PROXY STATEMENT

This proxy statement is furnished to stockholders of Community Central Bank Corporation in connection with the solicitation of proxies by its Board of Directors for use at the Corporation's annual meeting of stockholders and at any and all adjournments or postponements of the meeting. The annual meeting of stockholders is being held on Tuesday, April 15, 2008, at 9:00 a.m., at the Best Western Concorde Inn, 44315 Gratiot Avenue, Clinton Township, Michigan. These proxy materials are first being mailed to our stockholders on or about March 24, 2008. Community Central Bank Corporation is referred to as the "Corporation" throughout this document. Certain of the information provided herein relates to Community Central Bank, a wholly owned subsidiary of the Corporation, which is referred to in this proxy statement as the "Bank."

The Board of Directors, in accordance with the bylaws of the Corporation, has fixed the close of business on February 25, 2008, as the record date for determining the stockholders entitled to notice of and to vote at the annual meeting and at any and all adjournments and postponements of the meeting. At the close of business on the record date, the Corporation had 3,732,081 shares of common stock outstanding, with each outstanding share entitled to one vote. A majority of the outstanding shares will constitute a quorum at the meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its exercise. Unless the proxy is revoked, the shares represented by it will be voted at the annual meeting or any adjournment of the meeting. You may revoke your proxy before it is voted at the annual meeting by (i) submitting a new proxy with a later date; (ii) notifying the Corporation's Secretary at the above address that you revoke your previously submitted proxy; or (iii) voting in person at the annual meeting.

The entire cost of soliciting proxies will be borne by the Corporation. Proxies may be solicited by mail or by directors, officers, or regular employees of the Corporation or its subsidiary, in person, by telephone or by other forms of communication. The Corporation will reimburse brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding soliciting material to the beneficial owners of common stock of the Corporation.

Shares held in "street name" by a broker, bank or other nominee, as the record holder of the shares, are required to be voted in accordance with instructions from the beneficial owner of the shares. If no instructions are provided to the nominee, the nominee will be entitled to vote the shares with respect to "discretionary" items but will not be permitted to vote the shares with respect to "non-discretionary" items. In the case of non-discretionary items, the shares will be treated as "broker non-votes." The election of directors is considered a "discretionary" item and, therefore, the broker, bank or other nominee may vote shares without instructions from the beneficial owner.

THE CORPORATION'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF MANAGEMENT'S DIRECTOR NOMINEES.

ELECTION OF DIRECTORS

GENERAL

The Corporation's articles of incorporation provide that the number of directors, as determined from time to time by the Board of Directors, shall be no less than six and no more than 15. The articles of incorporation further provide that the directors shall be divided into three classes, with each class serving a staggered three-year term and with the number of directors in each class being as nearly equal as possible.

Our Board of Directors currently consists of nine members, with one-third of the directors being elected annually.

The Board of Directors, based on the recommendation of the nominating committee, has nominated Gebran S. Anton, Joseph F. Jeannette and John W. Stroh, III, each for a three-year term expiring at the Corporation's 2011 annual meeting of stockholders, and upon election and qualification of their successors. Each of the nominees is presently a director of the Corporation whose term expires at the April 15, 2008 annual meeting of stockholders. The affirmative vote of a plurality of the votes cast is required for the nominees to be elected. This means that the nominees with the most affirmative votes are elected to fill the available seats. Accordingly, votes withheld have no effect on the election of directors. THE CORPORATION'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF MANAGEMENT'S DIRECTOR NOMINEES.

On October 26, 2007, the Board of Directors expanded the size of the board from eight to nine and appointed James T. Mestdagh to fill the new seat. Mr. Mestdagh was appointed to the class of directors whose terms expire in 2010. There were no arrangements or understandings pursuant to which Mr. Mestdagh was selected as a director. The other members of the Board will continue in office in accordance with their previous elections until the expiration of their terms at the Corporation's 2009 or 2010 annual meetings of stockholders.

It is the intention of the persons named in the enclosed proxy to vote the proxy for the election of the three nominees. The proposed nominees for election as directors are willing to be elected and serve; however, in the event that any nominee at the time of election is unable to serve or is otherwise unavailable for election, the Board of Directors may select a substitute nominee, and in that event the persons named in the enclosed proxy intend to vote the proxy for the person so selected. If a substitute nominee is not selected, the proxy will be voted for the election of the remaining nominees.

BOARD MEETINGS, BOARD COMMITTEES AND CORPORATE GOVERNANCE MATTERS

Attendance at Board, Committee and Annual Stockholders' Meetings. The Corporation's Board of Directors conducted ten meetings during fiscal 2007. The Board of Directors of the Bank, the Corporation's principal operating subsidiary, conducted ten meetings during fiscal 2007. Each director attended at least 75% of the (i) Corporation's Board meetings and any committees on which he or she served and (ii) Bank's Board meetings and any committees on which he or she served. In addition, all of our Board members are expected to attend the Corporation's annual meeting of stockholders, although the Corporation does not have any written policy as to Board members' attendance at the annual meeting of stockholders. Last year's annual meeting of stockholders was attended by the entire Board of Directors.

"Independent" Directors. The Board of Directors has determined that directors Gebran S. Anton, Joseph E. Catenacci, Salvatore Cottone, Celestina Giles, Joseph F. Jeannette, James T. Mestdagh, Dean S. Petitpren and John W. Stroh, III qualify as "independent" directors in accordance with the NASDAQ Marketplace Rules. The NASDAQ independence definition includes a series of objective tests, such as that the director is not an employee of the corporation and has not engaged in various types of business dealings with the corporation. As further required by the NASDAQ Marketplace Rules, the Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and the Corporation with regard to each director's business and personal activities as they may relate to the Corporation and its management.

Board Committees and Charter. The Board of Directors of the Corporation has standing Executive, Audit, Compensation and Nominating Committees. The Board of Directors has adopted a written charter for the compensation, audit and nominating committees, as well as a written code of business conduct and ethics that applies to all of our directors, officers and employees. These documents are posted on our web site at www.communitycentralbank.com under the "Shareholder" link. You may also obtain a copy of these documents free of charge by writing to our Corporate Secretary at Community Central Bank Corporation, 120 North Main Street, Mount Clemens, Michigan 48043, or by calling (586) 783-4500.

The Audit, Compensation and Nominating Committee members consist of solely independent directors as defined in the NASDAQ Marketplace Rules. In addition, the members of the Audit Committee each qualify as "independent" under standards established by the U.S. Securities and Exchange Commission (the "SEC") for members of audit committees. The Audit Committee also includes at least one independent member who the Board has determined meets the qualifications of an "audit committee financial expert" in accordance with SEC rules. Mr. Cottone is the independent director who has been determined to be an audit committee financial expert.

Executive Committee. The Executive Committee is comprised of Directors Anton, Cottone, Petitpren, and Widlak (Chairman). The Executive Committee met two times in 2007. The Executive Committee may exercise the full powers and

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

authority of the Board of Directors in the management of the business affairs and property of the Corporation during the intervals between meetings of the Board of Directors. The Executive Committee also has the power and authority to declare distributions and dividends and to authorize the issuance of stock to the extent permitted by Michigan law.

Audit Committee. During 2007, the Audit Committee was comprised of Directors Cottone (Chairman), Anton, Jeannette and Stroh, III. The Audit Committee met four times during fiscal 2007. The Audit Committee's responsibilities include hiring, terminating or reappointing the Corporation's

5

independent auditors, reviewing the scope of proposed audits and the procedures to be used, and the results of the audits, reviewing the adequacy and effectiveness of accounting and financial controls, and reviewing the entire internal and independent auditing function and the financial statements of the Corporation. The Audit Committee also approves non-audit and audit services to be performed by the independent auditors, reviews and approves all related party transactions for potential conflict of interest situations, and reviews and assesses the adequacy of the Audit Committee charter on an annual basis. The full responsibilities of the audit committee are set forth in its charter, a copy of which is posted on our web site at www.communitycentralbank.com.

Compensation Committee. During 2007, the Compensation Committee was comprised of Directors Catenacci, Jeannette and Petitpren (Chairman). The Compensation Committee met two times during fiscal 2007. The Compensation Committee reviews overall compensation policies and objectives for the Corporation and the Bank. The Compensation Committee's responsibilities include determining compensation and benefits for officers of the Corporation, based on recommendations of Chief Executive Officer, David A. Widlak, who is not present during voting or deliberations concerning his compensation. The Compensation Committee recommends to the full Board the appropriate level of compensation and the appropriate mix of cash compensation and equity compensation for Board and Board committee service. The Compensation Committee is also responsible for administering the option plans and benefit plans of the Corporation. Under the Corporation's 2002 Incentive Plan, the Compensation Committee may delegate to the Chairman of the Board, the President or to other senior officers of the Corporation any of its duties under the plan, except for its authority to grant awards, or to take other actions with respect to participants who are subject to Section 16 of the Exchange Act or are "covered employees" as defined in Section 162(m) of the Internal Revenue code of 1986, as amended. The full responsibilities of the Compensation Committee are set forth in its charter, a copy of which is posted on our web site at www.communitycentralbank.com.

Nominating Committee. During 2007, the Nominating Committee was comprised of Directors Petitpren (Chairman), Cottone, Giles, and Mestdagh. The Nominating Committee met one time during fiscal 2007. The Nominating Committee is responsible for reviewing and making recommendations to the Board of Directors as to its size and composition and recommending to the Board of Directors candidates for election as directors at the annual meetings, and filling any vacancies that may occur between annual meetings. The Nominating Committee will consider as potential nominees persons recommended by stockholders. Recommendations should be submitted to the Nominating Committee in care of Lisa M. Medlock, Secretary of the Corporation. Each recommendation should include a personal biography of the suggested nominee, an indication of the background or experience that qualifies such person for consideration, and a statement that such person has agreed to serve if nominated and elected. Stockholders who themselves wish to nominate a person for election to the Board of Directors, as

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

contrasted with recommending a potential nominee to the Board for its consideration, are required to comply with the advance notice and other requirements detailed in the Corporation's articles of incorporation. The Nominating Committee has the following responsibilities:

- (i) recommend to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;
- (ii) recommend candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in the Corporation's articles of incorporation and bylaws relating to the nomination or appointment of directors, based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable obligations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an

6

understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to the Corporation's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole;

- (iii) review nominations submitted by stockholders, which have been addressed to the Corporation's Secretary, and which comply with the requirements of the Corporation's articles of incorporation and bylaws. Nominations from stockholders will be considered and evaluated using the same criteria as all other nominations;
- (iv) annually recommend to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary; and
- (v) perform any other duties or responsibilities expressly delegated to the Committee by the Board.

The full responsibilities of the nomination committee are set forth in its charter, a copy of which is posted on our web site at www.communitycentralbank.com.

Communications with the Board of Directors. Stockholders may communicate directly with the Board of Directors, or any individual Board member, by sending written communications to the Corporation, addressed to the Chairman of the Board or such individual Board member.

We have no employment, severance or change in control agreements with our named executive officers. The stock options reported in the table above were granted by the Compensation Committee pursuant to the terms of the 2002 Incentive Plan. All options awarded pursuant to this plan are at an exercise price equal to the fair market value of the Corporation's common stock on the date of grant. Fair market value is defined under the plan as the mean between the highest and lowest sales price per share of the Corporation's common stock as reported on the NASDAQ Stock Market on the date of grant or, if there were no sales reported on the grant date, on the last preceding date on which a sale was reported. In the event an optionee is terminated following a change in control of the Corporation, the vesting period of the options, if any, is accelerated. The options are not transferable except by will or the laws of descent and distribution.

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

The Corporation, through the Community Central Bank Corporation Supplemental Executive Retirement Plan, and the Bank, through the Community Central Bank Supplemental Executive Retirement Plan, provides supplemental retirement benefits to the named executive officers (collectively, the "SERP"). The SERP is designed to provide monthly benefits over a 15-year period to each participant upon his retirement. The SERP is an unfunded plan. The Bank has obtained life insurance policies on the lives of the participants in the SERP as a means of offsetting the costs of providing the benefits under the SERP.

The annual benefit under the SERP upon retirement is the product of the participant's final average compensation, benefit percentage, and vested percentage. The participant's vested percentage is based on his years of credited service. Each participant's benefit percentage, vesting formula, and years of credited service are set out in the participant's SERP agreement. The SERP agreement may provide for a minimum or maximum SERP benefit amount. If a change in control occurs while the participant is actively employed by the Corporation, then the participant will fully vest in his SERP benefit regardless of his years of credited service.

Final average compensation is the average of the participant's three highest years of compensation, whether or not such years are consecutive. "Compensation" is defined as the annual cash compensation relating to services performed by a participant for the Bank or the Corporation during any calendar year, whether or not paid in such calendar year or included on the Federal Income Tax Form W-2 for such calendar year, excluding fringe benefits, stock options, other stock based compensation, relocation expenses, non-monetary awards, and automobile and other allowances paid to a participant for employment services rendered (whether or not such allowances are included in the participant's gross income).

The minimum benefit for Mr. Widlak and Mr. Colonius is \$75,000 per year paid monthly over a 15 year period upon retirement. The maximum benefit for these individuals is 50% of the average compensation of the three highest years of compensation as previously defined, on an annual basis to be paid monthly over a 15 year period upon retirement. The minimum and maximum benefit for Mr. Locricchio is set at \$50,000 per year, paid monthly upon retirement. Participants vest at a rate of 10% for each year of credited service. As of December 31, 2007, Mr. Widlak, Mr. Colonius and Mr. Locricchio had six, eight and five years of credited service, respectively.

A participant's vested SERP benefit commences upon the later of the date the participant attains age 65, or terminates employment with the Corporation (the "Normal Retirement Date"). The SERP pays monthly payments equal to one-twelfth of the participant's vested annual benefit as determined above. Monthly payments commence on the first day of the month after the participant's Normal Retirement Date, and continue for a specified number of months, typically one hundred and eighty (180). If the participant is a "specified employee" (generally an officer earning over \$145,000), his monthly payments may be delayed until 185 days after his termination of employment. At December 31, 2007, each of the executive officers, if they had terminated employment with the Corporation at that date, would have been entitled to annual retirement benefits under the SERP, payable for 15 years commencing at age 65, as follows: Mr. Widlak - \$91,974, Mr. Colonius - \$67,413, Mr. Locricchio - \$25,000. Mr. Reed, the former CEO of Community Central Bank, resigned in July 2007 and will receive an annual benefit of \$82,622 for 15 years commencing at age 65.

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

participant is subject to current taxation with respect to some or all of his SERP benefit, in which case some or all of his vested SERP benefit may be distributed. If the participant dies or is terminated for cause, no benefits are payable under this Plan. In the event of death, however, the participant's beneficiaries may receive a benefit under the Bank's Death Benefit Plan relating to his SERP benefit or the unpaid portion thereof.

If a participant dies before receiving any retirement benefits under the SERP, then pursuant to the Bank's Death Benefit Plan, his designated beneficiary will be entitled to receive a single lump sum amount equal to the equivalent actuarial value of the participant's SERP benefit plus a tax gross-up amount. If a participant dies after he has begun to receive retirement benefits under the SERP, then pursuant to the Bank's Death Benefit Plan, his designated beneficiary will be entitled to receive a single lump sum amount equal to the equivalent actuarial value of the participant's remaining SERP benefit plus a tax gross-up amount. The tax gross-up amount, which is intended to compensate a participant's beneficiary for federal, state and local income and employment taxes attributable to the participant's death benefit, is equal to 45 percent of the participant's death benefit payment. Under this scenario, at December 31, 2007, the lump sum present value including a tax gross up amount would be as follows: Mr. Widlak - \$842,286, Mr. Colonius - \$323,702 and Mr. Locricchio - \$213,511.

If the SERP is terminated, the participant's SERP benefit will be paid to him in a lump sum amount in cash as soon as practicable after the termination. The lump sum amount will be the equivalent actuarial value of the Participant's SERP benefit at the time the Plan is terminated. If the SERP had been terminated as of December 31, 2007, then under that scenario each of the executive officers would have been entitled to receive a lump sum amount, as follows: Mr. Widlak - \$1,429,500, Mr. Colonius - \$785,814 and Mr. Locricchio - \$466,207.

SELECTION OF AND RELATIONSHIP WITH INDEPENDENT AUDITOR

The Audit Committee of the Board of Directors has appointed Plante & Moran, PLLC as the Corporation's principal independent auditor for the year ending December 31, 2008. In making its determination to appoint Plante & Moran, PLLC as the Corporation's independent auditors for the 2008 fiscal year, the Audit Committee considered the non-audit services that the independent auditors provided during the 2007 fiscal year and determined that the provision of these services is compatible with and does not impair the auditors' independence. Representatives of Plante & Moran, PLLC plan to attend the annual meeting of stockholders, will have the opportunity to make a statement if they desire to do so, and will respond to appropriate questions by stockholders. The Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year, if it determines that such a change would be in the best interest of the Corporation and its stockholders.

PRE-APPROVAL OF AUDIT AND NON-AUDIT SERVICES

In compliance with Sarbanes, our Audit Committee pre-approves all audit and permissible non-audit services provided by our independent auditors. These services may include audit services, audit-related services, tax services and other services. Prior to engaging our independent auditors to render an audit or permissible non-audit service, the Audit Committee specifically approves the engagement to render that service. Accordingly, we do not engage our independent auditors to render audit or permissible non-audit services pursuant to pre-approval policies or procedures or otherwise, unless the engagement to provide such services has been approved by the Audit Committee in advance. The engagement of Plante & Moran, PLLC to render 100 percent of the services described in the categories above was approved by the Audit Committee in advance of the rendering of those services.

REPORT OF THE AUDIT COMMITTEE

The following Audit Committee Report does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Corporation filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Corporation specifically incorporates this report by reference.

Management has the primary responsibility for the financial statements and the reporting process, including the Corporation's systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements for the year ended December 31, 2007 with management, including a discussion of the quality and the acceptability of the Corporation's financial reporting and controls.

The Audit Committee has also discussed with the Corporation's independent auditors, Plante & Moran, PLLC, which firm is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of the Corporation's financial reporting and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including the matters required to be discussed pursuant to Statement on Auditing Standards No. 61 Communications with Audit Committees, as amended by Statement of Auditing Standards No. 90, Audit Committee Communications. The Audit Committee also received written disclosures and the letter from Plante & Moran, PLLC required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, disclosing the matters that, in the auditor's judgment, may reasonably be thought to bear on the auditors' independence from the Corporation, and has discussed with Plante & Moran, PLLC their independence from the Corporation. The Audit Committee has also considered the compatibility of the providing of non-audit services with maintaining the auditors' independence.

In fulfilling its oversight responsibility of reviewing the services performed by the Corporation's independent auditors, the Audit Committee carefully reviews the policies and procedures for the engagement of independent auditors and the fees paid by the Corporation for such services. The Audit Committee also discussed with the Corporation's internal and independent auditors the overall scope and plans for their respective audits and the fees paid by the Corporation for such services. The Audit Committee meets

Edgar Filing: COMMUNITY CENTRAL BANK CORP - Form DEF 14A

periodically with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting.

The Corporation's Chief Executive Officer and Chief Financial Officer also reviewed with the Audit Committee the certifications that each such officer will file with the SEC pursuant to the requirements of Sections 302 and 906 of the Sarbanes-Oxley Act of 2002 ("Sarbanes"). Management also reviewed with the Audit Committee the policies and procedures it has adopted to ensure the accuracy of such certifications.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2007 for filing with the Securities and Exchange Commission.
