EXPLANATORY NOTE

This Post-Effective Amendment No. 1 (this Amendment) to that certain Registration Statement on Form S-8 (Reg. No. 333-73041) (the Registration Statement) is being filed pursuant to Rule 414 under the Securities Act of 1933, as amended (the Securities Act) by Otter Tail Corporation, a Minnesota corporation (Otter Tail Holding), as the successor registrant to Otter Tail Corporation, a Minnesota corporation (Predecessor Registrant), to reflect a reorganization of the Predecessor Registrant into a holding company structure.

The new holding company structure was effected on July 1, 2009 pursuant to a merger (the Merger) implemented pursuant to Section 302A.626 of the Minnesota Business Corporation Act and a Plan of Merger among the Predecessor Registrant, Otter Tail Holding (formerly Otter Tail Holding Company, a Minnesota corporation and direct subsidiary of the Predecessor Registrant) and Otter Tail Merger Sub Inc., a Minnesota corporation and indirect subsidiary of the Predecessor Registrant and direct subsidiary of Otter Tail Holding (Merger Sub) whereby, among other things, the Predecessor Registrant was merged with Merger Sub and the Predecessor Registrant was the surviving corporation under the name Otter Tail Power Company.

As a result of the Merger, the Predecessor Registrant became a direct, wholly owned subsidiary of Otter Tail Holding and Otter Tail Holding is the successor issuer to the Predecessor Registrant pursuant to Rule 414 under the Securities Act. Immediately following the Merger, Otter Tail Holding changed its name to Otter Tail Corporation.

In the Merger, each issued and outstanding common share of the Predecessor Registrant was converted into one common share of Otter Tail Holding, par value \$5 per share, and each issued and outstanding cumulative preferred share of the Predecessor Registrant was converted into one cumulative preferred share of Otter Tail Holding having the same designations, rights, powers and preferences. In connection with the Merger, each person that held rights to purchase, or other rights to or interests in, common shares of the Predecessor Registrant under any stock option, stock purchase or compensation plan or arrangement of the Predecessor Registrant immediately prior to the Merger holds a corresponding number of rights to purchase, and other rights to or interests in, common shares of Otter Tail Holding, par value \$5 per share, immediately following the Merger.

In accordance with paragraph (d) of Rule 414 under the Securities Act, Otter Tail Holding hereby expressly adopts the Registration Statement as its own registration statement except as amended by this Amendment, for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price

represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
