PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Millennium Chemicals Inc., a Delaware corporation (the 'Company'), of proxies for use at the Annual Meeting of Shareholders of the Company (the 'Annual Meeting'), to be held at the Hilton New York, 'A' Concourse, 1335 Avenue of the Americas, New York, NY, 10019 on Friday, May 18, 2001, at 10:00 a.m., Eastern Daylight Time, and at any and all postponements or adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting.

This Proxy Statement, the Notice of Annual Meeting and the accompanying proxy card are first being mailed to shareholders on or about April 12, 2001.

VOTING

Only shareholders of record at the close of business on March 23, 2001 (the 'Record Date') are entitled to notice of the Annual Meeting and to vote the shares of common stock, par value \$0.01 per share, of the Company (the 'Common Stock') held by them on that date at the Annual Meeting or any postponement or

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

adjournment thereof. Each outstanding share entitles its holder to cast one vote on each matter to be voted upon at the Annual Meeting. As of the Record Date, 63,450,643 shares of Common Stock were outstanding, not including 14,445,943 shares held by the Company and its subsidiaries and certain Company trusts, which are not entitled to be voted.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date and entitled to be voted will constitute a quorum. The affirmative vote of a plurality of the votes cast at the Annual Meeting, in person or by proxy, is required for the election of Directors. The approval of any other proposal to be considered at the Annual Meeting requires the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting, in person or by proxy. Both abstentions and broker non-votes are counted only for purposes of determining whether a quorum is present.

Registered shareholders (shareholders whose shares are registered in their own names) may vote by telephone or through the Internet by following the instructions included with their proxy cards. Shareholders who hold their shares in 'street name' (i.e., through a broker, bank or other holder of record) may vote by telephone or through the Internet if their proxy card includes instructions regarding telephone or Internet voting. 'Street name' shareholders who have questions regarding voting by telephone or through the Internet should contact their broker, bank or other holder of record. Shareholders who vote by telephone or through the Internet should not return their proxy cards.

Participants in the Millennium Chemicals Savings and Investment Plan; the Equistar Chemicals, LP Savings and Investment Plan; the Equistar Chemicals, LP Retirement Savings and Investment Plan for Hourly Represented Employees; and, the Lyondell Chemical Company 401(k) and Savings Plan may vote shares of Common Stock allocated to them under such plans by instructing the relevant plan trustee by mail, through the Internet or by telephone, as indicated on the proxy card mailed to such participants. Such instructions must be received by such trustees prior to 3:00 p.m. (Eastern Daylight Time) on May 16, 2001. If proper instructions are not received by such time, the relevant plan trustee will vote the shares in the same proportion that it votes shares for which it received timely instructions.

MULTIPLE COPIES OF ANNUAL REPORT TO SHAREHOLDERS

If you received more than one copy of the Company's 2000 Annual Report to Shareholders, you can reduce the number of Annual Reports you receive in the future, and thus save the Company the cost of producing and mailing these reports. We will discontinue the mailing of reports on the accounts you select if you mark the designated box on the appropriate proxy card(s), or follow the instructions

1

provided when you vote over the Internet. Alternatively, you may log on to the Internet, go to the web site: [HTTP://WWW.ECONSENT.COM/MCH](http://WWW.ECONSENT.COM/MCH), and follow the instructions.

At least one account at your address must continue to receive Annual Reports, unless you elect to view future Annual Reports and Proxy Statements

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

over the Internet, as described under 'Electronic Access to Proxy Materials and the Annual Report,' below. Mailing of dividends, proxy statements, proxy cards and special notices will not be affected by your election to discontinue duplicate mailings of the Annual Reports. To resume the mailing of Annual Reports for an account, you may log onto the Internet, go to the web site: [HTTP://WWW.ECONSENT.COM/MCH](http://WWW.ECONSENT.COM/MCH) and follow the instructions. Alternatively, you may contact the Company's Investor Relations Department at the address on page 31 of this Proxy Statement. If you own shares through a bank, broker or other nominee and receive more than one Company Annual Report, please contact that entity to eliminate duplicate mailings.

ELECTRONIC ACCESS TO PROXY MATERIALS AND THE ANNUAL REPORT

This Proxy Statement and the 2000 Annual Report to shareholders are available on the Company's Internet site at [HTTP://WWW.MILLENNIUMCHEM.COM](http://WWW.MILLENNIUMCHEM.COM). Most shareholders can elect to view future Proxy Statements and Annual Reports over the Internet instead of receiving paper copies in the mail.

If you are a shareholder of record and wish to vote your shares over the Internet, you can choose this option and save the Company the cost of producing and mailing these documents by following the instructions. You can also choose between paper documents and electronic access by logging on to the Internet, going to the website [HTTP://WWW.ECONSENT.COM/MCH](http://WWW.ECONSENT.COM/MCH) and following the instructions.

If you choose to view future Proxy Statements and Annual Reports over the Internet, you will receive an e-mail next year with instructions containing the Internet address of those materials and the Internet address to vote your shares online. You will not receive a paper proxy card in the mail if you elect to receive proxy materials and Annual Reports electronically. Your choice will remain in effect until you advise us otherwise by logging on to the Internet site [HTTP://WWW.ECONSENT.COM/MCH](http://WWW.ECONSENT.COM/MCH) and changing your instructions. Alternatively, you may contact the Company's Investor Relations Department at the address on page 31 of this Proxy Statement. You do not have to elect Internet access each year. Mailing of dividends and special notices will not be affected by your election to view Proxy Statements and Annual Reports over the Internet.

If you hold your shares through a bank, broker or other nominee, please refer to the information provided by that entity for instructions on how to elect to view future Proxy Statements and Annual Reports over the Internet.

Most shareholders who hold their shares through a bank, broker or other holder of record and who elect electronic access will receive an e-mail next year containing the Internet address to use to access the Company's Proxy Statement and Annual Report and to vote their shares.

CORPORATE GOVERNANCE

The Company has been publicly owned since its demerger (i.e., spin-off) from Hanson PLC ('Hanson') on October 1, 1996 (the 'Demerger'). Hanson effected the Demerger by paying to its shareholders a dividend consisting of all of the then-outstanding shares of Common Stock.

Although incorporated in Delaware, the Company is, and will be, centrally managed and controlled in the United Kingdom (the 'U.K.') until at least October 1, 2001, the fifth anniversary of the Demerger. During this period, the Company's Board of Directors is, and will be, the medium through which strategic control and policy-making powers are exercised, and Board meetings almost invariably will be held in the U.K. These corporate governance arrangements are consistent with an agreement entered into by the Company and Hanson in connection with the Demerger. This agreement provides that, for such five-year period, the Company will not take, or fail to take, any action that would result in a breach of, or constitute non-compliance with, certain representations and undertakings made by Hanson to the U.K. Inland Revenue in order to obtain clearance as to the tax-free treatment of the Demerger dividend for Hanson and its shareholders (the Company's initial public shareholders) for U.K. tax purposes. There are no restrictions on the location of the Company's shareholder meetings, which (as in the case of this Annual Meeting) may be held in the United States.

The Company's Policy on the Independence of Directors, which was adopted on January 26, 2001, requires a majority of the members of the Board of Directors to be independent, non-employee Directors. A copy of this Policy is attached hereto as Exhibit A. The Charters of each of the Audit, Compensation and Nominations Committees of the Board of Directors also require that all members of

5

these committees be independent, non-employee Directors. The Board has determined that all of the Board's non-employee Directors and all members of these committees are independent Directors.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company's Board of Directors has established five standing committees: an Audit Committee, a Compensation Committee, an Executive Committee, a Nominations Committee and a Public Affairs Committee. The following is a description of these committees:

Audit Committee. The Audit Committee's Charter requires that each member of the Audit Committee be an independent, non-employee Director, free from any relationship that would interfere with the exercise of his independent judgement. In addition, the Board of Directors has determined that each

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

member of the Audit Committee is an independent Director as defined by the New York Stock Exchange regulations regarding the independence of audit committee members. The Committee currently consists of Lord Baker, David J. P. Meachin and Martin G. Taylor (Chairman) and met three times in 2000.

The Audit Committee is responsible for reviewing matters relating to financial reporting, internal controls and the audit process. The Report of the Audit Committee is set forth on page 7 of this Proxy Statement and its Charter is attached hereto as Exhibit B. The Audit Committee recommends to the Company's Board of Directors the appointment of a firm of independent accountants to audit the Company's financial statements. The Audit Committee also reviews with representatives of the independent accountants the scope of the audit of the Company's financial statements, results of audits, audit costs, recommendations with respect to internal controls and financial matters, and the independence of such independent accountants. It also reviews non-audit services rendered by the Company's independent accountants and periodically meets with and receives reports from the Company's principal internal audit, financial and accounting officers.

Compensation Committee. All members of the Compensation Committee are required by the Compensation Committee's Charter to be 'Non-Employee Directors' within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the 'Exchange Act'), and 'outside directors' within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the 'Code'). The Committee currently consists of Worley H. Clark, Jr. (Chairman), Lord Glenarthur and David J. P. Meachin, and met six times in 2000.

The Compensation Committee sets the compensation of all the Company's officers, establishes policies concerning stock ownership by officers and approves the Company's executive compensation plans and programs, including the Annual Performance Incentive Plan (the '1996 Annual Performance Plan'), the 2000 Executive Long Term Incentive Plan, the 1996 Incentive Plan and the Company's new Omnibus Incentive Compensation Plan (the '2001 Incentive Plan'), and approves performance targets and awards under such plans. It also reviews the competitiveness of the Company's management and director compensation and benefit programs and reviews principal employee relations policies and procedures.

Executive Committee. The Executive Committee has the authority to act for the full Board between regularly scheduled Board meetings with respect to such matters as may be lawfully delegated by the Board under Delaware law. The Committee currently consists of Lord Baker, Lord Glenarthur, William M. Landuyt (Chairman) and Martin G. Taylor. The Executive Committee did not meet in 2000.

Nominations Committee. The Charter of the Nominations Committee require each member of the Nominations Committee to be an independent, non-employee Director. The Committee currently consists of Lord Baker (Chairman), Martin D. Ginsburg and Martin G. Taylor. The Committee met once in 2000.

The Nominations Committee has authority to nominate candidates to fill vacancies on the Board and to nominate directors to serve as members, including chairmen, of committees of the Board. The duties of the Nominations Committee include determining the desirable balance of expertise and composition of the Board, seeking out possible candidates to fill positions on the Board, attracting qualified candidates to the Board, reviewing the proposed slate of Directors to be elected by shareholders at each Annual Meeting of Shareholders and recommending to the Board

the inclusion of the slate in the Company's Proxy Statement. The Nominations Committee will consider nominees recommended by shareholders. Such recommendations should be submitted to the Secretary of the Company at least 60 days prior to the date of the applicable Annual Meeting and include certain information as required by the Company's by-laws.

Public Affairs Committee. The Public Affairs Committee currently consists of Worley H. Clark, Jr., Martin D. Ginsburg (Chairman) and Robert E. Lee, and met twice during 2000. The Public Affairs Committee reviews the Company's policies and practices concerning health, safety and environmental matters and provides strategic direction with respect to such matters. The Committee is responsible for ensuring that effective risk and crisis management procedures are in place and that there are adequate procedures and checks and balances to promote ethical business behavior. The Committee also provides oversight within the Company regarding work force diversity, charitable donations and other such responsibility issues.

AUDIT COMMITTEE'S REPORT

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information provided to shareholders and others, the system of internal controls established by management and the audit process.

The Board of Directors has adopted a written charter for the Audit Committee. In accordance with this charter, the Audit Committee has met with management, the Company's Director of Internal Audit and the Company's independent auditors, and has: (i) reviewed and discussed the consolidated financial statements with management and the independent auditors; (ii) discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61 'Communications with Audit Committees;' and, (iii) discussed with the independent auditors their independence as required by Independence Standards Board Standard No. 1 'Independent Discussions with Audit Committees.' Management has represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principals.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2000, for filing with the SEC. The Audit Committee also has recommended, subject to shareholder approval, the selection of PricewaterhouseCoopers LLP as the Company's independent accountants. The Board of Directors has accepted this recommendation, and recommends that the shareholders vote 'FOR' ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent accountants.*

Directors who are also full-time employees of the Company do not receive additional compensation for their services as Directors. Non-employee Directors have received a cash retainer of \$40,000 per annum since October 1, 1998. In addition, pursuant to the 1996 Incentive Plan, each non-employee Director automatically was granted 1,074, 978 and 1,350 shares of Common Stock on October 1, 1998, 1999 and 2000, respectively. The number of shares granted on each of these grant dates was determined by dividing \$20,000 by the closing price on the business day immediately preceding each such grant date. The Company's 1996 Incentive Plan currently provides that each non-employee Director serving on October 1, 2001, and each October 1 thereafter, automatically will be granted on each such date the number of shares of Common Stock determined by dividing one-half of the annual cash retainer in effect on such date by the closing price of the Common Stock on the business day immediately preceding such date. Non-employee Directors are reimbursed for all reasonable expenses incurred in connection with Board and Committee meetings. The Company also pays the premiums on directors' and officers' liability and travel accident insurance policies.

The Board held five meetings in 2000. All Directors attended at least 75% of the total number of meetings of the Board and the Committees on which they served.

BUSINESS TO BE ACTED UPON BY THE SHAREHOLDERS ITEM 1 -- ELECTION OF DIRECTORS

The Company's Board of Directors is divided into three classes, with the terms of office of the respective classes ending in successive years. The terms of three Directors expire at the Annual Meeting. The terms of the other five Directors continue after the Annual Meeting. The shareholders are being asked to vote on the election of the three Directors whose terms expire at the Annual Meeting, to serve until the Annual Meeting of Shareholders in 2004 and until their successors are duly elected and qualified. Set forth below is biographical information concerning each nominee for re-election as a Director at this Annual Meeting, as well as each member of the Board of Directors who is continuing in office. Each nominee has consented to serve as a Director if elected.

All shares of Common Stock represented by valid proxies received pursuant to this solicitation and not revoked before they are exercised will be voted in the manner specified therein. If no indication is made as to how shares should be voted, the shares represented by a properly completed proxy will be voted for the election of the three Directors identified below. If any nominee should refuse or is unable to serve (which is not anticipated), the persons designated

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

as proxies will cast votes for the remaining nominees and for such other person as designated by the Board of Directors upon the recommendation of the Nominations Committee, unless the Board of Directors reduces the number of Directors.

THE NOMINEES HAVE BEEN RECOMMENDED TO THE COMPANY'S BOARD OF DIRECTORS BY THE NOMINATIONS COMMITTEE OF THE BOARD OF DIRECTORS. THE BOARD OF DIRECTORS RECOMMENDS A VOTE 'FOR' ELECTION OF THE THREE NOMINEES IDENTIFIED BELOW.

ITEM 2 -- RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed the firm of PricewaterhouseCoopers LLP as independent accountants to examine and audit the Company's financial statements for 2001. PricewaterhouseCoopers LLP has served as the Company's independent accountants since the Demerger in 1996. If the shareholders do not ratify such appointment, such appointment will be reconsidered by the Board. Representatives of PricewaterhouseCoopers LLP will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE 'FOR' RATIFICATION OF SUCH APPOINTMENT.

ITEM 3 -- APPROVE THE 2001 INCENTIVE PLAN

The Compensation Committee, recognizing that shareholders must approve certain incentive compensation plans every five years to permit the deductibility of certain performance-based incentive compensation under Section 162(m) of the Code and, recognizing that insufficient shares are available for grants under the 1996 Incentive Plan over the next five years, advised the Board of Directors in January 2001 that it is in the Company's best interests to approve the Company's Omnibus Incentive Compensation Plan (the '2001 Incentive Plan'). The Company's success depends on its ability to attract, retain and motivate employees of outstanding competence. The Compensation Committee believes that incentive compensation that is strongly linked to performance and total shareholder return will motivate these employees on behalf of the Company's shareholders. Accordingly, on January 26, 2001, the Board of Directors, acting on the recommendation of the Compensation Committee, unanimously adopted the 2001 Incentive Plan and directed that it be submitted to the Company's shareholders for approval at the 2001 Annual Meeting.

The following is a summary description of the 2001 Incentive Plan. The complete text of the 2001 Incentive Plan is attached hereto as Exhibit C and reference is made to that exhibit for the complete provisions of the plan. The 2001 Incentive Plan is designed to provide executives and other key employees the opportunity to be awarded various types of incentive compensation, including annual cash bonuses based on the performance of the Company and its business units against EVA'r' performance targets, long-term incentive compensation based on EVA'r' and total shareholder return, and equity awards such as stock options. As such, the 2001 Incentive Plan is designed to replace the 1996 Annual Performance Plan, which was approved by shareholders at the 1997 Annual Meeting of Shareholders, and the 2000 Executive Long Term Incentive Plan, and to supplement the limited number of equity-based grants, such as stock options, that can be awarded under the 1996 Incentive Plan.

GENERAL

Administration of the Plan. The 2001 Incentive Plan will be administered by the Compensation Committee, which must be comprised, unless otherwise determined by the Board of Directors, solely of not less than two members who are (i) 'Non-Employee Directors' with the meaning of Rule 16b-3(b)(3) (or any successor rule) promulgated under the Exchange Act and (ii) 'outside directors' within the meaning of Treasury Regulation Section 1.162-27(e)(3) under Section 162(m) of the Code, provided that awards granted to non-employee Directors will be administered by the Board. Subject to certain exceptions, the Compensation Committee may delegate its responsibilities, powers and administrative duties.

Eligibility. Awards under the 2001 Incentive Plan may be granted to employees of the Company and its subsidiaries and affiliates (provided such subsidiary or affiliate has been designated by the

Compensation Committee as eligible to receive awards under the plan) and to non-employee Directors of the Company.

Duration, Termination and Amendment of the Plan. Subject to the approval of the Company's shareholders, the 2001 Incentive Plan became effective on January 26, 2001 and, subject to the Board's right to amend or terminate the 2001 Incentive Plan at any time, the 2001 Incentive Plan will remain in effect until all shares subject to it have been purchased or acquired. No award may be granted under the 2001 Incentive Plan after January 25, 2011. The Board may amend or terminate the 2001 Incentive Plan or any award granted under the plan at any time. However, no such amendment or termination may be made without approval of the shareholders if it will (a) disqualify any incentive stock option as defined under Section 422 of the Code ('ISOs') granted under the plan; (b) increase the aggregate number of shares that may be delivered under the plan; (c) increase the maximum amounts that can be paid to an individual participant under the plan; (d) change the types of business criteria on which performance-based awards can be based under the plan; or, (e) modify the requirements regarding eligibility for participation under the plan. In addition, no such amendment or termination may materially adversely affect any previously granted award without the written consent of the participant holding the award.

Shares Subject to the Plan and Maximum Awards. Subject to the terms of the 2001 Incentive Plan, 3,200,000 shares of Common Stock are reserved for delivery to participants under the 2001 Incentive Plan. No more than 1,000,000 shares may be granted in the form of restricted stock and no more than 1,500,000 shares may be granted to any participant under the 2001 Incentive Plan. In addition, there are limitations on specific types of awards, as set forth below.

DESCRIPTION OF AWARDS UNDER THE 2001 INCENTIVE PLAN

The following types of awards may be granted under the 2001 Incentive Plan:

Stock Options and SARs. An option is the right to purchase one or more shares of Common Stock at a specified price, as determined by the Compensation Committee. The Compensation Committee may grant nonqualified stock options ('NQSOs') and ISOs. Options will be exercisable at the times and subject to the terms and conditions determined by the Compensation Committee. No more than 1,000,000 shares subject to options may be granted to any participant in any fiscal year. IN ADDITION, OUTSTANDING OPTIONS MAY NOT BE MODIFIED TO REDUCE THE EXERCISE PRICE THEREOF NOR MAY A NEW OPTION AT A LOWER PRICE BE SUBSTITUTED FOR A SURRENDERED OPTION (EXCEPT TO REFLECT A CHANGE IN THE COMPANY'S CAPITAL STRUCTURE OR A DISTRIBUTION TO SHAREHOLDERS OR A CHANGE-IN-CONTROL.) (See Section 6.2 of the 2001 Incentive Plan). The Compensation Committee also may grant stock appreciation rights ('SARs'), which are rights to receive payment either in cash or in Common Stock as the Compensation Committee may determine equal in value to the excess of the fair market value of a share of Common Stock on the date of exercise over the reference price per share of Common Stock established in connection with the grant of the SAR. No participant may receive awards of SARs in any year in excess of 1,000,000 shares.

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

Restricted Stock. Restricted stock is an award of Common Stock subject to restrictions and other terms and conditions as the Compensation Committee determines. No more than 500,000 shares of restricted stock may be granted to any participant in any fiscal year.

Performance Units/Shares and Cash-Based Awards. The Compensation Committee also may grant other types of awards that are valued in whole or in part by reference to, or are otherwise based on, the fair market value of the Common Stock or other criteria approved by the Compensation Committee, including the achievement of performance goals. These awards are subject to such terms and conditions as the Compensation Committee determines. Payment of earned performance units or shares and cash-based awards may be made in any combination of cash or shares of Common Stock as determined by the Compensation Committee that have an aggregate fair market value equal to the value of the earned awards at the close of the applicable performance period. The maximum aggregate grant of performance shares that may be awarded to any participant in any fiscal year shall not exceed the value of 500,000 shares of Common

11

Stock. The maximum aggregate amount of performance units or cash-based awards that may be awarded to any participant in any fiscal year shall not exceed \$12,000,000.

Stock Awards. The Compensation Committee may grant awards of up to 500,000 shares of Common Stock to any participant in any fiscal year.

All awards under the 2001 Incentive Plan to employees must be granted by the Compensation Committee. All awards to non-employee Directors under this plan must be granted by the Company's Board of Directors.

SPECIFIC TERMS OF AWARDS

Performance Measures. With respect to awards to participants designed to qualify for the performance-based exception under Section 162(m) of the Code, the performance measure or measures to be used for purposes of such grants will be chosen from among the following: (i) EVA'r'; (ii) net earnings; (iii) earnings per share; (iv) net sales growth; (v) net income (before or after taxes); (vi) net operating profit; (vii) return measures (including, but not limited to, return on assets, equity or sales); (viii) cash flow (including, but not limited to, operating cash flow and free cash flow); (ix) cash flow return on investments, which equals net cash flows divided by owner's equity; (x) earnings before or after taxes, interest, depreciation and/or amortization; (xi) internal rate of return or increase in net present value; (xii) dividend payments to parent; (xiii) gross revenues; (xiv) gross margins; (xv) operating margin; (xvi) share price (including, but not limited to, growth measures and total shareholder return); (xvii) expense targets; (xviii) working capital targets relating to inventory and/or accounts receivable; (xix) planning accuracy (as measured by comparing planned results to actual results); (xx) comparisons to various stock market indices; and, (xxi) comparisons to the performance of other companies.

Employment or Service Termination. Each participant's award agreement will set forth the extent to which the participant will retain any rights to awards

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

following termination of the participant's employment. Such provisions will be determined in the sole discretion of the Compensation Committee, will be included in the award agreement entered into with each participant, need not be uniform among all awards, and may reflect distinctions based on the reasons for termination.

Acceleration and Vesting of Awards Upon a Change-in-Control. Subject to the terms of participants' award agreements, upon the occurrence of a Change-in-Control: (i) all options and SARs become immediately exercisable and remain exercisable throughout their entire term; (ii) any restriction periods and restrictions imposed on restricted stock that are not performance-based will lapse; and, (iii) the target payout opportunities attainable under outstanding awards of performance-based awards will vest and be deemed to have been earned for the entire performance period (or periods) based on an assumed achievement of targeted performance goals at the target level (or at such greater level if achieved) and will be distributed or paid within thirty days after the Change-in-Control.

A 'Change-in-Control' is defined under the 2001 Incentive Plan as (i) any person (subject to certain exceptions) becoming the 'beneficial owner' (within the meaning of Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 25% or more of the combined voting power of the Company's outstanding securities; (ii) during any period of two consecutive years (not including any period prior to the consummation of the Demerger), individuals who at the beginning of such period constitute the Board of Directors of the Company, and any new Director (other than a Director designated by a person who has entered into an agreement with the Company to effect a transaction described in clause (i), (iii) or (iv) of this definition or a Director whose initial assumption of office occurs as a result of either an actual or threatened election contest or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board of Directors of the Company) whose election by the Board of Directors of the Company or nomination for election by the Company's shareholders was approved by a vote of at least two-thirds of the Directors then still in office who either were Directors at the beginning of the two-year period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the Board of Directors of the Company; (iii) the merger or consolidation of the Company with any other corporation (subject to certain exceptions); (iv) approval by the Company's shareholders of a plan of complete liquidation of the Company or the sale of all or substantially all of

the Company's assets (subject to certain exceptions); or, (v) in the case of executives who are employed by an operating subsidiary of the Company, (x) any person (subject to certain exceptions) becoming the 'beneficial owner' (within the meaning of Rule 13d-3 under the Exchange Act) of securities of the subsidiary representing more than 50% of the combined voting power of its outstanding securities, or (y) the sale of all or substantially all of the assets of such subsidiary (subject to certain exceptions). The definition of Change-in-Control under the 2001 Incentive Plan is identical to the definition of Change-in-Control in the 1996 Incentive Plan, the 1996 Annual Performance Plan, the 2000 Executive Long Term Incentive Plan and other executive benefit plans of the Company. It is also identical to the definition of

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

Change-in-Control in the executive agreements of the Company's officers, to the extent described under 'Executive Agreements and Other Relationships,' below.

Adjustment of Shares or Price. In the event of a change in the Common Stock or the Company's capital structure through a stock split, merger, consolidation, reorganization, liquidation or distribution of stock or property or other similar change in capital structure or distribution to shareholders, the Compensation Committee, in its sole discretion, will make an adjustment in the number and class of shares that may be delivered under the 2001 Incentive Plan, the award limits set forth in the 2001 Incentive Plan, and the terms of outstanding awards, as the Compensation Committee determines to be appropriate to prevent dilution or enlargement of rights.

The 2001 Incentive Plan provides that awards generally may be transferred by will or the laws of descent and distribution. The Compensation Committee will determine the treatment to be afforded to a participant in the event of termination of employment for any reason, including death, disability or retirement. In addition to the foregoing, other than with respect to ISOs, the Compensation Committee may permit the transferability of an award by a participant to certain members of the participant's immediate family or trusts for the benefit of such persons or other entities owned by such persons.

The Compensation Committee may grant awards to participants who are subject to the tax laws of nations other than the United States, which awards may have terms and conditions as determined by the Compensation Committee as necessary to comply with applicable foreign laws. The Compensation Committee may take any action which it deems advisable to obtain approval of such awards by the appropriate foreign governmental entity; provided however, that no such awards may be granted and no action may be taken that would violate the Exchange Act, the Code or any other applicable law.

CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

General. The following is a general summary as of the date of this Proxy Statement of the United States federal income tax consequences associated with participation in the 2001 Incentive Plan. The federal tax laws may change and the federal, state and local tax consequences for any participant will depend upon his or her individual circumstances. This information may not be applicable to employees of foreign subsidiaries or to participants who are not residents of the United States. All participants have been and are encouraged to seek the advice of a qualified tax advisor regarding the tax consequences of participation in the 2001 Incentive Plan. Any tax effects that accrue to foreign employees as a result of participation in the 2001 Incentive Plan will be subject to the tax laws of the countries in which such employees reside.

Under legislation adopted in 1997, the current United States federal maximum tax rate on net long-term capital gain is 20%. For 2001, the maximum individual ordinary income tax rate is 39.6%. Thus, the differences in effect for awards resulting in tax at capital gain rates and awards resulting in tax at ordinary income rates are significant. Developments should be monitored closely because the Code may be amended or regulations may be adopted significantly changing the tax effects of the awards described below.

Nonqualified Stock Options. A participant will not recognize any income upon the grant of a nonqualified stock option ('NQSO') or stock appreciation right ('SAR'). Upon exercise of a NQSO, the amount by which the fair market value of the shares acquired on the date of exercise exceeds the option exercise price will be treated as ordinary income to the participant. Similarly, upon the receipt of cash or shares pursuant to the exercise of an SAR, the participant will recognize ordinary income in an amount equal to the sum of the cash and the fair market value of the shares received. As a result of Section 16(b) of the Exchange Act, under certain limited circumstances, the timing of income

recognition may be deferred for a certain period for any participant who is an executive officer or director of the Company or a beneficial owner of more than 10% of any class of equity securities of the Company. Absent a Section 83(b) election (as described below), recognition of income by the participant will be deferred until the expiration of such period. Assuming the shares acquired upon exercise of the option constitute capital assets in the participant's hands, any gain or loss, measured by reference to the fair market value of the shares on the date of exercise, recognized upon their ultimate disposition will be treated as capital gain or loss to the participant, which will be long-term if the shares have been held for more than one year after the exercise date.

Ordinary income realized upon the exercise of a NQSO or SAR is subject to tax withholding. The Company has the right to deduct or withhold, or to cause a participant to remit to the Company, all tax required to be withheld. In addition, the participant may irrevocably elect, subject to the approval of the Compensation Committee, to satisfy the withholding liability, in whole or in part, by requesting the Company to purchase shares at their fair market value on the date the tax liability is determined equal to the minimum statutory tax that could be imposed on the transaction and withheld by the Company.

The Company generally will be allowed a federal income tax deduction in an amount equal to the ordinary income included by the individual with respect to his or her NQSO or SAR, provided that such amount constitutes an ordinary and necessary business expense to the Company and is reasonable and the limitations of Sections 280G and 162(m) of the Code do not apply.

If a participant exercises an NQSO by delivering shares, other than shares previously acquired pursuant to the exercise of an ISO which is treated as a 'disqualifying disposition' (as described below), the participant will not recognize gain or loss with respect to the exchange of such shares, even if their then fair market value is different from the participant's tax basis. The participant, however, will recognize ordinary income as described above with respect to the exercise of the NQSO as if the exercise price had been paid in cash.

Incentive Stock Options. A participant will not recognize any income upon the grant or exercise of an incentive stock option as defined in Section 422 of the Code ('ISO'). Similarly, a participant generally will not recognize any income upon the exercise of an ISO, provided that the participant is employed by the Company from the date of grant of the ISO until three months prior to the exercise, except where employment terminates by reason of disability (where the three month period is extended to one year) or death (where the requirement does not apply). If a participant exercises an ISO after these requisite periods, the option will be treated as a NQSO and will be subject to the rules set forth above. Further, the amount by which the fair market value of the shares acquired on the date of exercise exceeds the option exercise price will constitute an item includible in alternative minimum taxable income, and thereby may subject the participant to the alternative minimum tax. Such alternative minimum tax may be payable even though the participant receives no cash upon the exercise of the ISO with which to pay such tax.

Upon the disposition of shares acquired pursuant to the exercise of the ISO

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

after the later of (a) two years from the date of grant of the ISO or (b) one year after the date of transfer (the 'ISO Holding Period'), the participant will recognize long-term capital gain or loss, as the case may be, measured by the difference between the shares' selling price and the option exercise price. If, however, a participant does not hold the shares so acquired for the ISO Holding Period -- thereby making a 'disqualifying disposition' -- the participant would recognize ordinary income equal to the excess of the fair market value of the shares at the time the ISO was exercised over the exercise price and the balance, if any, would generally be treated as capital gain. If the disqualifying disposition is a sale or exchange that would permit a loss to be recognized under the Code (were a loss in fact to be realized), and the sales proceeds were less than the fair market value of the shares on the date of exercise, the participant's ordinary income therefrom would be limited to the gain (if any) realized on the sale.

If a participant exercises an ISO by delivering shares previously acquired pursuant to the exercise of another ISO, the participant is treated as making a 'disqualifying disposition' of such shares if they are delivered before the expiration of their applicable ISO Holding Period. Upon the exercise of an ISO using previously acquired shares as to which no disqualifying disposition occurs, despite some uncertainty, it appears that the participant would not recognize gain or loss with respect to such previously acquired shares.

14

The Company is not entitled to any tax deduction by reason of the grant or by reason of the disposition of shares received upon the exercise of an ISO if the ISO Holding Period is satisfied. The Company generally will be entitled to a federal income tax deduction in the event of a disqualifying disposition in an amount equal to the ordinary income included by the participant, provided such amount constitutes an ordinary and necessary business expense to the Company and is reasonable and the limitations of Section 280G and 162(m) of the Code do not apply.

Other Awards. With respect to other awards under the 2001 Incentive Plan that are settled either in cash or in shares that are either transferable or not subject to a substantial risk of forfeiture (as defined in the Code and the regulations thereunder), a participant generally will recognize ordinary income equal to the amount of cash or the fair market value of the shares received. With respect to awards settled in shares that are restricted as to transferability or subject to a substantial risk of forfeiture, then, absent a written election pursuant to Section 83(b) of the Code filed by the participant with the Internal Revenue Service within 30 days after the date of transfer of such shares pursuant to the award (a 'Section 83(b) election'), a participant will recognize ordinary income at the earlier of the time at which (i) the shares become transferable or (ii) the restrictions that impose a substantial risk of forfeiture lapse, in an amount equal to the fair market value (on such date) of such shares over the price paid for shares, if any. If a Section 83(b) election is made, a participant will recognize ordinary income in an amount equal to the excess of the fair market value of the shares on the date of transfer over the price paid for the shares, if any. The ordinary income recognized with respect to the receipt of cash or shares pursuant to these awards will be subject to tax withholding.

The Company generally will be allowed a federal income tax deduction in an

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

amount equal to the income included by the participant with respect to the award, provided such amount constitutes an ordinary and necessary business expense and is reasonable and the limitations of Section 280G and 162(m) of the Code do not apply.

Dividends and Dividend Equivalents. To the extent awards under the 2001 Incentive Plan earn dividends or dividend equivalents, whether paid currently or credited to an account established under the Plan, a participant generally will recognize ordinary income with respect to such dividends or dividend equivalents.

Change-in-Control. In general, if the total amount of payments to a participant that are contingent upon a 'change of control' of the Company as defined in Section 280G of the Code (generally including payments under the 2001 Incentive Plan that vest upon a 'Change-in-Control,' as defined under the 2001 Incentive Plan), equal or exceeds three times the individual's 'base amount' (generally, such individual's average annual compensation for the five calendar years preceding the 'change of control,' as defined in Section 280G of the Code), then, subject to certain exceptions, the payments may be treated as 'parachute payments' under the Code, in which case a portion of such payments would not be deductible by the Company and the participant would be subject to a 20% excise tax on such portion.

Certain Limitations on Deductibility or Executive Compensation. With certain exceptions, Section 162(m) of the Code denies a deduction to publicly held corporations for compensation paid to certain executive officers in excess of \$1 million per executive per taxable year (including any deduction with respect to the exercise of an NQSO or SAR or the disqualifying disposition of stock purchased pursuant to an ISO). One such exception applies to certain performance-based compensation, provided that such compensation has been approved by shareholders in a separate vote and certain other requirements are met. If approved by its shareholders, the Company believes that stock options, SARs and performance-based awards granted under the 2001 Incentive Plan should qualify for the performance-based compensation exception to Section 162(m) of the Code.

ERISA. The Company believes that the 2001 Incentive Plan is not subject to any provisions of the Employee Retirement Income Security Act of 1974, nor is it a qualified plan under Section 401(a) of the Code.

OTHER MATTERS

The Board of Directors has adopted the 2001 Incentive Plan, subject to approval by the Company's shareholders at the 2001 Annual Meeting. Absent such approval, the plan will not become effective and the Board of Directors will consider alternatives for the Company at that time. On January 26, 2001, the Company granted to a limited number of executive officers and key employees of the Company three-year performance unit awards under the 2001 Incentive Plan that have terms and conditions substantially identical to awards granted in 2000 under the 2000 Executive Long Term Incentive Plan, as described below under 'Long Term Incentive Compensation Awards.' All such awards were granted subject to shareholder approval of the 2001 Incentive Plan at the 2001 Annual Meeting and automatically will be cancelled if shareholders do not approve such

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

adoption. No other awards have been granted under the 2001 Incentive Plan. The Compensation Committee has discretion to determine the employees who receive awards under the 2001 Incentive Plan and the type, terms and conditions of awards. Accordingly, it is not possible to determine the amount of the awards that will be granted under the 2001 Incentive Plan, other than the awards granted on January 26, 2001, as described above.

The following table sets forth information with respect to the awards granted under the 2001 Incentive Plan on January 26, 2001 to the five executive officers named in the Summary Compensation Table below; to all executive officers as a group; and, to all employees, other than such executive officers, as a group.

Half of each such award is an EVA'r'-based award and the other half is a TSR-based award. The maximum EVA'r'-based award for any participant is 200% of the participant's target EVA'r'-based award. The maximum TSR-based award for any participant is 200% of the participant's target TSR-based award. On March 23, 2001, the closing price of the Common Stock on the New York Stock Exchange was \$16.22 per share.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is comprised entirely of independent, non-employee Directors. This report sets forth the Compensation Committee's policies governing compensation of the Company's officers, including the Chief Executive Officer, and the relationship among compensation, the Company's performance, individual performance and total shareholder return.

COMPENSATION PHILOSOPHY

The Compensation Committee is responsible for establishing and administering compensation programs for the officers and employees of the Company and its subsidiaries. In fulfilling this responsibility, the Compensation Committee's policy is to provide strong, direct links among shareholder value, Company and individual performance, and executive compensation, as well as to structure sound compensation programs that attract and retain highly qualified people. This is done in the context of a compensation program that includes:

Base Salary. Base salary is intended to provide an annual cash compensation at a level consistent with each employee's position and contribution, and competitive in the market with comparable companies.

Annual Incentive Bonus. The Company's 1996 Annual Performance Plan provides executives and other key employees with the opportunity to receive cash bonuses based on the performance of the Company and its business units as measured by performance targets approved at the beginning of each year by the Compensation Committee. The performance targets approved for 2000 were based on Economic Value Added, or EVA'r', performance measures approved by the Compensation Committee and developed by the Company's management in conjunction with Stern Stewart & Co. These EVA'r' targets are based on the excess of net operating profit after cash taxes over the estimated total cost of capital employed. Bonuses earned by officers and senior Managers are credited to a 'bonus bank,' with each employee receiving a designated percentage of his or her bank account balance each year. For 2000, employees received 40% of their bank account balances, after crediting the earned 2000 bonus awards, plus a prefunding amount necessary to implement the bonus bank plan equal to 50% of their reference awards, discussed below. If an employee's bonus bank account balance before crediting such 2000 award and prefunding amount was negative, the employee received 40% of his or her 2000 earned award, and the remaining 60% was credited to the negative bonus bank account.

Long-Term Incentive Compensation. To link each executive's compensation to the long-term success of the Company and its subsidiaries, the Company has adopted long-term incentive compensation programs. Executives received on October 8, 1996 under the 1996 Incentive Plan performance-based stock awards and time-vested restricted stock awards with respect to the three-, four- and five-year performance periods ending December 31, 1999, 2000 and 2001, respectively. Certain executives promoted or hired after October 8, 1996 received stock awards under such plan upon such promotion or employment. All outstanding performance-based restricted stock awards are based on specific value-creation performance targets based either on a cash-flow/return-on-investment formula or on EVA'r', as well as the Company's Common Stock performance relative to the Standard & Poor's Chemical Composite Index ('S&P Chemical Index'). In addition, because the three-year stock award performance period ended December 31, 1999, certain executives were granted at the beginning of 2000 awards under the Company's 2000 Executive Long Term Incentive Plan with respect to the three-year performance period from January 1, 2000 to December 31, 2002. As discussed in more detail under 'Long-Term Incentive Plans -- 2000 Executive Long Term Incentive Plan,' below, these awards are based on specific EVA'r' performance targets approved by the Compensation Committee at the time of

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

the grant, as well as the total shareholder return on the Common Stock relative to the S&P Chemical Index.

2001 Incentive Plan. The 2001 Incentive Plan is designed to provide executives and other key employees the opportunity to be awarded various types of incentive compensation, including

17

annual cash bonuses based on the performance of the Company and its business units and long-term incentive compensation based on performance criteria as described on page 12 of this Proxy Statement and equity awards such as stock options. As such, the 2001 Incentive Plan is designed to replace the Annual Performance Plan and the 2000 Executive Long Term Incentive Plan and will supplement the limited number of equity-based grants that can be awarded under the 1996 Incentive Plan. The Company's Board is requesting the shareholders to approve the 2001 Incentive Plan at this Annual Meeting.

Stock Ownership Guidelines. In order to align the interests of the Company's management and shareholders, the Compensation Committee has established guidelines for significant personal investment by executive officers and key management in Common Stock, thus encouraging management to take actions that maximize shareholder value.

The Compensation Committee seeks to ensure that the Chief Executive Officer and other executives are compensated in a manner that is consistent with the Company's compensation philosophy, that is competitive with comparable companies when target levels of performance are achieved, and that is equitable within the Company.

It is the Company's policy to position the base salaries of the Company's executives at or near the median levels of compensation for similar positions in comparable companies and total target compensation (base salary plus target incentive compensation) at or near the seventy-fifth percentile. Accordingly, the Company's incentive compensation will vary significantly depending on results achieved against performance targets. The targeted levels of compensation for the Company's executives are based in part on surveys of comparable companies conducted by independent consultants. The companies selected for comparison by the independent consultants include commodity, intermediate and specialty chemical companies that compete with the Company for executive talent. Although many of the companies selected for comparison are included in the S&P Chemical Index, the Company competes for executive talent with a broader group of companies than those in such index. The Compensation Committee reviews the Company's compensation programs annually to ensure that the Company's compensation programs continue to be competitive at the desired levels within the market.

TAX DEDUCTIBILITY

The Company has reviewed the deductibility of compensation under Section 162(m) of the Code, and expects to continue to do so in the future. Bonuses awarded under the 1996 Annual Performance Plan and performance-based stock awards granted under the 1996 Incentive Plan are earned based on the achievement of performance targets determined by the Compensation Committee. It is intended that these awards will qualify for the 'performance-based compensation'

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

exception under Section 162(m) of the Code. The Board has adopted, and is recommending that the shareholders approve, the 2001 Incentive Plan in order to permit the future deductibility of annual bonuses, performance-based long-term incentive compensation awards, stock options and SARs granted under that plan.

BASE SALARY

The Compensation Committee reviewed the base salaries of the Company's executive officers and key managers in December 1999 and awarded base salary increases for 2000, taking into account individual performance and responsibilities and the Company's compensation policy.

1996 ANNUAL PERFORMANCE PLAN

Under the Company's 1996 Annual Performance Plan, the Compensation Committee determines the executive officers and other employees who are eligible to receive bonuses under the plan, approves the performance targets for such bonuses and confirms actual performance against such targets.

The Compensation Committee approved the 1996 Annual Performance Plan performance targets for calendar year 2000 for the Company and its business units, based in each case on EVA'r'

18

performance measures (the 'EVA'r' performance targets'). The Compensation Committee also approved the 2000 participants in the 1996 Annual Performance Plan and approved the target bonus award (expressed as a percentage of each participant's base salary (the 'reference award')) that could be credited to each participant upon attainment of EVA'r' performance targets. The actual bonus award credited to each participant's bonus bank for 2000 depended upon actual performance in 2000 compared to the EVA'r' performance targets, and thus a participant could have been credited a fraction of, or a multiple of, his or her reference award. Because Messrs. Lee and Hanik are members of the Company's Operations Committee and during 2000 were also the President and Chief Executive Officer of Millennium Inorganic Chemicals Inc. (which operates the Company's Titanium Dioxide and Related Products segment) and Millennium Petrochemicals Inc. (which operates the Company's Acetyls segment), respectively, half of each of their reference awards for 2000 was based on the performance of the entire Company and half was based on the performance of the subsidiary.

As expected by the Company's Board of Directors and management, 2000 was a challenging year for the Company. The 2000 EVA'r' performance targets for the entire Company approved by the Compensation Committee at the beginning of 2000 were based on the expectation that business conditions in 2000 would be similar to those experienced in 1999. EVA'r' performance for the entire Company in 2000 did not meet the Company's 2000 EVA'r' performance targets, primarily because actual performance in 2000 at Millennium Specialty Chemicals Inc. (which operates the Fragrance and Flavor Chemicals segment) and at Equistar fell short of expected performance. The awards approved by the Compensation Committee for the entire Company for 2000 reflected such performance, as only 71% of the reference awards were earned. Performance at Millennium Inorganic Chemicals Inc. and Millennium Petrochemicals Inc. substantially exceeded the EVA'r' performance targets approved by the Compensation Committee at the beginning of 2000. As a result, the portion of the bonuses received by Messrs. Lee and Hanik for their

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

subsidiaries' performance in 2000 constituted significantly larger percentages of their reference awards than the portion received for the entire Company's performance in 2000. In addition, because the portion of Mr. Lee's bonus bank account attributable to the performance of Millennium Inorganic Chemicals Inc. was negative before crediting the award he earned for that subsidiary's performance in 2000 and the relevant prefunding, Mr. Lee received 40% of that earned award, and the remaining 60% was credited to his negative bonus bank account.

LONG-TERM INCENTIVE PLANS

1996 Incentive Plan. In January 2001, the Compensation Committee reviewed the actual performance of the Company and its business units during the performance period ending December 31, 2000 against the value creation performance targets previously approved by the Compensation Committee for the performance-based stock awards granted under the 1996 Incentive Plan. The Compensation Committee determined that Messrs. Landuyt, Lee, Hempstead and Lushefski had earned awards, based on the value creation targets approved for the entire Company, at the 1.91% level. Mr. Lee was the President of the Company in October 1996 when his restricted stock award was granted, and thus his award is based on the performance of the entire Company. Mr. Hanik earned 31.86% of his awards for the performance period ending December 31, 2000, as they were based in part on the value creation targets for the entire Company and in part on the targets for Millennium Petrochemicals Inc. Mr. Hanik was the President of Millennium Petrochemicals Inc. from March 1998 to March 21, 2001.

The awards earned for the entire Company's performance in 2000 reflected the fact that the performance of Millennium Inorganic Chemicals Inc. and the operations that are now part of Equistar over the four-year performance period ending December 31, 2000 fell significantly short of the performance targets approved by the Compensation Committee in October 1996. The performance of Millennium Petrochemicals Inc. came closer to the performance targets previously approved for that business. In addition, the Compensation Committee determined that the total shareholder return on the Common Stock during the four-year performance period commencing January 1, 1997 was within the median one-third of the companies in the S&P Chemical Index, and thus employees' awards were not increased or decreased due to the relative performance of the Common Stock over the four-year performance period. The total shareholder return on the Common Stock during this four-year period

19

was 14.7%, significantly better than the return for the period commencing October 2, 1996 shown in the graph on page 22.

2000 Executive Long Term Incentive Plan. The 2000 Executive Long Term Incentive Plan incentivizes senior executives to focus on long-term value creativity, rewarding their contributions to the Company's success over three-year performance periods. One-half of the award (the 'EVA'r'-based award') granted to each executive is based on EVA'r' performance compared to EVA'r' performance targets approved by the Compensation Committee at the beginning of each performance period. After the end of an award year, the Compensation Committee determines actual EVA'r' performance against such targets, and credits each participant with an EVA'r'-based award. This award is based on the participant's target bonus award approved by the Compensation Committee at the

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

beginning of the performance period (expressed as a percentage of the participant's base salary ('the ELTIP reference award')). This credited award is then invested in Common Stock, which is placed in a trust, is subject to forfeiture, and may vest at the end of the performance period. The remaining half of each participant's award (the 'TSR-based award') is based on the quarterly average total shareholder return on the Common Stock over the performance period compared to the quarterly average total shareholder return on the common stock of the companies in the S&P Chemical Index, in each case including reinvested dividends. TSR-based awards are payable in cash after the end of the performance period.

The EVA'r'-based awards granted in 2000 under the 2000 Executive Long Term Incentive Plan were based on the same EVA'r' performance targets approved by the Compensation Committee for the awards granted in 2000 under the 1996 Annual Performance Plan. Thus, participants were credited at the beginning of 2001 with EVA'r'-based awards under this plan at the same percentages of their ELTIP reference awards as were approved by the Compensation Committee for awards earned in 2000 under the 1996 Annual Performance Plan. Such credited EVA'r'-based awards were invested in Common Stock, which may vest on December 31, 2002.

STOCK OWNERSHIP

In order to promote an ownership perspective on the part of the Company's executive officers and management employees and to link the return realized by management on their personal assets to the return realized by the Company's shareholders, the Board of Directors and the Compensation Committee approved stock ownership guidelines (exclusive of the value of Common Stock that may be earned under the 1996 Incentive Plan) for the 26 executive officers and senior management employees of the Company and its subsidiaries who hold restricted stock awards under the 1996 Incentive Plan. These executive officers and senior managers are expected to achieve targeted ownership levels of Common Stock, ranging from a value of 75% of annual base salary to 300% of annual base salary, within five years after receiving a restricted stock award. This target would require holdings of Common Stock (in addition to Common Stock that may be earned under the 1996 Incentive Plan) aggregating more than \$12.5 million, based on 2000 base salary levels. As of March 23, 2001, the 26 executive officers and senior managers owned shares of Common Stock with a market value at such date of more than \$15 million (including shares purchased as a result of deferred salaries and bonuses under the Salary and Bonus Deferral Plan and credited awards in Common Stock under the 2000 Executive Long Term Incentive Plan but excluding all Common Stock earned under the 1996 Incentive Plan). The Compensation Committee believes that satisfactory progress has been made toward meeting the targets.

CHIEF EXECUTIVE OFFICER'S COMPENSATION

In establishing Mr. Landuyt's base salary for 2000, the Compensation Committee considered the salaries of chief executive officers of other chemical companies and other companies of similar size and complexity. They also considered Mr. Landuyt's performance and the Company's challenging business environment. The Compensation Committee determined in December 1999 to award him a salary increase for 2000 equal to 4% of his 1999 salary. Mr. Landuyt elected in 1999 to defer 5% of his 2000 salary into Common Stock under the Salary and Bonus Deferral Plan, and had deferred 10% of his 1999 salary into Common Stock under this plan.

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

As discussed under '1996 Annual Performance Plan,' above, as a result of the Company's performance in 2000, as measured by EVA'r' performance measures approved by the Compensation Committee at the beginning of 2000, the Compensation Committee approved crediting Mr. Landuyt's bonus bank account with an award equal to 71% of his 2000 reference award. Accordingly, Mr. Landuyt was entitled to a bonus with respect to 2000 under the 1996 Annual Performance Plan of \$838,417. Mr. Landuyt elected in 1999 to defer 25% of his 2000 bonus into Common Stock under the Company's Salary and Bonus Deferral Plan, and had deferred 50% of his 1999 bonus and 100% of his 1998 and 1997 bonuses into Common Stock under this plan.

Mr. Landuyt received a performance-based stock award and a time-vested restricted stock award under the 1996 Incentive Plan shortly after the Demerger. As discussed under 'Long Term Incentive Plans -- 1996 Incentive Plan,' above, 1.91% of the performance-based stock award for the four-year period ending December 31, 2000 was earned, and thus Mr. Landuyt received on February 15, 2001 1,069 shares of performance-based stock for such performance period, representing 50% of the shares earned for such performance period. The remaining 50% of such earned shares vest pro rata on December 31, 2001, 2002, 2003, 2004 and 2005, subject to forfeiture. In addition, the Company distributed to Mr. Landuyt 37,338 shares of time-vested restricted stock on October 8, 2000, and 8,470 shares of performance-based stock on December 31, 2000 that had been earned for the three-year performance period ended December 31, 1999.

As discussed under 'Long Term Incentive Plans -- 2000 Executive Long Term Incentive Plan,' above, as a result of the Company's performance in 2000, as measured by EVA'r' performance targets approved by the Compensation Committee at the beginning of 2000, the Compensation Committee approved crediting Mr. Landuyt with an EVA'r'-based award under the 2000 Executive Long Term Incentive Plan of 26,423 shares of Common Stock. These shares have been placed in a trust, are subject to forfeiture, and may vest on December 31, 2002.

Under the Stock Ownership Guidelines, Mr. Landuyt was given in October 1996 a target of owning Common Stock within five years with a value equal to 300% of his base salary (exclusive of the value of Common Stock earned under the 1996 Incentive Plan). As of March 23, 2001, he had purchased (together with members of his immediate family) 231,357 shares of Common Stock (including shares purchased under the Salary and Bonus Deferral Plan and shares credited under the 2000 Executive Long Term Incentive Plan, but excluding all Common Stock earned under the 1996 Incentive Plan) with a market value equal to 425% of his 2000 base salary.

The Compensation Committee believes that these incentive compensation programs and Stock Ownership Guidelines create the desired mutuality of interest between the Chief Executive Officer and the Company's shareholders, as the ultimate reward to the Chief Executive Officer from these programs and his significant personal investment in Common Stock, as required by the Guidelines, will be based upon the success of the Company.

Respectfully submitted,
WORLEY H. CLARK, JR., Chairman
LORD GLENARTHUR
DAVID J. P. MEACHIN

attainment of performance goals and the remainder were subject to time vesting. On October 8, 1999, Messrs. Landuyt and Lee received 37,337 and 26,136 shares, respectively; Messrs. Hempstead and Lushefski each received 18,668 shares; and, Mr. Hanik received 13,620 shares (plus accrued dividends on all such shares), as a result of the vesting of the first installment of time-vested restricted stock. On October 8, 2000, Messrs. Landuyt and Lee received 37,338 and 26,136 shares, respectively; Messrs. Hempstead and Lushefski each received 18,669 shares; and, Mr. Hanik received 13,620 shares (plus accrued dividends on all such shares), as a result of the vesting of the second installment of time-vested restricted stock. On February 15, 2000, Messrs. Landuyt, Lee, Hempstead, Lushefski and Hanik received 42,352, 29,646, 21,175, 21,175 and 14,603 shares, respectively, plus accrued dividends on such shares, when 50% of the performance-based restricted stock earned for the performance period ended December 31, 1999 vested and was distributed. On December 31, 2000, these five executives received 8,470, 5,929, 4,235, 4,235 and 2,812 shares, respectively, plus accrued dividends thereon, when an additional 10% of the earned performance-based restricted stock for such period vested. The number and value (at the closing price of the Common Stock on the New York Stock Exchange on December 31, 2000) of the shares of unvested restricted stock held by these executives as of December 31, 2000 was as follows: Mr. Landuyt -- 184,306 and \$3,340,546; Mr. Lee -- 129,014 and \$2,338,379; for each of Mr. Hempstead and Mr. Lushefski -- 92,153 and \$1,670,273; and for Mr. Hanik -- 72,245 and \$1,309,441. In addition, dividends accrue on these restricted stock awards from the date of grant and are paid, to the extent such restricted shares are earned, as and when the underlying shares are distributed to the executives upon the lapse of the restrictions relating thereto.

- (4) Messrs. Lee, Hempstead and Lushefski were credited in January 1998 with awards of \$294,000, \$153,000 and \$139,500, respectively, under the Hanson Industries 1996 Long Term Incentive Plan (the 'Hanson Industries 1996 LTIP'), to be paid out in cash in three equal installments on December 15, 1998, 1999 and 2000, plus interest thereon, subject to forfeiture under certain circumstances if the executive is not employed by the Company or its subsidiaries on the payment date. One-third of the credited Hanson Industries 1996 LTIP awards became vested on each of December 15, 1998, 1999 and 2000. Amounts shown as 'LTIP Payouts' in 1998, 1999 and 2000 for Messrs. Lee and Lushefski represent payments of the vested one-third portion of such credited awards, plus interest thereon. Mr. Hempstead elected in 1998 to defer all of his Hanson Industries 1996 LTIP award into Common Stock under the Company's Salary and Bonus Deferral Plan. The amount shown as 'LTIP Payouts' in 1998, 1999 and 2000 for Mr. Hempstead represent the value of such Common Stock when it became vested on December 15, 1998, 1999 and 2000, respectively, based on the closing price of the Common Stock on the New York Stock Exchange on such dates. Amounts shown as 'LTIP Payouts' in 1998 for Mr. Hanik represent the full payment in 1998 of Mr. Hanik's credited award under the Hanson Industries 1996 LTIP; Mr. Hanik did not receive any further payments under this plan. Mr. Landuyt did not participate in the Hanson

- (5) The amounts shown in this column include the aggregate matching employer contributions made in 2000 and 1999 under the Company's 401(k) savings plan, Supplementary Savings Plan and Salary and Bonus Deferral Plan for each of Messrs. Landuyt, Lee, Hempstead, Lushefski and Hanik of \$71,528 and \$57,838; \$38,996 and \$60,222; \$29,058 and \$24,361; \$25,579 and \$21,481; and, \$20,393 and \$16,089, respectively. In 1998, the Company made matching contributions under its 401(k) savings plan for each such officer of \$5,000, and no matching contribution under any other plan. All matching employer contributions have been invested in Common Stock since the Demerger. The amounts shown in this column also include the dollar value of insurance premiums paid by or on behalf of the Company with respect to disability insurance benefits, financial planning services and automobile usage fees. Excluded are certain health, medical and other non-cash benefits provided to the individuals named above that are available generally to all salaried employees.

LONG TERM INCENTIVE COMPENSATION AWARDS

The Company had not granted any long-term incentive awards to Messrs. Landuyt, Lee, Hempstead or Lushefski since October 8, 1996 or to Mr. Hanik since April 22, 1998, when these executives received performance-based stock awards and time-vested restricted stock awards under the 1996 Incentive Plan. Reflecting the partial vesting of these awards for the performance period ending December 31, 1999, the Board of Directors adopted, at the recommendation of the Compensation Committee, the Company's 2000 Executive Long Term Incentive Plan and granted these executives the following awards under such plan for the performance period beginning January 1, 2000 and ending December 31, 2002. These awards are subject to the achievement of performance-based targets and will be forfeited if the executive's employment is terminated before the end of the performance period, with certain exceptions, such as the retirement or death of the participant.

- (1) All awards granted in 2000 under the 2000 Executive Long Term Incentive Plan have a three-year performance period commencing January 1, 2000 and ending December 31, 2002.
- (2) The maximum EVA'r'-based award for any participant is 200% of the participant's target EVA'r'-based award. The maximum TSR-based award for any participant is 200% of the participant's target TSR-based award.

As discussed under 'Long-Term Incentive Plans -- 2000 Executive Long Term Incentive Plan,' above, one half of each award granted in 2000 to these executives under the 2000 Executive Long Term Incentive Plan is an EVA'r'-based award based on EVA'r' performance in 2000 compared to EVA'r' performance targets approved by the Compensation Committee in January 2000. These targets were identical to the targets approved by the Compensation Committee for awards granted in 2000 under the 1996 Annual Performance Plan. In January 2001, the Compensation Committee compared actual performance in 2000 against these pre-approved targets. The Compensation Committee then credited each participant with an EVA'r'-based award, based on the percentage of the award earned and the participant's ELTIP reference award. This credited amount was then invested in Common Stock based on the average closing price of the Common Stock during the first ten trading days of 2000 (which was \$20.7838). Accordingly, the Compensation Committee determined on January 25, 2001 that Messrs. Landuyt, Lee, Hempstead, Lushefski and Hanik be credited with 26,423, 27,073, 8,526, 7,501 and 9,779 shares of Common Stock, respectively. These shares are held in a trust, accrue dividends, are subject to forfeiture, and may vest on December 31, 2002.

The remaining half of the award is a TSR-based award, which is an award based on the total shareholder return on the Common Stock during the performance period compared to the total shareholder return on the common stock of the companies in the S&P Chemical Index, measured quarterly (including reinvested dividends) and then ranked into quintiles. For example, the fifth quintile consists of the top one-fifth of the companies in the S&P Chemical Index, measured quarterly (including reinvested dividends), and then ranked by total shareholder return. (Companies must be in the S&P Chemical Index at the beginning and end of the performance period to be considered in this ranking.) If the Company falls in the fifth quintile, participants receive 200% of their targeted TSR-based award; in the fourth quintile, 150%; in the third quintile, 100%; in the second quintile, 50%; and, in the first quintile, no award. If the relevant companies in the S&P Chemical Index are not divisible by

25

five, the Compensation Committee will determine the ranking in an equitable manner. The TSR-based awards for the performance period 2000 to 2002 will not be determined until after December 31, 2002.

RETIREMENT PLANS

Prior to January 1, 1999, each of the Company's operating subsidiaries and the Company's corporate office sponsored its own pension benefit plan and supplemental executive retirement plan. These plans were traditional final average pay pension plans. Effective January 1, 1999, the Company converted these final average pay pension plans to a single Pension Equity Plan. Substantially all full-time United States nonunion employees of the Company and its subsidiaries who have completed one year of service with the Company or

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

certain of the Company's subsidiaries are eligible to participate in the Pension Equity Plan. Employees become vested in their Pension Equity Plan benefits after five years of service. Certain executives and key managers with Pension Equity Plan benefits that exceed the limitation set forth in Section 415 or 401(a) (17) of the Code are eligible to participate in the Company's Supplemental Executive Retirement Plan (the 'Supplemental Retirement Plan').

The following tables set forth the annual benefits upon retirement at age 65, without regard to statutory maximums, for various combinations of final average earnings and lengths of service, which would be payable to the individuals named in the Summary Compensation Table under the respective plans in which they participate assuming they retired in 2000 at the age of 65.

MILLENNIUM CHEMICALS INC. PENSION PLANS

The following table shows the estimated annual retirement benefits that would be payable to Messrs. Landuyt, Lee, Hempstead, Lushefski and Hanik under the Pension Equity Plan and the Supplemental Retirement Plan (collectively, the 'Pension Plans'). Messrs. Landuyt, Lee, Hempstead, Lushefski and Hanik have 18, 19, 19, 16 and 27 years of service, respectively, under the Pension Plans.

compensation plus deferrals under the Company's 401(k) and Section 125 plans, plus, under the Supplemental Retirement Plan only, deferrals of base salary and annual incentive bonuses under the Supplemental Savings Plan and the Salary and Bonus Deferral Plan; less all amounts received under the 1996 Incentive Plan, any other long-term incentive plan or deferred compensation plan, moving expenses, severance pay, prizes, grievance settlements, overseas cost of living allowances, mortgage assistance and executive perquisites. Final 5-year Average Earnings is currently equal to \$1,513,159, \$1,115,549, \$679,663, \$597,737 and \$287,025 for Messrs. Landuyt, Lee, Hempstead, Lusheski and Hanik, respectively.

(2) Benefits under the Pension Plans are computed as follows: Final Average Earnings times the pension accrual for each year of service (maximum 35 years). The pension accruals are as follows:

YEARS OF SERVICE -----	PENSION ACCRUAL -----
0 - 5	5.00%
6 - 10	6.50%
11 - 15	9.50%
16 or more	14.00%

The Pension Equity Plan formula calculates benefits payable as lump sums, which are then converted to life annuity benefits, payable at age 65, using an interest rate of 6.00% and the 1983 GATT mortality table for the above table. The Supplemental Retirement Plan benefit is calculated under this formula without regard to the limitations set forth in Sections 415 and 401(a)(17) of the Code. The net Supplemental Retirement Plan benefit is the difference between the benefits calculated under the Pension Equity Plan formula and the Supplemental Retirement Plan formula. All capitalized terms used in this paragraph and not otherwise defined have the meanings ascribed to them in the relevant plan document.

GRANDFATHERED PENSION BENEFITS

When the Company converted its traditional final average pay pension plans to the Pension Equity Plan on January 1, 1999, the Company determined that all employees age 55 and older on that date would be entitled to receive a grandfathered benefit of the greater of the benefit under the formulas of their former pension plans and the formulas of the new Pension Plans. Mr. Hempstead was over 55 on that date. Accordingly, Mr. Hempstead will receive a grandfathered benefit of the greater of the aggregate benefit calculated under the Pension Equity Plan and the Supplemental Retirement Plan, and the aggregate benefit calculated under the old Millennium Chemicals Inc. Pension Plan (the 'Corporate Plan') and the old Corporate Supplemental Executive Retirement Plan (the 'Corporate SERP' and, together with the Corporate Plan, the 'Grandfathered Millennium Chemicals Pension Plans'). The following table shows Mr. Hempstead's estimated annual retirement benefit under the Grandfathered Millennium Chemicals Pension Plans.

(1) Final 5-year Average Earnings under the Grandfathered Millennium Chemicals Pension Plans is defined as the average of the highest Final Average Earnings of any five calendar years in the ten calendar years preceding retirement. Final Average Earnings under the Corporate Plan includes (footnotes continued on next page)

(footnotes continued from previous page)

base salary only. Final Average Earnings under the Corporate SERP includes base salary and bonus earned under the 1996 Annual Performance Plan and prior annual bonus plans, and is currently equal to \$679,663 for Mr. Hempstead.

(2) Annual Benefits are computed on the basis of straight-life annuity amounts. The pension benefit under the Corporate Plan is calculated as follows (a) plus (b) multiplied by (c), where (a) is the Final Average Earnings times 1.95%; (b) is that portion of Final Average Earnings in excess of Social Security Covered Compensation times .65%; and, (c) is years of Credited Service to a maximum of 25 years (the 'Corporate Retirement Plan Formula'). Annual benefits under the Corporate SERP are calculated as follows: (a) minus (b) multiplied by (c), where (a) is Final Average Earnings times 2.67%; (b) is the Social Security Benefit times 2%; and, (c) is years of Credited Service to a maximum of 25; provided, however, that the benefit payable under the Corporate SERP shall not exceed 45% of Final Average Earnings. The Corporate SERP benefit is calculated without regard to the limitations set forth in Sections 415 and 401(a)(17) of the Code (the 'Corporate SERP formula'). The net Corporate SERP benefit is the difference between the benefits calculated under the Corporate Plan formula and the Corporate SERP formula. The Social Security offset is not reflected in the above table. All capitalized terms used in this paragraph and not otherwise defined have the meanings ascribed to them in the relevant plan document.

In addition, the Company has determined that all employees age 50 and older on January 1, 1999 with at least 15 years of service on such date would be entitled to receive a grandfathered benefit of the greater of the benefit under the formula of their former qualified pension plan and the formula of the Pension Equity Plan. This determination will not affect the aggregate pension benefit of any of the executive officers named in the Compensation Table.

EXECUTIVE AGREEMENTS AND OTHER RELATIONSHIPS

The following is a summary of the change-in-control agreements (the 'Agreements') that are in effect between each of the individuals named in the Summary Compensation Table and ten other officers of the Company or a Company subsidiary, on the one hand, and the Company or the Company subsidiary by which each such officer is employed (the 'Employer'), on the other hand. Subject to certain surviving rights, the Agreements will terminate on September 30, 2002, provided that if a Change-in-Control (as defined) has taken place prior to termination of the Agreements, the Agreements shall continue in full force and effect during the two-year period after a Change-in-Control (the 'Post-Change-in-Control Period'). The definition of 'Change-in-Control' in the Agreements is identical to the definition of 'Change-in-Control' in the 2001 Incentive Plan as described under 'Item 3 -- Approve the 2001 Incentive Plan,' above, except that, for officers employed by the Company's operating subsidiaries, a sale of the stock of, or the disposition of substantially all the assets of, that subsidiary can also constitute a 'Change-in-Control.'

The Agreements provide that if during the 180-day period prior to a Change-in-Control (the 'Pre-Change-in-Control Period') or the Post-Change-in-Control Period (collectively with the Pre-Change-in-Control Period, the 'Change-in-Control Protection Period'), (i) the executive terminates his or her employment for Good Reason (as defined below); (ii) a Change-in-Control occurs and during the Post-Change-in-Control Period the executive, subject to a required 180-day period of continued employment, in certain circumstances, terminates his or her employment for any reason (including death); (iii) the executive's employment is terminated by his or her Employer without Cause or due to disability during the Change-in-Control Protection Period; or, (iv) the executive's employment is terminated by his or her Employer at or after the age of 65 (in certain circumstances) during the Post-Change-in-Control Period, the executive (or, if applicable, the executive's legal representative) shall be entitled to receive: (w) in a lump sum within five days after such termination (or, if within the Pre-Change-in-Control Period, within five days after the Change-in-Control) (1) three times the highest annualized base salary paid within 180 days prior to such termination (provided that if the termination is based on disability, such payment shall be offset by the projected disability benefits to be paid by the Employer or by Employer-provided insurance), and (2) three times the highest annual bonus paid or

28

payable to the executive for any of the previous three completed fiscal years by the Employer; (x) three years of additional service and compensation credit for pension purposes; (y) three years of the maximum Employer contribution under any type of qualified or non-qualified defined contribution plan; and, (z) provision for the executive's and his dependents' health coverage for three years. In addition, if the payment to the executive under the Agreements, together with certain other amounts paid to the executive, exceeds certain threshold amounts and results from a change in ownership as defined in Section 280G(b)(2) of the Code, the Agreements provide that the executive will receive an additional amount to cover the federal excise tax and any interest, penalties or additions to tax with respect thereto on a 'grossed-up' basis. In addition to providing rights upon a Change-in-Control, the Agreements provide the executives with certain indemnification rights.

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

In the Agreements, 'Cause' is defined as the executive's (i) willful misconduct with regard to the Employer or its affiliates which has a material adverse effect in the aggregate on the Employer and its affiliates taken as a whole; (ii) refusal to follow the proper written direction of the Board of Directors of the Employer provided that the executive does not believe in good faith that such direction is illegal, unethical or immoral and promptly notifies the appropriate board; (iii) conviction for a felony (subject to certain exceptions); (iv) breach of any fiduciary duty owed to the Employer or its affiliates which has a material adverse effect on the Company and its affiliates taken as a whole; or, (v) material fraud with regard to the Employer or its affiliates. 'Good Reason' is defined (subject to certain exceptions) as (i) a material diminution in the executive's position, duties or responsibilities from the executive's highest position held during the Pre-Change-in-Control Period or the assignment of duties or responsibilities inconsistent with such position; (ii) removal from or the failure of the executive to be re-elected to any of his positions as an officer with the Company or the Employer; (iii) relocation of the principal executive offices of the Employer to a location more than 25 miles from where they are located at the time of a Change-in-Control or a relocation by the Employer of the executive's principal office away from such principal offices; (iv) if a Director during the Pre-Change-in-Control Period, the executive's removal or failure to be re-elected to the Company's Board of Directors; (v) a failure to continue the executive as a participant in, or to continue, any bonus program in which the executive was entitled to participate within the Pre-Change-in-Control Period; (vi) any material breach by a party other than the executive of any provision of the Agreement; (vii) a reduction by the Employer of executive's rate of annual base salary within 180 days prior to a Change-in-Control; or, (viii) failure by any successor to the Employer to assume the Agreement.

The Agreements do not apply to a termination of employment outside of the Change-in-Control Protection Period. The Company's subsidiaries currently maintain customary severance policies applicable to their respective employees.

In addition to the Agreements, certain other officers and management employees of the Company and its subsidiaries have agreements with their respective employers that provide severance protection upon a Change-in-Control substantially similar to that provided by the Agreements, except that (i) amounts payable and benefits provided will be determined by a multiple of two rather than three; (ii) the definitions of 'Cause' and 'Good Reason' in certain instances afford the Employer broader rights; and, (iii) the rights of the executive upon a Change-in-Control will be less in certain instances.

In addition to the change-in-control provisions under the executive agreements described above, the 1996 Incentive Plan and the agreements pursuant to which restricted stock and options have been awarded under the 1996 Incentive Plan provide that upon a Change-in-Control of the Company or the Employer, as applicable, unforfeited restricted stock and options will vest immediately. In addition, the unforfeited restricted stock held by any employee who is terminated by his Employer without cause (as defined) or due to his disability or death or who terminates his employment for good reason (as defined) within six months prior to a Change-in-Control, will also vest upon the Change-in-Control. Amounts credited to participants under the 2000 Executive Long Term Incentive Plan vest and become payable upon a Change-in-Control, and unearned awards vest and become payable at the participants' ELTIP reference award level. Awards granted under the 2001 Incentive Plan vest and become payable as described under 'Item 3 -- Approve the 2001 Incentive Plan,' above. Finally, upon a Change-in-Control (as defined) of the Company or the Employer, as applicable, all amounts deferred under the Company's Salary and Bonus Deferral Plan and Supplemental Savings Plan will become payable.

The 1996 Incentive Plan requires that employees pay all applicable withholding taxes before receiving any vested restricted stock. In order to permit executives to pay such withholding taxes and to provide for other expenses without selling shares, the Company's Board of Directors has authorized the Company to repurchase vested restricted stock, or to make loans to employees secured by their vested restricted stock. The loans have a term of one-year, renewable at the option of the Company; currently accrue interest 7% per annum (and had accrued interest at 6% per annum in 2000), payable quarterly; and, must be secured by shares that have a market value on the date of the loan of at least 125% of the loan amount. The Company has outstanding loans to its executive officers in excess of \$60,000 as follows: Mr. Landuyt, \$719,705; Mr. Lee, \$734,234; Mr. Dowdle, \$65,587; Mr. Hanik, \$310,915; Mr. Hempstead, \$478,379; Mr. Lushefski, \$479,377; and, Mr. Vercollone, \$75,245. In February 2001, Mr. Landuyt repaid a portion of his loan, reducing the loan from \$839,705 to \$719,705.

4.2 ADJUSTMENTS IN AUTHORIZED SHARES. If there shall be any change in the Shares of the Company or the capitalization of the Company through merger, consolidation, reorganization, recapitalization, stock dividend, stock split, reverse stock split, split up, spin-off, combination of shares, exchange of shares, dividend in kind or other like change in capital structure or distribution (other than normal cash dividends) to stockholders of the Company, the Committee, in its sole discretion, in order to prevent dilution or enlargement of Participants' rights under the Plan, shall adjust, in an equitable manner, as applicable, the number and kind of Shares that may be issued under the Plan, the number and kind of Shares subject to outstanding Awards, the exercise price applicable to outstanding Awards, the Fair Market Value of the Shares and other value determinations applicable to outstanding Awards; provided, however, that any such arithmetic adjustment to a Performance-Based Award shall not cause the amount of compensation payable thereunder to be increased from what otherwise would have been due upon attainment of the unadjusted award. Appropriate adjustments may also be made by the Committee in the terms of any Awards under the Plan to reflect such changes or distributions and to modify any other terms of outstanding Awards on an equitable basis, including modifications of performance targets and changes in the length of performance periods; provided, however, that any such arithmetic adjustment to a Performance-Based Award shall not cause the amount of compensation payable thereunder to be increased from what otherwise would have been due upon attainment of the unadjusted award. In addition, other than with respect to Options, Stock Appreciation Rights, and other awards intended to constitute Performance-Based Awards, the Committee is authorized to make adjustments to the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events affecting the Company or the financial statements of the Company, or in response to changes in applicable laws, regulations, or accounting principles. Notwithstanding the foregoing, (i) each such adjustment with respect to an Incentive Stock Option shall comply with the rules of Section 424(a) of the Code, and (ii) in no event shall any adjustment be made which would render any Incentive Stock Option granted hereunder other than an incentive stock option for purposes of Section 422 of the Code. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on participants under the Plan.

ARTICLE 5. ELIGIBILITY AND PARTICIPATION

5.1 ELIGIBILITY. Persons eligible to participate in this Plan include all Employees and Directors.

5.2 ACTUAL PARTICIPATION. Subject to the provisions of the Plan, the Committee may, from time to time, select from all eligible Employees and Directors, those to whom Awards shall be granted and shall determine the nature and amount of each Award.

ARTICLE 6. STOCK OPTIONS

6.1 GRANT OF OPTIONS. Subject to the terms and provisions of the Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee.

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

6.2 AWARD AGREEMENT. Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains, and such other provisions as the Committee shall determine which are not inconsistent with the terms of the Plan. The Award Agreement also shall specify whether the Option is intended to be an ISO within the meaning of Code Section 422, or an NQSO whose grant is intended not to fall under the provisions of Code Section 422. An outstanding Option may not be modified to reduce the exercise price thereof nor may a new Option at a lower price be substituted for a surrendered Option (except in accordance with Section 4.2 of the Plan or Article 14).

6.3 OPTION PRICE. The Option Price for each grant of an Option under this Plan shall be as determined by the Committee; provided, however, subject to Section 6.11 below, that the per-share exercise price shall not be less than 100% of the Fair Market Value of the Common Stock on the date the Stock Option is granted.

6.4 DURATION OF OPTIONS. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided, however, subject to Section 6.11 below, no Option shall be exercisable later than the tenth (10th) anniversary date of its grant.

6.5 EXERCISE OF OPTIONS. Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant.

6.6 PAYMENT. Options granted under this Article 6 shall be exercised by the delivery of a written notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

The Option Price upon exercise of any Option shall be payable to the Company in full either: (a) in cash or its equivalent; or (b) at the discretion of the Committee, by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price (provided that the Shares that are tendered must have been held by the Participant for at least six (6) months prior to their tender to satisfy the Option Price); or (c) by a combination of (a) and (b); or (d) any other method approved by the Committee in its sole discretion at the time of grant and as set forth in the Award Agreement.

The Committee also may allow cashless exercise as permitted under Federal Reserve Board's Regulation T, subject to applicable securities law restrictions, or by any other means which the Committee determines to be consistent with the Plan's purpose and applicable law.

Subject to any governing rules or regulations, as soon as practicable after receipt of a written notification of exercise and full payment, the Company shall deliver to the Participant, in the Participant's name, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars.

6.7 RESTRICTIONS ON SHARE TRANSFERABILITY. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

to such Shares.

6.8 TERMINATION OF EMPLOYMENT/DIRECTORSHIP. Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment or directorship with the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination.

6.9 POST-EMPLOYMENT EXERCISES. The exercise of any Option after termination of employment of an Employee with the Company, its Subsidiaries or Affiliates shall be subject to such conditions as imposed by the Committee at the time of the Award Agreement and satisfaction of the conditions precedent that the Employee neither (i) competes with, or takes other employment with or renders services to a competitor of, the Company, its Subsidiaries or Affiliates without the written consent of the Company, nor (ii) conducts himself or herself in a

C-6

manner adversely affecting the Company; provided, however, that the Committee, in its sole discretion, may waive any conditions imposed in the Award Agreement or as set forth in (i) and (ii) above relating to the exercise of Options after the date of termination of employment during the term of the option.

6.10 NONTRANSFERABILITY OF OPTIONS.

- (a) INCENTIVE STOCK OPTIONS. No ISO granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all ISOs granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant.
- (b) NONQUALIFIED STOCK OPTIONS. Except as provided below, no NQSO granted under this Article 6 may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution and all NQSOs granted to a Participant under this Article 6 shall be exercisable during his or her lifetime only by such Participant. Notwithstanding the foregoing, at the discretion of the Committee, an Award Agreement for the grant of NQSO may permit the transferability of such an Award by a participant solely to the participant's spouse, siblings, parents, children and grandchildren or trusts for the benefit of such persons or partnerships, corporations, limited liability companies or other entities owned solely by such persons, including trusts for such persons, subject to any restriction included in the Award Agreement.

6.11 REQUIREMENTS FOR INCENTIVE STOCK OPTIONS. Incentive Stock Options may be granted only to participants who are employees of the Company or one of its subsidiaries (within the meaning of Section 424(f) of the Code) at the date of grant. The aggregate Fair Market Value (determined as of the time the Incentive Stock Option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by a participant during any calendar

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

year (under all option plans of the Company and of any parent corporation or subsidiary corporation (as defined in Sections 424(e) and (f) of the Code, respectively)) shall not exceed \$100,000. For purposes of the preceding sentence, Incentive Stock Options will be taken into account in the order in which they are granted. The per-share exercise price of an Incentive Stock Option shall not be less than 100% of the Fair Market Value of the Shares on the date of grant, and no Incentive Stock Option may be exercised later than ten years after the date it is granted; provided, however, Incentive Stock Options may not be granted to any participant who, at the time of grant, owns stock possessing (after the application of the attribution rules of Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary corporation of the Company, unless the exercise price is fixed at not less than 110% of the Fair Market Value of the Shares on the date of grant and the exercise of such option is prohibited by its terms after the expiration of five years from the date of grant of such option. In addition, no Incentive Stock Option may be issued to a participant in tandem with a Nonqualified Stock Option.

ARTICLE 7. STOCK APPRECIATION RIGHTS

7.1 GRANT OF SARS. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee. The Committee may grant Freestanding SARs, Tandem SARs, or any combination of these forms of SAR.

Subject to the terms and conditions of the Plan, the Committee shall have complete discretion in determining the number of SARs granted to each Participant and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs.

The grant price of a Freestanding SAR shall equal the Fair Market Value of a Share on the date of grant of the SAR. The grant price of Tandem SARs shall equal the Option Price of the related Option.

7.2 SAR AGREEMENT. Each SAR grant shall be evidenced by an Award Agreement that shall specify the grant price, the term of the SAR, and such other provisions as the Committee shall determine.

7.3 TERM OF SARS. The term of an SAR granted under the Plan shall be determined by the Committee, in its sole discretion; provided, however, that no SAR shall be exercisable later than the tenth (10th) anniversary date of its grant.

7.4 EXERCISE OF FREESTANDING SARS. Freestanding SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon them.

7.5 EXERCISE OF TANDEM SARS. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable.

Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (a) the Tandem SAR will expire no later than the expiration of the underlying ISO; (b) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the difference between the Option Price of the underlying ISO and the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised; and (c) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

7.6 PAYMENT OF SAR AMOUNT. Upon exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The difference between the Fair Market Value of a Share on the date of exercise over the grant price; by
- (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, in Shares of equivalent value, in some combination thereof, or in any other manner approved by the Committee at its sole discretion. The Committee's determination regarding the form of SAR payout shall be set forth in the Award Agreement pertaining to the grant of the SAR.

7.7 TERMINATION OF EMPLOYMENT/DIRECTORSHIP. Each Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment or directorship with the Company, its Affiliates, and/or its subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

7.8 POST-EMPLOYMENT EXERCISES. The exercise of any SAR after termination of employment of an Employee with the Company, its Subsidiaries or Affiliates shall be subject to such conditions as imposed by the Committee at the time of the Award Agreement and satisfaction of the conditions precedent that the Employee neither (i) competes with, or takes other employment with or renders services to a competitor of, the Company, its Subsidiaries or Affiliates without the written consent of the Company, nor (ii) conducts himself or herself in a manner adversely affecting the Company; provided, however, that the Committee, in its sole discretion, may waive any conditions imposed in the Award Agreement or as set forth in (i) and (ii) above relating to the exercise of any SAR after the date of termination of employment during the term of the option.

7.9 NONTRANSFERABILITY OF SARS. Except as provided below, no SAR granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution, and all SARs granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant. Notwithstanding the foregoing, at the discretion of the Committee, an Award Agreement for the grant of an SAR may permit the transferability of such an Award by a participant solely to the participant's spouse, siblings, parents, children and grandchildren or trusts for the benefit of such persons or partnerships, corporations, limited liability companies or other entities owned solely by such persons, including trusts for such persons, subject to any restriction included in the Award Agreement.

ARTICLE 8. RESTRICTED STOCK

8.1 GRANT OF RESTRICTED STOCK. Subject to the terms and provisions of the

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Participants in such amounts as the Committee shall determine.

8.2 RESTRICTED STOCK AGREEMENT. Each Restricted Stock grant shall be evidenced by a Restricted Stock Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock granted, and such other provisions as the Committee shall determine.

8.3 TRANSFERABILITY. Except as provided in this Article 8, the Shares of Restricted Stock granted herein may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction established by the Committee and specified in the Restricted Stock Award Agreement, or upon earlier satisfaction of any other conditions, as specified by the Committee in its sole discretion and set forth in the Restricted Stock Award Agreement and all rights with respect to the Restricted Stock granted to a Participant under the Plan shall be available during his or her lifetime only to such Participant. Notwithstanding the foregoing, at the discretion of the Committee, an Award Agreement for the grant of Restricted Stock may permit the transferability of such an Award by a participant solely to the participant's spouse, siblings, parents, children and grandchildren or trusts for the benefit of such persons or partnerships, corporations, limited liability companies or other entities owned solely by such persons, including trusts for such persons, subject to any restriction included in the Award Agreement.

8.4 OTHER RESTRICTIONS. The Committee shall impose such other conditions and/or restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions, and/or restrictions under applicable federal or state securities laws.

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied.

C-8

Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction.

8.5 VOTING RIGHTS. If the Committee so determines, Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction.

8.6 DIVIDENDS AND OTHER DISTRIBUTIONS. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may, if the Committee so determines, be credited with dividends paid with respect to the

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

underlying Shares while they are so held, in a manner determined by the Committee in its sole discretion. The Committee may apply any restrictions to the dividends that the Committee deems appropriate. Without limiting the generality of the preceding sentence, if the grant or vesting of Restricted Shares is designed to comply with the requirements of the Performance-Based Exception, the Committee may apply any restrictions it deems appropriate to the payment of dividends declared with respect to such Restricted Shares, such that the dividends and/or the Restricted Shares maintain eligibility for the Performance-Based Exception.

8.7 TERMINATION OF EMPLOYMENT/DIRECTORSHIP. Each Award Agreement shall set forth the extent to which the Participant shall have the right to receive unvested Restricted Shares following termination of the Participant's employment or directorship with the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

ARTICLE 9. PERFORMANCE UNITS, PERFORMANCE SHARES AND CASH-BASED AWARDS; STOCK AWARDS

9.1 GRANT OF PERFORMANCE UNITS/SHARES AND CASH-BASED AWARDS. Subject to the terms of the Plan, Performance Units, Performance Shares, and/or Cash-Based Awards may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee, and Awards granted under this Article 9 may consist of any combination of Performance Units, Performance Shares and/or Cash-Based Awards.

9.2 VALUE OF PERFORMANCE UNITS/SHARES AND CASH-BASED AWARDS. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to or greater than the Fair Market Value of a Share on the date of grant. Each Cash-Based Award shall have a value as may be determined by the Committee. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Units/Shares and Cash-Based Awards that will be paid out to the Participant. For purposes of this Article 9, the time period during which the performance goals must be met shall be called a 'Performance Period.'

9.3 EARNING OF PERFORMANCE UNITS/SHARES AND CASH-BASED AWARDS. Subject to the terms of this Plan, after the applicable Performance Period has ended (including any period of deferral as provided in Section 9.4 hereof), the holder of Performance Units/Shares and Cash-Based Awards shall be entitled to receive payout on the number and value of Performance Units/Shares and Cash-Based Awards earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

9.4 FORM AND TIMING OF PAYMENT OF PERFORMANCE UNITS/SHARES AND STOCK/CASH-BASED AWARDS. Payment of earned Performance Units/Shares and Cash-Based Awards shall be as determined by the Committee and as evidenced in the Award Agreement. Subject to the terms of the Plan, the Committee, in its sole discretion, may pay earned Performance Units/Shares and Cash-Based Awards in the form of cash or in Shares (or in a combination thereof) that have an aggregate Fair Market Value equal to the value of the earned Performance Units/Shares and Cash-Based Awards at the close of the applicable Performance Period. Such Shares may be granted subject to any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

At the discretion of the Committee, Participants holding Performance Units/Shares may be entitled to receive dividend units with respect to dividends declared with respect to the Shares. Such dividends may be subject to the same accrual, forfeiture, and payout restrictions as apply to dividends earned with respect to Shares of Restricted Stock, as set forth in Section 8.6 herein, as determined by the Committee.

Notwithstanding the above, a Participant may elect to defer, or the Committee may require or permit the deferral of, the receipt of Awards under Article 9 upon such terms as the Committee deems appropriate.

9.5 TERMINATION OF EMPLOYMENT/DIRECTORSHIP. In the event the employment or directorship terminates for any reason, including by reason of death, Disability, or Retirement, all Performance Units/Shares and Cash-Based Awards shall be forfeited by the Participant to the Company unless determined otherwise by the Committee, as set forth in the Participant's Award Agreement.

9.6 NONTRANSFERABILITY. Except as provided below, Performance Units/Shares and Cash-Based Awards may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the

C-9

laws of descent and distribution and a Participant's rights under the Plan shall be exercisable during the Participant's lifetime only by the Participant. Notwithstanding the foregoing, at the discretion of the Committee, an Award Agreement for the grant of Performance Units/Shares and Cash-Based Awards may permit the transferability of any such Awards by a participant solely to the participant's spouse, siblings, parents, children and grandchildren or trusts for the benefit of such persons or partnerships, corporations, limited liability companies or other entities owned solely by such persons, including trusts for such persons, subject to any restriction included in the Award Agreement.

9.7 STOCK AWARDS. The Committee may, in its discretion, grant Stock Awards (which may include mandatory payment of bonus incentive compensation in stock) consisting of Shares issued or transferred to Participants with or without other payments therefor. Stock Awards may be subject to such terms and conditions as the Committee determines appropriate, including, without limitation, restrictions on the sale or other disposition of such shares, the right of the Company to reacquire such shares for no consideration upon termination of the Participant's employment within specified periods, and may constitute Performance-Based Awards, as described in Article 10 hereof. The Committee may require the participant to deliver a duly signed stock power, endorsed in blank, relating to the Shares covered by such an Award. The Committee may also require that the stock certificates evidencing such shares be held in custody or bear restrictive legends until the restrictions thereon shall have lapsed. The Stock Award shall specify whether the Participant shall have, with respect to the Shares subject to a Stock Award, all of the rights of a holder of Shares of the Company, including the right to receive dividends and to vote the shares. Notwithstanding the foregoing, at the discretion of the Committee, an Award Agreement for the grant of a Stock Award may permit the transferability of such an Award by a participant solely to the participant's spouse, siblings, parents, children and grandchildren or trusts for the benefit of such persons or partnerships, corporations, limited liability companies or other entities owned solely by such persons, including trusts for such persons, subject to any

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

restriction included in the Award Agreement.

ARTICLE 10. PERFORMANCE-BASED AWARDS AND PERFORMANCE MEASURES

10.1 PERFORMANCE-BASED AWARDS. Certain Awards granted under the Plan may be granted in a manner such that the Awards qualify as Performance-Based Awards. As determined by the Committee in its sole discretion, either the granting or vesting of such Performance-Based Awards shall be based on achievement of hurdle rates and/or growth rates in one or more business criteria that apply to the individual participant, one or more business units or the Company as a whole. The business criteria shall be as set forth in Section 10.2 hereof. With respect to Performance-Based Awards, (i) the Committee shall establish in writing (x) the performance goals applicable to a given period, and such performance goals shall state, in terms of an objective formula or standard, the method for computing the amount of compensation payable to the participant if such performance goals are obtained and (y) the individual employees or class of employees to which such performance goals apply no later than 90 days after the commencement of such period (but in no event after 25% of such period has elapsed) and (ii) no Performance-Based Awards shall be payable to or vest with respect to, as the case may be, any Participant for a given period until the Committee certifies in writing that the objective performance goals (and any other material terms) applicable to such period have been satisfied. With respect to any Awards intended to qualify as Performance-Based Awards, after establishment of a performance goal, the Committee shall not revise such performance goal or increase the amount of compensation payable thereunder (as determined in accordance with Section 162(m) of the Code) upon the attainment of such performance goal. Notwithstanding the preceding sentence, the Committee may reduce or eliminate Awards payable upon the attainment of such performance goal.

10.2 PERFORMANCE MEASURES. The performance measure(s) to be used for purposes of Performance-Based Awards shall be chosen from among:

- (a) EVA'r'
- (b) Net earnings;
- (c) Earnings per share;
- (d) Net sales growth;
- (e) Net income (before or after taxes);
- (f) Net operating profit;
- (g) Return measures (including, but not limited to, return on assets, equity, or sales);
- (h) Cash flow (including, but not limited to, operating cash flow and free cash flow);
- (i) Cash flow return on investments, which equals net cash flows divided by owner's equity;
- (j) Earnings before or after taxes, interest, depreciation and/or amortization;
- (k) Internal rate of return or increase in net present value;
- (l) Dividend payments to parent;
- (m) Gross revenues;

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

(n) Gross margins;

C-10

(o) Operating margin;

(p) Share price (including, but not limited to, growth measures and total shareholder return);

(q) Expense targets;

(r) Working capital targets relating to inventory and/or accounts receivable;

(s) Planning accuracy (as measured by comparing planned results to actual results);

(t) comparisons to various stock market indices; and

(u) comparisons to the performance of other companies.

For purposes of this Plan, EVA'r' means the positive or negative value determined by net operating profits after taxes over charge for capital, or any other financial measure, as determined by the Committee in its sole discretion. (EVA'r' is a registered trademark of Stern Stewart & Co.).

The Committee may provide in any such Award that any evaluation of performance exclude any of the following events that occurs during a performance period: (a) asset write-downs; (b) litigation or claim judgments or settlements; (c) the effect of changes in tax law, accounting principles or other laws or provisions affecting reported results; (d) accruals for reorganization and restructuring programs; (e) extraordinary non-recurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; (f) acquisitions or divestitures; and (g) foreign exchange gains and losses. To the extent such exclusions affect Awards to executives covered by Section 162(m), they will be prescribed in resolutions that meet the requirements of Section 162(m) for deductibility.

In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing performance measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify for the Performance-Based Exception, the Committee may make such grants without satisfying the requirements of Code Section 162(m).

ARTICLE 11. BENEFICIARY DESIGNATION

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

ARTICLE 12. DEFERRALS

The Committee may permit or require a Participant to defer such Participant's receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant by virtue of the exercise of an Option or SAR, the lapse or waiver of restrictions with respect to Restricted Stock, or the satisfaction of any requirements or goals with respect to Performance Units/Shares and Cash-Based Awards. If any such deferral election is required or permitted, the Committee shall, in its sole discretion, establish rules and procedures for such payment deferrals.

ARTICLE 13. RIGHTS OF EMPLOYEES/DIRECTORS

13.1 EMPLOYMENT. Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company.

13.2 PARTICIPATION. No Employee or Director shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

13.3 RIGHTS AS A STOCKHOLDER. A Participant shall have none of the rights of a shareholder with respect to shares of Common Stock covered by any Award until the Participant becomes the record holder of such shares.

ARTICLE 14. CHANGE IN CONTROL

14.1 TREATMENT OF OUTSTANDING AWARDS. Upon the occurrence of a Change in Control, unless otherwise specifically prohibited under applicable laws, or by the rules and regulations of any governing governmental agencies or national securities exchanges, or unless the Committee shall determine otherwise in the Award Agreement:

- (a) Any and all Options and SARs granted hereunder shall become immediately exercisable, and shall remain exercisable throughout their entire term;

C-11

- (b) Any restriction periods and restrictions imposed on Restricted Shares that are not performance-based shall lapse; and

- (c) The target payout opportunities attainable under all outstanding Awards of performance-based Restricted Stock, Performance Units, Performance Shares, Stock Awards and Cash-Based Awards shall be deemed to have been earned to the extent described below for the entire Performance Period(s) as of the effective date of the Change in Control. The vesting of all Awards denominated in Shares shall be

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

accelerated as of the effective date of the Change in Control, and there shall be paid out to Participants, within thirty (30) days following the effective date of the Change in Control, all Shares pursuant to such Awards based upon an assumed achievement of all targeted performance goals at the target (or at such greater level if achieved). Awards denominated in cash shall also vest and be paid to participants in cash, within thirty (30) days following the effective date of the Change in Control, with the amount of the cash award to be paid based on an assumed achievement of all targeted performance goals at the target (or at such greater level if achieved).

14.2 TERMINATION, AMENDMENT, AND MODIFICATIONS OF CHANGE-IN-CONTROL PROVISIONS. Notwithstanding any other provision of this Plan (but subject to the limitations of Section 15.2 hereof) or any Award Agreement provision, the provisions of this Article 14 may not be terminated, amended, or modified on or after the date of a Change in Control to affect adversely any Award theretofore granted under the Plan without the prior written consent of the Participant with respect to said Participant's outstanding Awards; provided, however, that the Board may not take any such action within the six months immediately prior to the date of a Change in Control which would affect adversely any Award theretofore granted under the Plan without the prior written consent of the Participant with respect to said Participant's outstanding Awards, and any such purported action is null.

14.3 POOLING OF INTERESTS ACCOUNTING. Notwithstanding any other provision of the Plan to the contrary, in the event that the consummation of a Change in Control is contingent on using pooling of interests accounting methodology, the Board may take any action necessary to preserve the use of pooling of interests accounting.

ARTICLE 15. AMENDMENT, MODIFICATION, AND TERMINATION

15.1 AMENDMENT, MODIFICATION, AND TERMINATION. Subject to the terms of the Plan and Article 14, the Board may at any time and from time to time, alter, amend, suspend, or terminate the Plan in whole or in part; provided, however, that no amendment of the Plan may be made without approval of the stockholders of the Company if the amendment will: (i) disqualify any Incentive Stock Options granted under the Plan; (ii) increase the aggregate number of Shares that may be delivered under the Plan; (iii) increase any of the maximum amounts which can be paid to an individual participant under the Plan as set forth in Article 4 hereof; (iv) change the types of business criteria on which Performance-Based Awards are to be based under the Plan; or (v) modify the requirements as to eligibility for participation in the Plan.

15.2 AWARDS PREVIOUSLY GRANTED. Notwithstanding any other provision of the Plan to the contrary (but subject to Section 14.3 hereof), no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant holding such Award.

ARTICLE 16. WITHHOLDING

16.1 TAX WITHHOLDING. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

16.2 SHARE WITHHOLDING. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock, or upon any other taxable event arising as a result of Awards granted hereunder, Participants may elect, subject to the approval of the Committee, to satisfy the

withholding requirement, in whole or in part, by requesting the Company to purchase Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory tax that could be imposed on the transaction and required to be withheld by the Company. All such elections shall be irrevocable, made in writing, signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

ARTICLE 17. INDEMNIFICATION

Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgement in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right

of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

ARTICLE 18. SUCCESSORS

All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

ARTICLE 19. GENERAL PROVISIONS

19.1 LEGEND. The Committee may require each person receiving Shares pursuant to an Award under this Plan to represent to and agree with the Company in writing that the Participant is acquiring the Shares without a view to distribution thereof. In addition, to any legend required by this Plan, the certificates for such Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

19.2 GENDER AND NUMBER. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

19.3 SEVERABILITY. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

Edgar Filing: MILLENNIUM CHEMICALS INC - Form DEF 14A

19.4 REQUIREMENTS OF LAW. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required. The Company shall receive the consideration required by law for the issuance of Awards under the Plan.

19.5 SECURITIES LAW COMPLIANCE. With respect to Insiders, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under the 1934 Act, unless determined otherwise by the Board. To the extent any provision of the Plan or action by the Board fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Board.

19.6 LISTING. The Company may use reasonable endeavors to register Shares allotted pursuant to the exercise of an Option with the United States Securities and Exchange Commission or to the effect compliance with the registration, qualification, and listing requirements of any national securities laws, stock exchange, or automated quotation system.

19.7 DELIVERY OF TITLE. The Company shall have no obligation to issue or deliver evidence of title for shares of Shares under the Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

19.8 INABILITY TO OBTAIN AUTHORITY. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

19.9 INVESTMENT REPRESENTATIONS. As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

19.10 NO ADDITIONAL RIGHTS. Neither the Award nor any benefits arising under this Plan shall constitute part of a Participant's employment contract with the Company or any Subsidiary or Affiliate, and accordingly subject to Sections 14.2 and 15.2, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to liability on the part of the Company or any Affiliate for severance payments.

19.11 EMPLOYEES BASED OUTSIDE OF THE UNITED STATES. Notwithstanding any provision of the Plan to the contrary, in order to comply with provisions of laws in other countries in which the Company, its Affiliates, and its Subsidiaries operate or have Employees, the Board, in their sole discretion, shall have the power and authority to:

- (a) Determine which Affiliates and Subsidiaries will be covered by the Plan;

C-13

- (c) Modify the terms and conditions of any Award granted to Employees who are employed outside the United States to comply with applicable foreign laws;
- (d) Establish subplans, modify exercise procedures, and other terms and procedures to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 19.11 by the Board or the Committee shall be attached to this Plan document as Appendices; and
- (e) Take any action, before or after an Award is made, which it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, which would violate the Exchange Act, the Code, any securities law or governing statute or any other applicable law.

19.12 UNCERTIFICATED SHARES. To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

19.13 UNFUNDED PLAN. Participants shall have no right, title, or interest whatsoever in or to any investments which the Company may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any participant, beneficiary, legal representative or any other person. To the extent that any person acquires a right to receive payments from the Company under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company. All payments to be made hereunder shall be paid from the general funds of the Company and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in the Plan. 19.15 GOVERNING LAW. The Plan and each Award Agreement shall be governed by the laws of the state of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under the Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of New York, county of New York, to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.
