---

The Schedule 13D filed with the Securities and Exchange Commission on March 16, 2018 (the "Schedule 13D") by (i) L-5 Healthcare Partners, LLC, a Delaware limited liability company ("L-5"), and (ii) Paul Segal, an individual with United States citizenship (collectively, the "Reporting Persons"), with respect to the common stock, par value \$0.0001 per share (the "Common Stock"), of Alphatec Holdings, Inc., a Delaware corporation (the "Issuer"), is hereby amended to furnish the additional information set forth herein. All capitalized terms contained herein but not otherwise defined shall have the meanings ascribed to such terms in the Schedule 13D.

Item 4. Purpose of Transaction.

Item 4 of the Schedule 13D is hereby amended and supplemented by adding the following at the end thereof:

The Reporting Persons have had ongoing discussions with the Issuer regarding a range of issues, including the business of the Issuer; operations; capital allocation; asset allocation; capitalization; financial condition; liquidity; and overall business strategy. As a result of such discussions, the Reporting Persons are potentially considering making (or causing an affiliate to make) a proposal to provide capital to the Issuer. The Reporting Persons are also considering acquiring (or causing an affiliate to acquire) additional shares of the Issuer's Common Stock on the open market during an open trading window or pursuant to a purchase plan. No assurances can be given (i) that any proposal regarding a financing transaction will be made by the Reporting Persons, (ii) regarding the terms and details of any such proposal, (iii) that any proposal made by the Reporting Persons will be accepted by the Issuer, (iv) that a financing transaction will be consummated or (v) that the Reporting Persons will acquire any additional shares of the Issuer's Common Stock.

The Reporting Persons intend to regularly review their investment in the Issuer. Based on such review, as well as other factors (including their evaluation of the Issuer's business, prospects and financial condition, the market price for the Issuer's securities, other opportunities available to them and general market, industry and economic conditions), the Reporting Persons, and/or other persons affiliated with them, may, and reserve the right to, sell some or all of the Common Stock on the open market, in privately negotiated transactions, in underwritten offerings or otherwise. The Reporting Persons may formulate such plans or proposals for, and may from time to time explore, or make such proposals relating to, transactions or actions which relate to or would result in any of the matters specified in clauses (a) through (j) of Item 4 of Schedule 13D/A.
