Explanation of Responses:

*In March 1998, following a merger and management restructuring, the reporting person ceased to be designated as an executive officer. The reporting person believed that he was no longer required to file reports under Section 16(a). However, as a result of a recent post-Sarbanes-Oxley Act review of Section 16 compliance, the reporting person was advised that the chief accounting officer is required to file Section 16(a) reports even though not an executive officer. The transactions before September 30, 2002 shown on this Form 4 represent transactions after March 1998, all of which were under the company's Long Term Omnibus plan (e.g., option grants and exercises), with the exception of open market sales on three separate dates.

1. Represents shares delivered to the issuer in full payment of recourse stock loans made by the issuer in 1994 and 1997 to enable the reporting person to buy shares of common stock under the issuer's Long Term Omnibus Plan. Although the loans pre-dated, and therefore would be grandfathered under, the Sarbanes-Oxley Act of 2002 even if the reporting person were an executive officer, the issuer's compensation committee determined that it would be in the best interests of the company for the executive to prepay these loans in view of the Sarbanes-Oxley Act.
2. Represents shares delivered to issuer in full payment of income tax liability in connection with the delivery of shares in repayment of the stock loans.
3. Represents restricted shares (subject to vesting requirements) granted under the Long Term Omnibus Plan.
4. Settlement of dividend equivalent units in connection with exercise of option.
5. The options vest 25% per year beginning on the second anniversary of grant.
6. The options vest 25% per year beginning on the first anniversary of grant.
