January ., 2002

To Our Stockholders:

You are cordially invited to attend a special meeting of stockholders of Newmont Mining Corporation, to be held on ., February ., 2002, at ., local time, at ., Denver, Colorado. The special meeting is being called in connection with our proposed acquisitions of Normandy Mining Limited, an Australian company, and Franco-Nevada Mining Corporation Limited, a Canadian

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

corporation.

We are very excited about these transactions which, if successful, will result in Newmont becoming the premier global gold company. With the acquisition of Normandy and Franco-Nevada, we believe that Newmont will be the leading gold investment vehicle, founded on a belief in gold's intrinsic long-term value and its relevance to a balanced portfolio.

At the special meeting, you will be asked to consider four proposals relating to the proposed transactions. The first proposal will permit a restructuring of Newmont to put in place a new holding company pursuant to a merger agreement between Newmont and two of its subsidiaries. If the restructuring is implemented, your shares in Newmont will be exchanged for shares in the new holding company, which will then be renamed Newmont Mining Corporation. Your shares of Newmont are listed for trading on the New York Stock Exchange under the symbol "NEM" and will continue to be so listed if the holding company structure is implemented. The proposed restructuring and the holding company structure are all described in greater detail in the accompanying proxy statement/prospectus.

The second proposal to be presented at the meeting will be to increase the number of Newmont's authorized shares of common stock so that there will be a sufficient number to implement the proposed acquisitions as well as for other corporate purposes. This amendment to Newmont's certificate of incorporation is required only if a decision is made not to implement the holding company restructuring. The third proposal to be presented will be to approve the issuance of the shares in the Normandy and Franco-Nevada acquisitions as required by New York Stock Exchange rules. The final proposal is to permit adjournment of the special meeting, if there are not sufficient votes to approve the proposals to be presented at the special meeting.

Your board of directors has determined that the merger agreement, the proposed amendment to Newmont's restated certificate of incorporation, the issuance of shares and the proposed transactions with Normandy and Franco-Nevada are fair to and in the best interests of Newmont and its stockholders, and has declared them advisable. Your board of directors has approved the merger agreement, the proposed amendment to Newmont's restated certificate of incorporation and the issuance of shares. YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE MERGER AGREEMENT, FOR THE AMENDMENT TO NEWMONT'S RESTATED CERTIFICATE OF INCORPORATION, FOR THE ISSUANCE OF SHARES OF THE HOLDING COMPANY'S COMMON STOCK OR NEWMONT COMMON STOCK AND FOR THE ADJOURNMENT PROPOSAL.

The accompanying notice of special meeting and proxy statement/prospectus provide detailed information explaining the proposed transactions, including the holding company restructuring and our proposed acquisition of Normandy and Franco-Nevada, and provide specific information concerning the special meeting. We encourage you to read these materials carefully and in their entirety. YOU SHOULD ALSO CAREFULLY CONSIDER THE RISK FACTORS DESCRIBED BEGINNING ON PAGE 19.

Whether or not you plan to attend the special meeting, please sign and return your proxy as soon as possible in the enclosed self-addressed envelope so that your vote will be recorded. You can also vote your shares of Newmont common stock by telephone or through the internet by following the instructions on the enclosed proxy card.

QUESTIONS AND ANSWERS ABOUT THE TRANSACTIONS

Q: WHAT WILL HAPPEN IN THE TRANSACTIONS?

A: In the proposal transactions, we intend to acquire both Normandy and Franco-Nevada to create the world's largest gold producer. It is also possible that we will acquire less than all of the shares of Normandy, either together with or separately from an acquisition of Franco-Nevada. We refer to the combined company that will result from the transactions as "New Newmont."

To acquire Normandy, we are making an off-market bid for all of the outstanding ordinary shares in the capital of Normandy in exchange for 3.85 shares of Newmont common stock plus A\$40.00 for every 100 Normandy shares. To acquire Franco-Nevada, we have entered into an arrangement agreement with Franco-Nevada, pursuant to which we intend to acquire all of the shares of Franco-Nevada for 0.8 of a share of Newmont common stock (or exchangeable shares, exchangeable for our common stock) for each Franco-Nevada common share.

OUR BID FOR NORMANDY IS NOT CONDITIONED ON COMPLETION OF THE FRANCO-NEVADA

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

TRANSACTION. However, completion of the Franco-Nevada transaction is conditioned on, among other things, Newmont and its associates achieving a relevant interest in at least 50.1% of the ordinary shares in the capital of Normandy, calculated on a fully diluted basis.

Q: WHAT IS THE "RESTRUCTURING" OF NEWMONT THAT IS BEING PROPOSED?

A: In connection with the transactions, Newmont intends to merge with its indirect, wholly owned subsidiary, Delta Acquisitionco Corp. ("Acquisitionco"), with Newmont continuing as the surviving corporation in the merger. Shares of Newmont common stock will be exchanged for shares of common stock of Delta Holdco Corp. ("Holdco"), a direct, wholly owned subsidiary of Newmont. In connection with the merger, Holdco would be renamed "Newmont Mining Corporation." If the merger is completed, stockholders of Normandy and Franco-Nevada also would receive shares of the new Newmont Mining Corporation in the transactions described above. THIS MERGER IS NOT A PREREQUISITE TO THE TRANSACTIONS. IT IS DESIGNED TO FACILITATE THE ACQUISITIONS OF NORMANDY AND FRANCO-NEVADA AND TO CREATE A FLEXIBLE CORPORATE STRUCTURE FOR THE COMBINED GROUP.

It is possible that we may complete the acquisitions of Normandy and Franco-Nevada without completing the merger. See "The Transactions--Overview" on page 32.

Q: WHY DOES NEWMONT WANT TO ACQUIRE CONTROL OF NORMANDY AND FRANCO-NEVADA?

A: We believe that the acquisition of Normandy and Franco-Nevada will provide us with a number of benefits and allow us to pursue our strategy to deliver superior stockholder value, including:

- . potential cost savings and synergies;
- . exploration and development;
- . scale and balanced political risk profile;
- . financial strength and flexibility;
- . leverage to gold price;
- . superior management;
- . growth; and
- . market liquidity.

See "The Transactions--Reasons for the Transactions" on page 39.

Q: WOULD THE FAILURE TO ACQUIRE FRANCO-NEVADA PREVENT NEWMONT FROM ACHIEVING THESE BENEFITS?

A: If we do not acquire Franco-Nevada the expected benefits of the transactions and their magnitude will be reduced; however, there would still be benefits realized from a combination of Newmont and Normandy.

See "The Transactions--Reasons for the Transactions" on page 39.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Q: WHAT WILL NEW NEWMONT LOOK LIKE FOLLOWING THE TRANSACTIONS?

A: If the transactions are consummated in their entirety, New Newmont will become the world's leading gold company in terms of gold reserves, gold production and leverage to gold and will derive more than 70% of its production from politically and economically stable locations. The combination of Newmont, Normandy and Franco-Nevada will create one of the financially strongest companies in the gold industry. The transactions will strengthen our balance sheet and decrease our net debt to net book capitalization (after transaction costs) from 41% to 23%.

Although we currently expect to consummate both transactions, there is a possibility that we will acquire Normandy while being unable to acquire Franco-Nevada. If we only acquire Normandy, New Newmont would still be the world's leading gold company in terms of reserves, gold production and leverage to gold and would still derive approximately 70% of its production from politically stable locations. However, our debt to net book capitalization (after transaction costs) would be approximately 39%.

Q: WHEN DO YOU EXPECT TO COMPLETE THE TRANSACTIONS?

A: We expect to complete the transactions as quickly as possible once all the conditions to the transactions, including obtaining the necessary stockholder approvals, are fulfilled. Fulfilling some of these conditions, such as receiving certain governmental clearances or approvals, is not entirely within our control. We currently expect to complete the transactions before the end of February, 2002.

Q: AFTER THE RESTRUCTURING AND THE TRANSACTIONS, WHAT WILL THE COMPANY BE CALLED AND WHERE WILL IT BE HEADQUARTERED?

A: We will retain the name "Newmont Mining Corporation" after the restructuring. Our corporate headquarters will remain in Denver, Colorado.

Q: WHAT WILL HAPPEN TO SHARES OF NEWMONT COMMON STOCK IN THE MERGER?

A: Holders of Newmont common stock will receive one share of Holdco common stock for each share of Newmont common stock that they own.

Q: WHAT WILL HAPPEN TO SHARES OF \$3.25 CONVERTIBLE PREFERRED STOCK IN THE MERGER?

A: If we complete the merger, pursuant to the merger agreement, we have the option either to leave outstanding our \$3.25 convertible preferred stock or exchange the outstanding shares of our \$3.25 convertible preferred stock for shares of Holdco \$3.25 convertible preferred stock. In either case, holders of convertible preferred stock after the merger will be entitled to vote together with the holders of common stock on all matters relating to Newmont (if we choose to leave outstanding our \$3.25 convertible preferred stock) or Holdco (if we effect the exchange for Holdco convertible preferred stock).

In general, absent non-payment of dividends, our \$3.25 convertible preferred stock does not currently have voting rights and will not obtain further voting rights if we do not complete the merger.

Q: WHAT ARE THE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER TO NEWMONT STOCKHOLDERS?

A: We expect that holders of Newmont common stock will not be required to pay any U.S. federal income tax as a result of the merger. Holders should consult their own tax advisors regarding the tax consequences to them of the merger.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Q: WHEN IS THE SPECIAL MEETING OF STOCKHOLDERS?

A: The special meeting will take place on February ., 2002. The location of the special meeting is specified on the cover page of this document.

2

Q: WHAT WILL HAPPEN AT THE SPECIAL MEETING?

A: At the special meeting, our stockholders will vote on four matters:

- . adoption of the merger agreement;
- . a proposed amendment to our restated certificate of incorporation to increase the number of authorized shares of common stock from 250 million shares to 750 million shares, which will be enacted in the event that the restructuring is not completed; and
- . the issuance of the shares of Holdco or, in the event that the restructuring is not completed, shares of Newmont common stock necessary to complete the transactions.

Unless we complete the restructuring through the merger or amend our restated certificate of incorporation, we will not have authorized sufficient shares of Holdco common stock, or Newmont common stock, as the case may be, to complete the transactions. We cannot complete the merger, amend our restated certificate of incorporation or issue the shares necessary to complete the acquisitions of Normandy or Franco-Nevada unless our stockholders vote in favor of these proposals.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE MERGER AGREEMENT, FOR THE AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION, FOR THE ISSUANCE OF SHARES OF HOLDCO OR NEWMONT COMMON STOCK AND FOR THE ADJOURNMENT OF THE MEETING, IF NECESSARY, TO PERMIT THE SOLICITATION OF FURTHER VOTES IN FAVOR OF THESE PROPOSALS.

Q: WHAT DO I NEED TO DO TO VOTE?

A: Mail your signed proxy card in the enclosed return envelope. You also may vote by telephone or through the Internet, in each case, as soon as possible so that your shares may be represented at the special meeting. In order to ensure that we obtain your vote, please vote as instructed on your proxy card, even if you currently plan to attend the special meeting in person.

Q: WHAT WILL HAPPEN IF THE MERGER AGREEMENT IS NOT ADOPTED BY THE STOCKHOLDERS?

A: If we do not receive the required stockholder vote for adoption of the merger agreement, we cannot complete the restructuring. We may also choose not to engage in the restructuring even if we obtain the necessary stockholder approval. See "The Transactions--Overview" on page 32.

THE RESTRUCTURING CONTEMPLATED BY THE MERGER AGREEMENT IS NOT A PREREQUISITE TO THE TRANSACTIONS. If, for whatever reason, the restructuring contemplated by the merger agreement is not completed, then Normandy and Franco-Nevada stockholders would receive Newmont (not Holdco) common stock pursuant to the transactions. In order to have authorized under our restated certificate of incorporation sufficient shares of Newmont common stock for issuance to Normandy and Franco-Nevada stockholders in the transactions, we must amend

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

our restated certificate of incorporation. Further, under New York Stock Exchange rules, we may not issue the number of shares necessary to complete the transactions unless that issuance is approved by our stockholders. THEREFORE, YOUR VOTES ON THE PROPOSALS TO AMEND THE RESTATED CERTIFICATE OF INCORPORATION AND TO APPROVE THE ISSUANCE OF THE SHARES ARE SIGNIFICANT REGARDLESS OF YOUR APPROVAL OR REJECTION OF THE MERGER PROPOSAL.

Q: HAS THE NORMANDY BOARD OF DIRECTORS MADE ANY RECOMMENDATION REGARDING THE OFFER TO NORMANDY SHAREHOLDERS AND HOLDERS OF NORMANDY AMERICAN DEPOSITARY SHARES, OR ADSS?

A: Yes. Subject to its fiduciary duties, the Normandy board of directors has agreed to recommend our offer to Normandy shareholders and holders of Normandy ADSs.

Q: HAS THE FRANCO-NEVADA BOARD OF DIRECTORS MADE ANY RECOMMENDATION REGARDING NEWMONT'S PROPOSED ACQUISITION OF ALL OF THE OUTSTANDING FRANCO-NEVADA COMMON SHARES?

A: Yes. Other than Mr. Seymour Schulich, Mr. Pierre Lassonde and Mr. M. Craig Haase,

3

who are members of the management of Franco-Nevada and recused themselves from voting, each member of the Franco-Nevada board of directors voted to approve our proposed acquisition of all of the outstanding Franco-Nevada common shares and recommends that Franco-Nevada shareholders vote to approve the arrangement. Messrs. Schulich and Lassonde recused themselves from voting due to their interests in the transaction, but have independently agreed with Newmont to escrow a significant portion of their Franco-Nevada common shares that will be exchanged for shares of our common stock as a demonstration of their commitment to the success of New Newmont.

Q: SHOULD I SEND IN MY NEWMONT STOCK CERTIFICATES NOW?

A: No. If and when the merger is completed, each certificate representing shares of Newmont common stock will automatically represent identical shares of Holdco common stock. Please do not send in any Newmont stock certificates.

Q: HOW DO I VOTE MY SHARES IF MY SHARES ARE HELD IN "STREET NAME"?

A: You should contact your broker. Your broker can give you directions on how to instruct the broker to vote your shares of Newmont common stock. Your broker will not vote your shares unless the broker receives appropriate instructions from you.

Q: MAY I CHANGE MY VOTE EVEN AFTER RETURNING A PROXY CARD?

A: Yes. If you want to change your vote, you may do so at any time before the special meeting by sending to the secretary of Newmont a proxy with a later date or by voting again by telephone or through the Internet. Alternatively, you may revoke your proxy by delivering to the secretary of Newmont a written revocation prior to the special meeting or by voting in person at the special meeting.

If you require assistance in changing or revoking a proxy, you should contact MacKenzie Partners, our solicitation agent for the merger, at 1-800-322-2885.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Q: WHAT IF I DON'T INDICATE A VOTE OR FAIL TO VOTE?

A: If you sign, date and mail your proxy card without indicating how you want to vote, your proxy will be voted in favor of the proposals. If you fail to vote in any of the ways outlined in the proxy card, or if you fail to instruct your broker how to vote shares held for you in the broker's name, the effect will be the same as a vote against the proposals.

Q: IF I HAVE MORE QUESTIONS ABOUT THE MERGER, THE TRANSACTIONS OR THE COMPANIES THAT ARE THE SUBJECT OF THE TRANSACTIONS, WHERE CAN I FIND ANSWERS?

A: In addition to reading this document, the appendices to this document and the documents we have incorporated in this document by reference, you can find more information about the merger, the transactions or the companies that are the subject of the transactions in filings with the Securities and Exchange Commission and the NYSE. Please see "Where You Can Find More Information" on page 131.

THE TRANSACTIONS (PAGE 32)

THE FORM OF THE MERGER AGREEMENT IS ATTACHED AS APPENDIX A TO THIS DOCUMENT. THE ARRANGEMENT AGREEMENT WITH FRANCO-NEVADA IS ATTACHED AS APPENDIX B TO THIS DOCUMENT. THE DEEDS OF UNDERTAKING WITH NORMANDY ARE ATTACHED AS APPENDIX C TO THIS DOCUMENT. PLEASE READ THESE DOCUMENTS CAREFULLY, AS THEY ARE THE LEGAL DOCUMENTS THAT GOVERN THE TRANSACTIONS.

In the transactions, we intend to acquire both Normandy and Franco-Nevada to create the world's largest gold producer. We refer to the combined company resulting from one or both of these acquisitions as "New Newmont." To acquire Normandy, we are making an off-market bid for all the Normandy shares held by persons other than Franco-Nevada and its subsidiaries. To acquire Franco-Nevada, we have entered into the arrangement agreement, pursuant to which holders of Franco-Nevada common shares will receive 0.8 of a share of Newmont common stock (or exchangeable shares, exchangeable for Newmont common stock) for each of their Franco-Nevada common shares. Our bid for Normandy is not conditioned on completion of the Franco-Nevada transaction. However, the completion of the Franco-Nevada transaction is conditioned on us and our associates achieving a relevant interest in at least 50.1% of the Normandy shares, calculated on a fully diluted basis.

To complete the transactions, our stockholders must approve the issuance of the shares of Holdco common stock or, in the event the merger is not completed, shares of Newmont common stock to be issued to Franco-Nevada stockholders pursuant to the arrangement agreement and to holders of Normandy shares pursuant to our bid for Normandy. In addition, if the common stock to be issued is Newmont common stock, our stockholders must approve an amendment to our restated certificate of incorporation to increase the number of authorized shares of Newmont common stock to be issued in connection with the transactions.

THE MERGER (PAGE 51)

GENERAL: THE RESTRUCTURING

In connection with the transactions, we propose a merger with Acquisitionco, an indirect, wholly owned subsidiary created for the purpose of effecting the merger. After the merger, we will survive as a wholly owned subsidiary of Holdco, which will become the holding company for the Newmont group and will directly own all the common stock of Newmont. Holdco will be renamed "Newmont Mining Corporation," and you will become stockholders of the new Newmont Mining Corporation.

7

CONVERSION OF NEWMONT STOCK

If we complete the merger, each share of Newmont common stock will be converted, without any action on your part, into one share of Holdco common stock. Pursuant to the merger agreement, we have the option either to leave outstanding the shares of our \$3.25 convertible preferred stock or to exchange the outstanding shares of our \$3.25 convertible preferred stock for shares of Holdco \$3.25 convertible preferred stock having the same preferences and rights with respect to Holdco. In either case, the holders of convertible preferred stock will be entitled to vote together with the holders of common stock on all matters relating to Newmont (if we choose to leave outstanding our convertible preferred stock) or Holdco (if we effect the exchange for Holdco convertible preferred stock). In either case, the aggregate voting power of the Holdco convertible preferred stock, as a class, or the Newmont convertible preferred

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

stock, as a class, will be commensurate with the proportionate economic interest in Newmont of holders of Newmont convertible preferred stock, as a class, immediately prior to the completion of the merger.

In general, absent non-payment of dividends, our \$3.25 convertible preferred stock does not currently have voting rights and will not obtain further voting rights if we do not complete the merger.

MANAGEMENT AND OPERATIONS AFTER THE TRANSACTIONS (PAGE 48)

Upon completion of the transactions and the merger, Wayne W. Murdy, our current president and Chief Executive Officer, will serve as Chairman and Chief Executive Officer of New Newmont. Pierre Lassonde, currently President and Co-Chief Executive Officer of Franco-Nevada, will serve as President of New Newmont.

The New Newmont board of directors will consist of 17 members, including the current 12 directors of Newmont, Seymour Schulich and Pierre Lassonde, the co-chief executive officers of Franco-Nevada, one additional nominee from Franco-Nevada and two nominees from Normandy. Robert J. Champion de Crespigny, currently Chairman and Chief Executive Officer of Normandy, will be invited to fill one of the Normandy positions.

If the Normandy transaction is completed but the Franco-Nevada transaction is not, New Newmont's board of directors will consist of 14 members, including the current 12 directors of Newmont and two nominees from Normandy. Mr. Champion de Crespigny will be invited to fill one of the Normandy positions. Mr. Murdy will serve as Chairman, President and Chief Executive Officer of New Newmont.

OUR RECOMMENDATION TO STOCKHOLDERS (PAGE 44)

Your board of directors has determined that the merger agreement, the proposed amendment to Newmont's restated certificate of incorporation, the issuance of shares and the proposed transactions with Normandy and Franco-Nevada are fair to and in the best interests of Newmont and its stockholders and has declared them advisable. Your board has approved the merger agreement, the proposed amendment to our restated certificate of incorporation and the issuance of the shares necessary to complete the transactions. YOUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE MERGER AGREEMENT, FOR THE AMENDMENT TO NEWMONT'S RESTATED CERTIFICATE OF INCORPORATION, FOR THE ISSUANCE OF SHARES OF HOLDCO OR NEWMONT COMMON STOCK AND FOR THE ADJOURNMENT OF THE MEETING, IF NECESSARY, TO PERMIT THE SOLICITATION OF FURTHER VOTES IN FAVOR OF THESE PROPOSALS.

TERMINATION (PAGE 51)

The merger agreement may be terminated before the effective time of the merger, notwithstanding the adoption of the merger agreement by our stockholders, for any reason by any of the parties to the merger agreement.

In addition, a number of factors may lead to the non-completion of the proposed offer for Normandy shares and the termination of the arrangement agreement concerning Franco-Nevada common shares. See "The Acquisition of Normandy" and "The Acquisition of Franco-Nevada" on pages 53 and 61, respectively.

APPRAISAL RIGHTS (PAGE 127)

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Under Delaware law, you are not entitled to appraisal rights in connection with the transactions or the merger.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES (PAGE 49)

The parties have structured the transaction so that it is anticipated that the merger will be a reorganization for U.S. federal income tax purposes and/or that the merger, taken together with the exchange of Normandy shares for New Newmont common stock and the exchange of Franco-Nevada common shares for New Newmont common stock will be treated as an exchange described in Section 351 of the Internal Revenue Code of 1986, as amended. If the merger is a reorganization and/or an exchange described in Section 351 of the Internal Revenue Code, holders of Newmont common stock will not recognize gain or loss for U.S. federal income tax purposes in the transaction. You are strongly urged to consult with a tax advisor to determine the particular U.S. federal, state or local or foreign income or other tax consequences of the merger to you.

REGULATORY REQUIREMENTS (PAGE 45)

Pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, or HSR Act, on November 28, 2001, we filed a Premerger Notification and Report Form in connection with our offer for Normandy with the Antitrust Division of the U.S. Department of Justice and the Federal Trade Commission. The applicable waiting period following the filing was terminated early by the FTC on December 21, 2001. On November 28, 2001, we filed a Premerger Notification and Report Form in connection with our acquisition of Franco-Nevada. The applicable waiting period will expire on December 28, 2001, unless it is terminated earlier or extended by the FTC or the Antitrust Division.

We and Franco-Nevada filed a request for an advance ruling certificate with the Canadian Commissioner of Competition on December 14, 2001. We also filed an application for review of the arrangement with Franco-Nevada with the Minister responsible for the Investment Canada Act.

Under the Foreign Acquisitions and Takeovers Act 1975 (Cth) of Australia, we must notify the Foreign Investment Review Board, or FIRB, which acts on behalf of the Treasurer of Australia, before we acquire more than 15% of Normandy. The Treasurer may prohibit the acquisition, if the Treasurer considers that it would be contrary to the national interest. The Treasurer must decide within 30 days whether he has any objection to the acquisition, or extend the time for making a decision by up to a further 90 days. The notification was lodged with FIRB on December 7, 2001; accordingly, the initial period for a decision will expire on January 6, 2002.

We and Normandy conduct operations in a number of other jurisdictions where regulatory filings or approvals may be required in connection with the offer for Normandy. We have made antitrust filings with the relevant authorities in Brazil. We are currently in the process of reviewing whether any other filings will be required or advisable in other jurisdictions, and currently intend to make the appropriate regulatory filings and applications if it is determined that such filings are required or advisable.

In addition, our arrangement with Franco-Nevada is subject to approval by the Superior Court of the Province of Ontario. See "The Acquisition of Franco-Nevada--Court Approval of the Arrangement and Completion of the Franco-Nevada Transaction" on page 68.

RISK FACTORS

IN CONSIDERING WHETHER TO VOTE IN FAVOR OF THE MERGER AND THE ISSUANCE OF SHARES OF HOLDCO OR NEWMONT COMMON STOCK AND THE OTHER MATTERS PRESENTED AT THE SPECIAL MEETING, YOU SHOULD CONSIDER ALL OF THE INFORMATION WE HAVE INCLUDED IN THIS DOCUMENT AND ITS APPENDICES AND ALL OF THE INFORMATION INCLUDED IN THE DOCUMENTS WE HAVE INCORPORATED BY REFERENCE. IN ADDITION, YOU SHOULD PAY PARTICULAR ATTENTION TO THE FOLLOWING RISKS RELATED TO THE TRANSACTIONS, WHICH HAVE BEEN SEPARATED INTO THREE GROUPS:

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

- . risks related to the transactions;
- . risks related to the gold mining industry generally; and
- . risks related to our operations.

RISKS RELATED TO THE TRANSACTIONS

UNCERTAINTIES EXIST IN INTEGRATING THE BUSINESS OPERATIONS OF THE THREE COMPANIES.

We intend, to the extent possible, to integrate our operations with those of Normandy and, if the plan of arrangement is completed, Franco-Nevada. This intention, and the risks associated with it, apply whether or not we acquire Franco-Nevada. Our goal in integrating these operations is to increase earnings and achieve cost savings by taking advantage of the synergies of consolidation and enhanced growth opportunities. We may encounter substantial difficulties integrating our operations with Normandy's and Franco-Nevada's operations, resulting in a delay or the failure to achieve the anticipated synergies and, therefore, the expected increases in earnings. Moreover, the integration process may cause us to incur substantial costs as a result of, among other things:

- . loss of key employees;
- . possible inconsistencies in standards, controls, procedures and policies, business cultures and compensation structures among us, Normandy and Franco-Nevada, and the need to implement, integrate and harmonize various business-specific operating procedures and systems, as well as company-wide financial, accounting, information and other systems; and
- . the diversion of management's attention from day-to-day business as a result of the need to deal with integration issues.

For these reasons, we may fail to complete successfully the necessary integration of Newmont, Normandy and Franco-Nevada, or Newmont and Normandy (as the case may be) or to realize any of the anticipated benefits of the integration of the three companies. Actual cost savings and synergies may be lower than we currently expect and may take a longer time to achieve than we currently anticipate.

FULL INTEGRATION OF OUR OPERATIONS WITH NORMANDY'S OPERATIONS MAY NOT BE ACHIEVED IF WE CANNOT COMPULSORILY ACQUIRE ALL OUTSTANDING NORMANDY SHARES.

Our offer for Normandy shares (and the respective obligations of us and Franco-Nevada to complete our acquisition of Franco-Nevada) are subject to a condition that, before the end of the offer period, we and our associates have relevant interests in at least 50.1% of the Normandy shares (including the 19.79% owned by Franco-Nevada), calculated on a fully-diluted basis. To effect the compulsory acquisition of all of the ordinary shares of Normandy (including shares represented by Normandy ADSs) under the Corporations Act of Australia, we are required to have a relevant interest in at least 90% (by number) of all of the Normandy shares at the end of the offer period. It is possible that, at the end of the offer period, we will not hold a sufficient number of Normandy shares to effect a compulsory acquisition of the remaining outstanding Normandy shares under the Corporations Act. This could prevent or delay us from realizing some or all of the anticipated benefits from the integration of our operations with Normandy's operations.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

See "The Transactions--Background to the Transactions" and "The Transactions--Reasons for the Transactions" on pages 33 and 39, respectively.

EVEN IF WE AND OUR ASSOCIATES HAVE RELEVANT INTERESTS IN AT LEAST 50.1% OF THE NORMANDY SHARES, WE MAY BE UNABLE TO COMPLETE THE ACQUISITION OF FRANCO-NEVADA.

The respective obligations of us and Franco-Nevada to complete the acquisition of Franco-Nevada by us are subject to the condition that we and our associates have relevant interests in at least 50.1% of the Normandy shares, calculated on a fully diluted basis (including Franco-Nevada's holding of approximately 19.79% of Normandy shares calculated on a fully diluted basis). There is no condition to our offer for Normandy that the Franco-Nevada transaction be completed. Even if we and our associates have such relevant interests, however, Newmont may be unable to acquire Franco-Nevada due to the non-satisfaction of any one of a number of other conditions to that acquisition, including shareholder and regulatory approvals. Accordingly, we may succeed in acquiring Normandy while failing to acquire Franco-Nevada, and could thus be prevented from realizing the benefits from the integration of our operations with Franco-Nevada's operations that we expect to result from the acquisition of all of the outstanding common shares of Franco-Nevada. Absent these benefits, we may not achieve all of the strategic objectives we expect to achieve from the combination of us, Normandy and Franco-Nevada into a single company.

For further details on these consequences, see "--Risks Related to Our Operations" and "The Transactions--Reasons for the Transactions" on pages 24 and 39, respectively.

ANTITRUST AND COMPETITION AUTHORITIES IN VARIOUS JURISDICTIONS MAY ATTEMPT TO DELAY OR PREVENT OUR ACQUISITION OF VOTING AND CONTROL RIGHTS OR MAY REQUIRE DIVESTITURES.

We and Normandy conduct operations in a number of jurisdictions where antitrust filings or approvals may be required in connection with the offer. We have made or will make antitrust filings with the relevant authorities in the United States, Brazil and Canada. We are currently in the process of reviewing whether any other filings will be required or advisable in other jurisdictions, and we intend to make the appropriate regulatory filings and applications if we decide that such filings are required or advisable. We are confident that the necessary regulatory approvals will be obtained. Nevertheless, we cannot provide any assurance that the necessary approvals will be obtained or that there will not be any adverse consequences to our, Franco-Nevada's or Normandy's business resulting from the failure to obtain these regulatory approvals or from conditions that could be imposed in connection with obtaining these approvals, including divestitures or other operating restrictions upon our business.

WE HAVE NOT VERIFIED THE RELIABILITY OF THE NORMANDY INFORMATION INCLUDED IN, OR WHICH MAY HAVE BEEN OMITTED FROM, THIS DOCUMENT.

In respect of information relating to Normandy presented in, or omitted from, this proxy statement/prospectus, including all Normandy financial information, we have relied exclusively upon publicly available information. Pursuant to Rule 409 promulgated under the Securities Act of 1933, as amended, on December 17, 2001, we requested that Normandy and its independent public accountants provide to us all material information required to be included in our offer document or required to make statements made herein not misleading. On December 11, 2001, we requested that Normandy's independent public accountants consent in a customary manner to the inclusion of its audit reports

with respect to the financial statements of Normandy included in this document. On December 14, 2001, Normandy's independent public accountants responded in writing to our December 11, 2001 letter stating that they were reluctant to give consent for the inclusion of Normandy's audit report where consent has not been given for the financial statements themselves, and believed it was appropriate that its consent be given concurrently with Normandy's consent. On December 19, 2001, Normandy, on its own behalf and on behalf of its accountants, responded in writing to our December 17, 2001 letter and stated that it was not appropriate for Normandy to bear any burden as to what the document should contain and whether or not the document was misleading. Normandy further stated that if there were specifics which Newmont wished to

20

refer to Normandy for review and comment, Normandy would consider whether it could be of assistance and to what extent, on a case by case basis. In addition, Normandy stated that its accountants were not in a position to provide assistance to us, that work on U.S. GAAP reconciliation of its financial statements had not been completed to Normandy's satisfaction and that Normandy had not yet determined whether it would allow U.S. GAAP reconciliation of its financial statements to be made public at this time. Any inaccuracy in the Normandy information contained in this document could adversely affect the results of operations of New Newmont. For further information, see "The Companies--Business of Normandy--Disclaimer Information in Relation to Normandy" on page 95.

CHANGE OF CONTROL PROVISIONS IN NORMANDY'S AGREEMENTS TRIGGERED UPON THE ACQUISITION OF CONTROL OF NORMANDY MAY LEAD TO ADVERSE CONSEQUENCES.

Normandy is a party to agreements that contain change of control provisions that may be triggered if, following completion of the offer, we hold Normandy shares representing a majority of the voting rights of Normandy. The operation of these change of control provisions, if triggered, could result in significant debt acceleration or prepayments and require Normandy to renegotiate its financings or sell joint venture interests. These provisions may be waived with the consent of the other party and we intend to consider seeking such waivers. In the absence of these waivers, the operation of any of these change of control provisions could adversely affect the operations of New Newmont.

INFORMATION PROVIDED TO AND BY FRANCO-NEVADA REGARDING THE VARIOUS MINING PROPERTIES IN WHICH IT HOLDS ROYALTY INTERESTS HAS NOT BEEN INDEPENDENTLY VERIFIED.

Franco-Nevada holds most of its producing mineral interests in the form of net smelter return ("NSR") royalties and net profit interest ("NPI") royalties. This means that Franco-Nevada does not, itself, own or operate any mines and, aside from any audit rights that it may have with respect to the payments received from mining companies, may not, in all cases, have access to non-public or internal records of mining companies or may otherwise be restricted by confidentiality obligations. Accordingly, the information provided by Franco-Nevada with respect to the production, reserves, mining operations and exploration and development of the various mining properties in which Franco-Nevada holds royalty interests has been taken from information published by the operating companies in their annual reports, other public disclosure documents and information prepared by management. Franco-Nevada, and therefore we, cannot be certain that all of such information is complete and accurate in all material respects. Changes in the reserves, mining operations or development of any of the various properties in which Franco-Nevada holds royalty interests could result in a material reduction in the royalty income of

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

New Newmont.

NORMANDY IS A SUBSTANTIAL SHAREHOLDER IN AUSTRALIAN MAGNESIUM CORPORATION (AMC).

Normandy is a substantial holder of AMC securities and has significant future obligations to AMC. AMC has announced:

- . on November 21, 2001, that all conditions of its public offer of distribution entitled securities pursuant to its prospectus dated October 15, 2001 have been satisfied; and
- . on November 22, 2001, that the AMC board of directors has given formal approval to commence development of the \$1.3 billion Stanwell Magnesium Project.

There are a number of significant risks related to investments in AMC, including:

- . risks related to the Stanwell Magnesium Project which has no operating history;
- . AMC's substantial dependence on the Stanwell Magnesium Project;
- . risks related to the magnesium market;

21

- . financial risks specific to AMC's business and operations;
- . risk factors related to general market conditions; and
- . AMC's reliance upon Normandy for financial and operational support.

Additionally, AMC announced on November 29, 2001 that Normandy has agreed to continue as guarantor of AMC's foreign exchange hedging position and \$72 million corporate facility with ANZ Banking Group Limited. If AMC is unable to perform its obligations under these arrangements, there is a risk that Normandy, as guarantor, may incur liabilities under these arrangements.

RISKS RELATED TO THE GOLD MINING INDUSTRY GENERALLY

A SUBSTANTIAL OR EXTENDED DECLINE IN GOLD PRICES WOULD HAVE A MATERIAL ADVERSE EFFECT ON NEW NEWMONT.

The businesses of Newmont, Normandy and Franco-Nevada are extremely dependent on the price of gold, which is affected by numerous factors beyond our control. Factors tending to put downward pressure on the price of gold include:

- . sales or leasing of gold by governments and central banks;
- . a low rate of inflation and a strong U.S. dollar;
- . global and regional recession or reduced economic activity;
- . speculative trading;
- . the demand for gold for industrial uses, use in jewelry, and investment;

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

- . high supply of gold from production, disinvestment, scrap and hedging;
- . interest rates;
- . sales by gold producers in forward transactions and other hedging;
- . the production and cost levels for gold in major gold-producing nations;
and
- . the cost level (in local currencies) for gold in major consuming nations.

Any drop in the price of gold adversely impacts our revenues, profits and cash flows, particularly in light of our "no hedging" philosophy. Normandy and Franco-Nevada have recorded asset writedowns in recent years as a result of a sustained period of low gold prices. New Newmont may experience additional asset impairment as a result of continuing low gold prices.

In addition, sustained low gold prices can: (1) reduce revenues further by production cutbacks due to cessation of the mining of deposits or portions of deposits that have become uneconomic at the then-prevailing gold price; (2) halt or delay the development of new projects; (3) reduce funds available for exploration, with the result that depleted reserves are not replaced; and (4) reduce the existing reserves, by removing ores from reserves that cannot be economically mined or treated at prevailing prices.

WE NEED TO CONTINUALLY OBTAIN ADDITIONAL RESERVES FOR GOLD PRODUCTION.

We must continually replace gold reserves depleted by production. Depleted reserves must be replaced by expanding known orebodies or by locating new deposits in order for us to maintain our production levels over the long term. Success in exploration for gold is uncertain. As a result, the reserve base of New Newmont may decline as reserves are produced without adequate replacement.

22

ESTIMATES OF PROVEN AND PROBABLE RESERVES ARE UNCERTAIN.

Estimates of proven and probable reserves and cash operating costs are subject to considerable uncertainty. Such estimates are, to a large extent, based on interpretations of geologic data obtained from drill holes and other sampling techniques. Gold producers use feasibility studies to derive estimates of cash operating costs based upon anticipated tonnage and grades of ore to be mined and processed, the predicted configuration of the ore body, expected recovery rates of metals from the ore, comparable facility, equipment and operating costs, and other factors. Actual cash operating costs and economic returns on projects may differ significantly from original estimates. Further, it may take many years from the initial phase of drilling before production is possible and, during that time, the economic feasibility of exploiting a discovery may change.

INCREASED COSTS COULD AFFECT PROFITABILITY.

The cash cost of production at any particular mining location is frequently subject to great variation from one year to the next due to a number of factors, such as changing waste-to-ore ratios, ore grade and metallurgy. In the past, a cash cost swing of 10% at any one location has not been a significant factor in our profitability. However, this may not always be the case.

MINING ACCIDENTS OR OTHER ADVERSE EVENTS AT A MINING LOCATION COULD REDUCE OUR PRODUCTION LEVELS.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

At any of our operations, production may fall below historic or estimated levels as a result of mining accidents such as a pit wall failure in an open pit mine, or cave-ins or flooding at underground mines. In addition, production may be unexpectedly reduced at a location if, during the course of mining, unfavorable ground conditions or seismic activity are encountered, ore grades are lower than expected, or the physical or metallurgical characteristics of the ore are less amenable to mining or treatment than expected.

THE USE OF HEDGING INSTRUMENTS MAY PREVENT GAINS BEING REALIZED FROM SUBSEQUENT PRICE INCREASES.

Consistent with our position as a largely unhedged producer, New Newmont does not intend to enter into new gold hedging positions. This creates a risk that, as gold prices fall, New Newmont's revenues will be adversely affected. Further, over time, our intention is to deliver into Normandy's existing hedge contracts, and we will seek to unwind New Newmont's hedge position when economically attractive. Nonetheless, New Newmont will retain a gold hedging position at the outset. If the gold price rises above the price at which future production has been committed under these hedge instruments, we will have an opportunity loss. However, if the gold price falls below that committed price, New Newmont's revenues will be protected to the extent of such committed production.

CURRENCY FLUCTUATIONS MAY AFFECT THE COSTS THAT WE INCUR.

Currency fluctuations may affect the costs that we incur at our operations. Gold is sold throughout the world based principally on the U.S. dollar price, but a portion of our operating expenses are incurred in local currencies. The appreciation of non-U.S. dollar currencies against the U.S. dollar can increase the costs of gold production in U.S. dollar terms at mines located outside the United States.

GOLD MINING COMPANIES ARE SUBJECT TO EXTENSIVE ENVIRONMENTAL LAWS AND REGULATIONS.

Our exploration, production and processing operations are extensively regulated under various U.S. federal, state and local and foreign laws relating to the protection of air and water quality, hazardous waste management and mine reclamation. We have incurred current liabilities and may have potential future liability for environmental costs. Further, the regulatory environment for our operations could change in ways that would substantially increase our liability or the costs of compliance and that could have a material adverse effect on our operations or financial position.

23

RISKS RELATED TO OUR OPERATIONS

In addition to the risks related to the gold mining industry generally, our operations are also subject to the following risks specific to us:

OUR OPERATIONS OUTSIDE NORTH AMERICA AND AUSTRALIA ARE SUBJECT TO THE RISKS OF DOING BUSINESS ABROAD.

Exploration, development and production activities outside of North America and Australia are potentially subject to political and economic risks, including:

- . cancellation or renegotiation of contracts;

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

- . disadvantages of competing against companies from countries that are not subject to U.S. laws and regulations, including the Foreign Corrupt Practices Act;
- . changes in foreign laws or regulations;
- . changes in tax laws;
- . royalty and tax increases or claims by governmental entities;
- . retroactive tax or royalty claims;
- . expropriation or nationalization of property;
- . currency fluctuations (particularly in countries with high inflation);
- . foreign exchange controls;
- . restrictions on the ability of local operating companies to sell gold offshore for U.S. dollars, and on the ability of such companies to hold U.S. dollars or other foreign currencies in offshore bank accounts;
- . import and export regulations, including restrictions on the export of gold;
- . restrictions on the ability to pay dividends offshore;
- . environmental controls;
- . risks of loss due to civil strife, acts of war, guerrilla activities, insurrection and terrorism; and
- . other risks arising out of foreign sovereignty over the areas in which our operations are conducted.

Consequently, our exploration, development and production activities outside of North America and Australia may be substantially affected by factors beyond our control, any of which could materially adversely affect our financial position or results of operations. Furthermore, in the event of a dispute arising from such activities, we may be subject to the exclusive jurisdiction of courts outside North America or Australia or may not be successful in subjecting persons to the jurisdiction of the courts in North America or Australia, which could adversely affect the outcome of a dispute.

We have substantial investments in Indonesia, a nation that since 1997 has undergone financial crises and devaluation of its currency, outbreaks of political and religious violence, changes in national leadership and the secession of East Timor, one of its former provinces. Despite democratic elections in 1999, a change in government occurred in late July 2001, and civil unrest, independence movements and tensions between the civilian government and the military continue. These problems heighten the risk of abrupt changes in leadership or in the national policy toward foreign investors, which in turn could result in unilateral modification of concessions or contracts, increased taxation, or expropriation of assets.

In October 2000, Peru's President, Alberto Fujimori, resigned as a result of various revelations and accusations relating to his national security advisor Vladimiro Montesinos. An interim government was appointed, and elections for a new president and Congress were held in April 2001, with run-off elections for the

presidency held in June 2001. During the last two years, Minera Yanacocha, a gold mine which Newmont owns, has been the target of numerous local political protests, including ones that blocked the road between the Yanacocha mine complex and the city of Cajamarca. Newmont cannot predict whether these incidents will continue, nor can it predict the new government's continuing positions on foreign investment, mining concessions, land tenure, environmental regulation or taxation.

WE INCUR COSTS TO COMPLY WITH ENVIRONMENTAL AND OTHER GOVERNMENTAL REGULATIONS, AND REMEDIATION COSTS FOR FEDERAL SUPERFUND LAW LIABILITIES MAY EXCEED THE PROVISIONS WE HAVE MADE.

We have conducted extensive remediation work at two inactive sites in the United States as a result of liability under the U.S. Superfund Law. At one of these two sites, remediation requirements have not been finally determined and the ultimate cost cannot be estimated with certainty. At a third site in the U.S., an inactive uranium mine and mill formerly operated by a subsidiary of Newmont, final remediation has not begun due to the failure to date of federal agencies to agree on a remediation plan. Newmont disputes its liability for remediation costs at this site. The environmental standards that may ultimately be imposed at this site remain uncertain and there is a risk that the costs of remediation may exceed the provision Newmont's subsidiary has made for such remediation by a material amount.

Whenever a previously unrecognized remediation claim becomes known or a previously estimated cost is increased, that amount of additional cost is expensed in the same period and this can materially reduce net income in that period.

We also incur costs to comply with health and safety laws and regulations in each country where we operate.

WE COULD HAVE A SUBSTANTIAL AMOUNT OF INDEBTEDNESS.

If we complete the acquisition of both Normandy and Franco-Nevada, our level of indebtedness will increase. If we acquire Normandy and do not acquire Franco-Nevada, the net debt level of Newmont will be higher by approximately US\$517 million (after transaction costs) than if we had acquired Franco-Nevada. See "Newmont Unaudited Pro Forma Combined Condensed Financial Statements," on page 105. This level of indebtedness could have important consequences on our operations, including:

- . we may need to use a large portion of the money we earn to repay principal and pay interest on our debt, which will reduce the amount of money available to finance our operations and other business activities;
- . our debt level may make us more vulnerable to economic downturns and adverse developments in our businesses and markets;
- . our debt level may reduce our flexibility in responding to changing business and economic conditions, including increased competition in our industry; and
- . our debt level may limit our ability to pursue other business opportunities, borrow money for operations or capital in the future or implement our business strategy.

We expect to obtain the money to pay our expenses and to pay principal and

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

interest on our debt from our cash flow and refinancings. Our ability to meet these requirements will depend on our future financial performance, which will be affected by financial, business, economic and other factors. We will not be able to control many of these factors, such as economic conditions in the markets in which we operate. We cannot be certain that our future cash flow will be sufficient to allow us to pay principal and interest on our debt and meet our other obligations. If we do not have enough money to do so, we may be required to refinance all or part of our existing debt, sell assets or borrow more money. We cannot assure you that we will be able to do so on commercially reasonable terms, if at all.

25

OCCURRENCE OF EVENTS FOR WHICH WE ARE NOT INSURED MAY AFFECT OUR CASH FLOWS AND OVERALL PROFITABILITY.

We maintain insurance to protect ourselves against certain risks related to our operations. This insurance is maintained in amounts that are believed to be reasonable depending upon the circumstances surrounding each identified risk. However, we may elect not to have insurance for certain risks because of the high premiums associated with insuring those risks or for various other reasons. Occurrence of events for which we are not insured may affect our cash flows and overall profitability.

OUR BUSINESS DEPENDS ON GOOD RELATIONS WITH OUR EMPLOYEES.

We will have a significant number of employees subject to collective bargaining agreements. New Newmont may experience difficulties in integrating labor policies, practices and strategies. In addition, problems with or changes affecting employees of one company may affect relations with employees of one or both of the other companies. The process of combining our companies increases the risk of labor disputes, work stoppages, or other disruptions in production that could adversely affect New Newmont.

THE EARNINGS OF NEW NEWMONT ALSO COULD BE AFFECTED BY THE PRICES FOR OTHER COMMODITIES.

The revenues and earnings of New Newmont also could be affected, to a lesser extent than by the price of gold, by the prices of other commodities such as copper and zinc.

WE MAY NOT HAVE SATISFACTORY TITLE TO OUR PROPERTIES.

The validity and ownership of mining property holdings can be uncertain and may be contested. Although we have attempted to acquire satisfactory title to our properties, some risk exists that some titles, particularly titles to undeveloped properties, may be defective. In addition, there are currently a number of pending native title or traditional landowner claims relating to certain of Normandy's properties in Australia.

THE SPECIAL MEETING

WE ARE FURNISHING THIS JOINT PROXY STATEMENT/PROSPECTUS TO OUR STOCKHOLDERS AS PART OF THE SOLICITATION OF PROXIES BY OUR BOARD OF DIRECTORS FOR USE AT THE SPECIAL MEETING.

DATE, TIME, PLACE AND PURPOSE

We will hold the special meeting on February . , 2002, at . , local time, at . . The purpose of the special meeting is for you to consider and vote upon:

- . a proposal to adopt the merger agreement, which provides for the merger of Acquisitionco with and into Newmont as part of a restructuring that would facilitate the completion of our acquisition of Normandy and Franco-Nevada;
- . a proposal to amend our restated certificate of incorporation to increase the number of authorized shares of Newmont common stock from 250 million shares to 750 million shares in the event that the merger is not completed;
- . a proposal to adjourn the special meeting, if necessary, to permit further solicitation of proxies in the event there are not sufficient votes at the time of the special meeting to approve the above proposals; and
- . a proposal to approve the issuance of shares of Holdco common stock, or, in the event the merger is not completed, shares of Newmont common stock, in connection with the proposed transactions.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE MERGER AGREEMENT, FOR THE AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION, FOR THE ISSUANCE OF SHARES OF HOLDCO COMMON STOCK OR, IN THE EVENT THAT THE MERGER IS NOT COMPLETED, SHARES OF NEWMONT COMMON STOCK AND FOR THE ADJOURNMENT OF THE MEETING, IF NECESSARY, TO PERMIT THE SOLICITATION OF FURTHER VOTES IN FAVOR OF THESE PROPOSALS.

RECORD DATE; SHARES ENTITLED TO VOTE; QUORUM

Only holders of record of Newmont common stock at the close of business on January . , 2002, the record date, are entitled to notice of and to vote at the special meeting. On the record date, approximately . shares of Newmont common stock were issued and outstanding and held by approximately . holders of record. A quorum will be present at the special meeting if the holders of a majority of the shares of Newmont common stock outstanding and entitled to vote on the record date are present, in person or by proxy. If a quorum is not present at the special meeting, we expect that the special meeting will be adjourned to solicit additional proxies.

Shares of Newmont common stock represented, in person or by proxy, at the special meeting but not voting, including shares of Newmont common stock for which proxies have been received but with respect to which the holders have abstained from voting, will be treated as present at the special meeting for

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

purposes of determining the presence or absence of a quorum for the transaction of all business. Under the rules of the NYSE, brokers that hold shares of Newmont common stock in nominee or street name for customers that are the beneficial owners of those shares of Newmont common stock may not vote those shares of Newmont common stock without the specific instructions of those customers. However, these so-called "broker non-votes" will be counted for purposes of determining whether a quorum exists.

Holders of record of Newmont common stock on the record date are entitled to one vote per share on each of the proposals to be voted on at the special meeting. Holders of Newmont \$3.25 convertible preferred stock are not entitled to any vote on the proposals to be voted on at the special meeting.

28

VOTE REQUIRED

The adoption of the merger agreement by our stockholders requires the affirmative vote of the holders of a majority of the shares of Newmont common stock outstanding and entitled to vote at the special meeting as of the record date, either in person or by proxy.

The approval of the amendment to our restated certificate of incorporation requires the affirmative vote of the holders of a majority of the shares of Newmont common stock outstanding and entitled to vote at the special meeting as of the record date, either in person or by proxy.

The approval of the issuance of the shares of Holdco common stock or, in the event that the merger is not completed, the shares of Newmont common stock, requires the affirmative vote of the holders of a majority of the shares of Newmont common stock represented at the special meeting, either in person or by proxy, and entitled to vote at the special meeting, provided that holders of at least a majority of the shares of Newmont common stock entitled to vote at the special meeting do in fact vote, or abstain from voting, on this proposal.

The approval of the proposal to adjourn the meeting, if necessary, to permit the solicitation of further votes in favor of the other proposals, requires the affirmative vote of the holders of a majority of the shares of Newmont common stock voting in favor of or against the proposal represented at the special meeting either in person or by proxy.

Because each of the proposals to adopt the merger agreement and to approve the amendment to Newmont's restated certificate of incorporation requires the affirmative vote of the holders of a majority of the shares of Newmont common stock outstanding and entitled to vote at the special meeting, abstentions and broker non-votes will have the same effect as a vote against each proposal. Because the proposal to approve the issuance of the shares of either Holdco common stock or the shares of Newmont common stock requires the affirmative vote of a majority of the shares of Newmont common stock represented at the special meeting and entitled to vote at the special meeting, abstentions and broker non-votes will have the same effect as a vote against the proposal. With respect to the proposal to adjourn the meeting, if necessary, abstentions and broker non-votes will not be counted.

VOTING BY NEWMONT DIRECTORS AND EXECUTIVE OFFICERS

At the close of business on the record date, Newmont directors and executive officers owned and were entitled to vote . shares of Newmont common stock, representing approximately . % of the shares of Newmont common stock outstanding on that date. Each Newmont director and executive officer has

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

indicated his or her present intention to vote, or cause to be voted, the shares of Newmont common stock owned by him or her in favor of each of the proposals to be voted on at the special meeting.

VOTING OF PROXIES

All shares represented by properly executed proxies received in time for the special meeting will be voted at the special meeting in the manner specified by the holders of Newmont common stock giving those proxies. Properly executed proxies that do not contain voting instructions will be voted in favor of the proposals.

In addition to manually executing and returning a proxy by mail, holders of Newmont common stock may submit a proxy by telephone or through the Internet. If submitting a proxy by telephone or through the Internet, the stockholder should dial the toll-free number or access the Internet address, in each case, as indicated on the stockholder's proxy card. The stockholder will then be prompted to enter the control number printed on his or her proxy card and to follow the subsequent instructions.

If your shares of Newmont common stock are held in street name by a bank or brokerage firm, you will only be able to submit a proxy by telephone or through the Internet only if this method of submitting your proxy is offered by your bank or broker and the procedures are described on the voting form sent to you. If your shares of Newmont common stock are held in street name through a bank or brokerage firm and you wish to vote in person

29

at the special meeting, you should bring a letter from that bank or brokerage identifying you as the beneficial owner of those shares and authorizing you to vote those shares of Newmont common stock.

The individuals named as proxies by a holder of Newmont common stock may vote for one or more adjournments of the special meeting, including adjournments to permit further solicitations of proxies. No proxy voted against the proposal to adopt the merger agreement will be voted in favor of any adjournment of the special meeting. At the adjourned meeting, if a quorum is present, the holders of Newmont common stock may transact any business that might have been transacted at the original meeting. Delaware law requires that if the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, we must give notice to each holder of record entitled to vote at the meeting.

We do not expect that any matter other than the proposals described in this proxy statement/prospectus will be brought before the special meeting. If, however, other matters are properly presented at the special meeting, the individuals named as proxies will vote in accordance with the recommendation of our board of directors with respect to each of those proposals.

REVOCABILITY OF PROXIES

Submitting a proxy on the enclosed form, by telephone or through the Internet does not preclude a holder of Newmont common stock from voting in person at the Newmont special meeting. A holder of Newmont common stock may revoke a proxy at any time before it is voted by filing with Newmont a duly executed revocation of proxy, by submitting a duly executed proxy or telephone or Internet proxy to Newmont with a later date, or by appearing at the special meeting and voting in person. Holders of Newmont common stock may revoke a proxy by any of these methods, regardless of the method used to deliver the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

previous proxy. ATTENDANCE AT THE SPECIAL MEETING WITHOUT VOTING WILL NOT ITSELF REVOKE A PROXY.

SOLICITATION OF PROXIES

We will pay the expenses incurred in connection with the printing and mailing of this joint proxy statement/prospectus. In addition to this solicitation by mail, the directors, officers and employees of Newmont and its subsidiaries, who will not be specifically compensated, may solicit proxies from holders of Newmont common stock by telephone or other electronic means or in person. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of shares of Newmont common stock held of record by these persons, and we will reimburse these persons for their reasonable out-of-pocket expenses.

We will mail a copy of this proxy statement/prospectus to each holder of record of Newmont common stock on the record date.

We have retained MacKenzie Partners, Inc. to assist in the solicitation of proxies from banks, brokerage firms, nominees, institutional holders and individual investors for a customary fee plus reimbursement for expenses.

The extent to which these proxy soliciting efforts will be necessary depends on how promptly the holders of Newmont common stock submit their proxies. You should submit your proxy as soon as possible by mail, by telephone or through the Internet.

DO NOT SEND IN ANY NEWMONT STOCK CERTIFICATES WITH YOUR PROXY CARDS. YOUR NEWMONT STOCK CERTIFICATES WILL REPRESENT YOUR CORRESPONDING SHARES OF HOLDCO COMMON STOCK UPON COMPLETION OF THE MERGER IF THE MERGER IS CONSUMMATED.

30

PROXIES FOR PARTICIPANTS IN NEWMONT RETIREMENT SAVINGS PLANS

If you are a participant in the Newmont Mining Corporation Retirement Savings Plan (Non-Union) or the Newmont Mining Corporation Retirement Savings Plan for Hourly-Rated Employees (the "Retirement Savings Plans") and hold shares of Newmont common stock in the Retirement Savings Plans, those shares of Newmont common stock that are held for you under the Retirement Savings Plans may be voted through the proxy card accompanying this mailing. The Retirement Savings Plans are administered by The Vanguard Group, as Trustee. The Trustee, as the stockholder of record of Newmont common stock held in the Retirement Savings Plans, will vote the shares of Newmont common stock held for you in accordance with the directions you give on the enclosed proxy card, provided that you return the proxy card duly signed and dated to the address indicated on the enclosed envelope. If the proxy cards representing shares of Newmont common stock held under the Retirement Savings Plans are not returned duly signed and dated, the Administration Committees of the Retirement Saving Plans shall instruct the Trustee with respect to how to vote any of these shares of Newmont common stock for which instructions are not received.

THE TRANSACTIONS

OVERVIEW

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

We intend to acquire both Normandy and Franco-Nevada to create the world's largest gold producer. To accomplish this goal, we are making an off-market bid for the ordinary shares in the capital of Normandy, and we have entered into an arrangement agreement to acquire all of the Franco-Nevada common shares. See "The Acquisition of Normandy" and "The Acquisition of Franco-Nevada," on pages 53 and 61, respectively. It is also possible that we would acquire less than all of the Normandy shares, either together with or separately from an acquisition of Franco-Nevada. In either case, we expect to achieve significant benefits from the combination.

In connection with the transactions, we intend to complete a restructuring in which we would merge with Acquisitionco, an indirect, wholly owned subsidiary. We would be the surviving corporation in the merger. As a result of the merger, we would become a direct, wholly owned subsidiary of Holdco, which is currently our direct, wholly owned subsidiary and whose certificate of incorporation authorizes the issuance of 750 million shares of Holdco common stock.

THE FOLLOWING DIAGRAM ILLUSTRATES IN SIMPLIFIED TERMS (1) OUR CURRENT STRUCTURE AND (2) OUR STRUCTURE SHOULD THE MERGER BE COMPLETED:
[FLOW CHART]

Upon completion of the merger, Holdco will be renamed "Newmont Mining Corporation" and will become the successor registrant for U.S. securities law purposes to the company currently named "Newmont Mining Corporation." Following the merger, Holdco will have the same board of directors as Newmont, and its certificate of incorporation and by-laws will be substantially similar to our existing restated certificate of incorporation and by-laws. Material differences between our constitutive documents and those of Holdco are discussed under "Comparison of Stockholder Rights" on page 126. Prior to the start of the trading day following the completion of the merger, Newmont common stock will cease to trade on the NYSE, and, on that trading day, Holdco common stock will commence trading on the NYSE. If the merger is completed, the new "Newmont Mining Corporation" will be the entity that will complete the acquisitions. We reserve the right to not complete the merger, but to complete the transactions.

At the special meeting, you will vote to adopt the merger agreement that would enable us to complete the restructuring. If the merger is completed, then the shares to be issued pursuant to the acquisitions will be shares of Holdco common stock in an amount that is authorized under Holdco's certificate of incorporation.

We intend to complete the acquisitions of Normandy and Franco-Nevada even if the merger is not completed (either because we do not obtain stockholder approval or because we choose not to engage in the

32

restructuring). If the merger is not completed, we will issue shares of Newmont common stock to holders of Normandy ordinary shares and Normandy ADSs and Franco-Nevada common shares. Because the number of shares of common stock issuable pursuant to the acquisitions, together with the number of shares of Newmont common stock currently outstanding, exceeds the number of shares of Newmont common stock authorized under our restated certificate of incorporation, completion of the transactions would require an increase in the number of authorized shares of Newmont common stock. **THUS, AT THE SPECIAL**

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

MEETING, YOU WILL ALSO VOTE UPON A PROPOSAL, IN THE EVENT THAT THE MERGER IS NOT COMPLETED, TO AMEND OUR RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF NEWMONT COMMON STOCK FROM 250 MILLION SHARES TO 750 MILLION SHARES.

Further, under NYSE rules, we may not issue the number of shares of Newmont common stock or Holdco common stock, as the case may be, necessary to complete the transactions unless that issuance is approved by our stockholders.

BECAUSE WE INTEND TO COMPLETE THE TRANSACTIONS WHETHER OR NOT WE COMPLETE THE MERGER, YOUR VOTES ON THE PROPOSALS TO AMEND OUR RESTATED CERTIFICATE OF INCORPORATION AND TO APPROVE THE ISSUANCE OF THE SHARES ARE SIGNIFICANT, REGARDLESS OF YOUR APPROVAL OR REJECTION OF THE MERGER PROPOSAL.

BACKGROUND TO THE TRANSACTIONS

From time to time in recent years, Newmont has considered acquisitions of other gold mining companies as opportunities in the industry presented themselves. In January 2001, Newmont completed its acquisition of Battle Mountain Gold Company in a stock-for-stock merger involving the issuance of Newmont common shares in a transaction accounted for as a pooling of interests for financial reporting purposes. As a result of this merger, Newmont acquired Australian operations.

In the ordinary course of business, Newmont, Franco-Nevada and Normandy attend industry conferences where members of senior management will occasionally discuss strategic opportunities potentially available in the industry. Newmont and Franco-Nevada had a limited business relationship (related primarily to Franco-Nevada's royalty interests in Newmont's Deep Post and Deep Star properties) prior to entering into discussions regarding the transactions; Newmont had contact with Franco-Nevada pertaining to royalties held by Franco-Nevada on some of Newmont's peripheral lands in the Carlin trend. Newmont and Normandy also had limited prior business relationships, primarily related to the Pajingo joint venture.

In May 2001, at a gold mining conference in Ireland, members of senior management of Franco-Nevada and Newmont met and discussed the general state of the gold mining industry and general corporate philosophy, including hedging philosophies and approaches. There were no discussions at the conference regarding a possible business combination involving the two companies or Normandy.

In June and July 2001, senior management of Newmont and Franco-Nevada had several conversations concerning the general state of the industry.

In late August 2001, Mr. Wayne W. Murdy, Newmont's Chief Executive Officer and President, received a call from Mr. Pierre Lassonde, Franco-Nevada's President and Co-Chief Executive Officer, suggesting a meeting to discuss a potential business opportunity that Franco-Nevada was then working on. This meeting concerned an exploratory discussion of possible Nevada operating synergies that might result from Franco-Nevada's investment in Echo Bay Mines.

On September 5, 2001, AngloGold Limited, a South African mining company, announced its intention to make an offer to acquire all of the issued Normandy shares on the basis of 2.15 AngloGold shares for each 100 Normandy shares, subject to a minimum of 50.1% of the Normandy Shares being deposited in acceptance into AngloGold's bid and other conditions. The AngloGold bid was announced without prior consultation with

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Franco-Nevada which, together with its subsidiary Franco-Nevada Mining Corporation, Inc., owns approximately 19.79% of the Normandy shares issued and outstanding on a fully diluted basis.

On September 6, 2001, Mr. Murdy had a discussion with the Co-Chief Executive Officers of Franco-Nevada, where the decision was made to schedule a meeting for September 11, 2001 to discuss in general terms the possibility of a transaction involving Newmont, Normandy and Franco-Nevada. Several members of Newmont's management were planning to go to Toronto on September 11, 2001, to meet with Franco-Nevada's Co-Chief Executive Officers. As a result of the terrorist acts in New York City and Washington, D.C. on September 11, this meeting did not take place. Between September 11 and September 20, Mr. Murdy and Mr. Lassonde had several conversations concerning the possibility of a three-way transaction as well as the impact on the industry of the events that took place on September 11, 2001.

Mr. Murdy and Mr. Lassonde spoke on September 20 and, in that conversation, Mr. Lassonde expressed his frustration with the "move" that AngloGold had made on Normandy and his belief that there was substantial upside to the Normandy asset portfolio, which Franco-Nevada had hoped to participate in bringing to all Normandy shareholders.

In September 2001, National Bank Financial began providing advice to Franco-Nevada with respect to a possible transaction with Newmont. On October 1, 2001, Franco-Nevada formally engaged National Bank Financial to act as its financial advisor in connection with a possible transaction with Newmont. In addition, CIBC World Markets was engaged as a special advisor to Franco-Nevada with respect to due diligence relating to Newmont.

In September 2001, Newmont contacted J.P. Morgan for assistance in analyzing the potential acquisition of Normandy and, possibly, Franco-Nevada. Subsequently, Newmont entered into an engagement letter with J.P. Morgan as its financial advisor; Goldman Sachs & Co. also was retained by Newmont as its financial advisor.

On September 25, 2001, two senior executives of Newmont spoke with Franco-Nevada's Co-Chief Executive Officers about the relative position of each company in the industry, their shared belief in the value of gold and the responsibility of gold executives to deliver value to shareholders. They also spoke about the potential to "unlock value" through industry rationalisation and consolidation. On September 25, 2001, Newmont and Franco-Nevada entered into a mutual confidentiality agreement and the two companies began to exchange due diligence information. In the case of Franco-Nevada, the information exchanged did not include information Franco-Nevada had obtained concerning Normandy in connection with the transaction by which Franco-Nevada had become a substantial Normandy shareholder.

On September 26, 2001, representatives of AngloGold met in Toronto with senior management of Franco-Nevada concerning AngloGold's bid for Normandy.

On September 28, 2001, four senior Newmont executives had a lengthy conversation with senior representatives of Franco-Nevada about Franco-Nevada's business plans, Normandy (in very general terms), Franco-Nevada's plans for Echo Bay, industry rationalization and the potential for value creation, as well as perceptions of relative asset values among Franco-Nevada and Newmont.

On September 30, 2001, Mr. Murdy had a meeting with Mr. Seymour Schulich, Co-Chief Executive Officer of Franco-Nevada, where the possibility of a transaction was discussed, as well as possible approaches to Normandy.

At the beginning of October 2001, representatives of Newmont, Franco-Nevada

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

and Normandy attended the Mining Investment Forum (an annual conference for gold investors held in Denver, Colorado) during which the various meetings and discussions described below occurred.

34

On October 1, 2001, as a follow-up to the September 30th discussions, Newmont senior executives met with Franco-Nevada's Co-Chief Executive Officers, at which meeting Messrs. Schulich and Lassonde provided Newmont certain materials prepared by Franco-Nevada's investment banker, National Bank Financial, which described the merits of a possible three-way transaction involving Newmont, Normandy and Franco-Nevada. The executives also discussed different potential strategies to approach Normandy.

Also on October 1, 2001, representatives of Newmont met with Mr. Robert Champion de Crespigny, Normandy's Chairman and Chief Executive Officer, in Denver. The meeting was arranged by Newmont at the request of representatives of Franco-Nevada. Prior to this meeting, Normandy was not made aware of the proposed September 11th meeting or of any of the subsequent meetings and conversations involving Franco-Nevada and Newmont prior to the October 1st meeting. Mr. Murdy began the October 1st meeting by stating that Newmont was interested in exploring the possibility of a three-way transaction involving Newmont, Normandy and Franco-Nevada. At that meeting, Mr. Champion de Crespigny indicated that while the AngloGold bid represented a premium to Normandy's currently depressed stock price, it was his preliminary view that it did not reflect Normandy's fair value if compared with the value offered by Barrick Gold Corporation for Homestake Mining Company (the most recent comparable transaction, in his view). He further indicated that Normandy's board had not yet made any recommendation to Normandy shareholders with respect to the AngloGold bid. Mr. Champion de Crespigny indicated that Normandy's board would honor its fiduciary responsibilities should another qualified bidder express an interest in Normandy, but the board was not then soliciting other bids, nor was it then prepared to permit due diligence.

On October 2, 2001, Mr. Murdy and Mr. W. Durand Eppler, head of Newmont's corporate development group, again met with Normandy's Chief Executive Officer. During this meeting, they described Newmont's desire to be the industry leader. They expressed a potential interest in pursuing a transaction with Normandy, but made it clear that Newmont was not making an offer and that Newmont would only consider making an offer if it had the opportunity to undertake due diligence. No decisions were reached at the conclusion of the meeting but Mr. Champion de Crespigny emphasized that any Newmont proposal would need to be at a substantial premium to the current AngloGold bid and provided an indicative pricing hurdle that any Newmont proposal would need to pass. In a separate meeting with Mr. Lassonde, Newmont was advised that a bid for Normandy would have to be at a substantial premium to the AngloGold offer before the board of directors of Franco-Nevada would have an interest in pursuing a transaction involving its shares in Normandy.

On October 3rd and October 4th (following Newmont's understanding of Mr. Champion de Crespigny's positions as raised at the October 2nd meeting), members of the senior management of Newmont, Franco-Nevada and Normandy engaged in preliminary discussions regarding a possible combination of the three companies and how that transaction could be structured. During these discussions, representatives of Franco-Nevada and Newmont also addressed the advantages and general terms of a potential transaction between Franco-Nevada and Newmont and between Normandy and Newmont. Newmont indicated that it was not prepared to consider a transaction that was not structured as an acquisition by Newmont of Normandy and Franco-Nevada, and Newmont indicated a strong desire for an all stock transaction. In addition, Newmont noted that as part of any

transaction involving Newmont and Normandy, Newmont would require a binding commitment with respect to Franco-Nevada's shares in Normandy as well as a recommendation from the Normandy board regarding the proposed transaction. As a result of these discussions, Newmont determined that it would have to undertake a due diligence investigation of Franco-Nevada before it would be prepared to consider a transaction that would involve all three companies.

During the week of October 8th, Newmont and Franco-Nevada commenced their respective due diligence investigations of each other. At that time, Newmont undertook due diligence in Reno and Toronto but was not provided with access to the due diligence that Franco-Nevada had done in connection with its investment in Normandy. In addition, representatives of Franco-Nevada and National Bank Financial met with Newmont management and representatives from JP Morgan to conduct due diligence on Newmont. Due diligence continued through the week of October 15th and thereafter.

35

Also during the week of October 8th, representatives of Normandy met in Denver with representatives of Newmont and assisted Newmont in better understanding Normandy, its business and its operations.

On October 12, 2001, members of Newmont's and Franco-Nevada's senior management, together with financial advisors from National Bank Financial and JP Morgan, met in Toronto to discuss further a possible transaction between Newmont and Franco-Nevada in the context of an acquisition of Normandy by Newmont. At this meeting, Newmont indicated its preliminary views with respect to a possible range of exchange ratios for Franco-Nevada and noted that Newmont was not prepared to consider a transaction involving Normandy and Franco-Nevada that would result in more than 50% share dilution for Newmont. At this meeting, no indication was given to Franco-Nevada of Newmont's transaction or bidding strategy for Normandy. On the basis of these meetings, the parties determined to continue discussions and to develop more specific terms for the proposed business combination.

Late in the week of October 15, 2001, Franco-Nevada senior management met with representatives of Newmont in Denver to discuss due diligence, integration and employment issues in connection with a possible transaction. During these meetings, Newmont explored the commitment of Franco-Nevada's management to a possible transaction. Representatives of Franco-Nevada continued their due diligence investigation of Newmont and Franco-Nevada retained CIBC World Markets to assist Franco-Nevada in its ongoing due diligence investigation of Newmont.

On October 17th, outside counsel to Newmont provided internal counsel to Normandy a draft form of mutual confidentiality agreement, which was dated October 18th and was discussed by the parties on October 18th and 19th.

On October 19th, Newmont's board of directors was briefed regarding the possibility of a transaction and determined that it was appropriate for management to continue discussions with Franco-Nevada and initiate further discussions with Normandy. Following the board meeting, Mr. Murdy contacted Mr. Champion de Crespigny to advise him of the outcome of the Newmont board meeting and to outline preliminary views regarding transaction structure, relative values and the terms on which Newmont might be prepared to pursue a transaction for Normandy. Mr. Murdy indicated Newmont's willingness to pursue a potential transaction that would offer Normandy shareholders a significant premium to the offer from AngloGold, provided that Newmont was given the opportunity to conduct due diligence on Normandy and that due diligence confirmed Newmont's preliminary views on value. Following these conversations, the parties executed

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

a mutual confidentiality agreement dated October 18, 2001, that had previously been provided to Normandy by Newmont and previously been discussed between the parties.

On October 22, 2001, the board of directors of Franco-Nevada engaged in a lengthy discussion as to the potential merits of a business combination with Newmont and Normandy and received the preliminary results of management's due diligence investigation and other input from National Bank Financial.

Newmont's due diligence team for Normandy began work in Australia on October 22, 2001 and continued working through mid-November. On October 31, 2001 members of Newmont's senior management, together with financial and legal advisors met with representatives of Normandy, Macquarie Bank and Allens, Arthur Robinson (Normandy's financial and legal advisers engaged in connection with the AngloGold bid and whose engagements had been extended to encompass the possible Newmont bid), to discuss prerequisites to Newmont making a bid for Normandy. Later that day, Mr. Murdy met with the outside directors of the board of Normandy on an informal basis. In addition, members of Newmont's senior management engaged in discussions with members of Normandy's management team.

On November 6, 2001, representatives of senior management of Franco-Nevada and Newmont, together with their respective financial advisors and Newmont's U.S. and Canadian counsel, met in Denver in an effort to negotiate significant business issues and begin the process of drafting definitive documentation. These discussions continued in New York through to the execution of definitive documentation.

36

The Newmont board of directors met on November 9, 2001 to be briefed on the status of the potential transactions. The Newmont board authorized management to continue to pursue the potential transactions with Normandy and Franco-Nevada. Following these discussions, the parties continued to work on the terms of definitive agreements for Newmont and Franco-Nevada that would provide for an exchange ratio of 0.80 shares of Newmont common stock for each share of Franco-Nevada. Newmont and Franco-Nevada also began negotiations of the terms of the lock-up agreement with respect to Franco-Nevada's shares in Normandy and Newmont began negotiating agreements with Messrs. Schulich and Lassonde with respect to their shares in Franco-Nevada. These negotiations continued until the execution of definitive agreements.

On November 12, 2001, the board of directors of Franco-Nevada received presentations from senior management and from its financial advisors as to the results of the due diligence examination of Newmont, a presentation from senior management on the results of the negotiation of the Arrangement Agreement, a presentation from National Bank Financial and reviewed the terms and conditions of the Arrangement Agreement. Following discussion by the board of directors, those directors who are management of Franco-Nevada (Seymour Schulich, Pierre Lassonde and M. Craig Haase) withdrew from the meeting. The board of directors of Franco-Nevada then voted to approve the proposed transactions with Newmont, subject to satisfactory completion of the definitive agreements.

Also on November 12, 2001, the Newmont board of directors met in New York to consider the proposed transactions. At this meeting, the Newmont board was advised of the results of Newmont's due diligence investigation of Franco-Nevada and Normandy. Newmont's financial and legal advisors also participated in the meeting. At the conclusion of this meeting, the Newmont board authorized senior management to make a proposal to Normandy that Mr. Murdy communicated to Mr. Champion de Crespigny on behalf of the Normandy board of directors. Normandy was informed that Newmont would only proceed with a

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

transaction if the Normandy board agreed to recommend the transaction and if Normandy would enter into a Deed of Undertaking which would provide for a customary "break" fee payable upon the occurrence of certain specified events, as well as a security bond with respect to the break fee. Following discussions with members of the Normandy board of directors, Mr. Champion de Crespigny informed Mr. Murdy that Newmont's proposal would not be sufficient to receive the support and recommendation of the Normandy board of directors.

Beginning around November 8, 2001, first drafts of the Deed of Undertaking were presented to Normandy and its legal advisers to consider and negotiate in anticipation of Newmont making a formal proposal to Normandy. Over the next four days there was considerable intense negotiation over the terms of the Deed of Undertaking and particularly the break fee which culminated in the negotiation of the Second Deed of Undertaking to be entered into if Newmont came forward with a proposal acceptable to Normandy's board.

On November 13, the Newmont board of directors again met in New York and authorized Mr. Murdy to make a new proposal to Normandy. Subject to the Normandy board agreeing to support the transaction and agree to Newmont's terms, the Newmont board of directors authorized the transactions and the related agreements, including the Deed of Undertaking and the Second Deed of Undertaking with Normandy, the Arrangement Agreement, the Normandy Lock-up Agreement, the lock-up agreements and escrow agreements with Messrs. Lassonde and Schulich, as well as related agreements and other related matters.

Negotiations between Newmont and Normandy with respect to the Normandy Deeds of Undertaking continued throughout November 13, 2001, New York time. As a result of these negotiations, Newmont proposed an exchange ratio of 0.0385 shares of Newmont common stock plus a payment of an additional A\$0.05 per share if Newmont received acceptances for at least 90% of the Normandy shares and a necessary ASIC modification. The Normandy board of directors then met to consider the proposed transaction. Subject to their fiduciary duties, the Normandy board of directors approved and agreed to recommend that Normandy shareholders accept Newmont's offer and reject the offer from AngloGold. The terms of the transactions were publicly announced in a joint press release issued in New York on Wednesday, November 14, 2001, prior to the opening of trading on the Toronto and New York Stock Exchanges. The transaction was announced concurrently by Normandy in

37

Australia at approximately 10:30 p.m. on November 14, 2001 (resulting in Normandy's announcement being made available in Australia before the opening of trading on November 15, 2001).

On November 19, 2001, Normandy released its target statement in response to the AngloGold offer. Normandy's target statement details reasons why Normandy shareholders should reject the AngloGold offer and includes an Independent Experts Report by Grant Samuel. This document may be obtained from Normandy.

On November 29, 2001, AngloGold announced that it was increasing its offer by adding a cash payment of A\$0.20 per share (subject to AngloGold shareholder approval) and declared that its offer was free of defeating conditions. In response to the revised AngloGold bid, Newmont advised Mr. Champion de Crespigny by telephone and issued a press release saying it was reviewing the revised AngloGold offer and that Newmont would respond in due course.

Following the announcement by AngloGold on November 29, 2001, Newmont updated Franco-Nevada regarding Newmont's proposed acquisition of Normandy as the acquisition of Franco-Nevada is conditional upon (among other things)

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Newmont acquiring a relevant interest in at least 50.1% of the Normandy Shares, although no approval by Franco-Nevada was required for Newmont to increase its bid for Normandy.

On December 3, 2001, Normandy issued a press release stating, among other things: "Given the interest in Normandy from two bidders and the extension of AngloGold's offer period, the Normandy board believes it is premature for it to make any recommendation on whether or not to accept the revised AngloGold offer at this time." Normandy advised its shareholders that they should do nothing until they received a formal recommendation from the Normandy board, which they indicated would be issued no later than December 13, 2001.

At a board meeting held on December 3, 2001, the Normandy board of directors asked Mr. Champion de Crespigny to offer to meet with both Mr. Murdy and AngloGold's Chief Executive Officer over the next few days. As a result, on December 4, 2001 and again on December 6, 2001, Mr. Murdy met with Mr. Champion de Crespigny in Denver to discuss the circumstances involving Normandy and the revised AngloGold bid, as well as Mr. Champion de Crespigny's views with respect to a possible response by Newmont. On December 5, 2001, Mr. Champion de Crespigny met with the Chief Executive Officer of AngloGold in New York.

On Friday, December 7, 2001, the Newmont board of directors met to review the situation and authorized Newmont management to increase its bid for Normandy by A\$0.35 in cash, subject to a recommendation by the Normandy board of directors of the revised bid. Also on December 7, 2001, the board of directors of Franco-Nevada met and indicated that they would support an increase by Newmont in its bid for Normandy, although no approval by the Franco-Nevada board was required for Newmont to proceed with its revised bid. On December 8, 2001, Mr. Murdy telephoned Mr. Champion de Crespigny to indicate that Newmont would be prepared to revise its bid for Normandy if such revised bid would receive the recommendation of the Normandy board of directors.

On December 9, 2001, in Australia, representatives of Newmont and Normandy negotiated the terms of the Third Deed of Undertaking and on December 10, 2001, the Normandy board of directors approved the revised transaction and the Third Deed of Undertaking was executed. Newmont's revised bid of 0.0385 Newmont common shares plus A\$0.40 in cash for each Normandy share was publicly announced on December 10, 2001 in Australia. Payment by Newmont of the cash consideration was no longer conditioned upon achievement of 90% acceptance by the Normandy shareholders. Subject to their fiduciary duties, the Normandy board of directors approved and agreed to recommend that Normandy shareholders accept Newmont's revised offer and therefore reject the revised offer from AngloGold.

On December 13, 2001, Normandy released its supplementary target statement in response to the revised AngloGold offer. Normandy's supplementary target statement details reasons why Normandy shareholders

38

should reject the revised AngloGold offer and includes an analysis of the risks of the revised AngloGold offer and the proposed Newmont offer. This document may be obtained from Normandy.

On December 20, 2001, Newmont lodged its bidder's statement with Normandy, the Australia Securities and Investment Commission and the ASX and on December 21, 2001, Newmont announced that its bidder's statement had been dispatched to Normandy shareholders outside the United States and Canada.

On December 21, 2001, Newmont filed its Registration Statement on Form S-4

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

relating to the Normandy offer with the SEC.

In connection with Newmont's bid for Normandy, AngloGold has made a number of applications to the Australia Takeovers Panel, none of which have prevailed to date.

REASONS FOR THE TRANSACTIONS

We are undertaking the transactions in order to combine the businesses of Newmont, Normandy and Franco-Nevada to create what we believe will be the premier global gold company. We have determined to pursue the acquisition of each of Normandy and Franco-Nevada because we believe that the enhanced benefits outlined below will arise from the combination of their respective businesses. Our offer for Normandy is not conditional on the acquisition of Franco-Nevada, but the acquisition is conditioned upon, among other things, our acquisition of a relevant interest in at least 50.1% of Normandy. While we fully expect that we will complete the acquisition of Franco-Nevada, it is possible that the conditions to that acquisition will not be satisfied or waived. There can be no assurance that we will be successful in completing the acquisition of Franco-Nevada even if we acquire a relevant interest in at least 50.1% of Normandy ordinary shares on a fully diluted basis. If we do not acquire Franco-Nevada, the expected benefits of the transaction and their magnitude will be significantly reduced; however, there would still be benefits realized from a combination of Newmont and Normandy. For an outline of the benefits we expect to result from the combination of Newmont and Normandy alone see "---Effect of a Transaction Without Franco-Nevada" on page 43.

Our goals in pursuing each of these transactions are to:

- . be the leading global gold investment vehicle, founded on a belief in gold's intrinsic, long-term value and its relevance to a balanced portfolio, and
- . deliver consistent and superior stockholder returns.

To achieve these goals, New Newmont will draw on the complementary operating and management skills of each of Newmont, Normandy and Franco-Nevada with the intention of building a company with stable, profitable operations, a broad and balanced portfolio of development opportunities, a strong balance sheet and dedication to providing investors with the most leverage to a rising gold price.

We will provide New Newmont a global operating base, a record of successful project development and a strong investor base focused on returns from gold. Normandy will contribute a significant portfolio of development projects and a solid operating platform that is complementary to our global operations. Franco-Nevada will contribute a valuable portfolio of mineral royalties and investments, a strong balance sheet and a management team with a successful track record in resource merchant banking.

PRODUCTION AND RESERVES

New Newmont will be the industry leader in gold production and gold reserves.

New Newmont will have interests in 22 mines on five continents, including preeminent land positions in world-class gold districts in Nevada, Australia and Peru and a unique and diversified portfolio of development and exploration projects.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

New Newmont will have estimated combined 2001 production of 8.2 million ounces (the largest in the industry by approximately 34%), including production attributable to Franco-Nevada and Franco-Nevada's anticipated interest in Echo Bay, a 52% increase over our estimated 2001 production of 5.4 million ounces. Approximately 70% of the production (41% in the United States, 25% in Australia and 5% in Canada) will be in countries rated "AAA" by Standard & Poor's local currency credit rating. Since 1996 we have reduced our cash costs of production from US\$220 per ounce to US\$183 per ounce (as estimated for 2001).

New Newmont will have estimated combined reserves (based on latest public filings) of 97 million ounces (the largest in the industry by approximately 23%), including reserves attributable to Franco-Nevada and Echo Bay, a 46% increase over our reserves of 66.3 million ounces. Over 60% of New Newmont's reserves (39% in the United States, 18% in Australia and 4% in Canada) will be in countries rated "AAA" by Standard & Poor's local currency credit rating.

Approximately 300,000 ounces of 2001 production, and approximately 2.2 million ounces of reserves, are attributable to Franco-Nevada's anticipated interest in Echo Bay. As detailed in "The Companies--Business of New Newmont--Royalty Business--Investments" on page 87, Franco-Nevada's acquisition of an equity interest in Echo Bay is subject to the approval of Echo Bay shareholders and is conditional on regulatory approvals.

The size and diversification of these world-class assets and their balanced political risk profile will better position New Newmont to develop its attractive exploration properties around the world and will serve as an excellent platform for future growth.

EXPLORATION AND DEVELOPMENT

New Newmont will have several advanced gold projects in its portfolio of assets. It will have the flexibility to optimise the development of these projects based on project economics, political risk and free cash flow profiles.

The following table sets out certain information with respect to New Newmont's principal development projects:

PROJECT	LOCATION	% OWNERSHIP	ESTIMATED EQUITY RESERVES (MM/OZ)
-----	-----	-----	-----
Leeville	Nevada, USA	100	3.0
Twin Creeks South	Nevada, USA	100	1.9
Gold Quarry Expansion	Nevada, USA	100	3.0
Phoenix	Nevada, USA	100	6.0
Yanacocha Sulfides & covered oxides	Peru, S.A.	51.35	(a)
Boddington Expansion	Australia	44.4	4.9
Martabe	Indonesia	90	(a)
Yamfo-Sefwi	Ghana, Africa	90	3.3
Akim	Ghana, Africa	80	(a)

(a) Not included in Proven and Probable Reserves.

New Newmont would have a 2002 exploration and research budget of approximately US\$75 million. It is expected that approximately 70% would be applied to near-mine and regional exploration in existing districts, plus work on advanced exploration and development projects in Indonesia and West Africa, and approximately 30% on the worldwide search for new reserve opportunities outside current operating districts, acceleration of select programs having

positive results, and on metallurgical research, operational optimization studies and project evaluation.

40

POTENTIAL COST SAVINGS AND SYNERGIES

New Newmont expects to realize from the combination of Newmont, Normandy and Franco-Nevada approximately US\$70 million to US\$80 million in after-tax synergies for the first full year, increasing to approximately US\$80 million to US\$90 million a year by the second full year. Newmont has a strong track record of delivering on synergy expectations based on previous acquisition experience.

RATIONALIZATION OF CORPORATE OVERHEAD AND EXPLORATION AND DEVELOPMENT BUDGETS. New Newmont expects to generate significant savings by consolidating various functions (including selected corporate services and establishing a global exploration team), eliminating redundant functions and prioritizing exploration efforts across the worldwide portfolio. It is expected that an estimated US\$30 million of synergies will be realized through an estimated US\$10 million benefit from exploration and development synergies and a further estimated US\$20 million in general and administrative savings.

REALIZATION OF OPERATING EFFICIENCIES. New Newmont's mining operations will benefit from the application of Newmont's Gold Medal Performance program, the sharing of best operating practices across a large and diverse portfolio of operations and eliminating duplicative activities. The Gold Medal Performance program focuses on improving operating efficiencies, time management and employee productivity, input and communication, and has been a key element in Newmont's ability to reduce operating costs.

REDUCTIONS IN OPERATIONS/PROCUREMENT COSTS, INTEREST SAVINGS AND TAX BENEFITS. New Newmont will realize approximately US\$15-20 million benefits from general operating improvements and from economies of scale in purchasing, operating supplies and capital equipment along with savings from the operation of mines in close proximity to Newmont's existing mines. New Newmont will benefit from increased operating efficiencies and increased economies of scale in managing global procurement of equipment and operating supplies through centralized and coordinated purchasing, including use of Newmont's electronic marketplace connection, utilization of global supply agreements with key vendors, and sharing of surplus equipment among a larger portfolio of operations.

The transactions will also allow a financial restructuring of New Newmont. New Newmont will use its cash to repay current and maturing debt, resulting in further interest savings. With a more modestly geared balance sheet and substantially improved cash flows, the possibility exists for New Newmont to improve, perhaps significantly, its credit rating thereby realizing savings in financing costs.

We also expect that New Newmont will be able to achieve substantial tax savings through the utilization of the tax attributes of each of Newmont, Normandy and Franco-Nevada.

FINANCIAL STRENGTH AND FLEXIBILITY

Following the combination of Newmont, Normandy and Franco-Nevada, New Newmont's net debt to net book capitalization will be approximately 23%, compared to approximately 41% for Newmont on a stand-alone basis.

New Newmont will benefit from the free cash flow generated by

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Franco-Nevada's royalty stream and low cash cost operations that, together with an improved balance sheet, will provide New Newmont with the ability to pursue growth while continuing to reduce overall debt.

New Newmont will help manage financial risk by preserving and growing Franco-Nevada's royalty business, which will serve as a natural hedge in the event of a low gold price environment. New Newmont will also capitalize on the investment skill and expertise of Franco-Nevada's management through a merchant banking unit, which is expected to have the opportunity for growth by taking advantage of our processing technologies and the New Newmont's vast land package.

41

The size and scope of New Newmont's holdings and the strength of management will afford a significant opportunity for strategic industry rationalization. If 100% of Normandy is acquired, New Newmont will review opportunities to further rationalize its asset base through the consolidation of separately held and managed assets and the sale or disposal of lower margin or non-core operations.

LEVERAGE TO GOLD PRICE

We have a strong belief in the long-term value of gold. New Newmont intends to continue Newmont's "no-hedging" philosophy, creating the gold industry's largest unhedged, uncommitted reserve base of approximately 85 million ounces. The largely unhedged reserve base will offer shareholders the opportunity to benefit from New Newmont's substantial leverage to gold (although this strategy also increases the exposure to a fall in the gold price). New Newmont's annual pre-tax cash flow is estimated to increase by US\$162 million for every US\$25 per ounce increase in the price of gold (this is the largest exposure in the industry by approximately 80%). Over time, New Newmont plans to opportunistically unwind the current Normandy hedge book (currently at 10.4 million ounces, exclusive of TVX Normandy) to further its upside potential from increases in the price of gold.

BOARD OF DIRECTORS AND MANAGEMENT

New Newmont's Board of Directors will initially consist of 17 members, including the current 12 directors of Newmont, the two Co-Chief Executive Officers of Franco-Nevada (Messrs. Seymour Schulich and Pierre Lassonde), one additional nominee from the board of Franco-Nevada, and two nominees from the board of Normandy. Mr. Champion de Crespigny will be invited to fill one of the Normandy positions. Wayne W. Murdy will serve as Chairman and Chief Executive Officer of New Newmont and Pierre Lassonde will serve as its President.

New Newmont's combined management expects to employ best practices and personnel, focusing on core mining operations, reducing costs and applying the latest innovations and technology to increase cash flows from operations and effectively develop new opportunities. The combined management of the three companies will bring an array of expertise and skills to New Newmont, such as:

- . GLOBAL DEVELOPMENT. Newmont's and Normandy's strength in global operations and mine development and Newmont's gold processing technology skills.
- . MERCHANT BANKING. Franco-Nevada's corporate development skills and expertise in the management of royalty assets.
- . MERGER INTEGRATION. Newmont's proven ability to successfully integrate acquisitions and deliver synergies on schedule.

GROWTH

Newmont intends to use its experience in the discovery, evaluation, development and operation of large, sophisticated mining operations to:

- . Continually optimize returns from existing core operations.
- . Pursue rational and effective development of Normandy's portfolio of development projects.
- . Enhance and grow its operations and project pipeline through strategic and opportunistic high-quality asset and equity acquisitions, and aggressive, worldwide exploration.
- . Maintain a geographically and politically diverse group of mining operations.

42

MARKET LIQUIDITY

New Newmont will have significant capital market scale, providing global trading liquidity to investors. With an expected equity value of approximately US\$8 billion, and listings on the NYSE and expected listings on the ASX and TSE, New Newmont investors will benefit from enhanced trading volume, expected to be the largest in the gold sector with approximately US\$62 million in average daily trading volume (based on historic trading of Newmont, Normandy and Franco-Nevada) and increased stockholder diversity. New Newmont will also be a member of the S&P 500 index, one of the world's leading trading indexes and will pursue inclusion in key ASX indices as well.

EFFECT OF A TRANSACTION WITHOUT FRANCO-NEVADA

While Newmont believes that it will complete the acquisition of Franco-Nevada, it is possible that the conditions to that acquisition will not be satisfied. Consequently, it is possible that we may succeed in acquiring Normandy but fail to acquire Franco-Nevada.

Although the inability to acquire Franco-Nevada will prevent New Newmont from realizing all of the benefits that would arise from a combination of the three companies as described above, New Newmont would still expect to achieve benefits from the combination of Newmont and Normandy alone. New Newmont would still be the premier unhedged gold investment vehicle.

COMBINED PRODUCTION AND RESERVE ESTIMATES WOULD NOT BE MATERIALLY DIFFERENT. A combination of Newmont and Normandy alone would not result in material changes to the production and reserve figures set forth in "The Companies--Business of New Newmont--Pro Forma New Newmont Highlights" on page 73. New Newmont would still have had estimated combined 2001 production of 7.9 million ounces (the largest in the industry) and estimated combined reserves (based on latest public filings) of 92.7 million ounces (again, the largest in the industry), based on latest public filings.

New Newmont would still have 22 mines on five continents and the industry's largest land package. The absence of Franco-Nevada would not affect the balance of the new company's political risk profile, with approximately 70% of combined production and approximately 60% of its combined reserves in countries rated AAA by Standard & Poor's local currency credit rating.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

New Newmont also would still expect to be a low cash cost producer. For the twelve months ended September 30, 2001, the combined average cash cost of production would have been US\$173 per ounce.

STRONG MANAGEMENT. If the Normandy transaction is completed but the Franco-Nevada transaction is not, the Board of Directors initially will consist of 14 members, including the current 12 directors of Newmont, and two nominees from Normandy. Mr. Champion de Crespigny will be invited to fill one of the Normandy positions. Wayne W. Murdy will serve as Chairman, President and Chief Executive Officer of the company.

New Newmont would still draw on the complementary operating and management skills of the two companies to build an integrated enterprise based on stable, profitable operations, a broad and balanced portfolio of investment opportunities, a sustainable balance sheet and dedication to providing investors with the most leverage to a rising gold price. Newmont's track record of exploration success, technical expertise and project development matches well with Normandy's success in identifying and operating properties in the region, and the combined enterprise will benefit from the sharing of best practices and knowledge among the two companies.

MARKET LIQUIDITY. New Newmont would still have significant capital market scale, and would still provide global trading liquidity for investors. With an expected market equity value of approximately US\$5.6 billion, and listings on the NYSE and ASX, investors in New Newmont would still benefit from enhanced trading volume and increased stockholder diversity. New Newmont would also be a member of the S&P 500 index and would pursue inclusion in key ASX indices.

43

CAPITAL STRUCTURE AND FINANCIAL FLEXIBILITY. New Newmont would have a ratio of net debt to book capitalization of approximately 39% compared to approximately 41% for Newmont on a stand-alone basis. Absent the acquisition of Franco-Nevada, New Newmont would not have the benefit of Franco-Nevada's royalty income stream or cash balance and would have a substantial amount of debt. It is unlikely, without Franco-Nevada, that New Newmont would be able to pursue its growth objectives as aggressively, or be able to immediately improve its credit rating to the same extent as if both Normandy and Franco-Nevada are acquired.

We expect that New Newmont would focus on improving its financial strength and flexibility by taking advantage of the new company's scale, broad project portfolio and global operating experience to reduce its cash costs of production and increase free cash flow from operations. It also would focus attention on rationalizing its asset base and disposing of non-core assets. Cash raised as part of that process and from operations would be used to further reduce the debt of New Newmont.

POTENTIAL COST SAVINGS AND SYNERGIES. Synergies with respect to the rationalization of corporate overhead and exploration and development budgets, operating efficiencies and reductions in procurement costs would remain largely unaffected by the absence of Franco-Nevada. The ability of New Newmont to repay debt and realize interest savings would be significantly reduced. Further, most of the tax savings could not be achieved, as most of the tax synergies are attributable to the combination of the three companies.

New Normandy would expect to realize approximately US\$40 million to US\$45 million in after tax synergies in the first full year, increasing to US\$45 million to US\$50 million a year by the end of the second full year. The synergies would come primarily from rationalization of corporate overhead and

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

exploration and development budgets, rationalization of operating efficiencies and reductions in procurement costs. Again, Newmont has a strong track record of delivering on synergies.

LEVERAGE TO GOLD PRICE. The absence of Franco-Nevada would not change Newmont's belief in the long-term value of gold or its desire to continue Newmont's "no-hedging" philosophy. Without Franco-Nevada, New Normandy would still have the industry's largest unhedged reserve base of approximately 83 million ounces, and it would still propose to opportunistically unwind Normandy's hedge book over time, giving shareholders the same opportunity to benefit from the company's substantial leverage to gold.

RECOMMENDATION OF THE NEWMONT BOARD OF DIRECTORS

At its meeting on November 13, 2001, after due consideration, the Newmont board of directors unanimously:

- . determined that (1) it was advisable for Newmont to enter into the agreements providing for the transactions, to enter into the merger agreement and to amend its restated certificate of incorporation and (2) the transactions, the merger agreement and the amendment are advisable, fair to and in the best interests of Newmont stockholders;
- . approved the agreements providing for the transactions, including the arrangement agreement with Franco-Nevada and the deeds of understanding with Normandy, the merger agreement and the amendment to the restated certificate of incorporation;
- . approved the proposal to adjourn the special meeting, if necessary, to permit further solicitation of proxies; and
- . recommended that the Newmont stockholders vote for the adoption of the merger agreement, the approval of the amendment, the approval of the issuance of the shares of common stock in connection with the completion of the transactions and the proposal to adjourn the meeting, if necessary.

In making these determinations and recommendations, and in approving the agreements and the amendment, the Newmont board of directors consulted with Newmont management as well as its outside legal counsel and financial advisors, and considered the matters set forth above under "Reasons for the Transactions".

44

All business combinations, including the transactions, also include certain risks and disadvantages. The material potential risks and disadvantages to Newmont stockholders identified by the Newmont board of directors and management in considering the merger include the following:

- . the time and resources required to complete the transactions;
- . the possibility that Newmont might not succeed in completing one or both of the transactions;
- . the other opportunities and/or transactions that might need to be forgone as result of the proposed transactions;
- . the difficulties and complexities inherent in combining and integrating the three companies and the potential distraction to management; and
- . the risk that the benefits sought from the transactions, due to the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

matters described under "Risk Factors" and other factors, might not be fully achieved.

The Newmont board of directors believed and continues to believe that these potential risks and disadvantages are outweighed by the potential benefits anticipated result from the merger.

This discussion of the factors considered by the Newmont board of directors is not intended to be exhaustive. Because of the wide variety of factors considered in connection with its evaluation of the merger, the Newmont board of directors did not find it practicable to, and did not, quantify, rank or otherwise attempt to assign relative weights to the specific factors considered in reaching its conclusions. In addition, individual directors may have given different weights to different factors.

THE NEWMONT BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR ADOPTION OF THE MERGER AGREEMENT, FOR THE AMENDMENT OF OUR RESTATED CERTIFICATE OF INCORPORATION, FOR THE ISSUANCE OF SHARES OF HOLDCO OR NEWMONT COMMON STOCK, AS THE CASE MAY BE, IN CONNECTION WITH THE TRANSACTIONS AND FOR THE ADJOURNMENT OF THE MEETING, IF NECESSARY, TO PERMIT THE SOLICITATION OF FURTHER VOTES IN FAVOR OF THESE PROPOSALS.

REGULATORY MATTERS

HSR FILINGS. Under the HSR Act, and the rules promulgated under the HSR Act by the Federal Trade Commission (or "FTC"), the transactions may not be consummated until notifications and certain information have been given to the Antitrust Division of the United States Department of Justice (or "Antitrust Division") and the FTC and the applicable waiting period has expired or been terminated. The waiting period expires thirty calendar days after a complete filing made under the HSR Act unless either the FTC or the Antitrust Division requests additional information prior to the expiration of the waiting period or earlier terminates the waiting period earlier. On November 28, 2001, we filed a Premerger Notification and Report Form with the Antitrust Division and the FTC in connection with our offer for Normandy shares. On December 21, 2001, the applicable waiting period following the filing was terminated early by the FTC. On November 28, 2001, we and Franco-Nevada filed a Premerger Notification and Report Form in connection with our acquisition of Franco-Nevada. The applicable waiting period for that filing will expire at 11:59 p.m., New York City time, on December 28, 2001, unless the waiting period is earlier terminated or extended.

The Antitrust Division and the FTC frequently scrutinize the legality under the antitrust laws of transactions such as the offer and the arrangement. At any time before or after delivery of Newmont shares (in the form of shares of Newmont common stock or Newmont Clearing House Electronic Subregister System depositary interests (CDIs) under the offer, the Antitrust Division or the FTC could take whatever action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the delivery of Newmont shares pursuant to the transactions, seeking the divestiture of Normandy shares (including Normandy shares represented by Normandy ADSs) acquired by us pursuant to the offer or seeking the divestiture of

substantial assets of us and Normandy. Private parties and state attorneys general may also bring legal action under federal or state antitrust laws under some circumstances. Based upon an examination of information available relating to the businesses in which we, Normandy Franco-Nevada and each of our respective subsidiaries are engaged, it is not believed that the offer will

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

violate U.S. antitrust laws. Nevertheless, there can be no assurance that a challenge to the transactions on antitrust grounds will not be made or, if a challenge is made, what the result would be.

COMPETITION ACT (CANADA). Under the Competition Act (Canada) (the "Competition Act"), certain transactions involving the acquisition of voting shares of a corporation that carries on an operating business in Canada require the parties to notify the Commissioner of Competition (the "Commissioner") prior to the completing their proposed transaction. If a transaction is subject to the notification requirements (a "Notifiable Transaction"), notification must be made either on the basis of a short-form filing (in respect of which there is a 14-day statutory waiting period) or a long-form filing (in respect of which there is a 42-day statutory waiting period). Where, however, the Commissioner is satisfied by the parties to a proposed transaction that there would not be sufficient grounds to challenge the transaction, the Commissioner may issue an advance ruling certificate (an "ARC") which exempts the transaction from the notification requirements.

A Notifiable Transaction may not be completed until the applicable statutory waiting period has expired or an ARC has been issued. However, the Commissioner's review of a Notifiable Transaction may take longer than the statutory waiting period, in which case, the parties may be asked to delay completion of the Notifiable Transaction until the review is completed and the Commissioner has determined his position. Upon completion of the review, the Commissioner may decide to (i) challenge the Notifiable Transaction, if the Commissioner concludes that it is likely to substantially lessen or prevent competition, and ultimately seek an order of the Competition Tribunal (a) prohibiting the completion of the Notifiable Transaction on an interim or permanent basis if the parties insist on proceeding with it without addressing the concerns of the Commissioner, (b) requiring the divestiture of shares or assets or the dissolution of the Notifiable Transaction, if it has been completed, or (c) with the consent of the person against whom the order is directed, requiring that person to take any other action; (ii) issue a "no-action" letter stating that the Commissioner does not intend, at such time, to make an application to the Competition Tribunal for an order as described in paragraph (i); or (iii) issue an ARC stating that there are not sufficient grounds in respect of the proposed transaction to apply to the Competition Tribunal. Where an ARC is issued and the Notifiable Transaction to which the ARC relates is substantially completed within one year after the ARC is issued, the Commissioner cannot seek an order of the Competition Tribunal in respect of the Notifiable Transaction solely on the basis of information that is the same or substantially the same as the information on the basis of which the ARC was issued.

We have filed a request for an ARC with the Commissioner with respect to both the acquisitions of Normandy and Franco-Nevada.

INVESTMENT CANADA ACT (CANADA). Under the Investment Canada Act (the "Investment Act"), certain transactions involving the acquisition of control of a Canadian business by a non-Canadian are subject to review and cannot be implemented unless the Minister responsible for the Investment Act (the "Minister") is satisfied that the transaction is likely to be of net benefit to Canada. If a transaction is subject to the review requirement (a "Reviewable Transaction"), an application for review must be filed with the Director of Investments appointed under the Investment Act prior to the Implementation of the Reviewable Transaction. The Minister is then required to determine whether the Reviewable Transaction is likely to be of net benefit to Canada taking into account, among other things, certain factors specified in the Investment Act and any written undertakings that may have been given by the applicant. The Investment Act contemplates an initial review period of 45 days after filing; however, if the Minister has not completed the review by that date, the Minister may unilaterally extend the review period by a further 30 days (or

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

such longer period as may be agreed to by the applicant) to permit completion of the review.

46

The prescribed factors of assessment to be considered by the Minister include, among other things, the effect of the investment on the level and nature of economic activity in Canada (including the effect on employment, resource processing, utilization of Canadian products and services and exports), the degree and significance of participation by Canadians in the acquired business, the effect of the investment on productivity, industrial efficiency, technological development, product innovation and product variety in Canada, the effect of the investment on competition within any industry in Canada, the compatibility of the investment with national industrial, economic and cultural policies (taking into consideration corresponding provincial policies), and the contribution of the investment to Canada's ability to compete in world markets. If the Minister determines that he or she is not satisfied that a Reviewable Transaction is likely to be of net benefit to Canada, the Reviewable Transaction may not be implemented.

Because the arrangement is a Reviewable Transaction, we filed an application for review with the Director of Investments on December 21, 2001. The Minister has not yet completed the review of the Arrangement. The obligations of Franco-Nevada and us to consummate the arrangement are subject to the condition that the Minister has been satisfied, or deemed to have been satisfied, on terms and conditions satisfactory to Franco-Nevada and us that the transaction is of net benefit to Canada.

AUSTRALIAN FOREIGN ACQUISITIONS AND TAKEOVERS ACT. Under the Foreign Acquisitions and Takeovers Act 1975 (Cth) of Australia, we must notify the Foreign Investment Review Board (or "FIRB"), which acts on behalf of the Treasurer of Australia, before we acquire more than 15% of Normandy. The Treasurer may prohibit the acquisition, if he considers that it would be contrary to the national interest. The Treasurer must decide within 30 days whether he has any objection to the acquisition, or extend the time for making a decision by up to a further 90 days. The notification was lodged with FIRB on December 7, 2001; hence, the initial period for a decision will expire on January 6, 2002.

ADDITIONAL ANTITRUST APPROVALS. We and Normandy conduct operations in a number of other jurisdictions where regulatory filings or approvals may be required in connection with the offer. We have made or will make antitrust filings with the relevant authorities in Brazil. We are currently in the process of reviewing whether any other filings will be required or advisable in other jurisdictions, and currently intend to make the appropriate regulatory filings and applications if it is determined that such filings are required or advisable.

INTERESTS OF CERTAIN PERSONS IN THE TRANSACTIONS

INTERESTS OF NEWMONT DIRECTORS AND EXECUTIVE OFFICERS

Some of our executives and directors have interests in the transactions that are or may be considered different from or in addition to the interests of our stockholders generally. Our board was aware of these interests when it approved the merger agreement and the merger. We summarize below the material interests of our executive officers and directors.

At the effective time of the merger, each option or deferred stock award with respect to a number of shares of Newmont common stock held by an executive

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

officer or director will be converted into a option or deferred stock award with respect to the same number of shares of Holdco common stock, subject to the terms of the plan and agreement under which the option or award was granted. As of . . , 2002, our executive officers and directors held options to purchase . shares of Newmont common stock and deferred stock awards with respect to . shares of Newmont common stock. The terms of these options and deferred stock awards will not change as a result of the merger or the transactions.

INTERESTS OF CERTAIN NORMANDY DIRECTORS AND EXECUTIVE OFFICERS

If the acquisition of Normandy is completed, Robert J. Champion de Crespigny will be invited to join New Newmont's board of directors. If he accepts the position, he will be entitled to the fees and benefits to

47

which directors of New Newmont will be entitled. In connection with Mr. Champion de Crespigny's proposed appointment to the board of New Newmont, it has been proposed that Mr. Champion de Crespigny agree to a voluntary escrow of Newmont CDIs which are issued to him under our offer for Normandy shares for a maximum period of two years from the issue date.

See "Other Matters Relating to the Transactions--Champion de Crespigny Escrow Agreement."

INTERESTS OF FRANCO-NEVADA DIRECTORS AND EXECUTIVE OFFICERS

Certain officers and directors and Franco-Nevada have interests in the transactions that are different from those of Franco-Nevada shareholders generally.

Seymour Schulich, Pierre Lassonde and seven other executives (collectively, the "executives") have employment agreements which have a term of five years and are automatically renewed annually. Franco-Nevada has the right by notice to the executive to terminate each executive's agreement at any time after the fifth anniversary of each agreement. Franco-Nevada also has the right to replace each agreement after the 14th month following a change of control provided the benefits of the new agreement are equal to or better than those in the agreement. On termination of the executive after a change of control and before the third anniversary of a change of control, Franco-Nevada must pay the executive the accrued amount of the executive's latest annual salary plus the last bonus to the date of termination as well as a termination payment (unless the executive is terminated for cause). The termination payment for both Seymour Schulich and Pierre Lassonde is US\$750,000, and for the other executives ranges from C\$100,000 to C\$1,000,000. Under the agreements and Franco-Nevada's stock option plan, following a change of control all stock options held by the executives (other than Mr. Schulich) prior to a change of control become fully vested and must be exercised prior to the second anniversary of a change of control. Seymour Schulich does not hold any stock options.

If the acquisition of Franco-Nevada is completed, Seymour Schulich and Pierre Lassonde will become directors of New Newmont and will be entitled to the fees and benefits to which directors of New Newmont will be entitled. If the acquisition is completed, Pierre Lassonde will become the President of New Newmont, Seymour Schulich will become Chairman of the merchant banking subsidiary of New Newmont and other executive officers of Franco-Nevada may become executive officers of New Newmont or the merchant banking subsidiary of New Newmont. As of this date, the terms of Mr. Lassonde's employment by New

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Newmont and the terms of Mr. Schulich's employment by the merchant banking subsidiary of New Newmont have not been determined. See "Other Matters Relating to the Transactions--Schulich and Lassonde Lock-Up and Escrow Agreements."

The directors and officers of Franco-Nevada do not own any shares of Newmont common stock or any Normandy shares.

MANAGEMENT AND OPERATIONS AFTER THE TRANSACTIONS.

New Newmont's Board of Directors will initially consist of 17 members, including the current 12 directors of Newmont, the two Co-Chief Executive Officers of Franco-Nevada (Messrs. Seymour Schulich and Pierre Lassonde), one additional nominee from the board of Franco-Nevada, and two nominees from the board of Normandy. Mr. Champion de Crespigny will be invited to fill one of the Normandy positions. Wayne W. Murdy will serve as Chairman and Chief Executive Officer of New Newmont and Pierre Lassonde will serve as its President.

If the Normandy transaction is completed but the Franco-Nevada transaction is not, New Newmont's board of directors will consist of 14 members, including the current 12 directors of Newmont and two nominees from Normandy. Mr. Champion de Crespigny will be invited to fill one of the Normandy positions. Mr. Murdy will serve as Chairman, President and Chief Executive Officer of New Newmont.

48

ACCOUNTING TREATMENT

Under U.S. GAAP, we will account for the acquisition of Normandy and Franco-Nevada using the purchase method of accounting.

LEGAL PROCEEDINGS

AngloGold Limited has made an application to the Takeovers Panel in Australia for certain orders in relation to our proposed bid for Normandy, on the basis that we may give Franco-Nevada and its shareholders benefits that are not offered to other Normandy shareholders, arising out of the agreements governing the transactions.

On December 12, 2001, the Takeovers Panel announced that it had declined AngloGold's application for a declaration of unacceptable circumstance in relation to our bid for Normandy.

On December 13, 2001, AngloGold lodged an application for review of the Takeovers Panel's decision. On December 20, 2001, the Takeovers Panel declined AngloGold's application for review.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE TRANSACTIONS TO NEWMONT STOCKHOLDERS

The following general discussion summarizes the anticipated material U.S. federal income tax consequences of the merger to holders of Newmont common stock that exchange their Newmont common stock for New Newmont common stock in the merger. This discussion addresses only those Newmont stockholders that hold their Newmont common stock as a capital asset, and does not address all the U.S. federal income tax consequences that may be relevant to particular Newmont stockholders in light of their individual circumstances or to Newmont stockholders that are subject to special rules, such as:

- . financial institutions;

- . mutual funds;
- . tax-exempt organizations;
- . insurance companies;
- . dealers in securities or foreign currencies;
- . traders in securities that elect to apply a mark-to-market method of accounting;
- . foreign holders;
- . persons that hold their shares as a hedge against currency risk or as part of a straddle, constructive sale or conversion transaction; or
- . holders that acquired their shares upon the exercise of Newmont stock options or otherwise as compensation.

The following discussion is not binding on the Internal Revenue Service. It is based upon the Internal Revenue Code, laws, regulations, rulings and decisions in effect as of the date of this proxy statement/prospectus, all of which are subject to change, possibly with retroactive effect. Tax consequences under state, local and foreign laws and U.S. federal laws other than U.S. federal income tax laws, are not addressed.

Holders of Newmont common stock are strongly urged to consult their tax advisors as to the specific tax consequences to them of the merger, including the applicability and effect of U.S. federal, state and local and foreign income and other tax laws in their particular circumstances. The parties have structured the transaction so that it is anticipated that the merger will be a reorganization for U.S. federal income tax purposes and/or that the merger, taken together with the exchange of Normandy shares for shares of New Newmont common stock and

49

the exchange of Franco-Nevada common stock for New Newmont common stock will be treated as an exchange described in Section 351 of the Internal Revenue Code. Assuming the merger qualifies as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code and/or an exchange described in Section 351 of the Internal Revenue Code, holders of Newmont common stock that exchange their Newmont common stock solely for New Newmont common stock in the merger will not recognize gain or loss for U.S. federal income tax purposes. Each holder's aggregate tax basis in the New Newmont common stock received in the merger will be the same as that holder's aggregate tax basis in the Newmont common stock surrendered in the merger. The holding period of the New Newmont common stock received in the merger by a holder of Newmont common stock will include the holding period of Newmont common stock that the holder surrendered in the merger.

We expect that, like holders of Newmont common stock, holders of Newmont \$3.25 Convertible Preferred Stock will not recognize gain or loss for U.S. federal income tax purposes as a result of the transaction. However, the U.S. federal income tax consequences of the transaction to holders of \$3.25 Convertible Preferred Stock depend on many factors, including whether (i) the \$3.25 Convertible Preferred Stock constitutes nonqualified preferred stock within the meaning of Section 351(g) of the Internal Revenue Code, (ii) such holders are treated as receiving nonqualified preferred stock in the

transaction, (iii) the merger qualifies as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code and (iv) the \$3.25 Convertible Preferred Stock remains as shares of Newmont Mining Corporation or is exchanged for convertible preferred shares of Delta Holdco Corp. In general, nonqualified preferred stock includes preferred stock with respect to which (i) the holder has the right to require the issuer or a related person to redeem or purchase the stock, (ii) the issuer or a related person is required to redeem or purchase such stock, or (iii) the issuer or a related person has their right to redeem or purchase the stock and, as of the issue date, it is more likely than not that such right will be exercised. Holders of \$3.25 Convertible Preferred Stock are strongly urged to consult their tax advisors as to the specific tax consequences to them of the transaction, including the applicability and effect of U.S. federal, state and local and foreign income and other tax laws in their particular circumstances.

THE MERGER AGREEMENT

THE FOLLOWING IS A SUMMARY OF THE MATERIAL TERMS OF THE MERGER AGREEMENT, A FORM OF WHICH IS ATTACHED AS APPENDIX A TO THIS DOCUMENT.

THE MERGER

The merger agreement provides that Acquisitionco will merge with and into Newmont, with Newmont continuing as the surviving corporation. Upon completion of the merger, Holdco's name will be changed to "Newmont Mining Corporation."

MERGER CONSIDERATION

Upon completion of the merger, each share of Newmont common stock, par value \$1.60, that is issued and outstanding immediately prior to the effective time of the merger will be converted into one share of Holdco common stock, par value \$1.60 per share.

If we complete the merger, pursuant to the merger agreement, we have the option to:

- (1) leave outstanding the Newmont \$3.25 convertible preferred stock, par value \$5.00 per share, in which case the Newmont \$3.25 convertible preferred stock will be convertible, pursuant to its terms, into shares of Holdco common stock; or
- (2) exchange the outstanding shares of Newmont \$3.25 convertible preferred stock for shares of Holdco \$3.25 convertible preferred stock having the same preferences and rights with respect to Holdco, as the Newmont \$3.25 convertible preferred stock has with respect to Newmont as of the date of the merger agreement.

In either case, upon completion of the merger, the holders of convertible preferred stock will be entitled to vote along with the holders of common stock on all matters relating to Newmont (if we choose to leave outstanding the Newmont \$3.25 convertible preferred stock) or Holdco (if we effect the exchange for Holdco \$3.25 convertible preferred stock). If we convert our convertible preferred shares of Holdco, the Holdco convertible preferred shares will vote along with the Holdco common shares on an as-converted basis. In either case, the aggregate voting power of the Holdco convertible preferred stock, as a class, or the Newmont convertible preferred stock, as a class, will be commensurate with the proportionate economic interest in Newmont of holders of Newmont convertible preferred stock, as a class, immediately prior to the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

completion of the merger.

Absent non-payment of dividends, our \$3.25 convertible preferred stock does not currently have voting rights and will not obtain further voting rights if we do not complete the merger.

TREATMENT OF NEWMONT STOCK OPTIONS

As of the effective time of the merger, Holdco will assume each plan, program or arrangement pursuant to which Newmont grants options, equity or equity-based awards to its employees and may modify the plans, programs and arrangements to provide that awards with respect to shares of Holdco common stock may be granted by Holdco pursuant to the terms thereof after the merger.

CLOSING CONDITION

Newmont's, Acquisitionco's and Holdco's obligations to complete the merger are conditioned upon the adoption of the merger agreement by our stockholders.

TERMINATION

We, Acquisitionco or Holdco may terminate the agreement before completion of the merger for any reason, notwithstanding the adoption of the merger agreement by our stockholders, by written notice to the non-terminating parties. When the terminating party gives such notice, the merger agreement will be terminated and there will be no liability under the merger agreement or on account of the termination on the part of Newmont, Acquisitionco, Holdco or any of our directors, officers, employees, agents or stockholders.

51

PROPOSED AMENDMENT TO THE NEWMONT RESTATED CERTIFICATE OF INCORPORATION

In connection with our proposed acquisition of Normandy and Franco-Nevada, we currently intend to complete the restructuring contemplated by the merger agreement, in which case, among other consideration, we will issue shares of Holdco common stock to the stockholders of Normandy and Franco-Nevada pursuant to the off-market bid and the arrangement agreement, respectively. However, in the event the restructuring contemplated by the merger agreement is not completed, we intend to complete the acquisitions regardless, in which case, among other consideration, we will issue shares of Newmont common stock to the stockholders of Normandy and Franco-Nevada. In order to do so, we must amend our restated certificate of incorporation to increase the number of shares that Newmont is authorized to issue.

Under our existing restated certificate of incorporation, we are authorized to issue up to 255 million shares of capital stock, of which 5 million shares are allocated to Newmont preferred stock, par value \$5 per share, and 250 million shares are allocated to Newmont common stock.

Pursuant to the terms of our off-market bid and the arrangement agreement, upon completion of the acquisition of Normandy and Franco-Nevada, we could be required to issue up to approximately 198.8 million new shares of Newmont common stock. After giving effect to these acquisitions, we could be required to have issued and outstanding up to approximately 394.9 million shares of Newmont common stock. Because this number exceeds the 250 million shares of Newmont common stock that we are authorized to issue under our restated certificate of incorporation, we must amend our restated certificate of incorporation in order to be able to complete the acquisitions in the event

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

that the restructuring contemplated by the merger agreement is not completed.

Our board of directors has approved an amendment to our restated certificate of incorporation to increase the number of authorized shares of Newmont common stock from 250 million shares to 750 million shares. The proposed amendment provides that the first paragraph of Article FOURTH of our restated certificate of incorporation be amended to read in its entirety as follows:

"The total number of shares of all classes of stock which the Corporation shall have authority to issue is 755,000,000 of which 5,000,000 shall be Preferred Stock (hereinafter called "Preferred Stock") of the par value of \$5 per share and 750,000,000 shares shall be Common Stock (hereinafter called "Common Stock") of the par value of \$1.60 per share."

Our board of directors believes this amendment is necessary in order to provide not only sufficient shares to complete the proposed acquisitions of Normandy and Franco-Nevada in the event the restructuring contemplated by the merger agreement is not completed, but also to have sufficient shares to complete future acquisitions, or to effect any future stock split or stock dividend.

All shares of Newmont common stock, including those now authorized and those that would be authorized under the proposed amendment to our restated certificate of incorporation, would be equal in rank and have the same voting, dividend and liquidation rights. No holders of Newmont common stock have or will have preemptive rights.

Our board of directors has determined that the increase in the authorized shares of Newmont common stock is in the best interests of Newmont and Newmont's stockholders and has declared the amendment advisable. THE NEWMONT BOARD OF DIRECTORS RECOMMENDS THAT HOLDERS OF NEWMONT COMMON STOCK ENTITLED TO VOTE ON THE PROPOSAL VOTE FOR THE APPROVAL OF THE AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION.

The affirmative vote of the holders of a majority of the outstanding shares of Newmont common stock entitled to vote on the proposal is required to approve the amendment to our restated certificate of incorporation.

52

THE ACQUISITION OF NORMANDY

DELTA ACQUISITION LLC, A DELAWARE LIMITED LIABILITY COMPANY AND AN INDIRECT, WHOLLY OWNED SUBSIDIARY OF NEWMONT, IS MAKING THE BID DESCRIBED IN THIS SECTION. THEREFORE, UNLESS THE CONTEXT REQUIRES OTHERWISE, REFERENCES IN THIS SECTION "THE ACQUISITION OF NORMANDY" TO "NEWMONT" (INCLUDING REFERENCES TO WORDS SUCH AS "WE," "US" AND "OUR") AS THE ENTITY MAKING THE BID ARE REFERENCES TO DELTA ACQUISITION LLC.

THE OFFER FOR NORMANDY SHARES

To acquire Normandy, we are making an off-market bid for the ordinary shares in the capital of Normandy. The consideration offered is 3.85 shares of Newmont common stock for every 100 Normandy shares. In addition, we will pay A\$0.40 for each ordinary share of Normandy, or the U.S. equivalent of that amount for holders outside Australia.

Normandy shareholders who are located in the United States or are residents in Canada will receive their share consideration in the form of Newmont common stock. Normandy shareholders who are located outside the United States and are

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

not residents in Canada (with certain exceptions) will receive CDIs, which will trade on ASX. We anticipate that ten Newmont CDIs will represent one share of Newmont common stock. Holders of Newmont CDIs will participate fully in all dividends, other distributions and entitlements declared by us in respect of fully paid shares of Newmont common stock.

OFFER PERIOD

Unless the offer period is extended or the offer is withdrawn, the offer will remain open for acceptance by holders of Normandy shares during the period commencing on the date of the offer and ending at 7:00 p.m., Sydney time, 3:00 a.m., New York City time, on February 15, 2002. Subject to applicable law, we may extend the offer period. In addition, if, within the last seven days of the offer period: the offer is varied (I.E., amended) to increase the consideration offered, or our voting power in Normandy increases to more than 50.1%, then, in accordance with applicable laws, the offer period will be mandatorily extended so that it ends 14 days after that event.

In addition, if the offer period is not extended under the terms described above, in accordance with U.S. federal securities laws, we will extend the offer period if we vary the offer to decrease the consideration offered, within 10 business days of the then scheduled expiration of the offer period, so that the offer period will end 10 business days after the publication of this event.

If the offer period is extended, we must give Normandy and every Normandy shareholder written notice of the extension, so long as the extension is not an extension of the offer period subsequent to the offer period being declared unconditional in all respects, in which case we will only give notice to Normandy shareholders who have not previously accepted the offer.

CONDITIONS OF OUR OFFER

The offer is subject to the satisfaction or waiver by us of the following conditions:

- . AUSTRALIAN FOREIGN INVESTMENT REVIEW BOARD. The Treasurer of the Commonwealth of Australia advises us in writing, before the expiration date of the offer that there is no objection under Australia's foreign investment policy or under the Foreign Acquisitions and Takeovers Act 1975 (Cth) of Australia to our acquisition of Normandy shares if that acquisition is not otherwise in breach of that legislation or the Treasurer ceases to be entitled to make an order under Part II of that legislation regarding our acquisition of such Normandy shares;

- . DEEDS OF UNDERTAKING. Before the end of the offer period, no breach of any covenant, warranty or representation made by Normandy or in the deeds of undertaking entered into by us and Normandy occurs or is announced which has a material adverse effect on the business, financial or trading position or condition, assets or liabilities, profitability or prospects of Normandy and its subsidiaries taken as a whole;

 - our shares of common stock and Newmont CDIs can be issued under the offer and traded without restriction, including, without limitation, under the Securities Act of 1933, as amended;
- . AUSTRALIAN MAGNESIUM CORPORATION LIMITED COMMITMENTS
 - neither Normandy nor any subsidiary of Normandy is a party to any agreement with Australian Magnesium Corporation Limited or is subject to any other obligation in respect of Australian Magnesium Corporation Limited for an amount greater than A\$20 million other than:

commitments disclosed or referred to in the Australian Magnesium Corporation Limited prospectus dated October 15, 2001.

It is a term of the offer that we may, subject to section 650F of the Corporations Act, declare the offer and all other offers and all contracts resulting from the acceptance of offers to be free from the conditions (or any one or more of them or any part thereof) listed above. Any declaration made must be made by us by notice in writing to Normandy.

55

In accordance with section 625(3) of the Corporations Act, the offer and all other offers and all contracts that result from the acceptance of offers are subject to the condition that:

- . an application for admission to quotation of Newmont on ASX and of the shares of Newmont common stock on the NYSE will be made within seven days after the date when our bidder's statement is given to Normandy; and
- . permission for admission to quotation of Newmont CDIs on ASX and for quotation of the shares of Newmont common stock on the NYSE will be granted no later than seven days after the end of the offer period.

We will apply for the necessary quotations as soon as practicable in order to satisfy this condition. The offer may not be declared free of this condition.

The condition relating to the Australian Investment Review Board above is a condition precedent to our acquisition of an interest (within the meaning of those terms in the Foreign Acquisitions and Takeovers Act) in your Normandy shares (including shares represented by Normandy ADSs). The other conditions under that paragraph are conditions subsequent. The non-fulfillment of any condition subsequent does not prevent a contract to sell Normandy shares resulting from a Normandy shareholder's acceptance of our offer, but entitles us by written notice to you, to rescind the contract resulting from the acceptance of our offer.

Subject to the provisions of the Corporations Act, we alone have the benefit of the conditions in section (a) above and any breach or non-fulfillment of any such conditions may be relied on only by us.

The date specified for giving the notice referred to in section 630(3) of the Corporations Act is . . . , 2002, subject to extension in accordance with section 630(2) of the Corporations Act if the offer period is extended in accordance with the Corporations Act.

If at the end of the offer period in respect of the conditions specified in the first section above:

- . we have not declared the offer and all other offers made by us under the bid and all contracts resulting from the acceptance of offers to be free from the conditions; and
- . the conditions have not been fulfilled,

then all contracts resulting from the acceptance of offers and all offers that have been accepted and from whose acceptance binding contracts have not yet resulted are void. In that event, we will, if a Normandy shareholder has accepted the offer:

- (1) return at the Normandy shareholder's risk his acceptance form

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

together with all documents forwarded by the Normandy shareholders with that form to the address as shown in the acceptance form; or

- (2) if the Normandy shares are in a CHESSE Holding, notify Securities Clearing House under the Securities Clearing House Business Rules that the contract resulting from the acceptance of the offer is avoided.

THE DEEDS OF UNDERTAKING

FIRST DEED OF UNDERTAKING

THE FOLLOWING IS A SUMMARY OF THE MATERIAL TERMS, NOT OTHERWISE DISCUSSED IN THIS PROXY STATEMENT/PROSPECTUS, OF THE THREE DEEDS OF UNDERTAKING, TWO DATED AS OF NOVEMBER 14, 2001 AND ONE DATED AS OF DECEMBER 10, 2001, BY AND BETWEEN US AND NORMANDY, IN RELATION TO OUR OFF-MARKET BID FOR ALL THE NORMANDY SHARES HELD BY PERSONS OTHER THAN FRANCO-NEVADA. THE DEEDS OF UNDERTAKING ARE ATTACHED TO THIS DOCUMENT AS APPENDIX C.

56

- (a) NON-SOLICITATION. Normandy may not, nor may it permit its subsidiaries to, nor may it authorize or permit any of its officers, directors or employees or require any investment banker, attorney or other advisor, agent or representative of Normandy or its subsidiaries to:

- (1) directly or indirectly solicit, initiate or encourage the making of (including by way of furnishing non-public information) any inquiries or proposals regarding a competing takeover proposal;
- (2) accept or enter into any agreement, arrangement or understanding with respect to a competing takeover proposal or directly or indirectly participate in any discussions or negotiations regarding or furnish to any person any information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes, or may reasonably be expected to lead to, a competing takeover proposal; or
- (3) approve or recommend a competing takeover proposal.

A "competing takeover proposal" is defined as any proposal or offer (not including the bid for Normandy by AngloGold as initially announced and constituted by AngloGold's bidder's statement dated October 16, 2001 and the supplementary bidder's statement dated November 1, 2001, but including any increase or proposed increase by AngloGold of the consideration offered under the AngloGold bid) with respect to any transaction that would, if completed substantially in accordance with its terms, result in any person or group of persons other than us and our subsidiaries acquiring (a) assets of Normandy and/or its subsidiaries that have, individually or in the aggregate, a market value exceeding 15% of the market value of all the assets of Normandy and its subsidiaries (taken as a whole) or (b) 25% or more of the voting shares of Normandy.

The restrictions in (1) and (2) above do not prevent Normandy and the Normandy board from taking or refusing to take any action with respect to a bona fide competing takeover proposal, provided that the Normandy board has determined in good faith and acting reasonably

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

after consultation with its financial advisors and outside legal counsel that the bona fide competing takeover proposal, which was not solicited, initiated or encouraged by Normandy in violation of (1) above and did not otherwise result from a breach or deemed breach of (1) or (2) above, is a superior takeover proposal.

A "superior takeover proposal" is defined as a bona fide competing takeover proposal which the Normandy board has determined, acting reasonably and in good faith (after consulting its financial and legal advisors and considering all material aspects of the proposal and the party making that proposal), would, if consummated in accordance with its terms, be reasonably likely to result in a transaction more favorable to the holders of Normandy shares than our takeover bid.

Normandy's obligations under these non-solicitation provisions do not restrict Normandy or the Normandy board from taking or failing to take actions where the Normandy board determines in good faith and acting reasonably after consulting its financial advisors and outside legal advisors that to take or fail to take such action constitutes, or would be likely to constitute, a breach of the fiduciary or statutory duties or obligations of the members of the Normandy board.

(b) UNDERTAKING. Normandy must make a payment to us of A\$38.33 million as compensation for our reasonable opportunity costs, reputational costs associated with a failed transaction and costs and expenses in connection with our proposed bid, if:

(1) a competing takeover proposal is announced or open for acceptance and, pursuant to that proposal, the bidder acquires a relevant interest in more than 50% of all Normandy's shares and that proposal becomes free from any defeating conditions either before or after the end of the applicable offer period; or

57

(2) the Normandy board fails to recommend our takeover bid in Normandy's target statement in response to our takeover bid, or the board withdraws or modifies in a manner adverse to us a recommendation previously made in respect of our bid (or proposed bid) or enters into any agreement, arrangement or understanding to recommend or support, or recommends, a competing takeover proposal.

Normandy is not obligated to make the payment if the following events occur, unless another person, including AngloGold, makes a competing takeover proposal which becomes free from any defeating conditions either before or after the end of the applicable offer period: (a) the terms and conditions of our bid when made are materially less favorable to Normandy shareholders than the terms and conditions of the bid specified in the announcement of our intention to make our bid made on November 14, 2001; (b) our stockholders vote against the resolution to approve the issue of our securities under our bid; or (c) our bid does not receive the required approval from the Treasurer of Australia on terms acceptable to us.

(c) SECURITY BOND. Normandy must provide a security bond to us as security for its obligation to make the payment referred to above. The security bond has been delivered.

(d) FACILITATION OF OFFER. Normandy agrees, in certain circumstances, to

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

permit us to dispatch our bidder's statement within five days of the date it is sent to Normandy and to use best endeavors to distribute its target statement in response to our bid as soon as practicable.

(e) NORMANDY WARRANTIES. Normandy makes certain representations and warranties to us in connection with a number of matters, including:

- (i) its share capital and authority to enter into the deed;
 - (ii) the accuracy of information it has provided to us in connection with our due diligence of Normandy;
 - (iii) Normandy's conduct of its business; and
 - (iv) the reserves and resources of the Normandy group.
- (f) ORDINARY COURSE OF BUSINESS. Normandy agrees, until the consummation of our bid to conduct its business in the ordinary course of business consistent with past practice.

SECOND DEED OF UNDERTAKING

If at any time before Normandy is due to make the payment to us required by the first deed of undertaking, there is a challenge before a court or the Australian Takeovers Panel concerning Normandy making the payment: (a) we will not enforce or seek to enforce Normandy's obligation to make the payment (or seek to recover the payment under Normandy's security bond) until the challenge is finally determined; and (b) if, when a challenge to Normandy's making the payment (whether it is brought before or after Normandy has made the payment to us) is finally determined, Normandy is restrained from making the payment (or any part of the payment), or if the making of the payment is determined to be illegal or unlawful (other than for any purpose by a director or officer of Normandy to obtain improper personal financial benefits), then we will not seek to recover the payment (or, if applicable, part of the payment) or damages in lieu of the payment against Normandy or any of its directors or officers, we will not seek to exercise our rights under Normandy's security bond, and, if the challenge was brought after Normandy has made the payment to us, we will refund the payment to Normandy.

We will not seek payment or recovery from Normandy, and will refund Normandy's payment, under the circumstances outlined above as long as Normandy, in consultation with us, takes all necessary actions to vigorously defend against the challenge before the court or the Australian Takeovers Panel, seeks to join us at our cost as a party to any proceeding in which the challenge is made or brought and, at our discretion, initiates all

58

appeal rights from a decision by a court or by the Australian Takeovers Panel which has the effect or result of preventing the payment from being made to us.

THIRD DEED OF UNDERTAKING

On December 10, 2001, the parties to the first and second deeds of undertaking agreed to amend the definition of "competing takeover proposal" to clarify that the amendment of the AngloGold bid announced on November 29, 2001 was a "competing takeover proposal," and the reference to our takeover bid was amended to refer to the takeover bid announced by us on November 14, 2001 as amended by the announcement made by us on December 10, 2001. We also agreed that we will not assert that the filing of any application to the Australian

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Takeovers Panel by AngloGold prior to December 10, 2001 constituted a breach of any condition to our takeover bid for Normandy.

FRANCO-NEVADA LOCK-UP AGREEMENT

THE FOLLOWING IS A SUMMARY OF THE MATERIAL TERMS, NOT OTHERWISE DISCUSSED IN THIS PROXY STATEMENT/PROSPECTUS, OF THE LOCK-UP AGREEMENT, DATED AS OF NOVEMBER 14, 2001, BY AND AMONG US, FRANCO-NEVADA AND FRANCO-NEVADA MINING CORPORATION, INC. (FOR PURPOSES OF THIS SUMMARY, FRANCO-NEVADA AND FRANCO-NEVADA MINING CORPORATION, INC. ARE COLLECTIVELY REFERRED TO AS "FRANCO-NEVADA") RELATING TO FRANCO-NEVADA'S 446,100,000 NORMANDY SHARES, WHICH REPRESENT A 19.79% INTEREST IN NORMANDY, CALCULATED ON A FULLY-DILUTED BASIS, AND WHICH WE REFER TO IN THIS SUMMARY AS THE FRANCO-NEVADA NORMANDY SHARES.

- (a) SALE OF SHARES. Franco-Nevada will not, and will not permit any person over which it exercises influence or control to, contract to sell, sell or otherwise transfer or dispose of the Franco-Nevada Normandy Shares (or any interest, securities convertible into, or derivative of, or any voting rights with respect to, any of those shares), other than (a) with our prior consent or (b) pursuant to an acquisition transaction (defined below) under the circumstances described in this section.
- (b) NON-SOLICITATION. Franco-Nevada may not (and may not permit any of its subsidiaries to), directly or indirectly, through any of its or its subsidiaries' directors, officers, employees, insiders, professional advisors, agents or other authorized representatives:
 - (i) solicit, initiate, encourage or facilitate (including by way of furnishing non-public information) any inquiries or proposals regarding a competing takeover proposal;
 - (ii) participate in any discussions or negotiations regarding any competing takeover proposal;
 - (iii) approve or recommend any competing takeover proposal;
 - or (iv) accept or enter any agreement, arrangement or understanding related to any competing takeover proposal, other than an acquisition transaction under the circumstances described in this section.Further, Franco-Nevada will immediately cease or cause to be terminated any existing discussions or negotiations with any person in respect of a competing proposal and shall not waive or vary any terms or conditions of any confidentiality or standstill agreement that it has with a person considering a competing proposal.
- (c) CALL NOTICE. At any time prior to Franco-Nevada making the payment referred to in (d) below, we have the right to notify Franco-Nevada (a "call notice") that we require it to sell the Franco-Nevada Normandy shares to us or any entity designated by us (subject to the Treasurer of Australia giving notice that it does not object to such acquisition, which condition relates only to such number of the Franco-Nevada Normandy shares which exceed, in number, 15% of Normandy's issued ordinary shares). The price at which the Franco-Nevada Normandy shares are to be purchased is 0.0385 of a Newmont common share (or of a common share of New Newmont that issues the shares into which the original Newmont shares are converted or for which they are exchanged in connection with the transactions contemplated by the plan of arrangement) per Normandy ordinary share.
- (d) NOTICE AND TERMINATION PAYMENT. If another party acquires a relevant interest in at least 50.1% of the Normandy shares calculated on a fully diluted basis (an "acquisition transaction"), Franco-

Nevada may at any time give notice of its intention to tender the shares pursuant to the acquisition transaction. Within four business days following receipt of Franco-Nevada's tender notice, we may deliver a call notice to Franco-Nevada. If we deliver the call notice and acquire the Franco-Nevada Normandy shares under these circumstances, we may not tender those shares into the acquisition transaction that gave rise to Franco-Nevada's entitlement to deliver the tender notice. In addition, for a period of two years from the date of the acquisition transaction, we may not, directly or indirectly, contract to sell, sell or otherwise transfer or dispose of any of the Franco-Nevada Normandy shares (or any interest, securities convertible into or derivative of) or any voting rights with respect to, any of those shares, other than with Franco-Nevada's prior written consent, provided that a transfer to a wholly owned subsidiary or New Newmont that acknowledges that it is bound by the above restrictions will not require such consent.

If we do not deliver a call notice within four business days following the delivery of Franco-Nevada's tender notice, Franco-Nevada must pay us a termination payment of US\$20 million, after which time Franco-Nevada must irrevocably tender the Franco-Nevada Normandy shares to the acquisition transaction.

If, upon the occurrence of the acquisition transaction, Franco-Nevada does not deliver a tender notice to us within 15 days, Franco-Nevada must pay us the US\$20 million termination payment on that date. In addition, for two years from the date of the acquisition transaction, Franco-Nevada must not, directly or indirectly, contract to sell, sell or otherwise transfer or dispose of any of the Franco-Nevada Normandy shares (or any interest, securities convertible into, or derivative of, or any voting rights with respect to, any of the shares), other than with our prior written consent, provided that a transfer to a wholly owned subsidiary that acknowledges that it is bound by the above restrictions will not require that consent.

At any time prior to the occurrence of an acquisition transaction as described above, if the number of the Franco-Nevada Normandy shares, together with any other Normandy shares tendered to our transaction, equals at least 50.1% of the Normandy shares (calculated on a fully diluted basis), and the conditions to our transaction capable of satisfaction prior to the take-up of Normandy shares have been otherwise satisfied or waived, we may require Franco-Nevada to tender the Franco-Nevada Normandy shares to our transaction.

60

THE ACQUISITION OF FRANCO-NEVADA

To acquire Franco-Nevada, we have entered into an arrangement agreement under which each Franco-Nevada shareholder (other than holders who exercise and perfect their dissent rights) will be entitled to receive in exchange for each Franco-Nevada common share either (i) 0.80 of an exchangeable share or (ii) 0.80 of a share of Newmont common stock, on the terms and subject to the limitations and conditions set out in the plan of arrangement. Each Franco-Nevada shareholder will be required to make the same election between (i) and (ii) in respect of all Franco-Nevada common shares held by that shareholder. If we complete the merger each Franco-Nevada shareholder will be entitled to receive either 0.80 of an exchangeable share (exchangeable into Holdco common stock) or 0.80 of a share of Holdco common stock in exchange for each share of Franco-Nevada common stock held, depending on the election made.

In addition, we must not (unless we first consult with Franco-Nevada) do, permit any of its subsidiaries to do or permit to occur any of the following (directly or indirectly), except in connection with the transaction and among Newmont and our direct or indirect wholly-owned subsidiaries:

- (1) issue, grant, sell, transfer, pledge, lease, dispose of, encumber or agree to issue, grant, sell, pledge, lease, dispose of or encumber:
 - (A) any shares of Newmont common stock or other securities entitling the holder to rights in respect of the securities or assets of Newmont or our subsidiaries, other than pursuant to existing rights to acquire such securities; or

 - (A) the exchangeable shares issued pursuant to the arrangement; and

in each case without qualification with or approval of or the filing of any prospectus (other than in the case of a control person for purposes of Canadian securities laws);

- (3) take reasonable steps to ensure that Newmont Canada has, at the effective time and for so long as there are exchangeable shares outstanding (other than exchangeable shares held by us or any of our affiliates), a "substantial Canadian presence" within the meaning of subsection 206(1.1) of the Income Tax Act ("ITA");
- (4) take reasonable steps to cause the listing and admission to trading on the NYSE of the shares of Newmont common stock to be issued at the effective time and from time to time (i) upon exchange of the exchangeable shares, and (ii) upon the exercise of the Franco-Nevada options, Franco-Nevada class B warrants and Franco-Nevada class C warrants; and
- (5) take reasonable steps to ensure that Newmont Canada is, at the effective time and for so long as there are exchangeable shares outstanding (other than exchangeable shares held by us or any of

our affiliates), a "taxable Canadian corporation" and not a "mutual fund corporation," each within the meaning of the ITA.

- (d) NON-SOLICITATION. Franco-Nevada has agreed that it will not, and will not permit any of its subsidiaries to, directly or indirectly, through any director, officer, employee, insider, professional advisor, agent or authorized representative or otherwise, take any action that may in any way adversely affect or reduce the successful completion of the transaction. Without limiting the foregoing, Franco-Nevada has agreed that it will not, and will not permit any of its subsidiaries, directly or indirectly, through any of the foregoing to solicit, initiate, encourage or facilitate (including by way of furnishing non-public information) any inquiries or proposals regarding an alternative transaction; participate in any discussions or negotiations regarding any alternative transaction; approve or recommend any alternative transaction; or accept or enter into any agreement, arrangement or understanding related to any alternative transaction; provided, however, that, subject to Franco-Nevada's obligation to give notice and our right to respond, nothing will prevent the board of directors from (i) complying with its obligations under applicable securities law to prepare and deliver a directors' circular in response to a take-over bid, and (ii) considering, participating in discussions or negotiations and entering into confidentiality agreements and providing information regarding an unsolicited BONA FIDE written acquisition proposal that does not result from a breach of the foregoing and that the board of directors determines by formal resolution in good faith, after consultation with its financial advisors and outside legal counsel, is a superior proposal, but only to the extent that the board of directors has also determined by formal resolution, in good faith after consultation with its outside counsel that the failure to take such action would reasonably be expected to constitute a breach of its fiduciary duties.

Franco-Nevada may accept, approve, recommend or enter into an agreement, understanding or arrangement to implement a superior proposal if (i) it has provided us with a copy of the documentation relating to the superior proposal, and (ii) five business days have elapsed from the later of the date we received written notice from the board of directors that it has resolved to accept, approve, recommend or enter into a binding agreement to implement the superior proposal, and the date we received all of the documentation relating to the superior proposal.

During that five business day period, we will have the right, but not the obligation, to offer to amend the terms of the arrangement agreement. The board of directors will review any offer by us to amend the terms of the arrangement agreement in good faith, in consultation with its financial advisors and outside legal counsel, to determine whether the acquisition proposal to which we are responding would be a superior proposal when assessed against our amended proposal. If the board of directors does not so determine, by formal resolution, it will enter into an amended agreement with us reflecting our amended proposal. If the board of directors determines by formal resolution that the acquisition proposal is nonetheless a superior proposal and Franco-Nevada has made the payment to us described in "Termination and Termination Fees" below, Franco-Nevada may approve, recommend, accept or enter into an agreement, understanding or arrangement to implement the superior proposal, provided that in no event is the board of directors permitted to take any action that may obligate Franco-Nevada or any

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

other person to seek to interfere with the completion of the transactions or impose any "break-up," "hello" or other fees or options or rights to acquire assets or securities, or any other obligations that would survive completion of the transaction, of Franco-Nevada or any of its subsidiaries, property or assets.

- (e) CONDITIONS TO THE TRANSACTION. The obligations of Franco-Nevada and us to consummate the transaction are subject to the satisfaction of certain mutual conditions, including (i) approval of the requisite resolutions by Franco-Nevada shareholders at the Franco-Nevada shareholders' meetings, (ii) approval of the arrangement by the Superior Court of Justice of the Province of Ontario (or the "Ontario Superior Court"), (iii) approval by our shareholders of the issuance of the shares of common stock to complete the arrangement and the acquisition of Normandy, (iv) listing of the shares of common stock of Newmont and the exchangeable shares issuable to Franco-Nevada shareholders pursuant to the arrangement on the NYSE and the TSE, respectively, (v) the acquisition by us and our

66

associates of a "relevant interest" (as defined below) in at least 50.1% of the Normandy shares, calculated on a fully-diluted basis and (vi) receipt of all necessary regulatory approvals. As defined in the Corporations Act 2001, a person will have a relevant interest in securities if such person (i) is the holder of the securities, (ii) has the power to exercise, or control the exercise of, the right to vote attached to the securities or (iii) has the power to dispose of, or control the exercise of a power to dispose of, the securities.

The obligations of Franco-Nevada to complete the transaction are subject to the satisfaction of certain conditions in its favor, including the representations and warranties of Newmont under the arrangement agreement being true and correct in all material respects and there not having occurred any event, change, effect or development that individually or in the aggregate, has had or is reasonably likely to have, a materially adverse effect on Newmont and our subsidiaries, taken as a whole.

Our obligations to complete the transaction are subject to the satisfaction of certain conditions in our favor, including the representations and warranties of Franco-Nevada under the arrangement agreement being true and correct in all material respects, there not having been delivered and not withdrawn notices of dissent with respect to the requisite Franco-Nevada shareholder resolutions in respect of more than 4,000,000 Franco-Nevada common shares, and there not having occurred any event, change, effect or development that individually or in the aggregate, has had or is reasonably likely to have, a materially adverse effect on Franco-Nevada and its subsidiaries taken as a whole.

- (f) AMENDMENT AND WAIVER. The arrangement agreement, including the plan of arrangement, may be amended by written agreement of the parties at any time before or after the Franco-Nevada shareholder meeting, but not later than the effective date and any such amendment may, subject to applicable law or the interim order of the Ontario Superior Court, without limitation, (i) change the time for performance of any of the obligations or acts of the parties, (ii) waive any inaccuracies in or modify any representation contained in the arrangement agreement or any document to be delivered pursuant to the arrangement agreement, (iii) waive compliance with or modify any of the covenants contained in the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

arrangement agreement or waive or modify performance of any of the obligations of the parties, and/or (iv) waive compliance with or modify any condition precedent contained in the arrangement agreement. If Franco-Nevada or Newmont, as the case may be, proposes any amendment or amendments to the arrangement agreement or the plan of arrangement, the other must consider that amendment and if it and its security holders are not prejudiced by reason of any such amendment, it will cooperate so that that amendment can be effected subject to applicable law and the rights of the security holders.

Franco-Nevada and we will use all efforts to obtain the approvals of the Ontario Superior Court and the Franco-Nevada shareholders in respect of any amendments to the arrangement agreement, including the plan of arrangement, to the extent required by applicable law.

(g) **TERMINATION AND TERMINATION FEES.** The arrangement agreement may be terminated at any time prior to the effective time by mutual written agreement of Franco-Nevada and Newmont, or by either Franco-Nevada or Newmont, subject to the other party's right to cure in certain circumstances, if the conditions to the arrangement have not been waived or satisfied on or before October 31, 2002. Franco-Nevada may terminate the arrangement at any time if our shareholders do not approve all matters necessary to consummate the transaction or if a person other than Newmont or a related entity of Newmont unconditionally acquires not less than 50.1% of the Normandy shares, calculated on a fully diluted basis. Newmont may terminate the arrangement agreement if at any time:

(A) the Franco-Nevada board of directors (i) does not recommend or withdraws or modifies in a manner adverse to Newmont or refuses to affirm its recommendation of the arrangement, or (ii) approves, recommends, accepts or enters into any agreement, undertaking or arrangement in respect of an alternative transaction;

67

(B) the Franco-Nevada shareholders meeting is cancelled, adjourned or delayed, except as expressly contemplated by the arrangement agreement or agreed to by us in writing;

(C) the shareholders do not cast (or do not cause to be cast) sufficient votes at the Franco-Nevada shareholders meeting to permit completion of the arrangement; or

(D) a person other than Newmont or an affiliate of Newmont unconditionally acquires not less than 50.1% of the Normandy shares calculated on a fully diluted basis.

Provided that we have not failed to perform any covenant required to be performed by us pursuant to the arrangement agreement (or such failure is not materially adverse to Franco-Nevada and its subsidiaries taken as a whole) and no representation or warranty made by us contained in the arrangement agreement is untrue in any material respect, if we exercise our right of termination pursuant to: (a) clauses (A), (B) or (C) above (where, in the case of clause (C), at the time of the Franco-Nevada shareholders meeting a bona fide acquisition proposal that has been made has not been withdrawn), Franco-Nevada will immediately pay to us US\$100 million in immediately available funds to an account designated by us; or (b) clause (C) above, where, at the time of the Franco-Nevada shareholders meeting, a bona fide acquisition proposal that has been made has been withdrawn or no such proposal has been made, Franco-Nevada will immediately pay to us US\$20

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

million in immediately available funds to an account designated by us. In addition, with respect to paragraph (b), if, at any time within 12 months after the date of such payment, Franco-Nevada approves, recommends, accepts, enters into or consummates an acquisition proposal, Franco-Nevada will pay to us US\$80 million in immediately available funds to an account designated by us upon consummation of that acquisition proposal. Franco-Nevada will not be obligated to make payments exceeding US\$100 million pursuant to the provisions above.

If (i) the Franco-Nevada shareholders approve the transaction and our shareholders do not approve the transaction, (ii) Franco-Nevada has not failed to perform any covenant required to be performed by it pursuant to the arrangement agreement (or such failure is not materially adverse to Franco-Nevada and its subsidiaries or Newmont and our subsidiaries, in each case taken as a whole), (iii) no representation or warranty made by Franco-Nevada is untrue in any material respect, and (iv) Franco-Nevada exercises its right to terminate the arrangement agreement, we will pay to Franco-Nevada US\$10 million in immediately available funds to an account designated by Franco-Nevada, for its out-of-pocket expenses.

COURT APPROVAL OF THE ARRANGEMENT AND COMPLETION OF THE FRANCO-NEVADA TRANSACTION

The arrangement requires approval by the Ontario Superior Court and the approval of the Franco-Nevada shareholders at the Franco-Nevada shareholders meeting. Prior to the mailing of the Franco-Nevada proxy circular, Franco-Nevada obtained the requisite interim order from the Ontario Superior Court providing for the calling and holding of the Franco-Nevada shareholders meeting and other procedural matters. Subject to the approval of the requisite arrangement resolutions by the Franco-Nevada shareholders at the Franco-Nevada shareholder meeting, the hearing in respect of the requisite final order from the Ontario Superior Court is scheduled to take place on February 1, 2002. At this hearing, the Ontario Superior Court will consider, among other things, the fairness and reasonableness of the arrangement. The Ontario Superior Court may approve the arrangement as proposed or as amended in any manner the Ontario Superior Court may direct, subject to compliance with such terms and conditions, if any, as the Ontario Superior Court deems fit.

Assuming the final order is granted and other conditions to the arrangement agreement are satisfied or waived, we anticipate that the documents necessary to consummate the transactions contemplated under the arrangement agreement will be executed and delivered. We currently anticipate that the effective date will occur prior to the end of February 2002.

OTHER MATTERS RELATING TO THE TRANSACTIONS

CHAMPION DE CRESPIGNY ESCROW AGREEMENT

In connection with Mr. Champion de Crespigny's proposed appointment to the board of directors of New Newmont, it has been proposed that Mr. Champion de Crespigny will be requested to agree to a voluntary escrow of Newmont CDIs which are issued to him under the offer for a maximum period of two years from the issue date.

Mr. Champion de Crespigny disclosed in Normandy's target statement in response to the AngloGold bid that he and his associates held 71,076,161 Normandy shares.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

See "The Transactions--Interests of Certain Persons in the Transactions" for a discussion of Mr. Champion de Crespigny's interests in the transactions.

SCHULICH AND LASSONDE LOCK-UP AND ESCROW AGREEMENTS

THE FOLLOWING IS A SUMMARY OF THE MATERIAL TERMS OF THE LOCK-UP AND ESCROW AGREEMENTS, DATED AS OF NOVEMBER 14, 2001 BY AND BETWEEN US AND PIERRE LASSONDE AND BY AND BETWEEN US AND SEYMOUR SCHULICH.

Seymour Schulich, Chairman of the Board and Co-Chief Executive Officer of Franco-Nevada, and his affiliates own 10,200,492 Franco-Nevada common shares and Pierre Lassonde, president and co-chief executive officer of Franco-Nevada, and his affiliates own 3,651,167 Franco-Nevada common shares (and Franco-Nevada options to purchase 667,200 Franco-Nevada common shares), representing, in the aggregate, approximately 8.7% of the Franco-Nevada common shares issued and outstanding. Pursuant to the lock-up agreements, each of Mr. Schulich and Mr. Lassonde has agreed that all of his Franco-Nevada common shares (including common shares acquired by him after the date of the lock-up agreements) will be voted in favor of the transaction and that he will not vote any of his Franco-Nevada common shares in favor of any alternative transaction. Each of Mr. Schulich and Mr. Lassonde irrevocably agrees, among other things, that he will not, and will not permit any person over which he exercises influence or control to, contract to sell, sell or otherwise transfer or dispose of any of his Franco-Nevada common shares (or any interest, securities convertible into or any voting rights with respect to any of his Franco-Nevada common shares), other than pursuant to the arrangement or with our prior written consent. The lock-up agreements further provide that each of Mr. Schulich and Mr. Lassonde:

- (a) will not permit any person over which he exercises influence or control, directly or indirectly (including, if applicable, through its directors, officers, employees, insiders, professional advisors, agents or other authorized representatives) to take any action that may in any way adversely affect or reduce the likelihood of the successful completion of the transaction; and
- (b) will not (and will not permit any of its subsidiaries to), directly or indirectly, through any of its or its subsidiaries' directors, officers, employees, insiders, professional advisors, agents or other authorized representatives:
 - (i) solicit, initiate, encourage or facilitate (including by way of furnishing non-public information) any inquiries or proposals regarding an alternative transaction;
 - (ii) participate in any discussions or negotiations regarding any alternative transaction;
 - (iii) approve or recommend any alternative transaction; or
 - (iv) accept or enter any agreement, arrangement or understanding related to any alternative transaction.

Pursuant to the escrow agreements, each of Mr. Schulich and Mr. Lassonde has deposited or agreed to deposit in escrow the certificate(s) representing the Franco-Nevada common shares referred to in the lock-up

agreements (and, in the case of Mr. Lassonde, the certificate(s) representing Franco-Nevada common shares issued upon exercise of his Franco-Nevada stock

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

options). The Franco-Nevada common shares deposited in escrow will be released, subject to accelerated release in certain events, three months following the termination of the escrow agreements. On the effective date of the acquisition of Franco-Nevada, 30% of the exchangeable shares received in exchange for the escrowed Franco-Nevada common shares will be released and the balance will be released as to 30% on the first anniversary of the effective date, and as to 20% on each of the second and third anniversaries of the effective date.

JOINT VENTURE BETWEEN NEWMONT AND NORMANDY

Newmont and Normandy each has a 50% interest in the Pajingo joint venture as successors to a joint venture agreement between Posgold Operations Pty Ltd and Battle Mountain (Australia) Inc. Under the joint venture agreement, Normandy manages mine operations and exploration. For these services, Normandy receives a management fee of approximately A\$1.2 million per annum from Newmont.

NEWMONT PROPERTIES SUBJECT TO FRANCO-NEVADA ROYALTIES

Newmont owns and in some cases actively conducts operations on a number of properties in Nevada which are subject to the payment of a production royalty to Franco-Nevada. The following properties are currently producing and provided Franco-Nevada with the royalty payment indicated over the period of October 1, 2000 through September 30, 2001:

- . The Deepstar Mine, for which Franco-Nevada received US\$579,795 in payments based on a variable royalty of 5.75%-6% NSR;
- . The Deep Post Mine, for which Franco-Nevada receives a variable royalty of 5.5%-6% NSR. The BLLS 5-0 Stockpile is subject to a royalty of 4.62% NSR. The combined royalty from Deep Post and BLLS 5-0 Stockpile production was US\$867,737;
- . The Maggie Creek claims, for which Franco-Nevada received US\$154,872 in payments based on a variable royalty of 3.072%-4.9% NSR;
- . The Good Hope patents and Nevada King claims, for which Franco-Nevada received US\$14,739 in payments based on a royalty of 8% NSR;

Non-producing properties owned by Newmont that are subject to Franco-Nevada royalties include: the Barr claims (2% NSR), Carlin Valley claims and adjacent lands (3.6% NSR), Chicago claims (5% NSR), Golden Boy claims (3% NSR), Joe and Don claims (5% NSR), London claims (5% NSR), a part of the Lone Tree Mine (1% NSR), Micron claims (3% NSR), and Getchell Section 13 lands (2% NSR). Effective December 4, 2001, Newmont and Getchell Gold Corporation entered into an agreement under which Newmont will process a 150,000 ton ore stockpile, which is subject to a 2% NSR royalty in favor of Franco-Nevada. In addition, Franco-Nevada has 0.5%-4% NSR interest covering parts of Newmont's Holloway camp in Ontario, Canada, currently non-producing, pursuant to which arrangements Franco-Nevada receives annual advanced royalty payments of \$25,000.

THE COMPANIES

BUSINESS OF NEWMONT

Newmont was incorporated in 1965 under the laws of Delaware. Through its predecessor companies, Newmont has been in the mining business since 1921. We are engaged, directly or indirectly through our subsidiaries and affiliates, in the production of gold, development of mining properties, exploration for gold

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

and the acquisition of mining properties world-wide. We are the second largest gold producer in the world, based on ounces of production. In 2000, we produced gold from operations in Nevada and California and, outside the United States, from operations in Canada, Peru, Bolivia, Indonesia, Mexico, Uzbekistan and Australia. We also produce copper concentrates from a copper/gold deposit at a second location in Indonesia. Our average cash cost of gold production for 2000 was US\$170 per ounce, compared to a Western world average of US\$186 per ounce.

We had revenues of US\$1.81 billion in 2000 and US\$1.63 billion in 1999. In 2000, we had a net loss applicable to common shares of US\$102.3 million in 2000 and US\$102.0 million in 1999. The net loss in 2000 included non-cash items totaling US\$103.3 million, net of tax, primarily for asset impairments and an acquisition settlement. In 1999, the net loss included non-cash items totaling US\$126.2 million, net of tax, primarily for asset impairments and losses on written call options. Including our subsidiaries, partnerships and joint ventures, we sold 5.7 million equity ounces of gold in 2000 and 4.9 million equity ounces in 1999. We use the term "equity ounces" to mean that portion of gold produced, or included in proven and probable reserves, which is attributable or proportionate to our ownership interest.

PRODUCT

Most of our revenue comes from the sale of refined gold into the international market. Our gold sales are generally made at the average price prevailing during the month in which the gold is delivered to the customer, plus an interest factor.

Refined copper is an internationally traded commodity and is produced from the treatment of concentrates. We deliver and sell the concentrates produced by Batu Hijau to smelters in Japan, Korea, Australia and Europe. In 2001, approximately 85% of Batu Hijau's production will be sold under long-term contracts, and the balance on the spot market.

STOCK EXCHANGES

Shares of Newmont common stock are listed or quoted on the NYSE under the symbol "NEM". We have filed an application to list Newmont common stock on the ASX as CDIs. Our \$3.25 convertible preferred stock is also listed on the NYSE.

ADDITIONAL INFORMATION

Our principal executive offices are located at 1700 Lincoln Street, Denver, Colorado 80203. Our telephone number is (303) 863-7414, and our website is <http://www.newmont.com>. Additional information on Newmont is included in documents filed by us with the SEC, which are incorporated by reference into this document. See "Where You Can Find More Information" on page 131.

BUSINESS OF NEW NEWMONT

New Newmont, to be formed from the combination of Newmont, Normandy and, subject to completion of the plan of arrangement, Franco-Nevada, will be the world's leading gold company, with gold reserves in excess of 97 million ounces and annual production of more than 8 million ounces at an expected cash cost of approximately US\$175 per ounce. New Newmont will be a truly global enterprise, with an aggregate land

position of approximately the same size as the United Kingdom at 244,000 square kilometers (94,000 square miles) and operations in North America, South

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

America, Australia, New Zealand, Indonesia, Uzbekistan and Turkey. New Newmont will obtain more than 70% of its production from the politically and economically stable locations of the United States, Canada and Australia. New Newmont will, among other activities, also produce copper concentrates from locations in Indonesia and zinc and copper concentrates from locations in Australia.

The information provided in this section is designed to give you an understanding of the assets, liabilities, operations and prospects of New Newmont. This description of New Newmont assumes that the merger with Franco-Nevada takes place, although the offer for Normandy is not conditional on the merger with Franco-Nevada taking place. If that merger is not successful, the business of New Newmont will not include the bulk of the royalty business, which covers gold, platinum, oil and gas interests, or investments which are set out below. You should consider this possibility when assessing the prospects of New Newmont.

The following information is based upon Newmont successfully acquiring all of the shares of both Normandy and Franco-Nevada. These acquisitions are subject to a number of conditions, described in "The Transactions," "The Acquisition of Normandy" and "The Acquisition of Franco-Nevada" on pages 32, 53, and 61, respectively.

For this same period, approximately 61% of New Newmont's gold reserves, as of the latest public filings, came from North America and Australia and approximately 39% from other locations, with 19% of that total attributable to Minera Yanacocha in Peru and 7% of that total in Indonesia.

OVERVIEW OF NEW NEWMONT

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

New Newmont will continue the historic businesses of Newmont and Normandy in the production of, and exploration for, gold, copper and zinc. New Newmont will also continue Franco-Nevada's primary business, which is the acquisition of (i) direct interests in mineral properties and, when appropriate, developing those properties, (ii) royalty interests in producing precious metals, mines and precious metals properties in the development or advanced exploration stage, (iii) direct interests in mineral properties for the purpose of exploration and, when appropriate, selling, leasing or joint venturing those properties to established mine operators and retaining royalty interests and (iv) indirect interests in mineral deposits through equity interests in companies that own interests in mineral deposits.

PRODUCTS

GOLD. Gold has two main categories of use--product fabrication and bullion investment. Fabricated gold has a variety of end uses, including jewelry, electronics, dentistry, industrial and decorative uses, medals, medallions and official coins. Gold investors buy gold bullion, official coins and high-karat jewelry. Most of New Newmont's revenue will come from the sale of refined gold in the international market. The end product at each of New Newmont's gold operations, however, will be dore bars. Because dore is an alloy consisting mostly of gold but also containing silver, copper and other metals, dore bars are sent to refiners to produce bullion that meets the required market standard of 99.95% pure gold. Under the terms of refining agreements, the dore bars will be refined for a fee, and New Newmont's share of the refined gold and the separately recovered silver will be credited to the company's account or delivered to buyers, except in the case of the dore produced from New Newmont's operation in Uzbekistan. Dore from that operation will be refined locally and physically returned to New Newmont for sale in international markets. New Newmont does not believe that the loss of any of its refiners would have an adverse effect on its business due to the availability of alternative refiners able to supply the necessary services. Additionally, through Normandy, New Newmont will have a 50% interest in an Australian refinery.

The worldwide supply of gold consists of a combination of new production from mining and existing stocks of bullion and fabricated gold held by governments, financial institutions, industrial organizations and private individuals. In recent years, mine production has accounted for 60% to 65% of the total annual supply of gold. The price of gold is affected by numerous factors that are beyond our control. See "Risk Factors--Risks related

to the gold mining industry generally". The following table presents the annual high, low and average afternoon fixing prices over the past five years, expressed in U.S. dollars, for gold per ounce on the London Bullion Market:

2001/(1)/	293	256	270

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

(1) Through October 31, 2001

On December 19, 2001, the afternoon fixing price of gold on the London Bullion Market was US\$279 per ounce.

New Newmont's gold sales will generally be made at the average price prevailing during the month in which the gold is delivered to the customer plus a "contango," which is essentially an interest factor, from the beginning of the month until the date of delivery. Revenue from a sale is recognized when gold is delivered from the refiner or other depository to the customer.

COPPER. The Batu Hijau mine in Indonesia, in which New Newmont will hold a 56.25% economic interest (a 45% equity interest), produced copper/gold concentrates containing 519.7 million pounds of copper and 451,400 ounces of gold in the first nine months ended September 30, 2001. The concentrates, which have the consistency of fine sand, contain about 30% copper and about 0.42 ounce per ton of gold. In addition, the 100% owned Golden Grove Operation in Western Australia produced zinc, lead and copper concentrates containing 242.5 million pounds of copper for the 12 months ended June 30, 2001. New Newmont will deliver and sell the concentrates to smelters in Japan, Korea, Australia and Europe. The majority of New Newmont's production will be sold under long-term contracts, and the balance on the spot market.

Refined copper, the final product from the treatment of concentrates, is incorporated into wire and cable products for use in the construction, electric utility, communication and transportation industries. Copper is also used in industrial equipment and machinery, consumer products and a variety of other electrical and electronic applications and is used to make brass. Materials that compete with copper include aluminum, plastics, stainless steel and fiber optics.

Refined, or cathode, copper is also an internationally traded commodity. The price of copper is quoted on the London Metal Exchange in terms of dollars per metric ton of high grade copper and on the New York Commodity Exchange (Comex) in terms of dollars per pound of high grade copper. Copper prices tend to be more cyclical than gold prices and are more directly affected by the worldwide balance of supply and demand. The volatility of the copper market is illustrated by the following table, which shows the high, low and average price, in U.S. dollars per pound, of high grade copper on the London Metal Exchange in each of the last five years:

YEAR	HIGH	LOW	AVERAGE
----	-----	-----	-----
1996.....	\$1.29	\$0.83	\$1.04

Source of Data: Metal Bulletin

On December 19, 2001, the closing spot price of high grade copper on the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

London Metal Exchange was equivalent to US\$0.67 per pound.

ZINC. New Newmont will produce zinc, lead and copper concentrates at its Golden Grove operations in Western Australia. Golden Grove produced 182,655 tonnes of zinc concentrate containing 82,391 tonnes of payable zinc during the period July 1, 2000 to June 30, 2001. Golden Grove markets its zinc concentrates under "evergreen" contracts to major zinc smelters in Japan and Korea. The majority of zinc concentrate is sold under long term contract arrangements. Pricing terms are negotiated annually.

HEDGING ACTIVITIES

New Newmont generally intends to sell its production at spot market prices and expects to continue Newmont's "no hedging" philosophy. While there is no current intention to enter into any gold hedging positions, New Newmont will monitor the market on an ongoing basis and may periodically elect to enter into selective hedging transactions, if required to achieve its strategic objectives. The hedging policy authorized by Newmont's board of directors limits total hedging activity to 16 million ounces.

Newmont utilized forward sales contracts for a portion of the gold production from the Minahasa mine in Indonesia and from Nevada operations. Newmont sales of gold under forward sales contracts represented 3%, 6% and 18% of Newmont's total equity production in 2000, 1999 and 1998, respectively. No costs were incurred for forward sales contracts and there were no margin requirements related to these contracts. The use of forward sales contracts has protected Newmont against declining gold prices over the past three years, with respect to the covered ounces.

Normandy's policy has been to hedge a minimum of 60% of recoverable reserves. Recoverable reserves are generally between 80% and 95% of total reserves. Normandy has not entered into contracts that require margin calls and has no outstanding long-dated sold call options. Normandy has utilized forward sales contracts with fixed and floating gold lease rates. New Newmont will look to opportunistically unwind or deliver into Normandy's hedge book over time.

The following table summarizes the hedge books of Normandy and its subsidiaries at September 30, 2001, as reported in Normandy's quarterly reports:

PROPERTIES AND OPERATIONS

GENERAL DESCRIPTION OF GOLD PROCESSING FACILITIES

Gold is extracted from naturally-oxidized ores by either heap leaching or milling, depending on the amount of gold contained in the ore and the amenability of the gold ore to the treatment. Gold contained in ores that are not naturally oxidized can be directly milled and leached if the gold is accessible to the chemical, generally known as free milling ores. Ores that will not leach efficiently, known as refractory ores, require more costly and complex processing techniques than oxide or free milling ore. Higher-grade refractory ores are processed through either roasters or autoclaves. Roasters heat finely ground ore with air and oxygen to a high temperature and burn off the carbon and sulfide minerals that encase the gold or that prevent efficient leaching. Autoclaves use heat, oxygen and pressure to oxidize sulfide minerals in the ore. Some gold bearing sulfide ores may be processed through a flotation plant or by bio-milling. In flotation, ore is finely ground, turned into slurry, then placed in a tank known as a flotation cell. Chemicals are added to the slurry causing the gold-containing sulfides to float in air bubbles to the top of the tank where they can be separated from waste particles that sink to the bottom. The sulfides are removed from the cell and formed into a concentrate that can then be processed in an autoclave or roaster to fully recover the gold from the smaller concentrate mass. Bio-milling incorporates patented technology referred to as bio-oxidation technology that involves inoculation of suitable crushed ore on a leach pad with naturally occurring and patented bacteria strains that oxidize the sulfides encasing the gold over a period of time. The ore is then processed through a mill and leach system.

Free milling and some oxide ores are processed through mills where the ore is ground into a fine powder and mixed with water in slurry, which then passes through a cyanide leaching circuit where gold is extracted and collected on carbon followed by extraction from the carbon and electrowinning. Amenable ores are processed using heap leaching. The ore is crushed and stacked on impermeable pads, where weak cyanide solution is applied to the the top surface of the heaps to dissolve the gold. The gold-bearing solution is collected and pumped to facilities to remove the gold by collection on carbon or zinc precipitation directly from leach solutions.

NORTH AMERICA

NEVADA

PRODUCTION. New Newmont's Nevada operations including the Midas Mine (formerly the Ken Snyder Mine) will include Carlin, located west of Elko on the geological feature known as the Carlin Trend and the Winnemucca Region. The

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Carlin Trend is the largest gold district discovered in North America in the last 50 years. The Winnemucca region includes (i) the Twin Creeks mine located near Winnemucca, (ii) the Lone Tree Complex located near Battle Mountain and (iii) the Battle Mountain Complex, near Battle Mountain, where there are no currently active mining operations but where studies are ongoing with respect to the feasibility of developing a large gold/copper deposit.

Gold production in Nevada totaled approximately 2.1 million equity ounces at a cash cost of US\$217 per ounce for the first nine months ended September 30, 2001.

In 2000, ore was mined from nine open-pit deposits and five underground mines. Although the Deep Post open pit was mined out at the end of 2000, production from stockpiled ore continued into 2001, and production from the Deep Post underground mine, which is accessed through a decline near the bottom of the pit, commenced in March 2001.

PROCESSING FACILITIES. New Newmont's operations in Nevada have a number of different ore types and processing techniques. Newmont has developed a linear programming model to determine the best mix of ore types for each processing facility in order to obtain the maximum ounces of gold at the lowest cost from the ores.

76

Approximately 71% of Nevada's 2000 year-end proven and probable gold reserves were refractory and the balance were oxide. Nevada's production has increasingly come from higher-cost refractory ores from both deep open pits and underground mines as lower-cost, near-surface oxide ores have been depleted. Refractory ore treatment facilities are expected to generate approximately 65% of Nevada's gold production in 2001, compared with 67% in 2000.

Higher-grade oxide ores are processed at one oxide mill at Carlin, two at Twin Creeks and one at Lone Tree. New Newmont will consider whether to continue operating the Midas mill or close it and process the ore at one of the oxide mills at Twin Creeks. Lower-grade oxide ores are processed using heap leaching. Higher-grade refractory ores are processed through either a roaster at Carlin or through autoclaves at Twin Creeks or Lone Tree.

Gold-bearing activated carbon from Carlin's milling and leaching facilities is processed on site at a central carbon processing plant and adjacent smelting facilities. Separate carbon processing facilities are located in the North and South Areas at Twin Creeks with one smelter in the North Area. Lone Tree has two carbon processing facilities. Material from the Lone Tree carbon processing facilities is smelted at Carlin.

OTHER FACILITIES. Analytical laboratories, maintenance facilities and administration offices are located at Carlin, Twin Creeks and the Lone Tree Complex. We will also have an advanced metallurgical research laboratory in Denver, Colorado.

Electrical power and natural gas for New Newmont's Nevada operations will be provided by public utilities. Oxygen for the roaster will be provided on a contract basis from an oxygen plant constructed by the supplier on land leased from Newmont. New Newmont will be the sole customer of the oxygen produced. Oxygen plants used in conjunction with the autoclaves at Twin Creeks and Lone Tree will be owned by Newmont and operated and maintained by a third party.

MINERAL RIGHTS. New Newmont will own, or control through long-term mining leases and unpatented mining claims, all of the minerals and surface area

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

within the boundaries of the present Carlin and Winnemucca Region mining operations areas. The long-term leases extend for at least the anticipated mine life of those deposits. With respect to a significant portion of the Gold Quarry Mine at Carlin, New Newmont will own a 10% undivided interest in the mineral rights and lease the remaining 90%, on which New Newmont will pay a royalty equivalent to 18% of the mineral production. The remainder of the Gold Quarry mineral rights will be wholly owned or controlled by New Newmont, in some cases subject to additional royalties. With respect to certain smaller deposits in the Winnemucca Region, New Newmont will be obligated to pay royalties on production to third parties that vary from 3% to 5% of production.

CANADA

GOLDEN GIANT AND HOLLOWAY. New Newmont will have two underground mines in Canada. The Golden Giant mine (100% owned) is located approximately 25 miles east of Marathon in Ontario, Canada and has been in production since 1985. The Holloway mine is located approximately 35 miles east of Matheson in Ontario, and about 400 miles northeast of Golden Giant. The mine is owned by a joint venture in which New Newmont will have an 84.65% interest. The remaining 15.35% interest is held by Teddy Bear Valley Mines.

Gold sales from the Golden Giant and Holloway for the nine months ended September 30, 2001 were 196,200 and 64,400 ounces, respectively, with total cash costs of US\$193 and US\$226 per ounce, respectively.

See also "--TVX Normandy" for a description of other mines in Canada in which New Newmont will have interests.

77

OTHER NORTH AMERICAN PROPERTIES

New Newmont will have one mine in Southern California, Mesquite. Mining operations ceased in the second quarter of 2001, with the depletion of the main ore body. Mesquite operations are transitioning to temporary shut-down and reclamation, and declining amounts of gold will be recovered from the inventory of ores on the heap leach pads.

In Mexico, New Newmont will have a 44% interest in La Herradura, which is located in northwest Sonora, Mexico, and operated by Industriales Penoles S.A. de C.V. group, Mexico's largest silver producer.

SOUTH AMERICA

PERU

The properties of Minera Yanacocha S.R.L. are located approximately 375 miles north of Lima and 28 miles north of the city of Cajamarca. Since the discovery of gold ores in 1986, the area has become the largest gold district in South America. Minera Yanacocha began production in 1993. New Newmont will hold a 51.35% interest in Minera Yanacocha. The remaining interest is held by Compania de Minas Buenaventura, S.A.A. (43.65%) and the International Finance Corporation (5%).

Minera Yanacocha has mining rights with respect to a large land position that includes multiple deposits as well as other prospects. Such mining rights were acquired through assignments of concessions granted by the Peruvian government to a related entity. The assignments have a term of 20 years, beginning in the early 1990s, renewable at the option of Minera Yanacocha for another 20 years. In October 2000, Newmont and Compania de Minas Buenaventura

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

unitized their land holdings in northern Peru, folding them into Minera Yanacocha. The unitization increased Yanacocha's land position increased from 100 to 535 square miles.

Five open-pit mines and four leach pads are in operation at Yanacocha. Gold sales for the nine months ended September 30, 2001 totalled 1.4 million ounces of gold (719,500 equity ounces) at a total cash cost of US\$117 per ounce.

At the newly developed La Quinua deposit at Yanacocha, testing of the agglomeration facility and ore placements on the leach pad were completed in the third quarter of 2001 and gold production commenced in the fourth quarter. By 2003, production from La Quinua is expected to reach one million ounces per year at an average total cash cost of approximately US\$125 per ounce. At La Quinua, the ore is crushed, agglomerated and leached, which increases cash costs slightly.

BOLIVIA

The Kori Kollo open pit mine is on the high plain in northwestern Bolivia near Oruro on government mining concessions issued to a Bolivian corporation, Empresa Minera Inti Raymi S.A., which owns and operates the mine. New Newmont will own 88% of Inti Raymi. The remaining 12% is owned by Zeland Mines, S.A. In the nine months ended September 30, 2001, the mine sold 201,100 equity ounces of gold at a total cash cost of US\$164 per ounce.

OTHER

New Newmont will also have interests in two operating mines in Brazil and one in Chile. See "--TVX Normandy."

78

AUSTRALASIA

AUSTRALIA

New Newmont's Australian operations will consist of a 50% interest in the Super Pit and Mt. Charlotte mines, a 44% interest in the Boddington expansion project, 100% ownership of the Normandy Yandal operations, which consists of the Bronzewing, Jundee and Wiluna mines, an 87.5% interest in Normandy NFM, which owns the Tanami operations and a 100% interest in the Pajingo mine. New Newmont's Australian operations would have contributed approximately 1.97 million ounces of New Newmont's total attributable gold production in the twelve months ended June 30, 2001.

KALGOORLIE

The Kalgoorlie operations comprise the Fimiston Open Pit (commonly referred to as the Super Pit) and Mt. Charlotte underground mine at Kalgoorlie-Boulder, 600 km east of Perth in the Eastern Goldfields. The mines are managed and run by Kalgoorlie Consolidated Gold Mines Pty Ltd ("KCGM") for the Joint Venture owners, New Newmont and Homestake Gold of Australia Limited, which will each hold 50%.

The Super Pit is Australia's largest gold mine, in terms of both gold production and total annual mining volumes.

For the period July 1, 2000 to June 30, 2001, the Super Pit produced 360,683 equity ounces of gold at a total cash cost for Normandy of A\$322 per ounce. Life of mine plans for the Super Pit estimate a 15-17 year life for the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

operation.

Mt. Charlotte is a large underground gold mine that has yielded about 25 million tonnes of ore and over 3 million ounces of gold. During the period July 1, 2000 to June 30, 2001, the mine produced 107,396 ounces of gold from the treatment of 1.2 million tonnes of ore at a cash cost of A\$365 per ounce. The operation is scheduled to close in December 2001.

BODDINGTON

Boddington, a large-scale open pit mining operation, is operated by Worsley Alumina Pty Ltd on behalf of the joint venture owners, which will be Newmont (44.4%), AngloGold (33.3%) and Newcrest Mining Limited (22.2%). Reserves were exhausted in November 2001, and facilities are being placed on care and maintenance where those facilities are required for the proposed expansion. From July 1, 2000 to June 30, 2001, 8.5 million tons of ore were treated, producing 228,405 ounces of gold (100%) at a total cash cost for Normandy of A\$381 per ounce. The Boddington expansion project has been delayed, with restructuring of current management arrangements a prerequisite to development.

NORMANDY YANDAL

New Newmont will have a 100% interest in Yandal, which consists of the Bronzewing, Jundee and Wiluna mines situated in the Yandal Goldfields in Western Australia. The three operations collectively produced 787,457 ounces of gold from July 1, 2000 to June 30, 2001 at an average total cash cost of A\$288 per ounce.

TANAMI

The Tanami operations comprise the Granites treatment plant and associated mining operations, which are located approximately 550 kilometers northwest of Alice Springs adjacent to the Tanami highway, and the Dead Bullock Soak mining operations, some 40 kilometers west of the Granites. The major mine is the underground Callie operation at Dead Bullock Soak. The Tanami operations will be owned by Normandy NFM, a publicly listed, 87.5% owned subsidiary of Newmont.

79

The operation is now predominantly focused on the Callie underground mine with mill feed supplemented by production from the Dead Bullock Ridge open pit and the Bunkers and Quorn pits at the Granites.

For the period July 1, 2000 to June 30, 2001, Tanami operations produced 420,836 ounces of gold (368,021 equity ounces) at a total cash cost of A\$279 per ounce.

The Tanami operations also include the Groundrush deposit at which mining commenced in mid-September 2001. Gold production commenced in November 2001.

PAJINGO

The Pajingo gold mine is an underground mine located approximately 150 km southwest of Townsville, Queensland and 72 kilometers south of the local township of Charters Towers. The Pajingo gold mine will be 100% owned by Newmont.

Royalties are paid to the Queensland government at 4.0-5.9% of revenues

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

depending on the gold price. Royalties are also paid to traditional land owners consisting of 0.2% of revenues and a fixed payment upon exploration success.

For the period July 1, 2000 to June 30, 2001, Pajingo produced 229,788 total ounces of gold at a total cash cost of A\$177 per ounce.

MT. LEYSHON

The Mt. Leyshon gold mine, near Charters Towers, Queensland is owned by Mt. Leyshon Resources Ltd, which is a publicly listed company of which Normandy owns 13.7%. Mining ceased at the large scale open pit at Mt. Leyshon in February 2001. The operation is currently producing gold by treating existing low-grade stockpiles of 5 million tonnes at 0.8 grams per tonne of gold. Treatment of stockpiles is expected to be completed in January-February 2002 with operations expected to be closed by the middle of 2002.

A comprehensive mine closure and rehabilitation plan covering remaining operations, closure, rehabilitation, decommissioning and post-closure monitoring has been implemented. Mine closure and rehabilitation costs are expected to be approximately A\$8 million. As part of a restructure of Mt. Leyshon Resources Ltd, New Newmont will assume responsibility for mine closure and rehabilitation costs, as well as ongoing environmental obligations.

NEW ZEALAND

MARTHA

The Martha gold mine is located within the town of Waihi, approximately 110 km southeast of Auckland, New Zealand. It will be a joint venture between New Newmont and Otter Gold Mines Limited ("Otter"). New Newmont will have a 67.06% interest and manage the operation. Normandy NFM Limited, a subsidiary of Normandy, has made a takeover bid for Otter. See "--Business of Normandy--Recent Developments," discussing Normandy NFM's bid for Otter.

In 1998, additional resources were identified, which has allowed the life of the mine to be extended a further six years to 2007.

The operation produced 95,070 ounces of gold for the period July 1, 2000 to June 30, 2001 at a total cash cost of A\$344 per ounce.

80

The Martha mine does not currently pay royalties. Under new royalty arrangements, the Martha mine will be required to pay a royalty on new discoveries such as Favona. The royalty rate is the greater of 1% of gross revenues from silver and gold sales or 5% of accounting profit. New Newmont will receive a management fee of 2% of gross revenues from Otter.

The open pit's location immediately adjacent to the town also means that it is unlikely that the pit will be expanded or that underground mining will be pursued below the bottom of the Martha pit. Accordingly, there do not currently appear to be any prospects of extending the current reserves within the Martha deposit. At current production rates, reserves are sufficient to support a mine life of around six years. The longer term future for the Martha operation is based on the recently discovered Favona vein. The full extent of the mineralization will only be tested once underground access is available. However, drilling to date suggests that the Favona system is likely to support an underground mining operation.

INDONESIA

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

New Newmont will have two operating properties in Indonesia: Minahasa, a gold operation, and Batu Hijau, which produces copper/gold concentrates. New Newmont will own 80% of Minahasa. The remaining 20% interest is a carried interest held by P.T. Tanjung Serapung, an Indonesian company. New Newmont will have a 45% equity interest in Batu Hijau through a partnership with an affiliate of Sumitomo Corporation, which will hold a 35% interest. The remaining 20% is a carried interest held by P.T. Pukuaifu Indah, an Indonesian company. New Newmont will account for its investment in Batu Hijau as an equity investment due to each partner's significant participating rights in the business. New Newmont will be entitled to 56.25% of the concentrate production until New Newmont recovers the bulk of Newmont's investment, including interest.

In Indonesia, rights are granted to private parties to explore for and to develop mineral resources within defined areas through Contracts of Work entered into with the Indonesian government. In 1986, Newmont entered into separate fourth generation Contracts of Work with the government covering Minahasa and Batu Hijau, under which Newmont was granted the exclusive right to explore the contract area, construct any required facilities, extract and process the mineralized materials and sell and export the minerals produced subject to certain Indonesian government approvals and payment of royalties to the government. New Newmont will have the right to continue operating the projects for 30 years, or longer, if approved by the Indonesian government. Under New Newmont's Contracts of Work, beginning in the sixth year after mining operations commenced (and continuing through the tenth year), a portion of each project not already owned by Indonesian nationals must be offered for sale to the Indonesian government or to Indonesian nationals, thereby potentially reducing Newmont's (and, in the case of Batu Hijau, Newmont's and Sumitomo's) ownership in each project to 49% by the end of the tenth year. The price at which such interest would be offered for sale to the Indonesian parties would be the highest of (i) the then current replacement cost, (ii) the price at which shares of the project company would be accepted for listing on the Jakarta Stock Exchange or (iii) the fair market value of such interest as a going concern.

MINAHASA

Newmont's first project in Indonesia, Minahasa, on the island of Sulawesi, approximately 1,500 miles northeast of Jakarta, was a Newmont discovery and consisted of a multi-deposit operation. Production began in 1996 and ore was processed from the open pit Mesel deposit and a number of smaller peripheral deposits. These deposits contained both oxidized and refractory gold mineralization.

Minahasa sold 275,400 equity ounces of gold in the nine months ended September 30, 2001 with total cash costs of US\$135 per ounce. Mining operations will cease by the end of 2001; however, it is expected that processing from this mine will continue through 2003.

81

BATU HIJAU

New Newmont's second project in Indonesia, Batu Hijau, is located on the island of Sumbawa, approximately 950 miles east of Jakarta. Batu Hijau is a large porphyry copper/gold deposit, which Newmont discovered in 1990.

In July 1997, agreements for US\$1 billion in financing for the Batu Hijau project were signed. Project completion tests were met in October 2000 and, as a result, the financing is now non-recourse to New Newmont and Sumitomo.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Development and construction activities began in 1997 and start-up took place in late 1999. The mine produced 519.7 million pounds of copper and 451,400 ounces of gold in the nine months ended September 30, 2001, 56.25% of which is attributable to Newmont's economic interest. After gold credits the cash cost was US\$0.36 for the nine months ended September 30, 2001.

ASIA AND EUROPE

UZBEKISTAN

New Newmont will have a 50% interest in Zarafshan-Newmont. The remaining 50% interest is divided between the State Committee for Geology and Mineral Resources ("State Committee") and Navoi Mining and Metallurgical Combine ("Navoi"), each a state entity of Uzbekistan. The joint venture produces gold by crushing and leaching ore from existing stockpiles of low-grade oxide ore from the nearby government-owned Muruntau mine. The gold produced by Zarafshan-Newmont is sold in international markets for U.S. dollars. Newmont provides technical and managerial support to Zarafshan-Newmont. The State Committee and Navoi guaranteed to furnish Zarafshan-Newmont with 242 million tons of ore with an average grade of 0.036 ounces of gold per ton, containing approximately 8.6 million ounces of gold. In late 2000, the ore supply agreement was amended to add an additional 220 million tons of ore with an average grade of 0.05 ounces of gold per ton. To handle the additional ore, the joint venture has arranged for construction of a leach pad extension and an expansion of the ore supply conveyor system. The amended agreement extends the life of the operation to at least 2013. Ore placement on the heap leach pad expansion project is scheduled for the beginning of 2002.

For the nine months ended September 30, 2001, total sales were 325,200 ounces (162,600 equity ounces) at a total cash cost of US\$136 per ounce.

TURKEY

The Ovacik gold mine is located on the western Aegean coast of Turkey. New Newmont will own 100% of the mine. The first gold was produced in May 2001. The mine is the subject of regulatory action which could result in its closure.

AFRICA

COTE D'IVOIRE

The Ity gold mine is located in Cote d'Ivoire, West Africa. Normandy has disclosed that Normandy La Source has accepted an offer for the sale of its interest in the Ity gold mine.

TVX NORMANDY

TVX Normandy was formed in June 1999 as a strategic alliance between Normandy and TVX Gold. TVX Normandy will be 49.9% owned by New Newmont and 50.1% owned by TVX Gold. The principal assets of TVX Normandy are interests in the following operating gold mines in South America and Canada:

Paracatu (51% Rio Tinto Limited; 49% TVX Normandy). Rio Tinto is the operator of the mine. For the twelve months ended June 30, 2001, Paracatu produced 207,718 ounces of gold (100%) at a total cash cost of A\$350 per ounce.

Crixas (50% AngloGold; 50% TVX Normandy). AngloGold is the operator of the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

mine. For the twelve months ended June 30, 2001, Crixas produced 192,985 ounces of gold (100%) at total cash costs of A\$212 per ounce.

La Coipa (50% Placer Dome; 50% TVX Normandy). Placer Dome is the operator of the mine. For the twelve months ended June 30, 2001, La Coipa's gold equivalent production was 137,138 ounces at total cash costs of A\$225 per ounce.

Musselwhite (68.1% Placer Dome; 31.9% TVX Normandy). Placer Dome is the operator of the mine. For the twelve months ended June 30, 2001, Musselwhite produced 236,604 ounces of gold (100%) at total cash costs of A\$318 per ounce.

New Britannia (50% High River Gold; 50% TVX Normandy). TVX Normandy is the operator of the mine. For the twelve months ended June 30, 2001, New Britannia produced 105,849 ounces of gold (100%) at total cash costs of A\$375 per ounce.

DEVELOPMENT PROJECTS

New Newmont will also have a several advanced gold projects in its portfolio of assets. New Newmont will have the flexibility to optimize the development of these projects based on project economics, political risk and free cash flow profiles.

The following table sets forth certain information with respect to New Newmont's principal development projects:

EXPLORATION

New Newmont expects to have a 2002 exploration and research budget of approximately US\$75 million. It is expected that approximately 70% would be applied to near-mine and regional exploration in existing districts, plus work on advanced exploration and development projects in Indonesia and West Africa, and approximately 30% on the worldwide search for new reserve opportunities outside current operating districts, acceleration of select programs having positive results, and on metallurgical research, operational optimization studies and project evaluation.

NON-GOLD ASSETS

The following table sets forth certain information with respect to New

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Newmont's non-gold operations:

ASSET/PROJECT DEVELOPED -----	MINERAL -----	LOCATION -----	INTEREST -----
Golden Grove.....	Zinc	Western Australia	100%
Australian Magnesium Corp.	Magnesium	Queensland	22.8%
Kasese.....	Cobalt	Uganda	53.9%

GOLDEN GROVE

New Newmont will own 100% of the Golden Grove operation in Western Australia. Golden Grove has two underground mines at the Scuddles and Gossan Hill deposits with a combined mining rate of 1.2 million tonnes per year. The principal product is zinc concentrate. A high precious metal ("HPM") lead concentrate and low precious metal ("LPM") copper concentrate are also produced.

Zinc production declined to 182,655 tonnes of concentrate (containing 82,391 tonnes of payable zinc metal) for the twelve months ended June 30, 2001. The decline in zinc production was a direct result of separating zinc (895,164 tonnes) and copper ores (272,122 tonnes). The decline in zinc metal production was directly offset by an increase in copper production to 11,008 tonnes of payable copper metal.

Current reserves at Scuddles and Gossan Hill are sufficient to support approximately 4.5 years production at current production rates. However, the Catalpa, Hougoumount and Amity deposits are expected to provide sufficient additional ore to substantially extend the mine life. A pre-feasibility study for the Amity deposit was completed in early 2001 and development commenced in May 2001.

AUSTRALIAN MAGNESIUM CORPORATION

New Newmont will have a 22.8% voting interest in Australia Magnesium Corporation, which has developed a proprietary process known as the AM Process, a chemical and dehydration process for producing anhydrous magnesium chloride suitable as feed for an electrolytic cell to produce molten magnesium metal. Australia Magnesium has recently undertaken a A\$525 million equity raising to support the financing of the A\$1.3 billion development of the Stanwell magnesium project. Normandy has an obligation to contribute A\$100 million in equity between October 31, 2002 and January 31, 2003.

KASESE

New Newmont will hold an 86% interest in Banff Resources Ltd ("Banff"), which in turn holds a 63% interest in the Kasese cobalt project (New Newmont effective interest 54%) and an option to earn a 65% interest in the nearby Kilembe mine and tailings. The Kasese cobalt project is located in western Uganda. In June 2001, Normandy wrote down the carrying value of its interest in the project to zero.

ROYALTY BUSINESS

New Newmont intends to continue to build upon the Franco-Nevada royalty and merchant banking business as a newly formed unit of Newmont. In addition to its own exploration programs, New Newmont will be active in assembling and improving exploration land packages with the objective of vending the properties to other operators in return for a royalty. New Newmont benefits from any discoveries made by other operators on its royalty lands.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

New Newmont's royalty interests will generally be in the form of a net smelter return royalty ("NSR") that provides for the payment either in cash or physical metal of a specified percentage of production, less certain

84

specified transportation and refining costs. In some cases, New Newmont will own a net profit interest ("NPI") pursuant to which New Newmont is entitled to a specified percentage of the net profits, as defined in each case, from a particular mining operation.

Several royalties are held by Franco-Nevada on certain Newmont and Normandy properties, including portions of Deep Star, Deep Post, Gold Quarry, certain exploration properties and all of Midas. Upon the merger of Newmont and Franco-Nevada and the acquisition of Normandy, these royalties will be eliminated in the consolidated results of New Newmont and are not listed or described herein.

The following is a description of New Newmont's principal gold royalties.

GOLDSTRIKE

New Newmont will hold various NSR and NPI royalties on the Goldstrike Mine (Betze-Post and Meikle Mines) located in the Carlin Trend gold mining area of northern Nevada. The Betze-Post and Meikle Mines are owned and operated by a subsidiary of Barrick Gold Corporation ("Barrick"). The Betze-Post Mine is a conventional open pit operation. The Betze-Post property consists of various claim blocks and New Newmont's royalty interest in each claim block will be different, ranging from 0% to 4% for the NSRs and 0% to 6% for the NPIs. On a combined basis, New Newmont's NSRs and NPIs cover land containing 81.3% of the Betze-Post Mine reserves and resources reported by Barrick as at December 31, 2000. The Meikle Mine is an underground operation comprising the Meikle, Rodeo and Griffin deposits, located one mile north of the Betze-Post Mine that shares the Goldstrike processing facilities with the Betze-Post Mine. New Newmont will hold a 4% NSR and a 5% NPI over 1,280 acres of the claims that cover the Meikle, Rodeo and Griffin deposits.

New Newmont is not obliged to fund any portion of the cost associated with the Betze-Post Mine or the Meikle Mine. Barrick's mining sequence from various claim groups will cause fluctuations in New Newmont's royalty receipts. The NSR royalties are based upon gross production from the mine, reduced only by the ancillary costs of smelter charges and transportation of about US\$2 per ounce. The determinants of the revenue received from the NSRs covering the Betze-Post Mine are the number of ounces of gold produced, New Newmont's selling price of the gold, and the cost of shipping and smelting. The Post-Goldstrike NPI began paying in October 1993, the month that the cumulative net profit from the Post and Goldstrike claims exceeded capital invested in those claims. Net profits are calculated as proceeds less costs. Proceeds equal the number of ounces of gold produced from the Post and Goldstrike claims and the Meikle Mine, multiplied by the spot price of gold on the date gold is credited to Barrick's account at the refinery. Costs include operating and capital costs as incurred.

In its public filings for the year ended December 31, 2000, Barrick reported production of 1,647,000 ounces from the Betze-Post Mine with an estimate of production in 2001 of 1,612,000 ounces. Similarly, production from the Meikle Mine in 2000 was 806,000 ounces with an expected 669,000 ounces to be produced in 2001. Barrick estimated proven and probable reserves at December 31, 2000 using a gold price of US\$300 per ounce. The Betze-Post Mine was estimated to contain 116.4 million tons grading 0.155 ounces per ton for 18.0 million

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

contained reserve ounces. The Meikle Mine, including the Rodeo and Griffin deposits, was estimated to contain 14.1 million tons grading 0.458 ounces per ton for 6.5 million contained reserve ounces.

STILLWATER

New Newmont will hold a 5% net smelter return royalty on a portion of the Stillwater Mine and all of the East Boulder Mine located near Nye, Montana. The Stillwater Mine and East Boulder Mine project are owned and operated by Stillwater Mining Company ("Stillwater"), a U.S. public company listed on the New York Stock Exchange. Stillwater produces palladium, platinum, and associated metals (platinum group metals or PGMs) from a geological formation known as the J-M Reef. Stillwater is the only significant producer of PGMs outside of South Africa and Russia. The J-M Reef is an extensive mineralized zone containing PGMs, which has been traced over a strike length of approximately 28 miles.

85

The following table sets forth Stillwater's publicly reported proven and probable palladium and platinum ore reserves as of December 31, 2000 and 1999. The reserves reflected below are based on a cut-off grade in 2000 and 1999 of 0.3 ounces of palladium plus platinum per ton, and assume prices for palladium and platinum of US\$225 and US\$350 per ounce, respectively, in 2000 and 1999. Proven and probable reserves give effect to an average mining dilution of 10% at zero grade based on actual mining experience.

(1) Expressed as palladium plus platinum ounces per ton at a ratio of 3.3 parts palladium to one part platinum, before processing losses of approximately 10%.

New Newmont's royalty covers more than 80% of the combined reserves and resources of the deposit, but does not cover a portion of the deposit at the Stillwater Mine. The majority of production to date has been from the Stillwater Mine. For that reason, the percentage of ore mined from the royalty lands has been lower than the 80% reserve percentage. For the years 1995 through 2000, the average annual percentage of production from the royalty lands totalled 52.45%. The percentage of future production from the royalty lands will vary from year to year. The royalty encompasses all of the reserves at the East Boulder Mine, which is being developed approximately thirteen miles to the west of the Stillwater Mine. Once the East Boulder Mine is producing, the percentage of production from the royalty lands will increase. Ultimately, the cumulative rate is expected to equal the percentage of reserves covered by the royalty. During calendar 2000, Stillwater produced 430,000 ounces of PGMs.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

On November 8, 2001, Stillwater announced that in light of sharply lower prices for palladium and platinum it was modifying mine plans for both the Stillwater and East Boulder Mines.

OIL & GAS INTERESTS

New Newmont will also be active in the oil and gas royalty business. Its oil and gas portfolio contains 1.8 million gross acres of producing and non-producing lands located in western Canada and the Canadian Arctic. The average royalty on these lands is 6%. The portfolio contains long-life reserves, is comprised of working interests ("WI") and/or overriding royalty interests ("ORR") which are based on oil and gas well revenue less possible deductions for transportation or processing. The following table sets forth certain information with respect to New Newmont's principal oil and gas royalty interests.

INVESTMENTS

ABER DIAMOND CORPORATION

New Newmont will own 14.1% (7,717,000 shares) of the outstanding common

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

shares of Aber Diamond Corporation ("Aber"). Aber is a Toronto based public company listed on the TSE the principal asset of which is a 40% interest in the Diavik Diamonds Project (the "Diavik Project") in the Northwest Territories, Canada. Rio Tinto PLC is the 60% owner and is manager of the C\$1.3 billion development currently in progress.

On November 2, 2001 Aber reported that it had accepted an underwritten commitment from a lead group of five banks for a project loan facility of US\$230 million. The facility is sufficient to fund Aber's share of budgeted expenditures to complete the Diavik Project and additional corporate requirements. Aber also reported that construction of the Diavik Project is 60% complete and is on budget and on schedule. Diamond sales are expected to commence in the second quarter of 2003.

ECHO BAY MINES LIMITED

New Newmont will own approximately US\$72.4 million principal amount of the 11% capital securities due April 2027 of Echo Bay Mines Ltd., a public company trading on AMEX and the TSE. Echo Bay is a substantial gold company producing 695,000 ounces in calendar 2000 from four mines in the United States and Canada. Echo Bay operates the Round Mountain and McCoy-Cove mines in Nevada.

At September 30, 2001, the principal plus accrued interest on the Echo Bay capital securities to be owned by New Newmont amounted to US\$115.3 million. It is New Newmont's intention to convert all its Echo Bay capital securities into Echo Bay common shares and to maintain an initial approximate 49.5% equity interest in Echo Bay. The conversion is subject to the approval of Echo Bay shareholders and is conditional on regulatory approvals. Proxy materials are currently under review with regulatory authorities. The conversion of the Echo Bay capital securities into common shares will likely occur prior to the creation of New Newmont.

PROVEN AND PROBABLE RESERVES

New Newmont's equity in proven and probable gold reserves was 92.7 million ounces using combined publicly reported reserves for Newmont Mining Corporation as at December 31, 2000, and Normandy Mining Ltd. as at June 30, 2001. To the extent of production since these reporting dates, such reserves have been depleted and are thus lower than stated. Reserves are published once each year and will be recalculated as of December 31, 2001, and June 30, 2002 for Newmont and Normandy, respectively, taking into account such depletion as well as any additions to reserves based on results of exploration and development work performed during 2001/2002. Of these reserves, approximately 483,333 ounces have been committed under prepaid forward

87

sales contracts. In addition, the company's equity in proven and probable copper and zinc reserves was 7.1 billion and 454 million pounds, respectively, using the same reporting dates as for gold.

Proven and probable reserves were determined by the use of mapping, drilling, sampling, assaying and evaluation methods generally applied in the mining industry. Calculations with respect to the estimates of proven and probable gold reserves were based on a gold price of US\$300 per ounce for Newmont's reserve share, whereas Normandy's reserve share was based on a range of A\$450 to \$500 per ounce at all properties except the TVX-Americas (Canada, South America) reserves which were based on a gold price of US\$300 per ounce. Newmont estimated that if its reserve estimates had been based on a gold price of \$275 per ounce, 2000 year-end proven and probable gold reserves could have

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

decreased by approximately 8%.

The proven and probable reserves figures presented herein are estimates, and no assurance can be given that the indicated levels of recovery of gold, copper, and zinc will be realized. Ounces of gold or pounds of copper or zinc in our proven and probable reserves are prior to any losses during metallurgical treatment. Reserve estimates may require revision based on actual production experience. Market price fluctuations of gold, copper, and zinc, as well as increased production costs or reduced recovery rates, could render our proven and probable reserves containing relatively lower grades of mineralization uneconomic to exploit and might result in a reduction of reserves.

	=====		=====	=====

- (1) The term "reserve" means that part of a mineral deposit which can be economically and legally extracted or produced at the time of the reserve determination.

The term "economically," as used in the definition of reserve, implies that profitable extraction or production has been established or analytically demonstrated to be viable and justifiable under reasonable investment and market assumptions.

The term "legally," as used in the definition of reserve, does not imply that all permits needed for mining and processing have been obtained or that other legal issues have been completely resolved. However, for a reserve to exist, there should be a reasonable certainty based on applicable laws and regulations that issuance of permits or resolution of legal issues can be accomplished in a timely manner.

The term "proven reserves" means reserves for which (a) quantity is computed from dimensions revealed in outcrops, trenches, workings or drill holes; (b) grade and/or quality are computed from the result of detailed sampling and (c) the sites for inspection, sampling and measurements are spaced so closely and the geologic character is sufficiently defined that size, shape, depth and mineral content of reserves are well established.

91

The term "probable reserves" means reserves for which quantity and grade are computed from information similar to that used for proven reserves but the sites for sampling are farther apart or are otherwise less adequately spaced. The degree of assurance, although lower than that for proven reserves, is high enough to assume continuity between points of observation.

- (2) Ore Reserves and Material Not in Reserve follow two reporting requirements. For Newmont's share, reporting conforms to the reporting guidelines of the "Society for Mining, Metallurgy, and Exploration (SME), Inc.", (SME Guidelines) and the United States Security and Exchange Commission (U.S. S.E.C.) reporting rules. For Normandy's share, reporting conforms to the reporting requirements of the "Australasian Code for Reporting of Identified Mineral Resources and Ore Reserves", (JORC Code) and the Australian Stock Exchange Listing Rules. For both Newmont and Normandy, results are compiled and reported by various "competent persons" as defined by the SME Guidelines and JORC Code. In this table, proved and probable reserves are contained.
- (3) The Term "Material not in Reserve" represents combined, measured, indicated and inferred "mineral resources" in the JORC Code and are here reported as additional to the ore reserves. The use of the term "Mineral Resource" and reporting its contained ounces is not allowed by the U.S. S.E.C.
- (4) Tonnages are after allowances for losses resulting from mining methods.
- (5) Contained ounces or pounds are estimates of metal contained in ore tonnages and are before allowances for processing losses. Estimated losses from processing are expressed as recovery rates and represent the estimated amount of metal to be recovered through metallurgical extraction processes.

- (6) The 9.74% interest in the Lihir Gold Mine was not reported as a reserve asset by Newmont (the shares are currently held by Newmont as available for sale marketable securities), but would represent approximately 1.2 million ounces equity reserve if reported as such.
- (7) Percentage reflects Newmont's economic interest.
- (8) Material available to Zarafshan-Newmont for processing from designated stockpiles or from other specified sources. Tonnage and gold content of material available to Zarafshan-Newmont for processing from such designated stockpiles or from other specified sources are guaranteed by state entities of Uzbekistan.
- (9) Gurupi counted only once on 100% tabulations.
- (10) Pajingo counted only once on 100% tabulations.
- (11) Reserve figures do not include reserves attributable to Franco-Nevada's royalty interests, which would be the equivalent of approximately 2 million ounces reserves net to Franco-Nevada, nor do they include its 49.5% interest in Echo Bay Mining Company which would represent approximately 2.2 million ounces. Additionally, Franco-Nevada has equity positions in two properties that contain "Mineral Resources" that may not meet Newmont's criteria for "Material not in Reserve" and as such are not reported in this table.

ENVIRONMENTAL MATTERS

U.S. OPERATIONS

New Newmont's gold mining and processing operations within the U.S. are subject to extensive federal, state and local governmental regulations for the protection of the environment, including those relating to the protection of air and water quality, hazardous waste management and mine reclamation. New Newmont will strive to set industry standards of excellence for its environmental practices and does not believe that ongoing compliance with current regulations will have a material adverse effect on its competitive position. New Newmont does not expect any material impact on its future costs of compliance based on existing environmental regulations. Since New Newmont cannot pass on any increases in costs to its customers, new laws and regulations resulting in higher compliance costs could have an adverse effect on its future profitability.

Exclusive of Midas operations, New Newmont estimates that compliance with federal, state and local regulations relating to the protection of the environment required capital expenditures of approximately US\$1.0 million in 2000 at New Newmont's domestic operations. New Newmont estimates that it will require at least US\$1.4 million of capital expenditures for environmental compliance in the U.S. in 2001 and annually thereafter.

Each currently operating Newmont mine has a reclamation plan in place that meets all currently enacted legal and regulatory requirements. Estimated future costs for reclamation are accrued over the life of each mine and, at September 30, 2001, an aggregate US\$120.3 million had been accrued for reclamation costs relating to currently producing Newmont mineral properties. Normandy has indicated that as of June 30, 2001, it had accrued US\$1.6 million for reclamation at its Midas mine.

RECLAMATION AND REMEDIATION OF INACTIVE SITES WITHIN THE UNITED STATES

New Newmont will have environmental remediation obligations arising from past mining activities at four separate locations: Telluride/Ouray (Colorado), Leadville (Colorado), San Luis (Colorado) and Washington State. At September 30, 2001, on a consolidated basis, Newmont had an aggregate US\$58.6 million accrued for remediation of these and other sites.

ENVIRONMENTAL LAWS OF AUSTRALIA

The Australian operations of New Newmont will be subject to Australian State and Federal laws and regulations regarding environmental matters. These laws and regulations set various standards regulating health and environmental quality, provide for penalties and other liabilities for the violation of such standards and establish, in certain circumstances, obligations to remediate current and former facilities and locations where operations are or were conducted. New Newmont will also be required to have, and comply with, permits for its existing operations from the relevant environmental authorities.

Liability could be imposed on New Newmont for damages, clean-up costs or penalties if it discharges pollution into the environment or does not comply with environmental laws or regulations (including its permits). As at June 30, 2001, Normandy had made a provision of A\$136.5 million for estimated rehabilitation expenditure, mine decommissioning and closure costs. Rehabilitation costs include regrading waste dumps, revegetation and erosion and drainage control.

There may be sites of Aboriginal heritage or significance located on the land on which New Newmont's operations are situated. This could impose restrictions on New Newmont's ability to operate from that site.

Some of the sites operated by New Newmont may also be subject to native title claims. If so, New Newmont may require consent from the traditional owners of that land to carry out mining operations. Such consent may be given on terms which are not acceptable to the company, or may otherwise increase the cost of operations at such sites.

ENVIRONMENTAL PROTECTION IN OPERATIONS OUTSIDE THE UNITED STATES AND AUSTRALIA

New Newmont's interests outside the United States and Australia will also be subject to governmental regulations for the protection of the environment. These regulations have not had, and are not expected to have, a material adverse impact on New Newmont's operations or its competitive position.

New Newmont will be committed to adopting and adhering to standards that are protective of human health and the environment. All of the international projects managed by New Newmont will adopt and implement environmental policies and procedures developed by Newmont.

LEGAL PROCEEDINGS

In December 1983, the State of Colorado filed a lawsuit in the U.S. District Court for the District of Colorado under the Comprehensive Environmental Response Compensation and Liability Act of 1980 ("CERCLA"). This case, State of Colorado v. ASARCO, Inc., et al. (Civil Action No. 83-C-2388), was subsequently consolidated with another action, United States of America v. Apache Energy & Minerals, et al. (Civil Action No. 86-C-1676), which was filed in August 1986. Both cases involve allegations of environmental impairment in the vicinity of Leadville, Colorado, including the area of the operations and property of the Res-ASARCO Joint Venture, the Yak Tunnel, and adjacent property, and seek

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

remedial actions and damages from a number of defendants, including Newmont and Resurrection Mining Company, which was a partner with ASARCO Incorporated in the Res-ASARCO Joint Venture. In August 1994, the Court entered a Partial Consent Decree between and among the U.S., Newmont, Resurrection and certain other defendants. The Partial Consent

93

Decree obligates Resurrection to pay for and perform the cleanup of sources of contamination in various areas, pursuant to the CERCLA administrative process. During 1995 and 1996, Resurrection implemented and completed remedial action at selected locations, and developed feasibility studies which were sent to the EPA for approval in 1997. Remedial activities were conducted in 2000 and 2001. The precise nature of the final remedial activities is subject to EPA and State of Colorado review and selection and public comment. At this time, the precise remedy and cost have not been fixed. The proposed settlement also requires Resurrection to reimburse the EPA and the State of Colorado for their response costs. The Partial Consent Decree does not resolve certain other potential liabilities, including liability for any natural resource damages and any groundwater or surface water contamination.

In June 2000, an independent trucking contractor spilled approximately 151 kilograms of mercury near the town of Choropampa, Peru which is located 53 miles southwest of the Minera Yanacocha mine. The mercury, a byproduct of gold mining, was being transported from the mine to a buyer in Lima for use in medical instrumentations and other industrial applications. A comprehensive health and environmental remediation program was initiated by Minera Yanacocha immediately following the accident and it also entered into agreements with three of the communities impacted by the incident to provide a variety of public works as compensation for the disruption and on September 10, 2001, Newmont, various wholly owned subsidiaries and Minera Yanacocha S.R.L. (51.35% owned by Newmont Second Capital Corporation) and other defendants were named in a lawsuit filed by over 900 Peruvian citizens in Denver District Court for the State of Colorado. This action seeks compensatory and punitive damages based on claims associated with the mercury spill incident. The response to the Complaint was filed in late October. Neither Newmont nor Minera Yanacocha can reasonably predict the likelihood or amount of any additional expenditures related to this matter.

Franco-Nevada received a Notice of Request for Information, dated September 23, 1997, from the EPA alleging that Franco Inc. may be a potentially responsible party ("PRP") and seeking information about the Lava Cap Mine Superfund Removal Site near Nevada City, California. Franco Inc. fully responded to the request for information from the EPA and denied any liability under any applicable law. Franco Inc. has not been named a PRP, and no further actions have been taken by the EPA with respect to Franco Inc. DE MICROMUS settlement discussions (through which Franco Inc. would settle for less than \$50,000) are being pursued, but there has been no response to date.

Franco-Nevada received a Notice of Request for Information, dated August 24, 1998, from the United States Forest Service ("USFS"), Uinta National Forest, alleging that Franco Inc. may be a PRP and seeking information about allegedly needed environmental clean-up at the Pacific Mine, Utah County, Utah. Franco Inc. fully responded to the request for information from the USFS and denied any liability under any applicable law. Franco Inc. has not been named a PRP, and no further actions have been taken by the USFS with respect to Franco Inc.

A dispute exists between Thiess Contractors Pty Ltd ("Thiess") and Normandy Golden Grove Operations Pty Ltd ("NGGO"), a wholly owned entity, in respect of a claim for additional and unexpected costs arising from the development of the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Gossan Hill Project decline. Conciliation procedures have failed to resolve the dispute. Thiess claimed approximately A\$11 million in damages. NGGO have made a counterclaim of A\$0.9 million and made an offer of A\$2.1 million. Thiess is still to fully comply with an order by the court to reissue an amended statement of claim. Litigation in the Supreme Court of Western Australia is proceeding.

In a Federal Court action brought by ASIC against Yandal Gold Pty Ltd. the judge found the defendants to have committed various breaches of the Corporations Law and ordered payment by Edensor Nominees Pty Ltd ("Edensor") to ASIC of A\$28.5 million for distribution to former Normandy Yandal Operations Limited shareholders. An appeal by Edensor to the Full Court of the Federal Court, to which Normandy became a party on the application of ASIC, was allowed on the basis that the Federal Court lacked jurisdiction to make the order. This decision was appealed to the High Court, which decided that the Full Federal Court was wrong. The High Court held that the Federal Court did have jurisdiction to hear and determine the matter and make orders under

94

the Corporations law. The High Court has sent the matter back to the Full Federal Court to determine Edensor's appeal on the merits. If that appeal is unsuccessful then Edensor will be obligated to pay the A\$28.5 million. The consolidated entity has agreed to pay half of this amount.

Disputes exist between a controlled entity of Normandy, Banff Resources Ltd. and a third party in respect of a claim for part-ownership in the Kilembe mine. The third party has lodged a claim for specific performance and damages with courts in Uganda and Canada. The disputes are currently awaiting hearing and the controlled entity intends to defend the action.

Orica Australia Limited has commenced proceedings against a former controlled entity of Normandy, Normandy Industrial Minerals Limited ("NIML"), in respect of the supply of sand used in the manufacture of paints. A controlled entity has indemnified the purchaser of NIML in respect of this claim.

Disputes exist between a controlled entity of Normandy and contractors in respect of the Kasese Cobalt project. Claims have been lodged by contractors for additional payment in respect of extensions of time and additional costs. The claims are in the process of being evaluated.

On December 19, 2001, Normandy, on its own behalf and on behalf of its accountants, responded in writing to our December 17, 2001 letter and stated that it was not appropriate for Normandy to bear any burden as to what our offer document should contain and whether or not that document was misleading. Normandy further stated that if there were specifics which Newmont wished to refer to Normandy for review and comment, Normandy would consider whether it could be of assistance and to what extent, on a case by case basis. In addition, Normandy stated that its accountants were not in a position to provide assistance to us, that work on U.S. GAAP reconciliation of its financial statements had not been completed to Normandy's satisfaction and that Normandy had not yet determined whether it would allow U.S. GAAP reconciliation of its financial statements to be made public at this time. We will provide any and all information that we receive from Normandy or its independent accountants prior to the expiration of the offer that we deem material, reliable and appropriate in a subsequently prepared amendment or supplement hereto.

While we have included information in this document concerning Normandy that is known to us based on publicly available information, other than as described above, we have not had access to material non-public information regarding Normandy and could not use any such information for the purpose of preparing this document. Although we have no knowledge that would indicate that statements relating to Normandy contained in this offer document are inaccurate or incomplete, we are not in a position to verify information concerning Normandy. We and our respective directors and officers are not aware of any errors in such information.

"THE NORMANDY BOARD AND THE NORMANDY SENIOR MANAGEMENT ARE NOT AWARE OF ANY INFORMATION BEING INFORMATION OTHERWISE LIABLE TO BE DISCLOSED UNDER ASX LISTING RULE 3.1 WHICH HAS NOT BEEN PUBLICLY DISCLOSED BY NORMANDY IN RELIANCE ON THE CARVE OUT FROM DISCLOSURE WHICH IS CONTAINED IN ASX LISTING RULE 3.1 WHICH HAS NOT BEEN PROVIDED TO THE EXPERT FOR REVIEW IN CONNECTION WITH THE PREPARATION OF THE INDEPENDENT EXPERT'S REPORT WHICH IS TO ACCOMPANY THE NORMANDY TARGET'S STATEMENT WHICH WILL BE GIVEN IN RESPONSE TO THE ANGLOGOLD BIDDER'S STATEMENT DATED 16 OCTOBER 2001 AND ANGLOGOLD'S F-4 REGISTRATION STATEMENT DATED 9 NOVEMBER 2001."

Major activities of Australian Magnesium Corporation Limited are QMag, Enviromag and the development of a A\$1.6 billion Stanwell Magnesium Project.

Australian Magnesium Corporation Limited is an Australian publicly listed company based in Brisbane which developed and is now seeking to commercialize the Australian Magnesium process technology to produce magnesium metal. The AM process is expected to produce magnesium metal at the lowest cost in the world. This is done through a number of chemical processes. The process aims to minimize all effluents and, where possible, recycle them for other purposes.

Following development of the technology of the AM process, Australian Magnesium Corporation Limited entered into an agreement in January 1997 with Ford Motor Company of America, Commonwealth Scientific and Industrial Research Organisation and Fluor Daniel Pty Ltd to construct a 1,500 tpa demonstration plant and to complete a full feasibility study. The viability of the AM process was confirmed following successful production of magnesium metal ingots from the operational demonstration plant in August 1999. In March 2000, Australian Magnesium Corporation Limited announced a positive feasibility recommendation for the proposed commercial plant, located at Stanwell, near Rockhampton in Queensland. Australian Magnesium Corporation Limited has also committed to selling 45,000 tpa of magnesium alloy to Ford under a long-term contract.

- . RESOURCE. In January 1997, Australian Magnesium Corporation Limited acquired the freehold title to an area within the Kunwarara magnesite deposit to source sufficient magnesite to run the commercial plant at its planned initial capacity. On April 2, 2001, Franco-Nevada announced that it had entered into an agreement with Normandy. On May 30, 2001, the transaction pursuant to this agreement was completed. In return, Franco-Nevada received 446.1 million new Normandy shares representing a 19.99% interest (currently 19.79%, calculated on a fully diluted basis) in Normandy, calculated on a fully diluted basis. Franco-Nevada also retained a minimum 5% net smelter return royalty on the Ken Snyder Mine and Midas exploration properties which escalates at gold prices over \$300 per ounce to a maximum 10% net smelter return royalty at gold prices over US\$400 per ounce. Both companies granted each other preferential rights on future asset transactions.

UNAUDITED PRO FORMA COMBINED CONDENSED FINANCIAL STATEMENTS

The following unaudited pro forma financial information has been prepared to assist you in your analysis of the financial effects of the acquisition of (a) Normandy Mining Limited ("Normandy") only and (b) the acquisition of Normandy and the merger of Franco-Nevada Mining Corporation Limited ("Franco-Nevada") (collectively the "Transactions"). This information was derived for each of the respective companies as follows:

- . Newmont information was derived from its unaudited financial statements as of and for the nine-month period ended September 30, 2001 and its audited financial statements as of and for the twelve-month period ended December 31, 2000. Newmont's historical information was prepared using accounting principles generally accepted in the United States ("US GAAP") and in United States Dollars ("US\$").

. Normandy's information was compiled solely from unaudited publicly available information for the same periods as Newmont's, as described above. It should be noted, however, that Normandy has declined to assist in gathering this information and has not provided Newmont access to Normandy's detailed accounting records, nor has Normandy assisted in preparing reconciliations to US GAAP. Normandy's historical financial data is presented in accordance with accounting principles generally accepted in Australia ("Australian GAAP"), which differs in certain significant respects from US GAAP. These differences as they relate to Normandy cannot be fully quantified due to the limited disclosures provided in publicly available financial information. Pursuant to Rule 409 promulgated under the Securities Act of 1933, on December 17, 2001, we requested that Normandy and its independent public accountants provide to us all material information required to be included in our offer document or required to make statements made in the document not misleading. On December 11, 2001, we requested that Normandy's independent public accountants consent in a customary manner to the inclusion of its audit reports with respect to the financial statements of Normandy included in our proxy statement/prospectus. On December 14, 2001, Normandy's independent public accountants responded in writing to our December 11, 2001 letter stating that they were reluctant to give consent for the inclusion of its audit report where consent has not been given for the financial statements themselves, and believed it was appropriate that its consent be given concurrently with Normandy's consent. On December 19, 2001, Normandy, on its own behalf and on behalf of its accountants, responded in writing to our December 17, 2001 letter and stated that it was not appropriate for Normandy to bear any burden as to what the offer document should contain and whether or not that document was misleading. Normandy further stated that if there were specifics which Newmont wished to refer to Normandy for review and comment, Normandy would consider whether it could be of assistance and to what extent, on a case by case basis. In addition, Normandy stated that its accountants were not in a position to provide assistance to us, that work on US GAAP reconciliation of its financial statements had not been completed to Normandy's satisfaction and that Normandy had not yet determined whether it would allow US GAAP reconciliation of its financial statements to be made public at this time. As a result, we have had to rely on our best estimates in presenting these reconciliations to US GAAP of figures prepared in accordance with Australian GAAP and Australian Dollars ("A\$"). Errors in such estimates may be material.

. Franco-Nevada's information was derived from its unaudited financial statements as of September 30, 2001 by combining its results of operations for the six-month period ended September 30, 2001 with the three month period ended March 31, 2001 and from its audited financial statements for the twelve-month period ended March 31, 2001. Franco-Nevada's historical information was prepared using accounting principles generally accepted in Canada ("Canadian GAAP") and Canadian Dollars ("C\$").

The information prepared is only a summary and should be read in conjunction with the historical financial statements and related notes contained in the annual reports and other information that Newmont, Normandy and Franco-Nevada have filed with the Securities and Exchange Commission, the Australian Stock Exchange Limited and various securities commissions and similar authorities in Canada, respectively. Certain of this information has been included in exhibits to the Form S-4 in which the Unaudited Pro Forma Combined Condensed Financial Information is included.

Several factors should be considered when comparing the historical financial information of Newmont, Normandy and Franco-Nevada to the Unaudited Pro Forma Combined Condensed Financial Information, including the following:

- . The Unaudited Pro Forma Combined Condensed Balance Sheet gives effect to the Transactions as if they had occurred on September 30, 2001. The Unaudited Pro Forma Combined Condensed Statement of Operations for the nine-month period ended September 30, 2001 and the twelve-month period ended December 31, 2000 gives effect to the Transactions as if they had occurred on January 1, 2000.
- . Normandy's fiscal year end is on June 30 and Franco-Nevada's fiscal year end is on March 31. Newmont's fiscal year end is on December 31. The combined company will utilize December 31 as its fiscal year end. Due to the limited and summarized nature of publicly available information associated with Normandy for the periods presented in the Unaudited Pro Forma Combined Condensed Financial Information, the information presented is in a condensed format. Newmont has converted the unaudited Normandy financial information to US GAAP by estimating the impact of known differences between Australian GAAP and US GAAP, without the cooperation of Normandy management. For this reason, the US GAAP reconciliation does not necessarily incorporate all adjustments that might be necessary to accurately reflect Normandy on a US GAAP basis. The financial information presented by Franco-Nevada for the nine-month period ended September 30, 2001 has been compiled by the management of Franco-Nevada, although there is no historic publicly available information that portrays the results of operations for the nine-month period ended September 30, 2001. Results of Franco-Nevada for the three-month period ended March 31, 2001 are included in both the nine-month and the twelve-month Unaudited Pro Forma Combined Condensed Statements of Operations.
- . The Unaudited Pro Forma Combined Condensed Financial Information has been prepared to present all companies on a US GAAP basis. The accounting policies of Normandy and Franco-Nevada are believed to be in line with those of Newmont in all material respects, except for differences in each company's respective generally accepted accounting principles basis. Newmont management will continue to evaluate differences in accounting policies in more detail prior to the completion of the Transactions.
- . Certain line items presented, as reported by Normandy and Franco-Nevada on their historical statements of operations and balance sheets have been presented to conform to the method of presentation utilized by Newmont.

- . Expected annual savings resulting from operating synergies have not been reflected as adjustments to the historical data. The cost savings are expected to result from the consolidation of the corporate headquarters of Newmont, Normandy and Franco-Nevada, elimination of duplicate staff and expenses, rationalization of exploration spending, operating savings, interest and taxes, all of which are estimated to be \$70 million to \$80 million after tax during the first full year of combined operations.

The Unaudited Pro Forma Combined Condensed Financial Information is for illustrative purposes only. If the Transactions had occurred in the past, the combined company's financial position and operating results likely would have been different from that presented in the Unaudited Pro Forma Combined Condensed Balance Sheet and the Unaudited Pro Forma Combined Condensed Statement of Operations. Due to the nature of pro forma information, it may not give a true picture of the combined company's financial position and results of operations. Newmont believes that the Unaudited Pro Forma Combined Condensed Financial Information may not be indicative of the future financial performance of the combined companies.

In addition, the purchase price allocation is preliminary and will be finalized following the closing of the Transactions based on the actual fair value of current assets, current liabilities, indebtedness, reclamation and remediation liabilities, derivative instruments, marketable securities, a more extensive analysis of the fair value of mining and royalty interests acquired and identifiable intangible assets, the final number of shares issued for Normandy's and Franco-Nevada's outstanding shares and stock options and Franco-Nevada's warrants that are outstanding at closing. We are continuing to evaluate all of these items; accordingly, the final purchase prices are expected to differ in material respects from that presented in the Unaudited Pro Forma Combined Condensed Balance Sheet. The Unaudited Pro Forma Combined Condensed Financial Information should not be relied on as an indication of the financial position or operating results that the combined company would have achieved if the Transactions had occurred in the past. The Unaudited Pro Forma Combined Condensed Financial Information should also not be relied on as an indication of future results that Newmont will achieve after the Transaction.

ACQUISITIONS OF NORMANDY AND FRANCO-NEVADA

The following pro forma financial statements are estimates of the Unaudited Pro Forma Combined Condensed Financial Information of Newmont as of September 30, 2001, for the nine-month period ended September 30, 2001 and for the twelve-month period ended December 31, 2000, assuming the purchase of (a) Normandy and (b) Normandy and Franco-Nevada. Two sets of Unaudited Pro Forma Balance Sheets and Unaudited Pro Forma Results of Operations are presented in the Unaudited Pro Forma Combined Condensed Financial Information:

- . The first set displays the transactions as if 100% of Normandy is acquired, and then 100% of Franco-Nevada is acquired.
- . The second set displays the transaction as if only 50.1% of Normandy is acquired, and then 100% of Franco-Nevada is acquired.

NOTES TO UNAUDITED PRO FORMA COMBINED CONDENSED FINANCIAL STATEMENTS

NOTE 1--BASIS OF PRESENTATION

The Pro Forma presentation reflects the acquisition of Normandy, at both the 100% and 50.1% levels, and the acquisition of 100% of Franco-Nevada as purchases for accounting purposes. In the Normandy Transaction, Newmont estimates that it will issue 85.92 million of its common shares to shareholders of Normandy to acquire 100% of Normandy. In the Transaction scenario where 50.1% of Normandy is acquired, Newmont estimates that it will issue 43.05 million common shares to shareholders of Normandy. Newmont estimates that it will issue 109.96 million of its common shares to shareholders of Franco-Nevada, net of Normandy shares held by Franco-Nevada. Newmont is offering 3.85 of its common shares for 100 ordinary shares of Normandy common stock, together with A\$0.40 cash consideration for each share of Normandy common stock, with the exception of the 19.79% of ordinary shares of Normandy, calculated on a fully-diluted basis, that are owned by Franco-Nevada. The Shares will be acquired through Newmont's call option on 19.79% of the Normandy shares held by Franco-Nevada, based on Franco-Nevada receiving 0.0385 share of Newmont for each ordinary share of Normandy owned by Franco-Nevada. The exchange ratio for the acquisition of Franco-Nevada is 0.8 common shares of Newmont's common stock for every share of Franco-Nevada.

The accompanying Unaudited Pro Forma Combined Condensed Balance Sheet gives effect to the acquisition of Normandy and the acquisition of Franco-Nevada as of September 30, 2001. The accompanying Unaudited Pro Forma Combined Condensed Statement of Operations for the nine-month period ended September 30, 2001 includes historical revenues and expenses of Newmont, Normandy and

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Franco-Nevada for those nine months, adjusted to US GAAP. The accompanying Unaudited Pro Forma Combined Condensed Statement of Operations for the twelve-month period ended December 31, 2000 includes historical revenues and expenses of Newmont and Normandy for those twelve months and the twelve-month period ended March 31, 2001 for Franco-Nevada, all adjusted to US GAAP. The Unaudited Pro Forma Combined Condensed Statements of Operations have been adjusted for the pro forma effect of the Transactions as if they had occurred at January 1, 2000.

Results of Franco-Nevada for the three-month period ended March 31, 2001 are included in both the nine-month and the twelve-month Unaudited Pro Forma Combined Condensed Statements of Operations. Summary information for this three-month period ended March 31, 2001 is as follows:

Normandy's fiscal year end is on June 30 and Franco-Nevada's fiscal year end is on March 31. Newmont's fiscal year end is on December 31. The combined company will utilize December 31 as its fiscal year end. Due to the limited and summarized nature of publicly available information associated with Normandy for the periods presented in the Unaudited Pro Forma Combined Condensed Financial Information, the information presented is in a condensed format. Newmont has converted the unaudited Normandy financial information to US GAAP by estimating the impact of known differences between Australian GAAP and US GAAP without the cooperation of Normandy management. For this reason, the US GAAP reconciliation does not necessarily incorporate all adjustments that might be necessary to accurately reflect Normandy on a US GAAP basis. The financial

information presented by Franco-Nevada for the nine-month period ended September 30, 2001 has been compiled by the management of Franco-Nevada, although there is no historic publicly available information that portrays the results of operations for the nine-month period ended September 30, 2001.

The Unaudited Pro Forma Combined Condensed Balance Sheet and the Unaudited Pro Forma Combined Condensed Statement of Operations do not include all information and notes required by US GAAP for complete financial statements. However, except as disclosed herein, there has been no material change in the information disclosed in the annual reports and other information that Newmont, Normandy and Franco-Nevada have filed with the Securities and Exchange Commission, the Australian Stock Exchange Limited and the Office of Canadian Securities, respectively, for the years ended December 31, 2000, June 30, 2001

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

and March 31, 2001, respectively. The Franco-Nevada statement of operations included herein has been prepared to reflect the disposition of a business segment. This disposition has been presented on a comparable basis for all periods shown including Franco-Nevada's restated statements filed as part of this document.

NOTE 2--US GAAP ADJUSTMENTS TO NORMANDY

The following notes set out the basis and assumptions on which the Normandy Australian GAAP financial statements were adjusted to approximate US GAAP. In addition, some balance sheet items have been reclassified to conform the presentation with that of Newmont. Only those items that could be estimated with reasonable certainty have been recorded.

(a) Under US GAAP, refined gold that has not yet been sold must continue to be recorded at its historical cost and revenue recognition is not allowed. As a result, bullion that was recorded at market prices as a cash equivalent was reclassified from CASH AND CASH EQUIVALENTS to INVENTORIES. In addition, the bullion and certain inventory items that were recorded at market value were reduced to approximate cost and an adjustment recorded for the effect on deferred taxes. No adjustment was recorded to the Unaudited Pro Forma Combined Condensed Statements of Operations as the impact on the respective periods was not determinable.

(b) US GAAP requires that exploration costs be expensed as incurred, rather than capitalized as allowed under Australian GAAP. As a result, all capitalized exploration costs were removed from the balance sheet and an adjustment recorded for the effect on deferred taxes. The difference between the amounts capitalized at December 31, 2000 and September 30, 2001, and at December 31, 2000 and December 31, 1999, respectively, were recorded as adjustments to OPERATING COSTS, with an adjustment for the tax effect, in the Unaudited Pro Forma Combined Condensed Statements of Operations.

(c) US GAAP requires that the fair value of derivative instruments be recorded as an asset or liability. Newmont has assumed that the derivative instruments owned by Normandy would qualify as cash flow hedges under US GAAP, therefore having no measurable impact on the Unaudited Pro Forma Combined Condensed Statements of Operations. Newmont recorded an adjustment to reflect the fair value of the derivative contracts as of September 30, 2001, with the corresponding offsetting entry to ACCUMULATED OTHER COMPREHENSIVE INCOME, net of tax.

(d) To reclassify previously recorded Normandy goodwill classified as OTHER LONG-TERM ASSETS to GOODWILL on the Unaudited Pro Forma Combined Condensed Balance Sheet.

(e) An adjustment has been recorded to reflect the additional interest capitalized on all development and construction projects as part of the cost of an asset for the difference between US GAAP and Australian GAAP. An adjustment has been recorded to reflect the reduction of INTEREST, NET OF AMOUNTS CAPITALIZED in the Unaudited Pro Forma Condensed Statements of Operations for the periods presented. No adjustment was recorded to the Unaudited Pro Forma Combined Balance Sheet for the impact of this item, as the impact of this adjustment from the inception of Normandy is not determinable.

(f) To account for the deferred income tax effects of the pro forma balance sheet adjustments.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

(g) This amount represents the cumulative balancing entry for the effect of the balance sheet adjustments.

(h) To account for the income tax expense relating to the pro forma income statement adjustments.

NOTE 3--PRO FORMA ADJUSTMENTS TO RECORD THE ACQUISITION OF: 1) 100% OF NORMANDY AND 2) 50.1% OF NORMANDY

The following adjustments have been made to the Unaudited Pro Forma Combined Condensed Balance Sheet at September 30, 2001 and the Unaudited Pro Forma Combined Condensed Statements of Operations for the nine month period ended September 30, 2001 and for the twelve month period ended December 31, 2000, respectively.

(a) The purchase consideration has been based on Newmont acquiring two different percentages of Normandy common stock: 1) 100% of the Normandy shares outstanding plus all options and restricted shares based on an exchange ratio of 0.0385 of a Newmont share for each Normandy share; and 2) 50.1% of the Normandy shares outstanding plus all options and restricted shares based on an exchange ratio of 0.0385 of a Newmont share for each Normandy share. Additionally, Newmont is paying \$A0.40 per share for each ordinary share of Normandy tendered, with the exception of the 19.79% of ordinary shares of Normandy that are owned by Franco-Nevada, calculated on a fully-diluted basis. The Shares will be acquired through Newmont's call option on 19.79% of the Normandy Shares held by Franco-Nevada based on Franco-Nevada receiving 0.0385 of a share of Newmont for each ordinary share of Normandy owned by Franco-Nevada. The final purchase price allocations will be determined after closing based on the actual fair value of current assets, current liabilities, indebtedness, reclamation and remediation liabilities, derivative instruments, marketable securities, a more extensive analysis of the fair value of mining and royalty interests acquired and identifiable intangible assets and will reflect the number of shares of Newmont common stock issued to acquire Normandy's outstanding shares and stock options that were outstanding at closing. Newmont is continuing to evaluate all of these items; accordingly, the final purchase price may differ in material respects from that presented in the Unaudited Pro Forma Combined Condensed Balance Sheet. The purchase accounting entries are an estimate only and are subject to change.

The purchase price for accounting purposes has been determined by using the average price of Newmont's common stock for the two days before and the two days after the announcement of the terms of the Transaction. Such average price was US\$19.57.

The cash consideration offered by Newmont for the acquisition of Normandy will be funded by Newmont drawing on an existing available revolving credit facility. Interest expense has been recorded as if the borrowings had been outstanding as of January 1, 2000.

The entry to record the purchase transaction includes a deferred tax liability at Newmont's 35% statutory rate, based on the increase in the book basis of the identifiable tangible and intangible net assets without a corresponding increase in tax basis, as this transaction has been structured as a tax-free exchange. No deferred tax liability has been established for the goodwill which is not deductible for tax purposes.

(b) The pro forma adjustments for the 100% acquisition of Normandy eliminates the retained earnings, reserves or other items in the equity of Normandy and records the fair value of common stock consideration issued by Newmont. The pro forma adjustments for the 50.1% acquisition of Normandy eliminates 50.1% of the retained earnings, reserves and other items of equity of Normandy, records the fair value of common stock issued by Newmont and records a minority interest on Newmont's Unaudited Pro Forma Combined Condensed Balance Sheet for the 49.9% of Normandy's equity that was not acquired.

The pro forma combined stockholders' equity of Newmont reflects the following under each acquisition scenario of Normandy:

(c) Adjusts depreciation, depletion and amortization to account for the acquisition as if the Transaction had occurred January 1, 2000 in a manner consistent with the policies of depreciation, depletion and amortization utilized by Newmont. This adjustment results in an increase to depreciation, depletion and amortization expense in each of the periods presented. The goodwill created in the purchase accounting transaction was not amortized in accordance with US GAAP for business combinations that are initiated subsequent to July 1, 2001.

(d) To account for the income tax benefit of the pro forma adjustments resulting from the impact of the purchase accounting adjustments using Newmont's statutory tax rate of 35%.

(e) Adjusts the pro forma combined basic and diluted weighted average common shares outstanding for the nine-month period ended September 30, 2001 and the twelve-month period ended December 31, 2000 and assumes that the shares issued in the acquisition of Normandy were issued on January 1, 2000.

(f) Adjustment to reflect the 49.9% minority interest of Normandy that Newmont does not acquire in the 50.1% acquisition of Normandy. The minority interest excludes the effect of the step-up recorded for purchase accounting applied only at the Newmont level for its newly acquired 50.1% interest in Normandy.

(g) To eliminate management fees between Newmont and Normandy.

As of September 30, 2001, Normandy owned approximately 62.5% of Australian Magnesium Corporation Limited ("AMC"). In November 2001, AMC completed an equity offering, whereby, Normandy's ownership interest decreased to an estimated 23% equity ownership. The September 30, 2001 balance sheet and the nine month information of Normandy fully consolidate Normandy's interest in AMC with a minority interest. No pro forma adjustments have been recorded to de-consolidate this investment for the periods presented. Newmont is currently unable to determine within a reasonable degree of accuracy the impact of de-consolidating AMC in these Unaudited Pro Forma Combined Condensed Financial Statements.

NOTE 4--US GAAP ADJUSTMENTS TO FRANCO-NEVADA

The following notes describe the basis and assumptions used to adjust the Franco-Nevada Canadian GAAP financial statements to approximate US GAAP. In addition, some balance sheet items have been combined to conform to the presentation of Newmont. Canadian GAAP varies in certain significant respects from the principles and practices of US GAAP. The effect of these principle measurement differences on Franco-Nevada's consolidated financial statements are quantified and described below.

(a) In April 2001, Franco-Nevada acquired 19.99% (currently 19.79%, calculated on a fully-diluted basis) of Normandy's outstanding common stock. For Canadian GAAP purposes Franco-Nevada has accounted for their investment on an equity basis using the best information available from Normandy in the public domain. As Normandy has declined to provide a reconciliation of its results of operations in US GAAP for the period owned by Franco-Nevada, there is no basis for recording an adjustment to US GAAP. Whereas, this equity investment adjustment has been omitted from the Franco-Nevada US GAAP reconciliation, the purchase accounting adjustments described in Note 5(e) to record the merger with Franco-Nevada would have eliminated the accounting for this equity investment because the Unaudited Pro Forma Financial Statements have already consolidated 100% of Normandy and therefore, no equity accounting for this investment is required for any period presented for the combined company.

(b) US GAAP requires that marketable securities classified as available for sale be recorded at fair value with a corresponding entry to ACCUMULATED OTHER COMPREHENSIVE INCOME, net of deferred tax. As of September 30, 2001 an increase to MARKETABLE SECURITIES was recorded in the Unaudited Pro Forma Balance Sheet.

(c) US GAAP requires that exploration costs be expensed as incurred rather than capitalized, as allowed under Canadian GAAP. As a result PROPERTY, PLANT AND EQUIPMENT, NET was reduced to remove costs previously capitalized. In the nine-month period ended September 30, 2001 and twelve-month period ended March 31, 2001, increases in exploration expense were recorded to OPERATING COSTS. Additionally, in both the nine month period ended September 30, 2001 and the twelve month period ended March 31, 2001, OPERATING COSTS were reduced to reflect the reversal of

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Franco-Nevada's provision for impairment under Canadian GAAP of these capitalized exploration costs because such costs would already have been expensed under US GAAP.

(d) Canadian GAAP requires that merger costs incurred in a pooling transaction be considered as capital costs and therefore netted against capital stock, rather than expensed as required under US GAAP. As a result, amounts previously expensed were restored to CAPITAL STOCK, with a decrease to RETAINED EARNINGS in the Unaudited Pro Forma Combined Condensed Balance Sheet as of September 30, 2001.

(e) Effect on DEPRECIATION, DEPLETION AND AMORTIZATION for the impact of adjustments to the net carrying amount of assets adjusted above.

121

(f) These adjustments record the net deferred income tax effect of the US GAAP adjustments to the balance sheet.

(g) An adjustment to ACCUMULATED OTHER COMPREHENSIVE INCOME was recorded to account for differences in the application of US GAAP and Canadian GAAP for the effect of currency translation.

(h) Relates to the reversals of loss and provision amounts recorded on marketable securities under Canadian GAAP, which would have been recorded in earlier periods under US GAAP.

(i) This amount represents the cumulative retained earnings adjustments.

(j) To account for the income tax expense related to the pro forma income statement adjustments.

NOTE 5--PRO FORMA ADJUSTMENTS TO RECORD THE ACQUISITION OF 100% OF FRANCO-NEVADA

The Franco-Nevada acquisition is conditional upon the acquisition of 50.1% of Normandy. The following adjustments have been made to the Unaudited Pro Forma Combined Condensed Balance Sheet as of September 30, 2001 and the Unaudited Pro Forma Combined Condensed Statement of Operations for the nine month period ended September 30, 2001 and for the twelve month period ended December 31, 2001, respectively.

(a) The purchase consideration is based on Newmont acquiring 100% of the Franco-Nevada outstanding shares plus all options and warrants based on an exchange ratio of 0.8 of a Newmont share for each Franco-Nevada share. The final purchase price allocation will be determined shortly after closing based on the actual fair value of current assets, current liabilities, marketable securities, a more extensive analysis of the fair value of royalty interests acquired and identifiable intangible assets and will reflect the number of shares of Newmont common stock issued to acquire Franco-Nevada's outstanding shares, stock options and warrants that were outstanding at closing. Newmont is continuing to evaluate all of these items; accordingly, the final purchase price may differ in material respects from that presented in the Unaudited Pro Forma Combined Condensed Balance Sheet. The purchase accounting entries are an estimate only and are subject to change.

The following table reflects the estimated purchase accounting allocation for the acquisition of 100% of Franco-Nevada:

122

The purchase price for accounting purposes has been determined by using the average price of Newmont's common stock for the two days before and the two days after the announcement of the terms of the Transaction. Such average price was US\$19.57.

The debt adjustment recorded in the Normandy acquisition is reversed in the Franco-Nevada acquisition as the cash acquired in the Franco-Nevada acquisition would be used to repay this debt or to eliminate Newmont's need to draw on its line of credit. The interest expense recorded in the Normandy purchase accounting adjustments has been reversed in the Franco-Nevada purchase accounting adjustments.

The entry to record the purchase transaction provides a deferred tax liability at Newmont's 35% statutory rate based on the increase in the book basis of the identifiable tangible and intangible net assets without a corresponding increase in tax basis as this transaction has been structured as a tax-free exchange. No deferred tax liability has been established for the goodwill which is not deductible for tax purposes.

(b) These pro forma adjustments reflect the acquisition of 100% of Franco-Nevada as well as eliminates the retained earnings, reserves or other items in the equity of Franco-Nevada and records the fair value of common stock consideration issued by Newmont. Newmont will issue approximately 109.96 million shares of its common stock to accomplish the acquisition, or 0.8 of a share for each Franco-Nevada share outstanding. This number of shares is net of Franco-Nevada's 19.99% (currently 19.79%, calculated on a fully-diluted basis) interest in Normandy. The pro forma combined stockholders' equity of Newmont following the acquisition of 1) 100% of Normandy and the merger of 100% of Franco-Nevada and 2) 50.1% of Normandy and the merger of 100% of Franco-Nevada reflects the following:

(c) Adjusts depreciation, depletion and amortization to account for the merger as if the Transactions had occurred January 1, 2000 in a manner consistent with the policies of depreciation, depletion and amortization utilized by Newmont. This adjustment results in an increase to depreciation, depletion and amortization expense in each of the periods presented. The goodwill created in the purchase accounting transaction was not amortized in accordance with US GAAP for business combinations that are initiated subsequent to July 1, 2001.

(d) To account for the income tax expense of the pro forma adjustments resulting from the impact of the purchase accounting adjustments using Newmont's expected effective statutory tax rate of 35%.

(e) Eliminates the 19.99% investment (currently 19.79% calculated on a fully-diluted basis) held by Franco-Nevada in Normandy on Franco-Nevada's Unaudited Pro Forma Combined Condensed Consolidated Balance Sheet and the effect of the equity accounting recorded in the Unaudited Pro Forma Combined Condensed Consolidated Statement of Operations of Franco-Nevada for the period Franco-Nevada owned the investment in 2001. This adjustment eliminates the Canadian GAAP effect only as no adjustment has been made to reflect the accounting for this investment in accordance with US GAAP (See Note 4(a)). Eliminating the 19.99% investment held by Franco-Nevada in Normandy ensures the consolidated results of the combined company include the consolidated results of Newmont, Normandy and Franco-Nevada, excluding a duplication of the equity accounting impact of the investment held by Franco-Nevada in Normandy.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

(f) To eliminate royalties paid by Newmont and Normandy to Franco-Nevada on certain mining properties.

NOTE 6--COST SAVINGS AND EXPENSES OF THE MERGER

Expected annual cost savings have not been reflected as an adjustment to the historical data because it is prospective information pertaining to what may happen once the three companies are combined.

These savings have been estimated by Newmont and are expected to range from US\$70 to US\$80 million after tax during the first full year of combined operations. Approximately US\$40 to US\$45 million relate to synergies between Newmont and Normandy and approximately US\$30 to US\$35 million relate to synergies between Newmont and Franco-Nevada. See "The Transactions--Reasons for the Transactions."

Estimated costs of the Transactions total approximately US\$60 million for Normandy and US\$30 million for Franco-Nevada, consisting primarily of approximately US\$25 million of severance and separation pay for terminated Normandy and Franco-Nevada employees, approximately US\$65 million of investment banker, legal, accounting and other professional advisor fees and fees related directly to the acquisition and merger. These costs will be capitalized as direct costs associated with the Transactions.

COMPARISON OF STOCKHOLDER RIGHTS

COMMON STOCK

If the merger is completed, your rights as a holder of Holdco common stock--including voting and dividend rights--will be substantially similar to your current rights as a holder of Newmont common stock. Both Newmont and Holdco are incorporated under the laws of the State of Delaware. Your rights as a holder of Holdco common stock will be governed by Delaware law and the certificate of incorporation and by-laws of Holdco. The material differences

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

between the certificate of incorporation and by-laws of Holdco and our restated certificate of incorporation and by-laws are as follows:

- . Holdco is authorized to issue 750,000,000 shares of common stock, par value \$1.60, in contrast with the 250,000,000 shares of common stock, par value \$1.60, that are currently authorized by our restated certificate of incorporation;
- . Holdco's certificate of incorporation and by-laws have been amended, in general to reflect modifications of Delaware law (as to a corporation's general purpose, indemnification of directors and officers, the absence of preemptive rights unless the certificate of incorporation states otherwise and the source of permissible expenditures for the corporation) since our constitutive documents were created or amended;
- . Holdco's certificate of incorporation provides for the indemnification of directors and officers to the fullest extent provided by Delaware law, without qualification by its by-laws.
- . Holdco's certificate of incorporation clarifies the board of directors' authority to make, alter, amend or repeal by-laws, subject to alteration or repeal by the stockholders at any annual meeting or at a special meeting where notice has been provided of the proposed alteration or repeal; and
- . Holdco's by-laws provide for a maximum of seventeen directors, as opposed to a maximum of fifteen directors under our by-laws.

The foregoing description is qualified in its entirety by reference to the certificate of incorporation and by-laws of Holdco which are attached to this proxy statement/prospectus as Appendix F and G, respectively.

\$3.25 CONVERTIBLE PREFERRED STOCK

If we complete the merger, pursuant to the merger agreement, we have the option to:

- . leave outstanding the Newmont \$3.25 convertible preferred stock, in which case the Newmont \$3.25 convertible preferred stock will be convertible, pursuant to its terms, into shares of Holdco common stock; or
- . exchange the outstanding shares of Newmont \$3.25 convertible preferred stock for shares of Holdco \$3.25 convertible preferred stock having the same preferences and rights with respect to Holdco, as the Newmont \$3.25 convertible preferred has with respect to Newmont as of the date of the merger agreement.

Under either of the above options, the holders of the convertible preferred stock (of either Holdco or the surviving corporation) will be entitled to vote along with the holders of common stock on all matters relating to Newmont (if we choose to leave outstanding the Newmont \$3.25 convertible preferred stock) or Holdco (if we effect the exchange for Holdco convertible preferred stock). In either case, the aggregate voting power of the Holdco convertible preferred stock, as a class, or the Newmont convertible preferred stock, as a class, will be commensurate with the proportionate economic interest in Newmont of holders of Newmont convertible preferred stock, as a class, immediately prior to the completion of the merger.

In general, absent dividend arrearages, the Newmont \$3.25 convertible preferred stock does not currently have voting rights and will not obtain further voting rights if we do not complete the merger.

RIGHTS AGREEMENT

As of the date that the merger is completed, Holdco anticipates that it will have entered into a rights agreement substantially similar to the Rights Agreement that is currently in place between Newmont and ChaseMellon Shareholder Services LLC.

In general terms, the current rights agreement works by imposing a significant penalty upon any person or group that acquires 15% or more of the outstanding shares of Newmont common stock without the approval of the Newmont board of directors.

Each outstanding share of Newmont common stock has attached to it a preferred share purchase right. In general, the rights do not become exercisable until 10 days after the public announcement that a person or group has become an "acquiring person" by obtaining beneficial ownership of 15% or more of the outstanding shares of Newmont common stock or 10 days (or a later date as determined by the Newmont board of directors) after a person or group commences a tender or exchange offer that would, if completed, result in that person becoming an acquiring person. We refer to the date when the rights become exercisable as the "distribution date." The Newmont board of directors may amend the terms of the rights agreement to lower the threshold at which a person or group becomes an acquiring person to as low as 10%.

If a person or group becomes an acquiring person, all holders of rights, except the acquiring person, may, for \$100, purchase shares of Newmont common stock with a market value of \$200. If Newmont is later acquired in a merger or similar transaction after the distribution date, all holders of rights, except the acquiring person, may, for \$100, purchase shares of the acquiring corporation with a market value of \$200. After a person or group becomes an acquiring person, but before that acquiring person holds 50% or more of the Newmont common stock, the Newmont board of directors may extinguish the rights by exchanging one share of Newmont common stock or an equivalent security for each right, other than rights held by the acquiring person.

The stockholder rights will cause substantial dilution to a person or group that attempts to acquire Newmont on terms not approved by the Newmont board of directors, except by means of an offer conditioned on a substantial number of rights being acquired. However, the rights should not interfere with any merger or other business combination approved by the Newmont board of directors, because, at any time prior to a person or group becoming an acquiring person, the rights may be redeemed by Newmont for \$0.001 per right or the rights agreement may be amended so as not to apply to a transaction approved by the board of directors.

The foregoing description of the rights is qualified in its entirety by the rights agreement that is attached as an exhibit to Newmont's registration statement on Form 8-A, dated September 6, 2000, which is incorporated by reference in this proxy statement/prospectus. See "Where You Can Find More Information" on page 131 for information on how to obtain this document.

APPRAISAL RIGHTS OF DISSENTING STOCKHOLDERS IN THE MERGER

Newmont stockholders will not be entitled to appraisal rights under the DGCL or any other applicable law in connection with the merger.

[FORM OF] AGREEMENT AND PLAN OF MERGER

AGREEMENT AND PLAN OF MERGER, dated as of [] [], 2002 (the "AGREEMENT"), by and among Newmont Mining Corporation, a Delaware corporation ("NEWMONT"), Delta Holdco Corp., a Delaware corporation and a wholly owned subsidiary of Newmont ("HOLDCO"), and Delta Acquisitionco Corp., a Delaware corporation and a wholly owned subsidiary of Holdco ("ACQUISITIONCO").

WITNESSETH:

WHEREAS, the Board of Directors of Newmont (the "BOARD") has determined that it is advisable and in the best interests of Newmont and its stockholders for Newmont to effect a restructuring through the merger of Acquisitionco with and

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

into Newmont, with Newmont as the surviving corporation (the "MERGER"), upon the terms and subject to the condition set forth in this Agreement, whereby (1) each issued and outstanding share of common stock, par value \$1.60 per share, of Newmont ("NEWMONT COMMON STOCK") will be converted into one share of common stock, par value \$1.60 per share, of Holdco ("HOLDCO COMMON STOCK"), and (2) unless the Board resolves otherwise pursuant to Section 2.1(b) hereof, each issued and outstanding share of \$3.25 Convertible Preferred Stock, par value \$5.00 per share, of Newmont ("NEWMONT CONVERTIBLE PREFERRED STOCK") will be converted into one share of \$3.25 Convertible Preferred Stock, par value \$5.00 per share, of Holdco ("HOLDCO CONVERTIBLE PREFERRED STOCK");

WHEREAS, upon consummation of the Merger, Newmont will become a wholly owned subsidiary of Holdco, which has been formed by Newmont for the purpose of effecting the Merger and Holdco will change its name to "Newmont Mining Corporation;"

WHEREAS, the Board of Directors of Acquisitionco has determined that the Merger is advisable and in the best interests of Acquisitionco and Holdco as its sole stockholder; and

WHEREAS, for U.S. federal income tax purposes, it is intended that the Merger will qualify as a reorganization within the meaning of Section 368 of the Internal Revenue Code of 1986, as amended (the "Code"), and that the Merger, taken together with the share exchange contemplated by the Arrangement Agreement, dated as of November 14, 2001, by and between Newmont and Franco-Nevada Mining Corporation Limited, and the off-market bid by Newmont for the ordinary shares in the capital of Normandy Mining Limited, shall qualify as an exchange described in Section 351 of the Code.

NOW, THEREFORE, in consideration of the mutual promises herein contained and intending to be legally bound, the parties hereto agree as follows:

1. MERGER

1.1 THE MERGER. Upon the terms and subject to the condition set forth in this agreement, and in accordance with the Delaware General Corporation Law (the "DGCL"), Acquisitionco shall be merged with and into Newmont at the Effective Time. Following the Merger, the separate corporate existence of Acquisitionco shall cease and Newmont shall continue as the surviving corporation.

1.2 CLOSING. The closing of the Merger (the "CLOSING") will take place on a date that is mutually acceptable to the parties hereto after satisfaction of the condition set forth in Article 3 (the actual time and date of the Closing being referred to herein as the "CLOSING DATE"). The Closing shall be held at the offices of Wachtell, Lipton, Rosen & Katz, 51 West 52nd Street, New York, NY 10019, unless another place is agreed to by the parties hereto.

1.3 EFFECTIVE TIME. As soon as practicable following the satisfaction of the condition set forth in Article 3, at the Closing the parties shall (i) file a certificate of merger (the "CERTIFICATE OF MERGER") in such form as is required by and executed in accordance with the relevant provisions of the DGCL and (ii) make all other filings or recordings required under the DGCL. The Merger shall become effective at such time as the Certificate of Merger is duly filed with the Delaware Secretary of State or at such subsequent time as the parties hereto shall

A-1

agree and as shall be specified in the Certificate of Merger (the date and time

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

the Merger becomes effective being the "EFFECTIVE TIME").

1.4 EFFECTS OF THE MERGER.

a. GENERALLY. At and after the Effective Time, the Merger shall have the effects set forth in the DGCL and other applicable law. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, all the property, rights, privileges, powers and franchises of Newmont and Acquisitionco shall be vested in the Surviving Corporation, and all debts, liabilities and duties of Newmont and Acquisitionco shall become the debts, liabilities and duties of the Surviving Corporation.

b. CERTIFICATE OF INCORPORATION AND BY-LAWS. The Restated Certificate of Incorporation of Newmont as the Surviving Corporation shall be amended in the merger to read as set forth in Exhibit A. The by-laws of Acquisitionco as in effect immediately prior to the Effective Time shall be the by-laws of the Surviving Corporation, until thereafter changed or amended as provided therein or by applicable law.

c. OFFICERS AND DIRECTORS. The officers of Acquisitionco as of the Effective Time shall be the officers of the Surviving Corporation, until the earlier of their resignation or removal or otherwise ceasing to be an officer or until their respective successors are duly appointed and qualified. The directors of Acquisitionco as of the Effective Time shall become the directors of the Surviving Corporation, which individuals will serve as directors of the Surviving Corporation until the earlier of their resignation or removal or otherwise ceasing to be a director or until their respective successors are duly elected and qualified.

d. Upon completion of the merger, Holdco shall change its name to "Newmont Mining Corporation."

2. CONVERSION OF STOCK

2.1 EFFECT ON CAPITAL STOCK.

a. At the Effective Time, by virtue of the Merger and without any action on the part of the holder thereof, each share of Newmont Common Stock issued and outstanding immediately prior to the Effective Time shall be converted into one share of Holdco Common Stock.

b. At the Effective Time, by virtue of the Merger and without any action on the part of the holder thereof, each share of Newmont Convertible Preferred Stock issued and outstanding immediately prior to the Effective Time shall be converted into one share of Holdco Convertible Preferred Stock; provided, however, that if at any time prior to the Effective Time, the Board adopts a resolution so providing, the shares of Newmont Convertible Preferred Stock shall not be converted into shares of Holdco Convertible Preferred Stock but shall remain outstanding as shares of Newmont Convertible Preferred Stock (in such event, such shares prior, at and after the Effective Time hereinafter referred to as the "Remaining Convertible Preferred Stock"). Any holder of Newmont Convertible Preferred Stock shall have the right to receive a copy of such resolution. Prior to the Effective Time, the Board shall take all necessary action to provide that Holdco Convertible Preferred Stock or, if such resolution is adopted, Remaining Convertible Preferred Stock, as the case may be, shall have, MUTATIS MUTANDIS, exactly the same voting powers, preferences and relative, participating, optional or other special rights, if any, and exactly the same qualifications, limitations or restrictions as the Newmont Convertible Preferred Stock outstanding as of the date hereof; except that, in either case, the respective certificates of designation shall provide that the holders of Holdco Convertible Preferred Stock or, if such resolution is

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

adopted, of the Remaining Convertible Preferred Stock, as the case may be, shall be entitled (in the case of the Remaining Convertible Preferred Stock, immediately prior to the Effective Time (or such earlier time as is determined by the Board prior to the Effective Time) and at all times thereafter) to vote together as a single class with the holders of common stock on all matters submitted to the stockholders of Holdco or Newmont, as the case may be. In either the aggregate voting power of the Holdco Convertible Preferred Stock, as a class, or, if such a resolution is adopted, the Remaining Convertible Preferred Stock, as a class, shall be commensurate with the proportionate economic interest in Newmont held by the holders of Newmont Convertible Preferred Stock, as a class, immediately prior to the Effective Time (or such earlier time as is determined by the Board prior to the Effective Time).

A-2

c. Each share of Holdco Common Stock issued and held by Newmont at the Effective Time shall cease to be outstanding and shall be cancelled and retired and no consideration shall be delivered in exchange therefor.

d. Each share of common stock, par value \$0.01 per share, of Acquisitionco ("ACQUISITIONCO COMMON STOCK") issued and outstanding immediately prior to the Effective Time shall be converted into one share of common stock of the Surviving Corporation as of the Effective Time.

e. At the Effective Time: (A) each certificate theretofore representing shares of Newmont Common Stock shall, without any action on the part of Newmont, Holdco or the holder thereof, represent, and shall be deemed to represent from and after the Effective Time, the number of shares of Holdco Common Stock as determined in accordance with Section 2.1(a) and shall cease to represent any rights in any shares of capital stock of Newmont; (B) each holder of a certificate which, prior to the Effective Time, represented shares of Newmont Common Stock shall cease to have any rights with respect to any shares of Newmont Common Stock and (C) former holders of Newmont Common Stock shall, from and after the Effective Time, be deemed to be holders of the shares of Holdco Common Stock into which such shares of Newmont Common Stock have been converted pursuant to Section 2.1 hereof.

f. At the Effective Time, unless the Board resolves pursuant to Section 2.1(b) hereof that the shares of Newmont Convertible Preferred Stock shall not be converted into shares of Holdco Convertible Preferred Stock but shall remain outstanding as shares of Convertible Preferred Stock of the Surviving Corporation: (A) each certificate theretofore representing shares of Newmont Convertible Preferred Stock shall, without any action on the part of Newmont, Holdco or the holder thereof, represent, and shall be deemed to represent from and after the Effective Time, the number of shares of Holdco Convertible Preferred Stock as determined in accordance with Section 2.1(b) and shall cease to represent any rights in any shares of capital stock of Newmont; (B) each holder of a certificate which, prior to the Effective Time, represented shares of Newmont Convertible Preferred Stock shall cease to have any rights with respect to any shares of Newmont Convertible Preferred Stock and (C) such former holders of Newmont Convertible Preferred Stock shall, from and after the Effective Time, be deemed to be holders of the shares of Holdco Convertible Preferred Stock into which such shares of Newmont Convertible Preferred Stock have been converted pursuant to Section 2.1 hereof.

2.2 TREATMENT OF OPTIONS AND OTHER STOCK COMPENSATION

a. OPTIONS TO PURCHASE COMMON STOCK. At the Effective Time, each option

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

to purchase or deferred stock award with respect to a number of shares of Newmont Common Stock (a "NEWMONT STOCK OPTION" or "NEWMONT DEFERRED STOCK AWARD," as the case may be) that is then outstanding and unexercised shall cease to represent a right with respect to shares of Newmont Common Stock and shall be converted automatically into an option to purchase or a deferred stock award with respect to the same number of shares of Holdco Common Stock (a "HOLDCO STOCK OPTION" or "HOLDCO DEFERRED STOCK AWARD," as the case may be), and Holdco shall assume each such Holdco Stock Option and Holdco Deferred Stock Award, subject to the terms of the plan and agreement under which each such Newmont Stock Option or Newco Deferred Stock Award was issued. Effective as of the Effective Time, Holdco shall assume each plan, program or arrangement pursuant to which Newmont grants options, equity or equity-based awards to its employees (the "EQUITY PLANS") and may modify the Equity Plans to provide that awards with respect to shares of Holdco Common Stock may be granted by Holdco pursuant to the terms thereof.

3. CONDITION.

The obligations of the parties hereto to consummate the Merger and the other transactions contemplated hereby are conditioned upon the adoption of Newmont's stockholders of this Agreement by the requisite vote of the holders of Newmont Common Stock (the "NEWMONT STOCKHOLDER APPROVAL").

A-3

4. TERMINATION OF AGREEMENT.

This Agreement may be terminated before the Effective Time for any reason by any of the parties hereto, notwithstanding the adoption thereof by the stockholders of Newmont, by written notice to the non-terminating parties. Upon the giving of such notice, this Agreement shall be terminated and there shall be no liability hereunder or on account of such termination on the part of Newmont, Acquisitionco, Holdco or the directors, officers, employees, agents or stockholders of any of them.

5. MISCELLANEOUS

5.1 GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflicts of laws or principles thereof.

5.2 AMENDMENT. This Agreement may be amended by the parties hereto, by action taken or authorized by their respective Boards of Directors, at any time before or after the Newmont Stockholder Approval, but, after any such approval, no amendment shall be made which by law or in accordance with the rules of any relevant stock exchange requires further approval by such stockholders without such further approval. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective officers thereunto duly authorized, all as of the date first written above.

For greater certainty, the conditions set forth in Schedule C are inserted for the benefit of each of the parties to this agreement and may be waived by mutual consent of Franco-Nevada and Newmont, in whole or in part, in their sole discretion.

B. CONDITIONS IN FAVOUR OF FRANCO-NEVADA.

The obligations of Franco-Nevada to complete the Arrangement shall be subject to the fulfilment, or the waiver by Franco-Nevada, on or before the Outside Date, of the conditions set forth in Schedule D, each of which is for the exclusive benefit of Franco-Nevada and may be waived by Franco-Nevada alone, at any time, in whole or in part, in its sole discretion.

C. CONDITIONS IN FAVOUR OF NEWMONT.

The obligations of Newmont to complete the Arrangement shall be subject to the fulfilment, or the waiver by Newmont, on or before the Outside Date, of the conditions set out in Schedule E, each of which is for the exclusive benefit of Newmont and may be waived by Newmont alone, at any time, in whole or in part, in its sole discretion.

D. SATISFACTION, WAIVER AND RELEASE OF CONDITIONS.

Upon the issuance of a certificate of arrangement in respect of the Arrangement by the Director in accordance with the Final Order and the CBCA, the conditions provided for in this section shall be deemed conclusively to have been satisfied, waived or released.

3. REPRESENTATIONS AND WARRANTIES

A. REPRESENTATIONS AND WARRANTIES OF FRANCO-NEVADA.

Franco-Nevada represents and warrants to Newmont as to those matters set forth in Schedule F (and acknowledges that Newmont is relying on such representations and warranties in entering into this agreement and completing the Transactions).

B. REPRESENTATIONS AND WARRANTIES OF NEWMONT.

Newmont represents and warrants to Franco-Nevada as to those matters set forth in Schedule G (and acknowledges that Franco-Nevada is relying on such representations and warranties in entering into this agreement and completing the Transactions).

C. SURVIVAL OF REPRESENTATIONS, WARRANTIES AND COVENANTS.

The representations, warranties and covenants of Franco-Nevada and Newmont contained in this agreement or in any instrument delivered pursuant to this agreement shall merge upon, and shall not survive, the Effective Date; provided that this (S)3.C shall not limit any covenant or agreement of the parties, which by its terms contemplates performance after the Effective Time.

D. EXCHANGEABLE SHARES HELD BY NEW NEWMONT.

If New Newmont (or a successor thereto) is a "specified financial institution" for purposes of the ITA, any Exchangeable Shares held by New Newmont, or a corporation related to New Newmont, will not be redeemed or cancelled if such redemption or cancellation would result in any holder of an Exchangeable Share (other than a Newmont corporation) holding more than 10% of the issued and outstanding Exchangeable Shares.

4. IMPLEMENTATION

A. GENERAL.

The Transactions are intended, subject to the terms and conditions hereof and thereof, to result in:

- . in respect of any Franco-Nevada Shareholder who elects pursuant to the terms of Section 2.3 of the Plan of Arrangement, the acquisition by NSULC and Acquisitionco of all of the issued shares of a Holdco in consideration of, at the option of the holder of such Holdco Shares, either:
 - (i) if the Holdco Shares are sold to Acquisitionco, 0.80 Exchangeable Shares per Franco-Nevada Share owned by the Holdco, or
 - (ii) if the Holdco Shares are sold to NSULC, 0.80 Newmont Shares per Franco-Nevada Share owned by the Holdco;
- . in any other case, the acquisition by NSULC and Acquisitionco of all of the issued and outstanding Franco-Nevada Shares from the holders of those shares (other than Franco-Nevada Shares owned by Holdcos) in consideration of, at the option of the holder, either:
 - (i) 0.80 Exchangeable Shares per Franco-Nevada Share acquired by Acquisitionco, or
 - (ii) 0.80 Newmont Shares per Franco-Nevada Share acquired by NSULC, and cash in lieu of fractional shares; and
- . condition (f) of Schedule C being satisfied as soon as reasonably practicable.

Subject to the provisions of the Plan of Arrangement, Acquisitionco agrees to execute joint elections under subsection 85(1) or 85(2) of the ITA or any equivalent provincial legislation in respect of the acquisition of

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Franco-Nevada Shares or Holdco Shares by Acquisitionco. In addition, each of Franco-Nevada and Newmont shall (and shall cause its Subsidiaries to) use all efforts to satisfy each of the conditions precedent to be satisfied by it, as soon as practical and in any event before the Effective Date, and to take, or cause to be taken, all other action and to do, or cause to be done, all other things necessary, proper or advisable to permit the completion of the Transactions in accordance with the Arrangement, this agreement, the agreements that it contemplates and applicable Law, and to cooperate with each other in connection therewith (provided, however, that, with respect to Canadian provincial or territorial qualifications, neither Newmont nor New Newmont shall be required to register or qualify as a foreign corporation or to take any action that would subject it to service of process in any

B-4

jurisdiction where it is not now so subject, except as to matters and transactions arising solely from the issuance of the Exchangeable Shares and the Newmont Shares), including using all efforts to:

(a) provide notice to, and obtain all waivers, consents, permits, licenses, authorizations, orders, approvals and releases necessary or desirable to complete the Transactions from, Agencies and other persons, including parties to agreements, understandings or other documents to which each of Franco-Nevada and Newmont (and its respective Subsidiaries) is a party or by which it or its properties is bound or affected (including loan agreements, shareholder agreements, leases, pledges, guarantees and security), the failure of which to provide or obtain would prevent the completion of the Arrangement or which, individually or in the aggregate, could reasonably be expected to be Materially Adverse to either Franco-Nevada or Newmont and their respective Subsidiaries, in each case taken as a whole;

(b) obtain the Interim Order and the approval of Franco-Nevada Shareholders at the Franco-Nevada Special Meeting at the earliest practicable date, as specified in the Interim Order and the Final Order;

(c) effect or cause to be effected all registrations and filings and submissions of information necessary or desirable to complete the Transactions or requested of it by Agencies, the failure of which to obtain could reasonably be expected to prevent the completion of the Transactions or could reasonably be expected to be Materially Adverse to either Franco-Nevada or Newmont and their respective Subsidiaries, in each case taken as a whole; and

(d) keep the other reasonably informed as to the status of the proceedings related to obtaining the Regulatory Approvals, including providing the other with copies of all related applications and notifications.

B. OPTIONS.

(a) Franco-Nevada shall take all necessary actions and do all things necessary to ensure that, in accordance with the terms of the Franco-Nevada Options, each holder of a Franco-Nevada Option shall be entitled to receive after the Effective Time upon the subsequent exercise of such holder's Franco-Nevada Option, in accordance with its terms, and shall accept in lieu of the number of Franco-Nevada Shares to which such holder was theretofore entitled upon such exercise but for the same aggregate consideration payable therefor, the aggregate number of Newmont Shares that such holder would have been entitled to receive as a result of the Transactions if, on the Effective

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Date, such holder had been the registered holder of the number of Franco-Nevada Shares to which such holder was theretofore entitled upon such exercise. For example, a holder of ten Franco-Nevada Class A Warrants would be entitled to receive new warrants bearing the same terms and conditions, except that such warrants would be exercisable for 32 (i.e., $10 \times 4 \times 0.80$) Newmont Shares for a total exercise price of \$200.

(b) As soon as practicable following the Effective Date, but in no event later than 20 days after the Effective Date, Newmont shall, to the extent required, file with the SEC a registration statement on Form S-8 (or other appropriate form) under the Securities Act with respect to the Newmont Shares issued pursuant to Section 4.B(a) with respect to Franco-Nevada Options. Newmont shall take all necessary action to ensure that a sufficient number of Newmont Shares are reserved for issuance upon the exercise of Franco-Nevada Options as contemplated by Section 4.B(a). In addition, Newmont shall take all necessary action to cause Newmont equity securities issued in connection with the Arrangement to the holders of Franco-Nevada Options who become executive officers or directors of Newmont to be exempt from Section 16(b) of the Securities Exchange Act pursuant to Rule 16b-3 promulgated thereunder.

C. DEFENCE OF PROCEEDINGS.

Each of Franco-Nevada and Newmont shall vigorously defend, or shall cause to be vigorously defended, any lawsuits or other legal proceeding brought against it or any of its Subsidiaries or their respective directors, officers or shareholders challenging this agreement or the completion of the Transactions. Neither Franco-Nevada nor Newmont shall settle or compromise (or permit any of their respective Subsidiaries to compromise or settle) any claim brought in connection with the Transactions, without the prior written consent of the other.

B-5

D. WAIVER OF SHAREHOLDER RIGHTS PLAN.

Franco-Nevada hereby confirms, acknowledges and agrees that the board of directors of Franco-Nevada has approved the Transactions and has, acting in good faith, determined it to be necessary and desirable to extend the Separation Time (as defined therein) under the Franco-Nevada Rights Agreement until after the vote by the Franco-Nevada Shareholders on the Arrangement at the Franco-Nevada Special Meeting and to obtain the consent of Franco-Nevada Shareholders to waive the Franco-Nevada Rights Agreement so that neither the entering into nor delivery of this agreement, the Arrangement or the other agreements contemplated hereby nor the consummation of all or any part of the Transactions shall constitute a Flip-in Event (as defined in the Franco-Nevada Rights Agreement), and Franco-Nevada has done all such acts and executed and delivered all such documents and instruments that are required in order to extend the Separation Time, including providing the Rights Agent (as defined in the Franco-Nevada Rights Agreement) with notice in writing of such extension.

E. SECURITIES LAW COMPLIANCE AND RELATED COVENANTS.

Newmont shall use its best efforts (which, for greater certainty, shall not require Newmont to consent to a term or condition of an approval or consent which Newmont reasonably determines could have a Materially Adverse effect on Newmont or its Subsidiaries):

(a) to obtain all orders required from the applicable Canadian securities regulatory Agencies to permit the first resale of:

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

(i) the Exchangeable Shares issued pursuant to the Arrangement; and

(ii) the Newmont Shares issued from time to time upon exchange of the Exchangeable Shares,

in each case without qualification with or approval of or the filing of any prospectus, or the taking of any proceeding with, or the obtaining of any further order, ruling or consent from, any securities regulatory Agency in any of the provinces of Canada (other than, with respect to such first resales, any restrictions on transfer by reason of, among other things, a holder being a "control person" of Newmont or Acquisitionco or Callco (as defined in the provisions attaching to the Exchangeable Shares) for purposes of Canadian federal, provincial or territorial securities Laws or equivalent Laws of the United States or any of its states);

(b) to cause the Exchangeable Shares to be listed and posted for trading on the TSE by the Effective Time and to take reasonable steps to maintain such listings for so long as there are Exchangeable Shares outstanding (other than those securities held by Newmont or any of its affiliates);

(c) take reasonable steps to ensure that Acquisitionco has, at the Effective Time and for so long as there are Exchangeable Shares outstanding (other than those Exchangeable Shares held by Newmont or any of its affiliates), a "substantial Canadian presence" within the meaning of subsection 206(1.1) of the ITA;

(d) take reasonable steps to cause the listing and admission to trading on NYSE of the Newmont Shares to be issued at the Effective Time and from time to time (i) upon exchange of the Exchangeable Shares, and (ii) upon the exercise of the Franco-Nevada Options; and

(e) take reasonable steps to ensure that Acquisitionco is, at the Effective Time and for so long as there are Exchangeable Shares outstanding (other than those Exchangeable Shares held by Newmont or any of its affiliates), a "taxable Canadian corporation" and not a "mutual fund corporation," each within the meaning of the ITA.

F. REGISTRAR AND TRANSFER AGENT.

Franco-Nevada shall permit the registrar and transfer agent for Franco-Nevada Shares and Franco-Nevada Warrants to act as depositary in connection with the Arrangement and instruct that transfer agent to furnish to Newmont (and such persons as it may designate) at such times as it may request such information and provide to Newmont (and such persons as it may designate) such other assistance as it may request in connection with the implementation and completion of the Transactions.

B-6

G. ACCESS TO INFORMATION; CONFIDENTIALITY.

(a) Franco-Nevada shall, and shall cause its Subsidiaries to, afford to Newmont and to its Representatives, reasonable access during normal business hours during the period prior to the Effective Time to all of the properties, books, contracts, commitments, personnel and records of Franco-Nevada and its Subsidiaries and, during such period, Franco-Nevada shall, and shall cause each of its Subsidiaries to, furnish promptly to Newmont (i) a copy of each report, schedule, registration statement and other document filed by it during such period pursuant to the requirements of federal, provincial or state securities Laws and (ii) all other

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

information concerning its business, properties and personnel as Newmont may reasonably request, including any information with respect to shareholder approval at the Franco-Nevada Special Meeting and the status of the efforts to obtain such approval. Such information shall be held in confidence to the extent required by, and in accordance with, the provisions of the Confidentiality Agreement.

(b) During the period prior to the Effective Time of the Arrangement, Newmont shall, and shall cause its Subsidiaries to, furnish promptly to Franco-Nevada information concerning its business and properties as Franco-Nevada may reasonably request. Such information shall be held in confidence to the extent required by, and in accordance with, the provisions of the Confidentiality Agreement.

H. DUTY TO INFORM.

Each of Franco-Nevada and Newmont shall keep the other apprised of the status of matters relating to the completion of the Transactions and work cooperatively in connection with obtaining the requisite approvals and consents or governmental orders, including:

(a) promptly notifying the other of, and if in writing promptly furnishing the other with copies of, any communications from or with any Agency with respect to the Transactions;

(b) permitting the other party to review in advance, and considering in good faith the view of one another in connection with, any proposed communication with any Agency in connection with proceedings under or relating to any applicable Law; and

(c) not agreeing to participate in any meeting or discussion with any Agency in connection with proceedings under or relating to any applicable Law unless it consults with the other party in advance, and, to the extent permitted by such Agency, give the other party the opportunity to attend and participate.

I. GOVERNANCE.

At the time of completion of the Transactions:

(a) the board of directors of Newmont (or its direct or indirect parent corporation that issues the shares into which all or substantially all of the Original Newmont Share are converted or for which they are exchanged on or before the Effective Date in connection with the transactions contemplated by the Plan of Arrangement ("NEW NEWMONT")) shall be constituted with a maximum of 17 directors, including Mr. Seymour Schulich, Mr. Pierre Lassonde, and one member of the current Franco-Nevada board of directors who shall be recommended by Franco-Nevada and subject to Newmont's approval; and

(b) the Chief Executive Officer of Newmont immediately prior to the Effective Time shall be the Chief Executive Officer of Newmont or New Newmont, as applicable, the President and Co-Chief Executive Officer of Franco-Nevada immediately prior to the Effective Time shall be the President of Newmont or New Newmont, as applicable, and the Chairman of the Board of Directors and Co-Chief Executive Officer of Franco-Nevada shall be the Chairman of Newmont's or New Newmont's, as applicable, new merchant banking Subsidiary.

J. BOARD RECOMMENDATIONS.

The board of directors of Franco-Nevada shall, subject to (S)6.E, recommend

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

that Franco-Nevada Shareholders approve the Arrangement. The board of directors of Newmont shall recommend that Newmont Shareholders approve all matters necessary to consummate the Transactions, subject to applicable Law.

B-7

K. AFFILIATE LETTERS.

Franco-Nevada shall cause each such person who may be at the Effective Time or was on the date hereof an "affiliate" of Franco-Nevada for purposes of Rule 145 under the Securities Act, to execute and deliver to Newmont no less than 30 days prior to the date of the Franco-Nevada Special Meeting, the written undertakings in the form attached hereto as Schedule I. No later than 45 days prior to such date, Franco-Nevada, after consultation with its outside counsel, shall provide Newmont with a letter (reasonably satisfactory to outside counsel to Newmont) specifying all of the persons or entities who, in Franco-Nevada's opinion, may be deemed to be "affiliates" of Franco-Nevada under the preceding sentence. The foregoing notwithstanding, Newmont shall be entitled to place legends as specified in Schedule I on the certificates evidencing any of the Newmont Shares and, to the extent applicable, Exchangeable Shares to be received by (i) any such "affiliate" of Franco-Nevada specified in such letter or (ii) any person Newmont reasonably identifies (by written notice to Franco-Nevada) as being a person who may be deemed an "affiliate" for purposes of Rule 145 under the Securities Act, pursuant to the terms of this agreement, and to issue appropriate stop transfer instructions to the transfer agent for the Newmont Shares and, to the extent applicable, Exchangeable Shares, consistent with the terms of the affiliate letter in the form of Schedule I, regardless of whether such person has executed such letter and regardless of whether such person's name appears on the letter to be delivered pursuant to the preceding sentence. The limitations on the amount of securities that may be sold by an "affiliate" pursuant to Rule 144(e) under the Securities Act, as of the date of this agreement, are set forth on Schedule J.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

A. NON-SOLICITATION; ADVERSE ACTS.

Franco-Nevada shall not (and shall not permit any of its Subsidiaries to), directly or indirectly, through any of its or its Subsidiaries' Representatives or otherwise, take any action that may in any way adversely affect or reduce the likelihood of the successful completion of the Transactions. Without limiting the foregoing, Franco-Nevada shall not (and shall not permit any of its Subsidiaries to), directly or indirectly, through any of its or its Subsidiaries' Representatives or otherwise:

(c) approve or recommend any Alternative Transaction; or

(d) accept or enter any agreement, arrangement or understanding related to any Alternative Transaction.

Additionally, Franco-Nevada shall:

(a) immediately cease and cause to be terminated any existing discussions or negotiations, directly or indirectly, with any person with respect to any Alternative Transaction; and

(b) not, directly or indirectly, waive or vary any terms or conditions of any confidentiality or standstill agreement that it has, as of the date hereof, entered into with any person considering any Alternative Transaction and shall immediately request the return (or the deletion from retrieval systems and data bases or the destruction) of all information.

B. PERMITTED ACTIONS.

Notwithstanding anything in this agreement, nothing shall prevent the board of directors of Franco-Nevada from:

(a) complying with its obligations under applicable securities Law to prepare and deliver a directors' circular in response to a take-over bid; and

(b) considering, participating in discussions or negotiations and entering into confidentiality agreements and providing information, in each case pursuant to (S)6, regarding an unsolicited BONA FIDE written Acquisition Proposal that (i) did not result from a breach of (S)6, and (ii) the board of directors of Franco-Nevada has determined by formal resolution, in good faith and after consultation with its financial advisors and outside legal counsel, is a Superior Proposal, but only to the extent that the board of directors of Franco-Nevada also has determined by formal resolution, in good faith after consultation with its outside counsel, that the failure to take such action would reasonably be expected to constitute a breach of its fiduciary duties.

The board of directors of Franco-Nevada shall not, except in compliance with (S)6.E and F, approve, recommend, accept, support or enter into any other agreement, arrangement or understanding in respect of any such Acquisition Proposal.

C. NOTIFICATION OF ACQUISITION PROPOSAL.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Franco-Nevada shall immediately notify Newmont, at first orally and then promptly in writing, of any Acquisition Proposal and any inquiry that could lead to any Alternative Transaction, or any amendments to the foregoing, or any request for information relating to Franco-Nevada or any of its Subsidiaries in connection with

E. IMPLEMENTATION OF SUPERIOR PROPOSAL.

Subject to Newmont's rights under (S)6.F, Franco-Nevada may accept, approve or recommend or enter into an agreement, understanding or arrangement to implement a Superior Proposal in respect of which there has been no breach of (S)6 only if:

(a) Franco-Nevada has complied with its obligations under this (S)6 and has provided Newmont with a copy of all documentation (including unexecuted draft documentation) relating to the Superior Proposal;

(b) a period (the "RESPONSE PERIOD") of five business days shall have elapsed from the later of the date on which Newmont received written notice from the board of directors of Franco-Nevada it has resolved, subject only to compliance with this (S)6.E, to accept, approve, recommend or enter into a binding agreement to implement the Superior Proposal and the date Newmont received all of the documentation described in (S)6.E(a); and

(c) the board of directors of Franco-Nevada has considered any amendment to the terms of this agreement proposed by Newmont (or on its behalf) before the end of the Response Period and determined in good faith, after consultation with its financial advisors and outside legal counsel, that the Superior Proposal is more favourable to Franco-Nevada Shareholders from a financial point of view than the Arrangement and the other Transactions (with the amendments, if any, proposed by Newmont) and that it would be a

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

breach of its fiduciary duties not to enter into a binding agreement in respect of the Superior Proposal.

Franco-Nevada shall provide to Newmont the basis for the above determination of the board of directors of Franco-Nevada in reasonable detail (including copies of evidence, if any, of financing of any Superior Proposal) promptly upon the board of directors of Franco-Nevada determining that any Superior Proposal is more favourable to Franco-Nevada Shareholders from a financial point of view than the Arrangement and the other Transactions. If the Response Period would not terminate before the Franco-Nevada Special Meeting, at the request of Newmont, Franco-Nevada shall adjourn the Franco-Nevada Special Meeting to a date that is no less than two and no more than five business days after the Response Period.

F. RESPONSE BY NEWMONT.

During the Response Period, Newmont shall have the right, but not the obligation, to offer to amend the terms of this agreement. The board of directors of Franco-Nevada shall review any such offer by Newmont to

B-13

amend this agreement in good faith, in consultation with its financial advisors and outside legal counsel, to determine whether the Acquisition Proposal to which Newmont is responding would be a Superior Proposal when assessed against Newmont's proposal. If the board of directors of Franco-Nevada does not so determine by formal resolution, it shall enter into an amended agreement with Newmont reflecting Newmont's amended proposal. If the board of directors of Franco-Nevada does so determine and Franco-Nevada has paid (or has caused to be paid) to Newmont \$100 million in immediately available funds to an account designated by Newmont, Franco-Nevada may approve, recommend, accept or enter into an agreement, understanding or arrangement to implement the Superior Proposal; provided that in no event shall the board of directors of Franco-Nevada take any action that may obligate Franco-Nevada or any other person to seek to interfere with the completion of the Transactions, or impose any "break-up," "hello" or other fees or options or rights to acquire assets or securities, or any other obligations that would survive completion of the Transactions, on Franco-Nevada or any of its Subsidiaries, property or assets. Franco-Nevada shall provide to Newmont the basis for the above determinations of the board of directors of Franco-Nevada in reasonable detail (including copies of evidence, if any, of financing of any Acquisition Proposal) promptly upon the board of directors of Franco-Nevada determining that the Acquisition Proposal remains a Superior Proposal.

G. GENERAL.

Nothing in this (S)6 shall limit the obligation of Franco-Nevada to convene and hold the Franco-Nevada Special Meeting to consider the Arrangement as contemplated in (S)1.A. Each successive amendment to any Acquisition Proposal shall constitute a new Acquisition Proposal for the purposes of (S)6.E and F and Newmont shall be afforded a new Response Period in respect of each such Acquisition Proposal.

If any such notice is delivered, provided that Franco-Nevada or Newmont, as the case may be, is proceeding diligently to cure such matter, if such matter is susceptible of being cured (for greater certainty, except by way of disclosure in the case of representations and warranties), the other may not terminate this agreement as a result thereof until the later of the Outside Date and the expiration of a period of 15 days from such notice (the "TERMINATION PERIOD"). but in no case shall Franco-Nevada, Newmont, the Transfer Agent or any other person be required to recognize such Dissenting Shareholders as holders of Franco-Nevada Shares after the Effective Time, and the names of those Dissenting Shareholders shall be deleted from the register of holders of Franco-Nevada Shares at the Effective Time.

SECTION 4--CERTIFICATES AND FRACTIONAL SHARES

4.1 ISSUANCE OF CERTIFICATES REPRESENTING EXCHANGEABLE SHARES. At or promptly after the Effective Time, Acquisitionco shall deposit with the Transfer Agent, for the benefit of the holders of Franco-Nevada Shares and of the Holdco Shareholders, certificates representing that number of whole Exchangeable Shares issuable under the Arrangement. Upon surrender to the Transfer Agent for cancellation of a certificate which immediately prior to the Effective Time represented Franco-Nevada Shares or Holdco Shares that were transferred for Exchangeable Shares under the Arrangement, together with a duly completed Letter of Transmittal and Election Form or a Holdco Letter of Transmittal and Election Form, as the case may be, and such other documents and instruments as the Transfer Agent may reasonably require, the holder of such surrendered certificate shall be entitled to receive, and after the Effective Time the Transfer Agent shall deliver to such person, certificates registered in the name of such person representing that number of Exchangeable Shares which such person is entitled to receive (together with any cash in lieu of Exchangeable Shares pursuant to (S)4.4, less any amounts withheld pursuant to (S)4.7), and any certificate so surrendered shall forthwith be cancelled. In the event of a transfer of ownership of such Franco-Nevada Shares which was not registered in the transfer records of Franco-Nevada, certificates representing the number of Exchangeable Shares issuable in exchange for such Franco-Nevada Shares may be registered in the name of and issued to the transferee if the certificate representing such Franco-Nevada Shares is presented to the Transfer Agent, accompanied by a duly completed Letter of Transmittal and Election Form or Holdco Letter of Transmittal and Election Form, as the case may be, and all documents required to evidence and effect such transfer. B-36

Exchangeable Shares pursuant to (S)2.3, shall be deemed at all times after the Effective Time to represent only the right to receive upon such surrender (i) a certificate representing the Exchangeable Shares as contemplated by this (S)4.1, (ii) a cash payment in lieu of any fractional Exchangeable Shares as contemplated under (S)4.4 and (iii) any dividends or distributions with a record date after the Effective Time theretofore paid or payable with respect to the Exchangeable Shares as contemplated by (S)4.3, in each case less any amounts withheld pursuant to (S)4.7.

Upon surrender (on or prior to the Election Deadline) to the Transfer Agent for cancellation of a certificate which immediately prior to the Effective Time represented outstanding Franco-Nevada Shares or Holdco Shares that were transferred for Newmont Shares under the Arrangement, together with a duly completed Letter of Transmittal and Election Form or a Holdco Letter of Transmittal and Election Form, as the case may be, and such other documents and instruments as the Transfer Agent may reasonably require, the holder of such surrendered certificate shall be entitled to receive, and after the Effective Time the Transfer Agent shall deliver to such person, a certificate representing that number of Newmont Shares which such person is entitled to receive (together with any dividends or distributions with respect thereto pursuant to (S)4.3 and any cash in lieu of fractional Newmont Shares pursuant to (S)4.4, less any amounts withheld pursuant to (S)4.7), and any certificate so surrendered shall forthwith be cancelled. In the event of a transfer of ownership of such Franco-Nevada Shares which was not registered in the transfer records of Franco-Nevada, the certificates representing the number of Newmont Shares issuable in exchange for such Franco-Nevada Shares may be registered in the name of and issued to the transferee if the certificate representing such Franco-Nevada Shares is presented to the Transfer Agent on or prior to the Election Deadline, accompanied by a duly completed Letter of Transmittal and Election Form or Holdco Letter of Transmittal and Election Form, as the case may be, and all documents required to evidence and effect such transfer. Without limiting the provisions of (S)2.7 and 4.6, until surrendered as contemplated by this (S)4.1, each certificate, which immediately prior to the Effective Time represented one or more outstanding Franco-Nevada Shares that, under the Arrangement, were exchanged for Newmont Shares pursuant to (S)2.3, shall be deemed at all times after the Effective Time to represent only the right to receive upon such surrender (i) a certificate representing the Newmont Shares as contemplated by this (S)4.1, (ii) a cash payment in lieu of any fractional Newmont Shares as contemplated under (S)4.4 and (iii) any dividends or distributions with a record date after the Effective Time theretofore paid or payable with respect to the Newmont Shares as contemplated by (S)4.3, in each case less any amounts withheld pursuant to (S)4.7.

4.3 DISTRIBUTIONS WITH RESPECT TO UNSURRENDERED CERTIFICATES. No dividends or other distributions paid, declared or made with respect to (i) Exchangeable Shares or (ii) Newmont Shares, in each case with a record date after the Effective Time, shall be paid to the holder of any unsurrendered certificate which immediately prior to the Effective Time represented outstanding Franco-Nevada Shares or outstanding Holdco Shares or in lieu of fractional Exchangeable Shares or Newmont Shares shall be paid to any such person pursuant to (S)4.4, unless and until such person shall have complied with the provisions of (S)4.1 or 4.2, as applicable. Subject to applicable Law, and to the provisions of (S)4.6, at the time such person shall have complied with the provisions of such sections (or, in the case of clause (z) below, at the appropriate payment date), there shall be paid to such person, without interest (x) the amount of any cash payable in lieu of a fractional Exchangeable Share or Newmont Share to which such person is entitled pursuant to (S)4.4, (y) the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to the Exchangeable Share or the Newmont Share, as the case may be, to which such person is entitled pursuant hereto, and (z) on the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to the date of compliance by such person with the provisions of (S)4.1 or 4.2 and a payment date subsequent to the date of such compliance and payable with respect to such Exchangeable Shares or Newmont Shares, as the case may be.

Acquisitionco will make arrangements with the Transfer Agent for the issuance to the Transfer Agent of Newmont Shares in respect of any such fractional security and shall instruct the Transfer Agent to aggregate and, as soon as is reasonably practicable following the Effective Date, sell such Newmont Shares. The proceeds (net of any commissions in respect of the sale but excluding any deduction for the fees of the Transfer Agent, which fees shall be paid by Acquisitionco) (the "Net Proceeds") received by the Transfer Agent from such sale shall, as soon as is reasonably practicable be distributed to each person otherwise entitled to a fractional interest in an Exchangeable Share or Newmont Share on a PRO RATA basis. The Transfer Agent shall be entitled to retain such brokers and advisors as may be necessary in connection with the sale of the Newmont Shares and shall not be liable for any action taken or omitted to be taken in connection with the sale of the Newmont Shares or the distribution of the Net Proceeds referred to in this (S)4.4. Under no circumstances shall interest accrue or be paid by Acquisitionco, Newmont or the Transfer Agent to persons depositing Franco-Nevada Shares pursuant to (S)2.3, regardless of any delay in selling the Newmont Shares or making any delivery or payment in respect of such shares.

4.5 LOST CERTIFICATES. In the event any certificate which immediately prior to the Effective Time represented one or more outstanding Franco-Nevada Shares that were exchanged pursuant to (S)2.3 shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such certificate to be lost, stolen or destroyed, the Transfer Agent will issue in exchange for such lost, stolen or destroyed certificate, any cash and/or certificates representing Exchangeable Shares or Newmont Shares (and any dividends or distributions with respect thereto) deliverable in accordance with (S)2.3 and such holder's Letter of Transmittal and Election Form or Holdco Letter of Transmittal and Election Form, as the case may be. When authorizing such payment in exchange for any lost, stolen or destroyed certificate, the person to whom cash (if any) and/or certificates representing Exchangeable Shares or Newmont Shares are to be issued shall, as a condition precedent to the issuance thereof, give a bond satisfactory to Franco-Nevada, Acquisitionco, Newmont and their respective transfer agents in such amount as Franco-Nevada, Acquisitionco or Newmont may direct or otherwise indemnify Franco-Nevada, Acquisitionco and Newmont in a manner satisfactory to Franco-Nevada, Acquisitionco and Newmont against any claim that may be made against Franco-Nevada, Acquisitionco or Newmont with respect to the certificate alleged to have been lost, stolen or destroyed.

4.6 EXTINCTION OF RIGHTS. Any certificate which immediately prior to the Effective Time represented outstanding Franco-Nevada Shares that were exchanged pursuant to (S)2.3 that is not deposited with all other instruments required by (S)4.1 or 4.2 on or prior to the date of the notice referred to in (S)7(2) of the Exchangeable Share Provisions shall cease to represent a claim or interest of any kind or nature as a securityholder of Acquisitionco or Newmont. On such date, the cash and/or Exchangeable Shares and/or Newmont Shares to which the former holder of the certificate referred to in the preceding sentence was ultimately entitled shall be deemed to have been surrendered for no consideration to Acquisitionco. None of Newmont, Franco-Nevada, Acquisitionco, Callco or the Transfer Agent shall be liable to any person in respect of any cash delivered to a public official pursuant to any applicable abandoned

property, escheat or similar Law.

4.7 WITHHOLDING RIGHTS. Franco-Nevada, Acquisitionco, Callco, Newmont and the Transfer Agent shall be entitled to deduct and withhold from any dividend or consideration otherwise payable to any holder of Franco-Nevada Shares, Holdco Shares, Newmont Shares or Exchangeable Shares such amounts as Franco-Nevada, Acquisitionco, Callco, Newmont or the Transfer Agent is required to deduct and withhold with respect to such payment under the ITA, United States tax laws or any other applicable Law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes hereof as having been paid to the holder of the securities in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing Agency.

SECTION 5--RIGHTS OF CALLCO TO ACQUIRE EXCHANGEABLE SHARES

5.1 CALLCO LIQUIDATION CALL RIGHT

(a) Callco shall have the overriding right (the "LIQUIDATION CALL RIGHT"), in the event of and notwithstanding the proposed liquidation, dissolution or winding-up of Acquisitionco or any other distribution of the assets of Acquisitionco among its shareholders for the purpose of winding up its affairs, pursuant to (S)5 of the Exchangeable Share Provisions, to purchase from all but not less than all of the holders of Exchangeable Shares (other than any holder of Exchangeable Shares which is Newmont or an affiliate of Newmont) on the Liquidation Date all but not less than all of the Exchangeable Shares held by each such holder on payment by Callco of an amount per share (the "LIQUIDATION CALL PURCHASE PRICE") equal to the Current Market Price of Newmont Shares on the last business day prior to the Liquidation Date, which shall be satisfied in full by Callco delivering or causing to be delivered to such holder one Newmont Share, which on issue will be admitted to listing and traded on the NYSE (subject to official notice of issuance), plus any Dividend Amount. In the event of the exercise of the Liquidation Call Right by Callco, each holder shall be obligated to sell all the Exchangeable Shares held by the holder to Callco on the Liquidation Date on payment by Callco to the holder of the Liquidation Call Purchase Price for each such share, and Acquisitionco shall have no obligation to pay any Liquidation Amount or Dividend Amount to the holders of such shares so purchased by Callco.

(b) To exercise the Liquidation Call Right, Callco must notify the Transfer Agent, as agent for the holders of Exchangeable Shares and Acquisitionco of Callco's intention to exercise such right at least 45 days before the Liquidation Date in the case of a voluntary liquidation, dissolution or winding-up of Acquisitionco or any other voluntary distribution of the assets of Acquisitionco among its shareholders for the purpose of winding up its affairs, and at least five business days before the Liquidation Date in the case of an involuntary liquidation, dissolution or winding-up of Acquisitionco or any other involuntary distribution of the assets of Acquisitionco among its shareholders for the purpose of winding up its affairs. The Transfer Agent will notify the holders of Exchangeable Shares as to whether or not Callco has exercised the Liquidation Call Right forthwith after the expiry of the period during which the same may be exercised by Callco. If Callco exercises the Liquidation Call Right, then on the Liquidation Date, Callco will purchase and the holders will sell all of the Exchangeable Shares then outstanding for a price per share equal to the Liquidation Call Purchase Price.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

(c) For the purposes of completing the purchase of the Exchangeable Shares pursuant to the Liquidation Call Right, Callco shall deposit or cause to be deposited with the Transfer Agent, on or before the Liquidation Date, certificates representing the aggregate number of Newmont Shares which Callco shall deliver or cause to be delivered pursuant to (S)5.1(a) and a cheque or cheques of Callco payable at par at any branch of the bankers of Callco representing the aggregate Dividend Amount, if any, in payment of the total Liquidation Call Purchase Price, in each case less any amounts withheld pursuant to (S)4.7. Provided that Callco has complied with the immediately preceding sentence, on and after the Liquidation Date the holders of the Exchangeable Shares shall cease to be holders of the Exchangeable Shares and shall not be entitled to exercise any of the rights of holders in respect thereof (including any rights under the Voting and Exchange Trust Agreement), other than the right to receive their proportionate part of the aggregate Liquidation Call Purchase Price, unless payment of the aggregate Liquidation Call Purchase Price for the Exchangeable Shares shall not be made upon presentation and surrender of share certificates in accordance with the following provisions of this (S)5.1(c), in which case the rights of the holders shall remain unaffected until the aggregate Liquidation Call Purchase Price has been paid in the manner herein provided. Upon surrender to the Transfer Agent of a certificate or certificates representing Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the CBCA and articles of Acquisitionco and such additional documents, instruments and payments as the Transfer Agent may reasonably require, the holder of such surrendered certificate or certificates shall be entitled to receive in exchange therefor, and the Transfer Agent on behalf of Callco shall transfer to such holder, the Newmont Shares to which such holder is entitled and as soon as reasonably practicable thereafter the Transfer Agent shall deliver to such holder certificates representing the Newmont Shares to which the

B-39

holder is entitled and a cheque or cheques of Callco payable at par at any branch of the bankers of Callco representing the Dividend Amount, if any, and when received by the Transfer Agent, all dividends and other distributions with respect to such Newmont Shares with a record date after the Liquidation Date and before the date of the transfer of such Newmont Shares to such holder, less any amounts withheld pursuant to (S)4.7. If Callco does not exercise the Liquidation Call Right in the manner described above, on the Liquidation Date, the holders of the Exchangeable Shares will be entitled to receive in exchange therefor the Liquidation Amount otherwise payable by Acquisitionco in connection with the liquidation, dissolution or winding-up of Acquisitionco or any distribution of the assets of Acquisitionco among its shareholders for the purpose of winding up its affairs pursuant to Article (S)5 of the Exchangeable Share Provisions.

5.2 CALLCO REDEMPTION CALL RIGHT

In addition to Callco's rights contained in the Exchangeable Share Provisions, including the Retraction Call Right (as defined in the Exchangeable Share Provisions), Callco shall have the following rights in respect of the Exchangeable Shares:

(a) Callco shall have the overriding right (the "REDEMPTION CALL RIGHT"), notwithstanding the proposed redemption of the Exchangeable Shares by Acquisitionco pursuant to Article (S)7 of the Exchangeable Share Provisions, to purchase from all but not less than all of the holders of Exchangeable Shares (other than any holder of Exchangeable Shares which is Newmont or an

affiliate of Newmont) on the Redemption Date all but not less than all of the Exchangeable Shares held by each such holder on payment by Callco to each holder of an amount per Exchangeable Share (the "REDEMPTION CALL PURCHASE PRICE") equal to the Current Market Price of a Newmont Share on the last business day prior to the Redemption Date, which shall be satisfied in full by Callco delivering or causing to be delivered to such holder one Newmont Share, which on issue will be admitted to listing and traded on the NYSE (subject to official notice of issuance), plus any Dividend Amount. In the event of the exercise of the Redemption Call Right by Callco, each holder shall be obligated to sell all the Exchangeable Shares held by the holder to Callco on the Redemption Date on payment by Callco to the holder of the Redemption Call Purchase Price for each such share, and Acquisitionco shall have no obligation to redeem, or to pay any Dividend Amount in respect of, such shares so purchased by Callco.

(b) To exercise the Redemption Call Right, Callco must notify the Transfer Agent, as agent for the holders of Exchangeable Shares and Acquisitionco of Callco's intention to exercise such right at least 60 days before the Redemption Date, except in the case of a redemption occurring as a result of a Newmont Control Transaction (as defined in the Exchangeable Share Provisions) or an Exchangeable Share Voting Event, in which case Callco shall so notify the Transfer Agent and Acquisitionco on or before the Redemption Date. The Transfer Agent will notify the holders of the Exchangeable Shares as to whether or not Callco has exercised the Redemption Call Right forthwith after the expiry of the period during which the same may be exercised by Callco. If Callco exercises the Redemption Call Right, on the Redemption Date Callco will purchase and the holders will sell all of the Exchangeable Shares then outstanding for a price per share equal to the Redemption Call Purchase Price.

(c) For the purposes of completing the purchase of the Exchangeable Shares pursuant to the Redemption Call Right, Callco shall deposit or cause to be deposited with the Transfer Agent, on or before the Redemption Date, certificates representing the aggregate number of Newmont Shares which Callco shall deliver or cause to be delivered pursuant to (S)5.2(a) and a cheque or cheques of Callco payable at par at any branch of the bankers of Callco representing the aggregate Dividend Amount, if any, in payment of the aggregate Redemption Call Purchase Price, in each case less any amounts withheld pursuant to (S)4.7. Provided that Callco has complied with the immediately preceding sentence, on and after the Redemption Date the holders of the Exchangeable Shares shall cease to be holders of the Exchangeable Shares and shall not be entitled to exercise any of the rights of holders in respect thereof (including any rights under the Voting and Exchange Trust Agreement), other than the right to receive their proportionate part of the aggregate Redemption Call Purchase Price, unless payment of the aggregate Redemption Call Purchase Price for the Exchangeable Shares shall not be made upon presentation and surrender of share certificates in

B-40

accordance with the following provisions of this (S)5.2(c), in which case the rights of the holders shall remain unaffected until the aggregate Redemption Call Purchase Price has been paid in the manner herein provided. Upon surrender to the Transfer Agent of a certificate or certificates representing Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the CBCA and articles of Acquisitionco and such additional documents, instruments and payments as the Transfer Agent may reasonably require, the holder of such surrendered certificate or certificates shall be entitled to receive in exchange therefor, and the Transfer Agent on behalf of Callco

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

shall transfer to such holder, the Newmont Shares to which such holder is entitled and as soon as reasonably practicable thereafter the Transfer Agent shall deliver to such holder certificates representing the Newmont Shares to which the holder is entitled and a cheque or cheques of Callco payable at par at any branch of the bankers of Callco representing the Dividend Amount, if any, and when received by the Transfer Agent, all dividends and other distributions with respect to such Newmont Shares with a record date after the Redemption Date and before the date of the transfer of such Newmont Shares to such holder, less any amounts withheld pursuant to (S)4.7. If Callco does not exercise the Redemption Call Right in the manner described above, on the Redemption Date the holders of the Exchangeable Shares will be entitled to receive in exchange therefor the redemption price otherwise payable by Acquisitionco in connection with the redemption of the Exchangeable Shares pursuant to Article (S)7 of the Exchangeable Share Provisions.

5.3 CONTINUATION OF RIGHTS. For greater certainty, the amalgamation of Acquisitionco pursuant to (S)2.3(f) shall not impair the Liquidation Call Right or the Redemption Call Right, which thereafter may continue to be exercised by Callco.

5.4 DESIGNATION. Notwithstanding anything to the contrary contained in this (S)5, the Voting and Exchange Trust Agreement, the Support Agreement or in the provisions attaching to the Exchangeable Shares, the Liquidation Call Right and/or the Redemption Call Right may be exercised by, and the related obligations thereunder performed by, Newmont, Newmont Subco or an affiliate of Newmont, either alone or together with Callco.

5.5 SHAREHOLDER RIGHTS PLAN. The rights ("NEWMONT RIGHTS") issued under Newmont's shareholder rights plan, dated as of August 31, 2000, shall attach to all Newmont Shares issued in exchange for Franco-Nevada Shares and Holdco Shares, as the case may be, pursuant to the Arrangement and upon the exercise of Franco-Nevada Options. The Newmont Rights shall not attach to any Exchangeable Shares issued under the Plan of Arrangement.

SECTION 6--AMENDMENT

6.1 PLAN OF ARRANGEMENT AMENDMENT.

(a) Franco-Nevada reserves the right to amend, modify and/or supplement this Plan of Arrangement at any time and from time to time (with the prior written consent of Newmont), provided that any such amendment, modification and/or supplement must be contained in a written document that is filed with the Court and, if made after the Special Meeting, approved by the Court and communicated to shareholders in the manner required by the Court (if so required).

(b) Any amendment, modification or supplement to this Plan of Arrangement may be proposed by Franco-Nevada (with the prior written consent of Newmont) at any time before or at the Special Meeting with or without any other prior notice or communication and, if so proposed and accepted by the persons voting at the Special Meeting, shall become part of this Plan of Arrangement for all purposes.

(c) Any amendment, modification or supplement to this Plan of Arrangement that is approved or directed by the Court following the Special Meeting shall be effective only if it is consented to in writing by Franco-Nevada and Newmont and, if required by the Court, is consented to by Franco-Nevada Shareholders voting in the manner directed by the Court.

(d) Any amendment, modification or supplement to this Plan of Arrangement may be made prior to the Effective Date unilaterally by Newmont, provided that it concerns a matter which, in the reasonable opinion of Newmont, is of an administrative nature required to better give effect to the implementation of this Plan of Arrangement and is not adverse to the financial or economic interests of any Franco-Nevada Shareholder.

SECTION 7--FURTHER ASSURANCES

Franco-Nevada and Newmont shall make, do and execute, or cause to be made, done and executed, all such further acts, deeds, agreements, transfers, assurances, instruments or documents as may reasonably be required by either of them to document or evidence any of the transactions or events set out in this Plan of Arrangement.

SECTION 8--NOTICE

Any notice to be given by Newmont pursuant to the Arrangement will be deemed to have been properly given if it is mailed by first class mail, postage prepaid, to registered Franco-Nevada Shareholders at their addresses as shown on the register of Shareholders maintained by Franco-Nevada and will be deemed to have been received on the first day following the date of mailing which is a business day.

The provisions of this Plan of Arrangement, the Arrangement Agreement, the Letter of Transmittal and Election Form and the Holdco Letter of Transmittal and Election Form apply notwithstanding any accidental omission to give notice to any one or more Shareholders and notwithstanding any interruption of mail services in Canada or, the United States or elsewhere following mailing. In the event of any interruption of mail service following mailing, Newmont intends to make reasonable efforts to disseminate any notice by other means, such as publication. Except as otherwise required or permitted by law, if post offices in Canada are not open for the deposit of mail, any notice which Newmont or the Transfer Agent may give or cause to be given under the Arrangement will be deemed to have been properly given and to have been received by Franco-Nevada Shareholders if (i) it is given to the TSE for dissemination or (ii) it is published once in the National Edition of The Globe and Mail and in the daily newspapers of general circulation in each of the French and English languages in the City of Montreal, provided that if the National Edition of The Globe and Mail is not being generally circulated, publication thereof will be made in The Financial Post or any other daily newspaper of general circulation published in the City of Toronto.

Notwithstanding the provisions of the Arrangement Agreement, this Plan of Arrangement, the Letter of Transmittal and Election Form and the Holdco Letter of Transmittal and Election Form, certificates for Newmont Shares and cheques in payment for Newmont Shares exchanged pursuant to the Arrangement need not be mailed if Newmont determines that delivery thereof by mail may be delayed. Persons entitled to cheques and certificates which are not mailed for the foregoing reason may take delivery thereof at the office of the Transfer Agent to which the deposited certificates for Newmont Shares in respect of which the cheque and certificates being issued were deposited, upon application to the Transfer Agent, until such time as Newmont has determined that delivery by mail will not longer be delayed. Newmont will provide notice of any such determination not to mail made hereunder as soon as reasonably practicable after the making of such determination and in accordance with this (S)8. Notwithstanding the provisions of the Arrangement Agreement, this Plan of Arrangement, the Letter of Transmittal and Election Form and the Holdco Letter of Transmittal and Election Form, the deposit of cheques and certificates with the Transfer Agent in such circumstances will constitute delivery to the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

persons entitled thereto and the Newmont Shares will be deemed to have been paid for immediately upon such deposit.

3. DIVIDENDS

(1) A holder of an Exchangeable Share shall be entitled to receive and the Board of Directors shall, subject to applicable law, on each Newmont Dividend Declaration Date, declare a dividend on each Exchangeable Share:

(a) in the case of a cash dividend declared on the Newmont Shares, in an amount in cash for each Exchangeable Share equal to the Canadian Dollar Equivalent of the cash dividend declared on each Newmont Share on the Newmont Dividend Declaration Date;

(b) in the case of a stock dividend declared on the Newmont Shares to be paid in Newmont Shares, by the issue or transfer by Acquisitionco of such number of Exchangeable Shares for each Exchangeable Share as is equal to the number of Newmont Shares to be paid on each Newmont Share unless in lieu of such stock dividend Acquisitionco elects to effect a corresponding and contemporaneous and economically equivalent (as determined by the Board of Directors in accordance with (S)3.5 hereof) subdivision of the outstanding Exchangeable Shares; or

(c) in the case of a dividend declared on the Newmont Shares in property other than cash or Newmont Shares, in such type and amount of property for

each Exchangeable Share as is the same as or economically equivalent (to be determined by the Board of Directors as contemplated by (S)3(5) hereof) to the type and amount of property declared as a dividend on each Newmont Share.

Such dividends shall be paid out of money, assets or property of Acquisitionco properly applicable to the payment of dividends, or out of authorized but unissued shares of Acquisitionco, as applicable. The holders of Exchangeable Shares shall not be entitled to any dividends other than or in excess of the dividends referred to in this (S)3(1).

or transferred in respect of any stock dividends contemplated by (S)3(1)(b) hereof and the sending of such a certificate to each holder of an Exchangeable Share shall satisfy the stock dividend represented thereby. Such other type and amount of property in respect of any dividends contemplated by (S)3(1)(c) hereof shall be issued, distributed or transferred by Acquisitionco in such manner as it shall determine and the issuance, distribution or transfer thereof by Acquisitionco to each holder of an Exchangeable Share shall satisfy the dividend represented thereby. No holder of an Exchangeable Share shall be entitled to recover by action or other legal process against Acquisitionco any dividend that is represented by a cheque that has not been duly presented to Acquisitionco's bankers for payment or that otherwise remains unclaimed for a period of six years from the date on which such dividend was payable.

(3) The record date for the determination of the holders of Exchangeable Shares entitled to receive payment of, and the payment date for, any dividend declared on the Exchangeable Shares under (S)3(1) hereof shall be the same dates as the record date and payment date, respectively, for the corresponding dividend declared on the Newmont Shares. The record date for the determination of the holders of Exchangeable Shares entitled to receive Exchangeable Shares in connection with any subdivision, redivision or change of the Exchangeable Shares under (S)3(1)(b) hereof and the effective date of such subdivision shall be the same dates as the record and payment date, respectively, for the corresponding stock dividend declared on the Newmont Shares.

(4) If on any payment date for any dividends declared on the Exchangeable Shares under (S)3(1) hereof the dividends are not paid in full on all of the Exchangeable Shares then outstanding, any such dividends that remain unpaid shall be paid on a subsequent date or dates determined by the Board of Directors on which Acquisitionco shall have sufficient moneys, assets or property properly applicable to the payment of such dividends.

(5) The Board of Directors shall determine, in good faith and in its sole discretion, economic equivalence for the purposes of these share provisions, including (S)3(1) hereof, and each such determination shall be conclusive and binding on Acquisitionco and its shareholders. In making each such determination, the following factors shall, without excluding other factors determined by the Board of Directors to be relevant, be considered by the Board of Directors:

(b) in the case of the issuance or distribution of any rights, options or warrants to subscribe for or purchase Newmont Shares (or securities exchangeable for or convertible into or carrying rights to acquire Newmont Shares), the relationship between the exercise price of each such right, option or warrant and the Current Market Price;

(c) in the case of the issuance or distribution of any other form of property (including any shares or securities of Newmont of any class other than Newmont Shares, any rights, options or warrants other than those referred to in (S)3(5)(b) hereof, any evidences of indebtedness of Newmont or any assets of Newmont), the relationship between the fair market value (as determined by the Board of Directors in the manner above contemplated) of such property to be issued or distributed with respect to each outstanding Newmont Share and the Current Market Price of a Newmont Share; and

(d) in all such cases, the general taxation consequences of the relevant event to holders of Exchangeable Shares to the extent that such consequences may differ from the taxation consequences to holders of Newmont Shares as a result of differences between taxation laws of Canada and the United States (except for any differing consequences arising as a result of differing marginal taxation rates and without regard to the individual circumstances of holders of Exchangeable Shares).

4. CERTAIN RESTRICTIONS

So long as any of the Exchangeable Shares are outstanding, Acquisitionco shall not at any time without, but may at any time with, the approval of the holders of the Exchangeable Shares given as specified in (S)10(2) of these share provisions:

(a) pay any dividends on the Common Shares, Special Shares or any other shares ranking junior to the Exchangeable Shares, other than stock dividends payable in Common Shares, Special Shares or any such other shares ranking junior to the Exchangeable Shares, as the case may be;

B-48

(b) redeem or purchase or make any capital distribution in respect of Common Shares, Special Shares or any other shares ranking junior to the Exchangeable Shares;

(c) redeem or purchase any other shares of Acquisitionco ranking equally with the Exchangeable Shares with respect to the payment of dividends or the distribution of assets in the event of the liquidation, dissolution or winding-up of Acquisitionco, whether voluntary or involuntary, or any other distribution of the assets of Acquisitionco among its shareholders for the purpose of winding up its affairs; or

(d) issue any Exchangeable Shares or any other shares of Acquisitionco ranking equally with the Exchangeable Shares other than by way of stock dividends to the holders of such Exchangeable Shares; and

(e) issue any shares of Acquisitionco ranking superior to the Exchangeable Shares.

The restrictions in (S)4(a), (b), (c) and (d) hereof shall not apply if: (i) all dividends on the outstanding Exchangeable Shares corresponding to dividends

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

declared and paid to date on the Newmont Shares shall have been declared and paid on the Exchangeable Shares; and (ii) in the case of an issuance of any Exchangeable Shares as contemplated in (S)4(d), the members of the board of directors of Newmont that vote on the matter shall have unanimously approved the issuance of the additional Exchangeable Shares.

5. DISTRIBUTION ON LIQUIDATION

(1) In the event of the liquidation, dissolution or winding-up of Acquisitionco or any other distribution of the assets of Acquisitionco among its shareholders for the purpose of winding up its affairs, subject to the exercise by Callco of the Liquidation Call Right, a holder of Exchangeable Shares shall be entitled, subject to applicable law, to receive from the assets of Acquisitionco in respect of each Exchangeable Share held by such holder on the effective date (the "LIQUIDATION DATE") of such liquidation, dissolution, winding-up or other distribution, before any distribution of any part of the assets of Acquisitionco among the holders of the Common Shares, Special Shares or any other shares ranking junior to the Exchangeable Shares, an amount per share (the "LIQUIDATION AMOUNT") equal to the Current Market Price of a Newmont Share on the last business day prior to the Liquidation Date, which shall be satisfied in full by Acquisitionco delivering or causing to be delivered to such holder one Newmont Share, plus an amount equal the Dividend Amount.

(2) On or promptly after the Liquidation Date, and provided the Liquidation Call Right has not been exercised by Callco, Acquisitionco shall pay or cause to be paid to the holders of the Exchangeable Shares the Liquidation Amount for each such Exchangeable Share upon presentation and surrender of the certificates representing such Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the CBCA and the Articles of Acquisitionco and such additional documents, instruments and payments as the Transfer Agent and Acquisitionco may reasonably require, at the registered office of Acquisitionco or at any office of the Transfer Agent as may be specified by Acquisitionco by notice to the holders of the Exchangeable Shares. Payment of the Liquidation Amount for such Exchangeable Shares shall be made by transferring or causing to be transferred to each holder the Newmont Shares to which such holder is entitled and by delivering to such holder, at the address of such holder recorded in the register of shareholders of Acquisitionco for the Exchangeable Shares or by holding for pick-up by such holder at the registered office of Acquisitionco or at any office of the Transfer Agent as may be specified by Acquisitionco by notice to the holders of Exchangeable Shares, on behalf of Acquisitionco certificates representing Newmont Shares (which shares shall be fully paid and shall be free and clear of any lien, claim or encumbrance) and a cheque of Acquisitionco payable at par at any branch of the bankers of Acquisitionco in respect of the Dividend Amount, in each case less any amounts withheld on account of tax required to be deducted and withheld therefrom. On and after the Liquidation Date, the holders of the Exchangeable Shares shall cease to be holders of such Exchangeable Shares and shall not be entitled to exercise any of the rights of holders in respect thereof (including any rights under the Voting and Exchange Trust Agreement), other than the right to receive the Liquidation Amount, unless payment of the total Liquidation Amount for such Exchangeable Shares shall not be made upon presentation and surrender of share certificates in accordance with the foregoing

B-49

provisions, in which case the rights of the holders shall remain unaffected until the Liquidation Amount has been paid in the manner hereinbefore provided. Acquisitionco shall have the right at any time after the Liquidation Date to transfer or cause to be issued or transferred to, and deposited with, the Agent

the Liquidation Amount in respect of the Exchangeable Shares represented by certificates that have not at the Liquidation Date been surrendered by the holders thereof, such Liquidation Amount to be held by the Agent as trustee for and on behalf of, and for the use and benefit of, such holders. Upon such deposit being made, the rights of a holder of Exchangeable Shares after such deposit shall be limited to receiving its proportionate part of the Liquidation Amount for such Exchangeable Shares so deposited, without interest, and when received by the Agent, all dividends and other distributions with respect to the Newmont Shares to which such holder is entitled with a record date after the date of such deposit and before the date of transfer of such Newmont Shares to such holder (in each case less any amounts withheld on account of tax required to be deducted and withheld therefrom) against presentation and surrender of the certificates for the Exchangeable Shares held by them in accordance with the foregoing provisions.

(3) After Acquisitionco has satisfied its obligations to pay the holders of the Exchangeable Shares the Liquidation Amount per Exchangeable Share pursuant to (S)5(1) of these share provisions, such holders shall not be entitled to share in any further distribution of the assets of Acquisitionco.

6. RETRACTION OF EXCHANGEABLE SHARES BY HOLDER

(1) A holder of Exchangeable Shares shall be entitled at any time, subject to the exercise by Callco of the Retraction Call Right and otherwise upon compliance with, and subject to, the provisions of this (S)6, to require Acquisitionco to redeem any or all of the Exchangeable Shares registered in the name of such holder for an amount per share equal to the Current Market Price of a Newmont Share on the last business day prior to the Retraction Date (the "RETRACTION PRICE"), which shall be satisfied in full by Acquisitionco delivering or causing to be delivered to such holder one Newmont Share (which on issue will be admitted to listing and trading by the NYSE (subject to official notice of issuance)) for each Exchangeable Share presented and surrendered by the holder together with, on the designated payment date therefor, the Dividend Amount. To effect such redemption, the holder shall present and surrender at the registered office of Acquisitionco or at any office of the Transfer Agent as may be specified by Acquisitionco by notice to the holders of Exchangeable Shares the certificate or certificates representing the Exchangeable Shares which the holder desires to have Acquisitionco redeem, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the CBCA and the Articles of Acquisitionco and such additional documents, instruments and payments as the Transfer Agent and Acquisitionco may reasonably require, and together with a duly executed statement (the "RETRACTION REQUEST") in the form of Schedule A hereto or in such other form as may be acceptable to Acquisitionco:

(a) specifying that the holder desires to have all or any number specified therein of the Exchangeable Shares represented by such certificate or certificates (the "RETRACTED SHARES") redeemed by Acquisitionco;

(b) stating the business day on which the holder desires to have Acquisitionco redeem the Retracted Shares (the "RETRACTION DATE"), provided that the Retraction Date shall be not less than 10 business days nor more than 15 business days after the date on which the Retraction Request is received by Acquisitionco and further provided that, in the event that no such business day is specified by the holder in the Retraction Request, the Retraction Date shall be deemed to be the 15th business day after the date on which the Retraction Request is received by Acquisitionco and subject also to (S)6(8); and

(c) acknowledging the overriding right (the "RETRACTION CALL RIGHT") of Callco to purchase all but not less than all the Retracted Shares directly from the holder and that the Retraction Request shall be deemed to be a

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

revocable offer by the holder to sell the Retracted Shares to Callco in accordance with the Retraction Call Right on the terms and conditions set out in (S)6(3) hereof.

B-50

(2) Provided that Callco has not exercised the Retraction Call Right, upon receipt by Acquisitionco or the Transfer Agent in the manner specified in (S)6(1) of a certificate or certificates representing the number of Retracted Shares, together with a Retraction Request, and provided that the Retraction Request is not revoked by the holder in the manner specified in (S)6(7), Acquisitionco shall redeem the Retracted Shares effective at the close of business on the Retraction Date and shall transfer or cause to be issued or transferred to such holder the Newmont Shares to which such holder is entitled and shall comply with (S)6(4) hereof. If only a part of the Exchangeable Shares represented by any certificate is redeemed (or purchased by Callco pursuant to the Retraction Call Right), a new certificate for the balance of such Exchangeable Shares shall be issued to the holder at the expense of Acquisitionco.

(3) Subject to the provisions of this (S)6, upon receipt by Acquisitionco of a Retraction Request, Acquisitionco shall immediately notify Callco thereof and shall provide to Callco a copy of the Retraction Request. In order to exercise the Retraction Call Right, Callco must notify Acquisitionco of its determination to do so (the "CALLCO CALL NOTICE") within five business days of notification to Callco by Acquisitionco of the receipt by Acquisitionco of the Retraction Request. If Callco does not so notify Acquisitionco within such five business day period, Acquisitionco will notify the holder as soon as possible thereafter that Callco will not exercise the Retraction Call Right. If Callco delivers the Callco Call Notice within such five business day period, and provided that the Retraction Request is not revoked by the holder in the manner specified in (S)6(7), the Retraction Request shall thereupon be considered only to be an offer by the holder to sell the Retracted Shares to Callco in accordance with the Retraction Call Right. In such event, Acquisitionco shall not redeem the Retracted Shares and Callco shall purchase from such holder and such holder shall sell to Callco on the Retraction Date the Retracted Shares for a purchase price (the "PURCHASE PRICE") per share equal to the Retraction Price per share, plus, on the designated payment date therefor, to the extent not paid by Acquisitionco on the designated payment date therefor, any Dividend Amount. To the extent that Callco pays the Dividend Amount in respect of the Retracted Shares, Acquisitionco shall no longer be obligated to pay any declared and unpaid dividends on such Retracted Shares. For the purpose of completing a purchase pursuant to the Retraction Call Right, on the Retraction Date, Callco shall transfer or cause to be issued or transferred to the holder of the Retracted Shares the Newmont Shares to which such holder is entitled. Provided that Callco has complied with the immediately preceding sentence and (S)6(4) hereof, the closing of the purchase and sale of the Retracted Shares pursuant to the Retraction Call Right shall be deemed to have occurred as at the close of business on the Retraction Date and, for greater certainty, no redemption by Acquisitionco of such Retracted Shares shall take place on the Retraction Date. In the event that Callco does not deliver a Callco Call Notice within such five business day period, and provided that the Retraction Request is not revoked by the holder in the manner specified in (S)6(7), Acquisitionco shall redeem the Retracted Shares on the Retraction Date and in the manner otherwise contemplated in this (S)6.

(4) Acquisitionco or Callco, as the case may be, shall deliver or cause the Transfer Agent to deliver to the relevant holder, at the address of the holder recorded in the register of shareholders of Acquisitionco for the Exchangeable Shares or at the address specified in the holder's Retraction Request or by

holding for pick-up by the holder at the registered office of Acquisitionco or at any office of the Transfer Agent as may be specified by Acquisitionco by notice to the holders of Exchangeable Shares, certificates representing the Newmont Shares (which shares shall be fully paid and shall be free and clear of any lien, claim or encumbrance and which on issue will be admitted to listing and trading by the NYSE (subject to official notice of issuance)) registered in the name of the holder or in such other name as the holder may request, and, if applicable and on or before the payment date therefor, a cheque payable at par at any branch of the bankers of Acquisitionco or Callco, as applicable, representing the aggregate Dividend Amount, in payment of the Retraction Price or the Purchase Price, as the case may be, in each case less any amounts withheld on account of tax required to be deducted and withheld therefrom, and such delivery of such certificates and cheques on behalf of Acquisitionco or by Callco, as the case may be, or by the Transfer Agent shall be deemed to be payment of and shall satisfy and discharge all liability for the Retraction Price or Purchase Price, as the case may be, to the extent that the same is represented by such share certificates and cheques (plus any tax deducted and withheld therefrom and remitted to the proper tax authority).

B-51

(5) On and after the close of business on the Retraction Date, the holder of the Retracted Shares shall cease to be a holder of such Retracted Shares and shall not be entitled to exercise any of the rights of a holder in respect thereof (including any rights under the Voting and Exchange Trust Agreement), other than the right to receive the Retraction Price or Purchase Price, as the case may be, unless upon presentation and surrender of certificates in accordance with the foregoing provisions, payment of the Retraction Price or the Purchase Price, as the case may be, shall not be made as provided in (S)6(4) hereof, in which case the rights of such holder shall remain unaffected until the Retraction Price or the Purchase Price, as the case may be, has been paid in the manner hereinbefore provided. On and after the close of business on the Retraction Date, provided that presentation and surrender of certificates and payment of the Retraction Price or the Purchase Price, as the case may be, has been made in accordance with the foregoing provisions, the holder of the Retracted Shares so redeemed by Acquisitionco or purchased by Callco shall thereafter be a holder of the Newmont Shares delivered to it.

(6) Notwithstanding any other provision of this (S)6, Acquisitionco shall not be obligated to redeem Retracted Shares specified by a holder in a Retraction Request to the extent that such redemption of Retracted Shares would be contrary to solvency requirements or other provisions of applicable law. If Acquisitionco believes that on any Retraction Date it would not be permitted by any of such provisions to redeem the Retracted Shares tendered for redemption on such date, and provided that Callco shall not have exercised the Retraction Call Right with respect to the Retracted Shares, Acquisitionco shall only be obligated to redeem Retracted Shares specified by a holder in a Retraction Request to the extent of the maximum number that may be so redeemed (rounded down to a whole number of shares) as would not be contrary to such provisions and shall notify the holder and the Trustee at least two business days prior to the Retraction Date as to the number of Retracted Shares which will not be redeemed by Acquisitionco. In any case in which the redemption by Acquisitionco of Retracted Shares would be contrary to solvency requirements or other provisions of applicable law, Acquisitionco shall redeem Retracted Shares in accordance with (S)6(2) of these share provisions on a pro rata basis and shall issue to each holder of Retracted Shares a new certificate, at the expense of Acquisitionco, representing the Retracted Shares not redeemed by Acquisitionco pursuant to (S)6(2) hereof. If Acquisitionco would otherwise be obligated to redeem the Retracted Shares pursuant to (S)6(2) of these share provisions but is not obligated to do so as a result of solvency requirements or other

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

provisions of applicable law, Newmont shall, subject to applicable law, purchase such Retracted Shares from such holder on the Retraction Date or as soon as practicable thereafter on payment by Newmont to such holder of the Purchase Price for each such Retracted Share, all as more specifically provided for in the Voting and Exchange Trust Agreement.

(7) A holder of Retracted Shares may, by notice in writing given by the holder to Acquisitionco before the close of business on the business day immediately preceding the Retraction Date, withdraw its Retraction Request, in which event such Retraction Request shall be null and void and, for greater certainty, the revocable offer constituted by the Retraction Request to sell the Retracted Shares to Callco shall be deemed to have been revoked.

(8) Notwithstanding any other provision of this (S)6, if:

(a) exercise of the rights of the holders of the Exchangeable Shares, or any of them, to require Acquisitionco to redeem any Exchangeable Shares pursuant to this (S)6 on any Retraction Date would require listing particulars or any similar document to be issued in order to obtain the approval of NYSE to the listing and trading (subject to official notice of issuance) of, the Newmont Shares that would be required to be delivered to such holders of Exchangeable Shares in connection with the exercise of such rights; and

(b) as a result of (a) above, it would not be practicable (notwithstanding the reasonable endeavours of Newmont) to obtain such approvals in time to enable all or any of such Newmont Shares to be admitted to listing and trading by NYSE (subject to official notice of issuance) when so delivered,

that Retraction Date shall, notwithstanding any other date specified or otherwise deemed to be specified in any relevant Retraction Request, be deemed for all purposes to be the earlier of (i) the second business day immediately following the date the approvals referred to in (S)6(8)(a) are obtained, and (ii) the date which is 30 business days after the date on which the relevant Retraction Request is received by Acquisitionco, and references in these share provisions to such Retraction Date shall be construed accordingly.

7. REDEMPTION OF EXCHANGEABLE SHARES BY ACQUISITIONCO

(1) Subject to applicable law, and provided Callco has not exercised the Redemption Call Right, Acquisitionco shall on the Redemption Date redeem all but not less than all of the then outstanding Exchangeable Shares for an amount per share (the "REDEMPTION PRICE") equal to the Current Market Price of a Newmont Share on the last business day prior to the Redemption Date, which shall be satisfied in full by Acquisitionco causing to be delivered to each holder of Exchangeable Shares one Newmont Share for each Exchangeable Share held by such holder, together with an amount equal to the Dividend Amount.

(2) In any case of a redemption of Exchangeable Shares under this (S)7, Acquisitionco shall, at least 60 days before the Redemption Date (other than a Redemption Date established in connection with a Newmont Control Transaction or an Exchangeable Share Voting Event), send or cause to be sent to each holder of Exchangeable Shares a notice in writing of the redemption by Acquisitionco or the purchase by Callco under the Redemption Call Right, as the case may be, of the Exchangeable Shares held by such holder. In the case of a Redemption Date established in connection with a Newmont Control Transaction or an Exchangeable Share Voting Event, the written notice of the redemption by Acquisitionco or

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

the purchase by Callco under the Redemption Call Right will be sent on or before the Redemption Date, on as many days prior written notice as may be determined by the Board of Directors to be reasonably practicable in the circumstances. In any such case, such notice shall set out the formula for determining the Redemption Price or the Redemption Call Purchase Price, as the case may be, the Redemption Date and, if applicable, particulars of the Redemption Call Right.

(3) On or after the Redemption Date and provided that the Redemption Call Right has not been exercised by Callco, Acquisitionco shall pay or cause to be paid to the holders of the Exchangeable Shares to be redeemed the Redemption Price for each such Exchangeable Share, upon presentation and surrender at the registered office of Acquisitionco or at any office of the Transfer Agent as may be specified by Acquisitionco in such notice of the certificates representing such Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the CBCA and the Articles of Acquisitionco and such additional documents, instruments and payments as the Transfer Agent and Acquisitionco may reasonably require. Payment of the Redemption Price for such Exchangeable Shares shall be made by transferring or causing to be issued or transferred to each holder the Newmont Shares to which such holder is entitled and by delivering to such holder, at the address of such holder recorded in the register of shareholders of Acquisitionco for the Exchangeable Shares or by holding for pick-up by such holder at the registered office of Acquisitionco or at any office of the Transfer Agent as may be specified by Acquisitionco in such notice, on behalf of Acquisitionco certificates representing Newmont Shares (which shares shall be fully paid and shall be free and clear of any lien, claim or encumbrance), and, if applicable, a cheque of Acquisitionco payable at par at any branch of the bankers of Acquisitionco in payment of the Dividend Amount, in each case less any amounts withheld on account of tax required to be deducted and withheld therefrom. On and after the Redemption Date, the holders of the Exchangeable Shares called for redemption shall cease to be holders of such Exchangeable Shares and shall not be entitled to exercise any of the rights of holders in respect thereof (including any rights under the Voting and Exchange Trust Agreement), other than the right to receive the Redemption Price, unless payment of the Redemption Price for such Exchangeable Shares shall not be made upon presentation and surrender of certificates in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected until the Redemption Price has been paid in the manner hereinbefore provided. Acquisitionco shall have the right at any time after the sending of notice of its intention to redeem the Exchangeable Shares as aforesaid to transfer or cause to be issued or transferred to, and deposited with, the Agent named in such notice the Redemption Price for the Exchangeable Shares (except as otherwise provided in this (S)7(3) so called for redemption, or of such of the said Exchangeable Shares represented by certificates that have not at the date of such deposit been surrendered by the holders thereof in connection with such redemption, less any amounts withheld on account of tax required to be deducted and withheld therefrom, such aggregate Redemption Price to be held by the Agent as trustee for and on behalf of, and for the use and benefit of, such holders. Upon the later of such deposit being made and the Redemption Date, the Exchangeable Shares in respect whereof such deposit shall have been made shall be redeemed and the rights of the holders thereof after such deposit or Redemption

B-53

Date, as the case may be, shall be limited to receiving their proportionate part of the aggregate Redemption Price for such Exchangeable Shares, without interest, and when received by the Agent, all dividends and other distributions with respect to the Newmont Shares to which such holder is entitled with a

record date after the later of the date of such deposit and the Redemption Date and before the date of transfer of such Newmont Shares to such holder (in each case less any amounts withheld on account of tax required to be deducted and withheld therefrom), against presentation and surrender of the certificates for the Exchangeable Shares held by them in accordance with the foregoing provisions.

8. PURCHASE FOR CANCELLATION

Subject to applicable law, Acquisitionco may at any time and from time to time purchase for cancellation all or any part of the Exchangeable Shares.

9. VOTING RIGHTS

Except as required by applicable law and by (S)10 hereof, the holders of the Exchangeable Shares shall not be entitled as such to receive notice of or to attend any meeting of the shareholders of Acquisitionco or to vote at any such meeting. Without limiting the generality of the foregoing, the holders of the Exchangeable Shares shall not have class votes except as required by applicable law.

10. AMENDMENT AND APPROVAL

(1) The rights, privileges, restrictions and conditions attaching to the Exchangeable Shares may be added to, changed or removed only with the approval of the holders of the Exchangeable Shares given as hereinafter specified.

(2) Any approval given by the holders of the Exchangeable Shares to add to, change or remove any right, privilege, restriction or condition attaching to the Exchangeable Shares or any other matter requiring the approval or consent of the holders of the Exchangeable Shares in accordance with applicable law shall be deemed to have been sufficiently given if it shall have been given in accordance with applicable law, subject to a minimum requirement that such approval be evidenced by resolution passed by not less than two-thirds of the votes cast on such resolution at a meeting of holders of Exchangeable Shares duly called and held at which the holders of at least 10% of the outstanding Exchangeable Shares at that time are present or represented by proxy; provided that if at any such meeting the holders of at least 10% of the outstanding Exchangeable Shares at that time are not present or represented by proxy within one-half hour after the time appointed for such meeting, then the meeting shall be adjourned to such date not less than five days thereafter and to such time and place as may be designated by the Chairman of such meeting. At such adjourned meeting the holders of Exchangeable Shares present or represented by proxy thereat may transact the business for which the meeting was originally called and a resolution passed thereat by the affirmative vote of not less than two-thirds of the votes cast on such resolution at such meeting shall constitute the approval or consent of the holders of the Exchangeable Shares.

11. RECIPROCAL CHANGES, ETC. IN RESPECT OF NEWMONT SHARES

(1) Each holder of an Exchangeable Share acknowledges that the Support Agreement provides, in part, that so long as any Exchangeable Shares not owned by Newmont or its affiliates are outstanding, Newmont will not without the prior approval of Acquisitionco and the prior approval of the holders of the Exchangeable Shares given in accordance with (S)10(2) of these share provisions:

(a) issue or distribute Newmont Shares (or securities exchangeable for or convertible into Newmont Shares) to the holders of all or substantially all of the then outstanding Newmont Shares by way of stock dividend or other distribution, other than an issue of Newmont Shares (or securities exchangeable for or convertible into Newmont Shares) to holders of Newmont Shares (i) who exercise an option to receive dividends in Newmont Shares (or

B-54

(b) issue or distribute rights, options or warrants to the holders of all or substantially all of the then outstanding Newmont Shares entitling them to subscribe for or to purchase Newmont Shares (or securities exchangeable for or convertible into Newmont Shares); or

(i) shares or securities of Newmont of any class other than Newmont Shares (other than shares convertible into or exchangeable for Newmont Shares);

(ii) rights, options or warrants other than those referred to in (S)11(1)(b) above;

(iii) evidence of indebtedness of Newmont; or

(iv) assets of Newmont,

unless the economic equivalent on a per share basis of such rights, options, securities, shares, evidences of indebtedness or other assets is issued or distributed simultaneously to holders of the Exchangeable Shares and at least 7 days prior written notice thereof is given to the holders of Exchangeable Shares; provided that, for greater certainty, the above restrictions shall not apply to any securities issued or distributed by Newmont in order to give effect to and consummate the transactions contemplated by, and in accordance with, the Plan of Arrangement.

(2) Each holder of an Exchangeable Share acknowledges that the Support Agreement further provides, in part, that so long as any Exchangeable Shares not owned by Newmont or its affiliates are outstanding, Newmont will not without the prior approval of Acquisitionco and the prior approval of the holders of the Exchangeable Shares given in accordance with (S)10(2) of these share provisions:

(a) subdivide, redivide or change the then outstanding Newmont Shares into a greater number of Newmont Shares;

(b) reduce, combine, consolidate or change the then outstanding Newmont Shares into a lesser number of Newmont Shares; or

(c) reclassify or otherwise change the Newmont Shares or effect an amalgamation, merger, reorganization or other transaction affecting the Newmont Shares,

unless the same or an economically equivalent change shall simultaneously be made to, or in, the rights of the holders of the Exchangeable Shares and at least 7 days prior written notice is given to the holders of Exchangeable Shares. The Support Agreement further provides, in part, that the aforesaid provisions of the Support Agreement shall not be changed without the approval of the holders of the Exchangeable Shares given in accordance with (S)10(2) of these share provisions.

12. ACTIONS BY ACQUISITIONCO UNDER SUPPORT AGREEMENT

(1) Acquisitionco will take all such actions and do all such things as shall be necessary to perform and comply with and to ensure performance and compliance by Newmont, Callco and Acquisitionco with all provisions of the Support Agreement applicable to Newmont, Callco and Acquisitionco, respectively, in accordance with the terms thereof including taking all such actions and doing all such things as shall be necessary to enforce for the direct benefit of Acquisitionco all rights and benefits in favour of Acquisitionco under or pursuant to such agreement.

(2) Acquisitionco shall not propose, agree to or otherwise give effect to any amendment to, or waiver or forgiveness of its rights or obligations under, the Support Agreement without the approval of the holders of the Exchangeable Shares given in accordance with (S)10(2) of these share provisions other than such amendments, waivers and/or forgiveness as may be necessary or advisable for the purposes of:

(a) adding to the covenants of the other parties to such agreement for the protection of Acquisitionco or the holders of the Exchangeable Shares thereunder;

B-55

(b) making such provisions or modifications not inconsistent with such agreement as may be necessary or desirable with respect to matters or questions arising thereunder which, in the good faith opinion of the Board of Directors, it may be expedient to make, provided that the Board of Directors shall be of the good faith opinion, after consultation with counsel, that such provisions and modifications will not be prejudicial to the interests of the holders of the Exchangeable Shares; or

(c) making such changes in or corrections to such agreement which, on the advice of counsel to Acquisitionco, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error contained therein.

13. LEGEND; CALL RIGHTS; WITHHOLDING RIGHTS

(1) The certificates evidencing the Exchangeable Shares shall contain or have affixed thereto a legend in form and on terms approved by the Board of Directors, with respect to the Support Agreement, the provisions of the Plan of Arrangement relating to the Liquidation Call Right and the Redemption Call Right, the Voting and Exchange Trust Agreement (including the provisions with respect to the voting rights and automatic exchange thereunder) and the Retraction Call Right.

(2) Each holder of an Exchangeable Share, whether of record or beneficial, by virtue of becoming and being such a holder shall be deemed to acknowledge each of the Liquidation Call Right, the Retraction Call Right and the Redemption Call Right, in each case, in favour of Callco, and the overriding nature thereof in connection with the liquidation, dissolution or winding-up of Acquisitionco or any other distribution of the assets of Acquisitionco among its shareholders for the purpose of winding up its affairs, or the retraction or redemption of Exchangeable Shares, as the case may be, and to be bound thereby in favour of Callco as therein provided.

(3) Acquisitionco, Callco, Newmont and the Transfer Agent shall be entitled to deduct and withhold from any dividend or consideration otherwise payable to any holder of Exchangeable Shares such amounts as Acquisitionco, Callco, Newmont or the Transfer Agent is required to deduct and withhold with respect

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

to such payment under the INCOME TAX ACT (Canada) or United States tax laws or any provision of provincial, territorial, state, local or foreign tax law, in each case, as amended. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes hereof as having been paid to the holder of the Exchangeable Shares in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing Agency. To the extent that the amount so required to be deducted or withheld from any payment to a holder exceeds the cash portion of the consideration otherwise payable to the holder, Acquisitionco, Callco, Newmont and the Transfer Agent are hereby authorized to sell or otherwise dispose of such portion of the consideration as is necessary to provide sufficient funds to Acquisitionco, Callco, Newmont or the Transfer Agent, as the case may be, to enable it to comply with such deduction or withholding requirement and Acquisitionco, Callco, Newmont or the Transfer Agent shall notify the holder thereof and remit any unapplied balance of the net proceeds of such sale.

Any such presentation and surrender of certificates made by first class mail (postage prepaid) shall be at the sole risk of the holder mailing the same.

(3) Any notice, request or other communication to be given to a holder of Exchangeable Shares by or on behalf of Acquisitionco shall be in writing and shall be valid and effective if given by first class mail (postage prepaid) or by delivery to the address of the holder recorded in the register of shareholders of Acquisitionco or, in the event of the address of any such holder not being so recorded, then at the last known address of such holder. Any such notice, request or other communication, if given by mail, shall be deemed to have been given and received on the third business day following the date of mailing and, if given by delivery, shall be deemed to have been given and received on the date of delivery. Accidental failure or omission to give any notice, request or other communication to one or more holders of Exchangeable Shares shall not invalidate or otherwise alter or affect any action or proceeding to be taken by Acquisitionco pursuant thereto.

(4) In the event of any interruption of mail service immediately prior to a scheduled mailing or in the period following a mailing during which delivery

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

normally would be expected to occur, Newmont intends to make reasonable efforts to disseminate any notice by other means, such as publication. Except as otherwise required or permitted by law, if post offices in Canada or the United States are not open for the deposit of mail, any notice which Newmont or the Transfer Agent may give or cause to be given under the Arrangement will be deemed to have been properly given and to have been received by holders of Exchangeable Shares if (i) it is given to the TSE for dissemination or (ii) it is published once in the National Edition of The Globe and Mail and in the daily newspapers of general circulation in each of the French and English languages in the City of Montreal, provided that if the National Edition of The Globe and Mail is not being generally circulated, publication thereof will be made in any other daily newspaper of general circulation published in the City of Toronto.

Notwithstanding any other provisions of these share provisions, notices, other communications and deliveries need not be mailed if Newmont determines that delivery thereof by mail may be delayed. Persons entitled to any deliveries (including certificates and cheques) which are not mailed for the foregoing reason may take delivery thereof at the office of the Transfer Agent to which the deliveries were made, upon application to the Transfer Agent, until such time as Newmont has determined that delivery by mail will not longer be delayed. Newmont will provide notice of any such determination not to mail made hereunder as soon as reasonably practicable after the making of such determination and in accordance with this (S)14(4). Such deliveries in such circumstances will constitute delivery to the persons entitled thereto.

15. DISCLOSURE OF INTERESTS IN EXCHANGEABLE SHARES

Acquisitionco shall be entitled to require any holder of an Exchangeable Share or any person who Acquisitionco knows or has reasonable cause to believe holds any interest whatsoever in an Exchangeable Share to confirm that fact or to give such details as to whom has an interest in such Exchangeable Share as would be required (if the Exchangeable Shares were a class of "equity shares" of Acquisitionco) under (S)101 of the Securities Act or as would be required under the Articles of Newmont or any laws or regulations, or pursuant to the rules or regulations of any regulatory Agency if the Exchangeable Shares were Newmont Shares.

Except as set forth above, there are no shares of capital stock or other voting securities of Franco-Nevada issued, reserved for issuance or outstanding. Except as set forth in (S)(c) of the Disclosure Statement, there are not any bonds, debentures, notes or other indebtedness of Franco-Nevada having the right to vote (or convertible into, or exchangeable for, securities having the right to vote) on any matters on which shareholders of Franco-Nevada must vote. Except as set forth above and except as set forth in (S)(c) of the Disclosure Statement, as of the date of this agreement, there are not any options, warrants, puts, calls, rights, commitments, agreements, arrangements or undertakings of any kind (collectively, "OPTIONS") to which Franco-Nevada or any of its Subsidiaries is a party or by which any of them is bound relating to the issued or unissued capital stock of Franco-Nevada or any of its Subsidiaries, or obligating Franco-Nevada or any of its Subsidiaries to issue, transfer, grant, sell or pay for or repurchase any shares of capital stock or other equity interests in, or securities convertible or exchangeable for any capital stock or other equity interests in, Franco-Nevada or any of its Subsidiaries or obligating Franco-Nevada or any of its Subsidiaries to issue, grant, extend or enter into any such Options. All shares of Franco-Nevada's capital stock that are subject to issuance as aforesaid, upon issuance on the terms and conditions specified in the instrument pursuant to which they are issuable, will be duly authorized, validly issued, fully paid and non-assessable. The issuance and sale of all of the shares of capital stock described in this (S)(c) of Schedule F have been in compliance with all Laws. Franco-Nevada has previously provided Newmont with a schedule setting forth the names of, and the number of shares of each class (including the number of shares issuable upon exercise of Franco-Nevada Stock Options and the exercise price and vesting schedule with respect thereto) and the number of options held by, all holders of Franco-Nevada Stock Options. (S)(c) of the

B-63

Except as set forth in (S)(c) of the Disclosure Statement, Franco-Nevada has not agreed to register any securities under any securities Laws or granted registration rights to any person or entity; copies of all such agreements have previously been made available to Newmont. Except as set forth above and in (S)(c) of the Disclosure

Without limiting the generality of the foregoing, there are no stock appreciation rights, phantom equity or similar rights, agreements, arrangements or commitments based upon the book value, income or any other attribute of Franco-Nevada or any of its Subsidiaries.

(d) **AUTHORITY; NON-CONTRAVENTION.** Franco-Nevada has all requisite corporate power and corporate authority to enter into this agreement and, subject to the Franco-Nevada Shareholder Approval, to consummate the Transactions and to perform its obligations under this agreement. The Board of Directors of Franco-Nevada, by the unanimous vote of its outside directors, has approved this agreement and the Transactions and has resolved to recommend to Franco-Nevada Shareholders that Franco-Nevada Shareholders give the Franco-Nevada Shareholder Approval. The execution and delivery of this agreement by Franco-Nevada and the consummation by Franco-Nevada of the Transactions have been duly authorized by all necessary corporate action on the part of Franco-Nevada, subject to the Franco-Nevada Shareholder Approval. No other corporate proceedings on the part of Franco-Nevada or any of its Subsidiaries are necessary to authorize this agreement and, subject to the Franco-Nevada Shareholder Approval, the Transactions. This agreement has been duly executed and delivered by Franco-Nevada and constitutes a valid and binding obligation of Franco-Nevada, enforceable by Newmont against Franco-Nevada and each of its Subsidiaries in accordance with its terms, subject to the availability of equitable remedies and the enforcement of creditors' rights generally. The execution and delivery of this agreement does not, and the consummation of the Transactions and compliance with the provisions of this agreement will not, conflict with, or result in any violation of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of consent, termination, purchase, cancellation or acceleration of any obligation or to loss of any property, rights or benefits under, or result in the imposition of any additional obligation under, or result in the creation of any Lien upon any of the properties or assets of Franco-Nevada or any of its Subsidiaries under, (i) the Articles of Arrangement or By-laws of Franco-Nevada or the comparable organization documents of any of its Subsidiaries; (ii) any contract, instrument, permit, concession, franchise, license, loan or credit agreement, note, bond, mortgage, indenture, lease or other property agreement, partnership or joint venture agreement or other legally binding agreement, arrangement or understanding whether oral or written (a "CONTRACT"), to which Franco-Nevada or any of its Subsidiaries is a party or by which any of them or their respective properties or assets is bound or affected, or (iii) subject to the governmental filings and other matters referred to in the following sentence, any Law applicable to Franco-Nevada or any of its Subsidiaries or their respective properties or assets. No consent, approval, order or authorization of, or registration, declaration or filing with, any Agency, is required by or with respect to Franco-Nevada or any of its Subsidiaries in connection with the execution and delivery of this agreement by Franco-Nevada or the consummation by Franco-Nevada of the Transactions, except for (i) the filing with the applicable securities regulatory Agencies of a proxy statement relating to the Franco-Nevada Special Meeting (as amended or supplemented from time to time, the "PROXY STATEMENT"), (ii) any approvals required by the Interim Order and the Final Order, (iii) filings with the Director under the CBCA, and filings under the INVESTMENT CANADA ACT (Canada), as amended, the COMPETITION ACT (Canada), as amended, and the HART-SCOTT-RODINO ANTI-TRUST IMPROVEMENTS ACT OF 1976, as amended, and (iv) such other consents, approvals, orders, authorizations, registrations, declarations and filings as are set forth in (S)(d) of the

Each of Franco-Nevada and its Subsidiaries possesses all certificates, franchises, licenses, permits, grants, easements, covenants, certificates, orders, authorizations and approvals issued to or granted by Agencies or other third parties (collectively, "PERMITS"), including pursuant to any Environmental Law, necessary to own, lease and/or operate its properties and to conduct its business as such business is currently conducted or is

B-64

expected to be conducted following completion of the Transaction. Except as set forth in (S)(d) of the Disclosure Statement, (i) all such Permits are validly held by Franco-Nevada or its Subsidiaries, and Franco-Nevada and its Subsidiaries have complied in all respects with all terms and conditions thereof, (ii) none of such Permits will be subject to suspension, modification, revocation or non-renewal as a result of the execution and delivery of this agreement or the consummation of the Transactions, and (iii) since March 31, 2001, neither Franco-Nevada nor any of its Subsidiaries has received any written notice, notice of violation or probable violation, notice of revocation, or other written communication from or on behalf of any Agency, alleging (A) any violation of such Permit, or (B) that Franco-Nevada or any of its Subsidiaries requires any Permit required for its business as such business is currently conducted, that is not currently held by it.

(e) PUBLICLY FILED DOCUMENTS; UNDISCLOSED LIABILITIES. Franco-Nevada has filed all required reports, schedules, forms, statements and other documents (including documents incorporated by reference) with the applicable security regulatory Agencies since March 31, 1998 (the "PUBLIC DISCLOSURE DOCUMENTS"). As of its date, each Public Disclosure Document complied in all material respects with the requirements of all applicable securities Laws. None of the Public Disclosure Documents, as of their respective dates, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except to the extent that such statements have been modified or superseded by a later-filed Public Disclosure Document. The consolidated financial statements of Franco-Nevada included in the Public Disclosure Documents comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the applicable securities regulatory Agencies with respect thereto, have been prepared in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto) and fairly present the consolidated financial position of Franco-Nevada as of the dates thereof and the consolidated results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). Except (i) as and to the extent disclosed, reflected or reserved against on the balance sheet or the notes thereto of Franco-Nevada as of March 31, 2001 included in the Filed Franco-Nevada Public Disclosure Documents, (ii) as incurred after the date thereof in the ordinary course of business consistent with past practice and not prohibited by this agreement, or (iii) as set forth in (S)(e) of the Disclosure Statement, Franco-Nevada does not have any liabilities or obligations of any nature, whether known or unknown, absolute, accrued, contingent or otherwise and whether due or to become due, that, individually or in the aggregate, have had or would reasonably be expected to have a Materially Adverse effect on Franco-Nevada and its Subsidiaries, taken as a whole. Except as set forth in (S)(e) of the Disclosure Statement, none of Franco-Nevada or its Subsidiaries is subject to the informational reporting requirements of, or required to file any form or other document with, any

(f) INFORMATION SUPPLIED. None of the information supplied or to be supplied by Franco-Nevada or its Subsidiaries for inclusion or incorporation by reference in the Proxy Statement or any other filings relating to the Transactions made by Newmont pursuant to the Securities Act, the Securities Exchange Act or Australian Law (collectively, the "NEWMONT FILINGS") will, at the date the Proxy Statement is first mailed to Franco-Nevada Shareholders or the Newmont Filing is filed, as the case may be, or at the time of the Franco-Nevada Special Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of circumstances under which they are made, not misleading. The Proxy Statement and Newmont Filings will comply as to form in all material respects with the requirements of applicable securities Laws, except that no representation or warranty is made by Franco-Nevada with respect to statements made or incorporated by reference therein based on information supplied by Newmont for inclusion or incorporation by reference in the Proxy Statement or the Newmont Filings.

(i) there has not been any event, change, effect or development (including any decision to implement such a change made by the board of directors of Franco-Nevada or any of its Subsidiaries in respect of which senior management believes that confirmation of the board of directors is probable), which, individually or in the aggregate, has had, or would reasonably be expected to have, a Materially Adverse effect on Franco-Nevada and its Subsidiaries, taken as a whole;

(ii) there has not been, except for regular annual dividends not in excess of Cdn\$0.45 per Franco-Nevada Share, with customary record and payment dates, any declaration, setting aside or payment of any dividend or other distribution (whether in cash, stock or property) with respect to any Franco-Nevada Shares;

(v) there has not been any change in accounting methods, principles or practices by Franco-Nevada or any of its Subsidiaries materially affecting its assets, liabilities or business, except insofar as may have been required by a change in GAAP or as set forth in (S)(g) of the Disclosure Statement;

(vii) no liability or obligation of any nature (whether absolute, accrued, contingent or otherwise) that is Materially Adverse to Franco-Nevada and its Subsidiaries, taken as a whole, has been incurred other than in the ordinary course of business consistent with past practice, except as set forth in (S)(g) of the Disclosure Statement.

(h) DISCLOSURE. Franco-Nevada has not failed to disclose to Newmont in writing any information known to Franco-Nevada regarding any event, circumstance or action taken or failed to be taken that is Materially Adverse to Franco-Nevada and its Subsidiaries, taken as a whole. Without limiting the generality of the foregoing:

(i) there are no severance and employment agreements with respect to current or former employees of Franco-Nevada or any of its Subsidiaries or any bonus or incentive arrangements with respect to such employees that may require payments as a result of the Transactions;

(ii) except as disclosed in the financial statements contained in the Filed Franco-Nevada Public Disclosure Documents, Franco-Nevada and its Subsidiaries do not have liabilities or obligations in excess of the liabilities or obligations reflected or reserved against in those financial statements that, either individually or in the aggregate, are Materially Adverse to Franco-Nevada and its Subsidiaries, taken as a whole;

B-66

(iii) none of Franco-Nevada or any of its Subsidiaries or any of their properties is the subject to a judgement, order or decree that is Materially Adverse to Franco-Nevada and its Subsidiaries, taken as a whole; and

(iv) the data or information made available to Newmont in respect of Franco-Nevada and its Subsidiaries, was complete and, to the knowledge of Franco-Nevada, correct in all material respects and, did not, at the time it was made available and for the period of and matter to which it relates, and to the knowledge of Franco-Nevada, contain any untrue statement of material fact or omit to state a material fact necessary in order to make the statements contained therein not misleading in the circumstances.

(i) COMPLIANCE. Except for any conflicts, defaults or violations that could not, individually or in the aggregate (taking into account the impact of any cross-defaults), reasonably be expected to result in a Materially

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Adverse effect on Franco-Nevada and its Subsidiaries, taken as a whole, each of Franco-Nevada and its Subsidiaries has complied with, and is not in conflict with, or in default (including cross defaults) under or in violation of:

- (i) its articles or other organizational documents or by-laws;
- (ii) any Law or Permit applicable to it, its business or operations or by which any of its properties or assets is bound or affected; or
- (iii) any agreement, arrangement or understanding to which it, its business or operations or by which any of its properties or assets is bound or affected.

As of the Effective Date, each of Franco-Nevada and its Subsidiaries has or will have complied with each of its covenants and obligations under this agreement.

(j) RESTRICTIONS ON BUSINESS ACTIVITIES. There is no agreement, judgement, injunction, order or decree binding upon Franco-Nevada or any of its Subsidiaries that has, or could reasonably be expected to have, the effect of prohibiting, restricting or impairing any business practice of Franco-Nevada or any of its Subsidiaries, any acquisition of property by Franco-Nevada or any of its Subsidiaries or the conduct of business by any of them as currently conducted (including following the Arrangement) other than such agreements, judgements, injunctions, orders or decrees which are not, individually or in the aggregate, Materially Adverse to Franco-Nevada and its Subsidiaries, taken as a whole.

(k) CONTRACTS. (S) (k) of the Disclosure Statement lists all Contracts to which Franco-Nevada or any of its Subsidiaries is a party and which fall within any of the following categories: (a) Contracts not entered into in the ordinary course of Franco-Nevada's business; (b) joint venture, partnership and similar agreements; (c) Contracts containing covenants purporting to limit the freedom of Franco-Nevada or any of its Subsidiaries to compete in any line of business in any geographic area, to hire any individual or group of individuals or to acquire any business, entity or the assets thereof; (d) Contracts which after the Effective Time of the Transactions would have the effect of limiting the freedom of Newmont or its Subsidiaries (other than Franco-Nevada and its Subsidiaries) to compete in any line of business in any geographic area, to hire any individual or group of individuals or to acquire any business, entity or the assets thereof; (e) Contracts which contain minimum purchase conditions or requirements or other terms that restrict or limit the purchasing relationships of Franco-Nevada or any of its Subsidiaries other than in the ordinary course of business; (f) Contracts relating to any outstanding commitment for capital expenditures in excess of \$5 million in the aggregate; (g) Contracts involving annual revenues or expenditures to the business of Franco-Nevada or any of its Subsidiaries in excess of 7.5% of Franco-Nevada's annual revenues; and (h) Contracts containing any rights on the part of any party, including joint venture partners or entities, to acquire mining or other property rights from Franco-Nevada or any of the Subsidiaries. All Contracts are valid and binding obligations of Franco-Nevada or any of its Subsidiaries and, to the knowledge of Franco-Nevada, the valid and binding obligation of each other party thereto except for such Contracts which if not so valid and binding would not, individually or in the aggregate, have a Materially Adverse effect on Franco-Nevada and

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

its Subsidiaries, taken as a whole. Neither Franco-Nevada nor, to the knowledge of Franco-Nevada, any other party thereto is in violation of or in default in respect of, nor has there occurred an event or condition which with the passage of time or giving of notice (or both) would constitute a default under or entitle any party to terminate, accelerate, modify or call a default under, or trigger any pre-emptive rights or rights of first refusal under, any such Contract except such violations or defaults under such Contracts, which, individually or in the aggregate, would not have a Materially Adverse effect on Franco-Nevada and its Subsidiaries, taken as a whole. No approval or consent of any person is needed in order that such Contracts continue in full force and effect following the consummation of the Transactions.

(1) TAX MATTERS.

(i) Franco-Nevada and each of its subsidiaries have timely filed, or caused to be timely filed, all Tax Returns required to be filed by them, and have timely paid, or caused to be timely paid, all material amounts of Taxes due and payable by them, except for any such failure to file or failure to pay which would not individually or in the aggregate, have a Materially Adverse effect on Franco-Nevada. All such Tax Returns are true, correct and complete in all material respects. To the best of Franco-Nevada's knowledge, no such Tax Return contains any misstatement or omits any statement that should have been included therein. No Tax Return has been amended.

(ii) Reserves and provisions for Taxes accrued but not yet due on or before the Effective Date as reflected in Franco-Nevada's Financial Statements are adequate as of the date of Franco-Nevada's Financial Statements, in accordance with GAAP. No deficiencies for Taxes have been proposed, asserted or assessed against Franco-Nevada that are not adequately reserved against.

Neither Franco-Nevada nor any of its subsidiaries has taken any action, or failed to take any action, or has knowledge of any fact, agreement, plan or other circumstance that is reasonably likely to prevent the Arrangement and the Transactions from constituting a transaction described in Section 351 of the Code.

(iv) No unresolved assessments, reassessments, audits, claims, actions, suits, proceedings, or investigations exist or have been initiated with regard to any Taxes or Tax Returns of Franco-Nevada or its subsidiaries. To the knowledge of Franco-Nevada, no assessment, reassessment, audit or investigation by any Agency is underway, threatened or imminent with respect to Taxes for which Franco-Nevada or any of its subsidiaries may be liable, in whole or in part.

(v) Other than an application to the Internal Revenue Service for an extension to file corporate income tax returns otherwise due December 15, 2001 (in respect of taxation years ended March 30, 2001), no election, consent for extension, nor any waiver that extends any applicable statute of limitations relating to the determination of a Tax liability of Franco-Nevada or any of its subsidiaries has been filed or entered into and is still effective.

(ii) To Franco-Nevada's knowledge, no step has been taken, no event has occurred and no condition or circumstance exists that has resulted, or could reasonably be expected to result, in any Franco-Nevada Plan being ordered or required to be terminated or wound up in whole or in part or having its registration under applicable Laws refused or revoked, or being placed under the administration of any trustee or receiver or Agency or being required to pay any material Taxes, penalties or levies under applicable Laws. To Franco-Nevada's knowledge, there are no actions, suits, claims (other than routine claims for payment of benefits in the ordinary course), trials, demands, investigations, arbitrations or other proceedings which are pending or threatened in respect of any of the Franco-Nevada Plans or their assets which, individually or in the aggregate, are Materially Adverse to Franco-Nevada and its Subsidiaries, taken as a whole.

(iii) All of the Franco-Nevada Plans are in compliance in all material respects with all applicable Laws and their terms, and all of the Franco-Nevada Plans are fully insured or fully funded on a projected benefit obligation basis.

(iv) None of the Franco-Nevada Plans is a Multiemployer Plan nor has Franco-Nevada or any of its Subsidiaries been obligated to contribute to any Multiemployer Plan at any time within the past five years.

(v) Without limiting the generality of the foregoing with respect to each Franco-Nevada Plan:

(A) Franco-Nevada has delivered or made available to Newmont a true, correct and complete copy of: (i) each writing constituting a part of such Plan, including all plan documents, employee communications, benefit schedules, trust agreements, and insurance contracts and other funding vehicles; (ii) the most recent Annual Report (Form 5500 Series) and accompanying schedule, if any, (iii) the current summary plan description and any material modifications thereto, if any (in each case, whether or not required to be furnished under ERISA); (iv) the most recent annual financial report,

(B) (S) (p) of the Disclosure Statement identifies each Plan that is intended to be a "qualified plan" within the meaning of (S)401(a) of the Code ("QUALIFIED PLANS"). The Internal Revenue Service has issued a favorable determination letter with respect to each Qualified Plan and the related trust that has not been revoked, and there are no circumstances and no events have occurred that could adversely affect the qualified status of any Qualified Plan or the related trust. B-72

(C) (S) (p) of the Disclosure Statement sets forth a list of all Employee Benefit Plans or Employment Agreements under which the execution and delivery of this agreement, shareholders approval of the Transactions or the consummation of the Transactions could (either alone or in conjunction with any other event) (i) result in, cause the accelerated vesting, funding or delivery of, or increase the amount of value of, any payment or benefit to any employee, consultant, officer or director of Franco-Nevada or any of its Subsidiaries, or could limit the right of Franco-Nevada or any of its Subsidiaries to amend, merge, terminate or receive a reversion of assets from any Employee Benefit Plan or related trust or any Material Employment Agreement or related trust, or (ii) result in an "excess parachute payments" within the meaning of (S)280G of the Code.

(D) There are no pending or threatened claims (other than claims for benefits in the ordinary course), lawsuits or arbitrations which have been asserted or instituted, and to Franco-Nevada's knowledge, no set of circumstances exists which may reasonably give rise to a claim or lawsuit, against the Plans, any fiduciaries thereof with respect to their duties to the Plans or the assets of any of the trusts under any of the Plans which could reasonably be expected to result in any material liability of Franco-Nevada or any of its Subsidiaries to the PBGC, the Department of Treasury, the Department of Labor, any Multiemployer Plan, any Plan or any participant in a Plan.

(E) Franco-Nevada, its Subsidiaries and each member of their respective business enterprises has complied with the WORKER ADJUSTMENT AND RETRAINING NOTIFICATION ACT and all similar state, local and foreign Laws, so as not to incur any liabilities thereunder.

(F) All Employee Benefit Plans subject to the Laws of any jurisdiction outside of the United States (i) have been maintained in accordance with all applicable requirements, (ii) if they are intended to qualify for special Tax treatment, meet all requirements

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

for such treatment, and (iii) if they are intended to be funded and/or book-reserved, are fully funded and/or book-reserved on a projected obligation basis, as appropriate, based upon reasonable actuarial assumptions.

(G) Each individual who renders services to Franco-Nevada or any of its Subsidiaries who is classified by Franco-Nevada or such Subsidiary, as applicable, as having the status of an independent contractor or other non-employee status for any purpose (including for purposes of taxation and Tax reporting and under Employee Benefit Plans) is properly so characterized.

(H) On or before the date hereof, Franco-Nevada has caused each grantor trust providing for funding of amounts payable pursuant to any Plans and/or Employment Agreements to be amended to ensure that no amounts are required to be contributed thereto as a result of the execution and delivery of this agreement, the announcement hereof, and/or the announcement or consummation of the Transactions, and to ensure that such trusts are at all times revocable, in whole or in part, without the consent of the trustees or beneficiaries thereof or any third party.

(q) BOOKS AND RECORDS. The financial books, records and accounts of Franco-Nevada and its Subsidiaries in all material respects, (i) have been maintained in accordance with Canadian generally accepted accounting principles on a basis consistent with prior years, (ii) are stated in reasonable detail and accurately and fairly reflect the transactions and dispositions of the assets of Franco-Nevada and its Subsidiaries and (iii) accurately and fairly reflect the basis for Franco-Nevada consolidated financial statements. The corporate minute books of Franco-Nevada and its Subsidiaries contain minutes of all meetings and resolutions of the directors and shareholders held, and full access thereto has been provided to Newmont.

(r) INSURANCE. Franco-Nevada has made available to Newmont true, correct and complete copies of all material policies of insurance to which each of Franco-Nevada and its Subsidiaries are a party or are a beneficiary or named insured. Franco-Nevada and its Subsidiaries maintain insurance coverage with reputable insurers in such amounts and covering such risks as are in accordance with normal industry practice for companies engaged in businesses similar to that of Franco-Nevada and its Subsidiaries.

B-73

(s) NEWMONT REPRESENTATIONS. Franco-Nevada has no knowledge that any representation and warranty of Newmont set forth in this agreement is not true and correct in all material respects, or is untrue in a manner that is Materially Adverse to Newmont and its Subsidiaries, taken as a whole, on and as of the date of this agreement.

(t) LITIGATION. Except as specifically disclosed in (S)(t) of the Disclosure Statement, there is no suit, action or proceeding pending or, to the knowledge of Franco-Nevada, threatened against Franco-Nevada or any of its Subsidiaries that, individually or in the aggregate, if adversely determined, would reasonably be expected to have a Materially Adverse effect on Franco-Nevada and its Subsidiaries, taken as a whole, and there is not any judgement, decree, injunction, rule or order of any Agency or arbitrator outstanding against Franco-Nevada or any of its Subsidiaries having, or which would reasonably be expected to have, any Materially Adverse effect on Franco-Nevada and its Subsidiaries, taken as a whole. As of the date of this

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

agreement, except as specifically disclosed in (S)(t) of the Disclosure Statement, there is no suit, action, proceeding pending or, to the knowledge of Franco-Nevada, threatened, against Franco-Nevada or any of its Subsidiaries that, individually or in the aggregate, if adversely determined, would reasonably be expected to prevent or delay in any material respect the consummation of the Transactions.

(u) DETERMINATION BY THE BOARD AND VOTING REQUIREMENTS. The board of directors of Franco-Nevada (after receiving financial advice including the Fairness Opinion, legal advice and after considering other factors), by the unanimous vote of its outside directors, has determined and resolved at its meeting held on November 12, 2001:

(ii) the Arrangement is fair to Franco-Nevada Shareholders;

(iii) to approve the Transactions and this agreement;

(iv) to extend the Separation Time (as defined therein), including providing the Rights Agent (as defined in the Franco-Nevada Rights Agreement) with notice in writing of such extension, under the Franco-Nevada Rights Agreement until after the vote by the Franco-Nevada Shareholders on the Arrangement at the Franco-Nevada Special Meeting;

(v) to recommend that Franco-Nevada Shareholders approve the Arrangement; and

(vi) to recommend that Franco-Nevada Shareholders waive the Franco-Nevada Rights Agreement so that neither the entering into nor delivery of this agreement, the Arrangement or the other agreements contemplated hereby nor the consummation of all or any part of the Transactions shall constitute a Flip-in Event (as defined in the Franco-Nevada Rights Agreement).

To the knowledge of Franco-Nevada, after consultation with outside legal counsel, no provincial or state take-over statute or similar statute or regulation (including Rule 61-501 of the Ontario Securities Commission) applies or purports to apply to this agreement or any of the Transactions.

The approval and adoption of this agreement by the affirmative vote of 66 2/3% of the votes, attaching to the Franco-Nevada Shares, cast at the Franco-Nevada Special Meeting (the "SHAREHOLDER APPROVAL") is the only vote of the holders of any class or series of Authorized Capital of Franco-Nevada necessary to approve this agreement and the Transactions. For purposes of the Shareholder Approval, each outstanding Franco-Nevada Share is entitled to one vote.

(v) BROKERS; SCHEDULE OF FEES AND EXPENSES. Except as set forth in (S)(v) of the Disclosure Statement, no broker, investment banker, financial advisor or other person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the Transactions based upon arrangements made by or on behalf of Franco-Nevada. (w) OPINION OF FINANCIAL ADVISOR. Franco-Nevada has received the opinion of the Financial Advisor dated the date of this agreement, to the effect that, as of such date, the consideration to be received pursuant to the Transactions by Franco-Nevada Shareholders is fair to the Franco-Nevada Shareholders from a financial point of view, a copy of which opinion will be promptly delivered to Newmont.

(x) MSHA, OSHA MATTERS. Franco-Nevada and each of its Subsidiaries is in compliance with the requirements of each of the FEDERAL MINE SAFETY AND HEALTH ACT OF 1977, as amended, and the regulations promulgated thereunder, the OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970, as amended, and the regulations promulgated thereunder and any similar Laws of any foreign, state, provincial or local jurisdiction (collectively, the "SAFETY ACTS"), except for any non-compliance which could not reasonably be expected to have, individually or in the aggregate, a Materially Adverse effect on Franco-Nevada and its Subsidiaries, taken as a whole. Neither Franco-Nevada nor any of its Subsidiaries has received any citation from the Mine Safety and Health Administration, the Occupational Safety and Health Administration or any other Agency or any inspector setting forth any respect in which the facilities or operations of Franco-Nevada and any of its Subsidiaries are not in compliance with the Safety Acts, or the regulations under such acts which non-compliance has not been corrected or remedied to the satisfaction of such Agency or inspector, except in all such cases for any non-compliance that could not reasonably be expected to have, individually or in the aggregate, a Materially Adverse effect on Franco-Nevada and its Subsidiaries, taken as a whole. Since March 31, 2000, Franco-Nevada has had no citations issued to it under the Safety Acts.

(y) RIGHTS AGREEMENT. Except as set forth in (S)(z) of the Disclosure Statement, no Franco-Nevada Property, the fair market value of which on the date of this agreement is greater than \$5 million in the aggregate, is subject to any pending sale or disposition transaction.

(aa) ABSENCE OF REDUCTION IN RESERVES AND MINERALIZED MATERIAL. The execution and delivery of this agreement does not, and the consummation of the Transactions and compliance with the provisions of this agreement will not, conflict with, or result in any violation of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of consent, termination, purchase, cancellation or acceleration of any obligation or to loss of any property, rights or benefits under, or result in the imposition of any additional obligation under, or result in the creation of any Lien upon any of the properties or assets of Newmont or any of its Subsidiaries under, (i) the Certificate of Incorporation or By-laws of Newmont or the comparable organization documents of any of its Subsidiaries; (ii) any Contract to which Newmont or any of its Subsidiaries is a party or by which any of them or their respective properties or assets is bound or affected, or (iii) subject to the governmental filings and other matters referred to in the following sentence, any Law applicable to Newmont or any of its Subsidiaries or their respective properties or assets. DOCUMENTS"). As of its date, each Newmont Public Disclosure Document complied in all material respects with the requirements of the Securities Act or the Securities Exchange Act, as applicable, and the rules and regulations thereunder applicable to such Newmont Public Disclosure Document. None of the Newmont Public Disclosure Documents, as of their respective dates, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except to the extent that such statements have been modified or superseded by a later-filed Newmont Public Disclosure Document. The consolidated financial statements of Newmont included in the Newmont Public Disclosure Documents comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, have been prepared in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto) and fairly present the consolidated financial position of Newmont as of the dates thereof and the consolidated results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). Except (i) as and to the extent disclosed, reflected or reserved against on the balance sheet or the notes thereto of Newmont as of December 31, 2000 included in the Filed Newmont Public Disclosure Documents, (ii) as incurred after the date thereof in the ordinary course of business consistent with past practice and not prohibited by this agreement, or (iii) as set forth in (S)(e) of its disclosure statement, Newmont does not have any liabilities or obligations of any nature, whether known or unknown, absolute, accrued, contingent or otherwise and whether due or to become due, that, individually or in the aggregate,

have had or would reasonably be expected to have a Materially Adverse effect on Newmont and its Subsidiaries, taken as a whole.

(f) INFORMATION SUPPLIED. None of the information supplied or to be supplied by Newmont or its Subsidiaries for inclusion or incorporation by reference in the Proxy Statement or any Newmont Filings will, at the date the Proxy Statement is first mailed to Franco-Nevada Shareholders or the Newmont Filing is filed, as the case may be, or at the time of the Franco-Nevada Special Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of circumstances under which they are made, not misleading. The Newmont Filings will comply as to form in all material respects with the requirements of applicable securities Laws, except that no representation or warranty is made by Newmont with respect to statements made or incorporated by reference therein based on information supplied by Franco-Nevada or Normandy for inclusion or incorporation by reference in the Proxy Statement or the Newmont Filings.

B-78

(v) neither Newmont nor any of its Subsidiaries has engaged in any action which, if done after the date of this agreement, would violate (S)5.B(a) of this agreement, except as set forth in (S) (g) of Newmont's disclosure statement.

(h) RESTRICTIONS ON BUSINESS ACTIVITIES. There is no agreement, judgement, injunction, order or decree binding upon Newmont or any of its Subsidiaries that has, or could reasonably be expected to have, the effect of prohibiting, restricting or impairing any business practice of Newmont or

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

any of its Subsidiaries, any acquisition of property by Newmont or any of its Subsidiaries or the conduct of business by any of them as currently conducted (including following the Arrangement) other than such agreements, judgements, injunctions, orders or decrees which are not, individually or in the aggregate, Materially Adverse to Newmont and its Subsidiaries, taken as a whole.

As of the date of this agreement, except as disclosed in the Filed Newmont Public Disclosure Documents and except as set forth in (S)(k) of its disclosure statement, there is no suit, action or proceeding pending, or, to the knowledge of Newmont, threatened, against Newmont or any of its Subsidiaries that, individually or in the aggregate, would reasonably be expected to prevent or delay in any material respect the consummation of the Transactions.

(l) DETERMINATION BY THE BOARD. The board of directors of Newmont has unanimously determined and resolved at its meeting held on November 13, 2001:

(i) that the entering into of this agreement and the performance by Newmont of its obligations hereunder and the Transactions are in the best interests of Newmont and its shareholders;

(ii) to approve the Transactions and this agreement; and

(iii) to recommend that Newmont Shareholders take all actions necessary to consummate the transactions contemplated by this agreement.

The undersigned, a holder of common shares (the "FRANCO-NEVADA SHARES") of Franco-Nevada, a corporation incorporated under the laws of Canada ("FRANCO-NEVADA"), has been advised that as of the date hereof, the undersigned may be deemed to be an "affiliate" of Franco-Nevada, as the term "affiliate" is defined for purposes of paragraphs (c) and (d) of Rule 145 of the Rules and Regulations of the Securities and Exchange Commission.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

The undersigned has been further advised that, pursuant to the terms of the Arrangement Agreement, dated as of November 14, 2001 (the "ARRANGEMENT AGREEMENT"), by and between Newmont, a Delaware corporation ("NEWMONT"), and Franco-Nevada, Newmont would acquire indirectly all of the Franco-Nevada Common Shares and as a result of the Arrangement (as that term is defined in the Arrangement Agreement), the undersigned would receive Newmont Shares (as defined in the Arrangement Agreement) or Exchangeable Shares (as defined in the Arrangement Agreement and, collectively with the Newmont Shares, the "NEWMONT SECURITIES") in exchange for Franco-Nevada Shares owned by the undersigned.

1. The undersigned represents, warrants and covenants that the undersigned:

A. Has read carefully this letter and discussed applicable limitations upon the ability of the undersigned to sell, transfer or otherwise dispose of Newmont Securities to the extent the undersigned believes necessary with counsel of the undersigned or counsel for Franco-Nevada.

B. However, the undersigned has also been advised that, because the undersigned may be deemed to have been an affiliate of Franco-Nevada at the time the Arrangement was submitted for a vote of the stockholders of Franco-Nevada and because the distribution by the undersigned of Newmont Securities has not been registered under the Securities Act of 1933, as amended (the "SECURITIES ACT"), the undersigned may not sell, transfer or otherwise dispose of Newmont Shares and, to the extent applicable, Exchangeable Shares issued to the undersigned under the Arrangement unless (i) such sale, transfer or other disposition has been registered under the Securities Act, (ii) such sale, transfer or other disposition is made in conformity with the volume and other limitations of Rule 145 promulgated by the Commission under the Securities Act, or (iii) the undersigned delivers an opinion of counsel reasonably acceptable to Newmont, or a "no-action" or interpretive letter of the Commission is furnished to Newmont, stating that, such sale, transfer or other disposition is otherwise exempt from registration under the Securities Act.

C. Understands that Newmont is under no obligation to register the sale, transfer or other disposition of Newmont Securities by the undersigned or on behalf of the undersigned under the Securities Act or to take any other action necessary in order to make compliance with an exemption from such registration available.

D. Also understands that Newmont may give stop-transfer instructions to its transfer agent with respect to Newmont Securities to enforce the restrictions on the undersigned set forth herein and that it reserves the right to place on the certificates for Newmont Securities issued to the undersigned, or any substitutions therefor, a legend stating in substance:

The securities represented by this certificate have been issued in a transaction to which Rule 145 promulgated under the Securities Act of 1933 applies and may be sold or otherwise transferred only in compliance with the requirements of Rule 145 or pursuant to a registration statement under said Act or an exemption from such registration.

B-81

E. Also understands that unless the transfer by the undersigned of Newmont Securities of the undersigned has been registered under the Act or is a sale made in conformity with the provisions of Rule 145, Newmont reserves the right to put the following legend on the certificates issued to transferees of the undersigned:

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

The securities represented by this certificate have not been registered under the Securities Act of 1933 and were acquired from a person who received such shares in a transaction to which Rule 145 promulgated under the Securities Act of 1933 applies. The securities have been acquired by the holder not with a view to, or for resale in connection with, any distribution thereof within the meaning of the Securities Act of 1933 and may not be sold, pledged or otherwise transferred except in accordance with an exemption from the registration requirements of the Securities Act of 1933.

F. Neither the execution of this letter nor any provisions set forth herein shall be construed as an admission on the part of the undersigned that the undersigned is an affiliate of Franco-Nevada as described in the first paragraph of this letter, or as a waiver of any rights the undersigned may have to object to any claim that the undersigned is such an affiliate on or after the date of this letter.

2. By Newmont's acceptance of this letter, Newmont hereby agrees with the undersigned to the extent applicable as follows:

A. For so long as and to the extent necessary to permit the undersigned to sell Newmont Shares and, to the extent applicable, Exchangeable Shares pursuant to Rule 145 and, to the extent applicable, Rule 144 under the Act, Newmont shall (a) use its reasonable efforts to (i) file, on a timely basis, all reports and data required to be filed with the Commission by it pursuant to Section 13 of the Securities Exchange Act, and (ii) furnish to the undersigned upon request a written statement as to whether Newmont has complied with such reporting requirements during the 12 months preceding any proposed sale of Newmont Shares and, to the extent applicable, Exchangeable Shares by the undersigned under Rule 145, and (b) otherwise use its reasonable efforts to permit such sales pursuant to Rule 145 and Rule 144. Newmont and Franco-Nevada have filed all reports required to be filed with the Commission under Section 13 of the Securities Exchange Act during the preceding 12 months.

B. It is understood and agreed that certificates with the legend set forth in paragraphs 1.D and 1.E above will be substituted by delivery of certificates without such legend if (i) one year shall have elapsed from the date the undersigned received Newmont Securities under the Arrangement and the provisions of Rule 145(d)(2) are then available to the undersigned, (ii) two years shall have elapsed from the date the undersigned received Newmont Securities under the Arrangement and the provisions of Rule 145(d)(3) are then applicable to the undersigned, or (iii) Newmont has received either an opinion of counsel, which opinion and counsel shall be reasonably satisfactory to it, or a "no-action" or interpretive letter obtained by the undersigned from the staff of the Commission, to the effect that the restrictions imposed by Rule 144 and Rule 145 under the Securities Act no longer apply to the undersigned.

Very truly yours,

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

(i) issue or distribute Newmont Shares (or securities exchangeable for or convertible into or carrying rights to acquire Newmont Shares) to the holders of all or substantially all of the then outstanding Newmont Shares by way of stock dividend or other distribution, other than an issue of Newmont Shares (or securities exchangeable for or convertible into or carrying rights to acquire Newmont Shares) to holders of Newmont Shares (i) who exercise an option to receive dividends in Newmont Shares (or securities exchangeable for or convertible into or carrying rights to acquire Newmont Shares) in lieu of receiving cash dividends, or (ii) pursuant to any dividend reinvestment plan or similar arrangement; or

(ii) issue or distribute rights, options or warrants to the holders of all or substantially all of the then outstanding Newmont Shares entitling them to subscribe for or to purchase Newmont Shares (or securities exchangeable for or convertible into or carrying rights to acquire Newmont Shares); or

(iii) issue or distribute to the holders of all or substantially all of the then outstanding Newmont Shares (A) shares or securities (including evidence of indebtedness) of Newmont of any class (other than Newmont Shares or securities convertible into or exchangeable for or carrying rights to acquire Newmont Shares), or (B) rights, options, warrants or other assets other than those referred to in Section 2.7(a)(ii),

B-88

unless in each case the economic equivalent on a per share basis of such rights, options, securities, shares, evidences of indebtedness or other assets is issued or distributed simultaneously to holders of the Exchangeable Shares and at least 7 days prior written notice thereof is given to the holders of Exchangeable Shares; provided that, for greater certainty, the above restrictions shall not apply to any securities issued or distributed by Newmont in order to give effect to and to consummate, is in furtherance of or is otherwise in connection with the transactions contemplated by, and in accordance with, the Plan of Arrangement.

(b) Newmont will not without the prior approval of Acquisitionco and the prior approval of the holders of the Exchangeable Shares given in accordance with (S)10(2) of the Share Provisions:

(i) subdivide, redivide or change the then outstanding Newmont Shares into a greater number of Newmont Shares; or

(ii) reduce, combine, consolidate or change the then outstanding Newmont Shares into a lesser number of Newmont Shares; or

(iii) reclassify or otherwise change Newmont Shares or effect an amalgamation, merger, reorganization or other transaction affecting Newmont Shares;

unless the same or an economically equivalent change shall simultaneously be made to, or in the rights of the holders of, the Exchangeable Shares and at least seven days prior written notice is given to the holders of Exchangeable Shares.

(c) Newmont will ensure that the record date for any event referred to in Section 2.7(a) or Section 2.7(b), or (if no record date is applicable for such event) the effective date for any such event, is not less than five business days after the date on which such event is declared or announced by

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Newmont (with contemporaneous notification thereof by Newmont to Acquisitionco).

(d) The Board of Directors of Acquisitionco shall determine, acting in good faith and in its sole discretion, economic equivalence for the purposes of any event referred to in Section 2.7(a) or Section 2.7(b) and each such determination shall be conclusive and binding on Newmont. In making each such determination, the following factors shall, without excluding other factors determined by the Board of Directors of Acquisitionco to be relevant, be considered by the Board of Directors of Acquisitionco:

(i) in the case of any stock dividend or other distribution payable in Newmont Shares, the number of such shares issued in proportion to the number of Newmont Shares previously outstanding;

(ii) in the case of the issuance or distribution of any rights, options or warrants to subscribe for or purchase Newmont Shares (or securities exchangeable for or convertible into or carrying rights to acquire Newmont Shares), the relationship between the exercise price of each such right, option or warrant and the Current Market Price of a Newmont Share;

(iii) in the case of the issuance or distribution of any other form of property (including any shares or securities of Newmont of any class other than Newmont Shares, any rights, options or warrants other than those referred to in Section 2.7(d)(ii), any evidences of indebtedness of Newmont or any assets of Newmont), the relationship between the fair market value (as determined by the Board of Directors of Acquisitionco in the manner above contemplated) of such property to be issued or distributed with respect to each outstanding Newmont Share and the Current Market Price of a Newmont Share;

(iv) in the case of any subdivision, redivision or change of the then outstanding Newmont Shares into a greater number of Newmont Shares or the reduction, combination, consolidation or change of the then outstanding Newmont Shares into a lesser number of Newmont Shares or any amalgamation, merger, reorganization or other transaction affecting Newmont Shares, the effect thereof upon the then outstanding Newmont Shares; and

(v) in all such cases, the general taxation consequences of the relevant event to holders of Exchangeable Shares to the extent that such consequences may differ from the taxation consequences to holders of Newmont Shares as a result of differences between taxation laws of Canada and the

B-89

United States (except for any differing consequences arising as a result of differing marginal taxation rates and without regard to the individual circumstances of holders of Exchangeable Shares).

(e) Acquisitionco agrees that, to the extent required, upon due notice from Newmont, Acquisitionco will use its best efforts to take or cause to be taken such steps as may be necessary for the purposes of ensuring that appropriate dividends are paid or other distributions are made by Acquisitionco, or subdivisions, redivisions or changes are made to the Exchangeable Shares, in order to implement the required economic equivalence with respect to the Newmont Shares and Exchangeable Shares as provided for in this Section 2.7.

SECTION 2.8 TENDER OFFERS

In the event that a tender offer, share exchange offer, issuer bid, take-over bid or similar transaction with respect to Newmont Shares (an "OFFER") is proposed by Newmont or is proposed to Newmont or its shareholders and is recommended by the Board of Directors of Newmont, or is otherwise effected or to be effected with the consent or approval of the Board of Directors of Newmont, and the Exchangeable Shares are not redeemed by Acquisitionco or purchased by Callco or Newmont pursuant to the Redemption Call Right, Newmont will expeditiously and in good faith take all such actions and do all such things as are reasonably necessary or desirable to enable and permit holders of Exchangeable Shares (other than Newmont and its affiliates) to participate in such Offer to the same extent and on an economically equivalent basis as the holders of Newmont Shares, without discrimination. Without limiting the generality of the foregoing, Newmont will expeditiously and in good faith take all such actions and do all such things as are reasonably necessary or desirable to ensure that holders of Exchangeable Shares may participate in each such Offer without being required to retract Exchangeable Shares as against Acquisitionco (or, if so required, to ensure that any such retraction, shall be effective only upon, and shall be conditional upon, the closing of such Offer and only to the extent necessary to tender or deposit to the Offer). Nothing herein shall affect the rights of Acquisitionco to redeem (or Callco or Newmont to purchase pursuant to the Redemption Call Right) Exchangeable Shares, as applicable, in the event of a Newmont Control Transaction.

SECTION 2.9 OWNERSHIP OF OUTSTANDING SHARES

Without the prior approval of Acquisitionco and the prior approval of the holders of the Exchangeable Shares given in accordance with (S)10(2) of the Share Provisions, Newmont covenants and agrees in favour of Acquisitionco that, as long as any outstanding Exchangeable Shares are owned by any person other than Newmont or any of its affiliates, Newmont will be and remain the direct or indirect beneficial owner of all issued and outstanding voting shares in the capital of Acquisitionco and Callco.

SECTION 2.10 NEWMONT AND AFFILIATES NOT TO VOTE EXCHANGEABLE SHARES

Newmont covenants and agrees that it will appoint and cause to be appointed proxyholders with respect to all Exchangeable Shares held by it and its affiliates for the sole purpose of attending each meeting of holders of Exchangeable Shares in order to be counted as part of the quorum for each such meeting. Newmont further covenants and agrees that it will not, and will cause its affiliates not to, exercise any voting rights which may be exercisable by holders of Exchangeable Shares from time to time pursuant to the Share Provisions or pursuant to the provisions of the CBCA (or any successor or other corporate statute by which Acquisitionco may in the future be governed) with respect to any Exchangeable Shares held by it or by its affiliates in respect of any matter considered at any meeting of holders of Exchangeable Shares.

SECTION 2.11 ORDINARY MARKET PURCHASES

For certainty, nothing contained in this agreement, including the obligations of Newmont contained in Section 2.8, shall limit the ability of Newmont (or any of its subsidiaries including, without limitation, Callco or

Acquisitionco) to make ordinary market purchases of Newmont Shares in

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

accordance with applicable laws and regulatory or stock exchange requirements.

SECTION 2.12 STOCK EXCHANGE LISTING

Newmont covenants and agrees in favour of Acquisitionco that, as long as any outstanding Exchangeable Shares are owned by any person other than Newmont or any of its affiliates, Newmont will use its best efforts to maintain a listing for such Exchangeable Shares on The Toronto Stock Exchange.

ARTICLE 3

NEWMONT SUCCESSORS

SECTION 3.1 CERTAIN REQUIREMENTS IN RESPECT OF COMBINATION, ETC.

As long as any outstanding Exchangeable Shares are owned by any person other than Newmont or any of its affiliates, Newmont shall not consummate any transaction (whether by way of reconstruction, reorganization, consolidation, arrangement, merger, transfer, sale, lease or otherwise) whereby all or substantially all of its undertaking, property and assets would become the property of any other person or, in the case of a merger, of the continuing corporation resulting therefrom unless, but may do so if:

(a) such other person or continuing corporation (the "NEWMONT SUCCESSOR") by operation of law, becomes, without more, bound by the terms and provisions of this agreement or, if not so bound, executes, prior to or contemporaneously with the consummation of such transaction, an agreement supplemental hereto and such other instruments (if any) as are reasonably necessary or advisable to evidence the assumption by the Newmont Successor of liability for all moneys payable and property deliverable hereunder and the covenant of such Newmont Successor to pay and deliver or cause to be delivered the same and its agreement to observe and perform all the covenants and obligations of Newmont under this agreement; and

(b) such transaction shall be upon such terms and conditions as substantially to preserve and not to impair in any material respect any of the rights, duties, powers and authorities of the other parties hereunder or the holders of the Exchangeable Shares.

SECTION 3.2 VESTING OF POWERS IN SUCCESSOR

(2) As soon as practicable following receipt by the Trustee from Newmont of notice of any event (a "LIQUIDATION EVENT") contemplated by (S)5.8(1)(a) or (S)5.8(1)(b), the Trustee will give notice thereof to the Beneficiaries. Such notice shall be provided to the Trustee by Newmont and shall include a brief description of the automatic exchange of Exchangeable Shares for Newmont Shares provided for in (S)5.8(3).

The Trustee may act and rely on the advice of counsel with respect to such matters. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the holder of the shares in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing Agency. To the extent that the amount so required to be deducted or withheld from any payment to a holder exceeds the cash portion of the consideration otherwise payable to the holder, Newmont, Acquisitionco and the Trustee are hereby authorized to sell or otherwise dispose of such portion of the consideration as is necessary to provide sufficient funds to Newmont, Acquisitionco or the Trustee, as the case may be, to enable it to comply with such deduction or withholding requirement and Newmont, Acquisitionco or the Trustee shall notify the holder thereof and remit to such holder any unapplied balance of the net proceeds of such sale. Newmont represents and warrants that, based upon facts currently known to it, it has no current intention, as at the date of this agreement, to deduct or withhold from any dividend paid to holders of Exchangeable Shares any amounts under the United States tax laws.

7.7 ACTION OF BENEFICIARIES

No Beneficiary shall have the right to institute any action, suit or proceeding or to exercise any other remedy authorized by this agreement for the purpose of enforcing any of its rights or for the execution of any trust or power hereunder unless the Beneficiary has requested the Trustee to take or institute such action, suit or proceeding and furnished the Trustee with the funding, security or indemnity referred to in (S)7.6 and the Trustee shall have failed to act within a reasonable time thereafter. In so refusing, the Trustee may elect not to exercise any Voting Rights, Automatic Exchange Right or Automatic Exchange Rights on Liquidation subject to such conflicting claims or demands and, in so doing, the Trustee shall not be or become liable to any person on account of such election or its failure or refusal to comply with any such conflicting claims or demands. The Trustee shall be entitled to continue to refrain from acting and to refuse to act until:

(2) In no case shall Newmont or Acquisitionco be liable under this indemnity for any claim against any of the Indemnified Parties unless Newmont and Acquisitionco shall be notified by the Trustee of the written assertion of a claim or of any action commenced against the Indemnified Parties, promptly after any of the Indemnified Parties shall have received any such written assertion of a claim or shall have been served with a summons or other first legal process giving information as to the nature and basis of the claim. Subject to (ii) below, Newmont and Acquisitionco shall be entitled to participate at their own expense in the defence and, if Newmont and Acquisitionco so elect at any time after receipt of such notice, either of them may assume the defence of any suit brought to enforce any such claim. The Trustee shall have the right to employ separate counsel in any such suit and participate in the defence thereof, but the fees and expenses of such counsel shall be at the expense of the Trustee unless: (i) the employment of such counsel has been authorized by Newmont or Acquisitionco; or (ii) the named parties to any such suit include both the Trustee and Newmont or Acquisitionco and the Trustee shall have been advised by counsel acceptable to Newmont or Acquisitionco that there may be one or more legal defences available to the Trustee that are different from or in addition to those available to Newmont or Acquisitionco and that, in the judgement of such counsel, would present a conflict of interest were a joint representation to be undertaken (in which case Newmont and Acquisitionco shall not have the right to assume the defence

(b) Newmont is induced to make the Agreed Announcement on the basis that, in the circumstances provided for by clause 4, Normandy shall pay to Newmont its costs and expenses connected with the Bid and its reasonable opportunity costs, subject to the cap in clause 4.4.

4.2 UNDERTAKING

Normandy undertakes to Newmont that if:

(a) a Competing Takeover Proposal is announced or open for acceptance and, pursuant to that Competing Takeover Proposal, the bidder acquires a relevant interest in more than 50% of all Normandy's Shares and the Competing Takeover Proposal becomes free from any defeating conditions either before or after the end of the applicable offer period; or

(b) the Normandy Board fails to recommend Newmont's Takeover Bid in Normandy's target's statement in response to Newmont's Takeover Bid or withdraws or modifies in a manner adverse to Newmont a recommendation previously made in respect of the Bid (or proposed Bid) or enters into any agreement, arrangement or understanding to recommend or support a Competing Takeover Proposal or recommends a Competing Takeover Proposal,

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

(iii) costs incurred by Newmont in negotiating, planning and implementing the Bid;

(iv) reasonable opportunity costs incurred by Newmont in pursuing the Bid or in not pursuing other alternative acquisitions or strategic initiatives; and

(v) any reputational damages associated with a failed transaction and the implications of those damages in the event Newmont seeks to execute alternative acquisitions or financings in the future,

in each case, incurred or suffered by Newmont as a result of Newmont having entered into this Deed or making an Agreed Announcement or pursuing Newmont's Takeover Bid and related transactions, including all preparatory investigations and due diligence undertaken in connection therewith since 1 August 2001.

4.3 LIMITATION ON PAYMENT

Normandy will not have any obligation under clause 4.2(b) in any of the following circumstances:

(a) the terms and conditions of the Bid when made are materially less favourable to Normandy shareholders than the terms and conditions thereof specified in the Agreed Announcement;

(b) Newmont shareholders vote against the resolution to approve the issue of Newmont securities under the Bid; or

(c) the Treasurer of the Commonwealth of Australia determines not given an approval to the Bid, under the Foreign Acquisitions and Takeovers Act (Cth) on terms acceptable to Newmont,

unless another person, including AngloGold, makes a Competing Takeover Proposal which becomes free from any defeating conditions either before or after the end of the applicable offer period.

C-6

4.4 CAP

The maximum aggregate liability of Normandy under clause 4.2 is the Compensating Amount.

4.5 DEMAND FOR PAYMENT

Any demand for payment of the Compensating Amount must:

(a) be in writing; and

(b) certify the amount and provide reasonable supporting details thereof except for opportunity costs in respect of which Normandy will rely on the representation provided by Newmont which is referred to in clause 4.1(a).

Payment must, subject to clause 4.4, be made by Normandy within 3 Business Days of receipt of the demand therefor by Newmont.

4.6 SECURITY BOND

(a) As security for its obligation under clause 4.2, Normandy must as soon as reasonably practicable but in any event by no later than 28 November 2001

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

provide a Security Bond to Newmont.

(b) Newmont shall have the right, without prejudice to any other remedy available to Newmont, to call upon the Security Bond if Normandy fails to comply with clause 4.2. Newmont agrees to return the Security Bond to Normandy when Normandy's obligations under clause 4.2 have been observed and complied with to the satisfaction of Newmont or otherwise have terminated in accordance with this Deed.

(c) Normandy shall not take any steps whatsoever to:

(i) injunct the payment of the amount secured by the Security Bond in respect of any claim that may be made under the Security Bond by Newmont; or

(ii) restrain Newmont from exercising its rights under the Security Bond in accordance with this clause.

(d) The Security Bond shall be in such form as Normandy and Newmont reasonably agree.

(e) (i) Subject to paragraph (ii), the term of the Security Bond must be 18 months from the date of this Deed;

(ii) Normandy must extend the term of the Security Bond, in the event that there is a dispute between Normandy and Newmont concerning the payment pursuant to clause 4 until a date which is 10 Business Days after the date the dispute is finally resolved.

5. FACILITATION OF OFFER

5.1 ABRIDGEMENT OF TIME

(a) For the purposes of item 6 in section 633(1) of the Corporations Act, subject to:

(i) Newmont providing Normandy with an advanced draft of its Bidder's Statement for review when prepared and a final draft of its Bidder's Statement not less than three Business Days before it is lodged with the Australian Securities and Investments Commission under item 2 of section 633(1) of the Corporations Act;

(ii) Newmont taking account of all reasonable comments provided to it by Normandy prior to finalising its Bidder's Statement; and

C-7

(iii) Newmont's Bidder's Statement complying with applicable law,

Normandy will agree that the offers under Newmont's Takeover Bid may be sent to Normandy shareholders, at the option of Newmont, on the day on which the Bidder's Statement relating to Newmont's Takeover Bid is sent to Normandy or within 5 Business Days after that day.

(b) Normandy will use its best endeavours to distribute a Target's Statement in relation to Newmont's Takeover Bid as soon as practicable after Newmont's Bidder's Statement has been sent to Normandy.

5.2 CONSULTATION

Normandy will consult with Newmont a reasonable time in advance of any

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

action which may cause a non-fulfilment of any of the conditions of Newmont's Takeover Bid and Newmont will act reasonably in relation to the waiving of any of those conditions in respect of facts or circumstances which have an immaterial effect on Normandy and its subsidiaries taken as a whole.

6. REPRESENTATIONS AND WARRANTIES

6.1 WARRANTIES BY NORMANDY

Normandy represents and warrants to Newmont in the terms set out in Schedule 2.

6.2 INDEMNITY

Normandy indemnifies Newmont against any claim, loss, liability, cost or expense, direct or indirect, which Newmont is liable for arising from a breach by Normandy of this Deed including a breach of Warranty.

6.3 DISCLOSURE

Each Warranty is qualified by and subject to:

(a) any matter which is disclosed in the Normandy Due Diligence Material in sufficient detail to enable Newmont to have a reasonable understanding of the nature and the import of the matter which is disclosed; and

(b) any announcement that Normandy has made either to ASX or ASIC between 1 July 2001 and the date of this Deed; and

(c) any information which, at the date of this Deed, is publicly available or which, upon inspection of any register maintained by any Governmental Agency and available to the public (whether with or without the payment of a fee) would be ascertainable by Newmont.

Normandy acknowledges that Newmont has relied on the Warranties for the purpose of executing this Deed and making the Agreed Announcements and pursuing the Bid.

6.5 WARRANTY BREACH NOTIFICATION

If prior to the end of the offer period under the Bid, Normandy becomes aware of any breach or potential breach of a Warranty, Normandy must notify Newmont of this and provide reasonable particulars of the breach or potential breach.

C-8

6.6 PROCEEDINGS FOR WARRANTY CLAIM

(a) reasonable details of the claim are notified in writing to Normandy within six months of the date of this Deed; and

(b) within six months after the date the claim is first notified to Normandy proceedings against Normandy in respect of the claim have been commenced by Newmont and initiating process served on Normandy.

6.7 LIABILITY LIMITATIONS

(a) Despite any other provisions of this Deed the representations and warranties given by Normandy do not survive the consummation of the Newmont Bid; that is when the Newmont Bid conditions have either been satisfied or waived.

(b) In no event shall Normandy be liable for loss of profit, loss of revenue, loss of opportunity or any other kind of indirect or consequential loss or damage in connection with a breach of Warranty claim.

(c) A claim for a breach of Warranty cannot be made unless that claim and all other claims for breach of Warranty, in the aggregate, exceed the amount paid to Newmont under clause 4 at the time the claim is made and then only in respect of the excess.

(d) Normandy's liability under this clause 6 shall be limited to an amount in the aggregate not exceeding \$100 million.

6.8 CERTIFICATION OF REPRESENTATIONS AND WARRANTIES

The obligations of Newmont to consummate the Bid shall be subject to the representations and warranties of Normandy under this Deed being true and correct in all material respects (except where already qualified as to materiality or the absence of a Material Adverse Effect), on and as of the date of consummation as if made on and as of such date (except to the extent such representations and warranties refer solely as of an earlier date, in which event such representations and warranties shall be true and correct to such extent as of such earlier date), and Newmont shall have received a certificate of Normandy addressed to Newmont and dated the date of consummation, signed on behalf of Normandy by a senior officer of Normandy (on Normandy's behalf and without personal liability), confirming the same as at the date of consummation.

6.9 NO ASSIGNMENT

The rights of Newmont under this clause 6, including the benefit of the Warranties given by Normandy, are personal to Newmont. They cannot be assigned, transferred, charged, made the subject of any trust or otherwise dealt with (except to or for the benefit of Bidder) without the written consent of Normandy which consent may be withheld in Normandy's absolute discretion.

7. CONDUCT OF BUSINESS BY NORMANDY

(a) Prior to the consummation of Newmont's Takeover Bid, unless Newmont otherwise agrees in writing or as otherwise expressly contemplated or permitted by this Deed, Normandy shall, and cause each of its Subsidiaries to,

(i) in all material respects conduct its business only in, not take any action except in, and maintain its facilities in, the ordinary course of business consistent with past practice, and

C-9

(b) LIABILITY LIMITED

Despite any other provision of this Deed, the representations and warranties given by Newmont do not survive consummation of the Newmont Bid; that is when Newmont has acquired a relevant interest in at least 50.1% of Normandy voting shares and the Newmont Bid conditions have either been satisfied or waived.

8.2 INDEMNITY

Newmont indemnifies Normandy against any claim, loss, liability, cost or expense, direct or indirect, which Normandy pays or is liable for arising from a breach by Newmont of this Deed including a breach of a warranty given by Newmont provided that in no event shall Newmont be liable for loss of profit, loss of revenue, loss of opportunity or other kind of indirect or consequential loss or damage in connection with a breach of Warranty claim.

(b) The parties shall, as far as practicable, consult with one another as to the terms of all press releases and other public announcements and presentations by Newmont or Normandy relating to the Newmont Bid while the Normandy Board recommends the Newmont Bid, provided, however, that the foregoing shall not preclude communications or disclosures, after reasonable prior consultation with the other party:

(b) Each party submits to the non-exclusive jurisdiction of the Courts exercising jurisdiction in New South Wales, Australia and any Court that may hear appeals from any of those Courts, for any proceedings in connection with this document and waives any right it might have to claim that those Courts are an inconvenient forum.

(a) vigorously defend such action or proceeding before a Court, the Takeovers Panel or regulatory authority; and

(b) at Newmont's cost permit Newmont to participate with Normandy in such action or proceeding.

(e) **BOARD APPROVAL:** The Normandy Board has unanimously approved this Deed and the transactions and obligations imposed on Normandy under this Deed including the recommendation of the Normandy Board which is contained in the Agreed Announcements.

3. ACCURACY OF INFORMATION

(a) So far as the Normandy Board and Normandy Senior Management are aware, the Normandy Due Diligence Material together with any information about Normandy which is in the public domain at the date of this Deed comprises all information that investors and their professional advisers would reasonably require to make an informed assessment of the assets and liabilities, financial position and performance, profits and losses and prospects of Normandy and the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Subsidiaries taken as a whole as at the date of this Deed.

(b) So far as the Normandy Board and Normandy Senior Management are aware, the information contained in the Normandy Due Diligence Material is accurate in all material respects. None of that information is misleading in any material particular whether by inclusion of misleading information or the omission of material information or both.

C-15

(d) The Normandy Board and the Normandy Senior Management are not aware of any information being information otherwise liable to be disclosed under ASX listing rule 3.1 which has not been publicly disclosed by Normandy in reliance on the carve out from disclosure which is contained in ASX listing rule 3.1 which has not been provided to the expert for review in connection with the preparation of the independent expert's report which is to accompany the Normandy Target's Statement which will be given in response to the AngloGold Bidder's Statement dated 16 October 2001 and AngloGold's F-4 Registration Statement dated 9 November 2001.

(e) Without limiting the generality of paragraph (c), as far as the Normandy Board and the Normandy Senior Management are aware, none of the disclosures Normandy has lodged with either ASIC or ASX since 30 June 2001, including without limitation the audited financial statements of Normandy and its Subsidiaries as at 30 June 2001, as of their respective dates, contained any untrue statement of material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances in which they were made, not misleading, except to the extent that such statements have been modified or superseded by later lodgements on behalf of Normandy or a Subsidiary with either ASIC or ASX.

(f) As at the date of this Deed, the Normandy Board and Normandy Senior Management are not aware of:

(i) any material change in its financial position or the financial position of Normandy and its Subsidiaries which change would constitute a Material Adverse Effect upon Normandy when compared with the financial position of Normandy and Normandy and its subsidiaries as disclosed in the audited financial statements of Normandy and Normandy and its Subsidiaries as at 30 June 2001; or

(ii) any event, change, effect or development that individually or in the aggregate would result in a Material Adverse Effect upon Normandy.

(a) As far as the Normandy Board and the Normandy Senior Management are aware, Normandy holds all material authorisations which are necessary or required to enable it to conduct its business as it has been conducted at the date of this Deed and as the Normandy Board expects that business to continue to be conducted, other than those authorisations the failure to so hold, either individually or in the aggregate, would not result in a Material Adverse Effect upon Normandy. The Normandy Board and the Normandy Senior Management are not aware of any fact, matter or circumstance existing as at the date of this Deed which has not been the subject of public disclosure which may have a Material

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Adverse Effect upon Normandy in terms of its ability to continue to conduct its business.

(b) Since 30 June 2001 there has not been any granting by Normandy or a Subsidiary to any member of the Normandy Board or the Normandy Senior Management of any increase in compensation, severance or termination pay, except:

5. LITIGATION

(a) There is no suit, action, proceedings, prosecution, litigation, arbitration proceeding or administrative or governmental investigation or challenge pending or, to the knowledge of Normandy, threatened against Normandy or a Subsidiary that, individually or in the aggregate, would:

(i) if adversely determined against Normandy would result in a Material Adverse Effect; or

(ii) reasonably be expected to prevent or delay in any material respect the consummation of Newmont's Takeover Bid.

C-16

(b) There is no judgment, decree, injunction, rule or order outstanding against Normandy or a Subsidiary that, individually or in the aggregate, would result in a Material Adverse Effect.

(c) All contracts material to the business of Normandy are valid and binding obligations of Normandy or a Subsidiary and, to the knowledge, neither Normandy nor a Subsidiary nor any other person which is a party to a contract referred to in paragraph (a) in breach of or in default in respect of, nor has there occurred an event or condition which with the passage of time or giving of notice (or both) would constitute a default under or entitle any party to terminate, accelerate, modify or call a default under, or trigger any pre-emptive rights or rights of first refusal under, any such contract except such breaches or defaults that, individually or in the aggregate, would not have a Material Adverse Effect.

6. RESERVES/RESOURCES

As far as the Normandy Board and the Normandy Senior Management are aware, there has been no material reduction in the aggregate amount of reserves or resources of Normandy and its Subsidiaries, taken as a whole, from the amounts set forth in Normandy's 2001 Annual Report except for such reductions in reserves that have resulted from production in the ordinary course of business or such reductions in resources that have resulted from reclassifications of resources as reserves.

7. COMPLIANCE WITH LAWS

Neither Normandy nor a Subsidiary has, to the best of the knowledge and belief of the Normandy Board and the Normandy Senior Management, breached or failed to comply with any of its articles or other organisational documents or by laws, or any statute, law, ordinance, regulation, rule, judgment, decree or order applicable to its business or operations, except for:

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

(a) breaches and failures to comply therewith that, individually or in the aggregate, would not result in a Material Adverse Effect; or

(b) breaches and failures to comply which have been publicly disclosed.

THE PARTIES AGREE

1. DEFINITIONS AND INTERPRETATION

1.1 DEFINITIONS

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

In this document, unless the context otherwise requires:

APPEAL RIGHTS means all rights of appeals and challenges available to a party from a Court to a Court, from the Takeovers Panel to the Takeovers Panel or from the Takeovers Panel to a Court, as Newmont in its absolute discretion determines.

DEED OF UNDERTAKING means the document between Normandy and Newmont which is dated on the same date as the date of this Deed and which is referred to in Recital A to this Deed.

FINALLY DETERMINED or FINAL DETERMINATION means the final decision, order, judgment or determination in relation to a Challenge after all appeals and challenges to jurisdiction have been exercised or availed of, as deemed appropriate by Newmont in its absolute discretion.

PAYMENT means any payment which Normandy is required to make to Newmont in accordance with clause 4.2 of the Deed of Undertaking.

PROVISO means Normandy in consultation with Newmont taking all necessary actions to vigorously defend any application or proceeding for orders, judgments, determinations or declarations made under a Challenge before a Court or the Takeovers Panel which, if granted, made or allowed would in any way interfere with Normandy making the Payment in accordance with the terms of the Deed of Undertaking; and Normandy, at Newmont's cost, seeking to join Newmont as a party to such application and proceedings in which the Challenge is made or brought; and Normandy, at Newmont's direction, initiating all Appeal Rights from a decision of a Court or the Takeovers Panel which has the effect or result of preventing the Payment from being made to Newmont.

1.2 INTERPRETATION

Headings are for convenience only and do not affect interpretation. The following rules also apply in interpreting this document except where the context makes it clear that a rule is not intended to apply:

C-21

(a) A reference to a person includes any type of entity or body of persons, whether or not it is incorporated or has a separate legal identity, and any executor, administrator or successor in law of the person.

(b) A singular word includes the plural and vice versa.

(c) A word which suggests one gender includes the other genders.

(d) If a word is defined, another part of speech has a corresponding meaning.

(e) Words or expressions which are defined in the Corporations Act have the same meanings in this Deed.

(f) Words or expressions which are defined in the Deed of Undertaking have the same meanings in this Deed.

2. NEWMONT AGREEMENT

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

each director and relevant officer of Normandy.

3. CLAUSE 4.2 PAYMENT

In the event that, at any time prior to a Payment becoming due to be made to Newmont in accordance with clause 4.2 of the Deed of Undertaking, there is a challenge to Normandy making the Payment which challenge is instituted or brought before a Court or the Takeovers Panel (CHALLENGE), then:

(a) subject to the Proviso, Newmont will not enforce or seek to enforce Normandy's obligation to make the Payment, nor will Newmont seek recovery of the Payment under the Security Bond, until such time as the Challenge is Finally Determined;

(b) if upon the Final Determination of the Challenge, Normandy is restrained from making the Payment (or any part thereof) or the making of the Payment is prevented by reason of a determination that it is illegal or unlawful (other than for any purpose on the part of the directors or any officer of Normandy to obtain improper personal pecuniary benefits, not including any benefit directly or indirectly as a holder of securities of Normandy in common with other holders of securities of Normandy) then, subject to the Proviso, Newmont will not seek to recover the Payment (or part thereof as the case may be) or damages in lieu thereof either against Normandy or any director or any officer of Normandy nor will Newmont seek to exercise its rights under the Security Bond.

4. RECOVERY OF PAYMENTS ALREADY MADE

In the event that, at any time after a Payment has been made by Normandy to Newmont in accordance with clause 4.2 of the Deed of Undertaking, there is a challenge in respect of the Payment having been made which challenge is instituted or brought before a Court or the Takeovers Panel (POST-PAYMENT CHALLENGE) then, subject to the Proviso, Newmont will promptly refund the Payment (or any part thereof) upon a Final Determination of the Post-Payment Challenge if it is determined or decided that the making of the Payment (or the part thereof) was illegal or unlawful (other than for any purpose on the part of the directors or any officer of Normandy to obtain improper personal pecuniary benefits, not including any benefit directly or indirectly as a holder of securities of Normandy in common with other holders of securities of Normandy) and Newmont will not in such circumstances seek to recover the Payment (or part thereof as the case may be) or damages in lieu thereof either against Normandy or any director or officer of Normandy who authorised the making of such Payment, nor will Newmont seek to exercise any rights under the Security Bond.

APPENDIX D

NORMANDY FINANCIAL INFORMATION

EXCERPTS FROM PUBLICLY AVAILABLE NORMANDY DOCUMENTS

This Appendix D sets forth certain selected financial information with respect to Normandy, excerpted from the following publicly-available Normandy documents:

- (i) Normandy Q1 Report on Activities to Shareholders--Three Months to September 30, 2001
- (ii) Normandy 2001 Annual Shareholder Report
- (iii) Normandy 2000 Annual Shareholder Report

Normandy's financial data is presented in accordance with Australian GAAP, which differs in certain significant respects from U.S. GAAP. These differences as they relate to Normandy cannot be quantified due to the limited disclosure provided in publicly available financial information.

Pursuant to Rule 409 promulgated under the U.S. Securities Act of 1933, on December 17, 2001, we requested that Normandy and its independent public accountants provide to us all material information required to be included in this offer document or required to make statements made herein not misleading. On December 11, 2001, we requested that Normandy's independent public accountants consent in a customary manner to the inclusion of its audit reports with respect to the financial statements of Normandy included in this offer document. On December 14, 2001, Normandy's independent public accountants responded in writing to our December 11, 2001 letter stating that it was

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

reluctant to give consent for the inclusion of its audit report where consent has not been given for the financial statements themselves, and believed it was appropriate that its consent be given concurrently with Normandy's consent. On December 19, 2001, Normandy, on its own behalf and on behalf of its accountants, responded in writing to our December 17, 2001 letter and stated that it was not appropriate for Normandy to bear any burden as to what the offer document should contain and whether or not such document was misleading. Normandy further stated that if there were specifics which Newmont wished to refer to Normandy for review and comment, Normandy would consider whether it could be of assistance and to what extent, on a case by case basis. In addition, Normandy stated that its accountants were not in a position to provide assistance to us, that work on U.S. GAAP reconciliation of its financial statements had not been completed to Normandy's satisfaction and that Normandy had not yet determined whether it would allow U.S. GAAP reconciliation of its financial statements to be made public at this time. As a result, we have had to rely on our best estimates in presenting these reconciliations to U.S. GAAP of figures prepared in accordance with Australian GAAP and Australian dollars. Errors in such estimates may be material.

FINANCIAL RESULTS--39% PROFIT INCREASE

Profit attributable to Normandy shareholders for the September quarter was A\$35.4 million, a 39% increase (A\$25.5M, before significant items).

Significantly, over half of the result was achieved in September, with excellent operating performances from Tanami and Midas Operations.

Gross profit from gold operations increased 15% to A\$99.8 million, largely due to record production at Tanami Operations, which will be further enhanced next quarter with commencement of production at Groundrush. Kalgoorlie Operations' contribution was lower reflecting a 21% decrease in Super Pit head

Exploration expense decreased to A\$9.2 million in line with reduced spending that is focused on projects within close proximity to existing infrastructure. Administration expenses were lower than last quarter, which included several one-off restructure costs. Reduced borrowing costs are the result of lower average borrowings for the quarter.

NORMANDY MINING LIMITED--2001 MANAGEMENT DISCUSSION AND ANALYSIS
(EXCERPT FROM 2001 ANNUAL SHAREHOLDER REPORT)

FINANCIAL PERFORMANCE

OPERATING CONTRIBUTIONS

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Consolidated sales revenue was A\$1,543.7 million, an increase of 16 percent compared to 2000 consolidated sales revenue of A\$1,323.6 million.

Gold sales revenue was A\$1,252.0 million, an increase of 34 percent which excludes the gold attributable to non-controlled TVX Normandy Americas. Consolidated gold sales increased from 1.617 million ounces in 2000 to 2.226 million ounces in 2001. The increase is mainly due to the full 12 months gold sales of 0.786 million ounces from Normandy Yandal Operations Limited ("Yandal Operations") following its acquisition in April 2000. Also, increased gold production at Normandy NFM and the recent acquisition of the Midas mine more than replaced the gold sales from discontinued operations. The average realised sale price for the consolidated gold division decreased from A\$576 per ounce to A\$562 per ounce compared to the average spot price for the year of A\$501 per ounce. The decrease was mainly due to lower forward prices for hedge contracts in the Yandal Operations hedge book.

Average gold cash costs decreased by A\$8 per ounce to A\$302 per ounce. This was mainly influenced by Yandal Operations' Jundee mine (0.411 million ounces at A\$255 per ounce), lower unit costs at Normandy NFM due to higher grade ore and the sale/closure of higher-cost operations.

Gold operations earnings before interest, tax and non-cash costs increased 38 percent due to the increased revenue and reduced cash costs. Non-cash costs (depreciation, amortisation and mine completion provisions) increased from A\$68 per ounce to A\$110 per ounce in 2001 associated mainly with the Yandal Operations. As a consequence, gross profit from gold operations increased by 7 percent to A\$331.6 million.

Non-gold sales revenue decreased 24 percent to A\$291.8 million reflecting the sale of industrial minerals operations in June last year offset by the inclusion of A\$69.6 million of revenue from Australian Magnesium Corporation Limited ("AMC"). Non-gold gross profit was A\$7.6 million, a decrease of 78 percent due to the sale of the industrial minerals businesses, lower zinc production at Golden Grove and the consolidated loss of AMC.

EXPENSES

Exploration provisions and write-offs totaled A\$58.1 million, a 25 percent increase on last year due to the first full year effect of Yandal Operations.

Borrowing costs increased from A\$66.7 million to A\$112.0 million reflecting the first full year consolidation of the Yandal USD bonds, the A\$285 million syndicated Yandal acquisition facility and the Australian Magnesium Corporation debt facility. Interest income increased by 12 percent to A\$28.2 million.

Administration costs increased by 7 percent to A\$64.6 million mainly due to one off redundancy costs of A\$5.7 million.

Income tax expense was A\$20.4 million for the year, an effective rate of 15 percent which is lower than the prima-facie rate of 30 percent due to recognition of previously unrecognised tax credits and utilisation of losses.

A net operating loss of A\$6.8 million was attributed to outside equity interests due to the losses of AMC (62.6 percent-owned) relative to the profits of Normandy NFM (87.5 percent-owned) and Normandy Mt Leyshon (76.4 percent-owned).

The net profit after tax but before significant items of A\$120.1 million was

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

lower than last year's result of A\$138.4 million, principally due to the impact of higher borrowing costs and discontinued or sold operations.

Significant items included a A\$159 million write down of the Kasese Cobalt plant to zero together with a A\$38 million write off in outside equity interests, both reflecting the ongoing risks associated with the project. Other significant expense items included write downs of A\$42 million relating to offshore regional exploration and development capitalised in previous years, A\$30 million write down of the Bronzewing mine property and A\$20 million provision against the investment in TVX Gold Inc shares, reflecting the market price following a reconstruction scheme implemented in June 2001. Partially offsetting these write downs was a net gain of A\$14.3 million on the settlement of the Peruvian asset dispute, including profit on sale of shares received in consideration for the settlement.

After taking into account the significant items detailed above, the net loss for the Group was A\$154.6 million.

CASH FLOWS

Net cash inflow from operating activities increased by 49 percent to A\$322.1 million, mainly due to the inclusion of the Yandal Operations for the full 12 months and higher cash flow generated by Pajingo and Normandy NFM. This outweighed the loss of cash flow from discontinued and sold operations as well as the higher net financing costs.

Capital expenditures totaled A\$306.4 million, a reduction of 8 percent mainly due to lower expenditure on development projects including Kasese, Yamfo-Sefwi and Perama Hill as well as a significant reduction in expenditure on investments.

Net proceeds from the sale of investments of A\$130.3 million mainly comprised A\$49.5 million proceeds on sale of BRGM Perou/Mine Or, A\$19.4 million on sale of New Hampton Goldfields shares and A\$7 million proceeds on sale of Normandy Tennant Creek Pty Ltd.

Inflows from businesses acquired relate to cash balances held by AMC and Midas at the time of acquisition and net proceeds received on sale of businesses principally represent the Group's investments in Larvik Pigment (Asia Pacific), Sdn Bhd, Larvik Pigment (Australia) Ltd and Larvik Pigment (Norway) AS.

Net repayment of borrowings of A\$302.4 million reflects the full payment and cancellation of the A\$285 million syndicated Yandal acquisition facility and scheduled repayments relating to the Kasese project facility.

Dividends of A\$95.2 million were paid, comprising the 2000 final dividend and 2001 interim dividend of Normandy Mining Limited, Normandy Mt Leyshon Limited and Normandy NFM Limited to outside shareholders.

Proceeds from issue of shares of A\$93.8 million relate principally to the cash portion of the Franco-Nevada transaction.

In summary, cash and bullion increased by A\$98.1 million to A\$344.8 million at year end.

FINANCIAL POSITION

Total assets increased by A\$220 million mainly as a result of the acquisition of the Midas property following the transaction with Franco-Nevada. Development properties increased by A\$189 million reflecting the AMC consolidation, partly offset by the write down of the Kasese project.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Investments decreased due to the consolidation of AMC which was previously equity accounted and the sale of Mine Or and BRGM Perou as part

D-10

of the Peruvian assets settlement. Investments now comprise only the 49.9 percent interest in TVX Normandy Americas.

Total liabilities decreased by A\$192 million mainly as a result of A\$303 million debt repayments during the year, offset by consolidation of AMC debt. Interest bearing liabilities at year end comprise A\$200 million drawn under a A\$650 million syndicated corporate facility, US\$300 million Notes issued in April 1998 (non-recourse to Normandy), US\$250 million Notes issued in July 1998, and project financing relating to the Kaseke (US\$50.7 million), Ovacik (US\$40 million) and AMC (A\$39 million) projects.

Equity increased by A\$412 million, reflecting the 446.1 million shares issued to Franco-Nevada and increased outside equity interests recognised on consolidation of AMC, offset by current year losses and dividends paid.

The Group's overall gearing decreased from 57 percent to 40 percent due to the combined effect of lower net debt and the share issue to Franco-Nevada.

NORMANDY MINING LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

FOR THE YEAR ENDED 30 JUNE 2001

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This general purpose financial report has been prepared in accordance with applicable Accounting Standards, Urgent Issues Group Consensus Views and the Corporations Act 2001. It is prepared in accordance with the historical cost convention, except for certain assets which are noted as at valuation. The accounting policies adopted are consistent with those of the previous year.

The directors have elected under section 334(5) of the Corporations Act 2001 to apply Accounting Standards AASB 1041 "Revaluation of Non-Current Assets" for this financial year, even though the standard is not required to be applied until annual reporting periods beginning on or after 30 September 2001.

(A) PRINCIPLES OF CONSOLIDATION

The consolidated financial statements are presented as one set of financial statements and include all entities which comprise the Normandy Mining Limited consolidated entity, being the parent entity and its controlled entities. There are no controlled entities in the consolidated entity other than those listed in Note 28. The effects of all transactions between entities within the consolidated entity are eliminated in full.

(B) FOREIGN CURRENCIES

Transactions denominated in foreign currencies have been brought to account at the exchange rates ruling at the time of the transactions. At balance date, foreign currency receivables and payables are translated at exchange rates ruling at that date.

Exchange gains and losses and hedging costs arising on contracts entered into as hedges of specific revenue or expense transactions are deferred until the date of such transactions at which time they are included in the determination of such revenues or expenses.

Assets and liabilities of self-sustaining overseas controlled entities are translated at exchange rates ruling at balance date and any exchange gain or loss arising on translation is carried directly to a foreign currency translation reserve.

When anticipated purchase or sale transactions have been hedged, actual purchases or sales which occur during the hedged period are accounted for as having been hedged until the amounts of those transactions are fully allocated against the hedged amounts.

Where a hedge transaction is terminated early and the anticipated transaction is still expected to occur as designated, the deferred gains and losses that arose on the hedge prior to its termination continue to be deferred and are included in the measurement of the purchase or sale or interest transaction when it occurs. Where a hedge transaction is terminated early because the anticipated transaction is no longer expected to occur as designated, deferred gains and losses that arose on the hedge prior to its termination are included in the statement of financial performance for the period.

(C) REVENUE

Gold bullion is taken up as a sale in the period during which it is shipped from the mine, provided it is either sold or delivered to a gold refinery within the normal time span. Bullion delivered against forward sales contracts is accounted for at the contract rate. Base metal concentrate sales are

recognised at estimated sales value when

D-15

NORMANDY MINING LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2001

shipped and adjusted for variations in metal prices, assay, weight and currency. Other sales are taken up when title has passed.

Gold bullion held at year end is valued at the contract rates for those hedges it is expected to be delivered into. Base metal concentrate debtors are valued at the relevant forward contract US dollar rate.

Royalty revenue is recognised on an accrual basis in accordance with the substance of the relevant agreement.

Gains or costs arising upon entry into a hedging transaction intended to hedge the sale of goods, together with subsequent exchange gains or losses resulting from those transactions, are deferred up to the date of sale and included in the measurement of the sale.

If the hedging transaction is terminated prior to its maturity date and the hedged transaction is still expected to occur, deferral of any gains and losses which arose prior to termination continues and those gains and losses are included in the measurement of the hedged transaction.

In those circumstances where a hedging transaction is terminated prior to maturity because the hedged transaction is no longer expected to occur, any previously deferred gains and losses are recognised in the statements of financial performance at the date of termination.

If a hedge transaction relating to a commitment for the sale of goods or services is redesignated as a hedge of another specific commitment and the original transaction is still expected to occur, the gains and losses that arise on the hedge prior to its redesignation are deferred and included in the measurement of the original sale when it takes place. If the hedge transaction is redesignated as a hedge of another commitment because the original sale transaction is no longer expected to occur, the gains and losses that arise on the hedge prior to its redesignation are recognised in the statements of financial performance at the date of the redesignation.

(D) RECEIVABLES

Receivables are recorded at amounts due less any provision for doubtful debts.

(E) DERIVATIVES

Derivative financial instruments are not recognised in the financial statements on inception. The costs associated with entering hedge transactions in respect of commodity sales together with gains or losses to the date of sale are deferred and included in the measurement of the final sale price. Additional information in respect of hedging is set out in Note 32.

The amount received or paid under interest rate swaps is recognised as an adjustment to interest rate expense when the cash flow takes place.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

(F) INCOME TAX

Income tax has been brought to account using the liability method of tax effect accounting. No provision has been made for any taxes on capital gains which could arise in the event of a sale of certain revalued non-current assets for the amount at which they are stated in the financial statements as it is not expected that any such liability will crystallise.

D-16

NORMANDY MINING LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2001

(G) GOODWILL

Goodwill is measured as the excess of the cost of acquisition over the fair value of the identifiable net assets acquired. Amortisation is provided on a straight line basis over the period during which the benefits are expected to arise based on life of mine or over a period of twenty years whichever is the lesser.

(H) INVENTORIES

Inventories, apart from gold bullion, are valued at the lower of cost and net realisable value. Costs are assigned to inventories on hand by the method most appropriate to each class of inventory with the majority being valued on an average cost basis. Costs of production include fixed and variable direct costs and an appropriate portion of fixed overhead expenditure, depreciation and mine amortisation.

(I) OTHER FINANCIAL ASSETS

The consolidated entity's interests in companies are carried at the lower of cost and recoverable amount. Dividend income is recognised in profits when received, except for associated entities which are accounted for using the equity method. Loans to other corporations are recorded at amounts due less any provisions for doubtful loans.

(J) JOINT VENTURES

(i) Joint venture operation

The proportionate interests in the assets, liabilities and expenses of a joint venture operation have been incorporated in the financial statements under the appropriate headings. Details of the joint venture are set out in Note 29.

(ii) Joint venture entities

The consolidated entity's interest in the assets and liabilities of joint venture entities are accounted for using the equity method. Additional information is provided in Note 30.

(K) EXPLORATION AND EVALUATION EXPENDITURE

Exploration and evaluation expenditure incurred by the consolidated entity is accumulated for each area of interest and recorded as an asset, if either:

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

(i) it is expected to be recouped through successful development of and production from the area, or by its sale; or

(ii) significant exploration or evaluation of the area is continuing.

The expenditure incurred in areas of interest located around existing milling facilities is provided for over the life of the milling facilities. Expenditure on all other areas of interest is expensed for as the expenditure is incurred other than for exploration assets acquired, which are initially recorded at cost.

The recoverable amount of each area of interest is determined on a bi-annual basis so that the net carrying amount does not exceed the recoverable amount. For areas of interest which are not considered to have any commercial value, or where exploration rights are no longer current, the capitalised amounts are written off against the provision and any remaining amounts are charged against profit.

D-17

NORMANDY MINING LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2001

(L) DEVELOPMENT PROPERTIES

Where it has been established to the satisfaction of Directors that ore reserves or mineral resources exist, development expenditure is accumulated as development properties. No amortisation is provided in respect of development properties until they are reclassified as mine properties following commencement of production.

(M) DEPRECIATION AND AMORTISATION

Mine properties are amortised on a units of production basis once production has commenced. Property, plant and equipment is depreciated using a units of production basis or a straight line basis over the useful life of the asset. The units of production method causes rates of depreciation and amortisation to vary according to the rate at which production has depleted the estimated future mineable reserves of the respective mines.

(N) PREPAID/DEFERRED MINING COSTS

Direct expenditure on surface mining is brought to account at the life of mine ratio of ore to waste for each pit. A prepayment or provision is booked whenever the stripping ratio for a period differs from the mine plan.

Costs incurred in developing drives in underground mines which are expected to be used for periods shorter than the mine life are apportioned over the life of the mine using a ratio of development meters to tonnes of ore reserve. A prepayment or provision is booked whenever the metres developed for a period differs from the mine life ratio.

(O) RECOVERABLE AMOUNT OF NON-CURRENT ASSETS

Each reporting period, the recoverable amount of all non-current assets is assessed.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Where the carrying amount of a non-current asset is greater than its recoverable amount, the asset is revalued down to its recoverable amount. Where net cash inflows are derived from a group of assets working together, such as at a mining operation, recoverable amount is determined on the basis of the relevant group of assets.

The expected net cash flows included in determining recoverable amounts of non-current assets are discounted to their present values using a market-determined, risk-adjusted discount rate. The effect of capital gains tax has not been taken into account.

(P) MINE COMPLETION COSTS

Provision is made for estimated rehabilitation expenditure, decommissioning and closure costs using the incremental method on a units of production basis over the life of the mine from the time production commences. Future total mine completion costs are estimated annually on an undiscounted basis taking into account all current environmental and legal requirements and are adjusted on a prospective basis.

Rehabilitation costs recognised include regrading of waste dumps, revegetation and erosion and drainage control, in order to allow for relinquishment of mining titles with no ongoing maintenance costs. Closure costs recognised include employee redundancy payments and costs incurred in auctioning remaining spares and

D-18

NORMANDY MINING LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2001

consumables. Rehabilitation costs associated with exploration and evaluation activities are treated as exploration and evaluation expenditure.

(Q) EMPLOYEE ENTITLEMENTS

Provision is made for all known obligations in respect of employees. Annual leave, long service leave and vested sick leave are provided at the current rate of pay as per the relevant awards and employee contracts. Provisions for long service leave commence at the anniversary of three years of service, with further amounts being provided as the entitlement grows beyond three years. It is expected that the resultant provision for long service leave will approximate the present value of the estimated future cash outflows associated with long service leave.

Additional information in respect of employee entitlements including ownership based remuneration schemes is provided in Note 36.

(R) ACCOUNTS PAYABLE

Trade payables and other accounts payable are recognised when the economic entity becomes obliged to make future payments resulting from the purchase of goods and services.

(S) ACQUISITION OF ASSETS

Assets acquired are recorded at the cost of acquisition, being the purchase

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

consideration determined as at the date of acquisition plus costs incidental to the acquisition. In the event that settlement of all or part of the cash consideration given in the acquisition of an asset is deferred, the fair value of the purchase consideration is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

(T) BORROWING COSTS

Borrowing costs are expensed as incurred except where they relate to the financing of projects under construction where they are capitalised up to the date of commissioning or sale.

(U) INTEREST BEARING LIABILITIES

Interest expense is recognised on an effective yield basis. Debentures, bank loans and other loans are recorded at an amount equal to the net proceeds received. Interest expense is recognised on an accrual basis. Ancillary costs incurred in connection with the arrangement of borrowings are deferred and amortised over the period of borrowing.

(V) UNITED STATES DOLLAR CONVERSIONS

This financial report has been prepared using Australian dollars. For the convenience of readers outside Australia the statements of financial performance, statements of financial position and statements of cash flows have been converted from A\$ to US\$ but remain prepared under Australian Generally Accepted Accounting Practices.

These conversions appear under columns headed "Convenience Translation" and represented rounded millions of US dollars.

D-19

NORMANDY MINING LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2001

The conversion has been made using the noon-buying rate in New York City for cable transfers in non-US currencies. This rate is certified for custom purposes by the Federal Reserve Bank of New York. The rate on 30 June 2001 was A\$1.00 to US\$0.51 (2000: A\$1.00 to US\$0.60). These conversions are indicative only and do not mean that the A\$ amounts could be converted to US\$ at the rate indicated.

(W) ROUNDING AMOUNTS

The Company is of the kind referred to in Class Order 98/100 dated 10 July 1998 issued by the Australian Securities and Investment Commission. In accordance with that Class Order amounts in this report and the financial report have been rounded to the nearest one hundred thousand dollars, except where rounding to the nearest one thousand dollars is required.

(X) COMPARATIVE AMOUNTS

The Company has adopted the presentation and disclosure requirements of Accounting Standards AASB 1018 "Statement of Financial Performance", AASB 1034 "Financial Report Presentation and Disclosure" and AASB 1040 "Statement of Financial Position" for the first time in the preparation of this financial

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

report. In accordance with the requirements of these new/revised Standards, comparative amounts have been reclassified in order to comply with the new presentation format. The reclassification of comparative amounts has not resulted in a change to the aggregate amounts of current assets, non-current assets, current liabilities, non-current liabilities or equity, or the net profit/loss of the company as reported in the prior year financial report.

ADJUSTMENT TO DEFERRED INCOME TAX BALANCES

Legislation reducing the Australian company income tax rate from 36% to 34% in respect of the 2000-2001 income tax year and then to 30% from the 2001-2002 income tax year was announced on 21 September 1999 and received Royal Assent on 10 December 1999. As a consequence, deferred tax balances which are expected to reverse in the 2000-2001 or a later income tax year have been remeasured using the appropriate new rates, depending on the timing of their reversal.

(i) A reclassification from property, plant and equipment to capitalised exploration and evaluation expenditure of A\$46.1 million has been made to more accurately reflect the nature of the projects. This has resulted in a change in the disclosure of the comparative information

The majority of the land and buildings relate to the mining operations and the Directors consider that the best indicator of their current value is their book value. These assets are being depreciated over the life of the mine to which they relate, in accordance with the accounting policy stated in Note 1 (m). These land and buildings form an integral part of producing assets and have no significant value beyond the life of the mine. It is considered that the current value of non-mining land and buildings as at 30 June 2001 approximates book value.

FOR THE YEAR ENDED 30 JUNE 2001

32 FINANCIAL INSTRUMENTS

(A) OBJECTIVES OF DERIVATIVE FINANCIAL INSTRUMENTS

The consolidated entity employs derivative financial instruments, including forward sales contracts, option contracts, swaps and forward rate agreements to manage risk emanating from actual exposures to commodity price risk, foreign exchange risk and interest rate risk. The consolidated entity does not trade derivative financial instruments.

(B) GOLD HEDGING

The consolidated entity maintains hedging positions to provide certainty over future cash flows and protect revenue against periods of falling prices.

As at 30 June 2001, the consolidated entity had committed to the following types of hedging contracts:

FORWARD SALES CONTRACTS

Gold forward sale contracts outstanding are of two types--outright forwards with a floating gold leasing rate and short term rolling contracts.

Under an outright forward the forward price for the gold sale is fixed at the time of entering into the contract. Gold leasing fees are charged for the life of the contract and are set on a periodic basis at the discretion of the consolidated entity. The net price realised is the fixed contract price net of accrued gold leasing fees (paid at maturity of the contract).

Under a short term rolling contract a spot transaction has been entered into and is being rolled periodically, with the new contract price being calculated on a net contango basis at each maturity date.

The 90 day gold lease rate and the 12 month gold lease rate at 30 June 2001 were 1.66% and 1.99% respectively (2000: 0.88% and 1.51%). Over the 12 months to 30 June 2001 the 90 day lease rate has been in the range 0.58% to 4.23% (2000: 0.62% to 9.14%) and averaged 1.29% (2000: 1.876%) and the 12 month lease rate has been in the range 1.25% to 2.69% (2000: 1.30% to 6.56%) and averaged 1.61% (2000: 2.29%).

The consolidated entity normally settles gold forward sale contracts by delivery of the underlying commodity.

OPTIONS

If exercised, gold put options are normally settled by delivery of gold.

FORWARD RATE AGREEMENTS

Forward rate agreements are used to fix future gold leasing rate exposures resulting from the outright forward positions described above. The agreements swap floating gold leasing rates for fixed rates with the transaction net settled at maturity in gold ounces.

NORMANDY MINING LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2001

(C) BASE METALS HEDGING

Outright forward contracts and participating forward contracts have been entered into by the consolidated entity.

FORWARD SALES CONTRACTS

Base metals contracts are net settled against the average price of the pricing month of the physical shipment (in US dollars). A net amount is paid or received by the consolidated entity.

FOREIGN EXCHANGE CONTRACTS

Outright forward sales contracts are entered into to hedge US dollar receipts associated with base metals activities.

OPTIONS

If exercised, base metals put and call options are net settled against monthly market averages.

The costs of entering into these contracts and any realised or unrealised gains or losses are deferred until the underlying shipment occurs. The gains and losses deferred as at balance date and the periods to which they relate are set out in the table.

(D) HEDGING OF OTHER COMMITMENTS DENOMINATED IN FOREIGN CURRENCIES

Contracts to purchase and sell foreign exchange are entered into to hedge certain commitments denominated in foreign currencies.

(E) CREDIT RISK

The consolidated entity is exposed to credit related losses in the event of non-performance by counterparties (banks) with respect to the financial instruments; however exposures to individual counterparties are limited in accordance with policy set by the Board.

The maximum credit risk on financial assets, which have been recognised on the balance sheet, other than investments in shares, is generally the carrying amount of the asset. For off balance sheet financial assets which are deliverable, including derivatives, credit risk also arises from the potential failure of counterparties to meet their obligations under the respective contracts at maturity. A material exposure arises from gold hedging and the consolidated entity is exposed to loss in the event that counterparties fail to settle on contracts, which are favourable to the consolidated entity. Unrealised gains on these contracts, net of master netting agreements, at balance date are A\$178.8 million (2000: A\$73.3 million). In order to mitigate these risks, the Board has approved a list of banks as appropriate counterparties, all rated A- or better by Standard and Poors.

Kasese Cobalt Company Limited, a controlled entity, has arranged loan finance agreements for US\$50.7 million with a syndicate of banks. Normandy Mining Limited has provided a guarantee over the facility to the syndicate of banks.

Normandy Mining Limited has guaranteed the obligations of Kasese Cobalt Company Limited in relation to a Cobalt Floor Price Support Agreement with Royal Bank of Scotland.

Controlled entities have provided indemnities to third parties relating to the sale of wholly owned entities of Normandy Mining Limited.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Normandy Mining Limited and several of its wholly owned entities have guaranteed the obligations of a wholly owned entity both to Esso Australia Resources Limited and SG Australia Limited. The guarantee is in relation to the deferred purchase consideration obligations of the wholly owned entity for the purchase of an additional 35 percent interest in the Golden Grove Joint Venture from Esso Australia Resources Limited. The discounted liability of A\$6.1 million (2000: A\$12.2 million) is included in payables in the consolidated statements of financial position.

Wholly owned entities have provided guarantees over the treasury obligations of other wholly owned entities. As at 30 June 2001, the aggregate marked to market deferred loss in respect of these obligations is A\$510.3 million (2000: A\$303.3 million). Normandy Mining Limited has provided guarantees over the foreign exchange and base metal hedging obligations of various wholly owned entities.

Normandy Mining Limited has given written confirmation of its present intention to support the operation of certain wholly owned entities which have a net asset deficiency.

In an action brought by ASIC against Yandal Gold Pty Ltd, the Federal Court found the defendants to have committed various breaches of the Corporations Act 2001 and ordered payment by Edensor Nominees Pty Ltd ("Edensor") to ASIC of A\$28.5 million for distribution to former Normandy Yandal Operations Limited shareholders. An appeal by Edensor to the Full Court of the Federal Court, to which Normandy became a party on the application of ASIC, was allowed on the basis that the Federal Court lacked jurisdiction to make the order. This decision was appealed to the High Court, which overturned the Full Federal Court decision. The High Court held that the Federal Court did have jurisdiction to hear and determine the matter and make orders under the Corporations Act 2001. The High Court has sent the matter back to the Full Federal Court to determine Edensor's appeal on the merits. Prior to the Federal Court appeal and in order to get a stay in enforcement of the original judgement, Normandy paid A\$28.5 million into Court and Edensor agreed to bear half this amount if it was paid out of Court to former Normandy Yandal Operations Limited shareholders. Following the High Court appeal, the amount paid into Court has been recovered, but if the Full Federal Court determines Edensor's appeal against Edensor, the consolidated entity will be obliged to pay that amount plus interest to ASIC. Edensor remains bound to the consolidated entity to bear half that amount.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2001

The consolidated entity has commitments for the payment to Mr RJ Champion de Crespigny of salaries and other remuneration under a ten-year employment contract commencing from 1 July 1999. 36 EMPLOYEE ENTITLEMENT (CONT.)

Under this plan Executive Directors, Executives and Employees of the Company and associated entities may be eligible, at the discretion of the Board, to an allocation of rights to unlisted options. These rights vest once certain performance hurdles are met. During and since the end of the financial year an aggregate of 4,112,500 options over shares in Normandy Mining Limited were granted.

Options are granted for nil consideration. Each option carries a right to subscribe for one ordinary share in the Company in certain periods. The exercise price of the option is the weighted average market per share during the 60 trading days prior to the date of acceptance of the rights to options, less the total amount of dividend per share. The dividend per share is calculated as the higher of the actual dividend per share for the period from the date of acceptance of the rights to options and the exercise date, and the average dividend per share paid by the Company for the 3 years preceding. The

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

minimum exercise price is A\$1.00. An application is made for official quotation of the shares at the time of issue.

At 30 June 2001 no options had been granted under this plan.

THE EMPLOYEE SHARE BONUS PLAN

The Company's Employee Share Bonus Plan was established on 26 November 1991. Each year the Board determines whether eligible persons will receive a bonus. The bonus is calculated as a percentage of salary package and is apportioned into two tranches; 50 percent as an allocation of rights to options and 50 percent as cash or as additional allocation of rights to options. Rights to options allocated in lieu of cash vest upon the eligible person's acceptance of the Company's offer. Rights to the balance of the options allocated each year vest over the following three years.

Options are granted for nil consideration. Each option carries a right to subscribe for fully paid ordinary shares on any business day up until its expiry date, being five years from the date of issue. For all options which were vested before 1 May 1996, the employee is entitled to receive 1.101 Normandy shares for each option exercised. For all options, which were vested after 1 May 1996, the employee is entitled to receive one Normandy share for each option exercised. The exercise price of the option is at 5 percent discount to the market price ruling when the allocations are made.

It is management's intention that no further allocation of rights to options will be made under the plan.

DETAILS OF OPTIONS VESTED AND OUTSTANDING UNDER THE PLAN ARE AS FOLLOWS:

	2001		2000

OPERATING CONTRIBUTIONS

Consolidated sales revenue was A\$1,323.6 million, a decrease of 2.4 percent compared to 1999 revenue of A\$1,356.1 million.

Gold sales revenue was A\$936 million, an increase of 2.3 percent. This excludes revenue attributable to non-controlled interests, TVX Normandy Americas and Great Central Mines Limited (prior to consolidation in April 2000) but does include A\$91.4 million revenue from Yandal Operations in the last quarter. Consolidated sales increased from 1.53 million ounces in 1999 to 1.62 million ounces, with acquisition of Yandal Operations outweighing the sale of Big Bell and cessation of operations at Tennant Creek and Kaltails. The average realised price for the consolidated gold division decreased from A\$596 per ounce to A\$576 per ounce (average spot price for the year, A\$448 per ounce). The decrease was mainly due to Mt Leyshon, Martha and Yandal that have their own hedge books at relatively lower forward prices.

Average gold division total cash costs decreased by A\$25 per ounce to A\$310 per ounce mainly due to lower unit costs at Normandy NFM and Pajingo which both achieved significantly higher throughput following plant upgrades. The combined cash cost for Yandal Operations in the fourth quarter was A\$322 per ounce, lower than the average cash cost of discontinued gold operations they effectively replaced.

As a consequence of the net A\$5 per ounce improvement in cash margin to A\$266 per ounce, the gold division contribution increased 10.3 percent to

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

A\$425.7 million (before interest, tax, depreciation, amortisation and mine completion provisions).

Metals revenue decreased 23.1 percent to A\$178.1 million reflecting closures of Woodcutters and Gecko. Golden Grove zinc concentrate production increased 4.9 percent. The operating contribution increased 84 percent to A\$49.8 million mainly as a result of higher spot metals prices. The average realised zinc price was up 11 cents to 80c/lb and the average realised copper price was up 8 cents to 129c/lb.

Revenue from sales of industrial minerals remained unchanged at A\$179 million. This does not include the equity interest sales from Australian Magnesium Corporation Limited (formerly Queensland Metals Corporation Limited). The A\$21.1 million operating contribution from Normandy Industrial Minerals was 14.2 percent lower than last year mainly due to competitive market conditions in Europe.

EXPENSES

Exploration provisions and write-offs totalled A\$46.6 million for statutory reporting purposes, with a further A\$5.6 million in additional provisions against loans for exploration expenditure and investments in seed exploration companies in South East Asia and the Americas.

Consolidated amortisation and depreciation decreased by 11.9 percent to A\$140.7 million mainly as a result of reduced rates to reflect increases in mineable reserves, principally at Boddington.

Mine closure provisions and costs increased from A\$22.0 million to A\$28.5 million, principally due to additional provisions required for discontinued operations.

Net financing costs increased from A\$17.0 million to A\$41.5 million. This was partly due to the lower proportion of gold denominated borrowings giving rise to an increase in the average cost of funds, as well as the

D-68

additional interest expense associated with the Yandal Group debt which was consolidated from April 2000. Interest revenue decreased by A\$6.4 million to A\$25.2 million due to the higher cash balances in 1999 immediately following the hedge book restructure.

Administration costs for Australia increased by 8.7 percent to A\$48.7 million mainly due to once-off staff restructure costs, while overseas administration costs decreased from A\$20.7 million to A\$11.7 million reflecting rationalisation at LaSource. Other net income/(expenses) includes a A\$2.7 million realised exchange loss on the repayment of the US\$65 million convertible notes compared to last year's A\$7.6 million unrealised gain. Management and guarantee fees charged to entities outside of the Group decreased by A\$0.9 million to A\$8.4 million.

Income tax expense was A\$37.3 million for the year after recognition of an A\$8.5 million benefit from restating deferred tax balances at the new corporate tax rates applicable from 1 July 2000.

Outside equity interest was a charge of A\$17.6 million due to the net profits recorded by Normandy Mt Leyshon Limited and Normandy NFM Limited.

The net profit after tax before abnormals of A\$138.4 million was 36 percent

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

higher than last year's result of A\$101.7 million, principally reflecting the benefit of the reduced total production costs for gold during the year.

Following the acquisition of 100 percent of Yandal Operations, a total of A\$413.8 million in abnormal writedowns was made to adjust the former Great Central Mines Limited balance sheet to Normandy accounting policies and to write purchased assets down to reflect fair values. Other abnormal losses included a A\$96.0 million reduction in the carrying value of projects, principally Kasese (due to lower cobalt price), less A\$58.0 million outside equity interest.

Partially offsetting these abnormal losses are abnormal gains of A\$36.6 million arising from the sale of the industrial minerals businesses and the Group's 50 percent interest in Omya Southern Pty Limited.

The effect of the abnormal gains and losses detailed above was a net loss of A\$420.7 million.

CASH FLOWS

Net cash inflow from mining operations decreased by 15 percent to A\$311.9 million, mainly due to the absence of cash hedge gains following the restructure of the hedge book, completed in February 1999. The loss of cashflow from discontinued and sold mining operations was offset by higher cashflow generated by Pajingo and Normandy NFM as well as inclusion of Yandal Operations in the final quarter.

D-70

Capital expenditure reduced 4.7 percent to A\$248.5 million and mainly comprised expenditure on development projects including Kasese, Yamfo-Sefwi and Perama together with expenditure on existing operations including expansions at Martha and Pajingo. Proceeds from the sale of mining assets included A\$22.0 million received on the sale of Millmerran, the profit of which was accrued in the 1999 results.

Net proceeds from the sale of investments of A\$37.4 million mainly comprised A\$40.0 million proceeds on sale of Omya Southern and A\$23.7 million proceeds on sale of other listed and unlisted investments offset by purchases totalling A\$21.5 million of which the rights issue by Australian Magnesium Corporation Limited was A\$13.5 million.

Net repayment of borrowings of A\$223.7 million comprised repayment of the 500,000 ounce gold denominated notes for A\$246.1 million and the US\$65 million convertible bond, offset by a draw down of A\$170 million on the syndicated corporate facility.

Net proceeds received on sale and acquisition of businesses principally represented the sale of Commercial Minerals for A\$110 million plus A\$65 million in cash balances acquired from Great Central Mines Limited, less A\$18.7 million cash consideration for the acquisition.

Dividends of A\$80.0 million were paid, comprising the 1999 final dividend and the 2000 interim dividend of Normandy Mining Limited and Normandy Mt Leyshon Limited to outside shareholders.

In summary, cash and bullion decreased by A\$202.6 million to A\$245.4 million at year end.

BALANCE SHEET

Mining property and plant increased by A\$559.6 million principally due to the full acquisition of the former Great Central Mines Limited. The increase mainly represents the fair values of non-current mining assets

D-71

associated with the operations at Jundee, Bronzewing and Wiluna. The consolidation of Yandal Operations also results in the decrease in investments, with the A\$175 million initial investment in Great Central Mines Limited eliminated.

Investments principally comprise: TVX Normandy Americas (49.9 percent interest--A\$275.8 million), AMC (36.9 percent interest--A\$76.4 million) and BRGM Perou/Mine Or (49 percent interest--A\$94.6 million). In July 2000, the sale of Normandy's 50 percent share of the magnesium metal project to Australian Magnesium Corporation ("AMC") in return for shares lifted Normandy's interest in AMC to 62 percent.

Development projects comprise capitalised expenditure on the Ovacik and Mastra projects in Turkey, Perama in Greece, Yamfo-Sefwi in Ghana and the Kasese cobalt project in Uganda.

The Group's overall gearing increased from 28.4 percent to 57.0 percent due to the combined effect of higher debt following the consolidation of Great Central Mines Limited and reduced shareholder equity following the abnormal writedowns. Despite having repaid over A\$350 million in debt during the year, being the gold denominated notes and the US convertible notes, the Great Central Mines Limited acquisition brought the US\$300 million Senior Notes onto the balance sheet together with the Yandal Gold Holdings fully drawn facility of A\$285 million.

GOLD HEDGING POSITION

Normandy has hedged gold production each year since the Company was formed and maintains one of the largest positions in the Australian industry. This has allowed Normandy to achieve the best possible price for its

D-72

gold and to ensure cash flow margins in the current gold price environment. Normandy's position at 30 June 2000 totalled 13.32 million ounces, including forward sales contracts and put options at a gross average deliverable price of A\$591.43 per ounce (A\$552 per ounce net of metal fees).

The present value (audited) of the gold hedging book, (Normandy and share of subsidiaries), mark-to-market, is negative A\$266.2 million (USD 159.4 million), or negative A\$20 per ounce. The value varies from 30 June 1999 and reflects a number of adverse factors, including:

- . An Australian dollar spot price of A\$482 per ounce which is A\$87 higher than the previous year end;
- . Advancing value of pre-existing contracts which mature one year sooner;
- . Delivery into high priced forward contracts during the year;

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

- . Inclusion of the former Great Central Mines hedge positions; and
- . Higher interest rates (3 year and 5 year, 6.50 percent and 6.62 percent respectively compared with 6.07 percent and 6.44 percent respectively).

NORMANDY MINING LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2000

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This general purpose financial report has been prepared in accordance with applicable Accounting Standards, Urgent Issues, Group Consensus Views and the Corporations Law. It is prepared in accordance with the historical cost convention, except for certain assets which are noted as at valuation. The accounting policies adopted are consistent with those of the previous year.

Comparative information is reclassified where appropriate to enhance comparability.

(A) PRINCIPLES OF CONSOLIDATION

The consolidated financial statements are presented as one set of financial statements and include all entities which comprise the Normandy Mining Limited consolidated entity, being the parent entity and its controlled entities. There are no controlled entities in the consolidated entity other than those listed in Note 27. The effects of all transactions between entities within the consolidated entity are eliminated in full.

(B) FOREIGN CURRENCIES

Transactions denominated in foreign currencies have been brought to account at the exchange rates ruling at the time of the transactions. At balance date, foreign currency receivables and payables are translated at exchange rates ruling at that date.

Exchange gains and losses and hedging costs arising on contracts entered into as hedges of specific revenue or expense transactions are deferred until the date of such transactions at which time they are included in the determination of such revenues or expenses.

Assets and liabilities of self-sustaining overseas controlled entities are translated at exchange rates ruling at balance date and any exchange gain or loss arising on translation is carried directly to a foreign currency translation reserve.

(C) REVENUE

Gold bullion is taken up as a sale in the period during which it is shipped from the mine, provided it is either sold or delivered to a gold refinery within the normal time span. Bullion delivered against forward sales contracts is accounted for at the contract rate. Base metal concentrate sales are recognised at estimated sales value when shipped and adjusted for variations in metal prices, assay, weight and currency. Other sales are taken up when title has passed.

Gold bullion held at year end is valued at the contract rates for those hedges it is expected to be delivered into. Base metal concentrate debtors are valued at the relevant forward contract US dollar rate.

Gains or costs arising upon entry into a hedging transaction intended to hedge the sale of goods, together with subsequent exchange gains or losses resulting from those transactions are deferred up to the date of sale and included in the measurement of the sale.

If the hedging transaction is terminated prior to its maturity date and the hedged transaction is still expected to occur, deferral of any gains and losses which arose prior to termination continues and those gains and losses are included in the measurement of the hedged transaction.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

In those circumstances where a hedging transaction is terminated prior to maturity because the hedged transaction is no longer expected to occur, any previously deferred gains and losses are recognised in the profit and loss at the date of termination.

D-77

NORMANDY MINING LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2000

If a hedge transaction relating to a commitment for the sale of goods or services is redesignated as a hedge of another specific commitment and the original transaction is still expected to occur, the gains and losses that arise on the hedge prior to its redesignation are deferred and included in the measurement of the original sale when it takes place. If the hedge transaction is redesignated as a hedge of another commitment because the original sale transaction is no longer expected to occur, the gains and losses that arise on the hedge prior to its redesignation are recognised in the profit and loss at the date of the redesignation.

(D) DERIVATIVES

Derivative financial instruments are not recognised in the financial statements on inception. The costs associated with entering hedge transactions in respect of commodity sales together with gains or losses to the date of sale are deferred and included in the measurement of the final sale price. Additional information in respect of hedging is set out in Note 29.

The amount received or paid under interest rate swaps is recognised as an adjustment to interest rate expense when the cash flow takes place.

(E) INCOME TAX

Income tax has been brought to account using the liability method of tax effect accounting. No provision has been made for any taxes on capital gains which could arise in the event of a sale of certain revalued non-current assets for the amount at which they are stated in the financial statements as it is not expected that any such liability will crystallise.

(F) GOODWILL

Goodwill is measured as the excess of the cost of acquisition over the fair value of the identifiable net assets acquired. Amortisation is provided on a straight line basis over the period during which the benefits are expected to arise based on life of mine or over a period of twenty years whichever is the lesser.

(G) INVENTORIES

Inventories are valued at the lower of cost and net realisable value. Costs are assigned to inventories on hand by the method most appropriate to each class of inventory with the majority being valued on an average cost basis. Costs of production include fixed and variable direct costs and an appropriate portion of fixed overhead expenditure, depreciation and mine amortisation.

(H) INVESTMENTS

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

The consolidated entity's interests in companies are carried at the lower of cost and recoverable amount. Dividend income is recognised in profits when received, except for associated entities which are accounted for using the equity method.

(I) JOINT VENTURES

The consolidated entity's interest in the assets and liabilities of joint venture operations is included under the relevant balance sheet headings. Interests in joint venture entities are accounted for using the equity method. Additional information is provided in Notes 25 and 26 respectively.

D-78

NORMANDY MINING LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2000

(J) EXPLORATION AND EVALUATION EXPENDITURE

Exploration and evaluation expenditure incurred by the consolidated entity is accumulated for each area of interest and recorded as an asset, if either:

(i) it is expected to be recouped through successful development of and production from the area, or by its sale; or

(ii) significant exploration or evaluation of the area is continuing.

A provision for unsuccessful exploration and evaluation is created against each area of interest by means of a charge to the profit and loss. The expenditure incurred in areas of interest located around existing milling facilities is provided for over the life of the milling facilities. Expenditure on all other areas of interest is fully provided for as the expenditure is incurred other than for exploration assets acquired, which are initially recorded at cost.

The recoverable amount of each area of interest is determined on a bi-annual basis and the provision recorded in respect of that area adjusted so that the net carrying amount does not exceed the recoverable amount. For areas of interest which are not considered to have any commercial value, or where exploration rights are no longer current, the capitalised amounts are written off against the provision and any remaining amounts are charged against profit.

(K) DEVELOPMENT PROPERTIES

Where it has been established to the satisfaction of Directors that ore reserves or mineral resources exist, development expenditure is accumulated as development properties. No amortisation is provided in respect of development properties until they are reclassified as mine properties following commencement of production.

(L) DEPRECIATION AND AMORTISATION

Mine properties are amortised on a units of production basis once production has commenced. Property, plant and equipment is depreciated using a units of production basis or a straight line basis over the useful life of the asset. The units of production method causes rates of depreciation and amortisation to vary according to the rate at which production has depleted the estimated

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

future mineable reserves of the respective mines.

(M) MINING COSTS PREPAID AND PROVIDED

Direct expenditure on surface mining is brought to account at the life of mine ratio of ore to waste for each pit. A prepayment or provision is booked whenever the stripping ratio for a period differs from the mine plan.

Costs incurred in developing drives in underground mines which are expected to be used for periods shorter than the mine life are apportioned over the life of the mine using a ratio of development metres to tonnes of ore reserve. A prepayment or provision is booked whenever the metres developed for a period differs from the mine life ratio.

(N) RECOVERABLE AMOUNT OF NON-CURRENT ASSETS

Each reporting period, the recoverable amount of all non-current assets is assessed.

D-79

NORMANDY MINING LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2000

Where the carrying amount of a non-current asset is greater than its recoverable amount, the asset is revalued down to its recoverable amount. Where net cash inflows are derived from a group of assets working together, such as at a mining operation, recoverable amount is determined on the basis of the relevant group of assets. To the extent that the revaluation decrement reverses a revaluation increment previously credited to, and still included in the balance of, the asset revaluation reserve, the decrement is debited directly to that reserve. Otherwise, the decrement is recognised as an expense in the profit and loss.

The expected net cash flows included in determining recoverable amounts of non-current assets are discounted to their present values using a market-determined, risk-adjusted discount rate. The effect of capital gains tax has not been taken into account.

(O) MINE COMPLETION COSTS

Provision is made for estimated rehabilitation expenditure, decommissioning and closure costs using the incremental method on a units of production basis over the life of the mine from the time production commences. Future total mine completion costs are estimated annually on an undiscounted basis taking into account all current environmental and legal requirements and are adjusted on a prospective basis.

Rehabilitation costs recognised include regarding of waste dumps, revegetation and erosion and drainage control, in order to allow for relinquishment of mining titles with no ongoing maintenance costs. Closure costs recognised include employee redundancy payments and costs incurred in auctioning remaining spares and consumables. Rehabilitation costs associated with exploration and evaluation activities are treated as exploration and evaluation expenditure.

(P) EMPLOYEE ENTITLEMENTS

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Provision is made for all known obligations in respect of employees. Annual leave, long service leave and vested sick leave are provided at the current rate of pay as per the relevant awards and employee contracts. Provisions for long service leave commence at the anniversary of three years of service, with further amounts being provided as the entitlement grows beyond three years. It is expected that the resultant provision for long service leave will approximate the present value of the estimated future cash outflows associated with long service leave.

Additional information in respect of employee entitlements including ownership based remuneration schemes is provided in Note 33.

million) reflecting the future exchange rate at the time of the hedge transaction.

The bonds were convertible at the option of the bond holders on or after 28 February 1999 up until 13 February 2000, into fully paid ordinary shares at the rate of 672.875 ordinary Normandy Mining Limited shares for each US\$1,000 in principal amount of bonds. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2000

29 FINANCIAL INSTRUMENTS

(A) OBJECTIVES OF DERIVATIVE FINANCIAL INSTRUMENTS

The consolidated entity employs derivative financial instruments, including forward sales contracts, option contracts, swaps and forward rate agreements to manage risk emanating from actual exposures to commodity price risk, foreign exchange risk and interest rate risk. The consolidated entity does not trade derivative financial instruments.

(B) GOLD HEDGING

The consolidated entity maintains hedging positions to provide certainty over future cash flows and protect revenue against periods of falling prices.

As at 30 June 2000, the consolidated entity had committed to the following types of hedging contracts:

FORWARD SALES CONTRACTS

Gold forward sale contracts outstanding are of two types--outright forwards with a floating gold leasing rate and short term rolling contracts.

Under an outright forward the forward price for the gold sale is fixed at the time of entering into the contract. Gold leasing fees are charged for the life of the contract and are set on a periodic basis at the discretion of the consolidated entity. The net price realised is the fixed contract price net of accrued gold leasing fees (paid at maturity of the contract).

Under a short term rolling contract a spot transaction has been entered into and is being rolled periodically, with the new contract price being calculated on a net contango basis at each maturity date.

The 90 day gold lease rate and the 12 month gold lease rate at 30 June 2000 were 0.88% and 1.51% respectively (1999: 1.47% and 1.90%). Over the 12 months to 30 June 2000 the 90 day lease rate had been in the range of 0.62% to 9.14% (1999: 0.71% to 1.85%) and averaged 1.87% (1999: 1.06%) and the 12 month lease rate has been in the range 1.30% to 6.56% (1999: 1.42% to 2.05%) and averaged 2.29% (1999: 1.66%).

The consolidated entity normally settles gold forward sale contracts by delivery of the underlying commodity.

OPTIONS

If exercised, gold put options are normally settled by delivery of gold.

FORWARD RATE AGREEMENTS

Forward rate agreements are used to fix future gold leasing rate exposures resulting from the outright forward positions described above. The agreements swap floating gold leasing rates for fixed rates with the transaction net settled at maturity in gold ounces.

NORMANDY MINING LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED)
FOR THE YEAR ENDED 30 JUNE 2000

(C) BASE METALS HEDGING

Outright forward contracts and participating forward contracts have been entered into by the consolidated entity. Participating forwards enable unlimited upside participation in prices above the contract price for 80 percent of the quantity of the forward.

FORWARD SALES CONTRACTS

Base metals contracts are net settled against the average price of the pricing month of the physical shipment (in US dollars). A net amount is paid or received by the consolidated entity.

FOREIGN EXCHANGE CONTRACTS

Both outright forward sales contracts and option contracts are entered into to hedge US dollar receipts associated with base metals activities.

OPTIONS

If exercised, base metals put and call options are net settled against monthly market averages.

The costs of entering into these contracts and any realised or unrealised gains or losses are deferred until the underlying shipment occurs. The gains and losses deferred as at balance date and the periods to which they relate are set out in the table.

(D) HEDGING OF OTHER COMMITMENTS DENOMINATED IN FOREIGN CURRENCIES

Contracts to purchase and sell foreign exchange are entered into to hedge certain commitments denominated in foreign currencies.

(E) CREDIT RISK

The consolidated entity is exposed to credit related losses in the event of non-performance by counterparties (banks) with respect to the financial instruments; however exposures to individual counterparties are limited in accordance with policy set by the Board.

The maximum credit risk on financial assets which have been recognised on the balance sheet, other than investments in shares, is generally the carrying amount of the asset.

For off balance sheet financial assets which are deliverable, including derivatives, credit risk also arises from the potential failure of counterparties to meet their obligations under the respective contracts at maturity. A material exposure arises from gold hedging and the consolidated entity is exposed to loss in the event that counterparties fail to settle on contracts which are favourable to the consolidated entity. Unrealised gains on these contracts, net of master netting agreements, at balance date are A\$73.3 million (1999: A\$559.1 million). In order to mitigate these risks, the Board has approved a list of banks as appropriate counterparties, all rated A- or better by Standard and Poors.

D-116

NORMANDY MINING LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2000

The net fair value of other monetary financial assets and financial liabilities is based upon market prices where a market exists or by discounting the expected future cash flows by the current interest rates for assets and liabilities with similar risk profiles.

The carrying amounts of all financial assets and financial liabilities approximate net fair value, with the following exceptions:

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

The market value of listed investments as at 30 June 2000 is A\$86.8 million (1999: A\$217.3 million). The carrying amount has not been reduced as it does not exceed recoverable amount.

These values are disclosed under "Gold hedging", "Base metals hedging" and "Other commitments denominated in foreign currencies" above.

As a result of the transactions completed subsequent to 30 June 2000, AMC has indemnified Normandy Mining Limited in respect of liability under this arrangement in two of the four circumstances in which Normandy Mining Limited may be liable to Ford.

(B) DISPUTES

A dispute exists between Thiess Contractors Pty Ltd ("Thiess") and Normandy Golden Grove Operations Pty Ltd ("NGGO"), a wholly owned entity, in respect of a claim for additional and unexpected costs arising from the development of the Gossan Hill Project decline. Conciliation procedures have failed to resolve the dispute. Thiess claimed approximately A\$11 million in damages. NGGO have made a counterclaim of A\$0.9 million and made an offer of A\$2.1 million. These are still to fully comply with an order by the court to reissue an amended statement of claim. Litigation in the Supreme Court of Western Australia is proceeding.

In a Federal Court action brought by ASIC against Yandal Gold Pty Ltd. the judge found the defendants to have committed various breaches of the Corporations Law and ordered payment by Edensor Nominees Pty Ltd ("Edensor") to ASIC of A\$28.5 million for distribution to former Normandy Yandal Operations Limited shareholders. An appeal by Edensor to the Full Court of the Federal Court, to which Normandy became a party on the application of ASIC, was allowed on the basis that the Federal Court lacked jurisdiction to make the order. This decision was appealed to the High Court, which decided that the Full Federal Court was wrong. The High Court held that the Federal Court did have jurisdiction to hear and determine the matter and make orders under the Corporations law. The High Court has sent the matter back to the Full Federal Court to determine Edensor's appeal on the merits. If that appeal is unsuccessful then Edensor will be obligated to pay the A\$28.5 million. The consolidated entity has agreed to pay half of this amount.

Disputes exist between a controlled entity, Banff Resources Ltd. and a third party in respect of a claim for part-ownership in the Kilembe mine. The third party has lodged a claim for specific performance and damages with courts in Uganda and Canada. The disputes are currently awaiting hearing and the controlled entity intends to defend the action.

Orica Australia Limited has commenced proceedings against a former controlled entity Normandy Industrial Minerals Limited ("NIML"), in respect of the supply of sand used in the manufacture of paints. A controlled entity has indemnified the purchaser of NIML in respect of this claim.

Disputes exist between a controlled entity and contractors in respect of the Kasese Cobalt project. Claims have been lodged by contractors for additional payment in respect of extensions of time and additional costs. The claims are in the process of being evaluated.

(C) OTHER

Normandy Mining Limited has agreed to make additional payment of US\$8 million to Inmet Mining Corporation, in relation to the purchase of its interest in Autin Investments B.V., contingent upon certain conditions relating to construction of mine facilities at Perama Hill being met.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED) FOR THE YEAR ENDED 30 JUNE 2000

During the prior year, a controlled entity provided a US\$150 million committed facility to TVX Cayman Inc. ("TVX"), a controlled entity of TVX Gold Inc. Drawdowns under the facility are subject to normal commercial lending covenants. A deemed drawdown of US\$16.9 million (1999: Nil) has been made in respect of some hedging facilities provided to TVX in relation to the facility. The facility reduces to US\$75 million five years from its commencement and to nil the following year.

The consolidated entity has commitments for the payment to Mr R J Champion de Crespigny of salaries and other remuneration under a ten-year employment contract commencing from 1 July 1999. Obligations arising under this contract are recognised as an expense, and included in Directors' and Executives' remuneration, as services are provided to the consolidated entity under the contract.

The contract provides for future payments recognising performance, plus an incentive arrangement based on growth in value of the consolidated entity's investments in the Americas above an agreed benchmark. Total annual payments under the contract are capped at A\$3.5 million. During the year, no performance or incentive payments were made but, at 30 June 2000, the economic entity recognised A\$1.5 million (1999: nil) as an expense by providing pro-rata for the minimum amount due under the ten-year term.

These commitments will be met out of the surplus cash generated by existing operations.

EXECUTIVE SHARE INCENTIVE PLAN

The Company's Executive Share Incentive Plan was approved by special resolution at the annual general meeting of the Company held on 26 October 1998.

Under this plan Executive Directors, Executives and Employees of the Company and associated entities may be eligible, at the discretion of the Board, to an allocation of rights to unlisted options. These rights vest once certain performance hurdles are met.

Options are granted for nil consideration. Each option carries a right to subscribe for one ordinary share in the Company in certain periods. The exercise price of the option is the weighted average market price per share during the 60 trading days prior to the date of acceptance of the rights to options, less the total amount of dividend per share. The dividend per share is

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

calculated as the higher of the actual dividend per share for the period from the date of acceptance of the rights to options and the exercise date, and the average dividend per share paid by the Company for the 3 years preceding. The minimum exercise price is A\$1.00. An application is made for official quotation of the shares at the time of issue.

At 30 June 2000 no options had been granted under this plan.

THE EMPLOYEE SHARE BONUS PLAN

The Company's Employee Share Bonus Plan was established on 26 November 1991. Each year the Board determines whether eligible persons will receive a bonus. Rights to options allocated in lieu of cash vest upon the eligible person's acceptance of the Company's offer. Rights to the balance of the options allocated each year vest over the following three years.

Options are granted for nil consideration. Each option carries a right to subscribe for fully paid ordinary shares on any business day up until its expiry date, being five years from the date of issue. For all options which were vested before 1 May 1996, the employee is entitled to receive 1.101 Normandy shares for each option exercised. For all options which were vested after 1 May 1996, the employee is entitled to receive one Normandy share for each option exercised. The exercise price of the option is at 5 percent discount to the market price ruling when the allocations are made.

It is management's intention that no further allocation of rights to options will be made under the plan.

APPENDIX E

FRANCO-NEVADA FINANCIAL INFORMATION

THE CONTENT IN THE FOLLOWING MANAGEMENT'S DISCUSSION AND ANALYSIS OF RESULTS OF OPERATIONS AND FINANCIAL CONDITION IS INTENDED TO COMPLY WITH CANADIAN REGULATIONS.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF RESULTS OF OPERATIONS AND FINANCIAL CONDITION (CANADIAN DOLLARS)

FOR THE SIX-MONTH PERIODS ENDED SEPTEMBER 30, 2001 AND 2000

FINANCIAL SUMMARY

For the six months ending September 30, 2001, earnings from continuing operations increased to \$55.1 million or \$0.35 per share from \$44.2 million or \$0.28 per share in the prior year. Earnings from discontinued operations were \$21.9 million or \$0.14 per share for the six months, comprising the after-tax gain on the Normandy Transaction (see "Normandy Transaction" below) and a provision for the diminution in other non-core assets. The earnings from discontinued operations last year consists of the Ken Snyder Mine and Australian Division operations and total \$16.9 million or \$0.11 per share for the six months. Total revenue was up 7% to \$85.4 million.

NORMANDY TRANSACTION

Normandy Mining Limited ("Normandy") is Australia's largest gold producer with annual gold production of 2.3 million ounces and reserves of 26.4 million ounces. On May 30, 2001, Franco-Nevada completed the exchange of its Midas

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

operation, US \$48 million and Franco-Nevada's Australian assets for a 19.99% equity interest in Normandy.

OPERATIONS

REVENUES

Resource revenues increased 25% to \$51.3 million for the six months ended September 30, 2001 from \$41.1 million in the prior year. The increase is net of discontinued operations and is due to the addition of the new royalty on the Ken Snyder Mine and continued growth in the Stillwater platinum/palladium and Oil and Gas royalties. Franco-Nevada received over 2,000 gold equivalent ounces during the second quarter from the Ken Snyder Mine royalty. Management expects the amount of gold equivalent ounces to increase during the upcoming quarters as Normandy continues to make improvements at the mine. The Company realized a price of US\$278 per ounce of gold during the first six months of the fiscal year compared to an average spot price of US\$271 per ounce. The Company sells its gold at spot plus a modest premium. Revenue from the Stillwater royalty has increased 13% year-over-year due to higher production. The royalties on the Goldstrike property have increased 17% year-over-year due to higher production at the Goldstrike property. These increases in revenue in Franco-Nevada's major royalty interests have more than offset the loss of revenue from mine closures at Dee and Rosebud.

Franco-Nevada's 19.99% equity interest in Normandy generated earnings of \$11.2 million year-to-date. As the interest in Normandy was acquired effective April 1, 2001, there are no comparative amounts for the prior year.

Year-to-date investment income has decreased 41% to \$22.9 million. The decrease is due to a \$15.1 million gain on the sale of marketable securities recognized last year versus a year-to-date loss of \$3.5 million. Interest income has remained relatively stable year-over-year.

E-1

EXPENSES

Depletion and depreciation expense decreased 64% to \$3.2 million in the six months compared to \$8.9 million in the prior year. In 2000, the Company wrote off its net investment of \$3 million in Canyon Resources Corporation's MacDonald Gold Project and wrote down certain other properties. Management expects depletion and depreciation expense to continue at approximately current levels.

Operating costs have remained fairly stable year over year. General and Administration expenses have decreased from \$4.8 million to \$3.2 million for the six months ended September 30, 2001. During 2000 the Company expensed costs associated with the proposed Gold Fields Ltd. merger. No such charges were levied during the current year.

Franco-Nevada's largest expense is its tax. For the six months, Franco-Nevada's tax rate decreased to 30% of pre-tax earnings compared to 33% the previous year. The lower tax rate emanates from a 6% drop in the tax rate on investment income.

ECHO BAY MINES LTD.

On September 5, 2001, Franco-Nevada entered into an agreement to convert US\$72.4 million principal amount (US\$115.3 million with accrued interest as at September 30, 2001) of the capital securities of Echo Bay Mines Ltd. ("Echo

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Bay") into common shares of Echo Bay. Echo Bay is a substantial gold company that last year produced 695,000 ounces from four mines in the United States and Canada. Pending shareholder approval, Franco-Nevada expects to maintain a 49.5% interest in Echo Bay following conversion.

BRIGGS MINE

During the quarter ended September 30, 2001, Franco-Nevada agreed to exchange its 2% NSR royalty on the Briggs Mine in California for a 7.3% equity position in Canyon Resources Corporation and a 3% NSR royalty on production in excess of 175,000 ounces from April 1, 2001.

CORPORATE

Franco-Nevada has changed its financial year-end from March 31st to December 31st. This aligns the Company with other international gold companies and reduces confusion over calendar versus fiscal years. Franco-Nevada's website provides restated numbers on a calendar year basis for the past 10 years.

E-2

RISK FACTORS

NATURE OF MINERAL EXPLORATION AND MINING

The exploration and development of mineral deposits involves significant financial risks over an extended period of time that even a combination of careful evaluation, experience and knowledge, may not eliminate. While discovery of a mineral-bearing structure may result in substantial rewards, few properties that are explored are ultimately developed into producing mines. Major expenses may be required to establish reserves by drilling and to construct mining and processing facilities at a site. It is impossible to ensure that the current or proposed exploration programs on properties in which the Corporation has an interest will, result in a profitable commercial mining operation. Although the Corporation does not operate any mines, it is, through its participating interests in said mines, subject to the hazards and risks normally incident to exploration, development and production. Industry accidents could result in damage to life, property and, or, the environment. As a non-operator, Franco-Nevada believes it is not legally liable for damages incurred by operators of its properties. However, as an active exploration company, Franco-Nevada is fully liable for any damages arising from its exploration activities. The activities of the Corporation may be subject to prolonged disruptions due to weather conditions. Hazards, such as unusual or unexpected formations, rock bursts, pressures, cave-ins, flooding or other conditions may be encountered in the drilling, mining, and removal of material.

Whether a mineral deposit will be commercially viable depends on a number of factors, some of which are the particular attributes of the deposit, such as its size and grade, proximity to infrastructure, financing costs and governmental regulations, including regulations relating to prices, taxes, royalties, infrastructure, land use, importing and exporting of minerals and environmental protection. The effect of these factors cannot be accurately predicted, but the combination of these factors may result in the Corporation not receiving an adequate return on invested capital. The Corporation continually reviews its activities and operations to identify significant risk factors for the purpose of reducing both the likelihood of the occurrence of risks and the potential impacts of risk occurrences.

RESERVES AND PRODUCTION

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

No assurance can be given that the intended production schedules at mines where the Corporation holds an interest will be achieved. In addition, mines must achieve long-term profitability to remain open. As Franco-Nevada does not operate any mines, it cannot influence the production or profitability of the mines in which it holds an interest.

The figures for ore reserves presented herein in respect of each mine are estimates and no assurance can be given that the anticipated tonnage and grade will be achieved or that the indicated level of recovery will be realized. Market fluctuations in the price of gold may render ore reserves uneconomical. Moreover, short-term operating factors relating to the ore reserves, such as the need for orderly development of the ore body or the processing of new or different ore grades, may cause a mining operation to be unprofitable in any particular accounting period.

LICENSES AND PERMITS

The operations of the Corporation and those of the operators of the properties or operations in which the Corporation holds an interest require licenses and permits from various governmental authorities. The Corporation believes that it holds all necessary licenses and permits under applicable laws and regulations in respect of its properties and believes it is presently complying in all material respects with the terms of such licenses and permits. However, such licenses and permits are subject to change in various circumstances. There is no guarantee that the Corporation or the operators of those properties in which the Corporation holds an interest, will be able to obtain or maintain all necessary licenses and permits that may be required to explore and develop the properties, commence construction or operation of mining facilities, or maintain operations that economically justify the cost.

E-3

GOLD AND OTHER METAL AND MINERAL PRICES

The profitability of any mining operation in which the Corporation has an interest will be significantly affected by changes in the market price of the produced mineral. Mineral prices, including gold prices, fluctuate on a daily basis and are affected by numerous factors beyond the control of the Corporation. The level of interest rates, the rate of inflation, world supply of gold and stability of exchange rates can all cause significant fluctuations in gold prices. Such external economic factors are in turn influenced by changes in international investment patterns, monetary systems and political developments.

The price of gold and other minerals have fluctuated widely and future material price declines could cause continued commercial production to be impractical. If, as a result of a decline in gold or other mineral prices, revenues from metal sales were to fall below cash operating costs, production might be discontinued.

COMPETITION

The mineral exploration and mining business is competitive in all of its phases. The Corporation competes with numerous other companies and individuals, including competitors with greater financial, technical and other resources, in the search for and the acquisition of mineral interests. There is no assurance that the Corporation will continue to be able to compete successfully with its competitors in acquiring such properties or royalties.

LIQUIDITY

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Franco-Nevada maintains a strong, debt-free, Balance Sheet with cash and short-term investments of \$864 million as at September 30, 2001. Management believes a large cash reserve is vital to capitalizing quickly on opportunities in the industry.

OUTLOOK

Franco-Nevada holds 19.99% of the common shares of Normandy Mining Limited and equity accounts its share of Normandy's results. Franco-Nevada expects its share of Normandy's earnings and the royalty on the Ken Snyder Mine will largely replace the future earnings of the Ken Snyder Mine and the Australian Royalty Division. However, Franco-Nevada does not control Normandy's operations and, as a result, Franco-Nevada's share of Normandy's earnings may be materially more or less than the earnings which would have been derived from the Ken Snyder Mine and the Australian Royalty Division.

Franco is pursuing its stated intention (see Annual Report for March 31, 2001) of focusing on sizeable transactions that can add shareholder value.

E-4

MANAGEMENT'S DISCUSSION AND ANALYSIS OF RESULTS OF OPERATIONS AND FINANCIAL CONDITION (CANADIAN DOLLARS)

FOR THE TWELVE-MONTH PERIODS ENDED MARCH 31, 2001 AND 2000

SIGNIFICANT EVENT

On May 30, 2001 Franco-Nevada completed its transaction ("Normandy Transaction") with Normandy Mining Limited (Normandy), Australia's largest gold producer. Franco-Nevada transferred the Ken Snyder Mine, its Australian assets and US \$48 million in return for 446.1 million treasury shares of Normandy. Franco-Nevada retained a minimum 5% net smelter return royalty on the Ken Snyder Mine and Midas exploration properties, which escalates to 10% at gold prices over US \$400 per ounce.

The Normandy Transaction became effective April 1, 2001. The results of the Ken Snyder Mine and the Australian Division are reported as discontinued operations and prior financial statements have been restated. See "Discontinued Operations".

SUMMARY

Earnings from continuing operations increased to \$79.9 million in 2001 compared with \$64.0 million and \$63.5 million in 2000 and 1999, respectively. Earnings per share from continuing operations are \$0.51 per share in 2001 compared to \$0.41 per share in 2000 and \$0.42 per share in 1999. Earnings from discontinued operations are \$33.6 million (\$0.21 per share) in 2001, \$33.6 million (\$0.21 per share) in 2000 and \$5.1 million (\$0.03 per share) in 1999. Discontinued operations are comprised of the Ken Snyder Mine and Australian Division that are subject to the Normandy Transaction as described above. Cash flow from continuing operations increased to \$92.0 million from \$84.5 million in 2000 and \$82.9 million in 1999. Year-over-year earnings growth emanates from the balanced portfolio of precious metals royalties, a strong performance from the oil and gas division and the realization of certain investment gains. At year-end 2001, the balance sheet remains strong, with no debt and \$939.0 million of cash and short-term investments.

The royalty portfolio continues to perform well despite the poor gold price

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

environment with gold averaging only US \$272 for the year compared with US \$280 in 2000 and US \$292 in 1999. Resource revenue increased modestly from \$72.8 million in 1999 to \$82.0 million in 2000 and up to \$95.6 million in 2001, a 31% increase over the period. Offsetting the weakness in gold were strong oil, gas, platinum and palladium prices.

During 2001 Franco-Nevada became more focused on precious metals and, as a result, the investments in San Juan Basin Royalty Trust (oil) and Inco Class VBN (nickel) were sold at a profit.

In September 2000, the South African Government rejected Franco-Nevada's proposed merger with Gold Fields Limited ("Gold Fields"). The Gold Fields merger would have provided Franco-Nevada with additional leverage to gold while Gold Fields garnered Franco-Nevada's financial strength, strong cash flows and a more desirable geo-political operating environment.

DISCONTINUED OPERATIONS

After successfully discovering, developing and operating the Ken Snyder Mine, Franco-Nevada decided to sell it, only two years after reaching commercial production. Franco-Nevada realized that its expertise is not in operating mines but in merchant banking within the mining industry. Thus, we sought a world-class operating partner willing to exchange a significant equity stake for the mine. The Normandy Transaction achieved our objective and our 19.99% interest in Normandy will be equity accounted from April 1, 2001 onward.

The Ken Snyder Mine began commercial production in January 1999 and for the two and one-half months of commercial operation in 1999 it produced 33,000 ounces of gold equivalent. Gold equivalent, for the purposes

E-5

of this Management Discussion and Analysis, means converting, for comparative purposes, ounces of silver produced into ounces of gold produced, with 50 ounces of silver equaling one ounce of gold. During 2000, production totaled 230,258 gold equivalent ounces with cash operating costs of US \$98 per equivalent ounce and total costs of US \$142 per equivalent ounce. Total costs include cash operating costs and depreciation, depletion, state tax and reclamation. In 2001, 257,000 of gold equivalent ounces were produced at a cash cost of US \$114 and total costs of US \$165 per equivalent ounce.

Prior to its inclusion in the Normandy Transaction, Franco-Nevada's Australian division provided consistent returns with revenues of \$6.2 million in 2001, \$6.7 million in 2000 and \$5.3 million in 1999. The Australian division was included in the Normandy Transaction to enhance the strategic alliance with our new partner. Franco-Nevada believes that Normandy, Australia's industry leader, can better maximize the value of these Australian assets.

REVENUES

Resource revenues totaled \$95.6 million in 2001, \$82.0 million in 2000 and \$72.8 million in 1999. The increase is attributable to rising oil and gas prices and a growing contribution from the Stillwater royalty.

PRECIOUS METALS

Precious metal revenues have been relatively consistent over the past three years, growing from \$61.6 million in 1999 to \$66.0 million in 2001. The fall in the average price of gold was more than compensated by higher platinum and palladium prices. The following three points summarize the major components of,

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

and shifts within, the mineral royalty revenue stream:

- . The Goldstrike complex generates the Company's largest royalty stream, totaling \$44.6 million during 2001, \$47.4 million in 2000 and \$43.0 million in 1999. Net Profit Interest ("NPI") quarterly revenue continues to be erratic, ranging from nil to \$9.0 million per quarter over the past three years. The quarterly NPI is influenced not only by the price of gold and operating costs but also by mine sequencing and the extent and nature of capital costs. During 1999 and 2000, Barrick's capital expenditures totaled US \$397 million and US \$126 million, respectively, and it has budgeted an additional US \$96 million in calendar 2001. Franco-Nevada expects that future NPI receipts will continue to be erratic in timing and extent.
- . As anticipated, the Stillwater platinum and palladium royalty is augmenting the royalty revenue stream as the Goldstrike complex matures. Stillwater generated revenue of \$10.1 million in 2001, up 120% over the \$4.6 million earned in 2000, which in turn was up 18% over the \$3.9 million earned in 1999. The increases are attributable to high platinum and palladium prices and increased production at the Stillwater mine over this time period. Franco-Nevada expects the Stillwater royalty stream to increase over the years as production from our royalty ground continues to grow.
- . The Company's remaining mineral royalty portfolio generated \$11.3 million compared to \$12.8 million in 2000 and \$14.7 million in 1999.

OIL AND GAS

The Oil and Gas Division continues to provide solid returns with revenues primarily from royalties up from \$11.2 million in 1999 to \$17.2 million in 2000 and \$29.6 million in 2001. Realized prices during 2001 were \$37.84 per barrel of oil and \$5.15 per thousand cubic feet ("mcf") of gas versus \$27.26 and \$2.56, respectively, in 2000 and \$17.08 and \$1.98 in 1999.

INVESTMENT

Investment revenues total \$82.0 million, \$38.6 million and \$43.3 million in 2001, 2000 and 1999 respectively. The large increase of \$43.4 million in 2001 is attributable to investment gains on the disposition of

E-6

the San Juan Basin Royalty Trust Units (\$15.2 million) and Inco Class VBN shares (\$8.3 million). In addition, higher interest was earned on higher average cash balances. Investment revenue in 2000 fell to \$38.6 million from \$43.3 million in 1999 as a result of lower cash balances. Strategic investments were made in Aber Diamond Corp. and Inco Class VBN shares during 1999 and early 2000 totaling \$150.2 million thus reducing average, interest earning, cash balances during most of 2000. Franco-Nevada maintains a conservative strategy with respect to its cash resources, investing primarily in investment-grade interest-bearing instruments.

EXPENSES

Depletion and depreciation totaled \$13.9 million in 2001, \$15.1 million in 2000 and \$14.3 million during 1999, fairly consistent year to year. The modest drop in 2001 arose from an increase in the oil and gas reserve base that reduced depletion commensurately. Depletion and depreciation on the mineral royalty portfolio was consistent at \$11.6 million compared to \$11.3 million in

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

2000 and \$11.1 million in 1999. The majority of gold companies operating our royalty lands have, over the past few years, lowered the gold price upon which they base their reserves. The downgrade in reserves and the potential closure of certain properties led Franco-Nevada to book a provision of \$28.2 million in 2001 to account for the diminution in value. The provision will reduce future depletion costs as marginal properties have now been written down.

Operating expenses have remained relatively stable from fiscal 1999 through to 2001. General and Administration expenses were \$5.5 million in 1999, \$7.6 million in 2000 and \$10.7 million in 2001. The increase is comprised of costs associated with the proposed Gold Fields merger, higher employee costs, and business development activities.

Taxes, Franco-Nevada's largest expense at 35.4% of pre-tax earnings increased slightly from 33.7% in 2000 and 33.0% in 1999. The oil and gas division is heavily taxed and with its relatively strong contribution to consolidated profits, it has skewed the overall tax rate higher.

INVESTMENTS IN RESOURCE PROPERTIES

Franco-Nevada invested \$2.2 million in resource properties during 2001, down from \$9.2 million during 2000. In 1999, the company acquired its interest in the Stillwater mine, accounting for \$54.4 million of the \$65.0 million invested in resource properties. The timing of Franco-Nevada's next business opportunity is impossible to judge and, as a result, it is impossible to forecast capital expenditures. However, Franco-Nevada does maintain a small exploration budget and funding is readily available for prospects yielding encouraging results.

FRANCO-NEVADA MINING CORPORATION LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(TABULAR AMOUNTS IN THOUSANDS OF CANADIAN DOLLARS EXCEPT WHERE OTHERWISE INDICATED)

1. ACCOUNTING POLICIES

The consolidated financial statements of Franco-Nevada Mining Corporation

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Limited (the "Company") have been prepared in accordance with accounting principles generally accepted in Canada. Summarized below are the significant accounting policies used in these consolidated financial statements.

The accompanying unaudited interim financial statements are prepared in accordance with generally accepted accounting principles ("GAAP") in Canada. Certain information included in the Annual Financial Statements are not included herein. In the opinion of management, all adjustments considered necessary for fair presentation have been included in these financial statements. Operating results for the period ended September 30, 2001 are not necessarily indicative of the results that may be expected for the full fiscal period ended December 31, 2001 (see note 12).

(A) BASIS OF CONSOLIDATION

The consolidated financial statements include the statements of the Company and its wholly owned subsidiaries.

(B) USE OF ESTIMATES

The preparation of the financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and related notes. The most significant estimates and assumptions are related to taxes and the recoverability of resource property costs through future production. Actual results could be different from these estimates.

(C) CASH AND CASH EQUIVALENTS AND SHORT-TERM INVESTMENTS

Cash and cash equivalents include highly-liquid instruments with an original maturity of less than 90 days. The carrying amounts of cash and cash equivalents are stated at cost which approximates their fair value. The Company's short-term investments include highly-liquid instruments with an original maturity of 90 days or more and are carried at cost, which approximates their fair value.

(D) PRECIOUS METALS AND INVENTORIES

Precious metals inventory is valued at the period end spot price. Mine operating supplies are valued at the lower of average cost and net realizable value.

(E) INVESTMENTS IN MARKETABLE SECURITIES

Investments in marketable securities are valued at cost until it is determined that a permanent impairment exists at which time a write-down is taken.

(F) RESOURCE PROPERTIES

MINERAL PROPERTY AND DEVELOPMENT COSTS

The Company records its interest in mineral properties at cost. Producing properties are amortized on the units-of-production basis. The ultimate recovery of costs associated with non-producing properties is dependent

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED)
(TABULAR AMOUNTS IN THOUSANDS OF CANADIAN DOLLARS EXCEPT WHERE OTHERWISE
INDICATED)

upon the discovery and development of economic reserves or the profitable sale of the properties. If a property is abandoned or sold, the proceeds on the sale, less the cost of the property and any related deferred expenditures, are included in operations at that time. The Company periodically reviews its mineral properties to ascertain whether an impairment in value has occurred. Where a property is considered uneconomic it is written off.

OIL AND GAS PROPERTY

Producing oil and gas royalty properties are carried at the lower of the cost and net recoverable amount. Depletion is provided on capitalized amounts using the units-of-production method. Net recoverable amount is the aggregate of estimated future net revenues from proven reserves less operating, administration, financial and income tax expense. Estimated future net revenues are determined using year-end prices.

(G) CAPITAL ASSETS

Assets expected to remain productive throughout the mine's life are depreciated using the units-of-production method. Other assets are depreciated on a straight-line basis over their estimated useful lives.

(H) TRANSLATION OF FOREIGN CURRENCY

Foreign operations are self-sustaining and are translated using the current rate method. Assets and liabilities are translated at exchange rates prevailing at the period-end and revenue and expense items at average exchange rates for the period. Translation adjustments arising from changes in exchange rates are accounted for as a separate component of shareholders' equity. These adjustments will be included in operations upon realization.

(I) FAIR VALUES OF FINANCIAL INSTRUMENTS

The carrying value of Cash and Short Term Investments and Accounts Payable in the consolidated balance sheets approximate fair values due to the short-term duration of these instruments.

(J) REVENUE RECOGNITION

Gold and silver revenues from mining operations and royalty interests are recognized at the time of production. Payment is received in cash or in-kind.

(K) COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform with the current year's presentation.

2. CHANGE IN ACCOUNTING POLICY

On April 1, 2000 the Company adopted the new Canadian Institute of Chartered Accountants recommendations for income taxes. Franco-Nevada provides for income taxes using the asset and liability method. Under this method, future tax assets and liabilities are determined based on differences between the financial accounting and tax bases of assets and liabilities and are measured using the substantively enacted tax rates and laws that will be in effect when the differences are expected to reverse.

The Company has elected to adopt these standards retroactively without

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

restatement. The cumulative effect of adopting the standard is an increase in future tax liabilities and a reduction in retained earnings of \$17.0 million.

Prior to April 1, 2000, the Company followed the deferral method of tax allocation in accounting for income taxes.

3. BUSINESS MERGER

On September 20, 1999, the Company announced completion of the merger that resulted in Franco-Nevada Mining Corporation Limited ("Franco-Nevada") merging with Euro-Nevada Mining Corporation Limited ("Euro-Nevada"). The merger of the Company and Euro-Nevada is accounted for as a pooling of interests which combines, at book value, the net assets and operations of the two companies. Accordingly, these financial statements have been prepared, and are presented as though the predecessor corporations had operated as a single entity since inception. Euro-Nevada shareholders received 0.77 Franco-Nevada shares for each Euro-Nevada share. Euro-Nevada had 101.2 million shares outstanding and, as a result, the Company issued 77.9 million additional common shares to former shareholders of Euro-Nevada.

The following tables set forth results of operations of the previously separate companies for the periods before the combination.

11. COMMITMENTS

(A) FOREIGN EXCHANGE CONTRACTS

Franco has entered into foreign exchange contracts whereunder Franco-Nevada will receive Australian \$4 million in June 2002 and 2003 at US\$0.5873 and US\$0.5882 respectively for each Australian dollar. These contracts were closed out subsequent to March 31, 2001.

(B) NET PROFITS INTEREST

Franco-Nevada pays the contract operator of the Ken Snyder Mine a 5% net profit interest based upon the Company's reported pre-tax profit from the mine.

12. SUBSEQUENT EVENT

(a) On April 2, 2001, the Company entered into an agreement with Normandy Mining Limited ("Normandy"), Australia's largest gold producer, to exchange its Ken Snyder mine, US\$48 million, and its Australian assets in return for a 19.99% interest in Normandy. On May 31, 2001 the transaction was consummated and Normandy issued 446.1 million freely-trading ordinary shares to Franco-Nevada. Franco-Nevada retained a minimum 5% NSR royalty over the Midas property, which escalates at gold prices over US\$300 per ounce to a maximum of 10% at gold prices over US\$400 per ounce.

The exchange of assets resulted in a pre-tax gain of \$38.6 million to Franco-Nevada and has been classified as "Discontinued operations." Income taxes of \$16.7 million were recorded in connection with the exchange.

Amounts included in the consolidated balance sheets relating to discontinued operations are as follows:

13. LEGAL MATTERS

(A) ENVIRONMENTAL

The Company's mining and exploration activities are subject to various laws and regulations governing the protection of the environment. These laws and regulations are continually changing and generally becoming more restrictive. The Company conducts its operations so as to protect the public health and environment and believes its operations are materially in compliance with all applicable laws and regulations. The Company has made, and expects to make in the future, expenditures to comply with such laws and regulations.

(B) CLAIMS

The Company is from time to time involved in various claims, legal proceedings and complaints arising in the ordinary course of business. The Company is also subject to reassessment for income and mining taxes for certain years. It does not believe that adverse decisions in any pending or threatened

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

proceeding related to any potential tax assessments or other matters, or any amount which it may be required to pay by reason thereof, will have material adverse effect on the financial condition or future results of operations of the Company.

14. DIFFERENCES BETWEEN CANADIAN AND UNITED STATES GENERALLY ACCEPTED ACCOUNTING PRINCIPLES

For Canadian GAAP purposes Franco-Nevada has accounted for the investment in Normandy Mining Limited on an equity basis using the best information available from Normandy in the public domain. As Normandy has declined to provide a reconciliation of its results of operations in US GAAP for the period ended September 30, 2001 there is no basis for recording an adjustment to US GAAP.

Canadian GAAP varies in certain significant respects from the principles and practices generally accepted in the United States ("US GAAP"). The effect of these principal measurement differences on the Company's consolidated financial statements are quantified below and described in the accompanying notes:

- (a) In accordance with United States GAAP, the Company would be required to charge all costs of mineral properties exploration to earnings as incurred until proven economic reserves are established. In fiscal 2001, the Company recorded a provision against mining assets which contains mineral property assets already expensed under US GAAP. This has resulted in a reduction in the provision under US GAAP of \$8,576,000.
- (b) Under US GAAP, merger costs are expensed as incurred. Under Canadian GAAP, the costs are considered a capital transaction and netted against capital stock.
- (c) Under US GAAP, the Company was required to write-down a marketable security investment in an earlier period. The provision and realized loss booked under Canadian GAAP in the period ended September 30, 2001 has been subsequently reversed as a result of the US GAAP adjustment.
- (d) The Company disposed of its Ken Snyder Mine in Nevada and Australian division to Normandy Mining Limited ("Normandy") of Australia in exchange for an equity interest in Normandy. The gain recognized on the transaction under Canadian GAAP has been adjusted for differences between carrying costs of the Ken Snyder Mine and Australian division under US GAAP. The above amounts are net of tax.
- (e) Effective January 1, 2001 the Company implemented Staff Accounting Bulletin ("SAB") Note 101, Revenue Recognition for US GAAP purposes. According to SAB 101, there are numerous conditions depicting when revenue can be recognized. Under Canadian GAAP, the Company recognized revenue upon the delivery of gold dore to the refiner. The above amounts are net of tax of \$1,328,000.
- (f) Statement of Position 98-5 was adopted during fiscal 2000 which requires start-up costs to be expensed as incurred. Under Canadian GAAP, start-up costs are deferred and amortized over the mine life. The above adjustment is net of tax of \$2,362,000.
- (g) The Company accounts for its share options under Canadian GAAP, which in the Company's circumstances are not different from the amounts that would be determined under the provisions of the Accounting Principles Board Opinion No. 25, "Accounting for Stock Issued to Employees" (APB 25) and related Interpretations. Accordingly, no compensation expense for its share option plan has been recorded in the consolidated statements of operations for the six months ended September 30, 2000 and 2001 and the fiscal years ending March 31, 2001, 2000 and 1999.

NEW STANDARDS FOR CANADIAN GAAP

In late 2000, the Canadian Institute of Chartered Accountants ("CICA") issued a revised standard, Section 3500, "Earnings Per Share". Public companies with quarterly reporting requirements must calculate basic and fully diluted earnings per share in accordance with the new standard. Diluted earnings per share will now be calculated using the "Treasury Stock Method". The new section will be implemented for the fiscal period ended December 31, 2001.

In August 2000, the CICA issued a new standard, Section 1751, "Interim Financial Statements" effective for interim periods in fiscal years beginning on or after January 1, 2001. This standard requires interim financial statements, at a minimum, to include an income and cash flow statement for the quarter and year to date periods, a balance sheet and a statement of retained earnings along with detailed notes to the financial statements. Management does not expect a significant impact on the financial statements of the Company upon the adoption of the new standard.

The CICA recently issued new Handbook Sections 1581, "Business Combinations" and 3062, "Goodwill and Other Intangible Assets". Effective July 1, 2001, the standards require that all business combinations be accounted for using the purchase method. Additionally, effective January 1, 2002, goodwill and intangible assets with an indefinite life will no longer be amortized to earnings and will be assessed for impairment on an annual basis in accordance

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

with the new standards, including a transitional impairment test whereby any resulting impairment will be charged to opening retained earnings. Management does not expect a significant impact on the financial statements of the Company upon the adoption of the new standard.

In March 2000, the Accounting Standards Board of the CICA issued Accounting Guideline No. 11, "Enterprises in the Development Stage". The guideline addresses three specific issues: (a) capitalization of costs and expenditures, (b) impairment and (c) disclosure. Prior to its issuance, development stage entities were exempt from following certain aspects of Canadian GAAP. This guideline will require that all companies account for transactions based on the underlying characteristics of the transaction rather than the maturity of the enterprise. The guideline is effective no later than fiscal periods beginning on or after April 1, 2000. The Company is aware that there are two alternative views of how this guideline affects mining companies with respect to the capitalization of exploration costs. CICA Handbook Section 3061 "Property, Plant and Equipment" states that "For a mining property, the cost of the asset includes exploration costs if the enterprise considers that such costs have the characteristics of property, plant and equipment." The Company considers that exploration costs incurred meet the characteristics of property, plant and equipment and accordingly defers such costs. Under the view adopted by the Company, deferred exploration costs would not automatically be subject to regular assessments of recoverability, unless conditions such as those in Accounting Guideline No. 11 exist. Under the alternative view, there would be a regular assessment of capitalized exploration costs. Assessment of the probability of recoverability of deferred exploration costs from future operations would require the preparation of a projection based on objective evidence of economic reserves, such as a feasibility study. The Company's interpretation of the guideline will not have a significant impact on the financial statements. However, if the second view is accepted, all deferred exploration costs would be written off as of the beginning of fiscal 2001. This write-off would be treated as a change in accounting principle. The result would be a reduction of resource properties of \$49.0 million, a decrease to retained earnings of \$30.9 million and a reduction to future taxes of \$18.1 million. The impact for the fiscal year ended March 31, 2001 would be a reduction in resource properties of \$3.5 million, net income of \$2.3 million and future taxes of \$1.2 million. For the six-month periods ended September 30, 2000 and 2001 the reduction to resource properties, net income and future taxes would be \$1.9 million, \$1.2 million and \$0.7 million, respectively. The CICA is currently evaluating this issue to determine the appropriate interpretation of the guideline and CICA Handbook Section 3061.

NEW STANDARDS FOR US GAAP

In July 2001, the Financial Accounting Standards Board issued SFAS No. 141, "Business Combinations" and SFAS No. 142, "Goodwill and Other Intangible Assets". SFAS No. 141 addresses the initial recognition and measurement of goodwill and other intangible assets acquired in a business combination and SFAS No. 142 addresses the initial recognition and measurement of intangible assets acquired outside of a business combination whether acquired individually or with a group of other assets. These standards require all future business

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

combinations to be accounted for using the purchase method of accounting. The Company is required to adopt SFAS No. 141 for business combinations after July 1, 2001 and 142 on a prospective basis as of January 1, 2002. Management does not expect a significant impact on the financial statements of the Company upon the adoption of the new standard.

The Financial Accounting Standards Board has recently issued FASB No. 144 "Accounting for the Impairment or Disposal of Long-Lived Assets". FAS 144 supersedes FAS 121 and the accounting and reporting provisions of APB 30 for segments of a business to be disposed of. The pronouncement is effective January 1, 2002, and will be adopted by the Company at that time. Management does not expect a significant impact on the financial statements of the Company upon the adoption of the new standard.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

1. Shares of Preferred Stock may be issued from time to time in one or more series as in this Article Fourth provided. All shares of Preferred Stock shall be of equal rank and shall be identical in all respects, except in respect of the particulars fixed by the Board of Directors for series of the Preferred Stock as permitted by the provisions of this Article Fourth. Each series of Preferred Stock shall be distinctively designated, and all shares of any one series of Preferred Stock shall be identical in all respects with all the other shares of such series, except that shares of any one series issued at different times may differ as to the dates, if any, from which dividends thereon shall be cumulative.
2. Authority is hereby expressly granted to the Board of Directors, by resolution or resolutions, from time to time to create and provide for the issuance of series of the Preferred Stock and, in connection with the creation of each such series, to fix by the resolution or resolutions providing for the creation and issue of shares of such series the following provisions of the shares of such series, so far as not inconsistent with the provisions of this Article Fourth applicable to all series of Preferred Stock:
 - (a) The designation of such series and the number of shares which shall constitute such series;
 - (b) The dividend rate per annum, if any, at which holders of shares of such series shall be entitled to receive dividends, whether or not dividends on the shares of such series shall be cumulative, the times at which and the quarterly dividend periods for which dividends on such series shall be paid, the date or dates, if any, from which dividends shall be cumulative and the other conditions, if any, on which such dividends shall be paid;
 - (c) The time or times, if any, at which the shares of such series shall be subject to redemption, in whole or in part, the price or prices to which holders of shares of such series shall be entitled upon such redemption, and the other terms and conditions, if any, on which shares of such series may be so redeemed;
 - (d) The amount or amounts and the other rights, if any, to which the holders of shares of such series shall be entitled upon the dissolution, liquidation or winding up of the affairs of the Corporation or upon any other distribution of the assets of the Corporation;
 - (e) The sinking fund or purchase fund provisions, if any, for the redemption or purchase of shares of such series and, if any such fund is so provided for the benefit of such shares, the amount of such fund and the manner of its application;
 - (f) The extent of the voting powers, if any, of the shares of such series;
 - (g) Whether or not the shares of such series shall be convertible into, or exchangeable for, shares of any other class or classes of stock, or of any series thereof, of the Corporation and, if so

F-3

convertible or exchangeable, the conversion or exchange price or prices or rate or rates, the adjustments thereof and the other terms and conditions, if any, on which shares shall be so convertible or

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

exchangeable; and

- (h) Any other preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof, of shares of such series as are not fixed and determined in this Article Fourth.
3. The powers, preferences and rights, and the qualifications, limitation or restrictions thereof, applicable to the Preferred Stock of all series are as follows:
- (a) Out of the funds of the Corporation legally available for dividends, the holders of the Preferred Stock of each series shall be entitled to receive, when and as declared by the Board of Directors, cash dividends at such rate, and no more, and payable at such times and for such quarterly dividend periods as shall be fixed for such series by the Board of Directors as herein permitted. Dividends on any shares of Preferred Stock shall be cumulative only if and to the extent fixed by resolution of the Board of Directors. Accumulations of dividends, if any, shall not bear interest.

No such dividend shall be paid or declared and set apart for payment on any share of Preferred Stock for any quarterly dividend period unless a dividend for the same quarterly dividend period and all past quarterly dividend periods, if any, ending within such quarterly dividend period, ratably in proportion to the respective annual dividend rates fixed therefor, shall be or have been paid or declared and set apart for payment on all shares of Preferred Stock of all series then outstanding and entitled to receive dividends for such quarterly dividend period or for any past quarterly dividend period, if any, ending within such quarterly dividend period.

In no event, so long as any Preferred Stock shall remain outstanding, shall any dividend, other than a dividend payable in shares of Common Stock or any other class of stock ranking junior to the Preferred Stock as to the distribution of assets and the payment of dividends (the Common Stock, and any such other class of stock being hereinafter sometimes referred to as "junior stock"), be declared or paid upon, nor shall any distribution be made upon, any junior stock, nor shall any shares of junior stock be purchased or redeemed by the Corporation other than in exchange for junior stock, nor, shall any monies be paid or made available for a sinking fund for the purchase or redemption of any junior stock, unless in each instance dividends on all outstanding shares of the Preferred Stock for all past dividend periods shall have been paid and the dividend on all outstanding shares of the Preferred Stock for the then applicable current quarterly dividend period shall have been paid, or declared and a sum sufficient for the payment thereof set apart.

- (b) The Corporation, at its election expressed by resolution of the Board of Directors, may redeem the shares of any series of the Preferred Stock at such time or times, at such price or prices and on such other terms and conditions (not inconsistent with the provisions of this subparagraph (b)) as are fixed for such series by the Board of Directors as permitted herein plus, in each case, an amount equal to all dividends accrued and unpaid on such series of Preferred Stock to and including the date fixed for redemption (the total sum so payable per share on any such redemption being hereinafter called the "Redemption Price" and the date fixed for redemption being hereinafter called the "Redemption Date"). If as permitted by the terms fixed for such series by the Board of Directors, less than all outstanding shares of any series of Preferred Stock are to be

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

redeemed, the shares of said series to be redeemed shall be chosen by lot or pro rata in such equitable manner as the Board of Directors may determine.

Notice of every such redemption shall be mailed not less than 30 nor more than 90 days in advance of the Redemption Date to the holders of record of the shares of Preferred Stock so to be redeemed at their respective addresses as the same shall appear on the books of the Corporation.

From and after the Redemption Date (unless the Corporation shall default in paying or providing the funds necessary for the payment of the Redemption Price of the shares so called for

F-4

redemption) the right to receive dividends on all shares of Preferred Stock so called for redemption shall cease to accrue, and all rights of the holders of the shares of Preferred Stock so called for redemption shall forthwith, after the Redemption Date, cease and terminate, excepting only the right of such holders to receive the Redemption Price for such shares but without interest, and such shares shall no longer be deemed outstanding. Any funds so set aside by the Corporation and unclaimed at the end of six years from the Redemption Date shall revert to the general funds of the Corporation, after which reversion the holders of such shares so called for redemption shall look only to the Corporation for payment of the Redemption Price.

If, on or after the giving of notice of redemption but before the Redemption Date, the Corporation shall deposit with any bank or trust company doing business in the Borough of Manhattan, City of New York, New York, having capital and surplus of at least \$10,000,000, in trust to be applied to the redemption of the shares of Preferred Stock so called for redemption, the funds necessary for such redemption, then all rights of the holders of the shares of Preferred Stock so called for redemption shall forthwith, after the date of such deposit, cease and terminate (excepting only the right of such holders to receive the Redemption Price therefor but without interest and the right to exercise any conversion privilege not theretofore expired), and such shares shall not, after the date of such deposit, be deemed outstanding. Any funds so deposited which shall not be required for such redemption because of the exercise of any such right of conversion subsequent to the making of such deposit shall be returned to the Corporation. In case the holders of shares of Preferred Stock so called for redemption shall not, at the end of six years from the Redemption Date, have claimed any funds so deposited, such bank or trust company shall upon the request of the Corporation pay over to the Corporation such unclaimed funds, and such bank or trust company shall thereafter be relieved of all responsibility in respect thereof to such holders and such holders shall look only to the Corporation for payment of the Redemption Price.

Any interest accrued on funds set aside or deposited for purposes of redemption as above provided shall be paid to the Corporation from time to time.

Shares of any series of Preferred Stock which have been redeemed, retired or purchased by the Corporation (whether through the operation of a sinking or purchase fund or otherwise) or which, if

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

convertible or exchangeable, have been converted into or exchanged for shares of stock of the Corporation of any other class or classes, shall, upon appropriate filing and recording to the extent required by law, have the status of authorized and unissued shares of Preferred Stock.

- (c) In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, the holders of Preferred Stock shall be entitled to receive, out of the assets of the Corporation available for distribution to its stockholders, an amount in cash for each share equal to the amount payable on such share in such event provided for by the Board of Directors as permitted herein for the series of Preferred Stock of which such share is a part plus, in each case, an amount equal to all dividends accrued and unpaid on such share up to the date fixed for distribution, and no more, before any distribution shall be made to the holders of the Common Stock.

If upon any such liquidation, dissolution or winding up of the Corporation its net assets shall be insufficient to permit the payment in full of the respective amounts to which the holders of all outstanding Preferred Stock of all series are entitled as above provided, the entire remaining net assets of the Corporation shall be distributed among the holders of Preferred Stock of all series in amounts proportionate to the full amounts to which they are respectively so entitled.

Neither the merger nor consolidation of the Corporation, nor the sale, lease or conveyance of all or a part of its assets, shall be deemed to be a voluntary or involuntary liquidation, dissolution or winding-up of the affairs of the Corporation within the meaning of this subparagraph (c).

- 4. (a) Except for such voting powers as may be granted to the holders of Preferred Stock by law, subparagraph (b) of this paragraph 4, or as may be granted to the holders of any one or more series

F-5

of Preferred Stock by the Board of Directors in accordance with paragraph 2(f) of this Article Fourth, voting power shall be vested exclusively in the Common Stock. At every meeting of the stockholders of the Corporation every holder of Common Stock entitled to vote shall be entitled to one vote for each share of Common Stock registered in his name on the books of the Corporation and, except as otherwise herein or by law provided, the Common Stock and Preferred Stock of the Corporation (and any other capital stock of the Corporation at the time entitled thereto), shall vote together as a class.

- (b) At any time when six (6) quarterly dividends on any one or more series of Preferred Stock entitled to receive cumulative dividends shall be in default, the holders of all such cumulative series at the time or times outstanding as to which such default shall exist shall be entitled, at the next annual meeting of stockholders or special meeting held in place thereof at which time the number of directors constituting the Board of Directors shall be increased by two, voting as a class, whether or not the holders thereof shall otherwise be entitled to vote, to the exclusion of the holders of Common Stock and the holders of any series of non-cumulative Preferred Stock, to vote for and elect two members of the Board of Directors of the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Corporation to all such newly-created directorships. At any time when six (6) quarterly dividends on any one or more series of non-cumulative Preferred Stock shall be in default, the holders of all such non-cumulative series at the time or times outstanding as to which such default shall exist shall be entitled, at the next annual meeting of stockholders or special meeting held in place thereof at which time the number of directors constituting the Board of Directors shall be increased by two, voting as a class, whether or not the holders thereof shall otherwise be entitled to vote, to the exclusion of the holders of Common Stock and the holders of any series of cumulative Preferred Stock, to vote for and elect two members of the Board of Directors of the Corporation to fill such newly-created directorships. All rights of all series of Preferred Stock to participate in the election of directors pursuant to this subparagraph 4(b) shall continue in effect, in the case of all series of Preferred Stock entitled to receive cumulative dividends, until cumulative dividends have been paid in full or set apart for payment on each cumulative series which shall have been entitled to vote at the previous annual meeting of stockholders, or special meeting held in place thereof, or, in the case of all series of non-cumulative Preferred Stock, until non-cumulative dividends have been paid in full or set apart for payment for four consecutive quarterly dividend periods on each non-cumulative series which shall have been entitled to vote at the previous annual meeting of stockholders or special meeting held in place thereof. Whenever the holders of the Preferred Stock shall be divested of such voting right hereinabove provided, the directors so elected by the Preferred Stock shall thereupon cease to be directors of the Corporation and thereupon the number of directors shall be reduced by two or four, as the case may be. Directors elected by the holders of any one or more series of stock voting separately as a class, may be removed only by a majority vote of such series, voting separately as a class, so long as the voting power of such series shall continue. Subject to the voting rights, if any, of any other series of Preferred Stock, the holders of the Common Stock, voting as a class, to the exclusion of the holders of such series so entitled to vote for and elect members of the Board of Directors pursuant to this subparagraph 4(b) shall be entitled to vote for and elect the balance of the Board of Directors. Each stockholder entitled to vote at any particular time in accordance with the foregoing provisions shall not have more than one vote for each share of Stock held of record by him at the time entitled to voting rights.

- (c) Subject to the provisions of this Article Fourth and any further provisions prescribed in accordance herewith, and after making such provisions, if any, as the Board of Directors may deem advisable for working capital or as a reserve fund to meet contingencies or for such other purposes as the Board of Directors, in their discretion, may deem necessary or advisable and in the best interests of the Corporation, then, and not otherwise, the holders of the junior stock shall be entitled to receive, when and as declared by the Board of Directors, out of funds legally available for that purpose, dividends payable either in cash, stock or otherwise.

F-6

- (d) In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, if the holders of all series of the Preferred Stock shall have received all the amounts to which they shall be entitled in such event in accordance with the provisions of

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

this Article Fourth and any further provisions prescribed in accordance herewith, the holders of the junior stock shall be entitled, to the exclusion of the holders of the Preferred Stock of all series, to share in all the remaining assets of the Corporation available for distribution to the stockholders.

5. There hereby is fixed and determined the voting rights, designations, preferences, qualifications, privileges, limitations, restrictions, options, conversion rights and other special or relative rights of the first series of the Preferred Stock, par value \$5.00 per share, which shall consist of 370,000 shares and shall be designated as Series A Junior Participating Preferred Stock (the "Preferred Shares").

SPECIAL TERMS OF THE PREFERRED SHARES

Section 1. Dividends and Distributions. (a) The rate of dividends payable per share of Preferred Shares on the first day of January, April, July and October in each year or such other quarterly payment date as shall be specified by the Board of Directors (each such date being referred to herein as a "Quarterly Dividend Payment Date"), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of the Preferred Shares, shall be (rounded to the nearest cent) equal to the greater of (i) \$1.00 or (ii) subject to the provision for adjustment hereinafter set forth, 500 times the aggregate per share amount of all cash dividends and 500 times the aggregate per share amount (payable in cash, based upon the fair market value at the time the non-cash dividend or other distribution is declared or paid as determined in good faith by the Board of Directors) of all non-cash dividends or other distributions other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock by reclassification or otherwise, declared on the Common Stock, \$1.60 par value, of the Corporation since the immediately preceding Quarterly Dividend Payment Date, or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of the Preferred Shares. Dividends on the Preferred Shares shall be paid out of funds legally available for such purpose. In the event the Corporation shall at any time after the date hereof (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding shares of Common Stock, or (iii) combine the outstanding shares of Common Stock into a smaller number of shares, then in each such case the amounts to which holders of Preferred Shares were entitled immediately prior to such event under clause (ii) of the preceding sentence shall be adjusted by multiplying each such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(b) Dividends shall begin to accrue and be cumulative on outstanding Preferred Shares from the Quarterly Dividend Payment Date next preceding the date of issue of such Preferred Shares, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of Preferred Shares entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the Preferred Shares in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding.

Section 2. Voting Rights. In addition to any other voting rights required by

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

law, the holders of Preferred Shares shall have the following voting rights:

- (a) Subject to the provision for adjustment hereinafter set forth, each Preferred Share shall entitle the holder thereof to 600 votes on all matters submitted to a vote of the stockholders of the Corporation. In the event the Corporation shall at any time after the date hereof (i) declare any dividend on Common

F-7

Stock payable in shares of Common Stock, (ii) subdivide the outstanding shares of Common Stock, or (iii) combine the outstanding shares of Common Stock into a smaller number of shares, then in each such case the number of votes per share to which the holders of Preferred Shares were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

- (b) Except as otherwise provided herein or in the By-laws, the holders of Preferred Shares and the holders of Common Stock (and the holders of shares of any other series or class entitled to vote thereon) shall vote together as one class on all matters submitted to a vote of stockholders of the Corporation.

Section 3. Reacquired Shares. Any Preferred Shares purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and cancelled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued Series Preferred Stock and may be reissued as part of a new series of Series Preferred Stock to be created by resolution(s) of the Board of Directors.

Section 4. Liquidation, Dissolution or Winding Up. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the holders of Preferred Shares shall be entitled to receive the greater of (a) \$500.00 per share, plus accrued dividends to the date of distribution, whether or not earned or declared, or (b) an amount per share, subject to the provision for adjustment hereinafter set forth, equal to 500 times the aggregate amount to be distributed per share to holders of Common Stock. In the event the Corporation shall at any time after the date hereof (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding shares of Common Stock, or (iii) combine the outstanding shares of Common Stock into a smaller number of shares, then in each such case the amount to which holders of Preferred Shares were entitled immediately prior to such event pursuant to clause (b) of the preceding sentence shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section 5. Consolidation, Merger, etc. In case the Corporation shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash and/or any other property, then in any such case the Preferred Shares shall at the same time be similarly exchanged or changed in an amount per share (subject to the provision for adjustment hereinafter set forth) equal to 500 times the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. In the event the Corporation

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

shall at any time after the date hereof (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding shares of Common Stock, or (iii) combine the outstanding shares of Common Stock into a smaller number of shares, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Preferred Shares shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock Outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section 6. No Redemption. The Preferred Shares shall not be redeemable.

Section 7. Ranking. The Preferred Shares shall rank junior to all other series of the Corporation's Series Preferred Stock as to the payment of dividends and the distribution of assets, unless the terms of any such series shall provide otherwise.

Section 8. Fractional Shares. Preferred Shares may be issued in fractions of a share which shall entitle the holder, in proportion to such holder's fractional shares, to exercise voting rights, receive dividends, participate in distributions and to have the benefit of all other rights of holders of Preferred Shares.

F-8

6. Except as may be provided in the provisions fixed by the Board of Directors for any series of Preferred Stock, the number of authorized shares of any class of stock of the Corporation may be increased or decreased by the affirmative vote of the holders of a majority of the outstanding shares of stock of the Corporation entitled to vote.

Fifth: The amount of capital stock with which this Corporation will commence business is \$1,000.

Sixth: This Corporation is to have perpetual existence.

Seventh: The private property of the stockholders shall not be subject to the payment of corporate debts to any extent whatever.

Eighth: The government of this Corporation shall be vested in and its affairs shall be conducted by a Board of Directors. The number of Directors of the Corporation shall be fixed and may be altered from time to time as may be provided in the By-Laws. In case of any increase in the number of Directors, the additional Directors may be elected by the Directors or by the stockholders at an annual or special meeting, as shall be provided in the By-Laws.

1. In case of any vacancy in the Board of Directors through death, resignation or otherwise, the Board of Directors may elect a successor to hold office for the unexpired portion of the term of the Director whose office shall be vacant, and until the election of a successor.
2. The Directors from time to time may determine whether and to what extent, and at what times and places and under what conditions and regulations, the accounts and books of the Corporation (other than the stock ledger), or any of them, shall be open to the inspection of the stockholders; and no stockholder shall have any right to inspect any account or book or document of the Corporation, unless expressly so authorized by statute or by a resolution of the stockholders or the Directors.

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

The Board of Directors, by the affirmative vote of the majority of the whole Board, may appoint from the Directors an Executive Committee, of which a majority shall constitute a quorum; and, to such extent as shall be provided in the By-Laws, such Committee may exercise all the powers of the Board including the power to cause the seal of the Corporation to be affixed to any papers or documents by it executed.
4. The Board of Directors shall have power and authority, without the assent or vote of the stockholders, to authorize the execution and delivery of any mortgage, pledge or other liens, without limit as to amount, upon the real and personal property of the Corporation, or any part or parts thereof, for the purpose of securing the payment of its bonds or other obligations.
5. The Board of Directors may make By-Laws, and from time to time may alter, amend or repeal any By-Law or By-Laws; but any By-Laws made by the Board of Directors may be altered or repealed by the stockholders at any annual meeting, or at any special meeting, provided notice of such proposed alteration or repeal be included in the notice of such special meeting.
6. The Directors shall have the power to determine the use and disposition of any surplus or net profits over and above the capital stock paid in, and, to the extent permitted by law, may use and apply any such surplus or accumulated profits or capital in purchasing or acquiring the bonds or other obligations or shares of capital stock of the Corporation, to such extent and in such manner and upon such terms as the Directors shall deem expedient; but shares of such capital stock so purchased or acquired may be resold unless such shares shall have been retired for the purpose of decreasing the Corporation's capital stock as provided by law.
7. The Board of Directors is invested with complete and unrestricted authority in the management of all the affairs of the Corporation and is authorized to exercise for such purposes, as the general agent of the Corporation, its entire corporate authority.

F-9

8. In addition to the powers and authorities hereinbefore or by statute expressly conferred upon them, the Directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation; subject, nevertheless to the provisions of the statutes of Delaware and of this Certificate.

Ninth: Notwithstanding any provision in this Certificate of Incorporation to the contrary (including, without limitation, paragraphs 3 and 7 of Article Eighth hereof), except as set forth in the penultimate subparagraph of this Article Ninth, the affirmative vote or consent of the holders of four-fifths of all classes of stock of this Corporation entitled to vote in elections of directors, considered for the purposes of this Article Ninth as one class, shall be required (a) for the adoption of any agreement for the merger or consolidation of this Corporation with or into any other corporation, or (b) to authorize any sale or lease of all or any substantial part of the assets of this Corporation to, or any sale or lease to this Corporation or any subsidiary thereof in exchange for securities of this Corporation of any assets (except assets having an aggregate fair market value of less than \$10,000,000) of, any other corporation, person or other entity, if, in either case, as of the record date for the determination of stockholders entitled to notice thereof and to vote thereon or consent thereto such other corporation, person or entity is the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

beneficial owner, directly or indirectly, of more than 10% of the outstanding shares of stock of this Corporation entitled to vote in elections of directors considered for the purposes of this Article Ninth as one class. Such affirmative vote or consent shall be in addition to the vote or consent of the holders of the stock of this Corporation otherwise required by law or any agreement between this Corporation and any national securities exchange.

For the purposes of this Article Ninth, (a) any corporation, person or other entity shall be deemed to be the beneficial owner of any shares of stock of this Corporation (i) which it has the right to acquire pursuant to any agreement, or upon exercise of conversion rights, warrants or options, or otherwise, or (ii) which are beneficially owned, directly or indirectly (including shares deemed owned through application of clause (i), above), by any other corporation, person or entity with which it or its "affiliate" or "associate" (as defined below) has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of stock of this Corporation, or which is its "affiliate" or "associate" as those terms are defined in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934 as in effect on December 6, 2001, and (b) the outstanding shares of any class of stock of this Corporation shall include shares deemed owned through application of clauses (i) and (ii) above but shall not include any other shares which may be issuable pursuant to any agreement, or upon exercise of conversion rights, warrants or options, or otherwise.

The Board of Directors shall have the power and duty to determine for the purposes of this Article Ninth, on the basis of information known to this Corporation, whether (i) such other corporation, person or other entity beneficially owns more than 10% of the outstanding shares of stock of this Corporation entitled to vote in elections of directors, (ii) a corporation, person, or entity is an "affiliate" or "associate" (as defined above) of another, (iii) the assets being acquired by this Corporation, or any subsidiary thereof, have an aggregate fair market value of less than \$10,000,000 and (iv) the memorandum of understanding referred to below is substantially consistent with the transaction covered thereby. Any such determination shall be conclusive and binding for all purposes of this Article Ninth.

The provisions of this Article Ninth shall not be applicable to (i) any merger or consolidation of this Corporation with or into any other corporation, or any sale or lease of all or any substantial part of the assets of this Corporation to, or any sale or lease to this Corporation or any subsidiary thereof in exchange for securities of this Corporation of any assets of, any other corporation, person or other entity, if the Board of Directors of this Corporation shall by resolution have approved a memorandum of understanding with such other corporation, person or entity with respect to and substantially consistent with such transaction prior to the time that such other corporation, person or entity shall have become a holder of more than 10% of the outstanding shares of stock of this Corporation entitled to vote in elections of directors; or (ii) any merger or consolidation of this Corporation

F-10

with, or any sale or lease to this Corporation or any subsidiary thereof of any of the assets of, any corporation of which a majority of the outstanding shares of all classes of stock entitled to vote in elections of directors is owned of record or beneficially by this Corporation and its subsidiaries.

No amendment to the Certificate of Incorporation of this Corporation shall amend, alter, change or repeal any of the provisions of this Article Ninth, unless the amendment effecting such amendment, alteration, change or repeal shall receive the affirmative vote or consent of the holders of four-fifths of

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

all classes of stock of this Corporation entitled to vote in elections of directors, considered for the purposes of this Article Ninth as one class.

Tenth: The Directors of the Corporation shall be protected from personal liability, through indemnification or otherwise, to the fullest extent permitted under the General Corporation Law of the State of Delaware as from time to time in effect.

1. A Director of this Corporation shall under no circumstances have any personal liability to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a Director except for those specific breaches and acts or omissions with respect to which the Delaware General Corporation Law expressly provides that this provision shall not eliminate or limit such personal liability of Directors. The modification or repeal of this paragraph 1 of Article Tenth shall not affect the restriction hereunder of a Director's personal liability for any act or omission occurring prior to such modification or repeal.
2. The Corporation shall indemnify each Director and Officer of the Corporation to the fullest extent permitted by applicable law, and in furtherance hereof the Board of Directors is expressly authorized to amend the Corporation's By-Laws from time to time to give full effect hereto, notwithstanding possible self interest of the Directors in the action being taken. The modification or repeal of this paragraph 2 of Article TENTH shall not adversely affect the right to indemnification of any Director or Officer hereunder with respect to any act or omission occurring prior to such modification or repeal.

Eleventh: This Corporation reserves the right to amend, alter, change or repeal any provision contained in this certificate of incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred upon the stockholders herein are granted subject to this reservation.

ARTICLE I

STOCKHOLDERS

Section 1. ANNUAL MEETING. An annual meeting of the stockholders of the Corporation shall be held in each year at such place, and on such date and at such time, as the Board of Directors of the Corporation shall designate in a resolution duly adopted by it, for the purpose of electing Directors and transacting such other business as may properly be brought before the meeting.

Section 2. SPECIAL MEETINGS. Special Meetings of the stockholders for any lawful purposes may be called by the Board of Directors or by the Chairman of the Board or by the President, and shall be called by the Chairman of the Board or by the President or the Secretary upon a written request stating the purposes thereof and signed by (i) a majority of the Board of Directors or (ii) stockholders owning 25% of the stock of the Corporation entitled to vote at such meeting. Each such meeting shall be held at such place, and on such date and at such time, as the Board of Directors of the Corporation shall designate in a resolution duly adopted by it, for the purposes stated in the notices thereof. Business transacted at any special meeting shall be limited to the purposes stated in the notices of the meeting.

Section 3. NOTICES AND WAIVERS. Written notices of every meeting of the stockholders, stating the time, place and purposes thereof, shall be given personally or by mail, not less than ten days nor more than sixty days before the date on which the meeting is to be held, to each stockholder of record entitled to vote at such meeting. In the event of a special meeting called upon the written request of stockholders pursuant to Section 2 hereof, such notice shall describe any business set forth in the statement of purpose in such written request as well as any additional business proposed to be conducted at such meeting by the Board of Directors. If mailed, the notice shall be sent to the stockholders at their respective addresses appearing on the stock records of the Corporation or to such other addresses as they may have respectively designated in writing, and shall be deemed given when mailed. A waiver of any notice, signed by a stockholder before or after the time for the meeting, shall be deemed equivalent to such notice.

Section 4. NOTICE OF STOCKHOLDER BUSINESS AND NOMINATIONS.

(i) Nominations of persons for election to the Board of Directors of the Corporation and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders (a) pursuant to the Corporation's notice of meeting, (b) by or at the direction of the Board of Directors or (c) by any stockholder of the Corporation who was a stockholder of record at the time of giving of notice provided for in this By-Law, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this By-Law.

For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (c) of the preceding paragraph, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and such other business must otherwise be a proper matter for stockholder action. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the sixtieth day nor earlier than the close of business on the ninetieth day prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is more than thirty days before or more than sixty days after such anniversary date, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the ninetieth day prior to such annual meeting and not later than the close of business on the later of the sixtieth day prior to such annual meeting or the tenth day

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

following the day on which public announcement of the date of such meeting is first made by the Corporation. In no event shall the public

G-1

announcement of an adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth (a) as to each person whom the stockholder proposes to nominate for election or reelection as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and Rule 14a-11 thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (c) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner and the class and number of shares of the Corporation which are owned beneficially and of record by such stockholder and such beneficial owner.

Notwithstanding anything in the second sentence of the preceding paragraph to the contrary, in the event that the number of directors to be elected to the Board of Directors of the Corporation is increased and there is no public announcement by the Corporation naming all of the nominees for director or specifying the size of the increased Board of Directors at least seventy days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this By-Law shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

(ii) Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (a) by or at the direction of the Board of Directors or (b) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any stockholder of the Corporation who is a stockholder of record at the time of giving of notice provided for in this By-Law, who shall be entitled to vote at the meeting and who complies with the notice procedures set forth in this By-Law. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder may nominate a person or persons (as the case may be), for election to such position(s) as specified in the Corporation's notice of meeting, if the stockholder's notice required by clause (i) of this By-Law shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the ninetieth day prior to such special meeting and not later than the close of business on the later of the sixtieth day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment of a special meeting commence a new time period for the giving of a stockholder's notice as

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

described above.

(iii) Only such persons who are nominated in accordance with the procedures set forth in this By-Law shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this By-Law. Except as otherwise provided by law, the Chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this By-Law and, if any proposed nomination or business is not in compliance with this By-Law, to declare that such defective proposal or nomination shall be disregarded.

(iv) For purposes of this By-Law, "public announcement" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

G-2

Notwithstanding the foregoing provisions of this By-Law, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this By-Law. Nothing in this By-Law shall be deemed to affect any rights (i) of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act or (ii) of the holders of any series of Preferred Stock to elect directors under specified circumstances.

Section 5. STOCKHOLDER LIST. For every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order and showing the address of and the number of shares registered in the name of each such stockholder, shall be made and be open to the examination of any stockholder during ordinary business hours for at least ten days prior to the meeting at the Corporation's principal place of business, and shall be produced at the meeting and be subject at all time during the meeting to the inspection of any stockholder present.

Section 6. QUORUM. Subject to the provisions of any applicable law or of the Corporation's Certificate of Incorporation in respect of the vote that shall be required for a specified action, the holders of record of a majority of the capital stock of the Corporation issued and outstanding and entitled to vote at any meeting of its stockholders shall be required to be present in person or represented by proxy at such meeting in order to constitute a quorum for a transaction of any business.

Section 7. ADJOURNMENT. If at any meeting of the stockholders there is no quorum, the meeting may be adjourned from time to time by the Chairman of the Board or by a majority vote of the stockholders present or represented, without any notice other than by announcement at the meeting, until a quorum be obtained. Any meeting at which there is a quorum may also be adjourned, in like manner, for such time or upon such call as may be determined by vote. An adjourned meeting at which a quorum is present or represented may transact any business which might have been transacted at the meeting as first convened had there been a quorum.

Section 8. CHAIRMAN AND SECRETARY. At every meeting of the stockholders the presiding officer shall be the Chairman of the Board, or in his absence the President, and in their absence a Vice President of the Corporation. The

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Secretary or in his absence an Assistant Secretary of the Corporation shall act as secretary of the meeting, or in their absence the presiding officer may appoint any person present to act as secretary of the meeting.

Section 9. VOTING. Except as otherwise specifically provided herein or in the Restated Certificate of Incorporation of the Corporation with respect to the ability of certain stockholders to cumulate votes in the election of directors, each stockholder present in person or by proxy at a meeting of the stockholder shall be entitled to one vote for each share of the capital stock of the Corporation registered in the name of such stockholder on the books of the Corporation and entitled to vote at such meeting. No proxy shall be voted on after three years from its date unless it provides for a longer period. All elections of Directors shall be by a plurality vote by ballot. All other matters shall be decided by a majority vote viva voce of the stockholders present in person or by proxy except as otherwise specifically provided by any applicable law, the Corporation's Certificate of Incorporation of these By-Laws; provided, however, that the presiding officer shall have the right to determine whether a stock vote with respect to any matter shall be taken by ballot. On votes taken by ballot, each ballot shall state the name of the stockholder or proxy voting and the number of shares voted.

Section 10. INSPECTORS OF ELECTIONS. The Corporation may, and to the extent required by law, shall, in advance of any meeting of stockholders, appoint one or more inspectors to act at the meeting and make a written report thereof. The Corporation may designate one or more alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting of stockholders, the person presiding at the meeting may, and to the extent required by law, shall, appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. Every vote taken by ballots shall be counted by a duly appointed inspector or inspectors.

G-3

Section 11. INSPECTION OF BOOKS AND RECORDS. The Board of Directors shall determine whether and to what extent, and at what times and places and under what conditions and regulations, the books, accounts and records of the Corporation (other than the stock ledger), or any of them, shall be open to the inspection of any stockholder. No Stockholder shall have the right to inspect any books, accounts, records or documents of the Corporation unless expressly so authorized by the laws of the State of Delaware or by these By-Laws or by a resolution of the Board of Directors. The stock ledger shall be the only evidence as to the stockholders entitled to examine the stockholder list referred to in Section 5 of Article I hereof, and the original or a duplicate stock ledger containing the names and addresses of the stockholders and the number of shares held by them respectively shall be open at all times during usual business hours at the Corporation's principal office in the State of Delaware to the examination of any stockholder.

Section 12. ACTION BY WRITTEN CONSENT. Any action which is required to be or may be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, without prior notice to stockholders and without a vote if consents in writing, setting forth the action so taken, shall have been signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or to take such action at a meeting at which all shares entitled to vote thereon were present and voted.

ARTICLE II

DIRECTORS

Section 1. NUMBER, TERM AND QUALIFICATION. The number of Directors which shall constitute the whole Board shall be not less than eight nor more than seventeen. Within these specified limits, the number of Directors shall be determined from time to time by the affirmative vote of a majority of the Directors then in office. Directors elected at any annual meeting of the stockholders or elected at any other time by the stockholders or by the Board of Directors as hereinafter provided, shall hold office until the next annual meeting of the stockholders and until their respective successors are elected and qualified. Directors need not be stockholders.

Section 2. RESIGNATIONS; VACANCIES. Any Director may resign at any time upon written notice to the Corporation. A resignation shall become effective when and as specified in the notice, or, in the absence of such specification, upon its acceptance by the Corporation. Vacancies occurring on the Board of Directors for any reason, and newly created directorships resulting from any increase in the number of Directors, may be filled by the affirmative vote of a majority of the Directors then in office, though less than a quorum.

Section 3. MEETINGS AND NOTICES. Meetings of the Board of Directors of the Corporation, regular or special, may be held either within or without the State of Delaware. Regular meetings of the Board may be held without notice at such time and place as the Board from time to time may by resolution determine. Special meetings of the Board, being all meetings other than its regular meetings, may be called by the Chairman or the President, and shall be called by the Secretary upon the written request of any two Directors. At least one day's prior written notice of the time, place and purposes of every special meeting shall be given to each Director; provided, however, that no notice of any such meeting need be given to any Director who attends the meeting or signs before or after the meeting a written waiver of notice thereof. Notices may be delivered personally or sent by mail or telegraph, and shall be deemed given when so delivered or sent.

Section 4. QUORUM. At all meetings of the Board of Directors six Directors shall constitute a quorum of the transaction of business, and the acts of a majority of the Directors present at any meeting at which a quorum is present shall be the acts of the Board, except as may be otherwise specifically provided by any applicable law or by the Corporation's Certificate of Incorporation or by these By-Laws. If a quorum is not present at any meeting, a majority of the Directors present may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is obtained.

Section 5. ORDER OF BUSINESS. The order of business at meetings of the Board of Directors shall be as the Board may determine from time to time, or, subject to any such action by the Board, as determined by the Chairman of the meeting.

G-4

Section 6. POWERS. The Board of Directors shall manage and control the business, property and affairs of the Corporation, and shall have and may exercise all the powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these By-Laws directed or required to be exercised or done by the stockholders.

Section 7. COMPENSATION. The Directors may be paid as compensation for their

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

services a periodic fee, or a fixed fee for attendance at each meeting of the Board of Directors, or both, and may be paid their expenses, if any, of attendance at Board meetings, as the Board from time to time may determine, but otherwise shall not be entitled to any fees or compensation for their services as Directors. No such payment shall preclude any Director from serving the Corporation in any other capacity and receiving compensation therefor.

ARTICLE III

EXECUTIVE COMMITTEE

Section 1. APPOINTMENT, NUMBER AND QUORUM. The Board of Directors, by the affirmative vote of a majority of the whole Board, may appoint an Executive Committee consisting of such number of the Directors not less than three as the Board may determine; provided, always, that the Chief Executive Officer shall at all times be appointed to the Committee. By similar action the Board may fill any vacancy in, change the membership of, or dissolve the Committee at any time in its discretion. At all meetings of the Committee a majority, but not less than three, of its members shall constitute a quorum for the transaction of business, and the affirmative vote of a majority of the whole Committee, but in no case less than three members, shall be necessary to adopt any resolution or to take any other action.

Any member of the Committee who ceases to be a Director shall cease IPSO FACTO to be a member of the Committee. Any member may resign at any time upon written notice to the Corporation. A resignation shall become effective when and as specified in the notice, or, in the absence of such specification, upon its acceptance by the Corporation.

Section 2. POWERS AND PROCEEDINGS. The Executive Committee during the intervals between the meetings of the Board of Directors, shall have and may exercise, insofar as permitted by law, all the powers of the Board of Directors, provided that the Committee shall not act to fill a vacancy on the Committee and shall not take any action contrary to any specific action or direction of the Board.

The Board of Directors may designate the Chairman of the Committee and prescribe rules governing its proceedings. The Committee may elect its own Chairman from its members, if he has not been designated by the Board, and may make its own rules of procedure insofar as they do not conflict with any rules prescribed by the Board or with these By-Laws. Minutes of all acts and proceedings of the Committee shall be kept in a proper record book and shall be laid before the Directors at their next meeting.

Section 3. COMPENSATION. The members of the Executive Committee may be paid such compensation for their services, and such expenses incurred by them in connection therewith, as the Board of Directors may determine, but otherwise shall not be entitled to any compensation for their services as such Committee members.

ARTICLE IV

OFFICERS

Section 1. OFFICERS, ELECTION, TERM AND VACANCIES. At its first meeting held after each annual meeting of the stockholders, the Board of Directors shall elect, as the officers of the Corporation to serve until their successors are elected and qualify, a Chairman of the Board, a President, one or more Vice Presidents (one or more of whom may be designated Executive Vice Presidents or Senior Vice Presidents by the Board), a Secretary, a Treasurer, and a Controller, and may elect or appoint such Assistant Secretaries, Assistant Treasurers, Assistant Controllers and other officers as the Board in its

Section 4. PRESIDENT. The President shall be the chief operating officer of the Corporation, and shall be responsible for the operation of its business and affairs, subject to the direction of the Chairman of the Board and of the Board of Directors and the Executive Committee.

Section 5. VICE PRESIDENTS. Each Vice President, Executive Vice President (if any) and Senior Vice President (if any) shall have such powers and duties as may be delegated to him by the Chief Executive Officer or as may be prescribed by the Board of Directors.

Section 6. SECRETARY. The Secretary shall attend all meetings of the stockholders, Board of Directors and Executive Committee, and shall record all the proceedings and votes taken at such meetings in appropriate books kept by him for that purpose. He shall give, or cause to be given, all notices required by law or by these By-Laws to be given of all such meetings, and shall see that the list of stockholders required for every meeting of the stockholders is properly prepared and made and kept at the place of the meeting for at least ten days prior thereto.

The Secretary shall keep or cause to be kept in safe custody the seal of the Corporation, its unissued stock certificates, stock transfer books, stock

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

ledgers, and such other books, records, documents and papers of the Corporation as the Board of Directors may direct; provided, however, that the Transfer Agent, if one be appointed, shall have custody of the unissued stock certificates, stock transfer books and stock ledgers.

The Secretary shall have power to countersign or attest all contracts, agreements, stock certificates, proxies and other instruments and documents signed on behalf of the Corporation by the Chairman of the Board, the President or a Vice President, and to affix thereto the seal of the Corporation, and to certify all minutes and extracts from minutes of meetings of the stockholders, Board of Directors and Executive Committee, and all resolutions passed or adopted thereat.

He shall have such other powers and shall perform such other duties as may be prescribed by the Board of Directors, and, subject to the control of the Board, all such powers and duties as are generally incident to his office of Secretary.

G-6

Section 7. ASSISTANT SECRETARIES. Each Assistant Secretary shall have all the powers and may perform all the duties of the Secretary in the absence of disability of the Secretary unless the Board of Directors shall otherwise determine, and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors.

Section 8. TREASURER. The Treasurer shall receive and have in his charge or custody the funds, securities and valuable effects of the Corporation, and shall deposit or keep same to the credit or in the name of the Corporation in such banks or depositories as the Board of Directors designates. He shall disburse the funds of the Corporation and dispose of its securities and valuable effects in his charge only as he may be authorized or directed by the Board of Directors or by an officer, committee or agent acting with and under the authority of the Board. He shall take and preserve proper vouchers or receipts for all disbursements.

The Treasurer shall keep full, accurate and current accounts of all receipts and disbursements of funds, the acquisitions and disposition of all securities and valuable effects, and all other financial transactions of the Corporation, in appropriate books kept by him for such purposes. He shall render such reports, accounts and statements of the Corporation's financial transactions and conditions to the stockholders, Board of Directors, Executive Committee and the Chief Executive Officer as may be required or requested, and shall exhibit his books of account and records to the Chairman of the Board, the President, a Vice President, the Controller, or any Director upon request at the Corporation's office where such books of records are kept.

The Treasurer shall have power on behalf of the Corporation to endorse for collection, bills, notes, drafts, checks and other instruments for payment of funds to the Corporation, and to sign receipts and vouchers for payments made to the Corporation. He shall sign or countersign all bills, notes, drafts, checks and other instruments for payments made by the Corporation, and all assignments or powers for transfers of securities and other valuable effects of the Corporation, and certificates of the stock Corporation provided, however, that the Board of Directors may authorize or require other officers or agents of the Corporation to sign or countersign in its name any such papers, instruments or documents.

He shall have such other powers and shall perform such other duties as may be prescribed by the Board of Directors, and, subject to the control of the

Edgar Filing: NEWMONT MINING CORP - Form PREM14A

Board, such powers and duties as are generally incident to his office of Treasurer.

If required by the Board of Directors, the Treasurer shall give a bond or bonds in such sums with such sureties as the Board may approve, for the faithful performance of his duties and for the restoration to the Corporation, in case of his death, resignation, retirement or removal from office, of all books, records, papers, money and property of whatever kind in his possession or under his control and belonging to the Corporation.

Section 9. ASSISTANT TREASURERS. Section 2. INDEMNIFICATION OF OTHERS. of a written undertaking by or on behalf of such person to repay such amount(s) if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation under this Article VI or otherwise.

Section 4. SERVICE OF CERTAIN ENTITIES DEEMED REQUESTED. Any director or officer of the Corporation servicing (i) another corporation, of which a majority of the shares entitled to vote in the election of its directors is held by the Corporation, or (ii) any employee benefit plan of the Corporation or any corporation referred in clause (i), in any capacity shall be deemed to be doing so at the request of the Corporation.
