(1) The proceeds you might expect to receive if you were able to resell the Notes on the Issue Date are expected to be less than the issue price. This is because the issue price includes the selling agent's commission set forth above and also reflects certain hedging costs associated with the Notes. For additional information, see "Risk Factors — The issue price of the notes has certain built-in costs, including the selling agent's commission and our cost of hedging, both of which are expected to be reflected in secondary market prices" on page S-3 of the accompanying prospectus supplement. The issue price also does not include fees that you may be charged if you buy the Notes through your registered investment advisers for managed fee-based accounts.

(2) The Selling Agent may retain all or a portion of this commission or use all or a portion of this commission to pay selling concessions or fees to other dealers. See "Supplemental Plan of Distribution" on page S-26 of the accompanying prospectus supplement.

Interest Payment Dates: Interest on the Notes will be paid semi-annually in arrears on the 20th day of each March and September (each an "Interest Payment Date") beginning on (and including) March 20, 2013 and ending on the Maturity Date or the Survivor's Option Payment Date, if applicable. In the opinion of Davis Polk & Wardwell LLP, when the notes offered by this pricing supplement have been executed and issued by the Issuer and the Guarantor and authenticated by the trustee pursuant to the Indenture, and delivered against payment as contemplated herein, such notes will constitute valid and binding obligations of the Issuer, and the related guarantee will constitute a valid and binding obligation of the Guarantor, in each case enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability. This opinion is given as of the date hereof and is limited to the laws of the State of New York. Insofar as this opinion involves matters governed by Scots law, Davis Polk & Wardwell LLP has relied, without independent inquiry or investigation, on the opinion of Dundas & Wilson CS LLP, dated September 6, 2012 and filed by the Guarantor as an exhibit to a Report on Form 6-K on September 10, 2012. The opinion of Davis Polk & Wardwell LLP is subject to the same assumptions, qualifications and limitations with respect to such matters as are contained in the opinions of Dundas & Wilson CS LLP and Linklaters LLP. In addition, the opinion of Davis Polk & Wardwell LLP is subject to customary assumptions about the establishment of the terms of the notes, the trustee's authorization, execution and delivery of the Indenture and its authentication of the notes, and the validity, binding nature and enforceability of the Indenture with respect to the trustee, all as stated in the opinion of Davis Polk & Wardwell LLP dated September 6, 2012, which was filed by the Guarantor as an exhibit to a Report on Form 6-K on September 10, 2012.

Any payments due on the Notes, including any repayment of principal, will be subject to the creditworthiness of Lloyds Bank, as the Issuer, and LBG, as the Guarantor of the Issuer's
