**PROSPECTUS**

**135,800 Shares**  
**Common Stock**

We intend to issue up to 135,800 shares of our common stock upon the exercise of warrants issued in an offering of 300,000 units, each consisting of two shares of common stock and one redeemable common stock purchase warrant, beginning in July 2000. Each warrant entitles the registered holder to purchase one share of common stock at an exercise price of \$5.00 per share, subject to adjustment in certain events, at any time during the period commencing on July 10, 2000 and expiring on September , 2005. The warrants are subject to our redemption at \$.01 per warrant at any time prior to their exercise upon 30 days prior notice to the holders of the warrants, provided that the last trade price of the common stock reported on the American Stock Exchange for at least 15 of the 20 consecutive days ending on the third day prior to the date on which we give notice of redemption has been at least 125% of the then effective exercise price of the warrants or \$6.25 per share. There is no public market for the warrants. As of June 11, 2002, 164,200 of the original 300,000 warrants had been exercised.

	<b>Proceeds to Company</b>
Per Share	\$5.00
Total	\$679,000.00

Our common stock is quoted on the American Stock Exchange under the symbol "AMV". On June 11, 2002, the closing price of the common stock was \$6.12 per share.

**Investing in the common stock involves certain risks. See the "Risk Factors" section beginning on page 7.**

**PROSPECTUS SUMMARY**

*The following summary highlights information contained in this prospectus. You should read this entire prospectus carefully, including the Risk Factors section, the financial statements and the notes to the financial statements, before investing in shares of our common stock. Unless the context otherwise requires, all references to we, us, our company or AmeriVest refer collectively to AmeriVest Properties Inc. and its subsidiaries, considered as a single enterprise.*

**Our Company**

**AmeriVest**

We are a self-administered real estate investment trust, or REIT, that owns 23 office properties. We market and lease Class A and B office space to small and mid-sized tenants, and the design, finish and amenities of our core properties are specifically tailored for this target market. Our current properties, which include an aggregate of approximately 912,000 rentable square feet, are located in Colorado, Arizona, Indiana, and Texas.

Our current management team assumed control of our day-to-day operations on January 1, 2000, at which time we owned a portfolio of diversified properties. Since that time, we have focused our efforts on the acquisition, rehabilitation and development of multi-tenant office buildings targeting tenants with office space needs between 2,000 and 4,000 square feet. We have sold our non-office building assets, and since August 2000, all our assets have been office buildings. Our six core properties are located in Denver, Indianapolis and Phoenix and are representative of our current and ongoing strategy.

**Business Strategy**

We believe the public equity markets for REITs reward a strongly focused strategy and that the currently depressed office sector can support a relatively higher valuation than many other property types. We have elected to focus on the office sector because we believe the demand for office space will continue to grow as the economy continues to transition from manufacturing to service businesses. We believe that demand will continue to grow in our target markets specifically and have responded by developing a focused strategy, the key elements of which are:

*Focus on Small To Mid-Size Tenants* Our strategy is to focus on tenants that typically require 2,000 to 4,000 square feet of office space.

*Provide a Superior, Consistent Product* We believe that the small tenant market has been under-served by most office landlords, and that our core properties provide a level of amenities to the small tenant that usually only larger tenants enjoy.

**Table of Contents**

*Simplify the Leasing Process* We operate our multi-tenant buildings under a no-hassle leasing philosophy, using a standard simplified lease and a turn-key tenant finish package.

*Capitalize on the Perceived Risks* We believe that the perceived risks of smaller tenants provide an effective deterrent for competition and an attractive opportunity for us.

*Provide a High Level of Service* With our deliberate focus on small to mid-size tenants, we have developed a positive, service-oriented approach specifically tailored for our tenants.

*Target Select Cities* We target cities that meet specific criteria and where we hope to build meaningful multi-property portfolios over the near term.

As a result of our focused strategy, we believe that our properties provide office space that is particularly attractive for small to mid-size tenants. According to data compiled by the United States Small Business Administration Office of Advocacy, in 1999, 89% of all U.S. businesses employed fewer than 20 employees. As a result, we believe that many businesses have office space requirements of no more than 3,000 square feet. Our strategy is to provide office space that effectively capitalizes on this significant opportunity.

**Properties**

We own 23 office buildings totaling approximately 912,000 square feet of rentable space. These properties are located in metropolitan Denver, Colorado, Phoenix, Arizona, Indianapolis, Indiana, and in a number of smaller cities in Texas. The geographic distribution of our property portfolio by rentable square footage as of December 31, 2001 was 47% in Colorado, 31% in Texas, 11% in Arizona and 11% in Indiana. Set forth below is a description of our core, 100% owned properties:

*Sheridan Center*, our largest property, consists of three buildings, totaling 143,332 square feet of rentable space in a prime mid-town Denver location. Since our purchase of this property in September 2000, we have completely renovated the buildings to add AmeriVest's signature small-tenant amenities, including two high-tech common area conference rooms, keyless entries to all suites, a computerized building directory and high-speed phone and data wiring to all suites. Sheridan Center is 92% occupied by 105 tenants.

## **Table of Contents**

*Sheridan Plaza at Inverness*, or *Sheridan Plaza*, consists of two Class A office buildings, totaling 118,720 rentable square feet. Sheridan Plaza is located in the Inverness Business Park in Englewood, Colorado. Sheridan Plaza won the National Association of Industrial and Office Properties Small Office Building of the Year award for the Denver area in 1999. In addition to our signature amenities, the property features a range of customized design elements such as V-shaped, 15,000 square foot floor plates allowing visibility to all tenant suites from the elevator banks, and distinctive contemporary building materials and finishes. Sheridan Plaza is 100% occupied by 45 tenants.

*Arrowhead Fountains* consists of one building containing 96,076 rentable square feet in suburban Phoenix, Arizona. The Arrowhead Fountains building features versatile L shaped floor plates and interior finished with natural stone floors, wood trim and coffered ceilings. We currently intend to upgrade the building over time with our signature small tenant amenities. Arrowhead Fountains is 90% occupied by 20 tenants.

*The Kellogg Building* consists of one eight-story building containing 112,732 rentable square feet located in a mixed-use business park in Littleton, Colorado. The building features red brick veneer over concrete block with reflective insulating glass windows. Building amenities include an exercise studio with hot tub and shower facilities, two common area conference rooms and immediate access to the Highline Canal bike and jogging path. We currently intend to further upgrade the building over time with our signature small tenant amenities. The Kellogg Building is 92% occupied by 35 tenants.

*Keystone Office Park* consists of three two-story buildings containing a total of 96,048 rentable square feet in Carmel, Indiana, which is in the Indianapolis metropolitan area. Building amenities include keyless access to each building, computerized touch screen directories and a common area conference center with Internet connectivity and presentation equipment. Keystone Office Park is 98% occupied by 35 tenants.

## **Recent Dividends**

Since our initial public offering in November 1996, we have paid a cash dividend on our common stock each quarter. We have paid a quarterly cash dividend of \$0.125 per share for each of our seven most recent quarters. We declared a dividend of \$0.125 on June 10, 2002 for the current quarter. This dividend will be paid on July 16, 2002.

**Table of Contents**

**Recent Developments**

In 2000 and 2001, all of our properties were managed under an agreement with Sheridan Realty Advisors, LLC, which is owned by certain of our executive officers and directors, and which also managed our day-to-day operations and assisted and advised our Board of Directors with respect to real estate acquisitions and investment opportunities. Effective as of January 1, 2002, we purchased the administrative and property management and accounting services business of Sheridan Realty Advisors for approximately \$50,000. As a result, most of Sheridan Realty Advisors' employees, including three of our senior executives, became our employees. The three senior executives also remain employees of Sheridan Realty Advisors. We currently employ 16 full-time employees, including our senior executives, and three part-time employees.

Sheridan Realty Advisors continues as an outside advisor to our company in connection with our capital market activities, real estate acquisitions and dispositions and major capital projects and continues to earn an advisory and capital project fee for those services under the terms of our agreement with them, which expires on December 31, 2003. The advisory fee is intended to cover overhead expenses of Sheridan Realty Advisors not covered by other fees paid by AmeriVest and is limited to amounts set forth in an annual budget submitted to AmeriVest by Sheridan Realty Advisors.

**Potential Property Acquisitions**

We are presently evaluating acquisition opportunities in Phoenix, Indianapolis and Denver; however, we have not entered into any agreements to acquire any property as of the date of this prospectus.

**AMEX Symbol**

Our common stock trades on the American Stock Exchange under the symbol AMV.

**Company Information**

Our offices are located in our Sheridan Center property at 1780 South Bellaire Street, Suite 515, Denver, Colorado 80222. Our telephone number is (303) 297-1800. Our website address is [www.amvproperties.com](http://www.amvproperties.com). Information at our website is not and should not be deemed to be part of this prospectus.

**The Offering**

**Securities Offered**

Up to 135,800 shares of common stock. The shares are issuable upon the exercise of warrants issued in an offering of 300,000 units, each consisting of two shares of common stock and one redeemable common stock purchase warrant. Each warrant entitles the registered holder to purchase one share of common stock at an exercise price of \$5.00 per share, subject to adjustment in certain events, at any time during the period commencing on July 10, 2000 and expiring on September 30, 2005, which was extended from July 10, 2005 to reflect the time during which the warrants were not exercisable because the registration statement covering the underlying shares of common stock was not current. Warrant holders may only exercise their warrants if AmeriVest has a current effective registration statement covering the common stock issuable upon exercise of the warrants. If at any time during the exercise period we do not have on file with the SEC a current effective registration statement covering the common stock issuable upon exercise of the warrants we will suspend the exercise of the warrants until after the filing of such current effective registration statement and will extend the period for exercise of the warrants by such number of days that the exercises of the warrants have been suspended. The warrants are subject to our redemption at \$.01 per warrant at any time prior to their exercise upon 30 days prior notice to the holders of the warrants, provided that the last trade price of the common stock reported on the American Stock Exchange for at least 15 of the 20 consecutive days ending on the third day prior to the date on which we give notice of redemption has been at least 125% of the then effective exercise price of the warrants or \$6.25 per share. There is no public market for the warrants. As of June 11, 2002, 164,200 of the original 300,000 warrants had been exercised.

**Table of Contents****Summary Financial Data**

You should read the following information together with Selected Financial Information, Management's Discussion and Analysis of Financial Condition and Results of Operations, and our financial statements and the related notes included in this prospectus. Our historical results are not necessarily indicative of our results for any future period.

	Year Ended December 31,			Three Months Ended March 31,

- (a) Represents real estate operating revenue less:  
property operating expenses,  
general and administrative expense,  
severance expense, and  
impairment of deferred rents receivable.
- (b) Includes a gain of \$1,156,445 (\$0.24 per diluted share) recognized on the sale of non-core office buildings in Appleton, Wisconsin and Odessa, Texas.
- (c) Includes a gain of \$2,556,839 (\$1.02 per diluted share) recognized on the sale of our four self-storage facilities.
- (d) Includes a gain of \$720,712 (\$0.38 per diluted share) recognized on the sale of our industrial/showroom property.

**Table of Contents**

**RISK FACTORS**

*The purchase of shares of our common stock involves a high degree of risk. Before purchasing shares, you should read this entire prospectus and consider the following factors concerning AmeriVest in addition to the other information in this prospectus.*

**Our floating rate debt subjects us to interest rate risk.**

As of May 31, 2002, more than 50% of our total property debt was at floating rates ranging from 190 to 250 basis points over LIBOR. We have fixed the interest rates on most of this debt through 2002 and are attempting to refinance this indebtedness prior to the end of 2002 with a new lender. Should short-term interest rates rise significantly prior to our completion of our refinancing or should we be unable to refinance or otherwise fix the interest rates on this debt beyond 2002, our cost of debt service could increase dramatically in 2003 and beyond. Our current weighted-average interest rate on this floating rate debt is under 5%. Most of this debt is due in 2003 and 2004. Increases in interest rates could increase our interest expense, which would adversely affect net earnings and cash available for payment of our debt obligations and distributions to our stockholders.

**Our debt level may have a negative impact on our income and asset value.**

We have incurred indebtedness in connection with the acquisition of our properties, and we may incur new indebtedness in the future in connection with our acquisition, development and operating activities. As a result of our use of debt, we will be subject to the risks normally associated with debt financing, including:

- that our cash flow will be insufficient to make required payments of principal and interest;
- that we will be unable to refinance some or all of our indebtedness;
- that any refinancing will not be on terms as favorable as those of the existing indebtedness;
- that required payments on mortgages and on our other indebtedness are not reduced if the economic performance of any property declines;
- that debt service obligations will reduce funds available for distribution to our stockholders; and
- that any default on our indebtedness could result in acceleration of those obligations.

If the economic performance of any of our properties declines, our ability to make debt service payments would be adversely affected. If a property is mortgaged to secure payment of indebtedness and we are unable to meet mortgage payments, we may lose that property to lender foreclosure with a consequent loss of income and asset value.

We do not have a policy limiting the amount of debt that we may incur. Accordingly, our management and Board of Directors have discretion to increase the amount of our outstanding debt at any time. Our total liabilities to total market capitalization ratio of 61% at March 31, 2002 exceeds those normally carried by our competitors and REITs in general. Our higher leverage levels may make it difficult to obtain any additional financing based on our current portfolio or to refinance existing debt on favorable terms or at all. Our high leverage levels also may adversely affect the market value of our stock if we are perceived as more risky than our peers.

**Table of Contents**

**We face a strong competitive market, which could limit our ability to lease our properties or secure attractive investment opportunities.**

Our business strategy contemplates expansion through acquisition. The commercial real estate industry is highly competitive, and we compete with substantially larger companies, including substantially larger REITs, for the acquisition, development and operation of properties. Some of these companies are national or regional operators with far greater resources than we have. As a result, we may not be able or have the opportunity to make suitable investments on favorable terms in the future. Competition in a particular area also could adversely affect our ability to lease our properties or to increase or maintain rental rates. Thus, the presence of these competitors may impede the continuation and development of our business.

The net proceeds from the offering will have no specific designated use. To the extent that we decide to use some or all of the proceeds to acquire new properties, there can be no assurance that we will be able to locate acquisition properties that meet our acquisition criteria and, if not, our funds from operations per share would be adversely affected.

**We may not be able to pay dividends to our stockholders regularly.**

Our ability to pay dividends in the future depends on our ability to operate profitably and to generate cash from our operations in excess of debt service obligations. The payment of dividends is in the sole discretion of our board of directors. We cannot guarantee that we will be able to pay dividends consistently with historical payments.

**We may incur tax liabilities if we fail to qualify as a REIT.**

We believe that we have been organized and operated so as to qualify as a REIT under the Internal Revenue Code of 1986, as amended, since our taxable year ended December 31, 1996. However, we cannot assure you that we will continue to be qualified as a REIT. Qualification as a REIT involves the application of highly technical and complex Internal Revenue Code provisions for which there are only limited judicial or administrative interpretations. The determination of various factual matters and circumstances not entirely within our control may affect our ability to qualify as a REIT. In addition, legislation, new regulations, administrative interpretations or court decisions may significantly change the requirements for qualification as a REIT or the federal income tax consequences of that qualification.

In order to qualify as a REIT, at all times during the second half of each taxable year following our first taxable year, no more than 50% in value of our shares may be owned, directly or indirectly and by applying constructive ownership rules, by five or fewer individuals, including some tax-exempt entities. Our bylaws provide restrictions regarding the transfer of shares, including a 9.0% limitation on the ownership of our shares by any stockholder, that are intended to assist us in continuing to satisfy this share ownership requirement. If the ownership limitation is not enforceable, a stockholder could acquire shares in excess of the 9.0% ownership limit such that more than 50% in value of our shares could be owned by five or fewer individuals, causing us to fail to qualify as a REIT.

If we were unable to qualify as a REIT in any taxable year, we would not be allowed a deduction for distributions to stockholders in computing our taxable income and would be subject to federal income tax on our taxable income at regular corporate rates and possibly to the alternative minimum tax. Unless we are entitled to relief under certain Internal Revenue Code provisions, we also would be disqualified from treatment as a REIT for the four taxable years following the year during which REIT qualification was lost. As a result, the funds available for distribution to our stockholders would be reduced for each of the years involved. In addition, we may incur substantial indebtedness or may liquidate substantial investments in order to pay the resulting federal income tax liabilities if differences in timing exist between the receipt of income and payment of our tax obligations. Although we currently intend to operate in a manner designed to qualify as a REIT, it is possible that future economic, market, legal, tax or other considerations may cause us to revoke our REIT election.

**Table of Contents**

**We may have to borrow money to make required distributions to our stockholders.**

In order to qualify as a REIT, we generally are required each year to distribute to our stockholders at least 90% of our REIT taxable income, excluding any net capital gains. To the extent that we satisfy the distribution requirement, but distribute less than 100% of our taxable income, we will be subject to federal corporate income tax on our undistributed taxable income. In addition, we will be subject to a 4% nondeductible excise tax on the amount, if any, by which certain distributions paid by us with respect to any calendar year are less than the sum of 85% of our ordinary income for that year plus 95% of our capital gain net income for that year plus any undistributed taxable income from prior periods. We intend to make distributions to our stockholders to comply with the 90% distribution requirement and to avoid corporate income tax and the nondeductible excise tax. We may have to borrow funds on a short-term basis to meet the 90% distribution requirement and to avoid corporate income tax and the nondeductible excise tax if differences in timing between taxable income and cash available for distribution exist. Because we already have significant debt obligations and are highly leveraged, we may not be able to borrow these funds at favorable interest rates or at all.

**Some of our buildings are subject to special income tax considerations, which could result in substantial tax liability upon their sale.**

If we sell any of our Sheridan Center buildings before 2006 (ten years after the original acquisition date of the property or the property exchanged for that property), we will be required to pay tax at the highest applicable corporate rate on the excess of the buildings' fair market value at the effective time of our REIT election over its adjusted basis at such time (or, if lesser, the excess of the fair market value of the building at the time of the sale over its adjusted basis at the time of the sale).

Because we used proceeds from a recent sale of an office building in Wisconsin to purchase Sheridan Plaza in an exchange qualifying under Section 1031 of the Internal Revenue Code, we may also be required to hold Sheridan Plaza until 2006 in order to avoid corporate tax on the appreciation of the exchanged property as of the effective date of our REIT election. If we are subject to tax on any such gain at the highest corporate rate, the amount of this corporate tax could be substantial. We may not have sufficient cash available to pay the corporate taxes resulting from the sale of these properties.

**New developments and acquisitions may fail to perform as we expect.**

Over the last few years, we have focused our efforts on the acquisition and redevelopment of multi-tenant office buildings. We intend to continue to selectively develop and acquire office properties. In deciding whether to acquire or develop a particular property, we make assumptions regarding the expected future performance of that property. In particular, we estimate the return on our investment based on expected occupancy and rental rates. If the property is unable to achieve the expected occupancy and rental rates, it may fail to perform as we expected in analyzing our investment. When we acquire a property, we often reposition or redevelop that property with the goal of increasing profitability. Our estimate of the costs of repositioning or redeveloping an acquired property may prove inaccurate, which may result in our failure to meet our profitability goals. Additionally, we may acquire new properties not fully leased and the cash flow from existing operations may be insufficient to pay the operating expenses and debt service associated with that property until the property is fully leased. If one or more of these new properties do not perform as expected or we are unable to successfully integrate new properties into our existing operations, our financial performance may be adversely affected.

**Development and construction risks could adversely affect our profitability.**

We currently are renovating and redeveloping some of our properties and may develop new properties in the future. Our renovation, redevelopment, development and related construction activities may subject us to the following risks:

We may be unable to obtain, or suffer delays in obtaining necessary zoning, land-use, building, occupancy and other required governmental permits and authorizations, which could result in increased costs or our abandonment of these projects.

We may incur construction costs for a property which exceed our original estimates due to increased costs for materials or labor or other costs that we did not anticipate.

## **Table of Contents**

We may not be able to obtain financing on favorable terms, which may make us unable to proceed with our development activities.

We may be unable to complete construction and lease-up of a property on schedule, which could result in increased debt service expense or construction costs.

Additionally, the time frame required for development, construction and lease-up of these properties means that we may have to wait years for a significant cash return. Because we are required to make cash distributions to our stockholders, if the cash flow from operations or refinancing is not sufficient, we may be forced to borrow additional money to fund such distributions.

### **Failure to succeed in new markets may limit our growth.**

We may make selected acquisitions outside our current market areas from time to time as appropriate opportunities arise. Our historical experience is in Colorado, Indiana, Arizona and Texas, and we may not be able to operate successfully in other market areas new to us. We may be exposed to a variety of risks if we choose to enter into new markets. These risks include:

- a lack of market knowledge and understanding of the local economies;
- an inability to identify acquisition or development opportunities;
- an inability to obtain construction trades people; and
- an unfamiliarity with local government and permitting procedures.

Any of these factors could adversely affect the profitability of projects outside our current markets and limit the success of our acquisition and development strategy.

### **Real estate investments are inherently risky, which could adversely affect our profitability and our ability to make distributions to our stockholders.**

Real estate investments are subject to varying degrees of risk. If we acquire or develop properties and they do not generate sufficient operating cash flow to meet operating expenses, including debt service, capital expenditures and tenant improvements, our income and ability to pay dividends to our stockholders will be adversely affected. Income from properties may be adversely affected by:

- decreases in rent rates due to competition or other factors;
- changes in economic conditions;
- increases in operating costs such as real estate taxes, insurance premiums, site maintenance and utilities;
- changes in interest rates and the availability of financing; and
- changes in laws and governmental regulations, including those governing real estate usage, zoning and taxes.

### **Future terrorist attacks in the United States may result in declining economic activity, which could reduce the demand for and the value of our properties.**

Future terrorist attacks in the United States, such as the attacks that occurred in New York and Washington, D.C. on September 11, 2001, and other acts of terrorism or war, may result in declining economic activity and reduced demand for our properties. A decrease in demand would make it difficult for us to renew or release our properties at lease rates equal to or above historical rates. Terrorist activities also could directly impact the value of our properties through damage, destruction or loss. To the extent that our tenants are impacted by future attacks, their businesses similarly could be adversely affected, including their ability to continue to honor obligations under their existing leases.

## **Table of Contents**

These types of events also may adversely affect the markets in which our securities trade. These acts may cause further erosion of business and consumer confidence and spending and may result in increased volatility in national and international financial markets and economies. Any one of these events may cause a decline in the demand for real estate, delay the time in which our new or renovated properties reach stable occupancy, increase our operating expenses due to increased physical security and insurance costs for our properties and limit our access to capital or increase our cost of raising capital.

### **General economic conditions may adversely affect our financial condition and results of operations.**

Periods of economic slowdown or recession in the United States and in other countries, rising interest rates or declining demand for real estate, or the public perception that any of these events may occur, could result in a general decline in rents or an increased incidence of defaults by our tenants under existing leases, which would adversely affect our financial position, results of operations, cash flow, trading price of our common stock and ability to satisfy our debt service obligations and to make distributions to our stockholders.

### **Unfavorable changes in local market and economic conditions could hurt occupancy or rental rates.**

Currently, our properties are located in Colorado, Indiana, Arizona and Texas. Economic conditions in our local markets may significantly affect occupancy and rental rates. Occupancy and rental rates, in turn, may significantly affect our profitability and our ability to satisfy our financial obligations. The economic condition of our local markets may depend on one or more industries and, therefore, an economic downturn in one of these industry sectors may adversely affect our performance in that market. Local real estate market conditions may include a large supply of competing space, and we will need to compete for tenants based on rental rates, attractiveness and location of a property, and quality of maintenance and management services.

### **We are subject to the credit risk of our tenants, which could result in lease payments not being made and a significant decrease in our revenues.**

We are subject to the credit risk of our tenants. We cannot assure you that our tenants will not default on their leases and fail to make rental payments to us. In particular, local economic conditions and factors affecting the industries in which our tenants operate may affect our tenants ability to make lease payments to us. Moreover, we may be unable to locate a replacement tenant in a timely manner or on comparable or better terms if a tenant defaults on its lease. The loss of rental revenues from a number of our tenants may adversely affect our profitability and our ability to meet our financial obligations.

### **We may be unable to renew leases or re-lease space on a timely basis or on comparable or better terms, which could significantly decrease our revenues.**

Current tenants may not renew their leases upon the expiration of their terms. Alternatively, current tenants may attempt to terminate their leases prior to the expiration of their current terms. If non-renewals or terminations occur, we may not be able to locate a qualified replacement tenant and, as a result, we would lose a source of revenue while remaining responsible for the payment of our obligations. Moreover, the terms of a renewal or new lease may be less favorable than current lease terms.

### **Loss of a significant tenant could lead to a substantial decrease in our cash flow.**

Although we target tenants seeking 2,000 to 4,000 square feet of office space, we may have several significant tenants from time to time, the loss of any of which could adversely affect our cash flow. In August 2001, Rhythms NetConnections, Inc., the primary tenant in our Panorama Falls building in Englewood, Colorado, filed for reorganization under Chapter 11 of the Bankruptcy Code. In November 2001, we agreed to terminate the lease with Rhythms and apply a security deposit of \$335,000 against future lease payments. The rental revenue related to Rhythms was approximately \$611,000 and \$480,000 for the years ended December 31, 2001 and 2000, respectively, which was approximately 5.6% and 6.6% of our total rental revenue for the respective periods. On December 6, 2001, we completed the sale of an 80% interest in the Panorama Falls building.

## **Table of Contents**

Currently, thirteen of our office buildings are leased to various agencies of the State of Texas. Although each of these leases includes a specific termination date, the State of Texas may terminate a lease at any time state appropriated funds necessary to pay the required rents are unavailable or federally-funded programs are curtailed. If the State of Texas were to terminate or fail to renew a lease, it may be difficult for us to locate another tenant on a timely basis or on comparable or better terms, especially for those buildings located in smaller cities and more remote locations. On occasion, the State of Texas may elect not to renew leases with us upon termination. We were not the successful bidder in a recent request by the Texas Department of Human Services for a new lease on our Clint, Texas building, which provided for an annual gross rent of \$125,676. The lease on this building terminated November 30, 2001. Subsequent to December 31, 2001, we began negotiations with the Town of Clint for a long-term lease of the building. In addition, the lease on our Paris, Texas building, which provides for an annual gross rent of \$208,376 expires on August 31, 2002 and we believe the State of Texas will not renew.

### **Our uninsured and underinsured losses could result in loss of value of our properties.**

There are certain types of losses, generally of a catastrophic nature, such as earthquakes and floods, that may be uninsurable or not economically insurable, as to which our facilities are at risk in their particular locations. Our management will use its discretion in determining amounts, coverage limits and deductibility provisions of insurance, with a view to requiring appropriate insurance on our investments at a reasonable cost and on suitable terms. These decisions may result in our having insurance coverage that, in the event of a substantial loss, would not be sufficient to repay us for the full current market value or current replacement cost. Also, due to inflation, changes in codes and ordinances, environmental considerations, and other factors, it may not be feasible to use insurance proceeds to replace a building after it has been damaged or destroyed. Generally, our insurance does not cover acts of war or terrorist attacks. As a result of the September 11 attacks, we believe that the cost of our insurance may increase.

### **Sheridan Realty Advisors and its affiliates have significant influence over our company.**

Entities affiliated with Sheridan Realty Advisors, our former external administrator, and members of our Board of Directors and management who also are affiliated with Sheridan Realty Advisors collectively beneficially own approximately 25% of our common stock. As a result, these individuals and entities acting together would be able to exert significant influence over us through their ability to influence the election of directors and all other matters that require action by our stockholders. The voting power of these individuals and entities could have the effect of preventing or delaying a change in control of our company which they oppose even if our other stockholders believe it is in their best interests. In addition, all of our executive officers are principals of Sheridan Realty Advisors and related entities and, thus, these Sheridan affiliates have the ability to influence the day-to-day operations of our company. Sheridan Realty Advisors continues to act as our outside advisor with respect to capital market activities, real estate acquisitions and dispositions and major capital projects and continues to earn an advisory and capital project fee for those services.

### **Conflicts of interest may result in decisions not in your best interest.**

All of our executive officers and three of our directors have been officers, directors or investors in various real estate investment companies that are related to Sheridan Realty Advisors. We maintain an advisory agreement with Sheridan Realty Advisors and purchased our interests in Sheridan Plaza at Inverness and Keystone Office Park from entities affiliated with Sheridan Realty Advisors. In addition, another affiliate of these officers and directors, Sheridan Investments, LLC, has extended us a line of credit. The terms of these agreements were not negotiated on an arm's-length basis.

**Table of Contents**

**The success of our company depends on the continuing contributions of our key personnel.**

We have a highly skilled management team and specialized workforce managing our properties. All of our executive officers are principals of Sheridan Realty Advisors. Three of these executive officers became our employees as of January 1, 2002 as a result of our purchasing the administrative and property management and accounting services business from Sheridan Realty Advisors. We do not have employment agreements with any of our executive officers or key employees and, thus, any executive officer or key employee may terminate his or her relationship with us at any time.

**There is limited liquidity in our real estate investments, which could limit our flexibility.**

Real estate investments are relatively illiquid. Our ability to vary our portfolio in response to changes in economic and other conditions will be limited. We may not be able to dispose of an investment when we find disposition advantageous or necessary, and the sale price of any disposition may not recoup or exceed the amount of our investment. In addition, federal tax laws limit our ability to sell properties that we have owned for fewer than four years, and this may affect our ability to sell properties without adversely affecting returns to our stockholders.

**There is a limited market for our common stock, which could hinder the ability of our stockholders to sell our shares.**

Historically, there has been extremely limited trading volume for our common stock. Our equity market capitalization places us at the extreme low end of market capitalization among all REITs. Because of our small market capitalization, substantially all of our investors are individuals. We cannot assure you that the market for our common stock will remain at current levels or expand. Due to our limited trading volume and small market capitalization, many investors may not be interested in owning our securities because of the inability to acquire or sell a substantial block of our stock at one time. This illiquidity could have an adverse effect on the market price of our common stock. In addition, a stockholder may not be able to borrow funds using our common stock as collateral because lenders may be unwilling to accept the pledge of securities having such a limited market. Any substantial sale of our securities could have a material adverse effect on the market price of our common stock.

**We may suffer environmental liabilities which could result in substantial costs.**

Under various environmental laws, a current or previous owner or operator of real property may be liable for the costs of removal or remediation of hazardous or toxic substances, including asbestos-containing materials that are located on or under the property. These laws often impose liability whether the owner or operator knew of, or was responsible for, the presence of those substances. In connection with our ownership and operation of properties, we may be liable for these costs, which could be substantial. Also, our ability to arrange for financing secured by that real property might be adversely affected because of the presence of hazardous or toxic substances or the failure to properly remediate any contamination. In addition, we may be subject to claims by third parties based on damages and costs resulting from environmental contamination at or emanating from our properties. In particular, two lawsuits have been filed against our AmeriVest Properties Texas Inc. subsidiary alleging that our Mission, Texas property is contaminated with airborne contaminants. Our insurance company is defending us in these lawsuits. These lawsuits, or similar lawsuits, if adversely determined, could have a material adverse effect on our business and financial condition, and we cannot assure you that other lawsuits will not be filed against us with respect to this building or our other buildings. We incurred costs of approximately \$37,000 to monitor and evaluate the adequacy of the air quality in our Mission, Texas building.

After the acquisition of the Sheridan Center buildings, we embarked on an asbestos remediation program in accordance with applicable federal and state requirements, using licensed contractors to remove, wherever accessible or otherwise required, asbestos-containing materials in the buildings, including ceiling tiles, drywall

## **Table of Contents**

joint compound, wood and metal fire doors, wall texture, mudded pipe elbows and valves, thermal systems insulation, floor tile and mastic and boiler insulation. Most of the remediation has been completed, except for one building, which is expected to be completed over the next few years as tenants vacate spaces, allowing access to the asbestos materials. Through March 31, 2002, we had incurred approximately \$272,000 in asbestos remediation costs. We plan to spend an additional \$380,000 over the next few years to remediate tenant spaces as they become vacant. We cannot assure you that we will not incur additional costs for remediation or that lawsuits will not be filed as a result of this condition.

### **Non-compliance with the Americans with Disabilities Act could result in compliance costs and fines.**

Under the Americans with Disabilities Act of 1990, or the ADA, all public accommodations are required to meet certain federal requirements related to physical access and use by disabled persons. A determination that we are not in compliance with the ADA could require capital expenditures to remove access barriers and non-compliance could result in the imposition of fines or an award of damages to private litigants. If we were required to make modifications to comply with the ADA or other governmental rules and regulations, our ability to make expected distributions to our stockholders could be adversely affected.

### **The ability of our stockholders to control our policies or effect a change in control of our company is limited, which may not be in our stockholders' best interests.**

*Charter and Bylaws Provisions.* Some provisions of our charter and bylaws may delay or prevent a change in control of our company or other transactions that could provide our common stockholders with a premium over the then-prevailing market price of our common stock or that might otherwise be in the best interests of our stockholders. These provisions include:

*Classified Board of Directors and size of Board fixed within range; removal of directors only for cause.* Our Board of Directors is divided into three classes with staggered terms of office. The total number of directors is fixed by a majority vote of the Board of Directors within a range of a minimum of three and a maximum of nine. Directors may only be removed for cause. These provisions may make it more difficult for a third party to gain control of our Board of Directors. At least two annual meetings of stockholders, instead of one, generally would be required to effect a change in a majority of our Board of Directors, and the number of directors cannot be increased above the maximum number of directors specified in our charter without board and stockholder approvals.

*Two-thirds stockholder vote required to approve some amendments to the charter.* Some amendments to our charter must be approved by the affirmative vote of stockholders holding at least 66 2/3% of the outstanding shares of our common stock, voting together as a single class. These voting requirements may make amendments to our charter that stockholders believe desirable more difficult to effect.

*Issuance of preferred stock without stockholder approval.* Our Board of Directors has the ability to authorize the issuance of preferred stock without stockholder approval and to set or change the designation, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications, or terms or conditions of redemption of the preferred stock. Our Board of Directors could therefore authorize series of preferred stock that may have voting provisions that could delay or prevent a change in control or other transaction that might involve a premium price or otherwise be in the best interests of our stockholders.

*Ownership Limit.* In order to assist us in maintaining our qualification as a REIT, our bylaws contain provisions generally limiting the ownership of shares of our capital stock by any single stockholder to 9.0% of our outstanding shares, unless waived by our Board of Directors. These provisions could also delay or prevent an acquisition or change in control of our company that could benefit our stockholders. In 2001, our Board granted a one-time waiver of this restriction in order to allow the exercise of warrants by Jerry Tepper, a director who beneficially owned or controlled approximately 4% of our outstanding shares as of June 11, 2002 taking into account the shares acquired pursuant to the exercise

**Table of Contents**

of such warrants. In April of 2002, our Board granted waivers allowing William Atkins and Alexander Hewitt, directors who beneficially owned or controlled approximately 8% and 6%, respectively, of our outstanding shares as of June 11, 2002, to beneficially own up to 12.0% and 10.0%, respectively, of our outstanding shares. In connection with these waivers, our Board also reduced the ownership limitation from 9.8% to 9.0%, as described above, so as to assist us in our continued qualification as a REIT. Sheridan Investments, LLC has also been granted a waiver by our Board allowing it to beneficially own up to 19.0% of our outstanding shares. For REIT qualification purposes, our outstanding shares that are owned by Sheridan Investments, LLC are treated as if such shares were owned by the members of Sheridan Investments, LLC in proportion to their respective membership interests. Sheridan Investments, LLC has represented to us that no individual will be treated as beneficially owning shares of our capital stock in excess of the 9.0% ownership limitation (except for Messrs. Atkins and Hewitt, who will not be treated as owning more than 12.0% and 10.0%, respectively, of our outstanding shares) as a result of Sheridan Investments, LLC owning up to 19.0% of our outstanding shares.

*Maryland Business Statutes.* As a Maryland corporation, we are subject to the provisions of the Maryland General Corporation Law. Maryland law imposes restrictions on some business combinations and requires compliance with statutory procedures before some mergers and acquisitions can occur. These provisions of Maryland law may have the effect of discouraging offers to acquire us even if the acquisition would be advantageous to our stockholders. These provisions include:

*Unsolicited takeover provisions.* Maryland law provides that the Board of Directors of a Maryland corporation is not subject to higher duties with regard to actions taken in a takeover context. These provisions may make it more difficult to effect an unsolicited takeover of a Maryland corporation. Maryland law also allows publicly held corporations with at least three independent trustees to elect to be governed by all or any part of Maryland law provisions relating to extraordinary actions and unsolicited takeovers.

*Business combination with interested stockholders.* The Maryland Business Combination Act provides that, unless exempted, a Maryland corporation may not engage in business combinations, including mergers, dispositions of 10% or more of its assets, issuance of shares and other specified transactions, with an interested stockholder or its affiliates, for five years after the most recent date on which the interested stockholder became an interested stockholder and thereafter unless specified criteria are met.

*Control share acquisition.* The Maryland Control Shares Acquisition Act provides that shares acquired by any person over one-tenth, one-third and a majority of the voting power of a corporation do not have voting rights, except to the extent approved by the vote of two-thirds of the votes entitled to be cast on the matter.

*Other constituencies.* Maryland law expressly authorizes a Maryland corporation to include in its charter a provision that allows the Board of Directors to consider the effect of a potential acquisition of control on stockholders, employees, suppliers, customers, creditors and communities in which offices or other establishments of the corporation are located. Our current charter does not include a provision of this type. Maryland law also provides, however, that the inclusion or omission of this type of provision in the charter of a Maryland corporation does not create an inference concerning factors that may be considered by the Board of Directors regarding a potential acquisition of control. This law may allow our Board of Directors to reject an acquisition proposal even though the proposal was in the best interests of our stockholders.

*Other Maryland laws.* Maryland law also permits the board of directors of a REIT, without stockholder approval, and even if contrary to a company's bylaws or charter, to classify the board of directors, require a two-thirds vote for the removal of directors and give the board sole power to fill board vacancies occurring for any reason.

**Table of Contents**

**Our independent public accountant may become unable to provide audit-related services.**

Our independent public accountant, Arthur Andersen, has informed us that on March 14, 2002, it was indicted on federal obstruction of justice charges arising from the government's investigation of Enron Corporation. Arthur Andersen has indicated that it intends to contest vigorously the indictment. Our Audit Committee has been carefully monitoring this situation. As a public company, we are required to file with the SEC periodic financial statements audited or reviewed by an independent, public accountant. The SEC has said that it will continue accepting financial statements audited by Arthur Andersen, and interim financial statements reviewed by it, so long as Arthur Andersen is able to make certain representation to its clients. Our access to the capital markets and our ability to make timely SEC filings could be impaired if the SEC ceases accepting financial statements audited or reviewed by Arthur Andersen, if Arthur Andersen becomes unable to make the required representations to us or if for any other reason Arthur Andersen is unable to perform required audit-related services for us.

**FORWARD-LOOKING STATEMENTS**

This prospectus includes forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act of 1933, as amended. All statements other than statements of historical facts included in or incorporated by reference into this annual report, including statements regarding our expected financial position, business strategy, plans and objectives of management for future operations, expected capital expenditures, expected funding sources, planned investments and forecasted dates, are forward-looking statements. These forward-looking statements are based on our current expectations, beliefs, assumptions, estimates and projections about the industry and markets in which we operate. Words such as expects, anticipates, intends, plans, believes, seeks, estimates, variations of such words and similar expressions are often used to identify forward-looking statements. Although we believe that the expectations and assumptions reflected in the forward-looking statements are reasonable, these statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions, which are difficult to predict and many of which are beyond our control. Therefore, actual outcomes and results may differ materially from what is expressed, forecasted or implied in such forward-looking statements. We undertake no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.

**USE OF PROCEEDS**

The net proceeds to us from the issuance of 135,800 shares of our common stock upon the exercise of the related warrants will be \$679,000. The net proceeds will be used for general corporate purposes.

**Table of Contents****MARKET FOR COMMON STOCK AND DIVIDENDS**

Our common stock has traded on the American Stock Exchange under the symbol **AMV** since January 27, 2000. From our initial public offering in November 1996 until our listing on the American Stock Exchange, our common stock traded on the Nasdaq SmallCap Stock Market under the symbol **AMVP**. The warrants issued in our initial public offering were traded on the Nasdaq SmallCap Stock Market under the symbol **AMVPW** until November 20, 2000 when they expired without being exercised.

The table below presents the range of high and low sale prices for our common stock during each of the quarters indicated, as reported by the American Stock Exchange and Nasdaq SmallCap Stock Market and the cash dividends per share declared with respect to those quarters:

<u>Quarter Ended</u>	<u>Common Stock</u>		<u>Dividend Per Share</u>
	<u>High</u>	<u>Low</u>	
<b>2000</b>			
March 31, 2000	\$ 4.750	\$ 3.313	\$ 0.120
June 30, 2000	4.750	3.875	0.120
September 30, 2000	5.125	4.250	0.125
December 31, 2000	4.875	4.250	0.125(1)
<b>2001</b>			
March 31, 2001	5.950	4.250	0.125
June 30, 2001	6.200	4.850	0.125
September 30, 2001	6.200	5.200	0.125
December 31, 2001	6.000	5.050	0.125(1)
<b>2002</b>			
March 31, 2002	6.550	5.450	0.125
Through June 11, 2002	6.450	5.560	0.125(2)

(1) Declared in the fourth quarter and paid in the first quarter of the following year.

(2) Declared on June 10, 2002 and to be paid July 16, 2002.

On June 10, 2002, the closing sale price for our common stock was \$6.08 per share, as reported by the American Stock Exchange. On June 4, 2002, we had approximately 282 stockholders of record. As of June 7, 2002, we had approximately 3,832 beneficial stockholders. The information concerning beneficial owners is based on information provided by brokers and depositories who hold shares in their names on behalf of others.

**Dividend Policy**

Since our initial public offering in November 1996, we have paid a dividend each quarter. We intend to pay quarterly dividends in the future. Future dividends will be at the discretion of our Board of Directors and will depend on a number of factors, including our operating results and financial condition. We cannot assure you that any dividends will be paid or that we will maintain our historical level of dividends.

**Table of Contents****SELECTED FINANCIAL INFORMATION**

The selected consolidated financial data set forth below should be read in conjunction with Management's Discussion and Analysis of Financial Condition and Results of Operations, our consolidated historical financial statements and the related notes, and the other information included in this prospectus. The selected financial data for each of the three years in the period ended December 31, 2001 is derived from the consolidated financial statements of AmeriVest, which have been audited by Arthur Andersen LLP for the years ended December 31, 2001 and 2000 and by Wheeler Wasoff, P.C. for the year ended December 31, 1999, each of whom are independent public accountants. The selected financial data for the three months ended March 31, 2002 and 2001 is derived from our unaudited consolidated financial statements. The selected data provided below is not necessarily indicative of the future results of operations or financial performance of AmeriVest and should be reviewed in conjunction with our consolidated financial statements, accompanying notes, and selected financial data presented elsewhere in this prospectus.

	Year Ended December 31,			Three Months Ended March 31,

- (a) Represents real estate operating revenue less:  
property operating expenses,  
general and administrative expense,  
severance expense, and impairment of deferred rents receivable

**Table of Contents**

- (b) Includes a gain of \$1,156,445 (\$0.24 per diluted share) recognized on the sale of non-core office buildings in Appleton, Wisconsin and Odessa, Texas.
- (c) Includes a gain of \$2,556,839 (\$1.02 per diluted share) recognized on the sale of our four self-storage facilities.
- (d) Includes a gain of \$720,712 (\$0.38 per diluted share) recognized on the sale of our industrial/showroom property.
- (e) The White Paper on Funds from Operations approved by the Board of Governors of the National Association of Real Estate Investment Trusts, or NAREIT, in March 1995 defines Funds from Operations, or FFO, as net income (loss), computed in accordance with generally accepted accounting principals, or GAAP, excluding gains (or losses) from debt restructuring and sales of properties, plus real estate related depreciation and amortization and after adjustments for unconsolidated partnerships and joint ventures. In November 1999, NAREIT issued a National Policy Bulletin effective January 1, 2000 clarifying the definition of FFO to include all operating results, both recurring and non-recurring, except those defined as extraordinary under GAAP. In accordance with this NAREIT Bulletin, we no longer adjust for the amortization of deferred financing costs when calculating FFO. We believe that FFO is helpful to investors as a measure of the performance of an equity REIT because, along with cash flow from operating activities, financing activities and investing activities, it provides investors with an indication of our ability to incur and service debt, to make capital expenditures and to fund other cash needs. We compute FFO in accordance with standards established by NAREIT, which may not be comparable to FFO reported by other REITs that do not define the term in accordance with the current NAREIT definition or that interpret the current NAREIT definition differently than we do. FFO does not represent cash generated from operating activities in accordance with GAAP, nor does it represent cash available to pay distributions and should not be considered as an alternative to net income, determined in accordance with GAAP, as an indication of our financial performance or to cash flow from operating activities, determined in accordance with GAAP, as a measure of our liquidity, nor is it indicative of funds available to fund our cash needs, including our ability to make cash distributions.

**Table of Contents****MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION  
AND RESULTS OF OPERATIONS**

The following is a discussion and comparison of the financial condition and results of operations of AmeriVest as of and for the years ended December 31, 2001 and 2000 and the quarters ended March 31, 2002 and 2001. These discussions should be read in conjunction with our financial statements, the notes to the financial statements, and the other financial data included in this prospectus.

**Results of Operations**

*Comparison of the three months ended March 31, 2002 to the three months ended March 31, 2001:*

	<b>Three Month Periods Ended March 31,</b>		
	<b>2002</b>	<b>2001</b>	<b>Change</b>
Rental revenue	\$ 3,626,052	\$ 1,979,081	\$ 1,646,971
Property operating expenses:			
Operating expenses	886,095	586,649	299,446
Real estate taxes	367,023	147,980	219,043
Management fees	28,062	101,301	(73,239)
General and administrative expenses	352,308	162,945	189,363
Interest expense	898,356	595,476	302,880
Depreciation and amortization expense	684,930	341,055	343,875
	<u>3,216,774</u>	<u>1,935,406</u>	<u>1,281,368</u>
Other income:			
Interest income	2,081	11,738	(9,657)
Equity in loss of unconsolidated affiliates	(20,397)	(10,843)	(9,554)
	<u>(18,316)</u>	<u>895</u>	<u>(19,211)</u>
Net income	<u>\$ 390,962</u>	<u>\$ 44,570</u>	<u>\$ 346,392</u>

*Rental Revenue*

The increase in rental revenue is due primarily to the inclusion of the operations of Sheridan Plaza at Inverness, LLC, which was acquired in April 2001, Arrowhead Fountains, which was acquired in November 2001, and the Kellogg Building, which was acquired in December 2001, offset by the exclusion of the operations of the Giltedge building, which was sold in June 2001, and the Panorama Falls building, 80% of which was sold in December 2001.

*Property Operating Expenses*

Operating expenses and real estate taxes increased as a result of the above-mentioned transactions.

The decrease in management fees is due to our acquisition of Sheridan Realty Advisors, LLC's administrative and property management and accounting services business, along with elimination of those related fees, effective January 1, 2002. As a result, most of Sheridan Realty Advisors' employees became our employees and manage our day-to-day operations, and we became a self-administered REIT. Subsequent to January 1, 2002, management fees will decrease and general and administrative expenses will increase due to us being internally managed versus externally managed in 2000 and 2001.

*General and Administrative Expenses*

The increase in general and administrative expenses is due to the above-mentioned acquisition of Sheridan Realty Advisors' administrative and property management and accounting services business.

**Table of Contents***Interest Expense*

The increase in interest expense is due to the increase in debt outstanding at March 31, 2002 by approximately 103% from the prior year. The effect of the increase in debt level is partially offset by a decrease in interest rates, which resulted in lower interest costs on our variable rate debt.

*Depreciation and Amortization Expense*

The increase in depreciation and amortization expense is due to the overall increase in depreciable assets resulting from the acquisitions discussed above.

*Interest Income*

Interest income decreased due to lower average outstanding cash balances and lower interest rates during the first quarter of 2002.

*Equity in Loss of Unconsolidated Affiliates*

The equity in loss of our unconsolidated affiliate recognized in 2002 represents our share of the net loss of Panorama Falls. We sold 80% of its interest in Panorama Falls in December 2001, retaining its current 20% interest.

The amount recognized in 2001 represents our share of the net loss of Sheridan Investments, LLC (which owned Sheridan Plaza at Inverness, LLC). We acquired the original 9.639% interest in Sheridan Investments, LLC in September 2000. This interest was then used as partial consideration for the acquisition of 100% of Sheridan Plaza at Inverness, LLC in April 2001.

*Comparison of the year ended December 31, 2001 with the year ended December 31, 2000:*

	Year Ended December 31,		
	2001	2000	Change
Rental revenue	\$ 10,944,383	\$ 7,222,437	\$ 3,721,946
Property operating expenses:			
Operating expenses	2,643,448	1,946,633	696,815
Real estate taxes	1,132,819	668,224	464,595
Management fees	523,687	344,636	179,051
General and administrative expense	677,845	517,019	160,826
Severance expense		255,442	(255,442)
Impairment of deferred rents receivable	326,113		326,113
Interest expense	3,181,697	2,167,869	1,013,828
Depreciation and amortization expense	2,244,435	1,205,795	1,038,640
	<u>10,730,044</u>	<u>7,105,618</u>	<u>3,624,426</u>
Other income:			
Interest income	135,075	55,874	79,201
Equity in loss of unconsolidated affiliates	(17,366)	(52,808)	(35,442)
	<u>117,709</u>	<u>3,066</u>	<u>114,643</u>
Income before gain on sales of real estate	<u>332,048</u>	<u>119,885</u>	<u>212,163</u>
Gain on sales of real estate	1,156,445	2,556,839	(1,400,394)
Net income	<u>\$ 1,488,493</u>	<u>\$ 2,676,724</u>	<u>\$ (1,188,231)</u>

## **Table of Contents**

### *Rental Revenue*

The increase in rental revenue is due primarily to the inclusion of the operations of the Sheridan Center office complex which was acquired in August 2000 and Sheridan Plaza at Inverness, LLC, which was acquired in April 2001, offset by the exclusion of the operations of the four self-storage facilities which were sold in August 2000 and the Giltedge building which was sold in June 2001. The acquisition of Arrowhead Fountains in November 2001 and the Kellogg Building in December 2001, offset by the sale of the 80% interest in Panorama Falls in December 2001, also contributed to the net increase in rental revenue. Rental revenue for 2001 also included approximately \$285,000 attributable to increased property taxes at Sheridan Plaza at Inverness, which were passed through to the tenants in accordance with their leases.

### *Property Operating Expenses*

Operating expenses, real estate taxes and management fees increased as a result of the above-mentioned transactions. Operating expenses also increased in 2001 due to planned maintenance projects, increased utility costs and increased property taxes at Sheridan Plaza at Inverness.

### *General and Administrative Expense*

The increase in general and administrative expenses is due to the above-mentioned transactions as well as costs related to our continued growth.

### *Severance Expense*

The severance expense recognized in 2000 was in accordance with a separation agreement between us and a former officer.

### *Impairment of Deferred Rents Receivable*

During the second quarter of 2001, we recorded an impairment of a deferred rents receivable from a significant tenant, Rhythms NetConnections, Inc., which filed for reorganization under Chapter 11 of the U.S. Bankruptcy Code. We reached an agreement with Rhythms to terminate its lease effective November 1, 2001. See the discussion in the *Liquidity and Capital Resources* section.

### *Interest Expense*

The increase in interest expense is due to the increase in debt outstanding at December 31, 2001 by approximately 108% from the prior year as a result of property acquisitions. The effect of the increase in debt level is partially offset by a decrease in interest rates, which results in lower interest costs on our floating rate debt.

### *Depreciation and Amortization Expense*

The increase in depreciation and amortization is due to the overall increase in depreciable assets due to the previously mentioned transactions and the continued redevelopment of Sheridan Center. The 2001 amount also includes the accelerated amortization of a lease commission related to the Rhythms lease that was recorded in the second quarter in the amount of \$323,447.

### *Interest Income*

Interest income increased due to higher outstanding cash balances in 2001 resulting from our public offering of approximately 2.3 million shares of common stock in July 2001.

**Table of Contents***Equity in Loss of Unconsolidated Affiliates*

The equity in losses of our unconsolidated affiliates recognized in 2001 represents our share of the net loss of Sheridan Investments, LLC (which owned Sheridan Plaza at Inverness, LLC) and Panorama Falls. We acquired a 9.639% interest in Sheridan Investments, LLC in September 2000. We acquired 100% of the interests of Sheridan Plaza at Inverness, LLC in April 2001 in exchange for our 9.639% interest in Sheridan Investments, LLC and other consideration. Our 20% interest in Panorama Falls as of December 31, 2001, resulted from our sale of an 80% interest in the property in December 2001.

*Gain on Sales of Real Estate*

The gain recognized in 2001 was a result of the sales of the Giltedge building in the amount of \$1,143,698 and the building in Odessa, Texas in the amount of \$12,747. The gain recognized in 2000 resulted from the sale of the four self-storage facilities.

*Comparison of year ended December 31, 2000 with year ended December 31, 1999:*

	Year Ended December 31,		
	2000	1999	Change
Rental revenue	\$ 7,222,437	\$ 5,976,757	\$ 1,245,680
Property operating expenses:			
Operating expenses	1,946,633	1,636,305	310,328
Real estate taxes	668,224	596,790	71,434
Management fees	344,636	124,111	220,525
General and administrative expense	517,019	657,349	(140,330)
Severance expense	255,442		255,442
Interest expense	2,167,869	1,696,222	471,647
Depreciation and amortization expense	1,205,795	1,033,450	172,345
	<u>7,105,618</u>	<u>5,744,227</u>	<u>1,361,391</u>
Other income:			
Interest income	55,874	15,506	40,368
Equity in loss of unconsolidated affiliates	(52,808)		(52,808)
	<u>3,066</u>	<u>15,506</u>	<u>(12,440)</u>
Income (loss) before gain on sales of real estate	<u>119,885</u>	<u>248,036</u>	<u>(128,151)</u>
Gain on sales of real estate	<u>2,556,839</u>	<u>720,712</u>	<u>1,836,127</u>
Net income	<u>\$ 2,676,724</u>	<u>\$ 968,748</u>	<u>\$ 1,707,976</u>

*Rental Revenue*

The increase in rental revenue is due primarily to the inclusion of the operations of the Keystone Office Park for a full year, together with the operations of Sheridan Center beginning September 1, 2000 and the operations of Panorama Falls beginning May 25, 2000, offset by the elimination of the operations of the Broadway property which was sold on December 13, 1999 and the four self-storage facilities which were sold on August 25, 2000.

*Property Operating Expenses*

Operating expenses, real estate taxes and management fees increased as a result of the above-mentioned transactions. Management fees also increased due to the management agreement with Sheridan Realty Advisors, LLC in 2000 versus internal management in 1999.

## **Table of Contents**

### *General and Administrative Expense*

The decrease in general and administrative expenses decreased due to the management agreement with Sheridan Realty Advisors, LLC in 2000 versus internal management in 1999.

### *Severance Expense*

The severance expense recognized in 2000 was in accordance with a separation agreement between us and a former officer.

### *Interest Expense*

The increase in interest expense is due to the increase in debt outstanding as a result of property acquisitions.

### *Depreciation and Amortization Expense*

The increase in depreciation and amortization is due to the overall increase in depreciable assets due to the previously mentioned transactions.

### *Interest Income*

Interest income increased in 2000 primarily as a result of funds being held in escrow from the sale of the Broadway property for an IRS Section 1031 exchange and the investment of funds from the 1999 stock and warrants offering.

### *Equity in Loss of Unconsolidated Affiliate*

The equity in losses of our unconsolidated affiliate recognized in 2000 represents our share of the net loss of Sheridan Investments, LLC.

### *Gain on Sales of Real Estate*

The gains recognized in 2000 and 1999 were a result of the sales of the four self-storage facilities and industrial office and showroom building, respectively.

## **Liquidity and Capital Resources**

### *Liquidity*

Net cash from operations for the twelve months ended December 31, 2001 was approximately \$3.4 million and for the three months ended March 31, 2002 was approximately \$1.3 million. Those funds are the primary source of liquidity to fund distributions, debt service and capital expenditures. We also have lines of credit totaling \$1.8 million available to assist with our cash needs.

Management believes that the cash flow from our existing properties, together with our existing lines of credit, will be sufficient to meet our working capital needs for the near term.

We desire to acquire additional properties. In order to do so, we will need to raise additional debt or equity capital. We also intend to obtain credit facilities for short and long-term borrowing with commercial banks or other financial institutions. We may be unable to raise additional capital, however the issuance of additional securities or an increase in debt for additional properties could adversely affect the amount of cash available to pay dividends to stockholders.

**Table of Contents***Financing*

Mortgage loans are collateralized by substantially all properties. The following table details the scheduled maturities of mortgages as of March 31, 2002:

2002	\$	396,268
2003		22,362,859
2004		9,654,927
2005		488,010
2006		14,579,886
Thereafter		10,834,765
		<hr/>
Total	\$	58,316,715
		<hr/>

Included in the 2003 maturities is the outstanding balance on the mortgage loan on Panorama Falls in the amount of \$3,036,294. Although we sold 80% of its interest in the property, we have retained 100% of the loan balance on its balance sheet due to our continued obligation. As an offset, we have recorded a receivable for 80% of this amount as due from related party, with the remaining 20% included in the investment in unconsolidated affiliate balance.

As of March 31, 2002, total mortgage loans (including the Panorama Falls mortgage loan) consisted of approximately \$27.1 million of fixed rate debt with a weighted-average interest rate of approximately 7.9% and approximately \$31.2 million of variable rate debt with a weighted-average interest rate of approximately 4.5%. We intend to secure long-term financing at a fixed interest rate to replace certain of our variable rate debt in late 2002.

We have a short-term revolving credit line from a bank in the amount of \$300,000 and a \$1,500,000 short-term unsecured credit line from Sheridan Investments, LLC, a related party. At March 31, 2002, we had an outstanding balance of \$300,000 on the bank line with an interest rate of 5.75%, and no outstanding balance on the Sheridan Investments, LLC line. On April 30, 2002, we drew down \$1,000,000 on the Sheridan Investments, LLC line to be used as working capital. On May 8, 2002, the bank line was repaid and on May 24, 2002, the Sheridan Investments, LLC line was repaid.

On April 4, 2002, we drew down the remaining available amount of \$1,030,201 on our loan from US Bank for a total outstanding balance of \$10,500,000. The loan is secured by a mortgage on Sheridan Center.

**Tenant Bankruptcy**

On August 2, 2001, Rhythms NetConnections, Inc., the primary tenant in our Panorama Falls building in Englewood, Colorado, filed for reorganization under Chapter 11 of the U.S. Bankruptcy Code. Effective November 1, 2001, we agreed to terminate our lease with Rhythms and apply the security deposit from Rhythms in the amount of \$335,000 against future lease payments. We also wrote off tenant leasing costs in the amount of \$323,447 and deferred rents receivable in the amount of \$326,113 during 2001. The rental revenue related to Rhythms was approximately \$611,000 and \$480,000 for the years ended December 31, 2001 and 2000, respectively, which is approximately 5.6% and 6.6% of our total rental revenue for the respective periods. In December 2001, we sold 80% of our interest in Panorama Falls to a related party.

**Inflation**

Management believes that inflation should not have a material adverse effect on our operations. Our office leases require the tenants to pay increases in operating expenses should any inflationary pressures materialize.

**New Accounting Principles**

In June 2001, the Financial Accounting Standards Board ( FASB ) authorized the issuance of Statement of Financial Accounting Standards ( SFAS ) No. 142, Goodwill and Other Intangible Assets. Under SFAS No. 142, goodwill will no longer be amortized on a straight-line basis over its estimated useful life, but will be

**Table of Contents**

tested for impairment on an annual basis and whenever indicators of impairment arise. The goodwill impairment test, which is based on fair value, is to be performed on a reporting unit level. A reporting unit is defined as a SFAS No. 131, Disclosure about Segments of an Enterprise and Related Information, operating segment or one level lower. Goodwill will no longer be allocated to other long-lived assets for impairment testing under SFAS No. 121, Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed of. Under SFAS No. 142, intangible assets with indefinite lives will not be amortized. Instead they will be carried at the lower cost or market value and tested for impairment at least annually. All other recognized intangible assets will continue to be amortized over their estimated useful lives. SFAS No. 142 is effective for fiscal years beginning after December 15, 2001. Our adoption of SFAS No. 142 will not have an impact on our financial statements, as we have not recorded any goodwill or intangible assets.

In June 2001, the FASB issued SFAS No. 143, Accounting for Asset Retirement, which is effective for financial statements issued for fiscal years beginning after June 15, 2002. SFAS No. 143 addresses financial accounting and reporting for obligations associated with the retirement of tangible long-lived assets and the associated asset retirement costs. We are currently evaluating the potential impact, if any, the adoption of SFAS No. 143 will have on our financial position and results of operations.

In August 2001, the FASB issued SFAS No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets, which is effective for fiscal periods beginning after December 15, 2001 and interim periods within those fiscal years. SFAS No. 144 establishes an accounting model for impairment or disposal of long-lived assets to be disposed of by sale. Our adoption of SFAS No. 144 had no impact on our financial statements.

**Critical Accounting Policies**

The discussion and analysis of our financial condition and results of operations are based upon our consolidated financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States. The preparation of these financial statements required us to make estimates and judgments that affect the reported amounts of assets and liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities at the date of our financial statements. Actual results may differ from these estimates under different assumptions or conditions.

Critical accounting policies are defined as those that are reflective of significant judgments and uncertainties, which would potentially result in materially different results under different assumptions and conditions. We believe that our critical accounting policies are those described below. For a detailed discussion on the application of these and other accounting policies, see notes to the consolidated financial statements included elsewhere herein.

*Investment in Real Estate*

Real estate, property, and equipment are stated at cost. Depreciation and amortization are computed on a straight-line basis over the estimated useful lives as follows:

<u>Description</u>	<u>Estimated Useful Lives</u>
Land	Not depreciated
Buildings	20 to 40 years
Equipment	five to seven years
Tenant improvements and lease commissions	Term of lease

Maintenance and repairs are expensed as incurred and improvements are capitalized. The cost of assets sold or retired and the related accumulated depreciation and/or amortization are removed from the accounts and the resulting gain or loss is reflected in operations in the period in which such sale or retirement occurs.

**Table of Contents**

*Revenue Recognition*

Certain leases provide for tenant occupancy during periods for which no rent is due or where minimum rent payments increase during the term of the lease. We record rental revenue for the full term of each lease on a straight-line basis. Accordingly, we record a receivable from tenants from whom we expect to collect over the remaining lease term rather than currently, which is recorded as deferred rents receivable in the accompanying balance sheet. When we acquire a property, the term of the existing leases is considered to commence as of the acquisition date for the purposes of this calculation.

*Sale of Properties*

We account for the sale of properties under the full accrual method. Gains or losses on sale are recognized only after closing takes place, title has transferred, an adequate down payment has been received by us and the collectibility of the note receivable from the buyer, if applicable, is reasonably assured.

**Table of Contents**

**BUSINESS AND PROPERTIES**

**Overview**

AmeriVest Properties Inc. was incorporated in 1993 in the State of Delaware and was reincorporated in 1999 in the State of Maryland. We are a self-administered real estate investment trust, or REIT, and own 23 office properties. We market and lease Class A and B office space to small and mid-sized tenants, and the design, finish and amenities of our core properties are specifically tailored for this target market. Our properties, which include an aggregate of approximately 912,000 rentable square feet, are currently located in Colorado, Arizona, Indiana, and Texas.

Current management assumed control of the day-to-day operations of AmeriVest on January 1, 2000, at which time we owned a portfolio of diversified properties. Since that time, we have focused our efforts in select cities on the acquisition, rehabilitation and development of multi-tenant office buildings with an average tenant size of between 2,000 and 4,000 square feet. We have sold our non-office building assets, which at one time included one industrial and four self-storage properties. Since August 25, 2000, all our assets have been office buildings. Of our 23 properties, six comprise our core holdings and are representative of our current and ongoing strategy. These core properties are located in Denver, Indianapolis and Phoenix and account for a majority of our square footage and revenue.

**Business Strategy**

We believe the public equity markets for REITs reward a strongly focused strategy and that the currently depressed office sector can support a relatively higher valuation than other property types. We have elected to focus on the office sector because we believe the demand for office space will continue to grow as the economy continues to transition from manufacturing to service businesses. We believe that demand will continue to grow in our target markets specifically and have responded by developing a focused strategy, the key elements of which follow.

*Focus on Small Average Tenant Size*

Our strategy is to focus on tenants that typically require 2,000 to 4,000 square feet of office space. Within the growing office sector, we believe that our niche focus on properties providing small average space per tenant is appropriate due to the positive corporate demographics of small firms. According to data compiled by the Office of Advocacy of the U.S. Small Business Administration, there were more than 5.6 million employer-firms in the U.S. economy in 1999. Of these firms, 98% employed fewer than 100 employees, and in 1999 this 98% employed 36% of all workers. Assuming each office worker occupies the national average of 150 square feet, these firms each require less than 15,000 square feet of office space. This research further reveals that in 1999, 89% of U.S. businesses employed fewer than 20 employees, indicating an average office space requirement of no more than 3,000 square feet.

*Provide a Superior, Consistent Product*

We believe that the small tenant market has been under-served by most office landlords, and that we bring a level of amenities to the small tenant that usually only larger tenants enjoy. We accomplish this through new development, such as Sheridan Plaza, redevelopment of existing properties, such as Sheridan Center, and improved management with a focus on customer service, such as at Keystone Office Park. For example, tenants in our core buildings enjoy a keyless entry card system to allow secure access 24 hours a day to their individual suites, as well as use of common area conference rooms with the latest telecommunications and presentation equipment. Entry lobbies feature touchpad electronic directories and, where possible, our buildings are engineered to provide control of heating and air conditioning in individual tenant suites. Signage for each tenant

## **Table of Contents**

suite allows for the tenant's individual logo to be incorporated on a common background. Each property is wired to offer high speed voice and data service from multiple telecom providers, and in some buildings tenants can elect to use the building's centralized server and local area network as their own computer system, with 24 hour, seven days a week support from third party providers.

### *Simplify the Leasing Process*

We operate our multi-tenant buildings under a no-hassle leasing philosophy, using a standard simplified lease that has been designed for fairness to both tenant and landlord. We also incorporate a turn-key tenant finish package, greatly reducing the time to design and build out finished space. Our streamlined system greatly reduces negotiation and space planning time and allows the tenant to move into its space more quickly and with less aggravation than is usual in the leasing process.

### *Capitalize on the Perceived Risks*

A frequently cited concern about the small and mid-sized tenant office market is the perceived high level of credit risk. We believe that these perceived risks are higher than the actual risks and, thus, provide an effective deterrent for competition and an attractive opportunity for us. With a typical tenant size of 2,000 to 4,000 square feet, the loss of a single tenant of such size does not meaningfully affect our financial results. Additionally, we maintain a high level of credit quality in our core office buildings through accounting and collection systems that flag any late payments and rigorously impose late payment penalty charges. Eviction action will be quickly taken if a tenant does not make timely lease payments. These control systems are centralized in our Denver headquarters, and monitored by an experienced accounting staff. We believe that we can maintain and improve this high level of credit quality in all our properties.

### *Provide a High Level of Service*

Another frequently cited concern about the small and mid size tenant is management intensity. We believe, based on our experience, the issue of management intensity may be largely a matter of perception. Multiple smaller tenants may be viewed as requiring more management time than larger tenants. Over time, we believe that smaller tenants actually are less demanding than large tenants, who use their economic leverage not only in initial lease negotiations but throughout their tenancy as well. With our focus on small to mid-sized tenants and our no-hassle leasing philosophy, we bring a positive, service-oriented mentality to our smaller tenants.

Our core buildings feature a regional Tenant Relations Advocate who has responsibility for interfacing regularly with all tenants and maximizing tenant retention. The Tenant Relations Advocate, unlike a conventional property manager, does not have responsibility for the physical operation of a building, but rather is dedicated to tenant issues with a singular focus on tenant retention. The Tenant Relations Advocate personifies our service-oriented mentality and is available to resolve minor tenant service complaints before they develop into major issues. Our Tenant Relations Advocates work with team leaders for each region, who in turn report to a senior manager in our Denver headquarters, providing direct and regular feedback on tenant concerns. We believe that our tenant-focused management will improve our tenant retention rates.

### *Target Select Cities*

We target buildings or projects containing at least 100,000 square feet within select cities where we hope to build meaningful multi-property portfolios over the short- and medium-term. Target cities must have a high concentration of firms of fewer than 20 employees and, currently, must be within a two-hour air travel radius from our headquarters in Denver. The target cities also must be large enough in total office square footage to

## **Table of Contents**

offer the possibility of multiple acquisitions and liquidity in the event of a desired sale. We believe that by focusing on a specific property type in cities with a growing small tenant market, we should be able to increase our revenues, our earnings, and our funds from operations. In the short term, we plan to focus our acquisition activities in the following cities:

Phoenix, AZ

Indianapolis, IN

Denver, CO

Dallas, TX

San Francisco, CA

## **Property Acquisitions and Sales**

### **2002**

#### *Keystone AmeriVest Joint Venture*

In January 2002, we formed Keystone AmeriVest, LLC, to serve as a joint venture company, with Sheridan Realty Partners, L.P., which is owned by certain of our executive officers and directors. Subject to receipt of consent from our lender, we will contribute Keystone Office Park to the joint venture and Sheridan Realty Partners will contribute 2.55 acres of vacant land adjacent to Keystone Office Park. In exchange, we will receive 92 of the 100 total outstanding membership units and Sheridan Realty Partners will receive the remaining eight membership units of Keystone AmeriVest. Under the operating agreement of Keystone AmeriVest, we will have the option to purchase seven of Sheridan Realty Partners eight membership units in exchange for shares of our common stock having a market value equal to \$280,000 at the time of such purchase.

### **2001**

#### *Kellogg Building Acquisition*

On December 21, 2001, we completed the acquisition of the Kellogg Building. The Kellogg Building is located in Littleton, Colorado, contains 112,732 rentable square feet and is located on approximately five acres of land. The aggregate purchase price for the Kellogg Building was \$13,550,000, which was paid with \$9,500,000 from the proceeds of a loan from US Bank National Association and the balance from a portion of the proceeds from the 2001 public offering.

#### *Panorama Falls Sale*

On December 6, 2001, we completed the sale of an 80% interest in the Panorama Falls building to an investor affiliated with a large stockholder. Panorama Falls is a three-story office building with 61,963 rentable square feet on approximately six acres located in Englewood, Colorado. The aggregate sales price for the interest in Panorama Falls was \$4,880,000 payable as follows:

\$2,180,000 to Key Bank National Association to pay down a portion of the existing mortgage loan;

the assumption of 80% of the remaining existing mortgage loan in the amount of \$2,395,732; and

the remainder of \$304,268 in cash, less closing costs.

**Table of Contents**

*Arrowhead Fountains Acquisition*

On November 19, 2001, we completed the acquisition of the Arrowhead Fountains office building. Arrowhead Fountains is located in suburban Phoenix, Arizona, contains 96,076 rentable square feet and is located on approximately five acres of land. The aggregate purchase price for Arrowhead Fountains was \$12,750,000, which was paid by the assumption of the mortgage loan from Nationwide Life Insurance Company with a principal balance of \$9,300,000 and the balance from a portion of the proceeds from the 2001 public offering.

*Odessa Sale*

On October 23, 2001, we completed the sale of our office building in Odessa, Texas for \$132,500. The sale resulted in a gain on sale of \$12,747.

*Giltedge Sale*

On June 1, 2001, we completed the sale of our Giltedge building in Appleton, Wisconsin for \$3,650,000. The sale resulted in a gain on sale of \$1,143,698. The cash proceeds from this transaction of \$458,030 were used to complete a tax-deferred exchange under Section 1031 of the Internal Revenue Code.

*Sheridan Plaza at Inverness Acquisition*

Effective April 1, 2001, we purchased from Sheridan Investments, LLC, an affiliate, 100% of the ownership interests of Sheridan Plaza at Inverness, LLC, an affiliate. Sheridan Plaza at Inverness, LLC owns two office buildings located in Englewood, Colorado consisting of 118,720 total rentable square feet on 6.7 acres of land with 405 total parking spaces, including 80 underground parking spaces. For accounting purposes, the purchase price was \$22,895,067, which consisted of:

\$705,135 for our 9.639% preferred membership interest in Sheridan Investments, LLC, the owner of all of the membership interests in Sheridan Plaza at Inverness LLC, which was transferred back to Sheridan Investments, LLC;

\$6,474,329 paid with (1) 1,057,346 shares of our common stock, at a price of \$5.69 per share (as required for accounting purposes, based on an average market price of the shares over a period of several days before and after the date of the announcement of the acquisition) and (2) the cash proceeds of \$458,030 from the sale of the Giltedge building;

assumption of the mortgage in the principal amount of \$14,954,425 secured by the property; and

assumption of other liabilities in the amount of \$761,178.

The acquisition was structured as a tax-deferred exchange of the Giltedge building under Section 1031 of the Internal Revenue Code. Due to the related party nature of this transaction, accounting principles generally accepted in the United States require us to record this acquisition at its historical net book value. The difference between the purchase price and the historical net book value was \$4,507,557 and has been recorded as a non-cash dividend during 2001.

**2000**

*Sheridan Investments, LLC Membership Interest Acquisition*

On September 29, 2000, we purchased a 9.639% preferred membership interest in Sheridan Investments, LLC, the sole owner of Sheridan Plaza at Inverness, LLC, which owns two office buildings in Englewood, Colorado, containing 118,720 square feet and located on approximately 6.7 acres of land. The aggregate purchase price for the interest was \$658,918, which we paid by issuing 131,784 shares of common stock and 65,892 common stock purchase warrants exercisable at \$5 per share. This interest was transferred back to Sheridan Investments, LLC in April 2001 as partial consideration for the remaining interest in Sheridan Plaza at Inverness, LLC.

**Table of Contents**

*Self-Storage Sale*

On June 6, 2000, we entered into a contract to sell our four self-storage facilities in the metropolitan Denver, Colorado area for \$8,400,000. This sale closed on August 25, 2000, resulting in a gain on sale of approximately \$2,557,000. The net proceeds of approximately \$1,818,000 were used to complete a tax-deferred exchange under Section 1031 of the Internal Revenue Code for office building assets.

*Sheridan Center Acquisition*

On June 2, 2000, we entered into a contract to purchase a three-building office complex, Sheridan Center, in southeast Denver, Colorado for \$9,600,000. The buildings contain 143,332 square feet and are located on approximately 3.74 acres of land. The transaction closed on August 31, 2000 and was recorded on September 1, 2000. Funds for closing included approximately \$1,818,000 held in escrow and on deposit as part of the tax-deferred exchange under Section 1031 of the Internal Revenue Code from the sale of the self-storage facilities, together with mortgage financing and a portion of the proceeds from our 2000 public offering.

*Panorama Falls Acquisition*

On May 25, 2000, we purchased a three-story office building, Panorama Falls, for \$5,900,000. Panorama Falls contains 61,693 square feet on approximately six acres of land in southeast Denver, Colorado. Funds for closing included approximately \$514,000 being held in escrow and on deposit as part of the tax-deferred exchange under Section 1031 of the Internal Revenue Code from the sale of the Broadway Property completed in December 1999, together with mortgage financing and short-term financing, which was partially repaid in August 2000 with proceeds from our 2000 public offering.

**1999**

*Broadway Property Sale*

On December 13, 1999, we sold our industrial office and showroom building in Denver, Colorado for \$2,100,000, resulting in a gain on sale of approximately \$737,000. We reinvested approximately \$510,000 in net proceeds from this transaction in a tax-deferred exchange under Section 1031 of the Internal Revenue Code on May 25, 2000, purchasing the 61,693 square foot three-story Panorama Falls office building.

*Keystone Office Park Acquisition*

On August 12, 1999, we completed the acquisition of three office buildings, known as Keystone Office Park, located in suburban Indianapolis, Indiana. Keystone Office Park contains a total of 96,048 rentable square feet. The total purchase price for Keystone Office Park was \$7,944,000, which we paid by assuming approximately \$5,255,000 of existing debt and \$116,400 of related escrow balances on the properties and issuing 541,593 shares of our common stock at \$4.75 per share. In conjunction with the assumption of the debt, we also agreed to indemnify the original guarantors of this debt if we fail to repay it.

**Table of Contents**

**Properties**

We own and operate 23 office properties in Colorado, Texas, Indiana and Arizona. Of our 23 properties, we consider six to be our core properties, which are representative of our current and planned strategy. Four of these core properties are located in Denver, one is located in Indianapolis and one is located in Phoenix. Our core properties account for a majority of our square footage and revenue. Our Texas properties are legacy properties acquired by our prior management and are not reflective of our current strategy. Prepayment penalties and yield maintenance requirements with respect to the debt on our Texas properties make divestiture of these properties uneconomical at the present time. Other than as described under Description of Specific Properties below, we have no plans to renovate our office properties other than for routine capital maintenance.

The following chart illustrates the geographic distribution of our property portfolio by square footage:

The following chart illustrates the geographic distribution of our property portfolio based on 2001 revenue:

\* The Giltedge building in Appleton, Wisconsin was sold on June 1, 2001 and the Arrowhead Fountains building in Phoenix, Arizona was purchased on November 19, 2001.

**Table of Contents**

The following table sets forth certain information about our office properties:

<b>Location</b>	<b>Year Acquired</b>	<b>Rentable Square Footage (a)</b>	<b>Percentage Occupancy at March 31, 2002</b>	<b>Average Rent Per Square Foot (b)</b>
<b>Small Tenant Office Buildings</b>				
Denver, CO Sheridan Center	2000	143,332	91.5%	\$ 14.85
Englewood, CO Sheridan Plaza	2001	118,720	100.0%	\$ 23.59
Indianapolis, IN Keystone	1999	96,048	99.2%	\$ 16.97
Englewood, CO Panorama Falls(c)	2000	61,963	16.3%	\$ 20.50
Phoenix, AZ Arrowhead Fountains	2001	96,076	90.3%	\$ 22.12
Littleton, CO Kellogg Building	2001	112,732	91.6%	\$ 22.40
<b>Bank of America Buildings(d)</b>	1998	60,095	98.2%	\$ 16.00
Mineral Wells, Georgetown, Henderson and Clifton, TX				
<b>State of Texas Leased Buildings(e)</b>	1997-1998	222,542	92.9%	\$ 9.20
Arlington, Paris, Marshall, Amarillo, El Paso (2 buildings), Belleville, Mission, Clint, Lubbock, Temple, Hempstead and Columbus, TX				
Totals		911,508	89.0%(f)	\$ 16.83

(a) Includes office space but excludes storage, telecommunications and garage space.

(b) Annualized base rent divided by net rentable area leased. Annualized base rent is original base rent plus contractual increases, but excludes additional rent for common area maintenance, taxes, expense reimbursements and parking.

(c) We own a 20% interest in this property. An 80% interest is owned by Freemark Abbey Panorama, LLC as a tenant in common with AmeriVest.

(d) Four buildings leased approximately 63% to Bank of America, with the remainder leased to a number of small to mid-sized tenants.

(e) Thirteen buildings leased primarily to various agencies of the State of Texas.

(f) Weighted average occupancy was 94.3% for 100% owned properties.

**Table of Contents****Consolidated Lease Expirations**

The following is a schedule of lease expirations for all of our properties over the next ten years:

<b>Year</b>	<b>Number of Leases That Will Expire (1)</b>	<b>Total Area in Square Feet of Expiring Leases (1)</b>	<b>Annual Rent Revenue of Expiring Leases (1) (2)</b>	<b>Percentage of Gross Rents on Expiring Leases (1)</b>
2002	63	114,354	1,544,527	13.4%
2003	68	166,828	2,636,511	22.8%
2004	67	127,711	2,548,332	22.1%
2005	43	138,948	2,558,477	22.2%
2006	30	108,445	1,494,623	12.9%
2007	5	8,554	126,219	1.1%
2008				0.0%
2009	1	7,951	166,971	1.5%
2010	1	17,150	347,288	3.0%
2011	2	11,679	120,593	1.0%

(1) Does not include Panorama Falls leases, leases of executive suites in the Kellogg Building or month to month leases.

(2) Annualized base rent for the year ended December 31, 2001. Excludes additional rent for common area maintenance, taxes, expense reimbursements and parking.

**Description of Specific Properties**

As of March 31, 2002, the following four properties had a book value greater than or equal to 10% of our consolidated assets: Sheridan Center, Sheridan Plaza at Inverness, Arrowhead Fountains and the Kellogg Building. Set forth below is a description of each of these properties and of Keystone Office Park, which we consider to be one of our core properties.

*Sheridan Center.* On August 31, 2000, we acquired the Sheridan Center office buildings, formerly known as The Writer Buildings, which transaction was recorded on September 1, 2000. The project consists of one four-story, one five-story and one eight-story office building on 3.72 acres of land. The buildings total 143,332 rentable square feet and site improvements include parking for approximately 400 cars. The buildings were built in 1966, 1968 and 1971 and, prior to our renovation, were considered Class C office buildings.

We substantially renovated the buildings at a cost of approximately \$5.0 million for the period from our acquisition in August 2000 through March 2002. The buildings are now considered Class B office buildings and command higher rental rates.

Exterior improvements include:

- a new exterior facade for each building to tie the buildings together visually;
- a new entry and handicap access ramp for each building;
- new fixed and operable thermal windows; and
- resurfaced parking lots with new landscape and lighting.

Interior improvements include:

- refurbished lobbies and hallways with new carpet and lighting;
- new oak suite entry doors and sidelights;
- new building and suite signage;

**Table of Contents**

computerized touch-screen building directories;

keyless entry systems to the building with each suite monitored by computer;

refurbished bathrooms with new tile, lighting, paint and ADA fixtures;

a new selection of interior tenant finish packages; and

improved HVAC systems and new fire safety sprinklers and systems.

As part of the renovation, we embarked on an asbestos remediation program in accordance with state and federal requirements using licensed contractors to remove, wherever accessible or otherwise required, asbestos containing materials in the buildings, including ceiling tiles, drywall joint compound, wood and metal fire doors, wall texture, mudded pipe elbows and valves, thermal systems insulation, floor tile and mastic and boiler insulation. We have completed most of the remediation except for one building, which we expect to complete over the next few years as tenants vacate spaces, allowing access to the asbestos materials. As of March 31, 2002, we had incurred approximately \$272,000 in asbestos remediation costs at this building. The estimated cost of the future asbestos remediation is approximately \$380,000.

The property is located in a central location between downtown Denver and the southeast suburbs along Interstate 25 at Colorado Boulevard. The Colorado Department of Transportation and the Regional Transportation District has commenced construction of a light-rail system and highway expansion project on Interstate 25, or I-25. The project, which is scheduled to continue through June 2008, has disrupted traffic on I-25 due to lane closures and massive construction along 19 miles of the Interstate adjacent to Sheridan Center and near our Sheridan Plaza and Panorama Falls buildings. Sheridan Center is located north of I-25 on the other side of most of the proposed construction, which allows for alternative access from most metropolitan Denver locations. We believe that the central location of Sheridan Center, together with our focus on tenants whose employees have flexible work schedules, should minimize the adverse impact of the highway construction on occupancy levels and leasing activity at this project.

Sheridan Center competes with several buildings in the area, including buildings that lease to small and mid-sized tenants.

Sheridan Center is leased to 100 tenants at base rental rates ranging from \$8.69 to \$17.50 per rentable square foot. The average effective annual rent per square foot for the year ended December 31, 2001 was \$13.91. Lease terms range from approximately one to five years.

The occupancy rate for Sheridan Center was 91.5% at March 31, 2002, 90.4% at December 31, 2001, 90.0% at December 31, 2000 and 91.0% at December 31, 1999. Occupancy information for prior years, which are before we acquired the property, is not available. As of December 31, 2001, there are no tenants occupying 10% or more of the rentable space.

The following is a schedule of lease expirations for Sheridan Center:

<b>Year</b>	<b>Number of Leases That Will Expire</b>	<b>Total Area in Square Feet of Expiring Leases</b>	<b>Annual Rent Revenue of Expiring Leases (1)</b>	<b>Percentage of Gross Rents on Expiring Leases</b>
2002	30	38,658	530,179	29.2%
2003	29	32,666	472,704	26.0%
2004	18	15,713	245,559	13.5%
2005	6	6,248	84,898	4.7%
2006	14	22,737	356,768	19.6%
2007(2)	5	8,554	126,219	7.0%

(1) Annualized base rent for the year ended December 31, 2001. Excludes additional rent for common area maintenance, taxes, expense reimbursements and parking.

(2) At March 31, 2002, there were no leases in effect with an expiration date after 2007.

**Table of Contents**

For 2001, the real estate taxes for the Sheridan Center buildings were \$123,874, which is equal to 5.9% of the assessed value of the Sheridan Center buildings for real estate tax purposes as determined by the Denver County Assessors Office. We are not able to estimate the possible impact of the renovations to Sheridan Center on future real estate taxes.

*Sheridan Plaza at Inverness.* On April 1, 2001, we purchased 100% of the ownership interests of Sheridan Plaza at Inverness, LLC. The primary assets of this entity are two multi-tenant office buildings, together known as Sheridan Plaza at Inverness, located in Englewood, Colorado, and related assets. These two office buildings consist of 118,720 square feet on approximately 6.7 acres of land with 405 total parking spaces, including 80 underground parking spaces. Sheridan Plaza was constructed in 1998 and 1999.

Sheridan Plaza is located within the Inverness Business Park just east of I-25 at County Line Road. We believe that the location of Sheridan Plaza near the southern end of the highway project described above under Sheridan Center could be an advantage in leasing during the highway construction period. Sheridan Plaza is just off the first exit north of the planned construction activity and is easily accessible from all southeast and east metro Denver residential areas. We currently do not have any plans for major capital improvements for Sheridan Plaza. The property competes with several mid- sized office buildings in the area, including buildings that lease to small to mid-sized tenants, but there is no dominant owner or building.

Sheridan Plaza is leased to 45 tenants at base rental rates ranging from \$22.00 to \$25.71 per rentable square foot. The average effective annual rent per square foot for the year ended December 31, 2001 was \$23.45. Lease terms range from approximately two to six years.

The occupancy rate for Sheridan Plaza at March 31, 2002 was 100%, at December 31, 2001 was 100%, at December 31, 2000 was 100% and at December 31, 1999 was 61%. Only one tenant, a local law firm, occupies 10% or more of the rentable space. This tenant occupies 12,136 rentable square feet under a direct lease through September 2005 and an additional 2,915 rentable square feet under a sublease through December 2004. The tenant is responsible for its pro-rata share of operating expenses and the leases contain annual base rent escalation provisions.

The following is a schedule of lease expirations for Sheridan Plaza:

<u>Year</u>	<u>Number of Leases That Will Expire</u>	<u>Total Area in Square Feet of Expiring Leases</u>	<u>Annual Rent Revenue of Expiring Leases (1)</u>	<u>Percentage of Gross Rents on Expiring Leases</u>
2002	6	10,738	\$ 259,621	9.3%
2003	7	13,805	\$ 334,490	12.0%
2004	14	38,006	\$ 902,737	32.3%
2005(2)	18	56,171	\$ 1,294,964	46.4%

(1) Annualized base rent for the year ended December 31, 2001. Excludes additional rent for common area maintenance, taxes, expense reimbursements and parking.

(2) At March 31, 2002, there were no leases in effect with an expiration date after 2005.

For 2001, the real estate taxes for Sheridan Plaza were \$582,490, which is equal to 10.3% of the assessed value of Sheridan Plaza for real estate tax purposes as determined by the Douglas County Assessors Office.

*Arrowhead Fountains.* On November 19, 2001 we acquired Arrowhead Fountains, located in Peoria, Arizona (metropolitan Phoenix). Arrowhead Fountains consists of one building containing 96,076 rentable square feet located on approximately five acres of land. Arrowhead Fountains was built in 1998 and is the only commercial office building in its area.

Arrowhead Fountains is leased to 21 tenants at base rental rates ranging from \$20.00 to \$23.50 per rentable square foot. The average effective annual rent per square foot for the year ended December 31, 2001 was \$23.03. Lease terms range from approximately two to ten years.

**Table of Contents**

The occupancy rate for Arrowhead Fountains at March 31, 2002 was 90.3%, at December 31, 2001 was 90.3% and at December 31, 2000 was 90.0%. Occupancy information for prior years, which are before we acquired the property, is not available.

The following is a schedule of tenants who occupy 10% or more of the rentable space:

Tenant	Business	Lease Expiration	Square Footage	Base Rent (\$/SF) at December 31, 2001
A	Realty company	December 31, 2005	18,282	\$20.00
B	Insurance company	April 14, 2010	17,150	\$20.25

The following is a schedule of lease expirations for Arrowhead Fountains:

Year	Number of Leases That Will Expire	Total Area in Square Feet of Expiring Leases	Annual Rent Revenue of Expiring Leases (1)	Percentage of Gross Rents on Expiring Leases
2002	3	5,163	\$ 119,484	6.5%
2003	3	12,968	\$ 294,366	15.9%
2004	7	12,475	\$ 279,850	15.1%
2005	4	25,052	\$ 519,038	28.1%
2006	2	5,167	\$ 120,843	6.6%
2007				
2008				
2009	1	7,951	\$ 166,971	9.0%
2010(2)	1	17,150	\$ 347,288	18.8%

(1) Annualized base rent for the year ended December 31, 2001. Excludes additional rent for common area maintenance, taxes, expense reimbursements and parking.

(2) At March 31, 2002, there were no leases in effect with an expiration date after 2010.

For 2001, the real estate taxes for Arrowhead Fountains were \$152,892, which is equal to 13.6% of the assessed value of Arrowhead Fountains for real estate tax purposes as determined by the Maricopa County Assessors Office.

**Kellogg Building.** On December 21, 2001 we acquired the Kellogg Building, located in Littleton, Colorado. The Kellogg Building consists of one building containing 112,732 rentable square feet located on approximately five acres of land. The Kellogg Building was built in 1983.

The Kellogg Building is leased to 35 tenants at base rental rates ranging from \$19.22 to \$24.00 per rentable square foot. The average effective annual rent per square foot for the year ended December 31, 2001 was \$22.39. Lease terms range from approximately three to six years. We currently intend to upgrade the building over time with our signature small tenant amenities.

The Kellogg Building also contains executive office suites. These suites account for 11,882 rentable square feet of the total square footage. These suites are leased to 30 tenants at base rental rates ranging from \$39.71 to \$63.75 per rentable square foot. Lease terms range from two months to two years. Due to the short-term nature and high turnover of these leases, these were not included in the lease expiration table below.

Executive office suite tenants are provided additional services other than the rental of real property. These additional services include a receptionist as well as other administrative services. In accordance with the Internal Revenue Code, the revenue generated from these additional services is non-qualified REIT income. As a result, we have formed a taxable REIT subsidiary to provide these services, segregating this non-qualified REIT income from the qualified REIT lease revenue of the building.

**Table of Contents**

The occupancy rate for the Kellogg Building at March 31, 2002 was 91.6%, at December 31, 2001 was 90.4% and at December 31, 2000 was 94.0%. Occupancy information for prior years, which are before we acquired the property, is not available. As of December 31, 2001, there were no tenants occupying 10% or more of the rentable space.

The Kellogg Building competes with several office buildings in its area, including buildings that lease to small and mid-sized tenants.

The following is a schedule of lease expirations for the Kellogg Building:

<u>Year</u>	<u>Number of Leases That Will Expire</u>	<u>Total Area in Square Feet of Expiring Leases</u>	<u>Annual Rent Revenue of Expiring Leases (1)</u>	<u>Percentage of Gross Rents on Expiring Leases</u>
2002	4	8,599	\$ 184,283	9.4%
2003	9	38,243	\$ 817,313	41.7%
2004	15	26,037	\$ 548,106	28.0%
2005	6	12,853	\$ 281,670	14.4%
2006(2)	2	5,715	\$ 128,588	6.5%

- (1) Annualized base rent for the year ended December 31, 2001. Excludes additional rent for common area maintenance, taxes, expense reimbursements and parking.
- (2) At March 31, 2002, there were no leases in effect with an expiration date after 2006.

For 2001, the real estate taxes for the Kellogg Building were \$197,902, which is equal to 7.0% of the assessed value of the Kellogg Building for real estate tax purposes as determined by the Arapahoe County Assessors Office.

*Keystone Office Park.* We acquired Keystone Office Park in Indianapolis, Indiana from Sheridan Realty Partners, L.P., an affiliate of Sheridan Realty Advisors, effective August 12, 1999. Keystone Office Park consists of three two-story multi-tenant office buildings located at 3021, 3077 and 3091 East 98th Street at the intersection of 98th Street and North Keystone Avenue (US 431) in north central Indianapolis, Indiana. These buildings consist of 96,048 rentable square feet on approximately nine acres of land with 336 surface parking spaces, plus a 1,596 square foot freestanding maintenance building. Keystone Office Park was constructed and completed from 1984 to 1986.

Keystone Office Park is leased to various business entities for general office purposes. The average effective annual rent per square foot for the year ended December 31, 2001 was \$16.90. In 2000, we completed major capital improvements to Keystone Office Park, including new common area carpets and lighting, an electronic directory system, telecommunications wiring and exterior cleaning and refurbishing. We currently intend to continue to operate and hold Keystone Office Park for income purposes. Keystone Office Park competes with several mid-rise office buildings in the area, including buildings owned by a dominant owner in the Indianapolis market.

The occupancy rate for Keystone Office Park at March 31, 2002 was 99.2%, at December 31, 2001 was 99.2%, at December 31, 2000 was 93.7% and at December 31, 1999 was 99.2%. There are no tenants occupying 10% or more of the rentable space.

**Table of Contents**

The following is a schedule of lease expirations for Keystone Office Park:

<b>Year</b>	<b>Number of Leases That Will Expire</b>	<b>Total Area in Square Feet of Expiring Leases</b>	<b>Annual Rent Revenue of Expiring Leases (1)</b>	<b>Percentage of Gross Rents on Expiring Leases</b>
2002	6	11,415	\$ 183,856	11.3%
2003	8	13,235	\$ 224,333	13.9%
2004	11	32,659	\$ 553,480	34.2%
2005	5	11,499	\$ 188,912	11.7%
2006(2)	6	26,448	\$ 467,409	28.9%

- (1) Annualized base rent for the year ended December 31, 2001. Excludes additional rent for common area maintenance, taxes, expense reimbursements and parking.
- (2) At March 31, 2002, there were no leases in effect with an expiration date after 2006.

For 2000, the real estate taxes for Keystone Office Park were \$114,715, which is equal to 6.9% of the assessed value of Keystone Office Park for real estate tax purposes as determined by the Hamilton County Assessors Office. We have not been informed as to the amount of the 2001 real estate taxes for Keystone Office Park.

**Other Leases**

*State of Texas Office Building Leases.* Thirteen of our office buildings are leased to various agencies of the State of Texas with primary lease periods ranging from approximately six months to eight years, subject to the right of the State to terminate these leases as discussed below. Most of the leases provide for five multiple renewal option periods of three years to five years at the election of the tenant. Although each of the leases with the State of Texas includes a specific termination date, the State of Texas may terminate a lease at any time that the legislature of the State of Texas fails to appropriate funds necessary to pay required rents, or federally-funded programs housed in one of these office buildings are discontinued. Prior to terminating the lease, the State of Texas may assign another agency to fill or partially fill the rented space, and the lease would be adjusted accordingly. Despite this risk, we have no information that would lead us to believe that the State of Texas is considering any such early terminations. If the State of Texas terminates or fails to renew a lease, it may be difficult to locate another tenant in a timely manner or on comparable or better terms, especially for certain buildings in smaller cities or remote locations. We were not the successful bidder in a recent request by the Texas Department of Human Services for a new lease on our Clint, Texas building, which provided for an annual gross rent of \$125,676. Subsequent to year-end, we have begun negotiations with the Town of Clint for a long-term lease of the building. In addition, the lease on our Paris, Texas building, which provides for an annual gross rent of \$208,376 expires on August 31, 2002 and we believe the State of Texas will not renew.

*Bank of America Leases.* Approximately 63% of four office buildings in Texas are leased to Bank of America on a long-term basis, with the primary leases expiring July 20, 2012. The leases with Bank of America provide for automatic rent increases every three years at a predetermined rate. They also provide for multiple renewal option periods at the option of Bank of America. The other leases in these buildings are with smaller tenants and range from one year to five years in length.

**Depreciation**

The following table shows the federal tax basis at December 31, 2001 used to determine depreciation for federal income tax purposes on each of Sheridan Center, Sheridan Plaza at Inverness, Arrowhead Fountains and the Kellogg Building. For federal income tax purposes, depreciation is computed using the straight-line method over a useful life of 39 years, for a depreciation rate of 2.56% per year.

**Table of Contents**

	<b>Federal Tax Basis</b>
<b>Sheridan Center</b>	
Denver, Colorado	\$ 10,119,508
<b>Sheridan Plaza at Inverness</b>	
Englewood, Colorado	\$ 20,296,868
<b>Arrowhead Fountains</b>	
Peoria, Arizona	\$ 12,762,642
<b>Kellogg Building</b>	
Littleton, Colorado	\$ 13,551,672

For accounting purposes, depreciation is determined in accordance with generally accepted accounting principles, which use different bases for the properties and useful lives of 25 years (Sheridan Center) and 40 years (Sheridan Plaza at Inverness, Arrowhead Fountains and the Kellogg Building). See Notes to Consolidated Financial Statements Note 2 Significant Accounting Policies.

**Property Improvements**

We currently intend to spend up to \$1 million for capital improvements, including tenant finish, on our properties during 2002. This amount is in addition to amounts that will be expended for routine maintenance and repairs. This amount is expected to be funded from working capital and borrowings under our credit facilities.

**Mortgages and Promissory Notes**

Substantially all of our properties are pledged as collateral for our mortgage debt. The following is a summary of our indebtedness, including mortgage debt:

<b>Description of Indebtedness</b>	<b>Outstanding Balance</b>		
	<b>at December 31,</b>		<b>at March 31,</b>
	<b>2001</b>	<b>2000</b>	<b>2002</b>
<b>Note payable to Transatlantic Capital Company, LLC.</b> Fixed interest at 7.66%, due in monthly installments of principal and interest of \$42,612 through July 1, 2028, with the principal balance and accrued interest due on August 1, 2028. This note may be prepaid on or after July 1, 2008 without penalty and may be defeased after July 13, 2002 by providing non-callable U.S. Government obligations in an amount sufficient to meet all interest and principal payments due under the note. This note is secured by a mortgage on the State of Texas buildings.	\$ 5,798,637	\$ 5,868,255	\$ 5,787,406
<b>Note payable to Jefferson Pilot.</b> Fixed interest at 9.00%, due in monthly installments of principal and interest of \$17,095 through May 1, 2013. This note may be prepaid after March 31, 2003 but only if prepaid in full. A prepayment penalty is required, which declines by 1% per year from 6% in the first year prepayment is allowed down to 1%. This note is secured by a mortgage on four office buildings primarily leased to Bank of America.	1,454,737	1,530,945	1,436,041
<b>Note payable to Security Life of Denver Insurance Company.</b> Fixed interest at 8.00%, due in monthly installments of principal and interest of \$37,626 through May 1, 2022. The lender can call the outstanding balance due on June 1, 2007, June 1, 2012 or June 1, 2017. This note may be prepaid in full with a prepayment penalty equal to the greater of 1% of the outstanding loan amount or the excess of the present value of the remaining principal and interest payments discounted at the interest rate of the closest U.S. Treasury obligation for the remaining term. This note is secured by a mortgage on the Keystone Office Park.	4,528,498	4,620,712	4,505,941

**Table of Contents**

Description of Indebtedness	Outstanding Balance		
	at December 31,		at March 31,
	2001	2000	2002
<b>Note payable to Security Life of Denver Insurance Company.</b> Fixed interest at 8.63%, due in monthly installments of principal and interest of \$4,403 through May 1, 2022. The lender can call the outstanding balance due on June 1, 2007, June 1, 2012 or June 1, 2017. This note may be prepaid in full with a prepayment penalty equal to the greater of 1% of the outstanding loan amount or the excess of the present value of the remaining principal and interest payments discounted at the interest rate of the closest U.S. Treasury obligation for the remaining term. This note is secured by a mortgage on the Keystone Office Park.	505,642	515,108	503,316
<b>Note payable to US Bank National Association.</b> Interest at LIBOR (subject to our election) plus 225 basis points is due monthly (4.89% and 9.06% at December 31, 2001 and 2000, respectively), with the principal balance and any accrued interest due on August 31, 2003. The maturity date may be extended to August 31, 2004 if specified conditions are met. This note may be prepaid at any time without penalty upon the expiration of any applicable LIBOR borrowing period. This note is secured by a mortgage on Sheridan Center.	9,469,799	7,342,522	9,469,799
<b>Note payable to Teachers Insurance and Annuity Association of America.</b> Fixed interest at 7.90%, due in monthly installments of principal and interest of \$108,835 through January 10, 2006, with the outstanding principal balance and accrued interest due on July 10, 2006. The note may not be prepaid, but may be defeased after January 2003 by providing non-callable U.S. Government obligations in an amount sufficient to meet all interest and principal payments due under the note. This note is secured by a mortgage on Sheridan Plaza at Inverness.	14,858,423		14,825,141
<b>Note payable to Nationwide Life Insurance Company.</b> Interest at 1-month LIBOR plus 190 basis points (3.76% at December 31, 2001), due in monthly installments of principal and interest, with the outstanding principal balance and accrued interest due on December 5, 2003. This note may be prepaid on or before December 5, 2002 with a prepayment penalty equal to 0.5% of the outstanding loan amount. There is no prepayment penalty if the note is prepaid after December 5, 2002. This note is secured by a mortgage on Arrowhead Fountains.	9,300,000		9,300,000
<b>Note payable to US Bank National Association.</b> Interest at the bank's internal money market rate (subject to our election) plus 250 basis points (4.77% at December 31, 2001), due in monthly installments with principal payments of \$11,806, with the outstanding principal balance and accrued interest due on December 21, 2004. This note may be prepaid at any time with a prepayment penalty as determined by the loan agreement and the current interest rate contract. This note is secured by a mortgage on the Kellogg Building.	9,488,194		9,452,777

	2001	2000	2002
<b>Note payable to KeyBank National Association.</b> Interest at LIBOR plus 250 basis points (4.31% and 8.90% at December 31, 2001 and 2000, respectively), due in monthly installments, with the outstanding principal balance and accrued interest due on June 1, 2003. This note may be prepaid at any time without penalty. This note is secured by a mortgage on Panorama Falls.	3,004,494	5,119,830	3,036,294
<b>Note payable to Anchor Bank.</b> Fixed interest at 7.75% due in monthly installments of principal and interest of \$22,925 based on a 30-year amortization through June 1, 2008, at which time a balloon payment of \$2,797,181 is due. This note was secured by a mortgage on the Giltedge building in Appleton, Wisconsin, which was sold in June 2001.		3,125,484	
<b>TOTAL</b>	<b>\$ 58,408,424</b>	<b>\$ 28,122,856</b>	<b>\$ 58,316,715</b>

As of March 31, 2002, we had a short-term revolving credit line from a bank in the amount of \$300,000 and a \$1,500,000 short-term unsecured line of credit with Sheridan Investments, LLC, which is owned in part by certain of our officers and directors. See Transactions Between AmeriVest and Related Parties. At March 31, 2002, we had an outstanding balance of \$300,000 on the bank line with an interest rate of 5.75%, and no outstanding balance on the Sheridan Investments, LLC line.

On April 4, 2002, we drew down the remaining available amount of \$1,030,201 on our loan from US Bank for a total outstanding balance of \$10,500,000. The loan is secured by a mortgage on Sheridan Center.

On April 30, 2002, we drew down \$1,000,000 on our credit line from Sheridan Investments, LLC to be used as working capital.

On May 8, 2002, the bank line was repaid and on May 24, 2002, the Sheridan Investments, LLC line was repaid.

**Insurance**

We believe that each of our properties is adequately covered by insurance under a blanket policy.

**Competition**

The business of managing, leasing and operating office buildings is competitive and we compete for tenants with other office buildings, including buildings owned by larger companies with more financial and other resources available to them. This competition could limit our ability to lease our properties, increase or maintain rental rates, or secure attractive investment opportunities. We will need to compete for tenants based on rental rates, attractiveness and location of a property, and quality of maintenance and management services. We believe that our niche focus on multi-tenant office buildings with smaller average tenant sizes will improve our ability to compete. Competitive conditions relating specifically to Sheridan Center, Sheridan Plaza, Arrowhead Fountains and the Kellogg Building are described above under Description of Specific Properties.

**Employees**

As of December 31, 2001, we had no direct employees. At that date, Sheridan Realty Advisors had 31 employees who spent the majority of their time on our business, including five senior executives and 26 administrative, support, construction and property management personnel. As a result of our purchase of the administrative and property management and accounting services business of Sheridan Realty Advisors effective January 1, 2002, three of the senior executives and 22 of the other employees of Sheridan Realty Advisors became our direct employees and manage our day-to-day operations. The three senior executives who became

## **Table of Contents**

our employees, William T. Atkins, our Chief Executive Officer, Charles K. Knight, our President, and D. Scott Ikenberry, our Chief Financial Officer, will also remain employees of Sheridan Realty Advisors and their 2002 salary obligations will be shared between us and Sheridan Realty Advisors such that we will pay their cash compensation and Sheridan Realty Advisors will accrue their deferred compensation as a liability of Sheridan Realty Advisors. Sheridan Realty Advisors retained six employees, consisting of two officers and four administrative personnel. Currently, we employ 16 full-time and three part-time employees, and Sheridan Realty Advisors has six employees, each of whom assist in managing our operations.

The business of Sheridan Realty Advisors is currently limited to advising AmeriVest. Sheridan Realty Advisors is owned by our five executive officers who assist Sheridan Realty Advisors in connection with their continuing advisory duties. As we grow, we anticipate that the remaining employees working for Sheridan Realty Advisors will become our employees.

## **Environmental Matters**

Under various federal, state and local laws and regulations, as an owner or operator of real property we may be liable for the costs of removal or remediation of certain hazardous or toxic substances on our property. These laws often impose such liability regardless of whether we caused or knew of the presence of hazardous or toxic substances and regardless of whether the storage of those substances was in violation of a tenant's lease. Furthermore, the costs of remediation or removal of those substances may be substantial, and the presence of hazardous or toxic substances, or the failure to promptly remediate those substances, may adversely affect our ability to sell the property or to borrow money using the property as collateral.

We have obtained an environmental assessment of each of our properties. These environmental assessments have not revealed any environmental conditions that management believes will subject us to material liability. In addition, we have not been, nor do we have knowledge that any of the previous owners of the properties have been, notified by any governmental authority of any material noncompliance, liability or claim relating to hazardous or toxic substances or other environmental substances in connection with any of the properties. Although we have obtained environmental assessments of the properties, and although we are not aware of any notifications by any governmental authority of any material noncompliance, it is possible that our assessments do not reveal all environmental liabilities or that there are material environmental liabilities of which we are unaware. For a description of pending legal proceedings involving environmental issues, see [Legal Proceedings](#).

After the acquisition of the Sheridan Center buildings, we embarked on an asbestos remediation program in accordance with applicable federal and state requirements, using licensed contractors to remove, wherever accessible or otherwise required, asbestos-containing materials in the buildings, including ceiling tiles, drywall joint compound, wood and metal fire doors, wall texture, mudded pipe elbows and valves, thermal systems insulation, floor tile and mastic and boiler insulation. Most of the remediation has been completed, except for one building, which is expected to be completed over the next few years as tenants vacate spaces, allowing access to the asbestos materials. Through March 31, 2002, we had incurred approximately \$272,000 in asbestos remediation costs. We plan to spend an additional \$380,000 over the next few years to remediate tenant spaces as they become vacant.

## **Legal Proceedings**

On June 14, 2001, a lawsuit was filed in the District Court, Hidalgo County, Texas against Innerarity Austin, Inc., a Nevada corporation, and our wholly-owned subsidiary, AmeriVest Properties Texas, Inc., by Laura Smith alleging that the defendants were negligent and breached various duties in allowing our Mission, Texas building to be contaminated with airborne contaminants while leasing the premises to the plaintiff's employer, the Texas Department of Human Services. Innerarity Austin, Inc. was the previous owner of the property. The plaintiff alleges that due to the acts and omissions of the defendants, she has suffered serious and

## **Table of Contents**

some permanent injuries and severe physical and mental pain. The plaintiff seeks monetary and other relief, including exemplary damages, in excess of \$50,000, and pre-judgment and post-judgment interest as provided by law, costs of the lawsuit and such other relief to which the plaintiff may be justly entitled.

On February 11, 2002, a lawsuit was filed in the District Court, Hidalgo County, Texas against our subsidiary, AmeriVest Properties Texas, Inc., and Woodhaven Management Corporation, our external property manager, by Irma and Yreneo Carranza alleging that we and our property manager were negligent in maintaining our Mission, Texas building while leasing the premises to the plaintiffs' employer, the Texas Department of Human Services. Ms. Carranza alleges that due to the acts and omissions of the defendants, she has suffered serious and some permanent injuries and severe physical and mental pain and loss of consortium. Mr. Carranza alleges loss of consortium, loss of household services and nursing services. The plaintiffs seek monetary and other relief, including exemplary damages, and pre-judgment and post-judgment interest as provided by law, costs of the lawsuit and such other relief to which the plaintiffs may be justly entitled.

We have asserted a general denial of the material allegations in both lawsuits. These lawsuits, if adversely determined, could have a material adverse effect on our business and financial condition, and we cannot assure you that other lawsuits will not be filed. Our insurance company is currently defending us in these lawsuits.

## **Policies and Objectives With Respect to Our Activities**

The following is a discussion of our policies with respect to investment, financing and other activities. The policies with respect to these activities have been determined by our Board of Directors and, although our Board currently does not contemplate any changes to these policies, our Board may change these policies without a vote or other approval of stockholders.

### *Acquisition, Development and Investment Policies*

Our business and growth strategies are designed to maximize total return to stockholders over the medium- and long-term with a niche property type and geographic focus. Our current policies contemplate the possibility of:

direct and indirect ownership of real estate properties, including ownership through subsidiaries, focusing on office properties with typical tenant sizes of between 2,000 and 4,000 square feet;

indirect ownership of those types of properties through investments in corporations, business trusts, general partnerships, limited partnerships, joint ventures and other legal entities; and

development and acquisition of unimproved property or the acquisition and conversion of existing structures.

At the present time, all of our investments in real estate properties are held through fee ownership either directly or indirectly through subsidiaries. Generally, we intend to hold our properties for the long term. However, we may sell properties when we believe the economic benefits, including the income tax consequences, warrant such action. Our long-term view is to focus on multi-tenant office buildings in select cities and dispose of non-core assets and property types when economically and operationally feasible.

Although we have no formal policy as to the allocation of assets among our investments, we generally intend to limit investment in a single property to a maximum of 25% of our total assets. We expect to fund future development and acquisitions utilizing funds from additional indebtedness, future offerings of our securities, sale or exchange of existing properties, and retained cash flow. In order to maintain our qualification as a REIT, we must make annual distributions to our stockholders of at least 90% of our REIT taxable income, which does not include net capital gains. This requirement may impair our ability to use retained cash flow for future acquisitions.

**Table of Contents**

*Financing Policies*

We intend to make additional investments in properties and may incur indebtedness to make those investments or to meet the distribution requirements imposed by the REIT provisions of the Internal Revenue Code to the extent that cash flow from our operations, investments and working capital is insufficient. Additional indebtedness incurred by us may be secured by part or all of our real estate properties. Our Board of Directors has placed no limitations on the number or amount of secured indebtedness or mortgages that may be placed on any one of our properties.

Secured indebtedness incurred by us may be in the form of purchase money obligations to the sellers of properties, or publicly or privately placed debt instruments or financing from banks, institutional investors or other lenders. This indebtedness may be recourse to all or any part of our assets, or may be limited to the particular property to which the indebtedness relates. The proceeds from any borrowings by us may be used for, among other things, refinancing existing indebtedness, financing development and acquisition of properties, financing renovation or redevelopment of properties, the payment of dividends, and working capital.

If our Board of Directors decides to raise additional equity capital, our Board has the authority, generally without stockholder approval and provided we have sufficient authorized shares, to issue additional common stock or preferred stock in any manner, and on such terms and for such consideration, as our Board deems appropriate, including in exchange for property. Existing stockholders have no preemptive right to purchase shares issued in any offering, and any such offering might cause a dilution of a stockholder's investment in us.

**Table of Contents****MANAGEMENT**

The following table sets forth certain information about our directors and executive officers. Each director has been elected for a three-year term until the corresponding annual meeting of stockholders and thereafter until his successor is elected and has qualified. Approximately one-third of the directors are elected at each annual meeting of stockholders. The terms of the directors will terminate at the annual meeting of stockholders in the following years: Messrs. Gelles, Labate and Etter, the Class 1 directors, in 2003; Messrs. Knight and Tepper, the Class 2 directors, in 2004; and Messrs. Atkins and Holman, the Class 3 directors, in 2005.

<b>Name</b>	<b>Age</b>	<b>Position with AmeriVest</b>	<b>Initial Date as Director</b>
<b>Executive Officers and Directors</b>			
William T. Atkins	53	Chief Executive Officer, Director and Chairman of the Board	1999
Charles K. Knight	45	President and Director	1999

John A. Labate (1)(3)	53	Director	1995
Jerry J. Tepper (1)(3)	64	Director	2000

- (1) Member of the Audit Committee of the Board.
- (2) Member of the Compensation Committee of the Board.
- (3) Member of the Nominating Committee of the Board.

**Executive Officers and Directors**

**William T. Atkins** has served as a director of AmeriVest since August 1999, as our Chief Executive Officer since December 1999, and as Chairman of the Board since December 2000. Mr. Atkins became an employee of AmeriVest on January 1, 2002 as a result of our purchase of the administrative and property management and accounting services business of Sheridan Realty Advisors. He has also served as Chairman and a managing member of Sheridan Realty Advisors, LLC since December 1999. Since 1995, he has served as President of Sheridan Realty Corp., of which he is a principal stockholder and co-founder. Sheridan Realty Corp. is involved in the commercial real estate business and serves as the general partner of Sheridan Realty Partners, the former

**Table of Contents**

owner of the Keystone Office Park. Since 1996, Mr. Atkins has also served as general partner of Atkins Ltd. Partnership, an investment company. Since 1996, Mr. Atkins has served as a director of Rock River Trust Company, which is involved in trust administration, and from 1996 through 1998, he served as President of Rock River Trust Company. Prior to forming Sheridan Realty Corp., Mr. Atkins was the President and co-owner of E.K. Williams, an international consulting firm specializing in the franchise industry. Earlier, he was the founder and a senior executive of Watkins Pacific Corporation, a private conglomerate based in Honolulu with multinational operations. Mr. Atkins also developed and managed various real estate developments in Hawaii as a partner in Atkins & Ash. Mr. Atkins earned a Bachelor of Arts degree in economics from Stanford University in 1971.

**Charles K. Knight** has served as our President since October 2000, as a director of AmeriVest since August 1999 and as a Vice President and our corporate Secretary from December 1999 through September 2000. Mr. Knight became an employee of AmeriVest on January 1, 2002 as a result of our purchase of the administrative and property management and accounting services business of Sheridan Realty Advisors. He has also served as President and a managing member of Sheridan Realty Advisors since December 1999. Since 1998, Mr. Knight has served as Vice President and a member of Sheridan Development, LLC. Sheridan Development is involved in the commercial real estate business and serves as the general partner of Sheridan Investments, LLC, the former owner of Sheridan Plaza at Inverness. Since 1996, Mr. Knight has been the owner and served as the President of Abaco Investment Group, a real estate investment company. Earlier, Mr. Knight was a Vice President of Public Storage Inc., a publicly-traded REIT, and Vice President and General Counsel of Cardis Corporation, a publicly-traded automotive parts distributor, and he worked for several years as a corporate securities attorney with firms in New York and Los Angeles. Mr. Knight received his Bachelor of Arts degree from the University of California at Santa Barbara in 1977, and his Juris Doctor and Masters of Business Administration degrees from the University of California at Los Angeles in 1982. Mr. Knight is licensed to practice law in the States of Colorado and New York and maintains an inactive license in California.

**John B. Greenman** has served as a Vice President of AmeriVest since January 2000. He has also served as Senior Vice President and a member of Sheridan Realty Advisors since December 1999. Since 1994, he has served as Vice President of Sheridan Realty Corp. and as a senior officer of other Sheridan Group companies. Prior to joining The Sheridan Group, Mr. Greenman was a Senior Director in the Real Estate Capital Markets Group at Continental Bank in Chicago. He first joined Continental in 1979 and held several corporate banking positions, including an assignment to the bank's London branch. Mr. Greenman also worked at First Interstate Bank. He graduated from Amherst College in 1976 and in 1979 received his Masters of Arts degree from the School of Advanced International Studies at Johns Hopkins University. Mr. Greenman is a member of the Urban Land Institute.

**D. Scott Ikenberry** has served as our Chief Financial Officer since December 1999. Mr. Ikenberry became an employee of AmeriVest on January 1, 2002 as a result of our purchase of the administrative and property management and accounting services business of Sheridan Realty Advisors. He has also served as Chief Financial Officer and a member of Sheridan Realty Advisors since December 1999. Mr. Ikenberry has been Chief Financial Officer of Sheridan Realty Corp. and other Sheridan Group companies since August 1993. Prior to joining The Sheridan Group, he was Vice President-Finance of Realities, Inc., a Denver-based real estate development firm. Earlier, Mr. Ikenberry held senior finance positions with several real estate companies in the Denver area. He began his career in public accounting with Peat Marwick Mitchell & Co. in its Denver, Atlanta and Dallas offices. Mr. Ikenberry received his Bachelor of Science degree in Accounting from the University of Denver in 1972 and his Masters in Professional Accounting (Taxation) degree from the University of Texas at Austin in 1976. He is a member of the American Institute of Certified Public Accountants and the Colorado Society of Certified Accountants.

**Alexander S. Hewitt** has served as a Vice President of AmeriVest since January 2000, as corporate Secretary since October 2000. Mr. Hewitt has also served as Vice Chairman of Sheridan Realty Advisors since December 1999. Since 1990, Mr. Hewitt has also served as Vice President of Sheridan Realty Corp., of which he

## Table of Contents

is a principal stockholder and co-founder and has held senior positions with other Sheridan Group companies. Since 1996, Mr. Hewitt has served as a director of Rock River Trust Company, which is involved in trust administration. Prior to founding Sheridan Realty Corp. with Mr. Atkins, Mr. Hewitt was Managing Director of his family's investment banking group. Earlier, he served as Assistant Treasurer in the international department of Chase Manhattan Bank, and was Managing Director of Archives Inc., a computer manufacturing and marketing firm in Davenport, Iowa. Mr. Hewitt earned a Bachelor of Arts degree in economics and a Bachelor of Science degree in Physics from Knox College in Galesburg, Illinois in 1982.

### **Outside Directors**

**James F. Etter** served as our President from May 1995 until October 2000, as our Chief Financial Officer from July 1996 until December 1999 and as our Chief Executive Officer from January 1997 until December 1999. From 1994 until May 1995, Mr. Etter acted as a consultant with respect to real estate acquisitions not related to AmeriVest. Mr. Etter received his Masters of Business Administration and his Bachelor of Business Administration degrees from the University of Cincinnati. He is a member of the Financial Executives Institute and the National Investor Relations Institute.

**Harry P. Gelles** has served as a director of AmeriVest since June 2000. Mr. Gelles has been a private investor since 1985. During 1998, Mr. Gelles briefly served as a Managing Director of Cruttenden Roth, Inc., an investment banking firm. Mr. Gelles has fifteen years experience in investment banking, serving as a senior executive with Goldman Sachs & Company, White Weld & Co. and Dean Witter. Mr. Gelles also has extensive experience in real estate with Del Webb Corporation for eight years and as a private investor in several real estate development projects in Colorado Springs, Phoenix and Sacramento. Mr. Gelles serves on the Board of Directors of Chelsea Management Company, a public investment management company, Scent Air Technologies, Inc. and on numerous private and charitable boards. Mr. Gelles received his Bachelor of Arts and Masters of Business Administration degrees from Harvard University.

**Robert W. Holman, Jr.** has served as a director of AmeriVest since March 2001. Mr. Holman is also a director of I-Star Financial, a publicly-traded finance company. He is the co-founder of TriNet Corporate Realty Trust and served ten years as Chief Executive Officer and Chairman of the Board of TriNet and its predecessor, Holman/Shidler Capital, Inc., until the 1999 merger of TriNet and Starwood Financial. Starwood Financial changed its name to I-Star Financial in April 2000. Mr. Holman graduated from the University of California at Berkeley with a degree in economics, earned a Masters degree in economics from Lancaster University, England, where he was a British Council Fellow, and is a former Harvard University Loeb Fellow. He has served as a board member, director or senior executive for a number of companies in the U.S., Britain and Mexico in the building materials, construction, finance, Internet commerce, real estate and travel industries.

**John A. Labate** has served as a director of AmeriVest since May 1995. Since September 1999, Mr. Labate has been Vice President and Chief Financial Officer of Applied OpSec, Inc., a provider of anti-counterfeiting technologies. From 1997 to August 1999, Mr. Labate was Vice President and Chief Financial Officer of GeoBiotics, Inc., a Denver based mineral technology company. Prior to 1997, Mr. Labate served as the Chief Financial Officer, Secretary, and Treasurer of Crown Resources Corporation, a publicly traded, Denver, Colorado based international gold mining and exploration company. Mr. Labate received his Bachelor of Science degree in accounting from San Diego State University.

**Table of Contents**

**Jerry J. Tepper** has served as a director of AmeriVest since December 2000. Mr. Tepper has been president of Tepco, Inc., a privately-held real estate investment company, since 1997, president of CF Group Ltd., a privately-held investment company in the retail food business, since 1964, and president of Schoenberg Farms, Inc., a dairy product company, since 1987. Prior to forming Tepco, Mr. Tepper was also a director of Citizens Bank in Westminster, Colorado, when it was purchased by Vectra Bank in 1999. From 1975 through 1980, Mr. Tepper was a director of Regal Petroleum, and from 1979 to 1983, he was a member of the United States Chamber of Commerce Food and Agriculture Committee.

**Table of Contents****EXECUTIVE COMPENSATION****Summary Compensation**

The following table sets forth in summary form the compensation we paid during each of the last three successive fiscal years ended December 31, 2001 to William T. Atkins, our Chief Executive Officer. From January 1, 2000 to December 31, 2001, we had no employees of our own, and therefore all cash compensation and benefits paid to Mr. Atkins and to our other executive officers were paid by Sheridan Realty Advisors, our former administrator and current advisor.

**Summary Compensation Table**

Name and Principal Position	Fiscal Year	Annual Compensation			Long Term Compensation			
		Salary (\$)(1)	Bonus (\$)(2)	Other Annual Compensation (\$)(3)	Awards	Payouts		
					Restricted Stock Awards(#)	Shares of Common Stock Underlying Options/(#)	LTIP Payouts (\$)(3)	All Other Compensation (\$)(4)
William T. Atkins	2001	-0-	-0-	-0-	-0-	-0-	-0-	-0-
Chief Executive Officer	2000	-0-	-0-	-0-	-0-	-0-	-0-	-0-
	1999(5)	-0-	-0-	-0-	-0-	12,000(6)	-0-	-0-

- (1) The dollar value of base salary (cash and non-cash) earned during the year indicated.
- (2) The dollar value of bonus (cash and non-cash) earned during the year indicated.
- (3) AmeriVest does not have in effect any plan that is intended to serve as incentive for performance to occur over a period longer than one fiscal year except for our 1995 Stock Option Plan and our 1998 Stock Option Plan.
- (4) All other compensation received that AmeriVest could not properly report in any other column of the Summary Compensation Table.
- (5) Mr. Atkins became Chief Executive Officer of AmeriVest on December 22, 1999.
- (6) These options to acquire shares of common stock of AmeriVest were awarded by AmeriVest under AmeriVest's 1998 Stock Option Plan in connection with Mr. Atkins' election as a director in 1999.

As a result of our purchase of the administrative and property management and accounting services business of Sheridan Realty Advisors effective January 1, 2002, 25 of Sheridan Realty Advisors' 31 employees, including Messrs. Atkins, Knight and Ikenberry, became our employees and will manage our day-to-day operations. Messrs. Atkins, Knight and Ikenberry will also remain employees of Sheridan Realty Advisors and their 2002 salary obligations will be shared between us and Sheridan Realty Advisors. Mr. Atkins will earn \$170,000 in 2002, with \$60,000 to be paid by us and \$110,000 payable by Sheridan Realty Advisors. Mr. Knight will earn \$160,000 in 2002, with \$120,000 to be paid by us and \$40,000 payable by Sheridan Realty Advisors. Mr. Ikenberry will earn \$150,000 in 2002, with \$120,000 to be paid by us and \$30,000 payable by Sheridan Realty Advisors. See Transactions Between AmeriVest and Related Parties Agreements with Sheridan Realty Advisors, LLC.

**Option Grants**

There were no option grants to Mr. Atkins or any other executive officer during 2001.

**Table of Contents****Aggregated Option Exercises and Year-End Option Value**

The following table provides certain summary information concerning stock option exercises during 2001 by Mr. Atkins and the value of unexercised stock options held by Mr. Atkins as of December 31, 2001.

**Aggregated Option Exercises  
For Fiscal Year Ended December 31, 2001  
And Year-End Option Values (1)**

Name	Shares Acquired on Exercise(#)	Value Realized(\$)	Number of Securities Underlying Unexercised Options at Fiscal Year-End(#)(2)		Value of Unexercised In-the-Money Options at Fiscal Year-End\$(3)	
			Exercisable	Unexercisable	Exercisable	Unexercisable
William T. Atkins	0	0	12,000	0	\$ 11,844	0

- (1) No stock appreciation rights are held by Mr. Atkins.
- (2) The total number of unexercised options held as of December 31, 2001, separated between those options that were exercisable and those options that were not exercisable on that date
- (3) For all unexercised options held as of December 31, 2001, the aggregate dollar value of the excess of the market value of AmeriVest's common stock underlying those options over the exercise price of those unexercised options. These values are shown separately for those options that were exercisable, and those options that were not yet exercisable, on December 31, 2001. As required, the price used to calculate these figures was the closing sale price of AmeriVest's common stock at year's end, which was \$5.80 per share on December 28, 2001.

**Employment, Termination of Employment and Change-in-Control Arrangements**

There are no employment, severance, separation or change-in-control agreements with Mr. Atkins or any of our other executive officers.

**Savings and Retirement Plan**

Effective January 1, 2002, we adopted a 401(k) savings and retirement plan. Under this plan, eligible employees may elect to contribute up to 15% of their gross wages or the maximum amount permitted by the Internal Revenue Service. In addition, we will match up to five percent of each of our employee's contributions with an equivalent value of our common stock.

**Stock Option Plans**

Pursuant to AmeriVest's 1995 and 1998 Stock Option Plans, we may grant options to purchase an aggregate of 330,000 shares of common stock to key employees, directors, and other persons who have or are contributing to the success of the company. The options granted pursuant to the 1995 Stock Option Plan may be incentive options qualifying for beneficial tax treatment for the recipient or they may be non-qualified options. The options granted pursuant to the 1998 Stock Option Plan may be incentive options qualifying for beneficial tax treatment for the recipient, non-qualified options, or non-qualified non-discretionary options. The terms of the 1998 Stock Option Plan concerning incentive options and non-qualified options are substantially the same as those of the 1995 Stock Option Plan except that only our employees or employees of subsidiaries are eligible for incentive options, and employees and other persons who have contributed or are contributing to our success are eligible for non-qualified options.

## **Table of Contents**

Directors who are not employees of the company automatically receive options to purchase 12,000 shares pursuant to the 1998 Stock Option Plan at the time of their election. None of these options are exercisable at the time of grant. One-third of these options become exercisable on December 31 of each of the first three years immediately following the date of grant. The exercise price for options granted to outside directors is the fair market value of the common stock on the date of grant, and all options granted to outside directors expire five years from the date of grant. On the date that all of an outside director's options have become exercisable, options to purchase an additional 12,000 shares, none of which is exercisable at that time, shall be granted to that outside director.

At March 31, 2002, options to purchase an aggregate of 214,000 shares of common stock were outstanding under the option plans. The option committee or the Board may grant additional options to purchase 20,000 shares pursuant to the 1995 Stock Option Plan and 79,000 shares pursuant to the 1998 Stock Option Plan.

All options granted under the 1998 Stock Option Plan will become fully exercisable upon the occurrence of a change in control of AmeriVest upon certain mergers or other reorganizations or asset sales.

Options granted under either the 1995 Stock Option Plan or the 1998 Stock Option Plan generally are not transferable during the option holder's lifetime.

### **Sheridan Realty Advisors, LLC's Warrants**

Under our advisory agreement with Sheridan Realty Advisors, Sheridan Realty Advisors receives compensation designed to provide an incentive for its performance in the form of an advisory fee based on new real property acquisitions and warrants to purchase up to 750,000 shares of our common stock at \$5.00 per share until January 1, 2005. Vested warrants may only be exercised beginning on January 1, 2003. The warrants were issued as of January 1, 2000, and 225,000 warrants vested immediately, after approval by our stockholders on June 6, 2000. The remaining 525,000 warrants vest only upon the completion of an acquisition or long-term lease of real property by us. The aggregate number of warrants that vest upon the completion of an acquisition or long-term lease will be equal to 2.1% of the equity value of the property acquired. Equity value is equal to the acquisition price of the property (including expenses of purchase) plus any capital expenditures and lease-up costs incurred in connection with the property during the first 12 months of ownership less any mortgage debt assumed or incurred in connection with the acquisition. In addition, any cash proceeds from the sale or refinancing of our assets and excess cash flow generated by our assets that is received after January 1, 2000 and that has not previously been deducted from equity value shall be deducted as part of this calculation. The total amount of equity value of real property subject to the incentive compensation provision shall not exceed \$50 million. As of March 31, 2002, 436,457 of the remaining 525,000 warrants had vested.

### **Compensation of Outside Directors**

In 2001, we compensated our outside directors at a rate of \$1,500 per quarter. We also reimburse our directors for expenses incurred in attending meetings and for other expenses incurred on our behalf. In addition, during 2001 and currently, each director who is not our employee or an employee of Sheridan Realty Advisors automatically receives non-qualified, non-discretionary options to purchase shares of common stock under the 1998 Stock Option Plan. See "Stock Option Plans" above.

**Table of Contents****BENEFICIAL OWNERS OF SECURITIES**

As of June 11, 2002, there were 10,849,454 shares of our common stock outstanding. The following table sets forth certain information as of that date with respect to the beneficial ownership of our common stock by each director and named executive officer, by all executive officers and directors as a group, and by each other person known by us to be the beneficial owner of more than five percent of our common stock.

<b>Name and Address of Beneficial Owner</b>	<b>Number of Shares Beneficially Owned(1)</b>	<b>Percentage of Shares Outstanding</b>
William T. Atkins 1780 South Bellaire Street, Suite 515 Denver, Colorado 80222	1,651,789(2)	15.2%

**Table of Contents**

- (1) Beneficial ownership is defined in the regulations promulgated by the SEC as having or sharing, directly or indirectly, (1) voting power, which includes the power to vote, or to direct the voting of, shares of the common stock of an issuer, or (2) investment power, which includes the power to dispose, or to direct the disposition of, shares of the common stock of an issuer. The definition of beneficial ownership includes shares underlying options or warrants to purchase common stock, or other securities convertible into common stock, that currently are exercisable or convertible or that will become exercisable or convertible within 60 days. Unless otherwise indicated, the beneficial owner has sole voting and investment power.
- (2) Includes the following shares which may be deemed to be beneficially owned by Mr. Atkins due to the relationship set forth opposite each entry:

<u>Number of Shares</u>	<u>Nature of Ownership</u>
28,325	The shares are owned directly by Mr. Atkins.
94,934	The shares are owned by Rock River Trust Company, or RRTC, in RRTC's capacity as trustee of various trusts. Mr. Atkins is a director of RRTC but does not vote on any matters concerning RRTC's acquisition, voting or disposition of AmeriVest's securities. Mr. Atkins disclaims beneficial ownership of these shares. The 94,934 shares are included three times in the table regarding each of Mr. Atkins, Mr. Hewitt and for all officers and directors as a group.
206,792	The shares are owned by Sheridan Realty Partners, L.P., in which Mr. Atkins holds an indirect interest through Sheridan Realty Corp., its general partner and a limited partner. The 206,792 shares are included three times in the table regarding each of Mr. Atkins, Mr. Hewitt and for all officers and directors as a group, though they are counted only once for determining the aggregate holdings of all officers and directors as a group.
1,220,115	The shares are owned by Sheridan Investments. Mr. Atkins holds indirect interests in Sheridan Investments through several of its members and holds an approximately 25% interest in, and is co-manager and President of, Sheridan Development, its manager. The 1,220,115 shares are included four times in the table regarding each of Mr. Atkins, Mr. Hewitt, Sheridan Investments and for all officers and directors as a group.
89,400	The shares are owned by Sheridan Realty Advisors, in which Mr. Atkins holds a 20% interest and is a managing member. The 89,400 shares are included three times in the table regarding each of Mr. Atkins, Mr. Knight and for all officers and directors as a group.
12,000	The shares are issuable upon the exercise of currently exercisable options held by Mr. Atkins.
223	The shares are held by Mr. Atkins' minor children

Mr. Atkins and Mr. Hewitt have entered into an agreement providing that, unless and until either person decides otherwise, each will conduct his activities with respect to our securities as if the two of them are a group under the Securities Exchange Act of 1934.

- (3) Includes 1,000 shares owned directly by Mr. Etter and 64,000 shares underlying currently exercisable options held by Mr. Etter.
- (4) Includes 4,565 shares owned directly by Mr. Gelles and 10,000 shares underlying currently exercisable options and warrants held by Mr. Gelles.

**Table of Contents**

(5) Includes the following shares which may be deemed to be beneficially owned by Mr. Hewitt due to the relationship set forth opposite each entry:

<u>Number of Shares</u>	<u>Nature of Ownership</u>
64,567	The shares are owned by the Alexander S. Hewitt Revocable Trust, or the Hewitt Trust, for which Mr. Hewitt is a trustee and beneficiary.
94,934	The shares are owned by RRTC in RRTC's capacity as trustee of various trusts. Mr. Hewitt is a director of RRTC and a beneficiary of some of these trusts, but does not vote on any matters concerning RRTC's acquisition, voting or disposition of AmeriVest's securities. The 94,934 shares are included three times in the table regarding each of Mr. Hewitt, Mr. Atkins and for all officers and directors as a group.
206,792	The shares are owned by Sheridan Realty Partners, L.P. in which Mr. Hewitt holds indirect interests through two trusts which are limited partners and Sheridan Realty Corp., its general partner and a limited partner. The 206,792 shares are included three times in the table regarding each of Mr. Hewitt, Mr. Atkins and for all officers and directors as a group.
1,220,115	The shares are owned by Sheridan Investments. Mr. Hewitt holds indirect interests in Sheridan Investments through several of its members. The 1,220,115 shares are included four times in the table regarding each of Mr. Hewitt, Mr. Atkins, Sheridan Investments and for all officers and directors as a group.
545	The shares are issuable upon the exercise of warrants held by Mr. Hewitt.

Mr. Hewitt and Mr. Atkins have entered into an agreement providing that, unless and until either person decides otherwise, each will conduct his activities with respect to our securities as if the two of them are a group under the Securities Exchange Act of 1934.

- (6) Includes 9,150 shares owned directly by Mr. Holman and 4,000 shares underlying currently exercisable options held by Mr. Holman.
- (7) Includes 5,101 shares owned directly by Mr. Ikenberry.
- (8) Includes 20,349 shares owned directly by Mr. Knight; 13,500 shares underlying currently exercisable options and warrants held by Mr. Knight; 89,400 shares owned directly by Sheridan Realty Advisors in which Mr. Knight holds a 20% interest and is a managing member; 228 shares held by his minor children; and 100 shares underlying currently exercisable warrants held by his minor children.
- (9) Includes 28,000 shares underlying currently exercisable options held by Mr. Labate.
- (10) Includes 40,000 shares owned directly by Mr. Tepper; 420,000 shares owned directly by investment companies which are controlled by Mr. Tepper; and 8,000 shares underlying currently exercisable options held by Mr. Tepper.
- (11) These shares are included four times in the table regarding each of Sheridan Investments, Mr. Atkins, Mr. Hewitt and all officers and directors as a group.

**Table of Contents****TRANSACTIONS BETWEEN AMERIVEST AND RELATED PARTIES**

This section describes the transactions we have engaged in with our current and past directors and officers and persons known by us to be the beneficial owners of 5% or more of our common stock during the past two fiscal years.

**Relationships among AmeriVest and Various Sheridan Group Entities**

All of our executive officers and three of our directors have been officers, directors or investors in various real estate investment companies that are related to Sheridan Realty Advisors, our former administrator. These partnerships, corporations and limited liability companies have collectively been known as The Sheridan Group. All of the related party transactions described in this section concern these individuals and entities. The following table describes our officers and directors who have relationships with The Sheridan Group:

<b>Name</b>	<b>Positions with AmeriVest</b>
William T. Atkins	Chief Executive Officer, Director and Chairman of the Board
Charles K. Knight	President and Director
John Greenman	Vice President
Alexander Hewitt	Vice President and Secretary
D. Scott Ikenberry	Chief Financial Officer
Robert W. Holman	Director

The following table describes the various entities within The Sheridan Group which previously had or currently have a relationship with AmeriVest as described elsewhere in this section, the nature of that relationship and the ownership and position of AmeriVest officers, directors and principal stockholders in each entity in The Sheridan Group.

<b>Sheridan Group Entity</b>	<b>Primary Relationship to AmeriVest</b>	<b>Owners of Sheridan Group Entity</b>	<b>Ownership Percentage</b>	<b>Management of Sheridan Group Entity</b>	<b>Management Position</b>
Sheridan Realty Advisors, LLC	Former administrator and current advisor and 0.8% stockholder (1)	Atkins Knight Greenman Hewitt Trust Ikenberry	20% 20% 20% 20% 20%	Atkins Hewitt Knight Greenman Ikenberry	Chairman Vice Chairman President Senior V.P. CFO
Sheridan Realty Partners, L.P.	1.9% stockholder	Sheridan Realty Corp.  Alexander Hewitt	1% G.P. interest and 3.1335% L.P. interest  Beneficiary of two trusts which own 20.15%	Sheridan Realty Corp. (2)	General Partner

**Table of Contents**

<b>Sheridan Group Entity</b>	<b>Primary Relationship to AmeriVest</b>	<b>Owners of Sheridan Group Entity</b>	<b>Ownership Percentage</b>	<b>Management of Sheridan Group Entity</b>	<b>Management Position</b>
Sheridan Investments, LLC	11.3% stockholder	Atkins Ltd. Partnership	14.056%	Sheridan Development, LLC (5)	Manager
		Hewitt Trust	16.064%		
		Sheridan Management Corp. (3)	8.835%		
		Sheridan Development, LLC	Incentive interest (4)		

- (1) Sheridan Realty Advisors receives an advisory and capital project fee, as well as vesting of AmeriVest warrants, for those services under the terms of our agreement with them, which expires on December 31, 2003. See Agreements with Sheridan Realty Advisors, LLC.
- (2) Mr. Atkins is the President and a director and owns a 16.5% interest. Mr. Hewitt is the Executive Vice President and a director and owns a 20% interest through the Hewitt Trust. Mr. Holman is a director and owns a 5% interest. Mr. Ikenberry is the Chief Financial Officer and a director.
- (3) Mr. Atkins is the President and a director and owns a 50% interest. Mr. Hewitt is the Executive Vice President and a director and owns a 50% interest through the Hewitt Trust.
- (4) Sheridan Development receives a preferred distribution equal to 33 1/3% of distributions after other members have received a return of their original capital contribution plus their cumulative preferred return.
- (5) Mr. Atkins is the Co-Manager and President and owns a 25.05% interest. Mr. Hewitt is the Co-Manager and Executive Vice President and owns 25.05% interest. Mr. Greenman is a Vice President and owns a 20% interest. Mr. Ikenberry is a Chief Financial Officer and owns a 15% interest. Mr. Knight is a Vice President and owns a 14.9% interest.

For a description of the beneficial ownership of our shares by each of Messrs. Atkins, Hewitt, Holman and Knight and by Sheridan Investments, see Beneficial Owners of Securities.

**Asset Purchases and Sales Involving Related Parties**

*Keystone AmeriVest Joint Venture*

In January 2002, we formed Keystone AmeriVest, LLC, to serve as a joint venture company, with Sheridan Realty Partners, L.P., which is owned by certain of our executive officers and directors. Subject to receipt of consent from our lender, we will contribute Keystone Office Park to the joint venture and Sheridan Realty Partners will contribute 2.55 acres of vacant land adjacent to Keystone Office Park. In exchange, we will receive 92 of the 100 total outstanding membership units and Sheridan Realty Partners will receive the remaining eight membership units of Keystone AmeriVest. Under the operating agreement of Keystone AmeriVest, we will have the option to purchase seven of Sheridan Realty Partners eight membership units in exchange for shares of our common stock having a market value equal to \$280,000 at the time of such purchase.

*Sale of Interest in Panorama Falls Building*

On December 6, 2001, we completed the sale of an undivided 80% interest in the Panorama Falls building to Freemark Abbey Panorama, LLC. A partner in Freemark Abbey is an indirect beneficial owner of approximately 9% of Sheridan Investments, LLC, which is the beneficial owner of approximately 18% of our

---

**Table of Contents**

common stock. The aggregate sale price for the interest in Panorama Falls was \$4,800,000 payable by Freemark Abbey as follows:

\$2,180,000 to KeyBank National Association to pay down a portion of the existing mortgage loan;

the assumption of 80% of the remaining existing mortgage loan in the amount of \$2,395,732; and

the remainder of \$304,268, less closing costs, in cash to us.

We retained a 20% interest in the property and will continue to operate and manage the property. We will earn a management fee equal to 5% of the gross revenues and an incentive fee from Freemark Abbey based on the total return of the investment. The incentive fee is calculated as 25% of the cash remaining after both parties have received distributions equal to their initial investments in the property plus a 12% annually compounded cumulative return.

*Purchase of Sheridan Plaza at Inverness, LLC*

On June 25, 2001, we purchased 100% of the ownership interests of Sheridan Plaza at Inverness, LLC from Sheridan Investments. Sheridan Plaza at Inverness, LLC owns two office buildings located in Englewood, Colorado consisting of 118,720 rentable square feet on approximately 6.7 acres of land with 405 total parking spaces, including 80 underground parking spaces. For accounting purposes, the purchase price was \$22,895,067, which consisted of:

\$705,135 for our 9.639% preferred membership interest in Sheridan Investments, LLC, the owner of all of the membership interests in Sheridan Plaza at Inverness LLC, which was transferred back to Sheridan Investments, LLC;

\$6,474,329 paid with (1) 1,057,346 shares of our common stock at a price of \$5.69 per share (as required for accounting purposes, based on an average market price of the shares over a period of several days before and after the date of the announcement of the acquisition) and (2) the cash proceeds of \$458,030 from the sale of the Giltedge building;

assumption of the mortgage in the principal amount of \$14,954,425 secured by the property; and

assumption of other liabilities in the approximate amount of \$761,178.

We used the \$458,030 in net cash proceeds from the sale of the Giltedge building to pay a portion of the purchase price for Sheridan Plaza at Inverness, LLC as part of an Internal Revenue Code Section 1031 tax-deferred exchange. We received stockholder approval for this transaction at a meeting held on June 20, 2001. As a result of the completion of this transaction, Sheridan Realty Advisors was entitled to a fee of \$294,700, which is equal to 5% of the equity value of Sheridan Plaza at Inverness, LLC, in accordance with the terms of our advisory agreement with Sheridan Realty Advisors.

Due to the fact that this transaction involved a related party, the acquisition was recorded at its historical net book value. The difference between the purchase price and the historical net book value was \$4,507,557 and has been recorded as a non-cash dividend during 2001.

*Purchase of Sheridan Investments, LLC Interest*

Effective July 1, 2000, we purchased from Sheridan Realty Partners a 9.639% preferred membership interest in Sheridan Investments, through our wholly-owned subsidiary, AmeriVest Inverness Inc. Sheridan Investments owned all the ownership interests of Sheridan Plaza at Inverness, LLC, which owned a fee simple interest in Sheridan Plaza at Inverness and related assets. The purchase price of the membership interest was \$658,918 payable in the form of 65,892 units, with each unit consisting of two shares of our common stock and one redeemable warrant to purchase one share of our common stock for \$5.00 per share until July 10, 2005. These

## **Table of Contents**

warrants were exercised by Sheridan Realty Partners in March 2001. The agreement also provided for a reduction to the purchase price if, on or before October 31, 2000, a member of Sheridan Investments sold a preferred membership interest at a price less than the purchase price paid by us or Sheridan Investments issued additional preferred membership interests with substantially the same terms as our membership interest at a price less than the purchase price paid by us. No such transaction occurred and no reduction in the purchase price took place. As a result of our purchase of the interest in Sheridan Investments, Sheridan Realty Advisors was entitled to a fee of \$32,946, which is equal to 5% of the equity value of that interest, in accordance with our advisory agreement with Sheridan Realty Advisors.

### *Purchase of Panorama Falls Property*

In order to pay a portion of the purchase price for the Panorama Falls property on May 25, 2000, we borrowed \$225,000 from the Hewitt Trust, using \$200,000 in connection with the purchase. This loan accrued interest at the prime rate, was due on demand after one year or five days after the closing of our 2000 public offering of units of common stock and warrants with proceeds to us of at least \$2 million, and was unsecured. We repaid this loan in August 2000 with the proceeds of our public offering. Alexander S. Hewitt is a stockholder and officer of AmeriVest, an owner and officer of various Sheridan Group companies and a trustee and beneficiary of the Hewitt Trust.

### **Line of Credit with Sheridan Investments, LLC**

On June 13, 2001, our Board of Directors approved our obtaining a \$500,000 one-year line of credit from Sheridan Investments. On March 11, 2002, the Board approved an increase in this line of credit to \$1,500,000. As of June 11, 2002, we had no outstanding balance on this line of credit. This line of credit, which is unsecured and has a rate of interest equal to 75 basis points above the prevailing prime rate charged by Ferris, Baker Watts, provides us with additional liquidity on terms that are more favorable to us than our continuing line of credit with US Bank. Among the more favorable terms are the lack of fees and the unsecured nature of this line of credit. Our line of credit with US Bank is secured by a second mortgage on our Sheridan Center property and a negative pledge on the assets of our AmeriVest Buildings Texas Inc. subsidiary, with an interest rate equal to one point over that bank's prime lending rate.

### **Purchase of Key Man Life Insurance Policy**

In 2000, we purchased from Sheridan Investments the key man life insurance policy maintained on the life of William T. Atkins, our Chairman and Chief Executive Officer. We paid \$79,376 for this policy, which was the excess of the cash value of the policy over the total loan outstanding on the policy. We paid this purchase price by issuing shares of our common stock valued at a price equal to the volume-weighted average trading price of our common stock for the five most recent trading days preceding December 18, 2000. This resulted in the issuance of 16,305 shares of our common stock valued at \$4.868 per share.

### **Agreements with Sheridan Realty Advisors, LLC**

Effective January 1, 2000, we entered into an agreement with Sheridan Realty Advisors for it to act as our administrator and to assume responsibility for our day-to-day operations. This agreement was amended and restated in March 2001 and was further amended and restated as of January 1, 2002 to reduce the types of services provided to AmeriVest and the fees paid by AmeriVest to Sheridan Realty Advisors as a result of our purchase of the administrative, property management and accounting services business from Sheridan Realty Advisors, as described in more detail below.

Prior to the amendment and restatement of the advisory agreement effective as of January 1, 2002, we paid Sheridan Realty Advisors a monthly administrative fee of \$15,800, which was to increase annually by 5%, a property management and accounting fee equal to 5% of the gross collected rents received by us from the

**Table of Contents**

managed properties, and a capital project fee equal to 3% of the total cost of all capital projects in excess of \$100,000 and approved by us. In addition, Sheridan Realty Advisors was entitled to an advisory fee equal to 5% of the equity value of all real property acquired or long-term leased by AmeriVest during the term of the agreement. Equity value is equal to the acquisition price of the property, including expenses of purchase, plus any capital expenditures and lease-up costs incurred in connection with the property during the first 12 months of ownership less any mortgage debt assumed or incurred in connection with the acquisition. This fee was intended to cover overhead expenses of Sheridan Realty Advisors not covered by the other fees paid by AmeriVest and is limited to amounts set forth in an annual budget submitted to AmeriVest.

In addition, Sheridan Realty Advisors received incentive compensation in the form of five-year warrants to purchase up to 750,000 shares of our common stock at \$5.00 per share. The warrants were issued as of January 1, 2000, and 225,000 warrants vested immediately after approval of the issuance of the warrants by our stockholders on June 6, 2000. Sheridan Realty Advisors may utilize the warrants as incentive compensation to its employees. Vested warrants may only be exercised beginning on January 1, 2003. The remaining 525,000 warrants vest only upon the completion of an acquisition or long-term lease of real property by us. During the year ended December 31, 2001, Sheridan Realty Advisors had approximately 387,662 warrants vest under this agreement. As of March 31, 2002, 436,457 of the remaining 525,000 warrants had vested. For a more detailed description of the warrant arrangements with Sheridan Realty Advisors under the advisory agreement, see Executive Compensation Sheridan Realty Advisors, LLC Warrants.

As of December 31, 2001, we had no direct employees. At that date, Sheridan Realty Advisors had 31 employees who spent the majority of their time on our business. All five of our executive officers were employed by Sheridan Realty Advisors and received all of their cash or deferred compensation, health insurance benefits and reimbursement of approved business expenses from Sheridan Realty Advisors. In addition, our executive officers, who are also owners of Sheridan Realty Advisors, were entitled to receive a portion of the five-year incentive warrants described above. In 2001, our five executive officers earned aggregate cash or deferred compensation of \$780,000 from Sheridan Realty Advisors, with each executive officer receiving compensation paid or deferred in excess of \$100,000. As of March 31, 2002, we had an outstanding balance of \$513,852 payable to Sheridan Realty Advisors in connection with previously performed services. Under an agreement between us and Sheridan Realty Advisors dated June 27, 2001, we do not have an obligation to pay any of this outstanding balance until July 27, 2002.

Effective as of January 1, 2002, we purchased the administrative and property management and accounting services business from Sheridan Realty Advisors for the sum of \$100 plus the book value of the furniture, fixtures and equipment at December 31, 2001, which was approximately \$50,000. Three of our senior executives and 22 of the other employees of Sheridan Realty Advisors became our direct employees and manage our day-to-day operations. We agreed to assume sponsorship of, and all assets of and liabilities attributable to, the transferred employees under the employee benefit plans of Sheridan Realty Advisors. The three senior executives who became our employees, William T. Atkins, our Chief Executive Officer, Charles K. Knight, our President, and D. Scott Ikenberry, our Chief Financial Officer, will also remain employees of Sheridan Realty Advisors and their 2002 salary obligations will be shared between us and Sheridan Realty Advisors such that we will pay their cash compensation and Sheridan Realty Advisors will accrue their deferred compensation as a liability of Sheridan Realty Advisors.

In connection with our purchase of the administrative and property management and accounting services business from Sheridan Realty Advisors, we amended and restated our advisory agreement with Sheridan Realty Advisors as of December 31, 2001 and became a self-administered REIT. Sheridan Realty Advisors continues to serve as an outside advisor to the company in connection with capital market activities, real estate acquisitions and dispositions and major capital projects. For these services, Sheridan Realty Advisors will continue to earn an advisory fee equal to 5% of the equity value of all real property acquired or long-term leased by us and a capital project fee equal to 3% of the total cost of all capital projects in excess of \$100,000 and approved by us, as well as continued vesting of the warrants. The amended and restated advisory agreement expires on December 31,

**Table of Contents**

2003 unless terminated earlier. The agreement may be terminated upon 120 days' notice by a majority of our directors who are not affiliated with Sheridan Realty Advisors or by a vote of a majority of our stockholders. In addition, we may terminate the agreement without penalty and without advance notice to Sheridan Realty Advisors upon a material change in the ownership, control or management of Sheridan Realty Advisors. The agreement provides that the resignation of either Mr. Atkins or Mr. Knight from Sheridan Realty Advisors without our prior approval will be deemed a material change in control of Sheridan Realty Advisors.

**Conflicts of Interest Policies**

Our Board of Directors and our officers are subject to certain provisions of Maryland law which are designed to eliminate or minimize the effects of certain potential conflicts of interest. In addition, our bylaws provide that any transaction between us and an interested party must be fully disclosed to our Board, and that a majority of the directors not otherwise interested in the transaction (including a majority of independent directors) must make a determination that the transaction is fair, competitive and commercially reasonable and on terms and conditions not less favorable to us than those available from unaffiliated third parties.

All future transactions between us and our officers, directors and 5% stockholders will be on terms no less favorable than could be obtained from independent third parties and will be approved by a majority of our independent, disinterested directors. We believe that by following these procedures, we will be able to mitigate the possible effects of these conflicts of interest.

Other than as described in this section, there are no material relationships between us and our directors, executive officers or known holders of more than 5% of our common stock.

**Table of Contents**

**DESCRIPTION OF SECURITIES**

Our authorized capital consists of 15,000,000 shares of \$.001 par value common stock and 5,000,000 shares of \$.001 par value preferred stock. There were 10,849,454 shares of common stock issued and outstanding as of June 11, 2002. This figure includes 3,600,000 shares issued in our May 2002 offering and 540,000 shares issued on June 11, 2002 to the underwriters of that offering upon exercise of their over allotment option. There were no shares of preferred stock outstanding as of the date of this prospectus. Warrants issued in our initial public offering were traded on the Nasdaq SmallCap Stock Market under the symbol AMVPW until November 20, 2000 when they expired without being exercised. The following is a description of our securities.

**Common Stock**

*General*

Each share of our outstanding common stock is entitled to share equally with each other share of common stock in dividends from legally available sources, when, as, and if declared by our Board and, upon liquidation or dissolution, whether voluntary or involuntary, to share equally in our assets that are available for distribution to the holders of the common stock. Each holder of common stock is entitled to one vote per share for all purposes, except that in the election of directors, each holder has the right to vote each share for as many persons as there are directors to be elected. Cumulative voting shall not be allowed in the election of directors or for any other purpose, and the holders of common stock have no preemptive rights, redemption rights or rights of conversion with respect to the common stock. All outstanding shares of common stock and all shares underlying the warrants when issued will be fully paid and nonassessable by us. Our Board is authorized to issue additional shares of common stock within the limits authorized by our articles of incorporation and without stockholder action.

Because all shares of our common stock have equal voting rights and voting rights are not cumulative, the holders of more than 50% of the shares of common stock could, therefore, if they chose to do so and unless subject to a voting agreement to the contrary, elect the entire Board.

Although we have paid dividends in the past, we cannot guarantee that we will be able to pay dividends on a regular quarterly basis in the future.

We have reserved 313,000 shares of common stock for issuance upon the exercise of options under our 1995 and 1998 Stock Option Plans.

*Restrictions on Transfer*

To qualify as a REIT under the Internal Revenue Code, our securities must be held by a minimum of 100 persons during at least 335 days in each taxable year subsequent to the first year for which our qualification as a REIT was effective. In addition, at all times during the second half of each taxable year subsequent to the first year for which our REIT qualification was effective, no more than 50% in value of our outstanding stock may be owned, directly or indirectly and by applying certain constructive ownership rules, by five or fewer individuals. In applying this ownership requirement, stock issuable upon exercise of warrants or options to acquire our stock will be considered owned by the warrant- or option-holder. Because our Board of Directors believes it is essential for us to continue to qualify as a REIT, our Board has adopted a provision of our bylaws, referred to in this prospectus as the ownership limitation, restricting the acquisition of our securities.

The ownership limitation provides that, subject to certain exceptions specified in our bylaws, no person may own, or be deemed to own by virtue of the attribution provisions of the Internal Revenue Code, more than 9.0% of the total value of all our outstanding securities. Our Board may, but is not required to, waive the ownership limitation if evidence satisfactory to our Board is presented that such ownership will not jeopardize our status as a REIT. As a condition of that waiver, our Board may require opinions of counsel satisfactory to it or an undertaking from the applicant with respect to preserving our REIT status. The ownership limitation will not apply if our Board and the holders of a majority of our outstanding common stock determine that it is no longer

---

**Table of Contents**

in our best interests to attempt to qualify, or to continue to qualify, as a REIT. If an issuance or transfer of our securities occurs that would result in a violation of the ownership limitation, or which would cause our securities to be held by fewer than 100 persons, that issuance or transfer shall be null and void and the intended transferee will acquire no rights to the securities. If the ownership limitation is not enforceable, a stockholder could acquire shares in excess of the 9.0% ownership limit such that more than 50% in value of our shares could be owned by five or fewer individuals, causing us to fail to qualify as a REIT.

Our bylaws do not require that the ownership limitation be automatically removed even if the REIT provisions of the Internal Revenue Code are changed so as to no longer contain any ownership concentration limitation or if the ownership concentration limitation is increased. Except as otherwise described above, any change in the ownership limitation would require an amendment to our bylaws.

The ownership limitation also provides that any person who owns, directly or by virtue of the attribution provisions of the Internal Revenue Code, more than 1% of the total value of all our outstanding securities and any securities holder requested by us, must file an affidavit with us containing the information specified in our bylaws with respect to that person's ownership of those securities within 30 days after January 1 of each year. In addition, each holder, upon demand, is required to disclose to us in writing this information with respect to the direct, indirect and constructive ownership of our securities as our Board deems necessary to comply with the provisions of the Internal Revenue Code applicable to a REIT or to comply with the requirements of any taxing authority or governmental agency.

If any stockholder purports to transfer shares of our common stock, warrants or other securities to a person and either the transfer would result in our failing to qualify as a REIT, or the transfer would cause the transferee to hold more than the applicable ownership limitation, our bylaws state that the purported transfer will be null and void and the intended transferee will acquire no rights to the securities. In addition, if any person holds common stock in excess of the applicable ownership limitation, the excess common stock will be deemed to have been transferred to an unaffiliated trustee and held in trust for the benefit of a charitable beneficiary. Such person will not receive distributions with respect to the excess shares and will not be entitled to vote those shares. At our option, the person will be required to sell the excess common stock on terms determined by and at our direction or we will redeem those shares for the lesser of the amount paid for the shares and the closing price on the date we exercise our right to redeem. Further, if, in the opinion of our Board, (1) a transfer of our securities would result in any stockholder or group of stockholders acting together owning in excess of the ownership limitation or (2) a proposed transfer of our securities may jeopardize our qualification as a REIT under the Internal Revenue Code, our Board may, in its sole discretion, refuse to allow the securities to be transferred to the proposed transferee. If these restrictions are determined to be void or invalid by virtue of any legal decision, statute, rule or regulation, then the intended transferee of any excess common stock may be deemed, at our option, to have acted as an agent on our behalf in acquiring that excess common stock or other securities and to hold them on our behalf.

**Preferred Stock**

We have available 5,000,000 shares of preferred stock for potential future issuance. No shares of preferred stock were outstanding as of the date of this prospectus.

The preferred stock carries such relative rights, preferences and designations as may be determined by our Board in its sole discretion upon the issuance of any shares of preferred stock. The shares of preferred stock could be issued from time to time by our Board in its sole discretion without further approval or authorization by our stockholders, in one or more series, each of which could have any particular distinctive designations, relative rights and preferences as determined by our Board. The relative rights and preferences that may be determined by our Board in its discretion from time to time, include but are not limited to the following:

the rate of dividend and whether the dividends are to be cumulative and the priority, if any, of dividend payments relative to other series in the class;

whether the shares of any such series may be redeemed, and if so, the redemption price and the terms and conditions of redemption;

---

**Table of Contents**

the amount payable with respect to such series in the event of voluntary or involuntary liquidation and the priority, if any, of each series relative to other series in the class with respect to amounts payable upon liquidation and sinking fund provisions, if any, for the redemption or purchase of the shares of that series; and

the terms and conditions, if any, on which the shares of a series may be converted into or exchanged for shares of any class, whether common or preferred, or into shares of any series of the same class, and if provision is made for conversion or exchange, the times, prices, rates, adjustments and other terms.

The existence of authorized but unissued shares of preferred stock could have anti-takeover effects because we could issue preferred stock with special dividend or voting rights that could discourage potential bidders.

We may issue shares of preferred stock that have dividend, voting and other rights superior to those of our common stock, or that convert into shares of common stock, without the approval of the holders of common stock. This could result in the dilution of the voting rights, ownership and liquidation value of current stockholders.

**Warrants**

*Warrants Issued in Connection with July 2000 Offering*

Each of the 300,000 warrants that were issued in connection with our public offering beginning in July 2000 are exercisable for \$5.00 per share until September , 2005. As of June 11, 2002, 164,200 of these warrants were exercised. Each warrant issued in the July 2000 offering entitles the registered holder to purchase one share of common stock at an exercise price of \$5.00 per share, subject to adjustment in certain events, at any time during the period commencing on July 10, 2000 and expiring on September , 2005, which was extended from July 10, 2005 to reflect the time during which the warrants were not exercisable because the registration statement covering the underlying shares of common stock was not current. Warrant holders may only exercise their warrants if there is a current effective registration statement covering the common stock issuable upon exercise of the warrants. If at any time during the exercise period we do not have on file with the SEC a current effective registration statement covering the common stock issuable upon exercise of the warrants, we will suspend the exercise of the warrants until after the filing of such current effective registration statement and will extend the period for exercise of the warrants by such number of days that the exercises of the warrants have been suspended. The warrants are subject to our redemption at \$.01 per warrant at any time prior to their exercise upon 30 days prior notice to the holders of the warrants, provided that the last trade price of the common stock reported on the American Stock Exchange for at least 15 of the 20 consecutive days ending on the third day prior to the date on which we give notice of redemption has been at least 125% of the then effective exercise price of the warrants or \$6.25 per share.

*Warrants Issued in Connection with Advisory Agreement with Sheridan Realty Advisors, LLC*

Under the terms of our advisory agreement with Sheridan Realty Advisors, Sheridan Realty Advisors received incentive compensation in the form of five-year warrants to purchase up to 750,000 shares of common stock at \$5.00 per share. Issuance of the warrants was approved by the stockholders at our annual meeting on June 6, 2000. According to the agreement, 225,000 of these warrants were granted and vested on the approval date. These vested warrants have an estimated fair value of \$73,668, which is being amortized over the life of the agreement. The remaining 525,000 warrants vest in an amount equal to 2.1% of capital deployed for real property acquisitions. As of March 31, 2002, 436,457 of the remaining 525,000 warrants vested and have an estimated fair value of \$261,691.

*Warrants Issued to Investment Banker*

On June 13, 2001, our Board of Directors approved the issuance of four-year warrants to purchase 50,000 shares of our restricted common stock at a price of \$7.00 per share. These warrants were issued as compensation for investment banking services provided by Neidiger, Tucker, Bruner, Inc. to AmeriVest prior to its July 2001 offering. The warrants have been issued directly to seven officers of that firm.

We did not list the warrants described in this section for trading on any exchange and it is unlikely that any significant over-the-counter market will develop for our outstanding warrants.

---

**Table of Contents**

**Antitakeover Provisions**

*Charter and Bylaws Provisions*

Some provisions of our charter and bylaws may delay or prevent a change in control of our company or other transactions that could provide our common stockholders with a premium over the then-prevailing market price of our common stock or that might otherwise be in the best interests of our stockholders. These provisions include:

*Classified board of directors and size of board fixed within range; removal of directors only for cause* Our Board of Directors is divided into three classes with staggered terms of office. The total number of directors is fixed by a majority vote of the Board of Directors within a range of a minimum of three and a maximum of nine. Directors may only be removed for cause. These provisions may make it more difficult for a third party to gain control of our Board of Directors. At least two annual meeting of stockholders, instead of one, generally would be required to effect a change in a majority of our Board of Directors, and the number of directors cannot be increased above the maximum number of directors specified in our charter without board and stockholder approvals.

*Two-thirds stockholder vote required to approve some amendments to the charter* Some amendments to our charter must be approved by the affirmative vote of stockholders holding at least 66<sup>2</sup>/<sub>3</sub>% of the outstanding shares of our common stock. These voting requirements may make amendments to our charter that stockholders believe desirable more difficult to effect.

*Issuance of preferred stock without stockholder approval* Our Board of Directors has the ability to authorize the issuance of preferred stock without stockholder approval and to set or change the designation, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications, or terms or conditions of redemption of the preferred stock. Our Board of Directors could therefore authorize series of preferred stock that may have voting provisions that could delay or prevent a change in control or other transaction that might involve a premium price or otherwise be in the best interests of our stockholders.

*Ownership Limit* In order to assist us in maintaining our qualification as a REIT, our bylaws contain provisions generally limiting the ownership of shares of our capital stock by any single stockholder to 9.0% of our outstanding shares, unless waived by our Board of Directors. These provisions could also delay or prevent an acquisition or change in control of our company that could benefit our stockholders. In 2001, our Board granted a one-time waiver of this restriction in order to allow the exercise of warrants by Jerry Tepper, a director who beneficially owned or controlled approximately 4% of our outstanding shares as of June 11 taking into account the shares acquired pursuant to the exercise of such warrants. In April of 2002, our Board granted waivers allowing William Atkins and Alexander Hewitt, directors who beneficially owned or controlled approximately 8% and 6%, respectively, of our outstanding shares as of June 11, to beneficially own up to 12.0% and 10.0%, respectively, of our outstanding shares. In connection with these waivers, our Board also reduced the ownership limitation from 9.8% to 9.0%, as described above, so as to assist us in our continued qualification as a REIT. Sheridan Investments, LLC has also been granted a waiver by our Board allowing it to beneficially own up to 19.0% of our outstanding shares. For REIT qualification purposes, our outstanding shares that are owned by Sheridan Investments, LLC are treated as if such shares were owned by the members of Sheridan Investments, LLC in proportion to their respective membership interests. Sheridan Investments, LLC has represented to us that no individual will be treated as beneficially owning shares of our capital stock in excess of the 9.0% ownership limitation (except for Messrs. Atkins and Hewitt, who will not be treated as owning more than 12.0% and 10.0%, respectively, of our outstanding shares) as a result of Sheridan Investments, LLC owning up to 19.0% of our outstanding shares.

## **Table of Contents**

### *Maryland Business Statutes*

As a Maryland corporation, we are subject to the provisions of the Maryland General Corporation Law. Maryland law imposes restrictions on some business combinations and requires compliance with statutory procedures before some mergers and acquisitions can occur. These provisions of Maryland law may have the effect of discouraging offers to acquire us even if the acquisition would be advantageous to our stockholders. These provisions include:

*Unsolicited takeover provisions.* Maryland law provides that the board of directors of a Maryland corporation is not subject to higher duties with regard to actions taken in a takeover context. These provisions may make it more difficult to effect an unsolicited takeover of a Maryland corporation. Maryland law also allows publicly held corporations with at least three independent trustees to elect to be governed by all or any part of Maryland law provisions relating to extraordinary actions and unsolicited takeovers.

*Business combination with interested stockholders.* The Maryland Business Combination Act provides that, unless exempted, a Maryland corporation may not engage in business combinations, including mergers, dispositions of 10% or more of its assets, issuance of shares and other specified transactions, with an interested stockholder or its affiliates, for five years after the most recent date on which the interested stockholder became an interested stockholder and thereafter unless specified criteria are met.

*Control share acquisition.* The Maryland Control Shares Acquisition Act provides that shares acquired by any person over one-tenth, one-third and a majority of the voting power of a corporation do not have voting rights, except to the extent approved by the vote of two-thirds of the votes entitled to be cast on the matter.

*Other constituencies.* Maryland law expressly codifies the authority of a Maryland corporation to include in its charter a provision that allows the board of directors to consider the effect of a potential acquisition of control on stockholders, employees, suppliers, customers, creditors and communities in which offices or other establishments of the corporation are located. Our charter does not include a provision of this type. Maryland law also provides, however, that the inclusion or omission of this type of provision in the charter of a Maryland corporation does not create an inference concerning factors that may be considered by the board of directors regarding a potential acquisition of control. This law may allow our Board of Directors to reject an acquisition proposal even though the proposal was in the best interests of our stockholders.

### **Transfer Agent and Registrar**

Our transfer agent and registrar is UMB Bank, N.A. located at P.O. Box 410064, Kansas City, Missouri 64141-0064; telephone number (800) 884-4225.

**Table of Contents**

**FEDERAL INCOME TAX CONSIDERATIONS**

We have operated and intend to continue to operate in a manner that permits us to satisfy the requirements for taxation as a real estate investment trust ( REIT ) under the applicable provisions of the Internal Revenue Code since our taxable year ended December 31, 1996. No assurance can be given, however, that such requirements will be met. The following is a description of the federal income tax consequences to us and our stockholders of our treatment as a REIT. Since these provisions are highly technical and complex, you are urged to consult your own tax advisor with respect to the federal, state, local, foreign and other tax consequences of the purchase, ownership and disposition of our shares.

Based upon our representations with respect to the facts and in reliance on memoranda prepared by Arthur Andersen LLP, our independent public accountants, as set forth and explained in the discussion below, in the opinion of our counsel, Mayer, Brown, Rowe & Maw, we have been organized in conformity with the requirements for qualification as a REIT since our taxable year ended December 31, 1996, and our current and proposed method of operation described in the prospectus and as represented by management will enable us to satisfy the requirements for such qualification.

This opinion is based on representations made by us as to certain factual matters relating to our organization and intended or expected manner of operation. This opinion is also based on memoranda analyzing our compliance with certain REIT requirements at certain points during the tax years ended December 31 of 1996, 1997, 1998, 1999, 2000 and 2001, as described below, that were prepared by Arthur Andersen LLP (the Andersen Memoranda ). In addition, this opinion is based on the law existing and in effect on the date of filing of this registration statement. Our qualification and taxation as a REIT will depend on our ability to meet on a continuing basis, through actual operating results, asset composition, distribution levels and diversity of share ownership, the various qualification tests imposed under the Internal Revenue Code discussed below. Mayer, Brown, Rowe & Maw will not review compliance with these tests on a continuing basis. No assurance can be given that we will satisfy such tests on a continuing basis.

In brief, if the conditions imposed by the REIT provisions of the Internal Revenue Code are met, entities such as AmeriVest, that invest primarily in real estate and that otherwise would be treated for federal income tax purposes as corporations, are allowed a deduction for dividends paid to stockholders. This treatment substantially eliminates the double taxation at both the corporate and stockholder levels that generally results from the use of corporations. However, as discussed in greater detail below, such an entity remains subject to tax in certain circumstances even if it qualifies as a REIT.

If we fail to qualify as a REIT in any year, we will be subject to federal income taxation as if we were a domestic corporation for that year and, potentially, one or more subsequent years, and our stockholders will be taxed in the same manner as stockholders of ordinary corporations. In this event, we could be subject to potentially significant tax liabilities, and therefore the amount of cash available for distribution to our stockholders would be reduced or eliminated.

Our Board of Directors believes that we have been organized and operated and currently intends that we will continue to operate in a manner that permits us to qualify as a REIT. There can be no assurance, however, that this expectation will be fulfilled, since qualification as a REIT depends on our continuing to satisfy numerous asset, income, ownership and distribution tests described below, which in turn will be dependent in part on our operating results and the makeup of our stockholders.

The following summary is based on the Internal Revenue Code, its legislative history, administrative pronouncements, judicial decisions and United States Treasury Department regulations, subsequent changes to any of which may affect the tax consequences described in this prospectus, possibly on a retroactive basis. The

---

## **Table of Contents**

following summary is not exhaustive of all possible tax considerations and does not give detailed discussion of any state, local, or foreign tax considerations, nor does it discuss all of the aspects of federal income taxation that may be relevant to a prospective stockholder in light of his or her particular circumstances or to various types of stockholders, including insurance companies, tax-exempt entities, financial institutions or broker-dealers, foreign corporations and persons who are not citizens or residents of the United States, subject to special treatment under the federal income tax laws.

### **Taxation of AmeriVest**

#### *General*

In any year in which we qualify as a REIT, in general we will not be subject to federal income tax on that portion of our REIT taxable income or capital gain which is distributed to our stockholders. We may, however, be subject to tax at normal corporate rates upon any taxable income or capital gain not distributed to our stockholders. To the extent that we elect to retain and pay income tax on our net long-term capital gain, our stockholders are required to include their proportionate share of our undistributed long-term capital gain in income but will receive a credit for their share of any taxes we pay on such gain.

Notwithstanding our qualification as a REIT, we may also be subject to taxation in other circumstances. If we should fail to satisfy either the 75% or the 95% gross income test, which are discussed below, and nonetheless maintain our qualification as a REIT because other requirements are met, we will be subject to a 100% tax on the greater of either (1) the amount by which 75% of our gross income exceeds the amount qualifying under the 75% test for the taxable year or (2) the amount by which 90% of our gross income exceeds the amount of our income qualifying under the 95% test for the taxable year, multiplied in either case by a fraction intended to reflect our profitability. We will be subject to a tax of 100% on net income from any prohibited transaction, as described below, and if we have net income from the sale or other disposition of foreclosure property which is held primarily for sale to customers in the ordinary course of business or other non-qualifying income from foreclosure property, we will be subject to tax on such income from foreclosure property at the highest corporate rate. We will also be subject to a tax of 100% on the amount of any rents from real property, deductions or excess interest paid to us by any of our taxable REIT subsidiaries that would be reduced through reapportionment under section 482 of the Internal Revenue Code in order to more clearly reflect income of the taxable REIT subsidiary. A taxable REIT subsidiary is any corporation for which a joint election has been made by a REIT and such corporation to treat such corporation as a taxable REIT subsidiary with respect to such REIT. See Other Tax Considerations Investments in taxable REIT subsidiaries. In addition, if we should fail to distribute during each calendar year at least the sum of:

- (1) 85% of our REIT ordinary income for such year;
- (2) 95% of our REIT capital gain net income for such year, other than capital gains we elect to retain and pay tax on as described below; and
- (3) any undistributed taxable income from prior years,

we would be subject to a 4% excise tax on the excess of such required distribution over the amounts actually distributed. To the extent that we elect to retain and pay income tax on our long-term capital gain, such retained amounts will be treated as having been distributed for purposes of the 4% excise tax. A REIT is permitted to designate in a notice mailed to stockholders within 60 days of the end of the taxable year, or in a notice mailed with its annual report for the taxable year, such amount of undistributed net long-term capital gains it received during the taxable year, which its stockholders are to include in their taxable income as long-term capital gains. Thus, if we made this designation, our stockholders would include in their income as long-term capital gains their proportionate share of the undistributed net capital gains as designated by us and we would have to pay the tax on such gains within 30 days of the close of our taxable year. Each of our stockholders would be deemed to have paid the stockholder's share of the tax paid by us on such gains, which tax would be credited or refunded to the stockholder. A stockholder would increase his or her tax basis in his or her shares by the difference between

---

**Table of Contents**

the amount of income to the holder resulting from the designation less the holder's credit or refund for the tax paid by us. We may be subject to annual penalties of \$25,000 (or \$50,000 in the case of intentional disregard) if we fail to comply with the Treasury Department regulations for ascertaining our actual ownership. We may also be subject to the corporate alternative minimum tax and a tax on the built-in gains associated with some of our properties (see Other Tax Considerations Tax on built-in gain ), as well as tax in various situations and on some types of transactions not presently contemplated. We will use the calendar year both for federal income tax purposes and for financial reporting purposes.

In order to qualify as a REIT, we must meet, among others, the following requirements:

*Share ownership test*

Our shares must be held by a minimum of 100 persons for at least 335 days in each taxable year following our first taxable year (or a proportional number of days in any short taxable year). In addition, at all times during the second half of each taxable year following our first taxable year, no more than 50% in value of our shares may be owned, directly or indirectly and by applying constructive ownership rules, by five or fewer individuals, which for this purpose includes some tax-exempt entities. Any shares held by a qualified domestic pension or other retirement trust will be treated as held directly by its beneficiaries in proportion to their actuarial interest in such trust rather than by such trust. If we comply with the Treasury Department regulations for ascertaining our actual ownership and did not know, or exercising reasonable diligence would not have reason to know, that more than 50% in value of our outstanding shares were held, actually or constructively, by five or fewer individuals, then we will be treated as meeting such requirement.

In order to ensure compliance with the 50% test, we have placed restrictions on the transfer of our shares to prevent additional concentration of ownership. Moreover, to evidence compliance with these requirements under Treasury Department regulations, we must maintain records which disclose the actual ownership of our outstanding shares and such regulations impose penalties against us for failing to do so. In fulfilling our obligations to maintain records, we must and will demand written statements each year from the record holders of designated percentages of our shares disclosing the actual owners of such shares as prescribed by Treasury Department regulations. A list of those persons failing or refusing to comply with such demand must be maintained as a part of our records. A stockholder failing or refusing to comply with our written demand must submit with his or her tax returns a similar statement disclosing the actual ownership of our shares and other information. In addition, our bylaws provide that no stockholder may own more than 9.0% in number or in value of our outstanding shares and set forth other restrictions regarding the transfer of shares that are intended to assist us in continuing to satisfy the share ownership requirements. Although our Board of Directors has granted limited waivers of these restrictions with respect to certain stockholders in the past, and may do so in the future, we intend to enforce the 9.0% limitation on ownership of shares to the extent necessary to assure that our qualification as a REIT will not be compromised. If as a result of such waivers more than 50% in value of our shares were to be owned by five or fewer individuals, then we could fail to qualify as a REIT. Furthermore, if the ownership limitation is not enforceable a stockholder could acquire shares in excess of the 9.0% ownership limit such that more than 50% in value of our shares could be owned by five or fewer individuals, causing us to fail to qualify as a REIT.

In rendering its opinion as to our qualification as a REIT, Mayer, Brown, Rowe & Maw is relying on the Andersen Memoranda and our representations with respect to the ownership of our outstanding shares. The Andersen Memoranda show the results of applying the ownership tests as of December 31 of 1996, 1997, 1998, 1999 and 2000 and as of March 31, 2001, and conclude that we have satisfied the ownership tests as of each such date. As described above, the ownership tests apply on a daily basis. With respect to dates not tested in the Andersen Memoranda, Mayer, Brown, Rowe & Maw is relying on our representations as to our ownership.

These provisions could also delay or prevent an acquisition or change in control of our company that could benefit our stockholders.

## Table of Contents

### *Asset tests*

At the close of each quarter of our taxable year, we must satisfy tests relating to the nature of our assets determined in accordance with generally accepted accounting principles. Where we invest in a partnership, limited liability company or trust taxed as a partnership or as a disregarded entity, we will be deemed to own a proportionate share of the partnership's, limited liability company's or trust's assets. In addition, when we own 100% of a corporation that is not a taxable REIT subsidiary (a qualified REIT subsidiary), we will be deemed to own 100% of the corporation's assets. First, at least 75% of the value of our total assets must be represented by interests in real property, interests in mortgages on real property, shares in other REITs, cash, cash items, government securities, and qualified temporary investments. Second, although the remaining 25% of our assets generally may be invested without restriction, we are prohibited from owning securities representing more than 10% of either the vote or value of the outstanding securities of any issuer other than a qualified REIT subsidiary, another REIT or a taxable REIT subsidiary (the 10% vote and value test). Further, no more than 20% of the value of our total assets may be represented by securities of one or more taxable REIT subsidiaries and no more than 5% of the value of our total assets may be represented by securities of any non-government issuer other than a qualified REIT subsidiary, another REIT or a taxable REIT subsidiary (the 20% and 5% asset tests). As noted above, when we invest in an entity classified as a partnership for federal income tax purposes, we will be deemed to own a proportionate share of such partnership's assets. Equity interests in partnerships do not constitute securities for purposes of these tests. Accordingly, our investment in properties through our interest in any such partnership would be treated as an investment in qualified assets for purposes of the 75% asset test to the extent the partnership's assets so qualify. However, debt securities issued by a partnership or another REIT generally constitute securities for purposes of the 5% asset test and the 10% value test, except that certain straight debt securities are not treated as securities for purposes of the 10% value test (for example, qualifying debt securities of a corporation of which we own no equity interest or of a partnership if we own at least a 20% profits interest in the partnership). We do not currently own securities of any issuer which is not treated as either a qualified REIT subsidiary or a taxable REIT subsidiary, however we may acquire such securities in the future.

Based upon an analysis of the estimated value of the securities owned by us in taxable REIT subsidiaries and non-government issuers relative to the estimated value of the total assets owned by us, we believe that we satisfy all of the asset tests. In rendering its opinion as to our qualification as a REIT, Mayer, Brown, Rowe & Maw is relying on the Andersen Memoranda and our representations with respect to the value of our securities and assets and our conclusion that we satisfy each of the asset tests. The Andersen Memoranda show the results of applying the asset tests for the fourth quarters of our 1996, 1997, 1998, 1999 and 2000 taxable years and for the first quarter of our 2001 taxable year, and conclude that we have satisfied each of the asset tests with respect to each such quarter. As described above, the asset tests apply on a quarterly basis. With respect to quarters not tested in the Andersen Memoranda, Mayer, Brown, Rowe & Maw is relying on our representations regarding the composition of our assets.

### *Gross income tests*

There are currently two separate percentage tests relating to the sources of our gross income which must be satisfied for each taxable year. For purposes of these tests, where we invest in a partnership, limited liability company or trust taxed as a partnership or as a disregarded entity, we will be treated as receiving our share of the income and loss of the partnership, limited liability company or trust, and the gross income of the partnership, limited liability company or trust will retain the same character in our hands as it has in the hands of the partnership, limited liability company or trust. In addition, when we own 100% of a corporation that is not a taxable REIT subsidiary, we will be deemed to receive 100% of the corporation's income. The two tests are as follows:

1. *The 75% Test.* At least 75% of our gross income for the taxable year must be qualifying income. Qualifying income generally includes:
  - (1) rents from real property except as modified below;
  - (2) interest on obligations secured by mortgages on, or interests in, real property;

**Table of Contents**

- (3) gains from the sale or other disposition of interests in real property and real estate mortgages, other than gain from property held primarily for sale to customers in the ordinary course of our trade or business ( dealer property );
- (4) dividends or other distributions on shares in other REITs, as well as gain from the sale of such shares;
- (5) abatements and refunds of real property taxes;
- (6) income from the operation of, and gain from the sale of, foreclosure property, which means property acquired at or in lieu of a foreclosure of the mortgage secured by such property for which an election has been made;
- (7) commitment fees received for agreeing to make loans secured by mortgages on real property or to purchase or lease real property; and
- (8) certain qualified temporary investment income attributable to the investment of new capital received by us in exchange for our shares or certain publicly offered debt which income is received or accrued during the one-year period following the receipt of such capital.

Rents received from a tenant will not, however, qualify as rents from real property in satisfying the 75% test, or the 95% gross income test described below, if we, or an owner of 10% or more of our shares, directly or constructively owns 10% or more of such tenant unless the tenant is our taxable REIT subsidiary and certain other requirements are met with respect to the real property being rented. In addition, if rent attributable to personal property leased in connection with a lease of real property is greater than 15% of the total rent received under the lease, then the portion of rent attributable to such personal property will not qualify as rents from real property. Moreover, an amount received or accrued will not qualify as rents from real property, or as interest income, for purposes of the 75% and 95% gross income tests if it is based in whole or in part on the income or profits of any person, although an amount received or accrued generally will not be excluded from rents from real property solely by reason of being based on a fixed percentage or percentages of receipts or sales. Finally, for rents received to qualify as rents from real property, we generally must not furnish or render services to tenants, other than through a taxable REIT subsidiary or an independent contractor from whom we derive no income, except that we may directly provide services that are usually or customarily rendered in connection with the rental of properties for occupancy only, or are not otherwise considered rendered to the occupant for his convenience. A REIT is permitted to render a de minimis amount of impermissible services to tenants, and still treat amounts received with respect to that property as rent from real property. The amount received or accrued by the REIT during the taxable year for the impermissible services with respect to a property may not exceed 1% of all amounts received or accrued by the REIT directly or indirectly from the property. The amount received for any service or management operation for this purpose shall be deemed to be not less than 150% of the direct cost of the REIT in furnishing or rendering the service or providing the management or operation. Furthermore, we may furnish such impermissible services to tenants through a taxable REIT subsidiary and still treat amounts otherwise received with respect to the property as rents from real property.

We provide services at the properties that we own and may provide the services at any of our newly acquired properties. We believe that, for purposes of the 75% and 95% gross income tests, the services provided at our properties either (i) are or will be of the type which are usually or customarily rendered in connection with the rental of space for occupancy only and not those rendered to the occupant for his convenience or (ii) have not jeopardized and will not jeopardize our status as a REIT. We believe this is also true for any other services and amenities provided by us or our agents. Mayer, Brown, Rowe & Maw, in rendering its opinion as to our qualification as a REIT, is relying on our representations to that effect. We intend that independent contractors or a taxable REIT subsidiary will perform services that cannot be provided directly by us or our agents.

2. *The 95% Test.* In addition to deriving 75% of our gross income from the sources listed above, at least 95% of our gross income for the taxable year must be derived from the above-described qualifying income, or from dividends, interest or gains from the sale or disposition of stock or other securities that are not dealer property. Dividends, other than on REIT shares, and interest on any obligations not secured by an interest in real

---

**Table of Contents**

property are included for purposes of the 95% test, but not for purposes of the 75% test. In addition, payments to us under an interest rate swap, cap agreement, option, futures contract, forward rate agreement or any similar financial instrument we enter into to hedge indebtedness incurred or to be incurred, and any gain from the sale or other disposition of these instruments, are treated as qualifying income for purposes of the 95% test, but not for purposes of the 75% test.

For purposes of determining whether we comply with the 75% and 95% income tests, gross income does not include income from prohibited transactions. A prohibited transaction is a sale of property held primarily for sale to customers in the ordinary course of a trade or business, excluding foreclosure property, unless we hold such property for at least four years and other requirements relating to the number of properties sold in a year, their tax bases, and the cost of improvements made to the property are satisfied. See *Taxation of AmeriVest General*.

We believe that for purposes of both the 75% and the 95% gross income tests, our investment in properties in major part gives rise to qualifying income in the form of rents. We also believe that gains on sales of the properties generally will also constitute qualifying income.

Even if we fail to satisfy one or both of the 75% or 95% gross income tests for any taxable year, we may still qualify as a REIT for such year if we are entitled to relief under provisions of the Internal Revenue Code. These relief provisions will generally be available if:

- (1) our failure to comply was due to reasonable cause and not to willful neglect;
- (2) we report the nature and amount of each item of our income included in the tests on a schedule attached to our tax return; and
- (3) any incorrect information on this schedule is not due to fraud with intent to evade tax.

If these relief provisions apply, however, we will nonetheless be subject to a special tax upon the greater of the amount by which we fail either the 75% or 95% gross income test for that year.

In rendering its opinion as to our qualification as a REIT, Mayer, Brown, Rowe & Maw is relying on the Andersen Memoranda and our representations with respect to the sources of our gross income and our conclusion that we satisfy the 75% and the 95% gross income tests. The Andersen Memoranda show the results of applying the gross income tests for our 1996, 1997, 1998, 1999 and 2000 taxable years and conclude that we have satisfied the 75% and the 95% gross income tests for each such taxable year. In addition, the Andersen Memoranda show the results of applying the gross income tests as of March 31, 2001. As described above, the gross income tests apply on an annual basis. With respect to our satisfaction of the gross income tests for the remainder of our 2001 taxable year, Mayer, Brown, Rowe & Maw is relying on our representations regarding the sources of our gross income.

*Annual distribution requirements*

In order to qualify as a REIT, we are required to make distributions, other than capital gain dividends, to our stockholders each year in an amount at least equal to the sum of 90% of our REIT taxable income, computed without regard to the dividends paid deduction and REIT net capital gain, plus 90% of our net income after tax, if any, from foreclosure property, minus the sum of various items of excess non-cash income.

---

**Table of Contents**

Such distributions must be paid in the taxable year to which they relate, or in the following taxable year if declared before we timely file our tax return for such year and if paid on or before the first regular dividend payment after such declaration. To the extent that we do not distribute all of our net capital gain or if we distribute at least 90%, but less than 100%, of our REIT taxable income, as adjusted, we will be subject to tax on the undistributed amount at regular capital gains or ordinary corporate tax rates, as the case may be. A REIT is permitted, with respect to undistributed net long-term capital gains it received during the taxable year, to designate in a notice mailed to stockholders within 60 days of the end of the taxable year, or in a notice mailed with its annual report for the taxable year, such amount of such gains which its stockholders are to include in their taxable income as long-term capital gains. Thus, if we made this designation, our stockholders would include in their income as long-term capital gains their proportionate share of the undistributed net capital gains as designated by us and we would have to pay the tax on such gains within 30 days of the close of our taxable year. Each of our stockholders would be deemed to have paid the stockholder's share of the tax paid by us on such gains, which tax would be credited or refunded to the stockholder. A stockholder would increase his or her tax basis in his or her shares by the difference between the amount of income to the holder resulting from the designation less the holder's credit or refund for the tax paid by us.

We intend to make timely distributions sufficient to satisfy the annual distribution requirements and to avoid corporate income tax and the 4% excise tax. It is possible that we may not have sufficient cash or other liquid assets to meet the 90% distribution requirement due to timing differences between the actual receipt of income and actual payment of expenses on the one hand, and the inclusion of such income and deduction of such expenses in computing our REIT taxable income on the other hand. Additionally, this may be due to our inability to control cash distributions from any properties over which we do not have decision making control, or for other reasons. To avoid any problem with the 90% distribution requirement, we will closely monitor the relationship between our REIT taxable income and cash flow and, if necessary, intend to borrow funds in order to satisfy the distribution requirement. However, there can be no assurance that such borrowing would be available at such time.

Distributions must generally be made during the taxable year to which they relate. Dividends may be paid in the following year in two circumstances. First, dividends may be declared in the following year if the dividends are declared before we timely file our tax return for the year and if made before the first regular dividend payment made after such declaration. Second, if we declare a dividend in October, November, or December of any year with a record date in one of these months and pay the dividend on or before January 31 of the following year, we will be treated as having paid the dividend on December 31 of the year in which the dividend was declared. To the extent that we do not distribute all of our net capital gain or if we distribute at least 90%, but less than 100% of our REIT taxable income, as adjusted, we will be subject to tax on the undistributed amount at regular capital gains or ordinary corporate tax rates, as the case may be.

If we fail to meet the 90% distribution requirement as a result of an adjustment to our tax return by the IRS, we may retroactively cure the failure by paying a deficiency dividend, plus applicable penalties and interest, within a specified period.

In rendering its opinion as to our qualification as a REIT, Mayer, Brown, Rowe & Maw is relying on the Andersen Memoranda and our representations with respect to our distributions. The Andersen Memoranda show the results of applying the distribution requirements for our 1996, 1997, 1998, 1999 and 2000 taxable years and conclude that we have satisfied the distribution requirements for each such taxable year. In addition, the Andersen Memoranda show the results of applying the distribution requirements as of March 31, 2001. As described above, the distribution requirements apply on an annual basis. With respect to our satisfaction of the distribution requirements for the remainder of our 2001 taxable year, Mayer, Brown, Rowe & Maw is relying on our representations regarding our distributions.

*Failure to qualify.* If we fail to qualify for taxation as a REIT in any taxable year and certain relief provisions do not apply, we will be subject to tax, including applicable alternative minimum tax, on our taxable

---

## **Table of Contents**

income at regular corporate rates. Distributions to our stockholders in any year in which we fail to qualify as a REIT will not be deductible by us, nor generally will they be required to be made under the Internal Revenue Code. In such event, to the extent of our current and accumulated earnings and profits, all distributions to stockholders will be taxable as ordinary income and, subject to limitations in the Internal Revenue Code, corporate distributees may be eligible for the dividends-received deduction. Unless entitled to relief under specific statutory provisions, we also will be disqualified from re-electing taxation as a REIT for the four taxable years following the year during which qualification was lost.

### **Taxation of our Stockholders**

*Taxation of taxable domestic stockholders.* As long as we qualify as a REIT, distributions made to our taxable domestic stockholders out of our current or accumulated earnings and profits, and not designated as capital gain dividends, will be taken into account by them as ordinary income and will not be eligible for the dividends-received deduction for corporations. Distributions and undistributed amounts that are designated as capital gain dividends will be taxed as long-term capital gains, to the extent they do not exceed our actual net capital gain for the taxable year, without regard to the period for which the stockholder has held its shares. However, corporate stockholders may be required to treat up to 20% of some capital gain dividends as ordinary income. To the extent that we make distributions in excess of our current and accumulated earnings and profits, these distributions are treated first as a tax-free return of capital to our stockholders, reducing the tax basis of a stockholder's shares by the amount of such distribution, but not below zero, with distributions in excess of the stockholder's tax basis taxable as capital gains, if the shares are held as a capital asset. In addition, any dividend we declare in October, November or December of any year and payable to a stockholder of record on a specific date in any such month shall be treated as both paid by us and received by the stockholder on December 31 of such year, provided that the dividend is actually paid by us during January of the following calendar year. Stockholders may not include in their individual income tax returns any of our net operating losses or capital losses. Federal income tax rules may also require that certain minimum tax adjustments and preferences be apportioned to our stockholders.

In general, any loss upon a sale or exchange of shares by a stockholder who has held such shares for six months or less, after applying holding period rules, will be treated as a long-term capital loss, to the extent of distributions required to be treated by such stockholder as long-term capital gains.

Gain from the sale or exchange of shares held for more than one year is taxed at a maximum capital gain rate of 20% (or 18% for shares acquired on or after January 1, 2001 and held for more than five years). Pursuant to Internal Revenue Service guidance, we may classify portions of our capital gain dividends as gains eligible for the 20% (or 18%) capital gains rate or as unrecaptured Internal Revenue Code section 1250 gain taxable at a maximum rate of 25%.

Stockholders should consult their tax advisor with respect to taxation of capital gains and capital gain dividends and with regard to state, local and foreign taxes on capital gains.

*Backup withholding.* We will report to our domestic stockholders and to the Internal Revenue Service the amount of distributions paid during each calendar year, and the amount of tax withheld, if any, with respect to the paid distributions. Under the backup withholding rules, a stockholder may be subject to backup withholding at applicable rates with respect to distributions paid unless such stockholder is a corporation or comes within other exempt categories and, when required, demonstrates this fact or provides a taxpayer identification number, certifies as to no loss of exemption from backup withholding, and otherwise complies with applicable requirements of the backup withholding rules. A stockholder that does not provide us with its correct taxpayer identification number may also be subject to penalties imposed by the Internal Revenue Service. Any amount paid as backup withholding will be credited against the stockholder's income tax liability. In addition, we may be required to withhold a portion of capital gain distributions made to any stockholders who fail to certify their non-foreign status to us.

---

**Table of Contents**

*Taxation of tax-exempt stockholders.* The Internal Revenue Service has issued a revenue ruling in which it held that amounts distributed by a REIT to a tax-exempt employees' pension trust do not constitute unrelated business taxable income. Subject to the discussion below regarding a pension-held REIT, based upon the ruling, the analysis in the ruling and the statutory framework of the Internal Revenue Code, distributions to a stockholder that is a tax-exempt entity should also not constitute unrelated business taxable income, provided that the tax-exempt entity has not financed the acquisition of its shares with acquisition indebtedness within the meaning of the Internal Revenue Code, that the shares are not otherwise used in an unrelated trade or business of the tax-exempt entity, and that we, consistent with our present intent, do not hold a residual interest in a real estate mortgage investment conduit.

However, if any pension or other retirement trust that qualifies under section 401(a) of the Internal Revenue Code holds more than 10% by value of the interests in a pension-held REIT at any time during a taxable year, a portion of the dividends paid to the qualified pension trust by such REIT may constitute unrelated business taxable income if the percentage of our dividends that the qualified pension trust would be required to treat as unrelated business taxable income is at least 5%. For these purposes, a pension-held REIT is defined as a REIT if such REIT would not have qualified as a REIT but for the provisions of the Internal Revenue Code which look through such a qualified pension trust in determining ownership of stock of the REIT and at least one qualified pension trust holds more than 25% by value of the interests of such REIT or one or more qualified pension trusts (each owning more than a 10% interest by value in the REIT) hold in the aggregate more than 50% by value of the interests in such REIT.

*Taxation of foreign stockholders.* We will qualify as a domestically-controlled REIT so long as less than 50% in value of our shares is held by foreign persons, for example, nonresident aliens and foreign corporations, partnerships, trusts and estates. We believe that we have qualified and will continue to qualify as a domestically-controlled REIT. Under these circumstances, gain from the sale of our shares by a foreign person should not be subject to U.S. taxation, unless such gain is effectively connected with such person's U.S. business or, in the case of an individual foreign person, such person is present within the U.S. for more than 182 days in such taxable year and certain other conditions are met.

Distributions of cash generated by our real estate operations, but not by the sale or exchange of our real estate properties, that are paid to foreign persons generally will be subject to U.S. withholding tax at a rate of 30%, unless an applicable tax treaty reduces or eliminates that tax and the foreign stockholder files with us the required form evidencing eligibility for such lower rate or unless the foreign stockholder files an Internal Revenue Service Form W-8ECI with us claiming that the distribution is effectively connected income. Under applicable Treasury Regulations, foreign stockholders generally must provide the Internal Revenue Service Form W-8ECI beginning January 1, 2000 and every three years thereafter unless the information on the form changes before that date.

Distributions of proceeds attributable to the sale or exchange by us of U.S. real property interests are subject to income and withholding taxes pursuant to the Foreign Investment in Real Property Tax Act of 1980, and may be subject to branch profits tax in the hands of a stockholder which is a foreign corporation if it is not entitled to treaty relief or exemption. We are required by applicable Treasury Regulations to withhold 35% of any distribution to a foreign person that could be designated by us as a capital gain dividend; this amount is creditable against the foreign stockholder's Foreign Investment in Real Property Tax Act tax liability.

The federal income taxation of foreign persons is a highly complex matter that may be affected by many other considerations. Accordingly, foreign investors should consult their own advisors regarding the income and withholding tax considerations with respect to their investment.

**Other Tax Considerations**

*Investments in taxable REIT subsidiaries.* We and Kellogg Executive Suites, Inc. have jointly elected for Kellogg Executive Suites, Inc. to be treated as a taxable REIT subsidiary of us, effective January 10, 2002. As a

---

**Table of Contents**

taxable REIT subsidiary, Kellogg Executive Suites, Inc. will pay federal and state income taxes at the full applicable corporate rates on its taxable income prior to payment of any dividends. To the extent Kellogg Executive Suites, Inc. is required to pay federal, state or local taxes, the cash available for distribution to its stockholders will be reduced accordingly.

Taxable REIT subsidiaries are subject to full corporate level taxation on their earnings, but are permitted to engage in certain types of activities which cannot be performed directly by REITs without jeopardizing their REIT status. Taxable REIT subsidiaries are subject to limitations on the deductibility of payments made to the associated REIT which could materially increase the taxable income of the taxable REIT subsidiary and are subject to prohibited transaction taxes on certain other payments made to the associated REIT. We will be subject to a tax of 100% on the amount of any rents from real property, deductions or excess interest paid to us by our taxable REIT subsidiary that would be reduced through reapportionment under Internal Revenue Code section 482 in order to more clearly reflect income of the taxable REIT subsidiary.

Under the taxable REIT subsidiary provision, we and any entity treated as a corporation for federal income tax purposes in which we own an interest are allowed to jointly elect to treat such entity as a taxable REIT subsidiary. In addition, if a taxable REIT subsidiary of us owns, directly or indirectly, securities representing more than 35% of the vote or value of an entity treated as a corporation for tax purposes, that subsidiary will also be treated as a taxable REIT subsidiary of us. As described above, a taxable REIT subsidiary election has been made for an entity in which we own an interest. Additional taxable REIT subsidiary elections may be made in the future for additional entities in which we own an interest.

*Tax on built-in gain.* If we acquire any assets from a taxable C corporation in a carry-over basis transaction and we recognize gain on the disposition of such assets during the 10 year period beginning on the date on which such assets were acquired by us, then to the extent of such assets built-in gain (i.e., the excess of the fair market value of such asset at the time of the acquisition by us over the adjusted basis in such asset, determined at the time of such acquisition), we will be subject to tax on such gain at the highest regular corporate rate applicable. The results described herein with respect to the recognition of built-in gain assume that we made or will make an election pursuant to Notice 88-19 or Treasury regulations that were promulgated in 2000 and 2001 with respect to transactions occurring prior to January 2, 2002, and that we have not elected and will not elect out of Treasury regulations that were promulgated in 2001 with respect to transactions occurring on or after January 2, 2002. We elected to defer the built-in gain associated with certain assets that we acquired at the time of our REIT election and, therefore, will be subject to tax at the highest corporate rate on any gain recognized upon the sale of any such asset prior to 2006.

*Possible legislative or other actions affecting tax consequences.* Prospective stockholders should recognize that the present federal income tax treatment of an investment in us may be modified by legislative, judicial or administrative action at any time and that any such action may affect investments and commitments previously made. The rules dealing with federal income taxation are constantly under review by persons involved in the legislative process and by the Internal Revenue Service and the Treasury Department, resulting in revisions of regulations and revised interpretations of established concepts as well as statutory changes. Revisions in federal tax laws and interpretations of these laws could adversely affect the tax consequences of an investment in us.

*State and local taxes.* We and our stockholders may be subject to state or local taxation in various jurisdictions, including those in which we or they transact business or reside. The state and local tax treatment of us and our stockholders may not conform to the federal income tax consequences discussed above. Consequently, prospective stockholders should consult their own tax advisors regarding the effect of state and local tax laws on an investment in the common shares.

You are advised to consult with your own tax advisor regarding the specific tax consequences to you of the ownership and sales of common shares, including the federal, state, local, foreign, and other tax consequences of such ownership, sale and election and of potential changes in applicable tax laws.

**Table of Contents**

**PLAN OF DISTRIBUTION**

The shares will be issued upon exercise of the underlying warrants. The warrants may be exercised in whole or in part by delivering to the president of AmeriVest at the address of our principal office (i) a notice of exercise specifying the number of warrant shares with respect to which the warrant is exercised and (ii) full payment for such shares. Payment shall be made by certified check or cleared funds. A warrant may not be exercised in part unless the purchase price for the warrant shares purchased is at least \$1,000 or unless the entire remaining portion of the warrant is being exercised.

Promptly upon receipt of the notice of exercise together with full payment of the warrant price, AmeriVest shall instruct its transfer agent to deliver to the holder a properly executed certificate or certificates representing the warrant shares being purchased.

**Table of Contents**

**SECURITIES AND EXCHANGE COMMISSION POSITION ON CERTAIN INDEMNIFICATION**

The General Corporation Law of the State of Maryland allows corporations to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee, partner, trustee, or agent of another corporation, partnership, joint venture, trust, other enterprise or employee benefit plan, unless it is established that:

the act or omission was material to the matter giving rise to the proceeding and either was committed in bad faith or was the result of active and deliberate dishonesty;

the person actually received an improper personal benefit in money, property or services; or

in the case of any criminal proceeding, the person had reasonable cause to believe that the act or omission was unlawful.

Under Maryland law, indemnification may be provided against judgments, penalties, fines, settlements and reasonable expenses actually incurred by the person in connection with the proceeding. The indemnification may be provided, however, only if authorized for a specific proceeding after a determination has been made that indemnification is permissible under the circumstances because the person met the applicable standard of conduct. This determination is required to be made:

by the board of directors by a majority vote of a quorum consisting of directors not, at the time, parties to the proceeding or, if a quorum cannot be obtained, then by a majority vote of a committee of the board consisting solely of two or more directors not, at the time, parties to the proceeding and who a majority of the board of directors designated to act in the matter;

by special legal counsel selected by the board or board committee by the vote set forth above, or, if such vote cannot be obtained, by a majority of the entire board; or

by the stockholders.

If the proceeding is one by or in the right of the corporation, indemnification may not be provided as to any proceeding in which the person is found liable to the corporation.

A Maryland corporation may pay, before final disposition, the expenses, including attorneys' fees, incurred by a director, officer, employee or agent in defending a proceeding. Under Maryland law, expenses may be advanced to a director or officer when the director or officer gives a written affirmation of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification and a written undertaking to the corporation to repay the amounts advanced if it is ultimately determined that he or she is not entitled to indemnification. Maryland law does not require that the undertaking be secured, and the undertaking may be accepted without reference to the financial ability of the director or officer to repay the advance. A Maryland corporation is required to indemnify any director who has been successful, on the merits or otherwise, in defense of a proceeding for reasonable expenses. The determination as to reasonableness of expenses is required to be made in the same manner as required for indemnification.

Under Maryland law, the indemnification and advancement of expenses provided by statute are not exclusive of any other rights to which a person who is not a director seeking indemnification or advancement of expenses may be entitled under any charter, bylaw, agreement, vote of stockholders, vote of directors or otherwise.

Our bylaws provide that we shall indemnify each director, officer or employee

to the fullest extent permitted by the General Corporation Law of the State of Maryland, or any similar provision or provisions of applicable law at the time in effect, in connection with any threatened,

**Table of Contents**

pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was at any time serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, other enterprise or employee benefit plan; and

to the fullest extent permitted by the common law and by any statutory provision other than the General Corporation Law of the State of Maryland in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was at any time a director, officer or employee of the corporation, or is or was at any time serving at the request of the corporation as a director, officer, or employee of another corporation, partnership, joint venture, trust, other enterprise or employee benefit plan.

Reasonable expenses incurred in defending any action, suit or proceeding described above shall be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director, officer or employee to repay such amount to the corporation if it shall ultimately be determined that he is not entitled to be indemnified by us.

In addition to the general indemnification described above, Maryland law permits corporations to include any provision expanding or limiting the liability of its directors and officers to the corporation or its stockholders for money damages, but may not include any provision that restricts or limits the liability of its directors or officers to the corporation or its stockholders:

to the extent that it is proved that the person actually received an improper benefit or profit in money, property, or services for the amount of the benefit or profit in money, property or services actually received; or

to the extent that a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding in the proceeding that the person's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding.

We have adopted, in our charter, a provision that eliminates and limits the personal liability of each of our directors and officers to the full extent permitted by the laws of the State of Maryland.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling AmeriVest pursuant to these provisions, we have been advised that, in the opinion of the SEC, that indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

**LEGAL MATTERS**

Patton Boggs LLP, Denver, Colorado, has passed upon the validity of the issuance of the shares to be issued upon the exercise of the warrants. Attorneys employed by that firm beneficially own 9,650 shares of common stock.

**REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS**

To AmeriVest Properties Inc.:

We have audited the accompanying consolidated balance sheets of AMERIVEST PROPERTIES INC. (a Maryland corporation) and subsidiaries as of December 31, 2001 and 2000, and the related consolidated statements of operations, stockholders' equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of AMERIVEST PROPERTIES INC. and subsidiaries as of December 31, 2001 and 2000, and the results of their operations and their cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.
