**Item 1 Information Contained in this Form 6-K Report**

**Qatar Taxation**

The following discussion is based upon our knowledge of the tax laws of Qatar and regulations, rulings and judicial decisions thereunder. The following discussion is for general information purposes only and does not purport to be a comprehensive description of all of the Qatar income tax considerations applicable to us.

The Qatar Public Revenue and Tax Department's (or *QPRTD*) has confirmed that foreign entities are subject to tax in Qatar on income earned from international shipping within Qatari waters. Qatar income tax is usually determined separately for each entity, although on occasion the QPRTD may insist upon a consolidated basis being adopted for multiple foreign entities owned by a common parent. In our case, the three LNG carriers we began operating in Qatar beginning in late 2006 (or the *RasGas II LNG Carriers*) are operated by separate shipowning subsidiaries owned by Teekay Nakilat, of which we own a 70% interest.

Based on the QPRTD's confirmation, we believe that Teekay Nakilat's income earned from activity in Qatar is taxable. Because the time charter revenue we earn from the Qatari voyages is earned on a daily or time use basis, we believe it is more likely than not that this revenue will be taxable in Qatar only in relation to the time the vessels operate in Qatari waters. Expenses specifically and demonstrably related to the revenue taxable in Qatar should be deductible in calculating income subject to Qatari tax.

Based on our anticipated operation of the three RasGas II LNG Carriers, we believe that the allocation and deduction of operating expenses, tax depreciation and interest expense to the revenue taxable in Qatar should result in no taxation in Qatar for the first ten years of operation. Furthermore, because our time charters with RasGas II provide for a gross up payment for any Qatari tax, Teekay Nakilat must pay with respect to its operation of the LNG carriers in Qatari waters, we believe any Qatari taxes will not affect our financial results. However, during January 2006, Teekay Corporation entered into finance leases with a U.K. lessor for the three RasGas II LNG Carriers and will have to separately reimburse the lessor for any Qatari taxes. We expect any Qatar tax that the lessor may incur will be insignificant in amount.
