MEADOWBROOK INSURANCE GROUP, INC.

PROXY STATEMENT

QUESTIONS AND ANSWERS

1. What is a proxy?

A proxy is a procedure which enables you, as a shareholder, to authorize someone else to cast your vote for you. The Board of Directors of Meadowbrook Insurance Group, Inc. (the Company) is soliciting your proxy, and asking you to authorize Robert S. Cubbin, President and Chief Executive Officer, Karen M. Spaun, Senior Vice President and Chief Financial Officer, or Michael G. Costello, Senior Vice President, General Counsel and Secretary of the Company, to cast your vote at the 2008 Annual Meeting. You may, of course, cast your vote in person or abstain from voting, if you so choose. The term proxy is also used to refer to the person who is authorized by you to vote for you.

2. What is a proxy statement and a proxy card?

A proxy statement is the document the United States Securities and Exchange Commission requires to explain the matters on which you are asked to vote. A proxy card is the form by which you may authorize someone else, and in this case Mr. Cubbin, Ms. Spaun, or Mr. Costello, to cast your vote for you. This proxy statement and proxy card with respect to the Company's 2008 Annual Meeting were mailed on or about April 3, 2008 to all shareholders entitled to vote at the Annual Meeting.

3. Who is entitled to vote?

Only holders of shares of the Company's common stock at the close of business on March 14, 2008 (the Record Date) are entitled to vote at the Annual Meeting. Each shareholder of record has one vote for each share of common stock for each matter presented for a vote.

4. What will I vote on at the Annual Meeting?

At the Annual Meeting, shareholders will vote upon:

- (i) Election of three directors for a three-year term expiring in 2011, or until the election and qualification of their successors;
- (ii) Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm; and
- (iii) Transact any other business that is properly submitted before the Annual Meeting or any adjournments of the Annual Meeting.

5. How does the Board of Directors recommend I vote on the proposals?

The Board of Directors recommends a vote FOR each proposal.

6. How can I vote?

You can vote in person or by proxy. To vote by proxy, complete, sign, date and return the enclosed proxy card in the enclosed envelope. If you returned your signed proxy card to the Company before the Annual Meeting, the persons named as proxies on the card will vote your shares as you direct. Shares represented by proxies, which are marked **WITHHELD** to vote for all three nominees for director, or for any individual nominee(s) for election as director(s) and which are not otherwise marked **FOR** the other nominees, will not be counted in determining whether a plurality vote has been received for the election of directors. Similarly, shares represented by proxies which are marked **ABSTAIN** on the proposals to ratify the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company in 2008, will not be counted in determining whether the requisite vote has been received for such proposal. **IF YOU WISH TO VOTE IN THE MANNER THE BOARD OF DIRECTORS RECOMMENDS, IT IS NOT NECESSARY TO SPECIFY**

Table of Contents

YOUR CHOICE ON THE PROXY CARD. SIMPLY SIGN, DATE AND RETURN THE PROXY CARD IN THE ENCLOSED ENVELOPE. You may revoke a proxy at any time before the proxy is voted by:

- (i) Providing written notice of revocation to the Secretary of the Company at the address shown on the Notice of Annual Meeting of Shareholders on the first page of this booklet;
- (ii) Submitting another proxy that is properly signed and dated later; or
- (iii) Voting in person at the meeting (but only if the shares are registered in the Company's records in your name and not in the name of a broker, dealer, bank or other third party).

7. Is my vote confidential?

Yes, your vote is confidential. Only the inspectors of election and certain employees associated with processing proxy cards and counting the votes have access to your proxy card. All comments received will be forwarded to management on an anonymous basis unless, of course, you ask that your name be disclosed.

8. What is a quorum?

There were 37,021,032 shares of the Company's common stock outstanding on the Record Date. A majority of the outstanding shares, or 18,510,517 shares, present or represented by proxy, constitutes a quorum. A quorum must exist to conduct business at the Annual Meeting. Abstentions and broker non-votes are counted as votes present. A broker non-vote is a proxy a broker submits that does not indicate a vote for the proposal, because the broker does not have discretionary voting authority and the broker did not receive instructions as to how to vote on the proposal.

9. How does voting work?

If a quorum exists at the Annual Meeting, a plurality vote, being the greatest number, of the shares voted, although not a majority is required to elect the three nominees for director. The three nominees receiving the highest number of votes will be elected. If a quorum is present, the affirmative vote by the holders of a majority of the shares present, or represented by proxy, is required to ratify the appointment of Ernst & Young LLP as the independent registered public accounting firm of the Company in 2008. Broker non-votes are excluded for each of these purposes. Therefore, a broker non-vote will have no effect on the proposals to elect the three nominees for director and ratify the appointment of Ernst & Young LLP as the independent registered public accounting firm for the Company in 2008.

The Company will vote properly executed proxies it receives prior to the Annual Meeting in the way you direct. If you do not specify instructions, the shares represented by proxies will be voted FOR the nominees for director and FOR the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm for the Company in 2008.

10. Who pays for the costs of the Annual Meeting?

The Company pays the cost of preparing and printing the proxy statement, proxy card and soliciting proxies. The Company will solicit proxies primarily by mail, but also may solicit proxies personally and by telephone, facsimile or other means. Officers and regular employees of the Company and its subsidiaries also may solicit proxies, but will receive no additional compensation for doing so, nor will their efforts result in more than a minimal cost to the Company. The Company also will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding solicitation material to beneficial owners of the Company's common stock.

11. When are stockholder proposals for the 2009 Annual Meeting due?

All shareholder proposals to be considered for inclusion in next year's proxy statement under Securities and Exchange Commission Rule 14a-8 must be submitted in writing to the Secretary of the Company at the address shown on the Notice of Annual Meeting of Shareholders on the first page of this booklet by December 4, 2008.

For any proposal that is not submitted for inclusion in next year's proxy statement but instead is sought to be presented directly at next year's annual meeting, Securities and Exchange Commission rules permit

Table of Contents

management to vote proxies in its discretion if (a) the Company receives notice of the proposal before the close of business on February 17, 2009 and advises shareholders in next year's proxy statement about the nature of the matter and how management intends to vote on such matter, or (b) does not receive notice of the proposal prior to the close of business on February 17, 2009.

The Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

**THE FIRST PROPOSAL ON WHICH YOU ARE VOTING
THE ELECTION OF THREE DIRECTORS**

The Company's Board of Directors (the Board) is divided into three classes with each class of directors elected to a three-year term of office. At each annual meeting of shareholders, the shareholders elect one class of directors for a three-year term to succeed the class of directors whose term of office expires at that meeting.

This year you are voting on three candidates for director. The Company's Board, acting upon the recommendation of its Governance and Nominating Committee, has nominated: Robert H. Naftaly, Robert W. Sturgis, and Bruce E. Thal as directors with terms expiring in 2011. Each nominee currently serves as a director, has consented to their nomination and has agreed to serve as a director, if elected.

If any of the nominees are unable to stand for election, the Company may vote the shares to elect a substitute nominee, who is nominated by the Board, or the number of directors to be elected at the Annual Meeting may be reduced.

The Company's Board recommends a vote FOR each of the nominees.

The Governance and Nominating Committee uses a subjective process for identifying and evaluating nominees for director, based upon the information available to members of the Governance and Nominating Committee and the then current needs of the Company. The Governance and Nominating Committee does not believe there would be any difference in the manner in which it evaluates nominees based on whether the nominee is recommended by a shareholder or director. Historically, nominees have been the existing directors or

persons with significant business, insurance, accounting, actuarial or legal experience.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion & Analysis

Overview

The Compensation Committee (the Committee) of the Board reviews and approves the goals and objectives for the Chairman and Chief Executive Officer, as well as evaluates their performance and approves their compensation. The Committee is also responsible for reviewing recommendations made by the Chief Executive Officer relating to the compensation of our named executive officers who report to the Chief Executive Officer. In addition, the Committee is responsible for reviewing and approving stock option awards and/or long-term incentive awards granted to applicable employees. The Committee is authorized to periodically review our compensation philosophy relating to the salaries, bonuses and other long-term incentive awards paid to our employees.

It is our policy to offer a compensation package including a competitive salary, an incentive bonus based upon individual and Company performance, as well as, competitive benefits. Our compensation policy for our named executive officers is similar to that of other employers and is intended to attract, motivate, and retain talented management, continued performance and attainment of corporate and personal goals, as well as to further promote our financial success by aligning executive officers' financial interest with long-term shareholder value.

The primary elements of our executive compensation program are base salary, annual incentive bonus, long-term cash and equity incentives, post-termination severance, and other benefits and perquisites. Other benefits and perquisites consist of a qualified 401(k) savings plan, a non-qualified deferred compensation plan, automobile allowance, and other miscellaneous perquisites summarized within the Summary Compensation Table.

Criteria for awarding stock options or long-term incentive awards to our named executive officers includes level of responsibility, expected future contributions, market data for our competitors in the insurance industry, corporate performance and actual achievement of individually established goals.

Compensation Assessment

Periodically, the Committee has retained Towers Perrin to review our compensation plans, as well as the compensation for our senior executives and the Board.

During 2006, the Committee engaged Towers Perrin to: 1) provide information relating to competitive salary, target annual and long term incentive levels for eight of our senior executives (excluding the Chairman of the Board) and current compensation trends, and 2) assess the structure of our annual bonus and Long Term Incentive Plan (LTIP). The review considered the compensation practices in the insurance industry, which was supplemented with general

industry data and companies similar in size, assets and revenue. The eight executive salaries and target annual bonus opportunities were within the competitive range of market median levels. However, the executives' long-term incentive award opportunities were, on average, below market median levels. For reference purposes, in addition to the survey pay analysis described above, Towers Perrin presented fiscal 2005 pay levels (from proxy filings) of nine insurance companies, specifically, HCC Insurance Holdings, Inc., Markel Corporation, Philadelphia Consolidated Holding Corporation, ProAssurance Corporation, RLI Corporation, Argonaut Group, Inc., Sea Bright Insurance Holdings, Inc., Tower Group and American Physicians Capital, Inc.

Table of Contents

The Committee considered many factors, including Towers Perrin's analysis and recommendations, when adjusting the structure of our executive compensation program. For 2007, minor adjustments were made to the executives' base salary and annual incentive bonus award opportunities. Certain of the executives' target award opportunities under the LTIP were increased to align with market competitive levels given our interest in recruiting and retaining a strong management team.

In 2007, we did not retain Towers Perrin, or any other firm, to review our compensation plans or to review the compensation of our senior executives and the Board.

Base Salary

Base salary is established based on various criteria consisting of level of responsibility, corporate performance, personal contribution to our success, experience, expertise and market data for our competitors in the insurance industry. We provide the opportunity for our executive officers to earn a competitive annual base salary. Generally, we believe executive base salaries should be set within the competitive range of salaries for executives in similar positions at comparable companies. Base salaries are reviewed annually and increases are based on corporate performance and individual performance. For 2007, the average increase in salaries of the named executive officers from 2006 salaries was approximately 3.0%. For 2008, the average increase in salaries of the named executive officers from 2007 salaries is approximately 5.0%.

Annual Incentive Bonus

In addition to base salaries, we have established a variable compensation Annual Bonus Plan (Bonus Plan) as an incentive for performance of our executive officers. We believe performance based cash bonuses are an important factor in providing incentives to executive officers to achieve pre-defined annual objectives. Criteria for determining the named executive officers' annual incentive bonus includes corporate performance, personal contribution to our success, achievement of individually established goals, market data for our competitors in the insurance industry and the attainment of other corporate objectives.

The Bonus Plan is a discretionary cash bonus plan premised upon a targeted growth in net after-tax earnings on a year over year basis. Each year, the Committee and our Board establish a new target based upon prior year performance and the forecasted performance levels anticipated for the following year. If the minimum threshold is met, the Bonus Plan is funded from 0% up to a maximum of 120% of the targeted bonus pool. The amount of the bonus pool is established by aggregating the individual targets for each participant, which is a percentage of salary.

At the end of the year, the Committee and the Board review our performance in relation to performance targets and then establish the total bonus pool to be utilized to pay cash bonuses to the management team based upon overall corporate and individual participant goals. At the discretion of the Board, actual bonuses paid may be above or below targeted bonus levels. Ultimately, all awards are reviewed and approved by the Board both at inception and distribution.

In February 2007, the Board, upon recommendation of the Committee, established target bonus awards, based on a percentage of salary for each named executive officer. In February 2008, the Committee and the Board determined the applicable performance goals were substantially achieved in 2007 and on February 8, 2008, the Committee and the Board approved the distribution of the annual bonus awards.

Long Term Incentive Plan Compensation

We provide the opportunity for our named executive officers and other executives to earn a long-term incentive award under our LTIP. The LTIP is intended to provide an incentive to management to improve performance over a three-year period, thereby increasing shareholder value. The LTIP is not discretionary and is based upon a target for an average three-year return on beginning equity. The first performance period was for the years 2004-2006 (2004 LTIP Grant). On February 9, 2007, the Committee and the Board approved the targets for the 2007-2009 performance period (2007 LTIP Grant).

The targets under the 2007 LTIP Grant are predicated upon a minimum annual growth rate of 15% of after-tax operating income being achieved prior to the achievement of the targets relating to the 2007 LTIP Grant. The return

Table of Contents

on beginning equity target for the 2007 LTIP Grant is 13.1%. In addition, the 2007 LTIP Grant award is based upon the achievement of a cumulative three-year net operating income target of \$89.0 million. If the targets are met and all other terms and conditions are satisfied, the 2007 LTIP Grant award would be awarded upon the final approval of the Committee and the Board in the beginning of 2010. The 2007 LTIP Grant can be funded from 0% up to 120%, or 160% for our executive officers who report directly to our Chief Executive Officer.

One-half of the LTIP is paid in cash and one-half is paid in common stock. The cash portion of the award is made in three annual installments, with the first payment being paid as of the end of the performance period. The remaining two payments would be paid in the subsequent two years. Any unpaid portion of a cash award is subject to forfeiture if the participant voluntarily leaves, or is discharged for cause. The stock portion of the award is issued as a stock award under the terms and conditions of our 2002 Amended and Restated Stock Option Plan as of the end of the performance period. The number of shares of common stock awarded is based upon the closing stock price at the beginning of the three year performance period. A participant's percentage is established by the Committee and the Board in advance of any new three-year LTIP award. Ultimately, all awards under the LTIP are reviewed and approved by the Board both at inception and distribution.

The following table outlines the computation of the three-year target award for each named executive officer under the LTIP, which is based upon a percentage of salary at the beginning of the performance period.

Name	Salary at the Beginning of the Performance Period (\$)	Percentage of Salary	Annual Target (\$)	Three-Year Target Award (\$)	Maximum Payout of Three-Year Target Award
Robert S. Cubbin	535,000	60%	321,000	963,000	160%
Karen M. Spaun	248,000	40%	99,200	297,600	160%
Merton J. Segal	385,000	50%	192,500	577,500	120%
Michael G. Costello	255,000	40%	102,000	306,000	160%
James M. Mahoney	225,000	25%	56,250	168,750	160%

The grant date share price for the potential stock award under the 2007 LTIP Grant was \$9.89, the closing price of the Company's common stock on December 29, 2006.

Stock Options

In addition to the above variable compensation plans, we also provide for the granting of stock options under our 2002 Amended and Restated Stock Options Plan (the Plan). The Plan is intended to further our interests and our shareholders interests by attracting, retaining, and motivating key management. The Plan provides for the grant of stock options (which may be nonqualified options or incentive stock options for tax purposes) and restricted stock awards.

The Committee is authorized to determine the terms and conditions of all restricted stock awards and option grants, subject to the limitations that the option price per share may not be less than the fair market value of a share of common stock on the date of grant and the term of an option may not be longer than ten years. Payment of the option price may be made in any manner specified by the Committee (which may include payment in cash or common stock or by cashless exercise).

We did not grant any stock options during 2007 and have not granted any stock options since 2003.

Executive Perquisites

We provide the opportunity for our named executive officers to receive certain perquisites, such as automobile allowances and reimbursement for club membership dues. We also offer participation in our defined contribution 401(k) plan, as well as a non-qualified deferred compensation plan. In addition, our named executive officers occasionally receive tickets to sporting events or entertainment for personal use if the tickets are not needed for business use, for which we do not incur incremental costs. These benefits are provided as an additional incentive for our executives and to remain competitive within the marketplace for such talent. These perquisites are summarized within the *Other Compensation Table* below.

Table of Contents**Chief Executive Officer Compensation**

For 2007, the Committee established fourteen performance objectives for Mr. Cubbin. The performance goals included financial, operational and entity-wide control objectives. The financial objectives included goals for return on equity, earnings per share, targeted combined ratio, growth of after-tax profit, written premium, and fee and commission revenue. The operational goals included a benchmark for the implementation of new programs, growth of the Company's fee based business and consideration of strategic acquisitions. Further, the entity-wide control objectives included implementation of a risk assessment policy, and maintenance of the internal controls over financial reporting. The Committee determined that Mr. Cubbin achieved substantially all of these performance objectives for 2007. Mr. Cubbin's base salary for the year ended December 31, 2007 was \$575,000. In addition, Mr. Cubbin received an annual bonus of \$450,000 for his performance in 2007. Based upon Mr. Cubbin's performance in 2007, the Committee awarded a salary increase for 2008 of \$45,000. Further, the Committee approved a targeted annual bonus for 2008 of 50% of his base salary.

Our Executive Nonqualified Excess Plan (the "Excess Plan") is intended to be a nonqualified deferred compensation plan. The Excess Plan allows certain employees, including the named executive officers, to defer receipt of current compensation in order to provide retirement and other benefits, as provided for in the Excess Plan. Deferred amounts are credited with earnings or losses based on the rate of return of funds selected by the participants in the plan. The Excess Plan is intended to be an unfunded plan maintained primarily for the purpose of providing deferred compensation benefits for eligible employees. We do not make contributions to participants' accounts under the Excess Plan. Participants may defer up to 100% of salary and bonus payments. Distributions are made in either a lump sum or installments over a period not to exceed five years as chosen by the executive at the time of the deferral.

Pension Benefits

We do not sponsor any qualified or non-qualified defined benefit plans and therefore our named executive officers do not participate in these types of plans.

Potential Payments upon Termination or Changes in Control

We have entered into employment agreements with certain of our named executive officers. The employment agreements provide for payments of certain benefits, as outlined in the table below, upon termination. The named executive officer's rights upon termination are dependent upon certain circumstances. The employment agreements are described in further detail after the table.

Table of Contents

The following table illustrates the potential maximum payouts to each named executive officer under each circumstance. The table assumes the termination occurred on December 31, 2007.

These restrictions are in addition to those already in effect for all Company employees. In the event Mr. Segal's employment is terminated for cause, he is not entitled to any severance payment under the employment agreement.

In the event of Mr. Segal's death, fifty percent of his remaining base salary that may be due under the employment agreement would be paid to his designee.

Robert S. Cubbin and Michael G. Costello Employment Agreements

The Company entered into employment agreements with Mr. Cubbin and Mr. Costello effective January 1, 2004 through December 31, 2006. Unless either the Company or they give notice to the other party of an election not to renew their employment agreement on or before December 31, 2004, and annually thereafter, the employment agreement will automatically be extended one additional year.

Mr. Cubbin's employment agreement provides for a base salary of not less than \$37,500 per month. Mr. Costello's provides for a base salary of not less than \$18,417 per month. In addition, at the sole discretion of the Company, upon the attainment of certain growth and profitability goals, profit center goals and personal goals and objectives, each agreement provides for a discretionary bonus. Mr. Cubbin's agreement provides for a discretionary bonus targeted at fifty percent of his base salary. Mr. Costello's agreement provides for a discretionary bonus targeted at forty percent of his base salary. Furthermore, each agreement provides for; (1) participation in Company Option Plans, (2) participation in the Company's Long Term Incentive Plan, and (3) severance benefits upon termination of employment under the circumstances described below.

In the event Mr. Cubbin's employment is terminated by the Company and without cause, or by Mr. Cubbin for good reason, the Company shall pay to Mr. Cubbin (a) his base salary for twenty-four months over the Company's regularly scheduled payroll, (b) a pro rata share of the portion of Mr. Cubbin's discretionary bonus that is based on Company performance criteria, and (c) Mr. Cubbin's COBRA premiums for health care coverage for eighteen months, or, if earlier, the cessation of Mr. Cubbin's and his family members' eligibility for COBRA continuation coverage.

In the event Mr. Cubbin's employment is terminated by the Company following a change in control and without cause, or by Mr. Cubbin for good reason, the Company shall pay to Mr. Cubbin (a) an amount equal to two times the sum of (i) Mr. Cubbin's annual base salary, plus (ii) Mr. Cubbin's target discretionary bonus, to be paid in a lump sum payment within ten days following the date Mr. Cubbin's employment terminates, (b) a pro rata share of the portion of

Mr. Cubbin's discretionary bonus that is based on Company performance criteria no later than the February 28th following the year Mr. Cubbin's employment terminates, (c) Mr. Cubbin's COBRA premiums for health care coverage for eighteen months, or, if earlier, the cessation of Mr. Cubbin's and his family members' eligibility for COBRA continuation coverage, and (d) any outstanding stock options, if any, shall vest and become exercisable by Mr. Cubbin. In the event his employment terminates following a change in control and Mr. Cubbin becomes entitled to the aforementioned payments, Mr. Cubbin has agreed to be subject to restrictive covenants

against competing with the Company for a period of two years following such termination of employment. These restrictions are in addition to those already in effect for all Company employees.

In the event Mr. Cubbin's employment is terminated for cause, he is not entitled to any severance payment under the employment agreement, he forfeits all of the shares of Company stock subject to a pledge agreement with the Company, but the Demand Note he has with the Company is cancelled and deemed paid in full. (See **Certain Relationships and Related Party Transactions**). The Demand Note was amended effective June 1, 2001 and deemed a non-recourse loan with the Company's sole remedy in the event of a default being the reclamation of the shares of the Company that were pledged as collateral. The employment agreement also provides that in the event Mr. Cubbin's employment is terminated by the Company without Cause or as a result of any purchaser acquiring fifty percent or more of the outstanding shares of the Company, then (a) the Demand Note shall be cancelled and deemed paid in full, and (b) Mr. Cubbin shall be entitled to retain his shares of Company stock subject to the pledge agreement or, in his discretion, sell the shares back to the Company at the then current market price or book value, whichever is greater. This provision continues in effect the identical provision contained in the amendment to Mr. Cubbin's prior employment agreement with the Company that was adopted on June 15, 2002.

In the event Mr. Costello's employment is terminated by the Company and without cause, or by Mr. Costello for good reason, the Company shall pay to Mr. Costello (a) his base salary for twenty-four months over the Company's regularly scheduled payroll, (b) a pro rata share of the portion of Mr. Costello's discretionary bonus that is based on Company performance criteria, and (c) Mr. Costello's COBRA premiums for health care coverage for eighteen months, or, if earlier, the cessation of Mr. Costello's and his family members' eligibility for COBRA continuation coverage.

In the event Mr. Costello's employment is terminated by the Company following a change in control and without cause, or by Mr. Costello for good reason, the Company shall pay to Mr. Costello (a) an amount equal to two times the sum of (i) Mr. Costello's annual base salary, plus (ii) Mr. Costello's target discretionary bonus, to be paid in a lump sum payment within ten days following the date Mr. Costello's employment terminates, (b) a pro rata share of the portion of Mr. Costello's discretionary bonus that is based on Company performance criteria no later than the February 28th following the year Mr. Costello's employment terminates, (c) Mr. Costello's COBRA premiums for health care coverage for eighteen months, or, if earlier, the cessation of Mr. Costello's and his family members' eligibility for COBRA continuation coverage, and (d) any outstanding stock options, if any, shall vest and become exercisable by Mr. Costello. In the event his employment terminates following a change in control and Mr. Costello becomes entitled to the aforementioned payments, Mr. Costello has agreed to be subject to restrictive covenants against competing with the Company for a period of two years following such termination of employment. These restrictions are in addition to those already in effect for all Company employees.

In the event Mr. Costello's employment is terminated for cause, he is not entitled to any severance payment under the employment agreement.

Terms Applicable to the Employment Agreements

Cause is generally defined to include (i) a failure by the executive to obey the reasonable and lawful orders of the Board of Directors; (ii) misconduct by the executive that is materially injurious to the Company; or (iii) dishonest activities injurious to the Company. If the executive's employment is terminated for Cause, he is not entitled to any severance payment.

Change in Control is generally defined as

(a)

- the acquisition by any individual, entity or group of beneficial ownership of 35% or more of either (i) the then outstanding shares of Company stock or (ii) the combined voting power of the then outstanding Company securities. Covered acquisitions do not include (i) acquisitions directly from the Company, (ii) acquisitions by the Company, (iii) acquisitions by any employee benefit plan (or related trust) sponsored or maintained by the Company, or (iv) an acquisition that meets the requirements of clauses (i), (ii) and (iii) of subparagraph (c) of this paragraph,
- (b) the date on which incumbent members of the Board of Directors cease to constitute a majority of the Board of Directors. For this purpose, an individual is considered an incumbent member of the Board

Table of Contents

of Directors if the individual serves on the Board of Directors as of the effective date of the employment agreements or if the individual becomes a director subsequent to that date, provided that the individual's election or nomination for election by the Company's shareholders is approved by a majority of the directors then making up the Company's incumbent board. Any individual who becomes a director as a result of an actual or threatened solicitation of proxies or contests on behalf of an individual, entity or group described in subparagraph (a) of this paragraph, other than the Board of Directors of the Company, shall not be considered an incumbent board member,

- (c) consummation of a reorganization, merger, share exchange or consolidation or other disposition of substantially all of the assets of the Company, unless (i) all or substantially all beneficial owners of the Company's common stock and voting stock immediately prior to any of the listed business combinations, own at least 65% common stock and 65% of the voting stock of the entity resulting from the business combination, in substantially the same proportions as their ownership immediately prior to the business combination, (ii) no individual, entity or group described in subparagraph (a) of this paragraph, excluding a corporation which results from the business combination or an employee benefit plan of that corporation, owns 35% or more of that corporation's common stock or 35% or more of that corporation's voting stock, and (iii) at least a majority of the members of the board of directors of the corporation resulting from the business combination were incumbent board members, as described in subparagraph (b) at the time the Board of Directors acted to enter into the business combination, and
- (d) the approval by the Company's shareholders of a complete liquidation or dissolution of the Company.

Good Reason is generally defined as the executive tendering his resignation within 6 months following the date on which (a) the executive is not reelected to or is removed from the title and office he currently holds with the Company, (b) the Company fails to vest in the executive the responsibilities, authority or resources he reasonably needs to competently perform his duties in his current title and office for the Company, (c) the Company changes the executive's primary location of employment to a place more than 50 miles from Southfield, Michigan, (d) the Company commits a material breach of its obligations under the employment agreement and fails to cure the breach within 30 days following the executive giving notice of the breach, or (e) the Company gives notice that it will not renew the employment agreement. (Not applicable to Employment Agreement of Mr. Segal, dated January 1, 2006.)

AT-WILL EMPLOYMENT AND SEVERANCE AGREEMENTS

It is the Company's philosophy to attract and retain high-quality people, which is crucial to the short-term and long-term success of the Company. In order to further this goal, the Company determined that it was in the best interests of the Company to enter into At-Will Employment and Severance Agreements (the Agreements) with twelve senior executives of the Company, including Karen M. Spaun and James M. Mahoney. These Agreements provide for a lump-sum severance payment (of up to twelve months of the executive's annual base salary, plus one times the executive's targeted annual bonus) to the executive in the event the executive's employment is terminated without Good Cause or by the executive for Good Reason within two years following a Change of Control of the Company. If the executive is terminated within the two year period following a Change of Control and the termination is for Good Cause, then, no severance payment would be due the executive. Further, if the executive voluntarily resigns or his or her employment is not terminated within the two year period following a Change of Control and the executive's employment is terminated thereafter, no severance payment would be due the executive.

Under the Agreements, the terms Cause, Change in Control, and Good Reason have substantially the same meanings as those terms described above in the section entitled *Terms Applicable to the Employment Agreements*.

The Compensation Committee reviewed and approved the Agreements and those executives eligible for such Agreements. The actions of the Compensation Committee were also ratified by the Board of Directors of the Company.
