PROXY STATEMENT

Annual Meeting of Securityholders
To Be Held on May 6, 2010

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Century Casinos, Inc. for the Annual Meeting of Securityholders (“Annual Meeting”) to be held on Thursday, May 6, 2010 at the offices of Century Casinos Europe, Untere Viaduktgasse 2, 1030 Vienna, Austria at 4:00 p.m. Central European Time (8:00 a.m. Mountain Time), for the purposes set forth in the accompanying Notice of Annual Meeting of Securityholders. The enclosed materials were mailed on or about April 15, 2010 to our securityholders of record as of March 19, 2010.

The matters to be brought before the Annual Meeting are the election of two Class I directors of the Board, the ratification of Grant Thornton LLP as our independent registered public accounting firm and the transaction of such other business that properly comes before the meeting.

All properly executed proxies received at or prior to the Annual Meeting will be voted at the Annual Meeting. If a securityholder directs how a proxy is to be voted with respect to the business coming before the Annual Meeting, the proxy will be voted in accordance with the securityholder’s directions. If a securityholder does not direct how a proxy is to be voted, it will be voted in favor of the election of the nominees to the Board named in this proxy statement and for the ratification of Grant Thornton LLP as our independent registered public accounting firm. A proxy may be revoked at any time before it is exercised by giving written notice to our Secretary at the above address or by a subsequently executed proxy. Securityholders may vote their shares in person if they attend the Annual Meeting, even if they have executed and returned a proxy. Securityholders will not be able to vote their shares by phone at the meeting. If no instructions are indicated by a securityholder on the proxy, the shares will be voted in favor of the proposals presented in this proxy statement and in the proxy holder’s discretion for any other matters presented in accordance with our bylaws to be considered at the Annual Meeting.

Expenses in connection with the solicitation of proxies in regard to the proposals brought forward by us and included in this proxy statement will be paid by us.

Proxies are being solicited by mail, and, in addition, our directors, officers and regular employees (who will not receive any additional compensation) may solicit proxies personally, by telephone, by email, or by special correspondence. We will reimburse brokerage firms and others for their expenses in forwarding proxy materials to the beneficial owners of our common stock, including beneficial owners who hold our Austrian Depositary Certificates, or ADCs.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Security Holders to be held on May 6, 2010 .

This proxy statement and the annual report to securityholders are available at www.proxyvote.com.

VOTING SECURITIES

Only securityholders of record at the close of business on March 19, 2010 will be entitled to vote at the Annual Meeting. On that date, there were 23,809,368 shares outstanding of our \$.01 par value common stock, our only class of voting securities. This number includes 3,050,767 shares of common stock represented by ADCs. Each share of common stock is entitled to one vote per share. Cumulative voting in the election of directors is not permitted.

The holders of a majority of our issued and outstanding shares of common stock, represented either in person or by proxy and entitled to vote at the meeting, will constitute a quorum for the transaction of business at the Annual Meeting. Of the votes cast at the Annual Meeting, a vote of the holders of a majority of the common stock present, either in person or by proxy, and entitled to vote, is required to elect each director nominee and to ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for fiscal year 2010.

In accordance with Delaware law, a securityholder entitled to vote for the election of directors can withhold authority to vote for nominees for director. Abstentions are counted for purposes of determining a quorum to conduct business, but are ignored in vote tabulation, thereby increasing the number of votes necessary to approve any proposal. The inspectors of election will treat broker non-votes, which are shares held by brokers or nominees for which the broker or nominee has no discretionary power to vote on a particular matter and for which they have received no instructions from the beneficial owners or persons entitled to vote, as shares that are present for purposes of determining the presence of a quorum. However, for purposes of determining the outcome of any matters as to which the broker has indicated on the proxy that it does not have discretionary authority to vote, including the election of directors, those shares will be treated as not entitled to vote with respect to that matter (even though those shares may be entitled to vote on other matters).

All shares of common stock, including shares underlying the ADCs, will vote as a single class. Neither our certificate of incorporation nor our bylaws provide for cumulative voting rights in the election of directors.

SECURITYHOLDER PROPOSALS

If you are a securityholder who wishes to present a proposal for inclusion in the proxy statement and form of proxy for consideration at our 2011 Annual Meeting of Securityholders, you must submit your proposals to the attention of our Secretary at our executive office at 2860 South Circle Drive, Suite 350, Colorado Springs, Colorado 80906, so that the proposal is received by us no later than December 16, 2010. In order for a securityholder proposal to be properly considered at the 2011 Annual Meeting, our Secretary must have received notice of the proposal no sooner than November 7, 2010 and no later than January 6, 2011, in accordance with our amended and restated bylaws. Proposals received by us before November 7, 2010 or after January 6, 2011 will be deemed untimely and will not be considered at the 2011 Annual Meeting.

SECURITYHOLDER COMMUNICATIONS AND DIRECTOR NOMINATIONS

Securityholders or other interested parties may communicate with our Board, any individual director, or members of any board committee. Securityholders should send any communications to investor@cnty.com, and identify the intended recipient or recipients. All communications addressed to the Board or any identified director or directors will be forwarded to the identified person or persons.

In order to nominate candidates for election to our Board, nominations must be timely received from a securityholder of record at our executive office at 2860 South Circle Drive, Suite 350, Colorado Springs, Colorado 80906, as described above under "Securityholder Proposals", and must set forth the name, age, business address and residence address of each nominee, the nominees' principal occupations or employment, the number of shares of our common stock owned by each nominee, and any other information regarding each nominee required to be disclosed by applicable laws. The nomination must also state the name and address of the securityholder making such nominations and the number of shares of our common stock owned by such person.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board is divided into three classes of directors as nearly equal in number as possible. Each director who is elected at an annual meeting will be elected for a three-year term expiring at the third annual meeting of securityholders after such director's election. Accordingly, directors of one class only are elected at each year's annual meeting of securityholders. If elected, all nominees will serve until the expiration of their respective three-year terms or until their successors are duly elected and qualified. Presently, our Board consists of five directors comprising the following: (i) two Class I directors, Mr. Eichberg and Dr. Corbaci, who are standing for re-election at this Annual Meeting; (ii) one Class II director, Mr. Hoetzing, whose term will expire at the 2011 annual meeting; and (iii) two Class III directors, Dr. Haitzmann and Mr. Schellmann, whose terms will expire at the 2012 annual meeting.

At the Annual Meeting, two Class I directors will be elected. Based on the recommendations of our Governance and Nominating Committee, the Board has nominated Robert S. Eichberg and Dinah Corbaci for election as Class I directors to serve for a three year term expiring at the 2013 annual meeting of securityholders. Proxies cannot be voted for a greater number of directors than the number nominated.

Mr. Eichberg is presently a member of the Board, having served continuously as a director since January 1997. He has indicated a willingness to serve; however, in the event he should become unable to serve as a director, all proxies will be voted in accordance with the best judgment of the persons acting under such proxies.

Dr. Corbaci is presently a member of the Board, having served continuously as a director since April 2000. She has indicated a willingness to serve; however, in the event she should become unable to serve as a director, all proxies will be voted in accordance with the best judgment of the persons acting under such proxies.

The information concerning Mr. Eichberg and Dr. Corbaci, the nominees for the Class I directors, is set forth below under "Information Concerning Directors."

The number of shares indicated as beneficially owned by each person listed below is calculated pursuant to Rule 13d-3(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Under Rule 13d-3(d), shares not outstanding that are subject to options, warrants, rights or conversion privileges exercisable within 60 days are deemed outstanding for the purpose of calculating the number and percentage owned by such person, but are not deemed outstanding for the purpose of calculating the percentage owned by each other person listed. Accordingly, share ownership includes shares that may be acquired upon the exercise of options, warrants, rights or conversion privileges that are exercisable on March 19, 2010, or will become exercisable within 60 days of that date. The percentage ownership of each person listed below is based on the 23,809,368 shares outstanding as of March 19, 2010. Unless otherwise indicated in the footnotes and subject to community property laws where applicable, each of the named persons has sole voting and investment power with respect to the shares shown as beneficially owned. CERTAIN INFORMATION REGARDING THE BOARD

The Board held two meetings during 2009. Each director attended at least 75% of the meetings of the Board and of each committee on which he or she sits. A majority of our directors are independent directors, as required by the NASDAQ Stock Market (“NASDAQ”) listing standards. Our Board determines whether a director is independent through a broad consideration of facts and circumstances, including an assessment of the materiality of any relation between us and a director not merely from the director’s standpoint, but also from that of persons or organizations with which the director has an affiliation. In making this determination, the Board adheres to the independence criteria defined by the NASDAQ listing standards and applicable Securities and Exchange Commission rules. Using these standards, our Board has determined that Robert S. Eichberg, Gottfried Schellmann and Dinah Corbaci qualify as independent directors.

Our policy regarding attendance by members of the Board at our annual meeting of securityholders is to encourage directors to attend, either in person or by teleconference, subject to their availability during that time. In 2009, two members of the Board attended the annual meeting.

We have an Audit Committee of the Board, comprised of Robert S. Eichberg (Chairman), Gottfried Schellmann and Dinah Corbaci and which is governed by an Amended and Restated Charter and Powers of the Audit Committee, a current copy of which can be found at www.cnty.com. The Audit Committee selects and appoints our independent registered public accounting firm, reviews the performance of the independent registered public accounting firm, and approves the fees of the independent registered public accounting firm. The Audit Committee also reviews the independence of such accountants, our annual and quarterly financial statements and our system of internal controls. During 2009, the Audit Committee held four meetings.

The Board and the Audit Committee believe that the Audit Committee’s current composition satisfies the applicable rules and pronouncements of NASDAQ and the Securities and Exchange Commission that govern audit committee selection, experience, and composition, including the requirement that all audit committee members be “independent directors,” as that term is defined by such rules. The Board has also determined that Robert S. Eichberg is an “audit committee financial expert,” as defined in applicable regulations of the Securities and Exchange Commission.

The Compensation Committee of the Board is comprised of Dinah Corbaci and Gottfried Schellmann. The Compensation Committee operates pursuant to a written charter that was adopted by the Board, a current copy of which can be found at www.cnty.com.

The Compensation Committee has responsibility to: (i) develop guidelines and review the compensation and performance of our executive officers, review and approve corporate goals relevant to the compensation of our executive officers in light of our goals and objectives, and set the Co Chief Executive Officers’ and other executive officers’ compensation based on this evaluation; (ii) make recommendations to the Incentive Plan Committee with respect to incentive compensation plans and equity-based plans; (iii) develop plans for management succession; (iv) review major organizational and staffing matters; (v) review director compensation levels and practices, and recommend, from time to time, changes in such compensation levels and practices to the Board; (vi) annually review and reassess the adequacy of the Compensation Committee’s charter and recommend any proposed changes to the Board for approval; (vii) annually review the Compensation Committee’s own performance; and (viii) perform any

other activities consistent with the Compensation Committee's charter, our bylaws and applicable laws, rules and regulations that the Compensation Committee or the Board deem appropriate.

The Compensation Committee has the discretion to modify the recommendations and make the final decisions regarding material compensation to executive officers, including base pay, incentive pay (bonus) and equity awards.

The Compensation Committee collaborates with our management team in reviewing the material terms of our existing compensation policies and programs for all employees and believes that such policies and programs do not encourage excessive risk-taking that are reasonably likely to result in a material adverse impact on us.

In fulfilling its responsibilities, the Compensation Committee may delegate any of its responsibilities to one or more subcommittees or to one of its members as the Compensation Committee may deem appropriate in its sole discretion, to the extent permitted by law, NASDAQ rules and other rules and regulations. In addition, the Compensation Committee may engage external compensation consultants to assist in setting executive compensation, but did not do so in 2009. During 2009, the Compensation Committee held two meetings.

In 2009, our Board designated a Governance and Nominating Committee and appointed Gottfried Schellmann (Chairman), Robert S. Eichberg and Dinah Corbaci as its members. The Governance and Nominating Committee operates pursuant to a written charter that was adopted by the Board, a current copy of which can be found at www.cnty.com.

The Governance and Nominating Committee has responsibility to: (i) develop and recommend to the Board a set of corporate governance principles applicable to the Company; (ii) advise the Board on corporate governance matters; (iii) develop and recommend to the Board criteria for the selection of candidates to serve on the Board; (iv) establish procedures for stockholders to submit potential candidates for election to the Board; (v) establish procedures for the identification and evaluation of any candidate for the Board, including any incumbent director; (vi) select and approve all nominees for Board membership; (vii) make recommendations as necessary regarding changes in the size and composition of the Board and each Board committee; (viii) make recommendations as necessary regarding the establishment of new Board committees and selection of directors to serve on each committee; (ix) develop and administer an annual Board and committee evaluation process; (x) annually review the Governance and Nominating Committee's own performance; and (xi) perform any other activities consistent with the Governance and Nominating Committee charter, our bylaws and applicable laws, rules and regulations that the Governance and Nominating Committee or the Board deem appropriate.

The Governance and Nominating Committee will consider director nominees recommended by securityholders under the same procedure used for considering director nominees recommended by management or other directors. See "Securityholder Communications and Director Nominations" for procedures to be followed by securityholders to submit recommendations.

In fulfilling its responsibilities, the Governance and Nominating Committee may engage external consultants up to an amount of \$30,000 per year. No external consultants were used during 2009. We believe that our current Board members collectively possess diverse knowledge and experience in the disciplines that impact our business. Prior to nominating a new director candidate, our Governance and Nominating Committee considers the collective experience of the existing Board members. Based on this evaluation, the Nominating Committee nominates individuals who it believes can either strengthen the Board's sophistication and experience or further diversify the collective experience represented. Although the Board does not currently have a policy directly addressing director diversity, the Governance and Nominating Committee, guided by the Governance and Nominating Committee's charter, generally assesses the diversity of the Board and the effectiveness of its diversity considerations prior to nominating any additional candidates for director. During 2009, the Governance and Nominating Committee held one meeting.

The general criteria that the Governance and Nominating Committee uses to select nominees are:

- Such individual's reputation for integrity, honesty and adherence to high ethical standards;
 - Demonstrated business acumen, particularly in the casino industry;
- Experience and ability to exercise sound judgments in matters that relate to our current and long-term objectives;
 - Willingness and ability to contribute positively to our decision making process;
- Commitment to understanding us and our industry and to regularly attend and participate in meetings of the Board and its committees;

- Interest and ability to understand the sometimes conflicting interests of our various constituencies, which include securityholders, employees, customers, governmental units, creditors, and the general public;
 - Ability to act in the interest of all stakeholders;
- Shall not have, or appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all of our securityholders and to fulfill the responsibilities of a director; and
 - Understanding of the complexity of diverse international business structures.

The Governance and Nominating Committee reviewed the qualifications of Robert S. Eichberg and Dinah Corbaci, whose terms expire at the 2010 Annual Meeting, and have recommended to the entire Board, that they be re-elected to the Board for a three-year term expiring at 2013 Annual Meeting.

BOARD LEADERSHIP STRUCTURE

The Board does not have a policy regarding the separation of the roles of Co Chief Executive Officer and Chairman of the Board, as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having our Co Chief Executive Officer serve as Chairman is in the best interest of our securityholders at this time. This structure makes the best use of the Co Chief Executive Officer's extensive knowledge of the Company and its industry, as well as fostering greater communication between our management and the Board. The combined role of Chairman and Co Chief Executive Officer is balanced by the Company's governance structure, policies and controls. Three of the five members of our Board of Directors satisfy the requirements of independence promulgated by the NASDAQ, and the Audit, Compensation, and Governance and Nominating Committees are composed entirely of independent members of the Board. This structure encourages independent and effective oversight of the Company's operations and prudent management of risk.

RISK OVERSIGHT

Companies face a variety of risks, including credit risk, liquidity risk, and operation risk. The Board believes an effective risk management system will (1) timely identify the material risks that we face, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board committee, (3) implement appropriate and responsive risk management strategies consistent with our risk profile, and (4) integrate risk management into our decision-making.

The Board has designated the Audit Committee to take the lead in overseeing risk management and the Audit Committee makes periodic reports to the Board regarding briefings provided by management and advisors as well as the Committee's own analysis and conclusions regarding the adequacy of our risk management processes.

In addition to the formal compliance program, the Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations. The Board also continually works, with the input of our executive officers, to assess and analyze the most likely areas of future risk for us.

DIRECTOR COMPENSATION

Directors who are not our employees nor employees of any of our subsidiaries earn \$1,000 for each Board meeting attended and for each gaming application completed. Directors are reimbursed for expenses reasonably incurred in connection with their service on the Board.

In addition, Mr. Eichberg receives \$10,000 per year for his work as Chairman of the Audit Committee. Mr. Schellmann and Dr. Corbaci each receive \$3,000 per year for their work as members of the Audit, Compensation and Governance and Nominating Committees.

Pursuant to our 2005 Equity Incentive Plan, directors are eligible for grants of equity awards. During 2009, we did not grant any equity awards to our directors.

The following table sets forth the compensation of our non-employee directors for 2009:

Name	Fees Earned or Paid in Cash (\$ (1))	Option Awards (\$ (2))	Change in Pension Value and Nonqualified Deferred Compensation Earnings (\$ (3))	Total (\$)

Gottfried Schellmann	12,000		-108	12,108
Dinah Corbaci	12,000		-108	12,108

(1) Includes cash payments made to all non-employee directors for participation in various meetings and for committee service.

(2) Outstanding stock awards at December 31, 2009 for each non-employee director are as follows: Mr. Eichberg: 20,752 option awards; Mr. Schellmann: 12,500 option awards; and Dr. Corbaci: 12,500 option awards.

(3) Represents the interest earned in each non-employee director's Deferred Compensation Plan account at a rate of 7.0% per annum. The plan terminated in April 2009.

Notwithstanding anything to the contrary set forth in any of our filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, the following report of the Audit Committee shall not be incorporated by reference into any such filings and shall not otherwise be deemed filed under such acts.

**REPORT OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS**

The Audit Committee has reviewed and discussed with the Company's management the audited consolidated financial statements of the Company for the year ended December 31, 2009. The Committee discussed with Grant Thornton LLP, the Company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications), which included a discussion of the quality and adequacy of the Company's internal controls.

The Audit Committee has received the written disclosures and the letter from Grant Thornton LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with Grant Thornton LLP its independence.

Based upon the review and discussions noted above, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009, which was filed with the Securities and Exchange Commission on March 15, 2010.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has appointed Grant Thornton LLP as the independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2010. During 2009, Grant Thornton LLP served as our independent registered public accounting firm. Notwithstanding the selection of Grant Thornton LLP, the Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of us and our securityholders. If the appointment is not ratified by our securityholders, the Audit Committee may reconsider whether it should appoint another independent registered public accounting firm. A representative of Grant Thornton LLP is expected to be present at the Annual Meeting, either in person or via telephone, to respond to appropriate questions and will have an opportunity to make a statement if the representative desires to do so.

PRINCIPAL ACCOUNTING FEES AND SERVICES

The following table sets forth the aggregate fees billed to us by Grant Thornton LLP for the years ended December 31, 2009 and 2008:

Fee Category	Year Ended December 31,	
	2009	2008
Audit Fees (1)	\$ 636,725	\$ 724,562
Audit Related Fees	-	-
Tax Fees (2)	-	2,730
All Other Fees	-	-
Total	\$ 636,725	\$ 727,292

- (1) Audit fees consist of fees incurred for professional services rendered for the audit of our consolidated financial statements included in our Annual Report on Form 10-K, reviews of the interim consolidated financial statements included in quarterly reports on Form 10-Q, consents for filings with the Securities and Exchange Commission and local statutory audits.
- (2) Tax fees consist of aggregate fees billed for professional services for tax compliance, tax advice, and tax planning.

The amounts shown above include payment of out-of-pocket expenses incurred by Grant Thornton LLP. Fees of \$438,579 had been billed through December 31, 2009, and the remaining \$198,146 was billed subsequent to December 31, 2009.

The Audit Committee of the Board concluded that Grant Thornton LLP's provision of the services generating tax fees is compatible with maintaining Grant Thornton LLP's independence.

The Audit Committee approved in advance any and all audit services, including audit engagement fees and terms, and non-audit services provided to us by our independent auditors (subject to the de minimis exception for non-audit services contained in Section 10A(i)(1)(B) of the Exchange Act), all as required by applicable law or listing standards.

The independent auditors and our management are required to periodically report to the Audit Committee the extent of services provided by the independent auditors and the fees associated with these services.

THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2010.

The following Report of the Compensation Committee is not deemed to be “soliciting material” and should not be deemed “filed” with the Securities and Exchange Commission or subject to the Securities and Exchange Commission’s proxy rules or to the liabilities of Section 18 of the Exchange Act. This report shall not be deemed to be incorporated by reference into any prior or subsequent filing by the Company under the Securities Act or the Exchange Act.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has discussed and reviewed the Compensation Discussion and Analysis with management. Based upon this review and discussion, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Goals and Objectives

The Compensation Committee (the “Committee”) is responsible for setting and reviewing the compensation of our Co CEO’s and our other executive officers, including our named executive officers: Erwin Haitzmann, Peter Hoetzing, Larry Hannappel and Ray Sienko.

In order to better align the long-term interests of our executives with our securityholders and to attract and retain highly qualified executives, our compensation programs have been designed to provide competitive levels of compensation that integrate pay with our performance, with an emphasis on recognizing individual initiative and achievements.

We base our compensation primarily on experience, expertise and performance, with a portion of potential compensation dependent upon our successful long-term performance and position in the international gaming industry. The Committee believes that the compensation program for our named executive officers is designed to award long-term performance. The Committee believes the compensation program should motivate our named executive officers to deliver financial results, ensure that our customers receive excellent service at our properties, facilitate the development of new gaming opportunities and keep a sound financial structure for our company, also keeping in mind the Company’s international activities.

Compensation Program Design

The executive compensation program is designed with our compensation objectives, as described above, in mind and is comprised of fixed and variable pay plans, cash and non-cash plans, and short and long-term payment structures in order to recognize and reward executives for their contributions to us today and in the future.

Our current short-term executive compensation structure consists of base salary and annual incentive compensation in the form of cash bonuses. Our long-term executive compensation consists of equity awards issued under the 2005 Equity Incentive Plan and life insurance plans.

We continually assess and evaluate the competitiveness of all components of our executive compensation program. We look at critical and key positions that are directly linked to our profitability and viability. We ensure that the

appropriate hierarchy of jobs is in place with appropriate ratios of Chief Executive Officer compensation to other named executive officer compensation. Due to the highly competitive nature of the gaming industry, it is important for our pay plans to provide us the ability to internally develop executive talent, retain our executives and recruit highly qualified senior executives.

Roles in Establishing Compensation

Internal Resources

When determining the pay levels for our Co Chief Executive Officers and our other senior executives, the Committee solicits advice primarily from internal resources. Internal company resources may include, but are not limited to, our Co Chief Executive Officers, Principal Financial Officer and Chief Accounting Officer.

Our Co Chief Executive Officers annually review the performance of our named executive officers and, based on these reviews, recommend to the Committee compensation for all named executive officers, including themselves. The Committee, however, has the discretion to modify the recommendations and make the final decisions regarding material compensation to senior executives, including base pay, incentive pay (bonus) and equity awards based on this information and information from other internal resources. The Committee does not rely on external resources when establishing compensation, but may do so in the future.

Elements of Compensation

Base Salary

The Committee sets base salaries for executive officers at its discretion, based on a variety of factors including:

- the nature and responsibility of the position;
- the experience and contribution of the individual executive;
- the meeting or exceeding of objectives during a particular period (merit);
- additional duties, responsibilities or organizational change;
- the complexity of international operations and transactions;
- the amount of international travel; and
- retention.

The Committee believes that the base salaries of the Co Chief Executive Officers, which includes amounts paid to Dr. Haitzmann's and Mr. Hoetzing's respective management companies (see "Executive Employment Agreements"), have been set at what the Committee believes, based on its evaluation of the factors described above, to be fair and competitive. The Committee believes that the salaries of our other named executive officers were also set at fair and competitive levels.

Dr. Haitzmann and Mr. Hoetzing entered into management agreements in September 2006, each of which have a 5-year term. The Committee reviews Dr. Haitzmann's and Mr. Hoetzing's respective management agreements from time to time. During 2009, the Committee extended the terms of the agreements to 2014. The Committee is required to review Mr. Hannappel's and Mr. Sienko's salaries on an annual basis, pursuant to their respective employment agreements. The Committee awarded Mr. Hannappel a \$40,000 salary increase in 2009, retroactive to 2008, based upon expanded job responsibilities. The Committee awarded Mr. Sienko a \$20,000 raise in salary for recognition of previous performance and increased responsibility in connection with the Company's recent acquisition of a casino in Calgary, Alberta, Canada. The Committee believes these salaries to be fair and competitive in this current economic environment.

Annual Incentive Compensation

The Committee considers salaries and bonuses in determining the competitiveness of the total compensation package. At the end of our fiscal year, the Committee reviews and approves all bonus payments, which are awarded to our executive officers on a discretionary basis. In determining whether bonuses should be made and the amount of such bonuses, the Committee considers, among other things, growth in fundamental company values, market share, markets served, international diversification, risk spread, stock price development, revenues, adjusted EBITDA (earnings from continuing operations before interest, income taxes, depreciation, amortization, pre-opening expenses, non-cash stock based compensation charges, asset impairment costs, gains (losses) on disposition of fixed assets, discontinued operations and certain other one-time items), net earnings, operating margins, positioning of the Company for future growth, comparison to companies in the gaming and entertainment industry that operate worldwide, and other measurements and performance criteria as the Committee deems applicable and appropriate, such as our increased international exposure due to our significant international operations (e.g., travel, risks, health, etc.).

Incentive awards are made subject to the Committee's discretion. The Committee may make adjustments to our overall corporate performance goals and our actual performance results that may cause differences between the numbers used for our performance goals and the numbers reported in our financial statements. These adjustments may exclude all or a portion of both the positive or negative effect of external events that are outside the control of our executives, such as natural disasters, litigation, or regulatory changes in accounting or taxation standards. These adjustments may also exclude all or a portion of both the positive or negative effect of unusual or significant strategic events that are within the control of our executives but that are undertaken with an expectation of improving our long-term financial performance, such as restructuring, acquisitions, or divestitures.

For the year ended December 31, 2009, the Committee awarded discretionary bonuses of \$95,000 to each of our Co Chief Executive Officers, \$40,000 to Larry Hannappel and \$25,000 to Ray Sienko relating to 2009. For our 2009 bonus determination, the Committee believes that the successful sales of our casinos in South Africa and the Czech Republic for which the Company received net proceeds of \$49.5 million, which in turn enabled the Company to repay all of its third party debt in Colorado and acquire a new casino in Calgary, Alberta, Canada merits the awarding of these bonuses. The Committee also considered, however, the write-down of our investment in Casinos Poland of \$9.0 million in determining the amounts of the bonuses awarded to our named executive officers in 2009.

Long-term Incentive Compensation

As approved by our securityholders, the Century Casinos, Inc. 2005 Equity Incentive Plan ("2005 Plan") promotes our long-term success and enhances our value by linking the personal interests of the members of the Board, employees, and senior executives to those of our securityholders and by providing such individuals with an incentive for outstanding performance to generate superior returns to our securityholders. The 2005 Plan is intended to provide flexibility to us in our ability to motivate, attract and retain the services of key employees. The 2005 Plan provides for the grant of awards to eligible individuals in the form of stock, restricted stock, stock options, performance units or other stock-based awards, all as defined in the 2005 Plan. The exercise price of each option grant is equal to the fair market value of our common stock (based on the closing price on NASDAQ) on the date of grant. The number of shares covered by any grant is generally determined by the position, the eligible employee's salary at the time of grant, amounts granted in previous years, and the then current stock price. Grants may be made to reflect increased responsibilities, reward extraordinary performance or to increase long-term focus. The 2005 Plan is structured to comply with Section 409A of the U.S. Internal Revenue Code.

The Committee decides on at least an annual basis whether or not to issue equity awards to the named executive officers. The amount of equity awards to be issued is based on the discretion of the Committee. The Committee did not grant equity awards to any employee during 2009.

Effective November 19, 2008, the Committee adopted a Deferred Compensation Plan for certain key members of management and independent directors (“Participant”). The Deferred Compensation Plan allowed Participants to defer receipt of all or a portion of their compensation through April 30, 2009. The minimum total deferred compensation was \$3,000. Participants received the deferred compensation, plus 7.0% interest per annum, on June 30, 2009. In addition, Participants were granted stock options equivalent to the amount of compensation deferred divided by the NASDAQ closing price of our stock on the day the Participant elected to participate in the Deferred Compensation Plan. Such stock options were issued in accordance with our 2005 Equity Incentive Plan. All of our named executive officers and Directors elected to participate in the Deferred Compensation Plan (see “Nonqualified Deferred Compensation” table, below). The Deferred Compensation Plan terminated in April 2009.

Policy Concerning Tax Deductibility

The Committee's policy with respect to qualifying compensation paid to its executive officers for tax deductibility purposes is that executive compensation plans will generally be designed and implemented to maximize tax deductibility. However, non-deductible compensation may be paid to executive officers when necessary for competitive reasons or to attract or retain a key executive, or where achieving maximum tax deductibility would be considered disadvantageous to the best interests of the Company.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation greater than \$1 million paid for any taxable year to any "covered employee" (defined as the Chief Executive Officer and the corporation's other four most highly compensated officers as of the end of a taxable year). However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met. The 2005 Plan is structured to qualify awards as compensation that is exempt from the \$1 million deduction limit. No "covered employees" were paid non-qualifying compensation exceeding \$1 million in 2009 and, as a result, all compensation to "covered employees" was fully tax-deductible.

Personal Benefits and Perquisites

Our use of perquisites as an element of compensation is limited. The Committee does not view perquisites as a significant element of our compensation structure, but does believe that they can be used in conjunction with base salary to attract, motivate and retain individuals in a competitive environment. Besides certain life insurance contributions and change in control protections, we generally provide broad-based perquisites to our executives and other employees. Executives and all other employees are eligible to participate in various benefit programs such as medical, dental and vision insurance, life insurance, both short and long-term disability, and employer contributions to the Century Casinos, Inc. 401(K) Savings and Retirement Plan. Relocation benefits are available and are negotiated on an individual basis when an employee is hired.

In addition to our group benefits, pursuant to their respective employment and management agreements, Erwin Haitzmann and Peter Hoetzing are also entitled to:

1. A company-paid life insurance policy. Dr. Haitzmann's policy provides a maximum life insurance benefit of € 349,975, payable in either a single lump sum or as an annuity. Mr. Hoetzing's policy provides a maximum life insurance benefit of € 418,032, payable in either a single lump sum or as an annuity;
2. Long-term disability or death benefits equal to the executive's annual salary in effect at the time of disability or death, payable for a period of twelve (12) months from the date of disability or death; and
3. The use of a car provided to them and paid for by us for business and personal purposes.

The cost to us of these benefits, if used by a named executive officer is reflected in "All Other Compensation" in the Summary Compensation Table and, if in excess of \$10,000, is described in a footnote to such column.

Change in Control and Severance Benefits

We have entered into employment agreements with our executive officers, including our Co Chief Executive Officers and our other named executive officers. These agreements are described in more detail under “Executive Employment Agreements.” These agreements provide for severance compensation to be paid if the executives are terminated under certain conditions, such as a change in control or a termination without cause by us, each as is defined in the agreements.

Our 2005 Plan and our previous equity incentive plan under which we have issued equity awards to our executive officers provide for full accelerated vesting of stock awards following a change in control, as defined in such plans.

The change of control provisions and the related severance compensation provisions of the employment agreements with our executive officers and our equity incentive plans are designed to meet the following objectives:

1. **Change in Control:** Many larger, established casino developers consider companies at similar stages of growth, like Century Casinos, Inc., to be potential acquisition targets as a means of adding value to their company. In some scenarios, the potential for merger or acquisition may be in the best interests of our securityholders. In certain cases, we provide severance compensation if an executive is terminated as a result of a corporate transaction in order to maintain the continuity of management during the transaction and in order to promote the ability of our executive officers to act in the best interests of our securityholders even though there exists the possibility that they could be terminated as a result of the transaction.

We define a change in our control as:

- a. any person or entity (not affiliated with the employee, other employees or members of the Board) becoming the beneficial owner of a majority of the voting rights of our outstanding securities;
 - b. the replacement or rejection of one or more person(s) nominated to be director(s) by our Board before any change of control;
 - c. the election of one or more persons to our Board that have not been nominated by our Board prior to any change of control;
 - d. Dr. Haitzmann ceases to serve as our Chairman, except by reason of his death or permanent disability (as defined in Mr. Hoetzing’s employment agreement);
 - e. Mr. Hoetzing ceases to serve as our Vice Chairman, except by reason of his death or permanent disability (as defined in Dr. Haitzmann’s employment agreement); or
 - f. the holders of securities approve a merger, consolidation or liquidation of the Company.
2. **Termination Without Cause By Us:** If we terminate the employment of an executive officer without cause, we are obligated to continue to pay their base salary for a specified period of time, as per the executive officer’s employment agreement. We believe this is appropriate because:
 - a. the terminated executive officer is bound by confidentiality and non-compete provisions covering a specified period of time;
 - b. we and the executive have mutually agreed to a severance package that is in place prior to any termination event. This provides us more flexibility to make a change in senior management if such a change is in the best interests of the company and our securityholders; and
 - c. the terminated executive receives a fair severance payment that is defined in advance of a termination without cause.

For this scenario, we define “cause” for Dr. Haitzmann and Mr. Hoetzing as:

- a. the failure of the employee for any reason, within thirty days after receipt by the employee of written notice thereof from us, to correct, cease, or otherwise alter any specific action or omission to act that constitutes a material and willful breach of such employee's employment agreement that is likely to result in material damage to us; or
 - b. any willful gross misconduct likely to result in material damage to us.

For this scenario, we define “cause” for Mr. Hannappel and Mr. Sienko as:

- a. any fraud, theft or intentional misappropriation perpetrated by the employee against us;
 - b. conviction of a felony;
 - c. a material and willful breach of the employee’s employment agreement by such employee, if such employee does not correct such breach within a reasonable period after we give written notice to such employee;
 - d. willful or gross misconduct by the employee in the performance of his duties under his employment agreement;
 - e. failure by the employee to maintain in good standing any license that he must hold based on the requirements of any regulatory body;
 - f. the chronic, repeated, or persistent failure of the employee in any material respect to perform his obligations as an employee of ours (other than by reason of a disability as determined under common law or any pertinent statutory provision, including without limitation the Americans With Disabilities Act), if the employee does not correct such failure within a reasonable period after we give written notice to him (with such notice to specify in reasonable detail the action or inaction that constitutes such failure).
3. Termination With Cause By Employee: Dr. Haitzmann’s and Mr. Hoetzingler’s employment agreements provide severance in the event they terminate their employment with us for cause. This scenario would be treated similarly to a termination without cause by us for the same reasons provided for that situation, as described above.

For this scenario, we define “cause” as:

- a. our failure for any reason, within thirty days after receipt by us of written notice from the employee, to correct, cease, or otherwise alter any material adverse change in the conditions of such employee’s employment, including, but not limited to any change in his title or position, or the duties of such position (such as, but not limited to another person assuming the same or similar title, position or duties, or one or more of the employee's primary duties being assigned to be performed by the employee in a country other than his country of primary residence), unless the employee consents in writing to such change; or
 - b. a change in our control, as defined above.

EXECUTIVE EMPLOYMENT AGREEMENTS

Co Chief Executive Officers

On October 12, 2001, we entered into separate employment agreements with Erwin Haitzmann and Peter Hoetzing. The agreements were amended on February 18, 2003 to extend the dates of employment to December 31, 2008 and to specify the duties of Dr. Haitzmann and Mr. Hoetzing. The agreements were further amended on February 3, 2005 to reassign the employment agreements to a wholly-owned foreign subsidiary of the Company, to include changes to the employees' salary and termination clauses (See "Compensation Discussion and Analysis – Change in Control and Severance Benefits"), and to extend the dates of employment to December 31, 2009, and for five-year renewable periods thereafter, unless sooner terminated by them or us. Effective September 1, 2006, the employment agreements were further amended to provide each executive officer with life insurance. (See "Compensation Discussion and Analysis - Personal Benefits and Perquisites"). On November 5, 2009, the dates of employment were extended to December 31, 2014.

As compensation for the services rendered by Dr. Haitzmann and Mr. Hoetzing to us, Dr. Haitzmann and Mr. Hoetzing are paid not less than €70,000 (Euro seventy thousand) (approximately \$98,035 for the year ended December 31, 2009) in annual base salary, plus annual increases and bonuses, and such other incentives, benefits, insurance policies and compensation as may have been and may be awarded to them from time to time by the Compensation Committee. We either provide Dr. Haitzmann and Mr. Hoetzing with, or reimburse them for, all reasonable expenses incurred in connection with the performance of their duties as our executives, in substantially the same form and fashion as we had done during the twelve months preceding the date of the agreements. Dr. Haitzmann and Mr. Hoetzing are also each entitled to the use of a car provided to them and paid for by us for business and personal purposes. (See "Compensation Discussion and Analysis – Personal Benefits and Perquisites").

In addition to the employment agreements, as amended, that we have with Dr. Haitzmann and Mr. Hoetzing, we are party to separate management agreements with Flyfish Casino Consulting AG, a Swiss corporation, to secure the services of Dr. Haitzmann, and with Focus Casino Consulting AG, a Swiss corporation, to secure the services of Mr. Hoetzing, to provide executive casino management services to us through December 31, 2011, and for five-year renewable periods thereafter, unless sooner terminated by them or by us. The management agreements provide for an annual base management fee of \$360,000 to each of Dr. Haitzmann and Mr. Hoetzing, plus such annual increases and bonuses, and such other incentives, benefits and compensation as may be awarded to them, respectively, by the Committee. Payments to each of these management companies are included as salary to the respective executive in the Summary Compensation Table.

Other Named Executive Officers

We entered into an employment agreement with Larry Hannappel effective January 1, 2005, pursuant to which we will pay to Mr. Hannappel an annual salary of \$120,000. Mr. Hannappel is eligible to receive an annual bonus of up to \$56,000 (or greater based on the discretion of the Committee). The bonus amount can be reviewed by us annually, and the Committee is required to review Mr. Hannappel's salary on an annual basis. On March 5, 2009, the Compensation Committee agreed to increase Mr. Hannappel's base salary to \$160,000 per annum, retroactive to January 1, 2008.

We either provide Mr. Hannappel with, or reimburse him for, all reasonable expenses incurred in connection with the performance of his duties as an executive.

Mr. Hannappel's employment agreement also provides benefits under various termination scenarios (See "Compensation Discussion and Analysis – Change in Control and Severance Benefits").

Effective November 19, 2008, the Committee adopted a Deferred Compensation Plan for certain key members of management and independent directors. The Deferred Compensation Plan allowed Participants to defer receipt of all or a portion of their compensation through April 30, 2009. The minimum total deferred compensation was \$3,000. Participants received the deferred compensation, plus 7.0% interest per annum, on June 30, 2009. In addition, Participants were granted stock options equivalent to the amount of compensation deferred divided by the NASDAQ closing price of our stock on the day the Participant elected to participate in the Deferred Compensation Plan. Such stock options were issued in accordance with our 2005 Equity Incentive Plan. All of our named executive officers and Directors participated in the Deferred Compensation Plan. The Deferred Compensation Plan terminated in April 2009.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

We have entered into employment and severance agreements with our named executive officers that require us to make payments and provide various benefits in the event of the executive's termination or a change in our control.

The terms of the agreements and the estimated value of the payments and benefits due to the executives pursuant to their agreements under various termination events are detailed below.

Erwin Haitzmann and Peter Hoetzing. Pursuant to Dr. Haitzmann's and Mr. Hoetzing's employment agreements and management agreements, if we terminate these agreements without cause or if either officer terminates these agreements for cause or upon a change in our control, each of them will be entitled to:

- a lump sum cash benefit payment of three times his then-current annual compensation/management fee, plus three times his average bonus for the last three years;
- at his sole option, serve as a consultant to us for an additional period of three years at his then-current compensation/management fee, his previous year's bonus and current benefits. During such additional period of three years, Dr. Haitzmann or Mr. Hoetzing, as applicable, would be required to keep himself reasonably available to us to render advice or to provide services for no more than thirty days per year;
- the immediate vesting of all unvested stock and stock options. Dr. Haitzmann or Mr. Hoetzing, as applicable, will have the option to either (a) receive an immediate payment of the market value for 100% of his stock and the higher of (i) the value of the stock options according to the Black-Scholes model or (ii) the "in-the-money" value of his stock options as of the date of such written notice of termination, or (b) receive an immediate cash bonus from us enabling him, after the payment of all of his taxes, to exercise 100% of his stock options, and to continue to hold his stock, with the right to put the stock back to us, at any time and for an unlimited number of times, within three years of termination.

If either officer terminates his agreements without cause, we have the option either (i) to accept his resignation, effective immediately on receipt of written notice; or (ii) to require him to continue to perform his duties for a period not to exceed six months from the date of receipt of such written notice. In either event, he shall continue to be paid at the same compensation/management fee for a period of six months from the date of written notice of termination. Such compensation shall be paid to him in six equal, successive monthly payments, beginning on the 1st day of the month immediately following the date of written notice of termination.

Each executive has also agreed not to disclose to third parties any confidential or proprietary information relating to us.

In the event that either officer dies or becomes disabled, their beneficiaries are entitled to one year's base salary, excluding amounts paid to their respective management companies, of €70,000.

Assuming Dr. Haitzmann was terminated on December 31, 2009 or that a change in control occurred on such date, and assuming further that the market value of each share of common stock underlying his unvested equity awards was \$2.69, which was the market price of our common stock on December 31, 2009, Dr. Haitzmann would be eligible for the following payments and benefits:

	Salary (\$)	Bonus (\$)	Medical Continuation (\$)	Value of Accelerated Equity Awards (\$)	Value of Stock Held on December 31, 2009 (\$)
By Company With Cause	-	-	-	-	-

Death or Disability	100,325	-	-	-	-

Assuming Mr. Hoetzing was terminated on December 31, 2009 or that a change in control occurred on such date, and assuming further that the market value of each share of common stock underlying his unvested equity awards was \$2.69, which was the market price of our common stock on December 31, 2009, Mr. Hoetzing would be eligible for the following payments and benefits:

Larry Hannappel. Pursuant to Mr. Hannappel's employment agreement, if we terminate his agreement without cause, he will be entitled to:

- a lump sum cash benefit equal to six months of his base pay and one-half of his prior-year's bonus;
 - all earned salary through the last day of employment; and
- continued medical/hospitalization insurance for a period of six months.

In addition, the noncompete/nonsolicitation period will end on the six month anniversary of the last day of his employment with us.

Mr. Hannappel is not entitled to any payments upon a change in control. However, if Mr. Hannappel is terminated within three years after a change in control, he will be entitled to a lump sum cash benefit equal to twelve months of his base salary and prior year's bonus. In addition, all stock options held by Mr. Hannappel will vest immediately.

Assuming Mr. Hannappel was terminated on December 31, 2009, including a termination with three years after a change in control, and assuming further that the market value of each share of common stock underlying his unvested equity awards was \$2.69, which was the market price of our common stock on December 31, 2009, Mr. Hannappel would be eligible for the following payments and benefits:

	Salary (\$)	Bonus (\$)	Medical Continuation (\$)	Value of Accelerated Equity Awards (\$)

Ray Sienko. Mr. Sienko resigned effective April 14, 2010. No additional compensation was awarded. All unvested equity awards as of April 14, 2010 were forfeited. All vested, unexercised options held by Mr. Sienko must be exercised by July 14, 2010 or they will be forfeited.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires our directors and executive officers, and persons who beneficially own more than 10% of our outstanding common stock, to file with the Securities and Exchange Commission (the "SEC") initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. SEC rules also require our directors, officers and greater than 10% stockholders to furnish the Company with copies of all Section 16(a) reports they file.

To our knowledge (based solely on review of the copies of such reports furnished to us during the fiscal year ended December 31, 2009), all Section 16(a) filings applicable to our officers, directors and greater than 10% stockholders were made in a timely manner.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2009, the members of the Compensation Committee were Mr. Gottfried Schellmann and Dr. Dinah Corbaci. Neither of these individuals are current or former officers of the Company or any of our subsidiaries. During 2009, none of our executive officers served as a director or member of a compensation committee (or other committee serving an equivalent function) of any other entity whose executive officers served as a director or member of our Compensation Committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Both Dr. Haitzmann, our Chairman and Co Chief Executive Officer, and Mr. Hoetzing, our Vice Chairman, Co Chief Executive Officer and President, are Austrian citizens and have established Austrian trusts, The Haitzmann Family Foundation and The Hoetzing Family Foundation, respectively, to hold a certain portion of their respective interests in us. See "Security Ownership of Certain Beneficial Owners and Management."

Dr. Haitzmann, Mr. Hoetzing and their respective family trusts collectively owned 3.5% of the outstanding shares of common stock of Century Resorts Ltd. ("CRL"), a subsidiary of ours that owned and provided technical casino services to our South African interests. On July 7, 2009, CRL purchased these outstanding shares from Dr. Haitzmann and his family trust for \$0.8 million and from Mr. Hoetzing and his family trust for \$0.8 million (the "CRL Transaction").

Our Audit Committee Charter provides that the Audit Committee must approve transactions between the Company and related parties for actual or apparent conflicts of interest. The Audit Committee defines a related party transaction as one between our directors and executive officers, their immediate family members and entities in which they hold a 5% or greater beneficial ownership interest, where the aggregate amount is expected to exceed \$120,000 in any calendar year.

The Board pre-approved the executive management agreements between us and our Co Chief Executive Officers, as described above under "Executive Employment Agreements," and the CRL Transaction.

HOUSEHOLDING

To reduce the expense of delivering duplicate proxy solicitation materials, we and some brokers may take advantage of the SEC's "householding" rules. These householding rules permit the delivery of only one set of proxy solicitation materials to securityholders who share the same address, unless otherwise requested. Any securityholder of record who shares an address with another securityholder of record and who has received only one set of proxy solicitation materials may receive a separate copy of those materials, without charge, or request future delivery of separate materials upon writing our Corporate Secretary at 2860 South Circle Drive, Suite 350, Colorado Springs, Colorado 80906 or calling (719) 527-8300. Likewise, any securityholder of record who shares an address with another securityholder of record and who has received multiple sets of proxy solicitation materials may request future delivery of a single copy of those materials upon writing our Corporate Secretary at 2860 South Circle Drive, Suite 350, Colorado Springs, Colorado 80906 or calling (719) 527-8300.

If you consent to householding, your election will remain in effect until you revoke it. Should you later revoke your consent, you will be sent separate copies of those documents that are mailed at least thirty days or more after receipt of your revocation.
