- (1) Vice President Shelf and Offshore in 2005 and until promoted to indicated position as of April 27, 2006.
- (2) For the period after March 1, 2006, payable 50% by each of Mariner and Mariner Energy Resources, Inc., a wholly-owned subsidiary of Mariner (MERI).
- (3) Dollar amount is calculated by multiplying the number of shares of common stock awarded (158,709) by \$14, the trading price of Mariner s common stock on the business day immediately preceding the date the award was granted. Grantees are entitled to vote, and accrue dividends on, the restricted stock prior to vesting; provided that any dividends that accrue on the restricted stock prior to vesting will only be paid to grantees to the

extent the restricted stock vests. Except in specified circumstances, the restricted shares will be automatically forfeited in the event a grantee's employment terminates prior to the vesting date of the awards. The restricted stock granted will vest, and restrictions will terminate, on the later of (i) the first anniversary of the grant date, which was March 11, 2005, and (ii) the occurrence of a Public Sale Date, as defined in Mariner's Equity Participation Plan, as amended; but in no event later than the second anniversary of the date of grant. Notwithstanding this vesting schedule, the unvested shares of restricted stock will become fully vested upon death or disability of the employee, or if employment is terminated by Mariner for

reasons other than for cause, or if the employee elects to terminate employment with good reason, or upon the occurrence of a change of control, as those terms are defined in the agreement governing the grant. In connection with the merger between Forest Energy Resources, Inc. and a subsidiary of Mariner on March 2, 2006, each of Mariner's executive officers agreed, in exchange for a cash payment of \$1,000, that his or her shares of restricted stock will not vest before the later of March 11, 2006 or ninety days after the effective date of the merger, which is May 31, 2006.

- (4) Amounts shown reflect insurance premiums paid by Mariner with respect to term life insurance for Mr. Hansen's benefit, employer 401(k) contributions,

and in 2003, consulting payments before employment and a retention payment. The amount for 2005 includes \$7,000 of employer matching contributions made pursuant to Mariner's 401(k) plan, \$8,400 made pursuant to the profit sharing portion of the 401(k) plan, and \$583 of insurance premiums under Mariner's group term life insurance.

The employment agreement between Mariner (and in addition with respect to Mr. Hansen, MERI) and each of Messrs. Josey, Polasek, van den Bold, Lester and Hansen, and Ms. Bushman provide that Mariner's Board of Directors (and in addition with respect to Mr. Hansen, MERI's Board of Directors) annually will review the executive's base salary and consider whether the executive is eligible to receive a discretionary salary increase and a discretionary performance bonus, in each case based on market survey data, corporate performance, and the performance of the executive. Any increase in base salary is thereafter the executive's base salary for purposes of the employment agreement. This summary of certain terms of these employment agreements is qualified in its entirety by reference to the employment agreements.
