Share price movement

The BOC Group plc (BOC) notes the recent movement in its share price and confirms that it received an unsolicited, preliminary proposal from Linde AG. The proposal was subject to a number of pre-conditions including financing, anti-trust approvals and due diligence. The Board of BOC has met together with its advisors and unanimously rejected the proposal because of its pre-conditions and its failure to value fully the growth prospects of BOC.

The Directors of BOC state their continuing confidence in the current strategy of the group to deliver growth and excellent returns to its shareholders as an independent company.
