Item 1.01. Entry into a Material Definitive Agreement.

On October 24, 2005, the Compensation Committee of the Registrant's Board of Directors determined to award the Registrant's executives, including the Registrant's named executive officers, non-qualified stock options under the 1997 ITT Educational Services, Inc. Incentive Stock Plan (the "1997 Plan"). On October 28, 2005, the Compensation Committee awarded the Registrant's executives non-qualified stock options under the 1997 Plan as of November 2, 2005 to purchase 219,350 shares of the Registrant's common stock at a price equal to the fair market value of the stock as of the close of business on November 1, 2005 (the "Stock Options"). The Stock Options were fully vested and immediately exercisable as of November 2, 2005.

The Stock Options represent a portion of the annual stock option awards to the Registrant's executives that the Registrant's Compensation Committee will grant in January 2006 to become effective in February 2006. The early award and full vesting of the Stock Options to the Registrant's executives was conditioned upon each executive agreeing, in the applicable award agreement between the executive and the Registrant (the "Award Agreement"), that he/she will not, subject to limited exceptions, sell, transfer or otherwise dispose of any shares of the Registrant's common stock acquired by the executive upon exercising the Stock Option until:

on or after November 2, 2006, with respect to one-third of the shares of the Registrant's common stock underlying the Stock Option;

on or after November 2, 2007, with respect to an additional one-third of the shares of the Registrant's common stock underlying the Stock Option; and

on or after November 2, 2008, with respect to the remaining one-third of the shares of the Registrant's common stock underlying the Stock Option.

The foregoing summary of the terms of the form of the Award Agreement is qualified in its entirety by reference to the text of the form of the Award Agreement, which is incorporated herein by reference and filed with the Securities and Exchange Commission with this report as Exhibit 10.52.

The Stock Option awarded to each of the Registrant's named executive officers is as follows:

<u>Name and Principal Position</u>	<u>Number of Shares Subject to the Stock Option</u>
Rene R. Champagne Chairman and Chief Executive Officer	47,600

Edgar Filing: ITT EDUCATIONAL SERVICES INC - Form 8-K

Kevin M. Modany President and Chief Operating Officer	40,140
Clark D. Elwood Senior Vice President, General Counsel and Secretary	19,790
Eugene W. Feichtner Senior Vice President, Operations	15,840
Daniel M. Fitzpatrick Senior Vice President, Chief Financial Officer	19,790

The purpose for accelerating the award and vesting of the Stock Options was to reduce the Registrant's future compensation costs associated with the Stock Options upon its adoption in 2006 of Statement of Financial Accounting Standards No. 123R, Share-Based Payments. The Registrant estimates that the accelerated award and vesting of the Stock Options will reduce its compensation costs, net of tax, by approximately \$1,127,000 in 2006, \$1,127,000 in 2007 and \$939,000 in 2008.
