**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To be held December 6, 2004**

GENERAL

This Proxy Statement is furnished in connection with the solicitation of the enclosed Proxy on behalf of the Board of Directors of Trio-Tech International, a California corporation (Trio-Tech or the Company), for use at the annual meeting of shareholders of the Company (the Annual Meeting) to be held at our principal executive offices, located at 14731 Califa Street, Van Nuys, California at 10:00 a.m., local time, on Monday, December 6, 2004, and at any adjournments thereof, for the purposes of electing directors and such other business as may properly come before the Annual Meeting. This Proxy Statement and the enclosed Proxy are intended to be mailed to shareholders on or about November 5, 2004.

RECORD DATE AND VOTING SECURITIES

The close of business on October 8, 2004 has been fixed as the record date for shareholders entitled to notice of and to vote at the Annual Meeting. As of that date, there were 2,964,542 shares of the Company s common stock (the Common Stock) outstanding and entitled to vote, the holders of which are entitled to one vote per share.

VOTING GENERALLY

In the election of directors, a shareholder may cumulate his votes for one or more candidates, but only if each such candidate s name has been placed in nomination prior to the voting and the shareholder has given notice at the meeting, prior to the voting, of his intention to cumulate his votes. If any one shareholder has given such notice, all shareholders may cumulate their votes for the candidates in nomination. If the voting for directors is conducted by cumulative voting, each share will be entitled to a number of votes equal to the number of directors to be elected. These votes may be cast for a single candidate or may be distributed among two or more candidates in such proportions as the shareholder thinks fit. The four candidates receiving the highest number of affirmative votes will be elected. Abstentions will be counted for purposes of determining the presence of a quorum but with respect to the election of directors, any votes against a candidate or withheld from voting (whether by abstention, broker non-votes or otherwise) will not be counted and will have no legal effect on the vote. Discretionary authority to cumulate votes is solicited hereby.

Shareholders are requested to date, sign and return the enclosed Proxy to make certain their shares will be voted at the Annual Meeting. Any Proxy given may be revoked by the shareholder at any time before it is voted by delivering written notice of revocation to the Secretary of the Company, by filing with the Secretary of the Company a Proxy bearing a later date, or by attending the Annual Meeting and voting in person. All Proxies properly executed and returned will be voted in accordance with the instructions specified thereon. If no instructions are specified, Proxies will be voted FOR the election of the four nominees for directors named under Election of Directors.

BOARD MEETINGS AND COMMITTEES

The Board held four meetings during the fiscal year ended June 30, 2004. All of the directors attended (in person or by telephone) at least 75% of the meetings of the Board and any committees of the board on which they served during the fiscal year. Directors are expected to use their best efforts to be present at the annual meeting of shareholders. All of our directors attended the 2003 Annual Meeting of Shareholders.

Table of Contents

The Company does not have a standing nominating committee. The entire Board nominates the directors for election at the Annual Meeting. Because the Company currently has only four Board members, three of whom are independent (as defined under the listing standards of the American Stock Exchange upon which the Company's securities are listed), the Board of Directors does not believe that a separate nominating committee is necessary as any selection of nominees, by virtue of the composition of the current Board, would be by a vote that would be the same as the vote of any separate committee consisting of only the independent directors. Furthermore, the Board values the input of each of its members and believes that input is important in determining the Board nominees. At such time, if any, as the Board composition changes, the Company may establish a separate nominating committee. As a result, the entire Board participates in the consideration of Board nominees and nominated the candidates for election named in this Proxy Statement.

The Board has adopted a resolution addressing the nomination process and related matters. That resolution states, among other things, that the Board believes that the continuing service of qualified incumbents promotes stability and continuity in the board room, contributing to the Board's ability to work as a collective body, while giving the Company the benefit of the familiarity and insight into the Company's affairs that its directors have accumulated during their tenure. The resolution further states that the Board will evaluate the performance of its Board members on an annual basis in connection with the nomination process. The Board may solicit recommendations for nominees from persons that the Board believes are likely to be familiar with qualified candidates, including without limitation members of the Board and management of the Company. The Board may also determine to engage a professional search firm to assist in identifying qualified candidates if the need arises. The Board has not adopted specific minimum qualifications for a position on the Company's Board or any specific skills or qualities that the Board believes are necessary for one or more of its members to possess. However, the Board will consider various factors including without limitation the candidate's qualifications, the extent to which the membership of the candidate on the Board will promote diversity among the directors, and such other factors as the Board may deem to be relevant at the time and under the then existing facts and circumstances.

The Board will consider candidates proposed by shareholders of the Company and will evaluate all such candidates upon criteria similar to the criteria used by the Board to evaluate other candidates. Shareholders desiring to propose a nominee for election to the Board must do so in writing sufficiently in advance of an annual meeting so that the Board has the opportunity to make an appropriate evaluation of such candidate and his or her qualifications and skills and to obtain information necessary for preparing all of the disclosure required to be included in the Company's proxy statement for the related meeting should such proposed candidate be nominated for election by shareholders. Shareholder candidate proposals should be sent to the attention of the Secretary of the Company at 14731 Califa Street, Van Nuys, California 91411.

The Board has a standing Compensation Committee, which currently consists of all of the directors, namely Messrs. S. W. Yong, Jason T. Adelman, Richard M. Horowitz and A. Charles Wilson. The Compensation Committee administers the Company's existing stock option plans and determines salary and bonus arrangements. The Compensation Committee met four times during the past fiscal year. Although Mr. Yong was on the Compensation Committee, his compensation for fiscal 2005 was determined by the three independent directors on the Compensation Committee and he was not present during voting or deliberations relating to his compensation. Mr. Yong no longer serves on the Compensation Committee.

The Board has a separately designed standing Audit Committee, which currently consists of Messrs. A. Charles Wilson, Chairman, and Jason T. Adelman and Richard M. Horowitz. The Board of Directors has determined that the Audit Committee has at least one financial expert, namely A. Charles Wilson. The Board of Directors has affirmatively determined that Mr. Wilson does not have a material relationship with the Company that would interfere with the exercise of independent judgment and is independent as independence is defined in Section 121(A) of the listing standards of the American Stock Exchange. Pursuant to its written charter, which charter was adopted by the

Board of Directors, the Audit Committee is charged with, among other responsibilities, selecting our independent public accountants, reviewing our annual audit and meeting with our independent public accountants to review planned audit procedures. The Audit Committee also reviews with the independent public accountants and management the results of the audit, including any recommendations of the independent public accountants for improvements in accounting procedures and internal controls. The Audit Committee held eight meetings during the fiscal year ended June 30, 2004. Each of the members of the Audit Committee satisfies the independence standards specified in Section 121(A) of the

Table of Contents

AMEX listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended. A copy of the Audit Committee charter, as recently revised with the approval of the Board, is attached as Annex A to this Proxy Statement.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviewed and discussed with management the audited financial statements of the Company for the fiscal year ended June 30, 2004.

The Audit Committee received from BDO International (BDO) the written disclosures and letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed with the auditors any relationships that may reasonably be thought to impact their objectivity and independence and satisfied itself as to the auditors independence.

The Audit Committee discussed with BDO International the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees, and, with and without management present, discussed and reviewed the results of the independent auditors examination of the financial statements.

Based on the above-described review, written disclosures, letter and discussions, the Audit Committee recommended to the Board of Directors of the Company that the audited financial statements for the fiscal year ended June 30, 2004 be included in the Company's Annual Report on Form 10-K for that fiscal year.

COMPENSATION OF DIRECTORS

During the fiscal year ended June 30, 2004, Messrs. Horowitz and Adelman, as non-employee directors, each received quarterly fees in an amount equal to \$1,500 for each Board meeting attended and \$1,000 for each Audit Committee meeting attended, and an annual fee of \$5,000. Mr. Wilson, as a non-employee director, Chairman of the Board, Chair of the Audit Committee and Chair of the Compensation Committee, received quarterly fees in an amount equal to \$12,500 for each quarter in which he attended a Board meeting. The directors were also reimbursed for out-of-pocket expenses incurred in attending meetings. The Company believes that the director fees paid to its directors were substantially less than the fees paid to directors of comparable public companies.

Each of our directors is entitled to participate in our 1998 Director Stock Option Plan (the Directors Plan) and receives automatic annual grants of options to purchase shares of our Common Stock. On July 1, 2004, each of Messrs. Horowitz and Adelman were automatically granted options to purchase 5,000 shares of Common Stock at an exercise price of \$4.40 per share and additional options to purchase 5,000 shares of Common Stock at an exercise price of \$4.40 per share. Each of Messrs. Wilson and Yong were automatically granted options to purchase 10,000 shares of Common Stock at an exercise price of \$4.40 per share and additional options to purchase 10,000 shares of Common Stock at an exercise price of \$4.40 per share. All options were vested immediately upon grant and terminate five years from the date of grant unless terminated sooner upon termination of the optionee's status as a director or otherwise pursuant to the applicable plan. The exercise price for shares purchasable upon the exercise of options granted under the applicable plan is 100% of fair market value (as defined in the applicable plan) of the Company's Common Stock on the date of grant of each such option.

The purpose of the Directors Plan is to give appropriate compensation to the Directors of the Company. The Company believes that the Directors Plan will provide non-employee Directors and the President of the Company (if he or she is a Director of the Company) an opportunity to acquire Common Stock of the Company and will create an incentive for them to serve on the Board of Directors of the Company and contribute to the Company's long-term growth and profitability objectives.

Table of Contents**VOTE REQUIRED FOR ELECTION**

The four persons receiving the highest number of affirmative votes will be elected as directors of the Company. Votes against a nominee or withheld from voting (whether by abstention, broker non-votes or otherwise) will have no legal effect on the vote.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors of Trio-Tech is responsible for, among other duties, determining the compensation of all officers, including the Chief Executive Officer, and producing the annual report.

Presently the Compensation Committee members include only the independent directors of the Company.

The compensation program presently in effect at Trio-Tech International has three elements: (1) base annual salary; (2) potential annual cash incentive awards that are based primarily on financial performance of the Company or its relevant business operating units; and (3) long-term incentives in the form of stock options.

Base salary

In determining the compensation levels for the top executive officers, namely the Chief Executive Officer and Chief Financial Officer, the Committee reviewed compensation policies of other companies comparable in size to and within substantially the same industry as Trio-Tech.

There were several factors that the Committee considered while evaluating the annual performance of the top executive officers. The Committee reviewed the actual performance for the year against budget and forecast. Besides the measurement against financial performance, the Committee reviewed whether the top executive officers achieved

Table of Contents

their long-term and short-term objectives, such as keeping costs low. However, the measurement was subjective as the Committee also took into consideration the overall market conditions. The Chief Executive Officer is also entitled to a retirement plan similar to an IRS 401-K, the only officer who receives such a benefit.

The fiscal year 2004 base cash compensation for officers of the Company who reside in Singapore was denominated in the currency of Singapore. The exchange rate therefore was established as of June 30, 2004 and was computed to be 1.72 Singapore Dollars to each U.S. Dollar. Singapore executive officers' base salaries are credited with a compulsory contribution under Singapore's provident pension fund.

Bonuses

The Compensation Committee approved in July 2003 the bonus formula for the year ending June 30, 2004 for the Chief Executive Officer, as intended to satisfy the requirements of Section 162(m) of the Code. The 2004 bonus formula for the Chief Executive Officer was based on 5% of pre-tax profits of the Company's overall performance. Such arrangements depend solely on the profitable results in the Company during the fiscal year.

The Compensation Committee also considered awarding additional discretionary annual cash bonuses to its executive officers based primarily on the Company's overall performance and, to a lesser extent, on the contribution each executive made to the Company's success and directed the Singapore Subsidiary to formulate and grant the performance bonuses.

Stock options

Under the 1998 Stock Option Plan, the Compensation Committee may grant options to purchase Common Stock to employees of the Company, including executive officers. Options grants have an exercise price equal to the fair market value of the Common Stock on the grant date and become exercisable over a period of time or if the Company attains specified levels of economic profit or earnings per share. It is the Compensation Committee's policy that the vesting schedules for options grants be predominantly performance based, with appropriately aggressive vesting targets. Generally, the Compensation Committee considers the making of option grants on an annual basis. The number of options awarded are generally determined based upon management's recommendation and are based upon the position held by an executive, that executive's performance and contributions to the Company over the prior year and the executive's expected future contribution.

In this context, with respect to fiscal year 2003, the Compensation Committee reviewed the performance of its officers and key-employees and, in recognition of their contributions, they were granted options covering, in the aggregate, 61,000 shares at an exercise price of \$2.66 per share. Stock options for 10,000 shares of Common Stock were granted to Mr. S.W Yong and Mr. Victor H.M. Ting was granted 7,000 stock options in July 2003.

Chief Executive Officer's compensation

Mr. Yong's base annual salary remained the same in the currency of Singapore, which was based on market data for chief executive officers in similarly sized companies, or in similar industries. The variance in his base salary as compared to fiscal 2003 was due to the appreciation of Singapore dollars against U.S. dollars. Base salary was also credited with a compulsory contribution under Singapore's provident pension fund (CPF) and a contribution to a retirement plan similar to an IRS 401-K. In June 2004, the Compensation Committee approved the basis of the bonus awards to Mr. Yong, which remained the same as fiscal 2003. Mr. Yong was entitled to a bonus of approximately \$14,000 for fiscal 2004. Other compensation consisted of directly paid auto expenses which remained unchanged from fiscal 2004.
