## Proxy Statement

### PROXY STATEMENT

The board of directors of MDU Resources Group, Inc. is furnishing this proxy statement beginning March 9, 2012, to solicit your proxy for use at our annual meeting of stockholders on April 24, 2012.

We will pay the cost of soliciting your proxy and reimburse brokers and others for forwarding proxy material to you. Okapi Partners LLC additionally will solicit proxies for approximately \$7,000 plus out-of-pocket expenses.

The Securities and Exchange Commission's e-proxy rules allow companies to post their proxy materials on the Internet and provide only a Notice of Internet Availability of Proxy Materials to stockholders as an alternative to mailing full sets of proxy materials except upon request. For 2012, we have elected to use the Securities and Exchange Commission's full set delivery option, which means that while we are posting our proxy materials online, we are also mailing a full set of our proxy materials to our stockholders. We believe that mailing a full set of proxy materials will help ensure that a majority of outstanding shares of our common stock are present in person or represented by proxy at our meeting. We also hope to help maximize stockholder participation. Therefore, even if you previously consented to receiving your proxy materials electronically, you will receive a full set of proxy materials in the mail for this year's annual meeting. However, we will continue to evaluate the option of providing only a Notice of Internet Availability of Proxy Materials to some or all of our stockholders in the future.

### VOTING INFORMATION

**Who may vote?** You may vote if you owned shares of our common stock at the close of business on February 24, 2012. You may vote each share that you owned on that date on each matter presented at the meeting. As of February 24, 2012, we had 188,830,529 shares of common stock outstanding entitled to one vote per share.

**What am I voting on?** You are voting on:

election of ten directors nominated by the board of directors for one-year terms

ratification of the appointment of Deloitte & Touche LLP as the company's independent auditors for 2012

advisory vote to approve the compensation of the company's named executive officers and

any other business that is properly brought before the meeting.

**What vote is required to pass an item of business?** A majority of our outstanding shares of common stock entitled to vote must be present in person or represented by proxy to hold the meeting.

If you hold shares through an account with a bank or broker, the bank or broker may vote your shares on some matters even if you do not provide voting instructions. Brokerage firms have the authority under the New York Stock Exchange rules to vote shares on certain matters when their customers do not provide voting instructions. However, on other matters, when the brokerage firm has not received voting instructions from its customers, the brokerage firm cannot vote the shares on that matter and a broker non-vote occurs. **This means that brokers may not vote your shares on items 1 and 3 if you have not given your broker specific instructions as to how to vote. Please be sure to give specific voting instructions to your broker so that your vote can be counted.**

## Proxy Statement

### Item 1 Election of Directors

A majority of votes cast is required to elect a director in an uncontested election. A majority of votes cast means the number of votes cast for a director's election must exceed the number of votes cast against the director's election. Abstentions and broker non-votes do not count as votes cast for or against the director's election. In a contested election, which is an election in which the number of nominees for director exceeds the number of directors to be elected, directors will be elected by a plurality of the votes cast. If a nominee becomes unavailable for any reason or if a vacancy should occur before the election, which we do not anticipate, the proxies will vote your shares in their discretion for another person nominated by the board.

Our policy on majority voting for directors contained in our corporate governance guidelines requires any proposed nominee for re-election as a director to tender to the board, prior to nomination, his or her irrevocable resignation from the board that will be effective, in an uncontested election of directors only, upon:

receipt of a greater number of votes against than votes for election at our annual meeting of stockholders and

acceptance of such resignation by the board of directors.

Following certification of the stockholder vote, the nominating and governance committee will promptly recommend to the board whether or not to accept the tendered resignation. The board will act on the nominating and governance committee's recommendation no later than 90 days following the date of the annual meeting.

### Item 2 Ratification of the Appointment of Deloitte & Touche LLP as the Company's Independent Auditors for 2012

Approval of Item 2 requires the affirmative vote of a majority of our common stock present in person or represented by proxy at the meeting and entitled to vote on the proposal. Abstentions will count as votes against the proposal.

### Item 3 Advisory Vote to Approve the Compensation of the Company's Named Executive Officers

Approval of Item 3 requires the affirmative vote of a majority of our common stock present in person or represented by proxy at the meeting and entitled to vote on the item. Abstentions will count as votes against the item. Broker non-votes are not counted as voting power present and, therefore, are not counted in the vote.

Unless you specify otherwise when you submit your proxy, the proxies will vote your shares of common stock for all directors nominated by the board of directors and for items 2 and 3.

**How do I vote?** There are three ways to vote by proxy:

by calling the toll free telephone number on the enclosed proxy card

by using the Internet as described on the enclosed proxy card or

by returning the enclosed proxy card in the envelope provided.

You may be able to vote by telephone or the Internet if your shares are held in the name of a bank or broker. Follow their instructions.

**Can I revoke my proxy?** Yes. You can revoke your proxy by:

filing written revocation with the corporate secretary before the meeting

filing a proxy bearing a later date with the corporate secretary before the meeting or

revoking your proxy at the meeting and voting in person.

## Proxy Statement

In August 2009, the Federal Deposit Insurance Corporation and the Oregon Division of Finance and Corporate Securities entered into a consent agreement with Bank of the Cascades that requires the bank to develop and adopt a plan to maintain the capital necessary for it to be well-capitalized, to improve its lending policies and its allowance for loan losses, to increase its liquidity, to retain qualified management, and to increase the participation of its board of directors in the affairs of the bank. In October 2009, the bank's parent, Cascade Bancorp, entered into a written agreement with the Federal Reserve Bank of San Francisco and the Oregon Division relating largely to improving the financial condition of Cascade Bancorp and the Bank of the Cascades. Cascade Bancorp completed a sale of common stock in January 2011 to private investors that raised sufficient capital to meet the agreement requirements.

Ms. Moss submitted a letter of resignation to the board of directors in connection with her retirement from Cascade Bancorp and Bank of the Cascades in accordance with our Director Resignation upon Change of Job Responsibility policy. The board decided that Ms. Moss should continue to serve as a director and be renominated to serve as a director of MDU Resources Group, Inc., in light of our business and structure, at the time we file our proxy statement for the following reasons. A significant portion of MDU Resources Group, Inc.'s utility, construction services, and contracting operations are located in the Pacific Northwest. This business experience demonstrates her leadership abilities and success in the finance and banking industry. Ms. Moss is also certified as a Senior Professional in Human Resources, which makes her well-suited for our compensation committee. In deciding that Ms. Moss should be renominated as a director, the board was mindful of the consent agreement with Bank of the Cascades, but concluded that Ms. Moss brought the many skills and experiences discussed above to our board and had proved herself to be a dedicated and hard-working director.

**The board of directors recommends a vote for each nominee.**

A majority of votes cast is required to elect a director in an uncontested election. A majority of votes cast means the number of votes cast for a director's election must exceed the number of votes cast against the director's election. Abstentions and broker non-votes do not count as votes cast for or against the director's election. In a contested election, which is an election in which the number of nominees for director exceeds the number of directors to be elected and which we do not anticipate, directors will be elected by a plurality of the votes cast.

Unless you specify otherwise when you submit your proxy, the proxies will vote your shares of common stock for all directors nominated by the board of directors. If a nominee becomes unavailable for any reason or if a vacancy should occur before the election, which we do not anticipate, the proxies will vote your shares in their discretion for another person nominated by the board.

Our policy on majority voting for directors and our corporate governance guidelines require any nominee for re-election as a director to tender to the board, prior to nomination, his or her irrevocable resignation from the board that will be effective, in an uncontested election of directors only, upon:

receipt of a greater number of votes against than votes for election at our annual meeting of stockholders and acceptance of such resignation by the board of directors.

## Edgar Filing: MDU RESOURCES GROUP INC - Form DEF 14A

Following certification of the stockholder vote, the nominating and governance committee will promptly recommend to the board whether or not to accept the tendered resignation. The board will act on the nominating and governance committee's recommendation no later than 90 days following the date of the annual meeting.

**Brokers may not vote your shares on the election of directors if you have not given your broker specific instructions as to how to vote. Please be sure to give specific voting instructions to your broker so that your vote can be counted.**
