**Item 8.01 Other Events.**

In the course of recent Delaware litigation, Vulcan Materials Company (“Vulcan”) learned about the existence of undisclosed confidentiality agreements between Martin Marietta Materials, Inc. (“Martin Marietta”) and its proposed nominees for Vulcan’s Board of Directors. These agreements, which were not disclosed in Martin Marietta’s nomination documents, raise questions about the relationship between Martin Marietta and such nominees, as well as the qualifications of these nominees under Vulcan’s governing documents. The agreements also raise concerns about the ability of such nominees to discharge their duties to Vulcan and its shareholders independently of obligations to Martin Marietta. Vulcan has requested that such agreements, and any other relevant agreements, arrangements or understandings, be made available to it immediately.

A letter that Vulcan has sent to Martin Marietta today on this topic is attached as Exhibit 99.1.
