Item 1. Security and Issuer.  
-----

Pursuant to Rule 13d-2, this Amendment No. 9 amends and restates the Schedule 13D filed on March 13, 1991 and amended on June 22, 1991 and amended and restated on June 22, 1994, March 8, 2002, April 5, 2002, April 12, 2002, May 10, 2002, July 1, 2002 and October 16, 2003 (as amended, this "Statement") by Harvey L. Karp with respect to the Common Stock, \$0.01 par value per share (the "Common Stock"), of Mueller Industries, Inc., a Delaware corporation (the "Company"). The principal executive offices of the Company are located at 8285 Tournament Drive, Suite 150, Memphis, Tennessee 38125.

Item 2. Identity and Background.  
-----

(a) - (c) This Statement is being filed on behalf of Harvey L. Karp whose business address is c/o the Company, 8285 Tournament Drive, Suite 150, Memphis, Tennessee 38125. Mr. Karp's present principal occupation is Chairman of the Board of the Company.

(d) and (e) During the last five years, Mr. Karp has not been convicted in a criminal proceeding nor has he been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, Federal or state securities laws or finding any violation with respect to such laws.

(f) Mr. Karp is a citizen of the United States.

Item 3. Source and Amount of Funds or Other Consideration.  
-----

It is currently anticipated that any purchases of Common Stock by Mr. Karp upon exercise of the Options referred to in Item 5 of this Statement will be paid for with Mr. Karp's personal funds.

Item 4. Purpose of Transaction.  
-----

On January 16, 2004, Mr. Karp and Bear, Stearns & Co. Inc. ("Bear Stearns") entered into a sales plan (the "Sales Plan") representing Mr. Karp's adoption of a written plan for trading securities that complies with the requirements of Rule 10b5-1(c)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Pursuant to the Sales Plan, Bear Stearns shall exercise Options (which are Inducement Options and Subsequent Options as defined in Item 6 of this Statement) to purchase a total of 200,000 shares of Common Stock on the first business day of each calendar month during the term of the Sales Plan which shall immediately succeed the trading day on the New York Stock Exchange on which the closing sale price of the Common Stock shall be at least \$30.00 per share (except that with respect to the first calendar month during the term of the Sales Plan such business day shall not be earlier than January 20, 2004) and, in addition, on one occasion during the second or third month during each three-month period covered by a Form 144, on a business day which shall immediately succeed a trading day on the New York Stock Exchange on which the closing sale price of the Common Stock shall be at least \$30.00 per share (except that with respect to the first three-month period during the term of the Sales Plan such business day shall not be earlier than January 20, 2004), certain designated registered representatives of Bear Stearns may exercise discretion to estimate

and exercise Options to purchase such additional number of shares of Common Stock which, net of the amount of Common Stock remaining after Common Stock is withheld by the Company to pay required Federal, state and local withholding taxes due with respect to such Option exercise, together with all shares of Common Stock sold or to be sold by Bear Stearns during such three-month period, shall equal the maximum number of shares of Common Stock which may be sold by Mr. Karp during such three-month period pursuant to Rule 144 hereinafter referred to; provided, however, that Bear Stearns shall not so exercise Options if there are 250,000 or more shares of Common Stock in the Plan Account (as defined in the Sales Plan) which have not been sold by Bear Stearns pursuant to the Sales Plan; provided, further, however, that Bear Stearns shall not exercise Options to purchase more than 900,000 shares of Common Stock during the term of the Sales Plan and, during the term of the Sales Plan, one or more exercise of Options may be reduced so as not to exceed such limit. Thereafter, to the extent shares of Common Stock are available from the exercise of such Options, Bear Stearns shall sell, as soon as reasonably practicable but with time and price discretion, the net amount of Common Stock remaining after Common Stock is withheld by the Company to pay required Federal, state and local withholding taxes due with respect to such Option exercise (the "Monthly Sale Amount") commencing on the business day following the Option exercise and terminating on the business day on which all shares are sold at a gross price before deduction of commissions or mark-down of at least \$30.00 per share (the "Minimum Sale Price"). Pursuant to the Sales Plan, the Company shall notify Bear Stearns not later than the opening of trading on the New York Stock Exchange on the trading day immediately succeeding the date of exercise of the number of shares of Common Stock to be withheld by the Company to pay required Federal, state and local withholding taxes due with respect to such Option exercise. Subject to the Minimum Sale Price and the other applicable provisions of the Sales Plan, Bear Stearns shall sell the Monthly Sale Amount under ordinary principles of best execution.

Bear Stearns agreed to conduct all sales pursuant to the Sales Plan in accordance with the manner of sale requirement of Rule 144 under the Securities Act of 1933, as amended (the "Securities Act"), or pursuant to an effective registration statement dated November 2, 2001 under the Securities Act (the "Registration Statement"). In no event shall Bear Stearns effect any sale under Rule 144 if such sale would exceed the then-applicable volume limitation under Rule 144, assuming that the sales to be made by Bear Stearns under the Sales Plan are the only sales subject to such limitation, or sell Stock pursuant to the Registration Statement if the number of shares to be sold exceeds that which Mr. Karp is eligible to sell under the Registration Statement or if Bear Stearns receives notice from the Company that the Registration Statement is no longer effective or should no longer be used to effect sales.

If not earlier terminated in accordance with the terms thereof, the Sales Plan will terminate on January 31, 2005.

The Sales Plan is filed as Exhibit C to this Statement.

Pursuant to a Separation Agreement, dated December 4, 2003, between Mr. Karp and Karen A. Karp (the "Separation Agreement"), Mr. Karp agreed to exercise on behalf of Karen A. Karp options to purchase 200,000 shares of Common Stock, sell the shares of Common Stock so acquired and transfer to Karen A. Karp the net proceeds (as defined in the Separation Agreement) of such sale. Pursuant to the Separation Agreement, Mr. Karp has sole discretion as to when the options are to be exercised and the prices at which the shares of Common Stock are to be sold. The options to be exercised by Mr. Karp pursuant to the Separation Agreement and the shares of Common Stock to be sold on Karen A. Karp's behalf thereunder are to be the first

options exercised and shares of Common Stock sold by Mr. Karp following the date of the Separation Agreement.

Except as set forth above, Mr. Karp has no plans or proposals which relate to or would result in any of the matters set forth subparagraphs (a) - (j) of Item 4 of Schedule 13D. Nevertheless, depending on market conditions and other factors, Mr. Karp may purchase additional shares of Common Stock (upon the exercise of options and otherwise) and may sell or otherwise dispose of shares of Common Stock, including but not limited to purchases and sales of Common Stock for estate planning purposes.

Item 5. Interest in Securities of the Issuer.  
-----

(a) and (b) The responses to Rows (7) through (13) on the cover of this Statement are incorporated herein by reference. Included in the shares of Common Stock beneficially owned by Mr. Karp are 2,400,000 shares of Common Stock issuable upon the exercise of Options. By virtue of a Stock Option Agreement, dated December 4, 1991, and a Stock Option Agreement, dated March 3, 1992, Mr. Karp has the right to acquire a maximum of 2,400,000 shares of Common Stock. The shares of Common Stock beneficially owned by Mr. Karp constitute 6.6% of the shares of Common Stock outstanding as of October 13, 2003 (computed in accordance with Rule 13d-3(d)(1) under the Exchange Act) and based on the 34,267,677 shares of Common Stock indicated to be outstanding in the Company's Quarterly Report on Form 10-Q for the quarter ended September 27, 2003.

(c) Mr. Karp has not effected any transactions in the Common Stock during the past 60 days.

(d) Except as contemplated by the Separation Agreement, no person other than Mr. Karp has the right to receive or power to direct the receipt of dividends from, or the proceeds from the sale of, the Common Stock referred to in this Item 5.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to  
-----  
Securities of the Issuer.  
-----

Effective as of September 17, 1997, the Company amended and restated Harvey L. Karp's then existing agreement (as amended and restated, the "Karp Employment Agreement"). The Karp Employment Agreement has a three-year rolling term which is automatically extended so that the unexpired term on any date is always three years, unless either party gives written notice of his or its intention not to extend the term. The Karp Employment Agreement provides for Mr. Karp to serve as Chairman of the Board of Directors of the Company. Under the terms of the Karp Employment Agreement, Mr. Karp is to receive (i) an annual base salary of \$606,373 (to be adjusted upward annually at a rate commensurate with increases granted to other key executives), and (ii) a discretionary cash incentive bonus consistent with the executive bonus program which the Company establishes for other key executives. In addition, Mr. Karp is to receive reimbursement for reasonable business and travel expenses incurred in the performance of his duties and will participate in all bonus, incentive, stock option, pension, disability and

health plans and programs and all fringe benefit plans maintained by the Company in which senior executives participate.

Under the terms of the Karp Employment Agreement, Mr. Karp's employment may be terminated by the Company without Cause (as defined in the Karp Employment Agreement) or by Mr. Karp for Good Reason (as defined in the Karp Employment Agreement) upon appropriate written notice. In either such event, Mr. Karp will continue to receive his then-current base salary as if his employment had continued for the remainder of the then current three-year term and an annual bonus for the remainder of the then current three-year term equal to the average bonus for the three calendar years immediately preceding the written notice of termination. In addition, all outstanding unvested Company stock options then held by Mr. Karp will immediately vest and become exercisable and Mr. Karp will continue to participate in the Company's health plans and programs at the Company's expense for the remainder of such three-year term.

Mr. Karp may resign voluntarily without Good Reason upon appropriate written notice to the Company. In such event, Mr. Karp will be entitled to receive any accrued but unpaid base salary and, at the Company's discretion, a bonus for the calendar year in which his resignation without Good Reason occurs. The Company may terminate Mr. Karp's employment for Cause (as defined in the Karp Employment Agreement) upon appropriate written notice. In such event, Mr. Karp will forfeit all existing Company stock options, but such options shall remain exercisable for the 30-day period following Mr. Karp's receipt of the written notice. Mr. Karp may terminate his employment for any reason within six months following a Change in Control (as defined in the Karp Employment Agreement). In such event, the Company will pay Mr. Karp a lump sum amount equal to (i) three times his then current base salary, and (ii) three times his average annual bonus for the three calendar years immediately preceding the date of termination. In addition, all outstanding unvested options then held by Mr. Karp shall become immediately exercisable. In the event that any Payment (as defined in the Karp Employment Agreement) would be subject to the excise tax imposed by the "Golden Parachute" regulations, Mr. Karp would be entitled to a gross-up payment from the Company to cover such taxes.

The Karp Employment Agreement is filed as Exhibit A to this Statement.

Pursuant to an Option Agreement, dated December 4, 1991, Mr. Karp was granted an option (the "Inducement Option") to acquire 2,000,000 shares of Common Stock at an exercise price of \$2.0625 per share (as adjusted for subsequent stock splits). The Inducement Option is exercisable until one year after termination of Mr. Karp's employment with the Company under the Karp Employment Agreement, unless Mr. Karp's employment is terminated for Cause (as defined in the Karp Employment Agreement), in which case the Inducement Option shall only remain exercisable for a period of 30 days following Mr. Karp's receipt of written notice from the Company specifying the basis for Cause.

Pursuant to the Inducement Option, Mr. Karp has exercised options to purchase 1,200,000 shares of Common Stock.

The Inducement Option is filed as Exhibit B to this Statement.

Edgar Filing: MUELLER INDUSTRIES INC - Form SC 13D/A

Pursuant to an Option Agreement, dated March 3, 1992, Mr. Karp was granted an option (the "Subsequent Option") to acquire 1,600,000 shares of Common Stock at an exercise price of \$2.0625 per share (as adjusted for subsequent stock splits). The Subsequent Option was granted to Mr. Karp in addition to the Inducement Option granted to Mr. Karp pursuant to the Karp Employment Agreement. The Subsequent Option is exercisable until one year after termination of Mr. Karp's employment with the Company under the Karp Employment Agreement, unless Mr. Karp's employment is terminated for Cause (as defined in the Karp Employment Agreement), in which case the Subsequent Option shall only remain exercisable for a period of 30 days following Mr. Karp's receipt of written notice from the Company specifying the basis for Cause.

The Subsequent Option is filed as Exhibit B to this Statement.

Mr. Karp is party to a Separation Agreement pursuant to which Karen A. Karp has the right to the net proceeds from the sale by Mr. Karp of 200,000 shares of Common Stock. See Item 4 to this Schedule 13D.
