PROXY STATEMENT
OF
PARKE BANCORP, INC.

WASHINGTON TOWNSHIP, NEW JERSEY 08080

ANNUAL MEETING OF SHAREHOLDERS
APRIL 24, 2007

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Parke Bancorp, Inc., the bank holding company of Parke Bank, a New Jersey chartered commercial bank, to be used at an Annual Meeting of Shareholders to be held at The Terra Nova, 590 Delsea Drive, Washington Township, New Jersey, on April 24, 2007, at 10:00 a.m.. The accompanying Notice of Annual Meeting and this Proxy Statement are being first mailed to shareholders on or about March 29, 2007.

At the Annual Meeting, shareholders will consider and vote upon (i) the election of ten directors of the Company and (ii) the ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditor for the fiscal year ending December 31, 2007.

The Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxyholder the discretionary authority to vote the shares represented by such proxy in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting or any adjournment thereof.

VOTING AND PROXY PROCEDURES

WHO CAN VOTE AT THE ANNUAL MEETING

You are only entitled to vote at the Annual Meeting if our records show that you held shares of our common stock, \$.10 par value (the "Common Stock"), as of the close of business on March 22, 2007 (the "Record Date"). If your shares are held by a broker or other intermediary, you can only vote your shares at the Annual Meeting if you have a properly executed proxy from the record holder of your shares (or their designee). As of the Record Date, a total of 2,873,860 shares of Common Stock were outstanding. Each share of Common Stock has one vote in each matter presented.

VOTING BY PROXY

The Board of Directors is sending you this Proxy Statement for the purpose of requesting that you allow your shares of Common Stock to be represented at the Annual Meeting by the persons named in the enclosed Proxy Card. All shares of Common Stock represented at the Annual Meeting by properly executed and dated proxies will be voted according to the instructions indicated on the Proxy Card. If you sign, date and return the Proxy Card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" ITS NOMINEES FOR DIRECTOR AND A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF MCGLADREY & PULLEN, LLP AS OUR INDEPENDENT AUDITORS.

If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the persons named in the Proxy Card will vote your shares as determined by a majority of the Board of Directors. If the Annual Meeting is postponed or adjourned, your Common Stock may be voted by the persons named in the Proxy Card on the new Annual Meeting dates as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the Annual Meeting.

Edgar Filing: PARKE BANCORP, INC. - Form DEF 14A

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. To revoke your proxy you must advise the Company's Secretary in writing before your Common Stock has been voted at the Annual Meeting, deliver a later-dated proxy, or attend the Annual Meeting and vote your shares in person. Attendance at the Annual Meeting will not in itself revoke your proxy.

If you hold your Common Stock in "street name," you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement.

VOTE REQUIRED

The Annual Meeting can only transact business if a majority of the outstanding shares of Common Stock entitled to vote is represented at the Annual Meeting. If you return a valid proxy instructions or attend the Annual Meeting in person, your shares will be counted for purposes of determining whether there is a quorum even if you abstain or withhold your vote or do not vote your shares at the Annual Meeting. Broker non-votes will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not have discretionary voting power with respect to the agenda item and has not received voting instructions from the beneficial owner.

In voting on the election of a director, you may vote in favor of the nominee or withhold votes as to the nominee. There is no cumulative voting in the election of directors. Directors must be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to ratify the appointment of McGladrey & Pullen LLP as our independent auditors, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on this proposal.

PRINCIPAL HOLDERS OF OUR COMMON STOCK

Persons and groups beneficially owning more than 5% of the Common Stock are required to file certain reports regarding their ownership with the Securities and Exchange Commission. A person is the beneficial owner of shares of Common Stock if he or she has or shares voting or investment power over the shares or has the right to acquire beneficial ownership of the shares at any time within 60 days from the Record Date. The following table sets forth information as of the Record Date with respect to the persons or groups known to the Company to beneficially own more than 5% of the Common Stock as well as directors and executive officers as a group.

PROPOSAL I -- ELECTION OF DIRECTORS

The Board of Directors currently consists of three members divided into three classes, each of which contains approximately one-third of the members of the Board. The directors are elected by our shareholders for staggered three-year terms, or until their successors are elected and qualified. In connection with the Annual Meeting, the Board of Directors has approved increasing the size of the Board to 12 members and has nominated the nine individuals who currently serve on the Board of Directors of the Bank but not on the Board of the Company to become directors as well. A total of ten directors will be elected at the Annual Meeting consisting of the nine new nominees and one individual currently serving on the Board of Directors of the Company whose term expires in 2007. These directors will be elected for varying one, two or three year terms so that the three classes of directors will be as nearly equal as possible in size.

It is intended that proxies solicited by the Board of Directors will, unless otherwise specified, be voted for the election of the named nominees for the terms indicated. If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend or the size of the Board may be reduced to eliminate the vacancy. At this time, the Board of Directors knows of no reason why any nominee might be unavailable to serve.

The following table sets forth for the nominees, the directors continuing in office and certain executive officers: name, age, the year the individual first became a director or officer of the Company, the term of office and the number and percentage of shares of common stock beneficially owned by each of them as of the Record Date.

CORPORATE GOVERNANCE

DIRECTOR INDEPENDENCE

The Board of Directors has determined that Directors Choate and Dalton are independent in accordance with the requirements of Nasdaq regulations and that Director Pennoni is not independent in accordance with those requirements due to a real estate transaction involving the Bank's main office and a branch office that occurred in 2003. Nonetheless, the Board of Directors believes that Director Pennoni is an effective member of the committees and that his membership on the committees is in the best interests of the Company and its shareholders. All three members serve on the Audit Committee, the Compensation Committee and the Nominating Committee. The Board of Directors has determined that Mr. Choate is an Audit Committee Financial Expert within the meaning of the regulations of the Securities and Exchange Commission.

DIRECTOR ATTENDANCE

The Board of Directors conducts its business through meetings of the Board and through activities of its committees. During the year ended December 31, 2006, the Board of Directors met a total 11 times, including regularly scheduled meetings and special meetings. No director attended fewer than 75% of the total meetings of the Board of Directors and meetings of the committees on which he served during the year ended December 31, 2006.

COMMITTEES OF THE BOARD OF DIRECTORS

NOMINATING COMMITTEE. The nominating committee consists of Directors Choate, Dalton and Pennoni. The Nominating Committee met one time during the fiscal year ended December 31, 2006. The Board of Directors has adopted a written nominating committee charter for the Nominating Committee, a copy of which was attached as an appendix to the proxy statement for the 2006 annual meeting. The Company does not pay fees to any third party to identify or evaluate or assist in identifying or evaluating potential nominees. The process for identifying and evaluating potential Board nominees includes soliciting

Edgar Filing: PARKE BANCORP, INC. - Form DEF 14A

recommendations from directors and officers of the Company. Additionally, the Board will consider persons recommended by shareholders of the Company in selecting the Board's nominees for election. There is no difference in the manner in which persons recommended by directors or officers versus persons recommended by shareholders in selecting Board nominees are evaluated.

To be considered in the selection of Board nominees, recommendations from shareholders must be received by the Company in writing by at least 120 days prior to the date the proxy statement for the previous year's annual meeting was first distributed to shareholders. Recommendations should identify the submitting shareholder, the person recommended for consideration and the reasons the submitting shareholder believes such person should be considered. The Board believes potential directors should be knowledgeable about the business activities and market areas in which the Company engages.

8

COMPENSATION COMMITTEE. The Compensation Committee is comprised of Directors Choate, Dalton and Pennoni. The Committee met one time during the 2006 fiscal year. The Compensation Committee has not adopted a written charter. The Committee uses financial performance of the Company relative to targeted goals and industry performance as well as the specific goals of the executive officers against annual goals as the primary consideration for compensation. The Committee also considers compensation in the marketplace for consideration of executive compensation. The Committee uses peer comparison to other financial institutions in considering director compensation and considers meetings attended, both full board and committee meetings, as the primary factor for compensation. Specifically, the board now targets director fees at the 75th percentile against peer comparisons in arriving at director compensation.

AUDIT COMMITTEE. The Audit Committee is comprised of Directors Choate, Dalton and Pennoni. The Committee met eight times in fiscal year 2006. The Board of Directors has adopted a written audit committee charter for the Audit Committee, a copy of which was attached as an appendix to the proxy statement for the 2006 annual meeting.

AUDIT COMMITTEE FINANCIAL EXPERT. The Board of Directors has determined that Fred G. Choate is an Audit Committee "financial expert" as that term is defined in Item 407(d)(5) of Regulation S-K of the Securities and Exchange Commission. Mr. Choate would be considered an independent director, under the rules of The Nasdaq Stock Market including the specific independence requirements for audit committee members.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. No member of our Compensation Committee is or formerly was an officer or employee of the Company. During 2006, none of our executive officers served on the Compensation Committee (or equivalent), or the Board of Directors, of another entity whose executive officer or officers served on our Compensation Committee or Board.

SHAREHOLDER COMMUNICATIONS

The Board of Directors does not have a formal process for shareholders to send communications to the Board. In view of the infrequency of shareholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from shareholders are shared with the full Board no later than the next regularly scheduled Board meeting. The Board encourages, but does not require, directors to attend the annual meeting of shareholders. All of the Board's members attended the 2006 annual meeting of shareholders.

COMPENSATION DISCUSSION AND ANALYSIS

The Company's mission is to provide quality customer service in the markets served while operating in a cost effective and profitable manner that provides long term shareholder value. To this end, the compensation awarded to the Company's employees and in particular, the Chief Executive Officer and the Executive Management Team, are critical to achieving this mission.

The compensation and benefits of Parke Bancorp are primarily driven by the need to attract, retain and motivate talented individuals who will support, facilitate and enhance the growth of the organization while also contributing to its profitability and resulting increase in long-term shareholder value. It is critical that the compensation program reflects the need to compete for talented individuals within the financial services industry and to retain existing employees. In addition, given the recent and expected future growth of the Company, it is important that the compensation program provides adequate

9

incentives for superior performance through the existence of both short-term and long-term incentive programs. The compensation program is therefore intended to serve the needs of continuing the successful financial performance of the Company and will continually be monitored and revised as required to compete effectively for talented individuals.

The Compensation Committee considers the following factors in reviewing compensation for the Chief Executive Officer and the Senior Management Team:

- o The overall level of profitability of the company, the return on equity, and loan and deposit growth;
- o The performance of individuals based on specific annual goals;
- o The profitability of the company as compared to other comparably sized community banks;
- o And management discretion for consideration of other factors.

In addition, the Compensation Committee uses an SNL Financial "Executive Compensation Review" to confirm that the Senior Executive compensation was within the 75th to 90th percentile range.

The various components of compensation are as follows:

- 1) Base salary, which focuses on attracting and retaining employees and therefore is designed to be competitive with the marketplace. Mr. Pantilione's salary was increased from \$225,000 in 2005 to \$250,000 in 2006 in recognition of the company's financial performance and peer compensation analysis. The remaining named executives received compensation increases primarily based upon the company's financial performance and their specific performance during 2006.
- 2) Annual bonuses that are designed to recognize the Company's financial performance as well as the individual employee's specific performance within each fiscal year. All employees currently participate in the annual bonus program with correspondingly higher percentage payouts for senior managers, who also have more specific goals relating to their individual performance and the impact on the Company's financial

Edgar Filing: PARKE BANCORP, INC. - Form DEF 14A

success. Mr. Pantilione's bonus for 2006 was based upon his specific performance and the Company's financial performance and was paid out at 50% of his salary, which is the maximum allowed under his contract. Bonuses for the remaining named executives were based upon the Company's financial performance and achievement of the named executives' goals during 2006.

- 3) Long-term incentives, which primarily consist of stock options, are awarded to senior and mid-level managers as a means to retain key employees as well as to reward performance that has or will lead to the long-term success of the Company. During 2006 stock option grants were below the level of prior years due, in part, to the requirement of expensing stock options under FAS 123R. The options granted to Mr. Kuehl were part of his recently negotiated compensation package.
- 4) Supplemental Executive Retirement Plan (SERP), which provides for post retirement payments commencing at age 60 for executives based upon prior annual compensation, is offered to key employees and is designed primarily as a retention measure. The Company plans to review the SERP Plan in 2007 for inclusion of additional executives.

10

- 5) Change in control plans have been utilized in a limited manner by the Company, in recognition of the ongoing consolidation within the banking industry and the potential impact on the executive management team, the Company may find it important to implement programs that give greater economic security to members of the management team that face the risks of termination of employment following a merger transaction. The goal will be to protect existing and new key employees from potential loss of employment and allow those individuals to continue to focus on the growth and profitability of the Company. This is also necessary as the Company continues to expand since this benefit is fairly common within the industry for senior level employees.

PENSION BENEFITS. The following table provides information with respect to each defined benefit pension plan in which a Named Executive Officer may receive payments or other benefits at, following, or in connection with retirement.

Paul E. Palmieri	Supplemental Executive Retirement Plan	0	0	0

Mr. Huggard left the Company in November 2006 and therefore is no longer entitled to benefits under the defined benefit pension plan shown above. Mr. Kuehl, Ms. Milavsky and Mr. Palmieri are not participants in the defined benefit pension plan shown in the table above and therefore have no accumulated benefit.

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN ("SERP"). The Bank implemented a SERP program effective January 1, 2003. Vito S. Pantilione, President and David O. Middlebrook, Senior Vice President, are each participants in the SERP. Under the SERP, retirement benefits are payable to such participant commencing upon retirement after attainment of age 60 at the rate of 50% of their highest base

Edgar Filing: PARKE BANCORP, INC. - Form DEF 14A

salary paid while an employee of the Bank for the remainder of their life. If such retirement benefit payments are made for less than ten years, a survivor benefit will continue to be paid for the balance of such ten year period. Such benefits are in addition to any social security benefits. Upon a change of control of the Bank prior to the date of retirement of a participant, all benefits shall be deemed earned and non-forfeitable as if such participant had attained his or her retirement date at age 60. A participant may elect to retire after age 55 and such benefits payable shall be actuarially reduced to reflect the earlier payment commencement date. If a participant dies prior to age 60 while employed by the Bank, a survivor benefit will be paid equal to 100% of the participant's highest salary for one year and 50% of such salary for four additional years. Benefits under the plan may be paid in the form of a lump-sum on an actuarially equivalent basis. For the year ended December 31, 2006, the Bank had total accrued plan expense of \$230,401 with respect to benefits payable under the SERP. Benefits under the SERP will be a tax deductible expense to the Bank at the time that actual benefit payments are made. The Bank has invested in various life insurance agreements (commonly known as BOLI, for bank-owned life insurance) with policy proceeds payable to the Bank in the event of the death of plan participants. Such insurance proceeds and earnings related to such investments are anticipated to exceed any plan costs related to benefit payments.

NONQUALIFIED DEFERRED COMPENSATION. The Company does not have any non-qualified deferred compensation arrangements.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL. The Named Executive Officers are parties to various agreements that provide for payments in connection with any termination of their employment. EMPLOYMENT AGREEMENTS. The Bank has entered into an employment agreement with Mr. Pantilione. Mr. Pantilione's base salary under the employment agreement for the year ended December 31, 2006 was \$250,000. Mr. Pantilione's employment agreement has a term of three years that is automatically extended for one year on January 1st of each year, unless notice of termination of the automatic extension is given in accordance with the terms of the employment agreement. The employment agreement may be terminated by the Bank for "cause" as defined in the agreement. If the Bank terminates Mr. Pantilione's employment without just

Edgar Filing: PARKE BANCORP, INC. - Form DEF 14A

cause, he will be entitled to a continuation of his salary from the date of termination through the remaining term of the agreement. The employment agreement contains a provision stating that after Mr. Pantilione's employment is terminated in connection with any change in control, he will be paid a lump sum amount equal to the balance of the annual compensation due under the agreement plus an amount equal to 3.0 times the highest rate of bonus awarded to him during the three years prior to such termination. If payment had been made under the agreement as of December 31, 2006, the payment to Mr. Pantilione would have equaled approximately \$1,125,000. The employment agreement also grants the right of the employee, within six months following a termination without cause or a voluntary termination by the employee for good reason, to require the Company to repurchase all of the employee's shares of Common Stock, warrants and options of the Company then owned by the employee at the closing price of such stock on the business day immediately preceding the date of notice of the employee's exercise of this right. The employment agreement also contains an agreement not to compete with the Bank which restricts certain post-employment activities of the employee within the Counties of Gloucester, Camden, Salem or Cumberland, New Jersey, for two years following termination of employment with the Bank.

RELATED PARTY TRANSACTIONS

In the normal course of its business as a financial institution, the Bank has granted loans to its officers, directors and their affiliates. The terms of these related party loans, including interest rates, collateral and repayment terms, are similar to those prevailing for comparable transactions with other customers and do not involve more than a normal risk of collectability or other unfavorable features. At December 31, 2006, the aggregate outstanding principal balance of all such related party loans was \$20,281,284 and all such loans were current and performing in accordance with their terms.

The Company received in 2006 employee benefits such as medical insurance, life insurance and disability insurance from an insurance agency owned by one of its Board members, Jeffrey H. Kripitz, which amounted to \$286,000. Mr. Kripitz has beneficial ownership of 194,866 shares, or 6.78% of the Company's outstanding shares.

PROPOSAL II -- RATIFICATION OF APPOINTMENT OF AUDITORS

The Board of Directors of the Company has appointed McGladrey & Pullen, LLP as the Company's independent auditor for the fiscal year ending December 31, 2007, subject to ratification by the Company's shareholders. A representative of McGladrey & Pullen, LLP is expected to be present at the Annual Meeting and available to respond to appropriate questions, and he will have the opportunity to make a statement if he so desires.

The aggregate fees billed by McGladrey & Pullen, LLP for professional services rendered for the audit of the Company's annual consolidated financial statements and for the review of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal years ended December 31, 2006 and 2005, were \$90,000 and \$85,500, respectively.

The Audit Committee has not established pre-approval procedures and instead specifically approves each service prior to the engagement of the auditor for all audit and non-audit services. It is the Audit Committee's policy to pre-approve all audit and non-audit services prior to the engagement of the Company's independent auditor to perform any service. All of the services listed below for 2006 and 2005 were approved by either the Company's or the Bank's Audit Committee prior to the service being rendered. There were no services that were not recognized to be non-audit services at the time of engagement that were approved after the fact.

17

Ratification of the appointment of the independent auditor requires the affirmative vote of a majority of the votes cast, in person or by proxy, by the shareholders of the Company at the Annual Meeting. THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF MCGLADREY & PULLEN, LLP AS THE COMPANY'S INDEPENDENT AUDITOR FOR THE 2007 FISCAL YEAR.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee's main responsibilities include establishing and reviewing the Company's internal controls and operating procedures to ensure compliance by the Company with all applicable laws, regulations, generally accepted accounting standards and customary operating procedures and practices. The Audit Committee also monitors the results of examinations by the Company's independent auditor. During the year ended December 31, 2006, this committee met four times.

For the fiscal year ended December 31, 2006, the Audit Committee: (i) reviewed and discussed the Company's audited consolidated financial statements with management, (ii) discussed with the Company's independent auditor, McGladrey & Pullen, LLP, all matters required to be discussed under Statement on Auditing Standards No. 61, and (iii) received from McGladrey & Pullen, LLP disclosures regarding McGladrey & Pullen, LLP's independence as required by Independence Standards Board Standard No. 1 and discussed with McGladrey & Pullen, LLP its independence. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006.
