- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 Entry into a Material Definitive Agreement.

On December 15, 2004, the Compensation Committee of the Board of Directors of Balchem Corporation ("Balchem") approved Balchem's Incentive Compensation Program for the 2005 calendar year (the "ICP"). The ICP provides for the awarding of bonus compensation to executive officers and certain other employees, based upon the level of achievement of specific goals established for the particular officer or employee, and for the weighting of those goals to determine the amount of the bonus. No bonuses are required to be paid under the ICP unless a specified minimum level of consolidated net income before interest and taxes ("NIBIT") is achieved. The Compensation Committee has established such minimum level of NIBIT for 2005 based upon Balchem's estimated results of operations for the 2004 calendar year.

Edgar Filing: BALCHEM CORP - Form 8-K

Pursuant to the terms of the employment agreement between Balchem and Dino A. Rossi, its President and Chief Executive Officer, Mr. Rossi is entitled to annual discretionary bonuses of up to 100% of his base salary, based upon Balchem achieving operating and/or financial targets established by the Board of Directors or an authorized committee thereof. 50% of such bonus compensation is determined pursuant to the ICP. The Compensation Committee has established a minimum level of consolidated net income for the 2005 fiscal year to be achieved by Balchem in order for Mr. Rossi to be entitled to the portion of such bonus compensation not covered by the ICP.
