Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On July 23, 2010, K12 Inc., a Delaware corporation (the Company or K12), entered into an Agreement and Plan of Merger (the Merger Agreement), by and among the Company, Kayleigh Sub Two LLC, a Delaware limited liability company and a wholly-owned subsidiary of the Company (LLC Merger Sub), Kayleigh Sub One Corp., a Delaware corporation and a wholly-owned subsidiary of the Company (Corporate Merger Sub), KCDL Holdings, LLC, a Delaware limited liability company (Seller), and KC Distance Learning, Inc., a Delaware corporation and a wholly-owned subsidiary of Seller (KCDL). Pursuant to the terms of the Merger Agreement, (i) KCDL merged with Corporate Merger Sub, with KCDL continuing as the surviving corporation of the merger (the First Merger), and (ii) immediately after the First Merger, KCDL (as the surviving corporation of the First Merger) merged with LLC Merger Sub, with LLC Merger Sub continuing as the surviving entity of the merger (the Second Merger and together with the First Merger, the Mergers). The Mergers were consummated on July 23, 2010 following the execution of the Merger Agreement.

As a result of the Mergers, the surviving entity of the Second Merger (which is the predecessor in interest to KCDL) is now a wholly-owned subsidiary of K12. The acquisition of KCDL as a result of the Mergers is referred to as the Acquisition. KCDL provides (i) accredited online education directly to families through its Keystone School private school business, (ii) online curriculum and instruction for schools and districts through its Aventa Learning business, and (iii) statewide online schools operated in partnership with public school districts or charter school management organizations to serve the education needs of students in grades 3-12 through its iQ Academies business.

As consideration in the First Merger, the Company issued a total of 2,750,000 shares of a new series of preferred stock designated as Series A Special Stock, par value \$0.0001 per share, of the Company (Series A Special Stock). The shares of Series A Special Stock have the terms described below. The Merger Agreement includes a customary adjustment for the net working capital and closing debt of KCDL as of the closing of the Acquisition.

The Company designated the Series A Special Stock in a Certificate of Designations, Preferences and Relative and Other Special Rights of Series A Special Stock (the Series A Certificate of Designations). The Series A Certificate of Designations was filed with the Secretary of State of the State of Delaware and became effective on July 23, 2010. Under the Series A Certificate of Designations, upon issuance of the shares of Series A Special Stock in the Mergers, the holders of the Series A Special Stock have no voting rights and no rights of conversion. However, by the terms of the Series A Special Stock, from and after the approval of voting rights and rights of conversion of the Series A Special Stock by the holders of the outstanding shares of K12 Common Stock as required by the rules of the New York Stock Exchange, the Series A Special Stock shall be entitled to vote on all matters presented to the holders of K12 Common Stock (other than for the election and removal of directors, on which the holders of Series A Special Stock shall have no vote) and the Series A Special Stock shall be convertible into an equal number of shares of common stock, par value \$0.0001 per share, of the Company (K12 Common Stock), subject to anti-dilution adjustments, at the election of the holder or automatically upon transfer to any person other than an affiliate of Seller (or, as of the stockholder approval, ownership by any person other than Seller or an affiliate of Seller). Holders of the Series A Special Stock have a par value liquidation preference and are entitled to participate on a pro rata basis in all dividends and distributions made to holders of the K12 Common Stock. In the event that the holders of the K12 Common Stock do not approve the voting rights and rights of conversion of the Series A Special Stock by the first anniversary of the closing of the Mergers, the Series A Special Stock shall be redeemable at the option of the holder or the Company at a price per share of the greater of \$22.95 or the price per share of the K12 Common Stock as of the date of redemption. Pursuant to the Merger Agreements, the Company has agreed to hold a meeting of stockholders to obtain the approval of the Company's stockholders to the approval of the voting rights and rights of conversion of the Series A Special Stock.

The Merger Agreement includes customary representations, warranties and covenants of the parties to the Merger Agreement, including representations and warranties regarding KCDL and its businesses.

The Merger Agreement also includes certain post-closing indemnification obligations of the parties to the Merger Agreement, including mutual indemnification obligations for damages resulting from breaches of representations or noncompliance with covenants. These indemnification obligations are subject to limitations as provided in the Merger Agreement, including limitations on the survival of rights to bring claims, deductibles and maximum aggregate collectible amount limitations.

Voting Agreement

Concurrently with the execution of the Merger Agreement, the Company, Corporate Merger Sub, LLC Merger Sub and certain stockholders of the Company who are affiliates of Seller entered into a Voting Agreement (the Voting Agreement). Pursuant to the Voting Agreement, the stockholders of the Company party thereto agreed to vote in favor of the approval of voting and conversion rights of the Series A Special Stock by the Company's stockholders and have granted a representative of the Company a proxy to vote such shares in the event the stockholders do not vote in accordance with their obligations under the Voting Agreement. The stockholders of the Company party to the Voting Agreement own an aggregate of 5,230,631 shares of K12 Common Stock.

Stockholders Agreement

Concurrently with the execution of the Merger Agreement, the Company, Seller, and certain stockholders of the Company who are affiliates of Seller entered into a Stockholders Agreement (the Stockholders Agreement). Pursuant to the Stockholders Agreement, Seller and the other stockholders party to the agreement agreed to a standstill limitation regarding actions related to the acquisition of shares of voting securities of the Company for a term of one year. In addition, Seller and the other stockholders party to the agreement have agreed to be bound by transfer restrictions on their shares of stock of the Company (including the Series A Special Stock acquired in the Mergers) for a term of up to one year from the date of the closing of the Mergers, and the Company has agreed to grant Seller and the other stockholders party to the agreement demand registration rights related to the shares acquired in the Mergers. The Company has agreed that it will pay interest to the holders of Series A Special Stock and has agreed to limitations of the operations of its business if the stockholders of the Company do not approve the voting rights and rights of conversion of the Series A Special Stock and the Company is required to redeem the Series A Special Stock and fails to do so.

The Merger Agreement, Series A Certificate of Designations, Voting Agreement and Stockholders Agreement are attached as Exhibit 2.1, Exhibit 3.1, Exhibit 4.1 and Exhibit 4.2, respectively, to this Current Report on Form 8-K. The summary descriptions of the Merger Agreement, Series A Certificate of Designations, Voting Agreement and Stockholders Agreement in this Current Report on Form 8-K do not purport to be complete and are qualified in their entirety by reference to each such agreement or instrument, which are incorporated herein by reference. The Merger Agreement contains representations and warranties the parties to the agreement made to each other as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the contract by and among the Company, Seller and the other parties thereto and may be subject to important qualifications and limitations agreed to by Company, Seller and the other parties thereto in connection with negotiating its terms. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materiality different from those generally applicable to stockholders or may have been used for the purpose of allocating risk among Company, Seller and the other parties thereto rather than establishing matters as facts.
