**Item 1.01. Entry into a Material Definitive Agreement**

On June 1, 2011, Equity LifeStyle Properties, Inc. (the Company ) and MHC Operating Limited Partnership, the Company s operating partnership, entered into an Underwriting Agreement (the Underwriting Agreement ) with Goldman, Sachs & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Morgan Stanley & Co. LLC, RBC Capital Markets, LLC and Wells Fargo Securities, LLC, as representatives of the several underwriters named therein (the Underwriters ), pursuant to which the Company agreed to offer and sell 5,250,000 shares of common stock. The closing of this offering is expected to occur on or about June 7, 2011. Pursuant to the terms of the Underwriting Agreement, the Company granted the Underwriters a 30-day option to purchase up to an additional 787,500 shares of common stock of the Company. The Company estimates that the net proceeds from this offering, after deducting the underwriting discount and other estimated offering expenses, will be approximately \$298.9 million (or approximately \$343.9 million if the underwriters option to purchase additional shares is exercised in full). The Company intends to use the net proceeds from this offering to partially fund the cash consideration due in connection with the previously announced pending acquisition of a portfolio of 76 manufactured home communities containing 31,167 sites in 16 states (primarily located in Florida and the northeastern region of the United States) and certain other assets (the Hometown Portfolio ) for a stated purchase price of \$1.43 billion (the Acquisition ).

The preceding description is qualified in its entirety by reference to the Underwriting Agreement, a copy of which is attached hereto as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

- impact of government intervention to stabilize site-built single family housing and not manufactured housing;
- the completion of the Acquisition of the Hometown Portfolio in its entirety and future acquisitions, if any, and timing and effective integration with respect thereto;
- the Company s inability to secure the contemplated debt financings to fund a portion of the stated purchase price of the Acquisition on favorable terms or at all and the timing with respect thereto;
- the effect of interest rates;
- the dilutive effects of issuing additional securities;
- the effect of accounting for the sale of agreements to customers representing a right-to-use the Properties under the Codification Topic *Revenue Recognition* ; and
