FOR
2002 ANNUAL MEETING OF STOCKHOLDERS
OF
WILLIS LEASE FINANCE CORPORATION**

To Be Held on May 22, 2002

SOLICITATION AND VOTING OF PROXIES

General

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors, also referred to as the Board, of WILLIS LEASE FINANCE CORPORATION of proxies to be voted at the 2002 Annual Meeting of Stockholders, which will be held at 2:00 p.m. local time on May 22, 2002 at Willis Lease Finance's principal executive offices, located at 2320 Marinship Way, Suite 300, Sausalito, California 94965, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of 2002 Annual Meeting of Stockholders.

This Proxy Statement is first being mailed to stockholders on or about April 26, 2002. Willis Lease Finance's 2001 Annual Report is being mailed to stockholders concurrently with this Proxy Statement. The 2001 Annual Report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

Voting

The close of business on April 1, 2002 is the record date for stockholders entitled to notice of and to vote at the 2002 Annual Meeting of Stockholders. As of that date, Willis Lease Finance had 8,830,181 shares of common stock, \$0.01 par value, issued and outstanding. All of the shares of Willis Lease Finance's common stock outstanding on the record date are entitled to vote at the 2002 Annual Meeting of Stockholders, and stockholders of record entitled to vote at the meeting will have one vote for each share of common stock so held with regard to each matter to be voted upon.

Edgar Filing: WILLIS LEASE FINANCE CORP - Form DEF 14A

The required quorum for the meeting is a majority of the outstanding shares of common stock eligible to be voted on the matters to be considered at the meeting. In the election for directors (Proposal 1), the two nominees for the Class I Directors receiving the highest number of affirmative votes will be elected.

Shares of Willis Lease Finance's common stock represented by proxies in the accompanying proxy card, which are properly executed and returned to Willis Lease Finance, will be voted at the 2002 Annual Meeting of Stockholders in accordance with the stockholder's instructions contained therein. If no instructions are marked on the proxy card, the shares represented thereby will be voted for the election of the Board's nominees as Class I Directors (Proposal 1). If a properly signed proxy or ballot indicates that a stockholder, broker or other nominee abstains from voting or that the shares are not to be voted on a particular proposal, the shares will not be counted as having been voted on that proposal, although such shares will be counted as being in attendance at the meeting for purposes of determining the presence of a quorum. Broker non-votes (i.e. shares held by brokers or nominees as to which instructions have not been received from beneficial owners or persons entitled to vote that the broker or nominee does not have discretionary power to vote on a particular matter) are counted

1

towards a quorum, but are not counted for any purpose in determining whether a matter has been approved by a majority of the shares represented in person or by proxy and entitled to vote.

Management does not know of any matters to be presented at the 2002 Annual Meeting of Stockholders other than those set forth in this Proxy Statement and in the Notice accompanying this Proxy Statement. If other matters should properly come before the meeting, the proxy holders will vote on such matters in accordance with their best judgment.

Revocability of Proxies

Any stockholder giving a proxy in the form accompanying this Proxy Statement has the right to revoke it at any time before it is voted at the meeting. It may be revoked by filing with the corporate secretary of Willis Lease Finance an instrument of revocation or by the presentation at the meeting of a duly executed proxy bearing a later date. It may also be revoked by attendance at the meeting and election to vote in person.

Solicitation

The entire cost of preparing, assembling and mailing the Notice of 2002 Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy card, and of soliciting proxies, will be paid by Willis Lease Finance. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, electronic mail or special letter by officers and regular Company employees for no additional compensation. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of Willis Lease Finance's common stock, and such persons may be reimbursed for their expenses.

Director Compensation

In the 2001 fiscal year, non-employee members of the Board were each paid an annual fee of \$12,500. Each non-employee member of the Board was also reimbursed for all reasonable out-of-pocket costs incurred to attend Board or Committee meetings. In addition, each non-employee member of the Board receives \$1,000 for each Board meeting and \$500 for each Committee meeting which he attends in person, and \$500 and \$250, respectively, for each Board and Committee meeting attended by telephone. Pursuant to the "Automatic Option Grant Program" under the 1996 Plan, each individual who first becomes a non-employee Board member is eligible to receive an option grant for 5,000 shares of common stock. In addition, on the date of each annual stockholders meeting, each individual who is to continue to serve as a non-employee Board member, whether or not such individual is standing for re-election at that particular annual meeting, will be granted an option to purchase a specified number of shares of common stock, provided such individual has served as a non-employee Board member for at least six months. The number of shares of common stock subject to each annual automatic option grant shall not be more than 10,000 shares per year, and the number of shares will be determined by dividing \$20,000 by the Black-Scholes formula value of the option. Each grant under the Automatic Option Grant Program will have an exercise price per share equal to the fair market value per share of Willis Lease Finance's common stock on the grant date and will have a maximum term of 10 years, subject to earlier termination should the optionee cease to serve as a member of the Board.

Each 5,000-share initial option grant vests in a series of four successive equal annual installments over the optionee's period of continued service as a Board member measured from the option grant date. Each \$20,000 value annual option grant vests in one installment upon the optionee's completion of one year of Board service measured from the grant date.

Non-employee Directors are also eligible to participate in the Director Fee Option Grant Program in effect under the 1996 Plan, pursuant to which they may elect to apply a portion or all of their annual compensation towards the acquisition of special below-market option grants.

3

Pursuant to the Stockholder's Agreement by and among Willis Lease Finance, Charles F. Willis, IV, CFW Partners, L.P., Austin Chandler Willis 1995 Irrevocable Trust, and FlightTechnics, LLC dated as of November 7, 2000, Mr. Hans Jörg Hunziker is not considered an outside director of Willis Lease Finance. Accordingly, Mr. Hunziker does not participate in the above compensation arrangements for non-employee members of the Board.

These options have an exercise price of \$3.42 per share, one-third of the fair market value per share of the common stock on the grant date. The spread on the option shares at the time of grant (the fair market value of the option shares less the aggregate exercise price) was equal to \$5,375 of the cash retainer fees which Directors LeRoy and Moffitt, each elected to apply to their grants. These options became fully exercisable on March 30, 2001.

These options became fully exercisable on June 29, 2001.

**COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES
EXCHANGE ACT OF 1934**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Willis Lease Finance's Directors and Executive Officers, and persons who own more than ten percent of a registered class of Willis Lease Finance's equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities of Willis Lease Finance. Officers, directors and holders of more than ten percent of Willis Lease Finance's common stock are required by Securities and Exchange Commission regulation to furnish Willis Lease Finance with copies of all Section 16(a) reports they file.

Based solely upon review of the copies of such reports furnished to Willis Lease Finance and written representations from its officers and Directors, Willis Lease Finance believes that during the fiscal year ended December 31, 2001, its officers, directors and holders of more than ten percent of Willis Lease Finance's common stock complied with all Section 16(a) filing requirements applicable to Willis Lease Finance's officers, directors and greater than ten percent beneficial owners, except as follows. Mr. Donald A. Nunemaker inadvertently failed to file a Form 4 with respect to the grant of 50,000 options to purchase shares of Willis Lease Finance's common stock. A Form 4 was filed on February 11, 2002 to correct the omission promptly after the failure to file was discovered. Mr. Donald E. Moffitt, a previous director of Willis Lease Finance who resigned from that position on July 1, 2001, exercised stock options to purchase 14,685 shares and disposed of those shares on August 15, 2001. This exercise and disposition was disclosed on Form 5 filed on February 12, 2002.

**REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

At the end of the 2001 fiscal year the Compensation Committee of the Board was composed of three non-employee Directors: Glenn L. Hickerson (Chairman), William M. LeRoy and Willard H. Smith, Jr.

The Compensation Committee administers Willis Lease Finance's compensation policies and programs and has primary responsibility for executive compensation matters, including the establishment of the base salaries of Willis Lease Finance's executive officers, the approval of individual bonuses and bonus programs for executive officers and the administration of certain employee benefit programs. In addition, the Compensation Committee has exclusive responsibility for administering the 1996 Plan, under which stock option grants and direct stock issuances may be made to executive officers and other employees.

The Compensation Committee made its decisions primarily on the basis of its understanding of the compensation practices of similarly sized companies serving similar industry segments, referred to as Peer Companies and fixed the compensation package of each executive officer at a level which was competitive with those practices. The positions of Willis Lease Finance's President and CEO and executive officers were compared with those of their counterparts at the Peer Companies, and the market compensation levels for comparable positions were examined to determine base salary and total cash compensation. In addition, the practices of the Peer Companies concerning stock option grants were reviewed and compared. Willis Lease Finance's policy is to target total cash compensation levels around the 75th percentile at Peer Companies.

The following is a summary of policies which the Compensation Committee applied in the 2001 fiscal year in setting the compensation levels for Willis Lease Finance's executive officers.

General Compensation Policy. The objectives of Willis Lease Finance's executive compensation program are to motivate and retain current executives and to attract future ones. Willis Lease Finance's executive compensation program is designed to: (1) provide a direct and substantial link between Company performance and executive pay, (2) consider individual performance and accomplishments and compensate accordingly, and (3) determine Willis Lease Finance's position in the aviation services and leasing markets and be competitive in that labor market. Willis Lease Finance's intent is to position its executive cash compensation levels around the 75th percentile of comparable U.S. companies. To this end, Willis Lease Finance tracks executive pay levels against Peer Companies. The Compensation Committee also considers geographic location and companies that may compete with Willis Lease Finance in recruiting executive talent.

Factors. The principal factors which the Compensation Committee considers in establishing the components of each executive officer's compensation package are summarized below. The Compensation Committee may, however, in its discretion apply entirely different factors in setting executive compensation for future fiscal years.

Base Salary. The base salary for each executive officer is set on the basis of personal performance, the Compensation Committee's assessment of salary levels in effect for comparable positions with Willis Lease Finance's principal competitors and Peer Companies, and internal comparability considerations. The weight given to each of these factors may vary from individual to individual. The Compensation Committee generally relied upon specific compensation surveys provided during 2001 by Westward Pay Strategies, San Francisco, CA and SK Consulting, San Jose, CA for comparative compensation purposes. Base salaries are reviewed on an annual basis, and adjustments are made in accordance with the factors indicated above.

Incentive Compensation. The Compensation Committee has established an incentive compensation program pursuant to which each executive officer is eligible to earn a bonus on the basis of the achievement of certain Company and individual goals. The bonuses earned by each of the executive officers are set forth in the Summary Compensation Table which appears later in this Proxy Statement.

Long-Term Incentive Compensation. Long-term incentives are provided through stock option grants. The grants are designed to align the interests of the executive officers with those of the stockholders, and to provide executive officers with a significant incentive to manage Willis Lease Finance from the

perspective of an owner with an equity stake in the business. The stock option plan encourages long-term retention and provides rewards to executives and other eligible employees commensurate with growth in stockholder value. It is the Committee's practice to grant options to purchase shares at the market price of the underlying shares of common stock on the date of grant with a term of up to ten years. Approximately 51% of options granted to Willis Lease Finance's executive officers during the 2001 fiscal year will vest in four equal annual installments, while the rest were granted with immediate vesting (see Option Grants in 2001 Fiscal Year, page 20). Accordingly, the options will provide a return to the executive officer only if he remains in Willis Lease Finance's employ and the market price of the underlying shares of common stock appreciates.

Edgar Filing: WILLIS LEASE FINANCE CORP - Form DEF 14A

The number of shares subject to each option grant is set at a level intended to create a meaningful opportunity for stock ownership based on the executive officer's current position with Willis Lease Finance, the base salary associated with that position, the size of comparable awards made to individuals in similar positions within the industry, the individual's potential for increased responsibility and promotion over the option term, and the individual's personal performance in recent periods. The Committee also takes into account the number of unvested options held by the executive officer in order to maintain an appropriate level of equity incentive for that individual. However, the Committee does not adhere to any specific guidelines as to the relative option holdings of Willis Lease Finance's executive officers.

Deferred Compensation. Willis Lease Finance maintains the Deferred Compensation Plan for its executives, which permits participating executives to defer payment of up to 80% of their base salary and/or part or all of their bonus. Through the Deferred Compensation Plan, the Willis Lease Finance Corporation Deferred Compensation Plan Trust invests all deferred amounts in investment funds and horizon portfolios (compatible with the investment options under Section 401(k) of the Internal Revenue Code of 1986, as amended) pursuant to the election of each participant. The Compensation Committee determines the participant's "Annual Company Matching Amount" for any plan year to be added to the amount the participant elects to contribute from his/her salary and/or bonus. Such amounts are vested in accordance with a vesting schedule set forth in the Deferred Compensation Plan. In 2001 fiscal year the Compensation Committee determined that Willis Lease Finance would not contribute any "Annual Company Matching Amount".

Mr. Willis is the only executive who elected to participate in the Deferred Compensation Plan so far. Mr. Willis deferred \$133,333.28 of his salary payable in 2001 fiscal year. During fiscal year 2001, the investments from Mr. Willis' deferred salary resulted in cash dividends in the amount of \$910.

Executive Separation Agreement. On February 28, 2002, Willis Lease Finance entered into a Separation Agreement with Mr. Novasic. In accordance with this agreement, payments made to Mr. Novasic will secure his release of all potential claims against Willis Lease Finance. See "Employment Contracts, Termination of Employment and Change-in-Control Agreements" for a detailed description of this agreement.

CEO Compensation. The compensation payable to Mr. Willis, Willis Lease Finance's Chief Executive Officer during the 2001 fiscal year, was determined by the Compensation Committee. His base salary was set at a level which the Compensation Committee felt would be competitive with the base salary levels in effect for CEOs at similarly-sized companies within the industry. For the 2001 fiscal year, Mr. Willis received a bonus of \$250,000, representing payment for performance in 2001 payable in 2001. Mr. Willis' bonus was determined in accordance with the Willis Lease Finance Corporation 2001 Bonus Program. The bonus was based upon company performance relative to predetermined performance targets established by the Compensation Committee at the beginning of the year. Mr. Willis also participated in the Deferred Compensation Plan described above.

12

Compliance with Internal Revenue Code Section 162. Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to publicly-held companies for compensation paid to certain executive officers, to the extent that compensation that is not performance based (within the meaning of Section 162(m)) exceeds \$1 million per officer in any year. In prior years (with the exception of 2000 fiscal year), the compensation paid to Willis Lease Finance's executive officers did not exceed the \$1 million limit per officer. However, for the 2000 fiscal year the compensation paid to the CEO exceeded the \$1 million limit by a small amount and compensation paid to Willis Lease Finance's CEO for the 2001 fiscal year did not exceed that limit. In the coming years, in order to permit the future deductibility of cash bonus awards for certain executive officers, Willis Lease Finance may adopt an executive incentive plan, subject to approval by stockholders, that will qualify as performance based compensation for purposes of Section 162 (m). The 1996 Plan, however, is structured so that any compensation deemed paid to an executive officer in connection with the exercise of his or her outstanding options under the 1996 Plan will qualify as performance-based compensation which will not be subject to the \$1 million limitation.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL AGREEMENTS

Willis Lease Finance presently has the following employment contracts in effect with the Named Executive Officers:

Charles F. Willis, IV. Effective November 7, 2000, Mr. Willis signed a two-year employment agreement with Willis Lease Finance. The agreement automatically renews for additional one-year terms, until June 29, 2013, unless either party gives notice of non-renewal six months prior to expiration of the current term. Upon execution of the agreement, Mr. Willis' base salary as Chairman of the Board, President and Chief Executive Officer was \$500,000 per year, subject to adjustment by Willis Lease Finance's Board of Directors. Mr. Willis is entitled to receive bonuses in an annual amount of up to \$500,000 or a higher amount determined by the Board of Directors, under the incentive compensation plan in effect from time to time. The bonuses are based upon company performance relative to predetermined performance targets established by the Compensation Committee at the beginning of each year. The agreement also provides for Mr. Willis' participation in Willis Lease Finance's stock option plans on the same terms generally available to Willis Lease Finance's executive officers and in accordance with market practice. Any grant of stock options is subject to the discretion of the Compensation Committee. As of April 1, 2002, Mr. Willis received, over a period of time, options to purchase an aggregate of 430,000 shares of Willis Lease Finance's common stock.

Under the agreement, Willis Lease Finance may terminate Mr. Willis' employment other than for "cause" (failure or inability to perform obligations under the agreement causing material harm to the business) upon 6 months written notice or payment of an amount equal to 6 months base salary in lieu of notice, in addition to payment of any severance payment pursuant to the agreement.

Should a change of control in the ownership of Willis Lease Finance occur, the agreement will be automatically extended for a period of 2 years from the date of the change of control event.

In the event that the severance and other benefits provided to Mr. Willis constitute "parachute payments" subject to federal excise tax, then Mr. Willis' benefits under the change of control provisions of the agreement shall be reduced in accordance with the mechanism set forth in the agreement.

Willis Lease Finance and Mr. Willis have entered into an indemnification agreement effective as of September 17, 1996.

Donald A. Nunemaker. Effective November 21, 2000, Mr. Nunemaker signed a two-year employment agreement with Willis Lease Finance. The agreement automatically renews for additional one-year terms until June 10, 2012, unless either party gives notice of non-renewal six months prior to expiration of the current term. Upon execution of the agreement, Mr. Nunemaker's base salary as an Executive Vice President, Chief Administrative Officer was \$235,000 per year, subject to adjustment by Willis Lease Finance's Board of Directors. On March 2001 Mr. Nunemaker was appointed as Executive Vice President, Chief Operating Officer under the same terms of the November 21, 2000 employment agreement. Mr. Nunemaker is entitled to receive a target bonus of up to 85% of his base salary under the incentive compensation plan in effect from time to time. The bonuses are based upon company performance relative to predetermined performance targets established by the Compensation Committee at the beginning of each year. The agreement also provides for Mr. Nunemaker's participation in Willis Lease Finance's stock option plans on the same terms generally available to Willis Lease Finance' executive officers and in accordance with market practice. Any grant of stock options is subject to the discretion of the Compensation Committee. As of April 1, 2002, Mr. Nunemaker received, over a period of time, options to purchase an aggregate of 296,000 shares of Willis Lease Finance's common stock.

Under the agreement, Willis Lease Finance may terminate Mr. Nunemaker's employment other than for "cause" (such as Mr. Nunemaker's gross misconduct, fraud, breach of the agreement, or conviction or plea to felony or gross misdemeanor) upon 6 months written notice or payment of an

amount equal to 6 months base salary in lieu of notice, in addition to payment of any severance payment pursuant to the agreement.

Should a change of control in the ownership of Willis Lease Finance occur, the agreement will be automatically extended for a period equal to the greater of (i) the remaining employment term and (ii) 18 months period from the date of the change of control event. If Mr. Nunemaker's employment is terminated during such extension period, he will be entitled to additional severance payment.

In the event that the severance and other benefits provided to Mr. Nunemaker constitute "parachute payments" subject to federal excise tax, then Mr. Nunemaker's benefits under the change of control provisions of the agreement shall be reduced in accordance with the mechanism set forth in the agreement.

Willis Lease Finance and Mr. Nunemaker have entered into an indemnification agreement effective as of July 30, 1997.

Nicholas J. Novasic. On February 28, 2002, Willis Lease Finance entered into a Separation Agreement with Mr. Novasic. Under this agreement, Mr. Novasic executed a general release of all claims arising out of his employment, existing or potential, against Willis Lease Finance, and Willis Lease Finance paid Mr. Novasic a total amount of \$255,000 as severance. Additionally, all of Mr. Novasic's unvested stock options, which consisted of options to purchase 30,000 shares of common stock of Willis Lease Finance, became fully vested. Vested options must be exercised prior to February 28, 2003.

In connection with an acquisition of Willis Lease Finance by merger, asset sale or other change of control event, each outstanding option held by the Chief Executive Officer and the other executive officers under the 1996 Plan will automatically accelerate in full and all unvested shares of common stock held by such individuals subject to direct issuances made under such plans will immediately vest in full, except to the extent such options are to be assumed by, and Willis Lease Finance's repurchase rights with respect to these shares are to be assigned to, the successor corporation. In addition, upon an involuntary termination of the Chief Executive Officer or any of the other executive officers within twelve months following a merger or asset sale or other change in control of Willis Lease Finance, each outstanding option and all unvested shares of common stock held by such individual will automatically vest in full. Furthermore, with regard to future option grants and direct stock issuances, the "Plan Administrator" of the 1996 Plan has the authority to provide for accelerated vesting of any outstanding options awarded to the Chief Executive Officer or any other executive officer or any unvested share issuances actually held by such individual, in connection with certain changes in control of Willis Lease Finance or the subsequent termination of the officer's employment following the change in control event.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During the 2001 fiscal year, there were no transactions between Willis Lease Finance and its Directors, Executive Officers or known holders of greater than five percent of Willis Lease Finance's common stock in which the amount involved exceeded \$60,000 and in which any of the foregoing persons had or will have a direct or indirect material interest nor was any Director, Executive Officer, any members of any Director's or Executive Officer's immediate families, or any entity or trust controlled by any such Director or Executive Officer indebted to Willis Lease Finance in an amount in excess of \$60,000 at any time during the 2001 fiscal year.

Willis Lease Finance and Director Hunziker are currently negotiating a possible future position with Willis Lease Finance for Director Hunziker after his current employment contract with Flightlease AG Ltd. terminates and after he leaves the Willis Lease Finance Board of Directors. Neither Willis Lease Finance nor Director Hunziker have determined precisely what his duties with Willis Lease Finance would be, whether he would serve as a consultant or become an employee of Willis Lease Finance or what his compensation would be; however it is likely that Director Hunziker's compensation could be in excess of \$60,000 per year.
