FOR IMMEDIATE RELEASE

27 OCTOBER 2003

Edgar Filing: ASHANTI GOLDFIELDS CO LTD - Form 6-K

CONTINUED RECOMMENDATION OF ANGLOGOLD MERGER

Further to its announcement on 24 October, following consideration of the terms of the revised proposal received from Randgold Resources Limited ("Randgold") (the "Revised Randgold Proposal"), the board of Ashanti Goldfields Company Limited ("Ashanti") has today resolved unanimously* to continue to recommend the revised merger proposal from AngloGold Limited ("AngloGold") announced on 14 October (the "Revised AngloGold Proposal").

In reaffirming its decision, the board of Ashanti has considered carefully the Revised Randgold Proposal as well as, amongst other things, the results of the technical, legal and financial due diligence exercise undertaken on both AngloGold and Randgold and have concluded that the Revised AngloGold Proposal remains in the best interests of Ashanti's stakeholders, including shareholders, employees and the people of Ghana.

The Revised AngloGold Proposal is conditional on the support of the Government of Ghana as shareholder and regulator of Ashanti, the approval of the scheme of arrangement required to implement the transaction by Ashanti shareholders and the High Court of Ghana and certain other regulatory approvals and third party consents as detailed in the 4 August announcement of the proposed merger.

As announced on 14 October, under the Revised AngloGold Proposal, Ashanti's shareholders will receive 29 new AngloGold ordinary shares for every 100 Ashanti ordinary shares held. Based on the closing market price of AngloGold ADSs on the New York Stock Exchange on 24 October 2003 (the last practicable trading day prior to this announcement), the Revised AngloGold Proposal values each Ashanti share at US\$11.51 and the entire issued share capital of Ashanti at approximately US\$1,502 million. On completion of the Revised AngloGold Proposal and based on the current issued share capital of each company, existing Ashanti shareholders would own approximately 14.5% of the enlarged company's issued share capital.

There can be no assurance that a transaction with AngloGold will be completed. Consequently, shareholders of Ashanti are advised to exercise caution when dealing in the relevant securities.

* Chester Crocker, Lynda Chalker and Edward Haslam, being directors of Ashanti, have not taken part in the deliberations of the board of Ashanti relating to either the Revised AngloGold Proposal or the Revised Randgold Proposal. Chester Crocker and Lynda Chalker did not participate because they or companies in which they have an interest have entered into commercial contracts with AngloGold, its subsidiaries or its major shareholder, Anglo American plc. Edward Haslam did not participate because he is an executive director of Ashanti's largest shareholder, Lonmin Plc, which has given an undertaking to AngloGold to support the Revised AngloGold Proposal.
