to them.
 - (b) Any difficulties the independent accountant encountered while conducting the audit, including any restrictions on the scope of its work or access to required information.
7. The Audit Committee will review annual filings with the SEC containing the Company's financial statements with management and will consider whether the information in the filings is consistent with the information in the financial statements.
8. As a whole, or through the Committee Chairman, the Audit Committee will review interim financial reports with management.

PERIODIC RESPONSIBILITIES

1. Review and update the committee's charter annually.
2. Review legal and regulatory matters, including loss contingencies, that may have a material effect on the Company's financial statements, compliance policies and programs and reports from regulators and, if appropriate, consult with counsel to the Company concerning such matters.
3. Meet with the independent accountant and management in separate executive sessions to discuss all matters the committee or these groups believe should be discussed privately with the Audit Committee.
