Item 1.01 (Entry into a Material Definitive Agreement)

On October 22, 2013 (the “Execution Date”), Newfield International Holdings Inc. (“Seller”), a company formed under the laws of the Commonwealth of The Bahamas and a wholly-owned subsidiary of Newfield Exploration Company (“Newfield”), entered into a Share Purchase Agreement (the “Agreement”) with SapuraKencana Petroleum Berhad, a company formed under the laws of Malaysia (“Purchaser”). Pursuant to the Agreement, Seller agreed to sell all of its equity interests in Newfield Malaysia Holding Inc. (the “Company”) for a total cash consideration of \$898 million, as adjusted for effective time working capital and applicable closing adjustments (the “Transaction”). The Company holds the shares of Newfield Sabah Malaysia Inc., Newfield Peninsula Malaysia Inc. and Newfield Sarawak Malaysia Inc. (all collectively with the Company, the “Company Group”). The Company Group is responsible for the day to day operations of Newfield’s business in Malaysia.

Between the Execution Date and the date of closing the transaction (the “Closing Date”), the Company Group is required under the Agreement to operate the business in the ordinary course, consistent with past practice, and to comply with other customary business covenants. In addition, prior to the Closing Date, the Purchaser is obligated to prepare and submit (1) a valuation certificate and valuation report to the Bursa Malaysia Securities Berhad (“Bursa Securities”) for its approval, (2) a draft shareholder circular to the Bursa Securities for its approval (the “Shareholder Circular”), and (3) the Shareholder Circular to its shareholders and hold a shareholder meeting to approve the transaction and the Agreement (“Purchaser Shareholder Approval”). Following receipt of Purchaser Shareholder Approval, Seller has agreed it will offer preferential rights to its partners under each of the applicable Joint Operating Agreements. If a preferential right is exercised, then Seller and Purchaser shall execute an Escrow Agreement and place the applicable allocated purchase price value into escrow until such time as the agreement reflecting the exercise of the preferential right has closed. The exercise of a preferential right will not impact the closing of the Transaction except to reduce the purchase price by the amount of the applicable allocated purchase price value.

The closing of the Transaction also is subject to the approval of Petroliaam Nasional Berhad under the applicable Production Sharing Contracts and other customary closing conditions.
