COMMON STOCK AND WARRANTS**

We may from time to time in one or more offerings sell up to \$30,000,000 in the aggregate, inclusive of any exercise price thereof, of:

shares of our common stock;

warrants to purchase shares of our common stock; or

a combination of the foregoing.

This prospectus provides a general description of the securities we may offer. Each time we sell securities, we will provide the specific terms of the offering in a supplement to this prospectus. The prospectus supplement also may add, update or change information contained in this prospectus. You should read this prospectus and the applicable prospectus supplement, as well as the documents incorporated by reference or deemed incorporated by reference into this prospectus and any prospectus supplement, carefully before you invest in our securities. **This prospectus may not be used to offer or sell securities unless accompanied by a prospectus supplement.**

Our common stock is traded on the Nasdaq Capital Market under the symbol JSDA. Each prospectus supplement will contain information, where applicable, as to any listing on The Nasdaq Stock Market or any other securities exchange of the securities covered by the prospectus supplement.

As of May 4, 2010, the aggregate market value of our outstanding common stock held by non-affiliates was approximately \$27,477,011, based on 26,431,083 shares of common stock outstanding, of which 25,921,709 shares were held by non-affiliates, and a price per share of \$1.06, the closing sale price of our common stock on that date, as quoted on The Nasdaq Capital Market. Because the aggregate market value of our outstanding common stock held by non-affiliates is less than \$75,000,000, we are as of the date of this prospectus only permitted to use the registration statement of which this prospectus is a part to offer the securities covered hereby in a primary offering where the maximum amount of securities sold in the offering during a twelve-month period does not exceed one-third of the aggregate market value of our outstanding common stock held by non-affiliates. As of the date of this prospectus, we have not offered any securities pursuant to General Instruction I. B.6. of Form S-3 during the prior twelve-month period that ends on and includes the date of this prospectus. If the aggregate market value of our outstanding common stock held by non-affiliates increases to an amount equal to or in excess of \$75,000,000, we will be permitted to offer the securities covered by this prospectus without regard to the above-described limitations. In any event, the aggregate initial offering price of the securities that we offer under the registration statement of which this prospectus forms a part will not exceed \$30,000,000.

Investing in our securities involves a high degree of risk. Risks associated with an investment in our securities will be described in the applicable prospectus supplement and certain of our filings with the Securities and Exchange Commission, as described in Risk Factors on page 2.

The securities may be sold directly by us to investors, through agents designated from time to time or to or through underwriters or dealers. For additional information on the methods of sale, you should refer to the section entitled Plan of Distribution. If any underwriters are involved in the sale of the securities, the names of such underwriters and any applicable commissions or discounts will be set forth in a prospectus supplement. The net proceeds we expect to receive from such sale will also be set forth in a prospectus supplement.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed on the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.

We are a Washington corporation formed in 2000 as a successor to Urban Juice and Soda Company Ltd., a Canadian company formed in 1986. Our principal place of business is located at 234 Ninth Avenue North, Seattle, Washington 98109. Our telephone number is (206) 624-3357. Our Web site address is www.jonessoda.com. RISK FACTORS

Before making an investment decision, you should carefully consider the risks described under **Risk Factors** in the applicable prospectus supplement and in our most recent Annual Report on Form 10-K, or any updates in our Quarterly Reports on Form 10-Q, together with all of the other information appearing in this prospectus or incorporated by reference into this prospectus and any applicable prospectus supplement, in light of your particular investment objectives and financial circumstances. The risks so described are not the only risks facing our company. Additional risks not presently known to us or that we currently deem immaterial may also impair our business operations. Our business, financial condition, results of operations or prospects could be materially adversely affected by any of these risks. The trading price of our securities could decline due to any of these risks, and you may lose all or part of your investment.

NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains, and any accompanying prospectus supplement will contain, forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1993. Also, documents that we incorporate by reference into this prospectus, including documents that we subsequently file with the Commission, will contain forward-looking statements. Forward-looking statements are those that predict or describe future events or trends and that do not relate solely to historical matters. You can generally identify forward-looking statements as statements containing the words *may*, *will*, *could*, *should*, *expect*, *anticipate*, *intend*, *estimate*, *believe*, *assume* or other similar expressions, or negatives of those expressions, although not all forward-looking statements contain these identifying words. All statements contained or incorporated by reference in this prospectus and any prospectus supplement regarding our business strategy, future operations, projected financial position, potential strategic transactions, proposed distribution channels, projected sales growth, proposed new products, estimated future revenues, cash flows and profitability, projected costs, potential sources of additional capital, future prospects, future economic conditions, the future of our industry and results that might be obtained by pursuing management's current plans and objectives are forward-looking statements.

You should not place undue reliance on our forward-looking statements because the matters they describe are subject to certain risks, uncertainties and assumptions that are difficult to predict. Our forward-looking statements are based on the information currently available to us and speak only as of the date on the cover of this prospectus, the date of any prospectus supplement, or, in the case of forward-looking statements incorporated by reference, the date of the filing that includes the statement. Over time, our actual results, performance or achievements may differ from those expressed or implied by our forward-looking statements, and such difference might be significant and materially adverse to our security holders. Except as required by law, we undertake no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.

We have identified some of the important factors that could cause future events to differ from our current expectations and they are described in this prospectus and supplements to this prospectus under the caption **Risk Factors**, as well as in our most recent Annual Report on Form 10-K, including under the captions **Risk Factors** and **Management's Discussion and Analysis of Financial Condition and Results of Operations**, and in other documents that we may file with the Commission, all of which you should review carefully. Please consider our forward-looking statements in light of those risks as you read this prospectus and any prospectus supplement.

USE OF PROCEEDS

Our management will have broad discretion over the use of the net proceeds from the sale of the securities offered in this prospectus. Unless otherwise indicated in any accompanying prospectus supplement, we currently intend to use the net proceeds from the sale of the securities offered in this prospectus for targeted funding for new marketing programs to secure and grow larger distributor and national retail accounts, working capital and other general corporate purposes. We also may use such proceeds to acquire or invest in businesses, technologies, products or assets that complement our current business. However, we currently have no commitments or agreements for any specific acquisitions. Pending use of the net proceeds, we intend to invest the net proceeds in investment-grade, interest-bearing securities.

DESCRIPTION OF CAPITAL STOCK

We are a Washington corporation. Your rights as a shareholder are governed by the Washington Business Corporation Act, or the WBCA, and our articles of incorporation and our bylaws. The following summary of some of the material terms, rights and preferences of our capital stock is not complete. You should read our articles of incorporation and our bylaws for more complete information.

Common Stock

We are authorized to issue up to 100,000,000 shares of common stock, no par value. As of May 4, 2010, we had 26,431,083 shares of common stock outstanding. We do not currently have in effect a shareholder rights plan.

Each share of common stock entitles its holder to one vote on all matters to be voted upon by the shareholders. Cumulative voting for directors is not permitted. Holders of common stock may receive ratably any dividends that our board of directors may declare out of funds legally available for that purpose, although to the date of this prospectus, no dividends have been declared or paid. In the event of our liquidation, dissolution or winding up, the holders of common stock are entitled to share ratably in all assets remaining after payment of liabilities. The common stock has no preemptive rights. All outstanding shares of common stock are fully paid and nonassessable, and the shares of our common stock to be issued under this prospectus will be fully paid and nonassessable.

Antitakeover Effects of Certain Provisions of Articles of Incorporation, Bylaws and Washington Law

The following summary of certain provisions of the WBCA and our articles of incorporation and bylaws is not complete. You should read the WBCA and our articles of incorporation and bylaws for more complete information. The business combination provisions of Washington law, which are discussed below, and the provisions of our articles of incorporation and bylaws that are discussed below could have the effect of discouraging offers to acquire us and, if any such offer is made, could increase the difficulty of consummating such offer, even if the offer contains a premium price for holders of common stock or otherwise benefits shareholders.

Shareholder Meetings; Quorum. Our bylaws provide that our shareholders may call a special meeting only upon the request of holders of at least 25% of the votes entitled to be cast on any matter proposed for consideration at such special meeting. Additionally, our president or our board of directors may call special meetings of shareholders. Except as required by law, a quorum at any annual or special meeting of shareholders consists of at least 33 1/3% of the shares entitled to be cast by each voting group.

Requirements for Advance Notification of Shareholder Nominations. Our bylaws contain advance notice procedures with respect to the nomination of candidates for election as directors, other than nominations made by or at the direction of our board of directors or a committee thereof. The existence of these advance notification provisions may make it more difficult for a third party to acquire, or may discourage a third party from acquiring, control of our board of directors.

Washington Takeover Statute. Washington law imposes restrictions on certain transactions between a corporation and certain significant shareholders. Chapter 23B.19 of the WBCA generally prohibits a target corporation from engaging in certain significant business transactions with an acquiring person, which is defined as

a person or group of persons that beneficially owns 10% or more of the voting securities of the target corporation, for a period of five years after the date the acquiring person first became a 10% beneficial owner of the voting securities of the target corporation, unless the business transaction or the acquisition of shares is approved by a majority of the members of the target corporation's board of directors prior to the time the acquiring person first became a 10% beneficial owner of the target corporation's voting securities. Such prohibited transactions include, among other things:

a merger or consolidation with, disposition of assets to, or issuance or redemption of stock to or from, the acquiring person;

termination of 5% or more of the employees of the target corporation as a result of the acquiring person's acquisition of 10% or more of the shares; or

receipt by the acquiring person of any disproportionate benefit as a shareholder.

After the five-year period, a significant business transaction may occur if it complies with fair price provisions specified in the statute. A corporation may not opt out of this statute. We expect the existence of this provision to have an antitakeover effect with respect to transactions that our board of directors does not approve in advance and may discourage takeover attempts that might result in the payment of a premium over the market price for common stock held by shareholders or otherwise might benefit shareholders.

Limitations of Liability and Indemnification Matters

Our articles of corporation provide that, to the fullest extent permitted by the WBCA, a director of our company shall not be personally liable to our company or our shareholders for monetary damages for his or her conduct as a director, except in certain circumstances involving intentional misconduct, knowing violations of law, illegal corporate loans or distributions, or any transaction from which the director receives personal benefit in money, property or services to which the director is not legally entitled.

Pursuant to our bylaws, each person who was or is made a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director or officer of our company or who, while a director of our company, is or was serving at our company's request as a director, officer, partner, trustee, employee or agent of another company or partnership, joint venture, trust or other enterprise, will be indemnified by us against all reasonable expenses incurred by such person in connection therewith. If a director or officer is made a party to a proceeding because he or she was or is a director or officer of our company, such director or officer will be indemnified for any judgment, settlement, penalty, fine or reasonable expenses incurred in such proceeding if:

he or she acted in good faith; and

he or she reasonably believed:

in the case of conduct in the director's or officer's official capacity, that the conduct was in the our company's best interests; and

in all other cases, the director's or officer's conduct was at least not opposed to our company's best interests.

No director or officer will be indemnified in connection with:

a proceeding by or in the right of our company in which he or she was adjudged liable to our company; or

any other proceedings charging improper personal benefit to the director or officer, whether or not involving action in his or her official capacity, in which the director or officer was adjudged liable on the basis that personal benefit was improperly received by such director or officer.

The indemnification provisions contained in our bylaws are intended to be interpreted and applied to provide indemnification to directors, officers, employees and agents of our company to the fullest extent allowed by the WBCA, as amended from time to time, and are not exclusive. We have not entered into any indemnification agreements with any of our directors or officers.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Computershare Investor Services.

Nasdaq Capital Market

Our common stock is quoted on The Nasdaq Capital Market under the symbol JSDA.

DESCRIPTION OF WARRANTS

We may issue warrants to purchase shares of our common stock. The warrants may be issued independently or together with shares of our common stock. The warrants will be issued under warrant agreements to be entered into between us and a bank or trust company, as warrant agent, or under such other arrangement as is described in the prospectus supplement relating to warrants being offered pursuant to such prospectus supplement. We have no outstanding warrant agreements as of the date of this prospectus. The following description of the warrants will apply to the warrants offered by this prospectus unless we provide otherwise in the applicable prospectus supplement. If we enter into a warrant agreement, we will file a prospectus supplement which will specify the negotiated terms of the particular series of warrants to be issued pursuant to the prospectus supplement, which terms may be different from, or in addition to, the terms set forth below.

Warrants

The applicable prospectus supplement will describe the following terms of warrants offered:

the title of the warrants;

the number of common shares for which the warrants are exercisable;

the price or prices at which the warrants will be issued;

the provisions, if any, for changes to or adjustments in the exercise price;

the provisions, if any, for call rights or put rights relating to the warrants or the underlying common shares;

the date on which the right to exercise the warrants will commence and the date on which the right will expire;

if applicable, the number of warrants issued with each share of our common stock;

a discussion of any material federal income tax consequences of holding or exercising the warrants; and

any other terms of the warrants, including terms, procedures and limitations relating to the exchange and exercise of the warrants.

Holders of warrants will not be entitled, by virtue of being such holders, to vote, consent, receive dividends, receive notice as shareholders with respect to any meeting of shareholders for the election of our directors or any other matter, or to exercise any rights whatsoever as our shareholders.

The exercise price payable and the number of shares of our common stock purchasable upon the exercise of each warrant will be subject to adjustment in certain events, including the issuance of a stock dividend to holders of our common stock or a stock split, reverse stock split, combination, subdivision or reclassification of our common stock. In lieu of adjusting the number of shares of our common stock purchasable upon exercise of each warrant, we may elect to adjust the number of warrants. No fractional shares will be issued upon exercise of the warrants, but we will pay the cash value of any fractional shares otherwise issuable. Notwithstanding the foregoing, in case of any consolidation, merger, or sale or conveyance of our property as an entirety or substantially as an entirety, the holder of each outstanding warrant will have the right to the kind and amount of shares of stock and other securities and property, including cash, receivable by a holder of the number of shares of our common stock into which the warrant was exercisable immediately prior to such transaction.

Exercise of Warrants

Each warrant will entitle the holder to purchase for cash such shares of our common stock at such exercise price as shall in each case be set forth in, or be determinable as set forth in, the prospectus supplement relating to the warrants offered thereby. Warrants may be exercised at any time up to the close of business on the expiration date set forth in the prospectus supplement relating to the warrants offered thereby. After the close of business on the expiration date, unexercised warrants will become void.

The warrants may be exercised as set forth in the prospectus supplement relating to the warrants offered. Upon receipt of payment and the warrant certificate properly completed and duly executed at the corporate trust office of the warrant agent or any other office indicated in the prospectus supplement, we will, as soon as practicable, direct the issuance of the shares of our common stock purchasable upon such exercise. If less than all of the warrants represented by such warrant certificate are exercised, a new warrant certificate will be issued for the remaining warrants.

PLAN OF DISTRIBUTION

We may sell the offered securities on a negotiated or competitive bid basis to or through underwriters or dealers. We may also sell the securities directly to institutional investors or other purchasers or through agents. We will identify any underwriter, dealer, or agent involved in the offer and sale of the securities, and any applicable commissions, discounts and other terms constituting compensation to such underwriters, dealers or agents, in a prospectus supplement.

We may distribute the securities from time to time in one or more transactions:

at a fixed price or prices, which may be changed;

at market prices prevailing at the time of sale;

at prices related to such prevailing market prices; or

at negotiated prices.

Only underwriters named in the prospectus supplement are underwriters of the securities offered by the prospectus supplement.

If underwriters are used in the sale of any of the securities, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. Unless stated otherwise in a prospectus supplement, the

obligation of any underwriters to purchase the securities will be subject to certain conditions, and the underwriters will be obligated to purchase all of the offered securities if any are purchased. If a dealer is used in a sale, we may sell the securities to the dealer as principal. The dealer may then resell the securities to the public at varying prices to be determined by the dealer at the time of resale. In effecting sales, dealers engaged by us may arrange for other dealers to participate in the resales.

We or our agents may solicit offers to purchase the securities from time to time, and we or our agents may make sales directly to institutional investors or others. Unless stated otherwise in a prospectus supplement, any agent will be acting on a best efforts basis for the period of its appointment. In addition, we may enter into derivative or hedging transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with such transaction, the third parties may, pursuant to this prospectus and the applicable prospectus supplement, sell securities covered by this prospectus and the applicable prospectus supplement. If so, the third party may use securities borrowed from us or others to settle such sales and may use securities received from us or others to close out any related short positions. We also may loan or pledge securities covered by this prospectus and the applicable prospectus supplement to third parties, who may sell the loaned securities or, in the event of default in the case of a pledge, sell the pledged securities pursuant to this prospectus and the applicable prospectus supplement. The third party in such transactions will be an underwriter and will be identified in the applicable prospectus supplement or in a post-effective amendment.

In connection with the sale of the securities, underwriters or agents may receive compensation (in the form of discounts, concessions or commissions) from us or from purchasers of the securities for whom they may act as agents. Underwriters may sell the securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Underwriters, dealers and agents that participate in the distribution of the securities may be deemed to be underwriters as that term is defined in the Securities Act of 1933, or the Securities Act, and any discounts or commissions received by them from us and any profits on the resale of the securities by them may be deemed to be underwriting discounts and commissions under the Securities Act. Compensation as to a particular underwriter, dealer or agent might be in excess of customary commissions and will be in amounts to be negotiated in connection with transaction involving the securities. We will identify any such underwriter or agent, and we will describe any such compensation paid, in the related prospectus supplement. Pursuant to a requirement by the Financial Industry Regulatory Authority, or the FINRA, the maximum commission or discount to be received by any FINRA member or independent broker-dealer may not be greater than eight percent (8%) of the gross proceeds received by us for the sale of any securities being registered pursuant to SEC Rule 415 under the Securities Act of 1933.

Underwriters, dealers and agents may be entitled, under agreements with us, to indemnification against and contribution toward certain civil liabilities, including liabilities under the Securities Act. The terms and conditions of any indemnification or contribution will be described in the applicable prospectus supplement.

If stated in a prospectus supplement, we will authorize agents and underwriters to solicit offers by certain specified institutions or other persons to purchase the securities at the public offering price set forth in the prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specific date in the future. Institutions with whom such contracts may be made include commercial savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions, and other institutions, but shall in all cases be subject to our approval. Such contracts will be subject only to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth the commission payable for solicitation of such contracts. The obligations of any purchase under any such contract will be subject to the condition that the purchase of the securities shall not be prohibited at the time of delivery under the laws of the jurisdiction to which the purchaser is subject. The underwriters and other agents will not have any responsibility in respect of the validity or performance of such contracts.

Our common stock currently is traded on The Nasdaq Capital Market. Any underwriters may make a market in the securities, but will not be obligated to do so and may discontinue any market making at any time without notice. Each prospectus supplement will contain updated information as to the listing of the securities on The Nasdaq Stock Market or any other securities exchange. We cannot guarantee the liquidity of, or trading market for, the securities.

If underwriters or dealers are used in the sale, until the distribution of the securities is completed, Commission rules may limit the ability of any such underwriters and selling group members to bid for and purchase the securities. As an exception to these rules, representatives of any underwriters are permitted to engage in certain transactions that stabilize the price of the securities. Such transactions may consist of bids or purchases for the purpose of pegging, fixing or maintaining the price of the securities. If the underwriters create a short position in the securities in connection with the offering (in other words, if they sell more securities than are set forth on the cover page of the prospectus supplement), the representatives of the underwriters may reduce that short position by purchasing securities in the open market. The representatives of the underwriters also may elect to reduce any short position by exercising all or part of any over-allotment option we may grant to the underwriters, as described in the prospectus supplement. In addition, the representatives of the underwriters may impose a penalty bid on certain underwriters and selling group members. This means that if the representatives purchase securities in the open market to reduce the underwriters' short position or to stabilize the price of the securities, they may reclaim the amount of the selling concession from the underwriters and selling group members who sold those shares as part of the offering. In general, purchases of securities for the purpose of stabilizing or to reduce a short position could cause the price of the securities to be higher than it might be in the absence of such purchases. The imposition of a penalty bid might also have the effect of causing the price of the securities to be higher than it would otherwise be. If commenced, the representatives of the underwriters may discontinue any of the transactions at any time. These transactions may be effected on any exchange on which the securities is traded, in the over-the-counter market, or otherwise.

Certain of the underwriters, dealers or agents and their associates may engage in transactions with and perform services for us or our affiliates in the ordinary course of their respective businesses.

In order to comply with the securities laws of certain jurisdictions, if applicable, the securities offered by this prospectus may be offered and sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in certain jurisdictions the securities offered by this prospectus may not be offered or sold unless such securities have been registered or qualified for sale in these jurisdictions or an exemption from registration or qualification is available.

The validity of the securities being offered hereby will be passed upon for us by Perkins Coie LLP, Seattle, Washington. If legal matters in connection with offerings made pursuant to this prospectus are passed upon by counsel for underwriters, dealers or agents, if any, such counsel will be named in the prospectus supplement relating to such offering.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, That

(A) Paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement; and

(B) Paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section

15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(C) Provided further, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is for an offering of asset-backed securities on Form S-1 or Form S-3, and the information required to be included in a post-effective amendment is provided pursuant to Item 1100(c) of Regulation AB.

II-2

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any persons that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
