To Be Held May 19, 2005**

GENERAL INFORMATION

We are sending you this Proxy Statement in connection with the solicitation of proxies by the Board of Directors of STAAR Surgical Company, a Delaware corporation (referred to as the Company, we, our or us), for use at our annual meeting of stockholders (the Annual Meeting) to be held at the Four Points Sheraton, located at 700 West Huntington Drive, Monrovia, California 91016 on Thursday, May 19, 2005, at 10:00 a.m. (California time), and at any continuation, adjournment or postponement of the Annual Meeting. Only stockholders of record (the Stockholders) at the close of business on March 31, 2005 (the Record Date) are entitled to notice of and to vote, in person or by proxy, at the Annual Meeting or any continuation, adjournment or postponement thereof. The Notice of Annual Meeting, this Proxy Statement and the accompanying proxy card are being mailed to Stockholders on or about April 19, 2005.

Matters to be Considered

The matters to be considered and voted upon at the Annual Meeting will be:

1. Election of Directors. To elect one person to serve as a Class I director of the Company until the annual meeting of stockholders to be held in 2008, or until his successor has been elected and qualified. The Board of Directors nominee is David Bailey for Class I director.

2. Ratification of Appointment of Independent Registered Public Accounting Firm. To ratify the appointment of BDO Seidman, LLP as the Company s independent registered public accounting firm for the year ending December 30, 2005.

3. Other Business. To transact such other business as properly may come before the Annual Meeting or any continuation, adjournment or postponement thereof.

Method of Voting

Stockholders can vote by proxy or by attending the Annual Meeting and voting in person. A proxy card (the Proxy) is enclosed. If you vote by means of the Proxy, the Proxy must be completed, signed and dated by you or your authorized representative. The completed Proxy may be returned in the postage-paid envelope provided, or by facsimile to the Inspectors of Election at (626) 358-3049. David Bailey and John Bily, the designated proxyholders (the Proxyholders), are members of the Company s management. If you hold Common Stock in street name, you must either instruct your broker or nominee as to how to vote such shares or obtain a proxy, executed in your favor by your broker or nominee, to be able to vote at the Annual Meeting.

Table of Contents

If a Proxy is properly signed, dated and returned and is not revoked, the Proxy will be voted at the Annual Meeting in accordance with the Stockholder's instructions indicated on the Proxy. If no instructions are indicated on the Proxy, the Proxy will be voted FOR the election of the Board of Directors' nominee, FOR ratification of the appointment of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2005 and in accordance with the recommendations of the Board of Directors as to any other matter that may properly be brought before the Annual Meeting or any continuation, adjournment or postponement thereof.

Revocability of Proxies

Any Stockholder giving a Proxy has the power to revoke it at any time before it is exercised. A Stockholder may revoke a Proxy by filing a written revocation, or a duly executed Proxy bearing a later date, with the Company's Secretary at our principal executive offices located at 1911 Walker Avenue, Monrovia, California 91016 prior to the commencement of the Annual Meeting. A Stockholder may also revoke the Proxy by attending the Annual Meeting and voting in person. Stockholders whose shares are held in street name should consult with their broker or nominee concerning the method for revoking their Proxy.

Voting Rights

At the close of business on the Record Date, there were 20,690,638 shares of Common Stock outstanding, which constitute all the outstanding voting securities of the Company. Each Stockholder is entitled to one vote, in person or by proxy, for each share of Common Stock standing in his or her name on the books of the Company at the close of business on the Record Date, on each matter presented to the Stockholders at the Annual Meeting. Stockholders may not cumulate votes in the election of directors.

A majority of the shares of Common Stock issued and outstanding and entitled to vote at the Annual Meeting, present either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Votes withheld, abstentions and broker non-votes (as defined below) will be counted for purposes of determining the presence of a quorum.

In the election of directors, the candidates receiving the highest number of votes, up to the number of directors to be elected, will be elected. Our Certificate of Incorporation and our Bylaws divide our Board of Directors into three classes, with each class to be elected for a three-year term on a staggered basis.

Each proposal described in this Proxy Statement, other than the election of directors, requires the affirmative vote of a majority of the outstanding shares of Common Stock present, in person or by proxy, and entitled to vote at the Annual Meeting. An abstention on any proposal submitted to the Stockholders, other than the election of directors, will be included in the number of votes cast on that proposal and, accordingly, will have the effect of a vote

AGAINST the proposal. However, a broker non-vote with respect to a proposal will not be included in the number of shares counted as being present for the purpose of voting on that proposal and, accordingly, will have the effect of reducing the number of affirmative votes required to approve the proposal.

Brokers holding Common Stock in street name who are members of a stock exchange are required by the rules of the exchange to transmit this Proxy Statement to the beneficial owner of the Common Stock and to solicit voting instructions with respect to the matters submitted to the Stockholders. If the broker has not received instructions from the beneficial owner by the date specified in the statement accompanying such material, the broker may give or authorize the giving of a Proxy to vote the Common Stock at his discretion in the election of directors or the appointment of independent registered public accounting firm. However, brokers or nominees do not have discretion to vote on certain other proposals without specific instructions from the beneficial owner. When a broker or nominee votes a client's shares on some but not all proposals, the missing votes are referred to as broker non-votes. If you hold Common Stock in street name and you fail to instruct your broker or nominee as to how to vote such shares, your broker or nominee may, in its discretion, vote such shares FOR the election of the Board of Director's nominee and FOR the ratification of the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm.

Solicitation of Proxies

This Proxy solicitation is made by the Board of Directors of the Company, and the Company will bear the costs of this solicitation, including the expense of preparing, printing, assembling and mailing this Proxy Statement and any other material used in this solicitation of Proxies. If it appears desirable to do so to ensure adequate representation at the Annual Meeting, officers and regular employees may communicate with Stockholders, banks, brokerage houses, custodians, nominees and others by telephone, facsimile, e-mail or in person to request that Proxies be furnished. No additional compensation will be paid for these services. We will furnish copies of solicitation materials to banks, brokerage houses, custodians, nominees, and others to be forwarded to the beneficial owners of Common Stock held in their names. We will reimburse banks, brokerage firms and other persons representing beneficial owners of Common Stock for their reasonable expenses in forwarding solicitation materials to the beneficial owners.

Other Business

As of the date of this Proxy Statement, the Board of Directors knows of no business to be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting. If, however, other matters are properly brought before the Annual Meeting, including a motion to adjourn the Annual Meeting to another time or place in order to solicit additional proxies in favor of the recommendations of the Board of Directors, the Proxyholders intend to vote the shares represented by the Proxies on such matters in accordance with the recommendation of the Board of Directors, and the authority to do so is included in the Proxy.

These options vest in three equal annual installments from the date of grant, 20,000 of which are currently vested. The Board of Directors can change the compensation of directors at any time.

Meetings of the Board

The Board of Directors held eleven (11) meetings during 2004. All of the directors attended all of the meetings of the Board and at least 75% of the meetings of each committee on which he served in 2004.

It is the policy of the Company to require members of the Board of Directors to attend the annual meeting of stockholders, if practicable. All directors attended the 2004 annual meeting of stockholders.

Committees

The Board of Directors has a Nominating, Governance and Compensation Committee and an Audit Committee. The members of each committee serve at the discretion of the Board of Directors.

Nominating, Governance and Compensation Committee.

The current members of the Nominating, Governance and Compensation Committee are David L. Schlotterbeck, who serves as chairman of the committee, Volker D. Anhaeusser and Donald Duffy. Each member of the Nominating, Governance and Compensation Committee is independent as that term is defined under Rule 4200A(a)(15) of the Nasdaq Marketplace Rules.

The principal purposes of the committee are to help ensure that (A) the Board of Directors is appropriately constituted to meet its fiduciary obligations to stockholders and the Company, (B) the Company has and follows appropriate governance standards, and (C) the executive officers of the Company and its subsidiaries are compensated in a manner consistent with (i) the compensation strategy of the Company determined by the Board of Directors, (ii) treatment of all executive officers in an equitable and consistent manner, (iii) the Company's need to compete in recruiting and retaining qualified executive officers, and (iv) the requirements of the appropriate regulatory bodies. The Committee also administers the Company's 2003 Omnibus Equity Incentive Plan.

To carry out its purpose with respect to nominations and governance, the committee (i) identifies individuals qualified to become members of the Board of Directors, consistent with criteria approved by the Board of Directors, (ii) recommends the director nominees to be selected by the Board of Directors for the next annual meeting of stockholders, (iii) develops and recommends to the Board of Directors corporate governance principles applicable to the Company, and (iv) oversees the evaluation of the Board of Directors and management. For further information concerning the criteria and procedures for selecting director nominees, see *Nominating Procedures and Criteria* below.

During 2004, the Nominating, Governance and Compensation Committee held five meetings and took action by written consent two times.

Audit Committee.

The current members of the Audit Committee are Donald Duffy, who serves as the chairman of the committee, David L. Schlotterbeck and Volker D. Anhaeusser. Each member of the Audit Committee is

Table of Contents

independent as that term is defined under the rules of the SEC. The principal purposes of the Audit Committee are to oversee (i) the quality and integrity of the Company's financial statements, (ii) the qualifications and independence of the Company's independent registered public accounting firm, and (iii) the performance of the Company's independent registered public accounting firm. The Audit Committee met nine times in 2004.

The Company has determined that Donald Duffy, the Chair of the Audit Committee, qualifies as an audit committee financial expert under the rules of the SEC.

Charters of the Committees.

The charters of the Audit Committee and the Nominating, Governance and Compensation Committee are available on the Company's web site at www.staar.com, under Investor/ Media Corporate Governance.

Nominating Procedures and Criteria

Among its functions, the Nominating, Governance and Compensation Committee considers and approves nominees for election to the Board of Directors in accordance with its written charter.

In addition to the candidates proposed by the Board of Directors or identified by the committee, the committee considers candidates for director suggested by our stockholders, provided the recommendations are made in accordance with the procedures required under our Bylaws and described in this Proxy Statement under the heading GENERAL INFORMATION Procedures for Stockholder Nominations. Stockholder nominations that comply with these procedures and that meet the criteria outlined below will receive the same consideration that the committee's nominees receive.

Essential criteria for all candidates considered by the committee include the following: integrity and ethical behavior; maturity; management experience and expertise; independence and diversity of thought; broad business or professional experience; and an understanding of business and financial affairs, and the complexities of business organizations.

In evaluating candidates for certain Board positions, the committee evaluates additional criteria, including the following: financial or accounting expertise; experience in the medical device industry or other regulated industries; scientific accomplishment in medicine, physiology or medical devices; experience in commercializing and marketing ophthalmic devices; other medical devices or pharmaceuticals; business and other experience relevant to public companies of a size comparable to the Company; and experience in investment banking, commercial lending or other financing activities.

In selecting nominees for the Board of Directors, the committee evaluates the general and specialized criteria set forth above, identifying the relevant specialized criteria prior to commencement of the recruitment process, considers previous performance if the candidate is a candidate for re-election, and generally considers the candidate's ability to contribute to the success of the Company.

The Board of Director's nominee for the Annual Meeting has been recommended by the committee, and has been selected by the independent directors and the full Board of Directors.

The Stockholders did not propose any candidates for election at the Annual Meeting.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2004, Volker D. Anhaeusser, John R. Gilbert and David Morrison served on our Nominating, Governance and Compensation Committee. Beginning on the date of the 2004 annual meeting of stockholders, the Nominating, Governance and Compensation Committee had to be comprised solely of independent directors under Nasdaq Rule 4200(a)(15). Because Mr. Morrison received compensation as a consultant in excess of \$60,000 in fiscal years 2001 and 2002, he is not deemed independent under Rule 4200(a)(15) and did not continue to serve on the committee when it was constituted at the meeting of the Board of Directors following the 2004 annual meeting of stockholders. Mr. Duffy replaced Mr. Morrison

Table of Contents

as a member of the committee. Mr. Gilbert resigned as a director effective September 25, 2004. David L. Schlotterbeck was appointed to the Board of Directors on January 18, 2005, and became chairman of this committee. None of these individuals is employed by the Company. Except for Mr. Morrison, none of these individuals was a party to any transactions with the Company during 2004. Mr. Morrison is the sole owner of DRM Strategic Services Ltd., which received consulting fees of \$13,000 during 2004. See Certain Relationships and Related Transactions Consulting Agreement.

Compensation issues were also brought before the full Board of Directors.

In that regard, the Board of Directors has requested that certain items that are unrelated to the duties and responsibilities of the Board of Directors should be excluded, such as:

Guenther Roepstorff	25,000	3	3.95	4/06/2015	62,103	157,382

- (1) The potential realizable dollar value of any given option is the difference between (i) the fair market value of the stock underlying such option as of the date of grant, adjusted to reflect hypothetical 5% and 10% annual growth rates applying simple interest from the date of grant of such option until the expiration date of such option, and (ii) the exercise price for such option. The 5% and 10% are hypothetical growth rates prescribed by the SEC for illustration purposes only and are not a forecast or prediction as to future stock prices. The actual amount that a named executive officer may realize will depend on various factors on the date the option is exercised, so there is no assurance that the value realized by a named executive officer will be at or near the value set forth above in the chart.
- (2) All options were granted at fair market value on the date of grant, as defined by the 2003 Omnibus Equity Incentive Plan, and first become exercisable in three equal installments on each of the first three anniversaries of the date of grant. Vesting may be accelerated based on achievement of performance goals as specified by the Compensation Committee of the Board of Directors.
- (3) No SARs were granted to the named executive officers in 2004.
- (4) The numerator in calculating this percentage includes options granted to each named executive officer in his or her capacity both as an officer (employee) and, if applicable, as a director. The denominator in calculating this percentage is 963,500, which represents the number of shares subject to all options granted to all employees of the Company, including the named executive officers, which includes, if applicable, options granted to them in

their capacities as directors.

- (2) The dollar values are calculated by determining the difference between the fair market value of the securities underlying the options and the price of the options at exercise.
- (3) The dollar value provided represents the cumulative difference in the fair market value of the Common Stock underlying all in-the-money options as of the last day of the 2004 fiscal year and the exercise prices for such options. Options are in-the-money if the fair market value of the underlying Common Stock as of the last day of the 2004 fiscal year exceeds the exercise price of such options. The fair market value of the Common Stock for purposes of this calculation is \$6.27, based on the closing price for the Company's stock as quoted on the Nasdaq National Market on December 31, 2004, the last day of the Company's 2004 fiscal year.

REPORT OF THE NOMINATING, GOVERNANCE AND COMPENSATION COMMITTEE

The Report of the Nominating, Governance and Compensation Committee of the Board of Directors shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 (the Securities Act) or under the Securities Exchange Act of 1934 (the Exchange Act), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

General. The Nominating, Governance and Compensation Committee establishes specific awards under our equity plans, such as stock options, and determines the compensation for the Company s executive officers. Executive compensation can include salary, bonus, and option grants as well as other perquisites that vary with the level of responsibility.

Compensation Philosophy. In determining the compensation for a particular executive officer, the Nominating, Governance and Compensation Committee was guided in 2004 by the following objectives:

attracting and retaining officers by maintaining competitive compensation packages; and

motivating officers to achieve and maintain superior performance levels.

The Nominating, Governance and Compensation Committee s policy generally is to pay base salaries for executive officers that are competitive with salaries paid to executives of other companies of similar size in the Company s industry. Bonus programs and equity incentives plans are designed to motivate our executives to achieve strategic objectives and performance objectives established by the Board of Directors.

Base Salaries. Base salaries are generally at or below the median base salaries paid to employees with comparable duties by other companies in our industry that are of a similar size. Salaries are established by the Nominating, Governance and Compensation Committee based on its subjective assessment of the executive s scope of responsibility, level of experience, individual performance, and past and potential contribution to the Company s business.

Annual Cash Bonuses. The Nominating, Governance and Compensation Committee, in its sole discretion, approves the payment of bonuses from time to time to the Company s employees, including its executive officers, as an incentive to influence employees to be productive over the course of each fiscal year. The determination of which executive officers should receive a bonus and what the amount of the bonus should be is based on a subjective analysis of the executive s level of responsibility, performance of duties and attainment of performance goals, and also takes into consideration other types and amounts of compensation paid to the executive, such as commissions.

Bonuses generally are based upon the achievement of corporate goals such as: (i) the Company s revenue and net income results versus the prior year; and (ii) the performance of the Company as compared to its industry. In addition, an element of the total bonus awarded may relate to the performance of the individual against preset personal objectives. A greater percentage of the senior officers total bonus is based upon the achievement of corporate objectives versus the achievement of preset personal objectives.

The Nominating, Governance and Compensation Committee approved the grant of discretionary bonuses for 2004 to the following Named Executive Officers in the following amounts: (i) John Bily, \$50,000, equivalent to 20% of Mr. Bily s base salary, due to Mr. Bily s key role in the management of global finance and SEC compliance this leadership and focus allowed the Company to complete its compliance with Section 404 of the Sarbanes-Oxley Act of 2002 successfully; (ii) Nicholas Curtis, \$34,950, equivalent to 15% of Mr. Curtis base salary, due to Mr. Curtis role in setting up the ICL training group and marketing plan ahead of the U.S. launch of the ICL pending FDA approval; (iii) Thomas Paul, \$41,250, equivalent to 25% of Mr. Paul s base salary, due to Mr. Paul s key role in strengthening the Company s collamer manufacturing

Table of Contents

process and overall compliance on a global basis, in particular at our Nidau facility; and (iv) Guenther Roepstorff, \$90,821, equivalent to 25% of Mr. Roepstorff's base salary, due to Mr. Roepstorff's management of the Company's German operations, which had a net income increase of 43% for 2004 compared to 2003. The reasons mentioned above for the granting of discretionary bonuses are a few examples of the achieved preset personal objectives considered by the Committee.

The committee also granted Mr. Bailey, Mr. Curtis, Mr. Paul, and Mr. Roepstorff options to purchase 35,000, 25,000, 50,000 and 25,000 shares of the Company's Common Stock, respectively, at an exercise price of \$3.95.

Long-term Stock Ownership Plans. During 2004, the Company had several active stock plans in place for employees, officers and directors including the STAAR Surgical Company 2003 Omnibus Equity Incentive Plan (the 2003 Omnibus Plan), the 1998 STAAR Surgical Company Stock Plan, the 1996 STAAR Surgical Company Non-Qualified Stock Plan, the 1991 Stock Option Plan of STAAR Surgical Company and the STAAR Surgical Company Stock Option Plan and Agreement for Chief Executive Officer. With the exception of the 1996 STAAR Surgical Company Non-Qualified Stock Plan and non-qualified options that were not part of a formal plan, the stockholders of the Company have approved these plans. The plans afford the Company the ability to make stock grants and to grant incentive stock options, non-qualified stock options, and stock appreciation rights to, among others, the Company's directors, officers and employees.

On June 25, 2003, our stockholders approved the 2003 Omnibus Plan to allow the Company to consolidate existing incentive plans into one incentive plan. On approval of the 2003 Omnibus Plan, all prior plans were amended and incorporated into the 2003 Omnibus Plan. Outstanding options under the prior plans and shares available for future issuance under the prior plans will now be covered by the 2003 Omnibus Plan. However, the substantive terms of outstanding options issued under the prior plans will not be changed and will continue to be governed by the terms of the plans under which they were originally issued.

The Nominating, Governance and Compensation Committee believes that long-term equity incentive awards serve to align the interests of the executive officers with those of the Company's stockholders. Under the 2003 Omnibus Plan, the Company may grant any type of award whose value is derived from the value of the Common Stock of the Company, including shares of Common Stock, options and stock appreciation rights. To date, the Company has only granted stock options under its equity incentive plans.

The exercise price of the stock options granted to date has been no less than the fair market value of the Common Stock as of the date of grant. If employment is terminated (other than on death or disability), the unvested portion of the option expires immediately and the vested portion of the option expires 90 days from the termination date. To encourage retention, the ability to exercise the option is subject to vesting restrictions. The Nominating, Governance and Compensation Committee's policy is to award to executive officers an option on employment, which generally vests over three years, and is in recognition of the executive officer's potential contribution to the Company. Decisions made by the Nominating, Governance and Compensation Committee regarding the timing and size of subsequent option grants take into consideration the Company's and the individual's performance, competitive market practices, and the size and term of option grants made in prior years.

Compensation for Chief Executive Officer. Mr. Bailey's compensation is described in the section of this Proxy Statement entitled Employment Agreements. Mr. Bailey's base compensation of \$380,582 was based on competitive market forces, his extensive experience in the ophthalmic products industry and his successful management of the surgical division of CIBA Vision Corporation, a private company with over \$1 billion in revenues.

The Nominating, Governance and Compensation Committee granted Mr. Bailey a discretionary bonus of \$50,000 for the 2004 fiscal year. This is based on Mr. Bailey's development and implementation of a comprehensive plan to improve the Company's international operations and achieving a 38% increase in sales of the ICL in international markets. On April 7, 2005, the Committee also approved the grant of an option to purchase 150,000 shares of the Company's Common Stock at an exercise price of \$3.95.

Policy under Section 162(m) of the Internal Revenue Code. The Nominating, Governance and Compensation Committee has not formulated a policy in qualifying compensation paid to executive officers for deductibility under Section 162(m) of the Internal Revenue Code, and does not foresee the necessity of doing so in the near future. Should limitations on the deductibility of compensation become a material issue, the Compensation Committee will, at such time, determine whether such a policy should be implemented, either in general or with respect to specific transactions.

Table of Contents**Employee Benefit Plans*****2003 Omnibus Equity Incentive Plan***

The 2003 Omnibus Equity Incentive Plan (the *2003 Omnibus Plan*) was adopted by the Board of Directors on May 14, 2003 and approved by the stockholders on June 25, 2003, as a new plan and as a consolidation of the Company's existing incentive plans. 4,913,629 shares of Common Stock were authorized for awards under the 2003 Omnibus Plan, consisting of 1,000,000 newly available shares, and 3,913,629 shares that were already available or subject to outstanding awards under the 1991 Stock Option Plan of STAAR Surgical Company, the 1995 STAAR Surgical Company Consultant Stock Plan, the 1996 STAAR Surgical Company Non-Qualified Stock Plan, the 1998 STAAR Surgical Company Stock Plan and the STAAR Surgical Company Stock Option Plan and Agreement for Chief Executive Officer (the *Prior Plans*). The 2003 Omnibus Plan also provides that on each January 1 during the life of the plan the number of shares of Common Stock available for awards will automatically increase by a number of shares equal to 2% of the Company's outstanding Common Stock, up to a maximum of 1,586,371 additional shares, and a maximum total of 6,500,000 shares issuable pursuant to incentive stock options. As of December 31, 2004, 503,253 shares were authorized and available for grants under the 2003 Omnibus Plan.

The 2003 Omnibus Plan is administered by the Nominating, Governance and Compensation Committee of the Board of Directors (the *Committee*). Employees, non-employee directors, and consultants of the Company and its subsidiaries are eligible to participate in the 2003 Omnibus Plan. Awards available under the 2003 Omnibus Plan include stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards and other stock-based awards that may be approved by the Committee. Stock options under the 2003 Omnibus Plan may either be issued in a form intended to qualify as incentive stock options (*ISOs*) within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the *Code*), or non-qualified options, which are not intended to satisfy Section 422 of the Code. Awards granted under the 2003 Omnibus Plan may generally not be transferred except by will or the laws of descent.

While the Committee has the discretion to determine the exercise price of options under the 2003 Omnibus Plan, an option intended to be an ISO may not be priced at less than 100% of fair market value on the date of grant. No ISO may be granted under the 2003 Omnibus Plan to any person who, at the time of the grant, owns (or is deemed to own) stock possessing more than 10% of the total combined voting power of the Company or any affiliate of the Company, unless the option exercise price is at least 110% of the fair market value of the stock subject to the option on the date of the grant and the term of the option does not exceed five years from the date of the grant. In general, stock options issued under the 2003 Omnibus Plan may not have a term in excess of ten years from the date of grant.

The 2003 Omnibus Plan will terminate on May 13, 2013, unless terminated earlier by the Board of Directors.

401(k) Plan

During the fiscal year ended December 31, 2004, employees who participate may elect to make salary deferral contributions to the 401(k) Plan up to \$13,000 of the employees' eligible payroll, subject to annual Internal Revenue Code maximum limitations. The Company makes a contribution of 50% of the employee's contribution up to the first 2% of the employee's compensation, and 25% of the next 4% of compensation. In addition, the Company may make a discretionary contribution to qualified employees, in accordance with the 401(k) Plan.

The Audit Committee of the Board of Directors is currently composed of three directors who are independent directors as defined under Nasdaq and SEC rules. The Audit Committee operates under a written charter adopted by the Board of Directors.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management is responsible for the Company's financial statements and the financial reporting process, including the system of internal controls. The independent registered public accounting firm is responsible for (i) expressing an opinion on whether the Company's financial statements fairly present, in all material respects, the Company's financial position and results of operations and conform with generally accepted accounting principles and (ii) an opinion on whether management's assessment that the Company maintained effective internal control over financial reporting as of December 31, 2004, is fairly stated, in all material respects, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission. In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the audited financial statements that have been included in our Annual Report on Form 10-K for the year ended December 31, 2004.

The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. The Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, the inclusion of the audited financial statements in the Annual Report on Form 10-K for the 2004 fiscal year for filing with the Securities and Exchange Commission. The Audit Committee has recommended the selection of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2005, subject to approval by the Stockholders at the Annual Meeting.

The Audit Committee considered whether the fees paid the registered public accounting firm for non-audit services were compatible with maintaining the registered public accounting firm's independence, and concluded that they were. These fees are listed below under the caption Independent Registered Public Accounting Firm.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act, as amended (the Exchange Act), and the SEC's rules there under, require our directors, executive officers and persons who own more than 10% of our Common Stock to file reports of ownership and changes in ownership of our Common Stock with the SEC and to furnish to us copies of all reports they file. The SEC has established specific due dates for these reports and requires the Company to report in this Proxy Statement any failure by these persons to file or failure to file on a timely basis.

To our knowledge, based solely on a review of the copies of such reports received or written representations from the reporting persons, we believe that during our 2004 fiscal year our directors, executive officers and persons who own more than 10% of our Common Stock complied with all Section 16(a) filing requirements.

Table of Contents**PROPOSAL NO. 2****RATIFICATION OF REGISTERED PUBLIC ACCOUNTING FIRM**

The Board of Directors, upon the recommendation of the Audit Committee, has ratified the selection of BDO Seidman, LLP to serve as our independent registered public accounting firm for the fiscal year ending December 30, 2005.

Although this appointment is not required to be submitted to a vote of the Stockholders, the Audit Committee believes it is appropriate as a matter of policy to request that the Stockholders ratify the appointment. If the Stockholders do not ratify the appointment, which requires the affirmative vote of a majority of the outstanding shares of the Common Stock present, in person or by proxy, and entitled to vote at the Meeting, the Board of Directors will consider the selection of another independent registered public accounting firm.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF BDO SEIDMAN, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 30, 2005.

Representatives of BDO Seidman, LLP, the independent registered public accounting firm for the Company for fiscal 2004, will be invited to be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and to respond to appropriate questions.

Principal Accountant Fees and Services

The following table summarizes the aggregate fees for professional services provided by BDO Seidman, LLP related to fiscal 2004 and fiscal 2003:

	2004	2003
Audit Fees(1)	\$ 593,000	\$ 406,000
Audit-related Fees(2)	9,000	128,000
Tax-related Fees(3)	1,000	3,000
All Other Fees(4)	3,000	

- (1) Both 2004 and 2003 Audit Fees include: (i) the audit of our consolidated financial statements included in our Form 10-K and services attendant to, or required by, statute or regulation; (ii) reviews of the interim condensed consolidated financial statements included in our quarterly reports on Form 10-Q; (iii) comfort letters, consents and other services related to SEC and other regulatory filings; and (iv) associated expense reimbursements. Audit Fees for 2004 also include the audit of management's report on the effectiveness of internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002.
- (2) Audit-related Fees were for audits of our employee benefit plan and also included in 2003, costs associated with our inquiry of the SEC regarding the accounting treatment of officer's notes.
- (3) Tax-related Fees were for services related to tax compliance.
- (4) All Other Fees in 2004 were related to charges incurred in providing access to audit workpapers.

The Audit Committee administers the Company's engagement of BDO Seidman, LLP and pre-approves all audit and permissible non-audit services on a case-by-case basis. In approving non-audit services, the Audit Committee considers whether the engagement could compromise the independence of BDO Seidman, LLP, and whether for reasons of efficiency or convenience it is in the best interest of the Company to engage its independent registered public accounting firm to perform the services. The Audit Committee has determined that performance by BDO Seidman, LLP of the non-audit services related to the fees on the table above did not affect their independence.

Prior to engagement, the Audit Committee pre-approves all independent auditor services. The fees are budgeted and the Audit Committee requires the independent auditor and management to report actual fees

versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.
