Spin-off

Following the close of trading on the Nasdaq Capital Market on May 30, 2018, Euroseas Ltd. ("Euroseas") completed the spin-off ("Spin-off") of its drybulk fleet to EuroDry Ltd. ("EuroDry"). Euroseas shareholders received one EuroDry common share for every five Euroseas common shares they owned as of May 23, 2018. Shares of EuroDry commenced trading on May 31, 2018 on the Nasdaq Capital Market under the symbol "EDRY." EuroDry operates in the dry cargo, drybulk shipping markets, owning and operating drybulk vessels previously owned and operated by Euroseas, and is now a separate publicly traded company. Euroseas continues to operate in the container shipping market and remains a publicly traded company.

Unaudited Pro Forma Information

The following pro forma condensed consolidated financial information is based on the historical financial statements of Euroseas, including certain pro forma adjustments, and has been prepared to illustrate the pro forma effect of Euroseas' spin-off of its drybulk fleet to EuroDry.

The unaudited pro forma condensed consolidated statements of operations for the years ended December 31, 2015, 2016 and 2017 assume that the spin-off occurred as of January 1, 2015. The unaudited pro forma condensed consolidated balance sheet as of December 31, 2017 is presented as if the spin-off had occurred as of December 31, 2017.

The unaudited pro forma condensed consolidated financial information is presented for illustrative purposes only and does not purport to represent what the results of operations or financial position of Euroseas would actually have been had the spin-off occurred on the dates noted above, or to project the results of operations or financial position of Euroseas for any future periods. The pro forma adjustments are based on available information and certain assumptions that management believes are reasonable. Unless otherwise indicated, the pro forma adjustments are directly attributable to the spin-off and are expected to have a continuing impact on the results of operations of Euroseas. In the opinion of management, all adjustments necessary to present fairly the unaudited pro forma condensed consolidation financial information have been made.

The accompanying unaudited pro forma condensed consolidated financial information should be read in conjunction with the notes thereto and "Management's Discussion and Analysis of Results of Operations and Financial Condition" and Euroseas' consolidated financial statements and notes thereto included in Euroseas' Annual Report on Form 20-F/A for the year ended December 31, 2017 filed with the U.S. Securities and Exchange Commission on May 1, 2018.
