Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth in Items 2, 3, 4 and 5 of this Schedule 13D is hereby incorporated by reference in this Item 6.

Investment Agreement

As described in Item 4 hereof, the Investment Agreement provides NIH with certain rights to nominate up to two directors to the Board, provides NIH with certain information rights, and provides NIH with certain pre-emptive rights with respect to issuances of the Issuer's equity securities. As described in Item 4 hereof, the Investment Agreement also provides for certain restrictions on transfers by NIH of its Issuer Class A Common Stock until after the first anniversary of the closing of the NIH Investment.

Stockholders Agreement

On April 20, 2017, TJMT Holdings LLC (an affiliate of the Issuer's founder) ("TJMT"), Temasek, Havelock Fund Investments Pte Ltd. (an affiliate of Temasek) ("Havelock" and, together with Temasek, the "Temasek Entities"), NIH and the Issuer entered into a Stockholders Agreement (the "Stockholders Agreement"). Pursuant to the Stockholders Agreement, TJMT agreed to take all necessary action, including voting all of its shares of capital stock of the Issuer or providing written consent to cause the election of the directors nominated by NIH pursuant to the Investment Agreement and in accordance with the terms of the Stockholders Agreement. To the extent TJMT transfers any of its shares to an affiliated transferee, that transferee would also be bound by the terms of the Stockholders Agreement. TJMT's obligations pursuant to NIH's director nomination right will automatically terminate upon the termination of NIH's right to appoint directors pursuant to the Investment Agreement. The Stockholders Agreement also grants the Temasek Entities and NIH tag-along rights, subject to customary exceptions, in connection with a transfer of shares by TJMT that are subject to cutback provisions on a pro rata basis (in each case calculated based on a fully exchanged and converted to Issuer Class A Common Stock basis).

Amended and Restated Registration Rights Agreement

On April 15, 2015, prior to the consummation of the Issuer's initial public offering, the Issuer entered into a Registration Rights Agreement with TJMT, Havelock and certain direct or indirect equityholders of the Issuer that granted the parties certain demand and other registration rights. In connection with the NIH Investment, on April 20, 2017, NIH executed the Amended and Restated Registration Rights Agreement (the "Amended and Restated Registration Rights Agreement") to be added as a party and to be provided with similar registration rights as Havelock.

Subject to several exceptions, including certain specified underwriter cutbacks and the Issuer's right to defer a demand registration under certain circumstances, TJMT, the Temasek Entities and NIH may require that the Issuer register for public resale under the Securities Act of 1933, as amended, all common stock of the Issuer constituting registrable securities that they request be registered at any time so long as the securities requested to be registered in each registration statement have an aggregate estimated market value of at least \$50 million. Under the Amended and Restated Registration Rights Agreement, the Issuer is not obligated to effectuate more than seven demand registrations for TJMT, more than four demand registrations for NIH or more than three demand registrations for the Temasek Entities. TJMT, the Temasek Entities and NIH also have the right to require the Issuer to register the sale of the registrable securities held by them on a registration statement on Form S-3, subject to offering size and other restrictions. In addition, the Issuer is required to file a shelf registration statement for the registrable securities, and cause such shelf registration statement to become effective within one year after the earlier of the closing of the Temasek Investment and the NIH Investment.

If TJMT, the Temasek Entities or NIH make a request for registration, the non-requesting parties to the Amended and Restated Registration Rights Agreement are entitled to piggyback registration rights in connection with the request. If such request is for an underwritten offering, the piggyback registration rights are subject to underwriter cutback provisions. In addition, the parties to the Amended and Restated Registration Rights Agreement are entitled to piggyback registration rights with respect to any registration initiated by the Issuer or another stockholder, and if any such registration is in the form of an underwritten offering, such piggyback registration rights are subject to underwriter cutback provisions.

Further pursuant to the Amended and Restated Registration Rights Agreement, NIH will have no registration rights until after the first anniversary of the closing of the NIH Investment and during such period NIH shall be deemed to be an Excluded Party (as defined in the Amended and Restated Registration Rights Agreement) in connection with certain cutback provisions (unless TJMT exercises its registration rights under the Amended and Restated Registration Rights Agreement, in which case NIH will have the right to exercise its registration rights).

In connection with the registrations described above, the Issuer will indemnify any selling stockholders and the Issuer will bear all fees, costs and expenses (except underwriting commissions and discounts and fees and expenses of the selling stockholders and their internal and similar costs (other than the fees and expenses of a single law firm representing the selling stockholders)).

Amended and Restated Lock-Up Waivers Agreement

In connection with the NIH Investment, on April 20, 2017, NIH executed the Amended and Restated Lock-Up Waivers Agreement (the "Amended and Restated Lock-Up Waivers Agreement") to be added as a party to the Issuer's lock-up waivers agreement, which governs the release of underwriting lock-up agreements.

The descriptions of the Investment Agreement, the Stockholders Agreement, the Amended and Restated Registration Rights Agreement, and the Amended and Restated Lock-Up Waivers Agreement in Items 3 and 4 and this Item 6 are not intended to be complete and are qualified in their entirety by the agreements, which are filed as exhibits hereto and are incorporated by reference herein.
