PROXY STATEMENT

This proxy statement contains information related to the annual meeting of stockholders of TMP Worldwide Inc. to be held on Wednesday, June 19, 2002, beginning at 11:00 a.m. at the offices of Fulbright & Jaworski L.L.P., 666 Fifth Avenue, 31st Floor, New York, New York, and at any postponements or adjournments thereof.

ABOUT THE MEETING

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At our annual meeting, stockholders will act upon the matter outlined in the notice of meeting on the cover page of this proxy statement, consisting of the election of directors. In addition, management will report on the performance of the Company during 2001 and respond to questions from stockholders. The Board of Directors is not currently aware of any other matters which will come before the meeting.

Proxies for use at the meeting are being solicited by the Board of Directors of the Company. Proxies were mailed to stockholders on or about May 17, 2002 and will be solicited chiefly by mail. The Company will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the shares and will reimburse them for their expenses in so doing. Should it appear desirable to do so in order to ensure adequate representation of shares at the meeting, officers, agents and employees of the Company may communicate with stockholders, banks, brokerage houses and others by telephone, facsimile or in person to request that proxies be furnished. All expenses incurred in connection with this solicitation will be borne by the Company. The Company has no present plans to hire special employees or paid solicitors to assist in obtaining proxies, but reserves the option of doing so if it should appear that a quorum otherwise might not be obtained.

Edgar Filing: TMP WORLDWIDE INC - Form DEF 14A

WHO IS ENTITLED TO VOTE AT THE MEETING?

Only stockholders of record at the close of business on April 24, 2002, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting, or any postponements and adjournments thereof. If you were a stockholder of record on that date, you will be entitled to vote all of the shares you held on that date at the meeting, or any postponements or adjournments of the meeting.

The Company has two classes of common stock: common stock and Class B common stock. Holders of both common stock and Class B common stock as of the record date will be entitled to participate at the meeting.

WHAT ARE THE VOTING RIGHTS OF THE HOLDERS OF COMMON STOCK AND CLASS B COMMON STOCK?

Each outstanding share of common stock will be entitled to one vote on each matter acted upon. Each outstanding share of Class B common stock will be entitled to ten votes on each matter acted upon.

1

On April 24, 2002, there were 106,698,637 shares of common stock outstanding, and 4,762,000 shares of Class B common stock outstanding. Andrew J. McKelvey, our Chairman and CEO, holds all of the Class B common stock which combined with the common stock held by him gives him in excess of 41% of the combined voting power of the Company. Except as set forth in "Stock Ownership," we believe that no other stockholder of the Company has in excess of 1% of the combined voting power of the Company. It is expected that Mr. McKelvey will vote for Proposal No. 1.

WHAT CONSTITUTES A QUORUM?

The presence at the meeting in person or by proxy, of the holders of a majority of the outstanding shares of common stock and Class B common stock as of the record date will constitute a quorum, permitting the conduct of business at the meeting. As of the record date, 106,698,637 shares of common stock, representing the same number of votes, were outstanding, and 4,762,000 shares of Class B common stock, representing in the aggregate 47,620,000 votes, were outstanding. Thus, the presence of holders representing at least 77,159,319 votes will be required to establish a quorum. Proxies received but marked as abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. "Broker non-votes" are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under applicable Delaware law, the effect of broker non-votes on a particular matter depends on whether the matter is one as to which the broker or nominee has discretionary voting authority under the applicable rule of the New York Stock Exchange. The effect of broker non-votes on the specific items to be brought before the meeting is discussed under Proposal No. 1.

HOW DO I VOTE?

If you complete and properly sign the accompanying proxy card and return it in the enclosed return envelope it will be voted as you direct or you may vote by telephone or on the Internet as detailed below. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

Edgar Filing: TMP WORLDWIDE INC - Form DEF 14A

CAN I VOTE BY TELEPHONE OR ELECTRONICALLY?

If you are a registered stockholder (that is, you hold your stock in certificate form), you may vote by telephone, or electronically through the Internet, by following the instructions included with your proxy card.

If your shares are held in "street name", please check your proxy card and contact your broker or nominee to determine whether you will be able to vote by telephone or electronically. A large number of banks and brokerage firms are participating in ADP Investor Communication Services online program. This program provides eligible stockholders the opportunity to vote via the Internet or by telephone. Voting forms will provide instructions for stockholders whose bank or brokerage firm is participating in ADP's program. If you vote by telephone or electronically through the Internet, please do not mail your proxy. Stockholders not wishing to vote electronically through the Internet or whose form does not reference Internet or telephone voting information should complete and return the enclosed proxy card.

Signing and returning the proxy card or submitting the proxy via the Internet or by telephone does not affect the right to vote in person at the meeting.

2

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although, attendance at the meeting alone will not by itself revoke a previously granted proxy.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board recommends a vote to approve Proposal No. 1, for election of the nominated slate of directors to serve for the ensuing year, as set forth in the notice of meeting on the cover page of this proxy statement. With respect to any other matter that properly comes before the meeting, the proxy holders will vote in accordance with their best judgment.

WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

ELECTION OF DIRECTORS. The seven nominees receiving the highest number of affirmative votes of the votes cast at the meeting, either in person or by proxy, shall be elected as directors. A properly executed proxy card marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

OTHER ITEMS. For each other item that may properly come before the meeting, the affirmative vote of the holders of a majority of the shares represented in person or by proxy entitled to vote on the item will be required for approval. A properly executed proxy marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with

Edgar Filing: TMP WORLDWIDE INC - Form DEF 14A

respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

HOW ARE DIRECTORS COMPENSATED?

BASE COMPENSATION. Each of the Company's non-employee directors receives \$25,000 per year for services rendered as a director, plus a per meeting fee of \$1,000 for each meeting of the Board of Directors or a committee of the Board of Directors attended in person or telephonically (limited to a maximum fee of \$1,000 per day), plus reimbursement of expenses incurred in connection with his or her duties as director and life insurance in accordance with the Company's standard life insurance offering for employees.

OPTIONS. The Company adopted the 1996 Stock Option Plan for Non-Employee Directors (the "Directors' Plan"), pursuant to which options to acquire a maximum aggregate of 360,000 shares of Common Stock may be granted to non-employee directors. Pursuant to the Directors' Plan, each of Messrs. Kaufman and Swann, its only non-employee directors at the time, was granted an option to purchase 22,500 shares of common stock at a purchase price per share equal to the fair market value of the common stock on the date of such director's election to the Board of Directors (\$11.81 in the case of Mr. Kaufman and \$7.00 in the case of Mr. Swann). The options have a ten-year term and become exercisable as determined by the Compensation Committee. The options may be exercised by payment in cash, check or shares of common stock. The Company no longer makes grants under the Directors' Plan.

The Company adopted the 1999 Long Term Incentive Plan pursuant to which each new non-employee director of the Company is automatically granted an option to purchase 22,500 shares of common stock upon his or her commencement of service as a non-employee director. Accordingly, Mr. Kramer received such option in February 2000 and Mr. Gauling received such option in June 2001, each at an exercise price equal to the fair market value of the common stock on the date of

grant. Accordingly, Messrs. Kaufman, Kramer and Swann each received such option in June 2001. Automatic option grants will have a ten-year term and an exercise price equal to the fair market value of the common stock on the date of grant. Options granted to non-employee directors upon their commencement of service are 50% vested on the date of grant and will generally become fully vested on the first anniversary of the date of grant. Options granted to non-employee directors on an annual basis will generally become 50% vested on each of the first two anniversaries of the date of grant. In April 2001, each of Messrs. Kaufman, Kramer and Swann, the Company's non-employee directors at the time, received an additional option to purchase 10,000 shares of common stock at an exercise price of \$30.63, the fair market

ALL OTHER FEES. The Company incurred professional fees from BDO, its principal auditor, in the amount of \$4.0 million, related to other services during 2001 which include \$1.5 million in connection with acquisition consulting, due diligence and SEC filings related to acquisitions, \$1.5 million in connection with tax services, \$0.7 million in connection with statutory audits and reviews and \$0.3 million in connection with other services.

The Company's Audit Committee has considered whether the non-audit services provided by the Company's auditors in connection with the year ended December 31, 2001 were compatible with the auditors' independence.

REPORT OF AUDIT COMMITTEE

The Audit Committee of the Board of Directors of the Company serves as the representative of the Board of Directors for general oversight of the Company's financial accounting and reporting process, system of internal controls, audit process, and process for monitoring compliance with laws and regulations. Each of the members of the Audit Committee is independent, as defined under the listing standards of the Nasdaq National Market. The Audit Committee operates under a written charter adopted by the Board of Directors.

The Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's charter. To carry out its responsibilities, the Committee met four times during 2001.

In overseeing the preparation of the Company's financial statements, the Committee met with both management and the Company's outside auditors to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with both management and the outside auditors. The Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to STATEMENT ON AUDITING STANDARDS NO. 61 (COMMUNICATION WITH AUDIT COMMITTEES) and NO. 90 (AUDIT COMMITTEE COMMUNICATIONS).

With respect to the Company's outside auditors, the Committee, among other items, discussed with BDO Seidman, LLP, matters relating to BDO Seidman, LLP's independence, including the disclosures made to the Committee as required by the INDEPENDENCE STANDARDS BOARD STANDARD NO. 1 (INDEPENDENCE DISCUSSIONS WITH AUDIT

Edgar Filing: TMP WORLDWIDE INC - Form DEF 14A

COMMITTEES).

Finally, the Committee continued to monitor the scope and adequacy of the Company's internal auditing program, including proposals for adequate staffing and to strengthen internal procedures and controls where appropriate.

On the basis of these reviews and discussion, the Committee recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001, for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee was formed in September 1996 and currently consists of Messrs. Kaufman, Gaulding and Kramer, each of whom is an independent non-employee director. The Compensation Committee is charged with recommending to the Board of Directors the compensation for the Company's executives and administering the Company's stock option and benefit plans.

WHAT IS THE COMPANY'S PHILOSOPHY OF EXECUTIVE COMPENSATION?

The Company believes that executive compensation should be closely related to increased stockholder value. One of the Company's strengths contributing to its successes is a strong management team, many of whom have been with the Company for a number of years. The Committee believes that low executive turnover has been instrumental to the Company's success, and that the Company's compensation program has played a major role in limiting executive turnover. The compensation program is designed to enable the Company to attract, retain and reward capable employees who can contribute to the continued success of the Company, principally by linking compensation with the attainment of key business objectives. Equity participation and a strong alignment to stockholders' interests are key elements of the Company's compensation philosophy. Accordingly, the Company's executive compensation program is designed to provide competitive compensation, support the Company's strategic business goals and reflect the Company's performance.

The compensation program reflects the following principles:

- Compensation should encourage increased stockholder value.
- Compensation programs should support the short- and long-term strategic business goals and objectives of the Company.
- Compensation programs should reflect and promote the Company's values and reward individuals for outstanding contributions toward business goals.
- Compensation programs should enable the Company to attract and retain highly qualified professionals.

The Company's executive compensation is comprised of two components, base salary and incentives, each of which is intended to serve the overall

Edgar Filing: TMP WORLDWIDE INC - Form DEF 14A

compensation philosophy.

BASE SALARY. The Company's salary levels are intended to be consistent with competitive pay practices and level of responsibility, with salary increases reflecting competitive trends, the overall financial performance and resources of the Company, general economic conditions as well as a number of factors relating to the particular individual, including the performance of the individual executive, and level of experience, ability and knowledge of the job.

INCENTIVES. Incentives consist of stock options and cash awards paid to the Company's senior and middle management executives. Mr. McKelvey does not receive incentives. Incentive payments in 2001 to Mr. Treacy were based on obtaining operational efficiencies and spearheading the Company's investor relations. Mr. Taylor's incentive was based on growth in Internet billings and traffic and growing brand awareness. Mr. Camara's incentive was based on new business goals and spearheading award winning advertising campaigns. Mr. McLaughlin's incentive was based on achieving operational efficiencies in the executive search division. In 2001, other key executives were granted stock options based on revenue, divisional or regional profit, client retention or other preset objectives related to performance as set forth in the Company's 2001 annual plan.

The Committee strongly believes that the pay program should provide employees with an opportunity to increase their ownership and potentially gain financially from Company stock price

12

increases. By this approach, the best interests of stockholders, executives and employees will be closely aligned. Therefore, executives and other employees are eligible to receive stock options, giving them the right to purchase shares of common stock of the Company at a specified price in the future. The grant of options is based primarily on a key employee's potential contribution to the Company's growth and profitability, based on the Committee's discretionary evaluation. Options are granted at the prevailing market value of the Company's common stock and will only have value if the Company's stock price increases. Generally, grants of options vest over a period of time and executives must be employed by the Company for such options to vest.

HOW IS THE COMPANY'S CHIEF EXECUTIVE OFFICER COMPENSATED?

As Chief Executive Officer and Chairman of the Board, Mr. McKelvey is compensated pursuant to an amended employment agreement, effective as of November 15, 1996 which ended November 14, 2001 and was automatically renewed through November 14, 2002. Pursuant to his amended employment agreement, the base salary for Mr. McKelvey was \$500,000 during the Company's fiscal year ended December 31, 2001. Such base salary represents no increase over the previous year's salary. The amended employment agreement was entered into by the Company as a recognition of Mr. McKelvey's services to the Company as well as an acknowledgment of his stature in the industry.

The aggregate compensation of Mr. McKelvey was deemed appropriate by the Compensation Committee considering the overall performance of the Company and Mr. McKelvey.

HOW IS THE COMPANY ADDRESSING INTERNAL REVENUE CODE LIMITS ON DEDUCTIBILITY OF COMPENSATION?

Section 162(m) of the Code generally limits to \$1,000,000 the annual income tax deduction for certain "non-performance based" compensation paid to the chief executive officer or any of the four other highest paid offices of a publicly held corporation. The Company's 1999 Long Term Incentive Plan permits the grant

Edgar Filing: TMP WORLDWIDE INC - Form DEF 14A

of several types of awards. Some will qualify for the exception to the deduction limitation for performance-based compensation and others may not qualify for the exception. We believe that the stock options, stock appreciation rights and performance-based awards granted under the 1999 Long Term Incentive Plan can be structured to qualify for the exception for performance-based compensation. In general, the Compensation Committee wishes to structure performance-based awards in a way that will preserve the deductibility of compensation under such awards. The Compensation Committee may from time to time approve awards which would not qualify for the performance-based compensation exception. It is not anticipated that loss of deduction, if any, for compensation realized by any executive officer under the Company's existing compensation plans will be material.

The Compensation Committee believes that linking executive compensation to corporate performance results in a better alignment of compensation with corporate business goals and stockholder value. The Committee believes its compensation practices are directly tied to stockholder returns and linked to the achievement of annual and longer-term financial and operational results of the Company on behalf of the Company's stockholders. In view of the Company's performance and achievement of goals and competitive conditions, the Compensation Committee believes that compensation levels during 2001 adequately reflect the Company's compensation goals and policies.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

On September 16, 1996, the Company's Board of Directors established a Compensation Committee, which currently consists of Messrs. Kaufman, Gaulding and Kramer, to recommend compensation for the Company's executives and to administer the Company's stock option and other benefit plans. Prior to September 16, 1996, all matters concerning executive officer compensation were addressed by the entire Board of Directors. In October 1997, June 2001 and February 2000, respectively, Mr. Kaufman, Mr. Gaulding and Mr. Kramer each received stock options to purchase 22,500 shares of common stock, at respective exercise prices of \$11.81 per share, \$61.82 per share and \$63.07 per share, which was equal to the fair market value on the date of grant. Additionally, Messrs. Kaufman, Gaulding and Kramer receive shares under the 1999 Long Term Incentive Plan which provides that each non-employee director be granted an option to purchase 5,000 shares of common stock on the day following each annual meeting that occurs at least one year after the first anniversary of the date they first became a non-employee director. Additionally, in April 2001, each of Messrs. Kaufman and Kramer received an option to purchase 10,000 shares of common stock at an exercise price of \$30.63, the fair market value of the common stock on the date of the grant.

EMPLOYMENT AGREEMENTS

The Company has entered into an amended employment agreement with Andrew J. McKelvey, effective as of November 15, 1996 for a term which ended on November 14, 2001. On November 14, 2001 the amended employment agreement was automatically renewed for a one year term. The agreement provides for automatic renewal for successive one year terms unless either party notifies the other to the contrary at least 90 days prior to the expiration of the then current term. The agreement also provides that Mr. McKelvey will serve as Chairman of the Board and CEO of the Company and will be nominated for election as a director during all periods of his employment. Under the agreement, as amended,

Edgar Filing: TMP WORLDWIDE INC - Form DEF 14A

Mr. McKelvey is entitled to an annual base salary of \$500,000 and an annual bonus, based on exceeding earnings per share targets, not to exceed \$500,000. Under the agreement, Mr. McKelvey may terminate his employment upon 90 days prior written notice for any reason. The agreement also provides that in the event Mr. McKelvey's employment is terminated by the Company prior to its expiration for reasons other than for "cause," the Company shall pay Mr. McKelvey his base salary for the remaining term of the agreement at the times it would have been payable had he remained employed. The agreement further provides that in the event of Mr. McKelvey's voluntary resignation, termination of his employment by the Company for cause or nonrenewal of the agreement, Mr. McKelvey shall not be entitled to any severance, and in the event of his disability or death he or his estate shall be paid his base salary for a period of 180 days after any such termination at the times it would have been payable had he remained employed. The agreement also contains confidentiality provisions, whereby Mr. McKelvey agrees not to disclose any confidential information regarding the Company and its affiliates.

The Company has entered into a second amended employment agreement, as amended with James J. Treacy, effective as of October 1, 1999, for an indefinite term on an at-will basis. The agreement provides that either party may terminate the agreement for any reason. Pursuant to the agreement, as amended effective November 1, 2001, Mr. Treacy will serve as President and Chief Operating Officer of the Company for an annual base salary of \$675,000 and an annual bonus equivalent to a percentage, ranging from 40% to 50%, of his salary if certain goals mutually agreed upon by Mr. Treacy and the Chief Executive Officer are attained by Mr. Treacy and/or the Company. The agreement provides that in the event Mr. Treacy is terminated for "cause" or voluntarily resigns, he shall not be entitled to any severance, and in the event Mr. Treacy is terminated by reason of his death, disability or for other reasons, he or his estate shall be entitled to his base salary and minimum annual bonus for a period of one year after the effective date of his termination payable at the times they would have been payable had he remained employed, less income earned by him from the performance of any personal services

14

during such period. The agreement provides that in the event Mr. Treacy's employment is terminated by death all of his options shall become fully vested and exercisable for the shorter of one year or the balance of the term provided in the stock option agreement. In addition, upon a change in control of the Company, Mr. Treacy's options generally become fully vested and immediately exercisable. The agreement contains confidentiality provisions, whereby Mr. Treacy agrees not to disclose any confidential information regarding the Company and its affiliates, as well as nonsolicitation provisions which prohibit Mr. Treacy from soliciting any active or prospective accounts of the Company or its affiliates for a period of one year following termination.

The Company's subsidiary, TMP Interactive Inc., is a party to an amended and restated employment agreement with Jeffrey C. Taylor. This agreement provides for automatic renewal for successive one year terms, on a calendar basis, unless either party notifies the other to the contrary at least 60 days prior to its expiration. The agreement provides that Mr. Taylor will serve as Global Director Interactive and currently provides Mr. Taylor with a base salary of \$400,000 per year and annual bonuses of at least \$75,000 per year based on formulae mutually agreed to by the parties. Under the agreement, Mr. Taylor may terminate his employment upon written notice for certain material alterations in his responsibilities, duties, and authorities or upon 90 days prior written notice for any reason. The agreement provides that in the event Mr. Taylor's employment is terminated by TMP Interactive Inc. prior to its expiration for reasons other than cause or is terminated by Mr. Taylor for certain material alterations in his responsibilities, duties and authorities, TMP Interactive Inc. shall pay Mr. Taylor his base salary and his annual bonus from the preceding year or, if

Edgar Filing: TMP WORLDWIDE INC - Form DEF 14A

not yet issued a minimum of \$100,000 and all of Mr. Taylor's options to purchase TMP stock shall become fully vested and Mr. Taylor and his immediate family shall be provided with specified insurance for a period of one year. The agreement also provides that in the event of Mr. Taylor's voluntary resignation, termination of his employment by TMP Interactive Inc. for "cause" or non-renewal of the agreement, Mr. Taylor shall not be entitled to any severance, and in the event of his disability or death he or his estate shall be paid his base salary and certain other benefits for a period of 90 days at the times they would have been payable had he remained employed. The agreement contains confidentiality provisions, whereby Mr. Taylor agrees not to disclose any confidential information regarding TMP Interactive Inc. and its affiliates, as well as non-competition provisions. The non-competition covenants generally survive the termination or expiration of Mr. Taylor's employment for two years, provided that in certain circumstances TMP Interactive Inc. must pay Mr. Taylor one-half of his base salary and one-half of his minimum annual bonus for the duration of the non-competition obligation. Mr. Taylor's agreement also prohibits him from soliciting or servicing customers or prospective customers of TMP Interactive Inc. and its affiliates for a period of two years following the termination or expiration of his employment.

The Company has entered into a letter agreement with John McLaughlin, dated February 7, 2002. Pursuant to terms of the agreement Mr. McLaughlin will serve as Group President, Americas for an annual base salary of \$475,000 and shall be eligible to receive a bonus of up to 100% of his base salary. Upon the commencement of his employment as Group President, Americas, Mr. McLaughlin received an option to purchase 125,000 shares of the Company's common stock. The agreement provides that in the event of a change in control of the Company all of Mr. McLaughlin's options shall automatically become fully vested and immediately exercisable. Under the agreement, if Mr. McLaughlin is terminated for any reason other than for cause he shall receive, upon the execution of a general release, a severance payment equal to one year's salary and he shall continue to participate in the Company's medical and dental plans for three months following his termination of employment.

- (1) Options generally vest in four equal annual installments commencing on the first anniversary date of the grant.
 - (2) Based on options to purchase 5,579,000 shares granted in 2001 under the 1999 Long Term Incentive Plan.
 - (3) These amounts represent assumed rates of appreciation in the price of the Company's common stock during the terms of the options in accordance with rates specified in applicable federal securities regulations. Actual gains, if any, on stock option exercises will depend on the future price of the common stock and overall stock market conditions. The 5% rate of appreciation over the terms of each of the \$27.50, \$30.63 and \$41.75 stock prices on each date of grant would result in a stock price of \$44.79, \$49.89 and \$68.01, respectively. The 10% rate of appreciation over the terms of each of the \$27.50, \$30.63 and \$41.75 stock prices on each date of grant would result in a stock price of \$71.33, \$79.45 and \$108.29, respectively. There is no representation that the rates of appreciation reflected in this table will be achieved.
 - (4) These options become fully vested and immediately exercisable on September 10, 2002.
 - (5) These options were cancelled upon Mr. Potter's resignation as an executive officer of the Company effective October 21, 2001.

Such options were granted at a per share exercise price of \$13.437, the fair market value of the Company's common stock on the date of grant. In 2001, the Company's executive officers and directors received, in aggregate, options to purchase 270,500 shares of common stock at a per share exercise price of \$30.625, options to purchase 37,500 shares of common stock at a per share exercise price of \$61.82, options to purchase 400,000 shares of common stock at a per share exercise price of \$41.75 and options to purchase 295,000 shares of common stock at a per share exercise price of \$27.50. The agreement has no stated term but is terminable by either

18

party on 30 days' notice. For the year ended December 31, 2001, TMPW Canada Inc. paid approximately \$247,000 to TMP Worldwide Communications Inc. for management services.

Beginning in June 1999, the Company periodically used the service of an aircraft from a company owned by Mr. McKelvey, and in connection therewith, \$145,000 was paid in 2001.
