PROXY STATEMENT FOR THE 2002 ANNUAL MEETING OF SHAREHOLDERS

The Company's Board of Directors is furnishing you with this Proxy Statement to solicit proxies to be voted at the 2002 Annual Meeting of Shareholders. The Annual Meeting will be held at 10:00 a.m. on Wednesday, May 1, 2002 at Bank One Center, One Bank One Plaza, Dearborn and Madison Streets (Plaza Level), Chicago, Illinois 60670. The proxies also may be voted at any adjournments or postponements of the meeting.

The mailing address of our principal executive offices is One East Wacker Drive, Chicago, Illinois 60601. We began sending these proxy materials on or about March 25, 2002 to all shareholders entitled to vote at the 2002 Annual Meeting.

All properly executed proxy cards, and all properly completed proxies submitted by telephone or through the internet, that are delivered in response to this solicitation will be voted at the Annual Meeting in accordance with the directions given in the proxy, unless the proxy is revoked before the meeting.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Proxy and Proxy Statement

What is a Proxy?

It is your legal appointment of another person to vote the stock you own. That other person is called a proxy. If you appoint someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated the Company's Chairman and Chief Executive Officer, Richard C. Vie, and the Company's Executive Vice President and Chief Financial Officer, Eric J. Draut, to act as proxies for the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares if you provide a proxy in the manner described in this Proxy Statement.

What is a Proxy Statement?

It is a document that sets forth the information required by the federal securities laws and regulations administered by the Securities and Exchange Commission ("SEC") which is intended to allow you to vote on an informed basis at the Annual Meeting.

Voting and Record Date

Edgar Filing: UNITRIN INC - Form DEF 14A

What am I being asked to vote on?

The following two proposals will be voted on at the Annual Meeting. For further information regarding these proposals, please refer to the discussion contained in this Proxy Statement.

1

Proposal 1: Election of Directors

With respect to Proposal 1, you are being asked to vote on the election of a Board of Directors consisting of the following ten nominees:

- . James E. Annable
- . Eric J. Draut
- . Douglas G. Geoga
- . Reuben L. Hedlund
- . Jerrold V. Jerome
- . William E. Johnston, Jr.
- . Fayez S. Sarofim
- . Donald G. Southwell
- . Richard C. Vie
- . Ann E. Ziegler

The Board of Directors recommends that you vote "FOR" each of the nominees.

Proposal 2: To Approve the Adoption of the Unitrin, Inc. 2002 Stock Option Plan

With respect to Proposal 2, you are being asked to vote to approve the Board of Directors' adoption of the Unitrin, Inc. 2002 Stock Option Plan.

The Board of Directors recommends that you vote "FOR" approval of the adoption of the Unitrin, Inc. 2002 Stock Option Plan.

Who can vote?

You are entitled to vote at the Annual Meeting if you owned Unitrin common stock at the close of business on March 11, 2002. This date is called the record date.

How many shares of Unitrin stock are eligible to be voted at the Annual Meeting?

At the close of business on the record date of March 11, 2002, there were 67,663,129 shares of Unitrin common stock issued and outstanding. Accordingly, 67,663,129 shares of Unitrin common stock are eligible to be voted at the Annual Meeting. Unitrin had no other voting securities outstanding on March 11, 2002.

Edgar Filing: UNITRIN INC - Form DEF 14A

How many votes do I have?

Each share of Unitrin common stock that you owned on the record date entitles you to one vote. Your proxy card indicates the number of shares of Unitrin common stock that you owned on March 11, 2002 which are eligible to be voted at the Annual Meeting.

2

How do I vote in person?

If you owned Unitrin common stock in your own name on March 11, 2002, your name will appear on the list of record shareholders of the Company and, if you wish to attend in person, you will be admitted to attend the Annual Meeting and vote by written ballot. However, if your shares are held in the name of a broker, bank or other institution, you must present written evidence at the Annual Meeting from the institution indicating that you were the beneficial owner of the shares on March 11, 2002 and that you have been authorized by that institution to vote your shares in person. This written evidence is generally called a "Legal Proxy" and should be submitted to the Company's Secretary, Scott Renwick, prior to the commencement of the Annual Meeting.

How do I give a Proxy to vote my shares?

How you give a proxy to vote your shares depends on whether you hold your shares of Unitrin common stock (i) as a "shareholder of record" or (ii) in "street name" through an institution, such as a stock brokerage firm or bank. The shares of a shareholder of record are registered with the Company's transfer agent, First Union National Bank, in the shareholder's own name. Shares held in street name are registered with the Company's transfer agent in the name of the stock brokerage firm or other institution (or the name of its nominee), but not in the shareholder's own name. In this case, the institution maintains its own internal records showing the shareholder as the actual beneficial owner of the shares.

Shareholders of Record: If you hold your shares of Unitrin common stock as a shareholder of record (or through the Company's employee 401(k) savings plan), you may give a proxy to vote your shares by one of the following methods:

- . Complete, sign and date the enclosed proxy card and return it for delivery no later than the commencement of the Annual Meeting in the postage-paid envelope provided;
- . Call the toll-free telephone number on the proxy card and follow the recorded instructions no later than 3:00 p.m. Eastern Daylight Saving Time on Tuesday, April 30, 2002;
- . Access the proxy voting website at the internet address identified on the proxy card and follow the instructions no later than 3:00 p.m. Eastern Daylight Saving Time on Tuesday, April 30, 2002; or
- . Attend the Annual Meeting in person and deliver a signed proxy to one of the ushers when requested to do so.

The telephone and internet voting procedures are designed to authenticate shareholders' identities, to allow shareholders to give their voting instructions, and to confirm that shareholders' instructions have been recorded properly. Shareholders who wish to give proxy voting instructions over the internet should be aware that there may be costs associated with electronic access, such as usage charges from internet access providers and telephone

Edgar Filing: UNITRIN INC - Form DEF 14A

companies. In addition, in choosing among the available alternatives for proxy voting, shareholders should be aware that there may be some risk that a vote either by telephone or over the internet might not be properly recorded or counted because of an unanticipated

3

electronic malfunction. As described above, please note that the ability of shareholders of record to submit voting instructions by telephone and over the internet ends at 3:00 p.m. Eastern Daylight Saving Time on the day before the Annual Meeting. The reason for this cutoff is to allow for the timely assembly and tabulation of telephonic and internet voting instruction data.

Shares held in Street Name: If you hold your shares of Unitrin common stock in street name through an institution, the institution generally will supply you with its own form of proxy card requesting you to provide your voting instructions in writing or, in some cases, by telephone or over the internet. Following its receipt of your voting instructions, the institution will be authorized to provide a proxy to vote your shares in accordance with your instructions.

How will my Proxy be voted?

If you properly sign your proxy card and send it to First Union National Bank, or timely deliver your voting instructions by telephone or the internet, the individuals named on your proxy card (i.e. the designated proxies) will be authorized to vote your shares as you have directed. With respect to Proposal 1 regarding the election of directors, you are given the choice of voting "FOR" all nominees for director or withholding authority to vote for some or all nominees. With respect to the Proposal 2 regarding the proposed approval of the adoption of the Unitrin, Inc. 2002 Stock Option Plan, you are given the choice to vote "FOR" or "AGAINST," or to "ABSTAIN" from voting on, the proposal. If you sign the proxy card but do not make specific choices, the designated proxies will vote your shares as recommended by the Board of Directors.

What is the effect of marking the Proxy Card to withhold authority in the election of Directors?

As a corporation organized under Delaware law, the Company is subject to the corporate governance laws of the State of Delaware. Based on Delaware law, a proxy card that has been marked to "withhold authority" with respect to one or more nominees for director will be considered as part of the voting power present with respect to the election of directors and will have the effect of a vote against any such nominees.

What is the effect of marking the Proxy Card to abstain from voting on the proposal to approve the adoption of the Unitrin, Inc. 2002 Stock Option Plan?

Proxies marked to "abstain" from voting on Proposal 2 will be treated as present for purposes of determining a quorum and counted as votes cast against such matter.

What are broker non-votes and how might they affect the determination of Proposals 1 and 2?

Broker non-votes can occur in some instances when a stockbroker holding securities in street name for its customer does not receive voting instructions from the customer. In these cases, the regulations governing stockbrokers allow brokers to exercise discretionary voting power with respect to some matters (called "discretionary" matters) but not others (called "non-discretionary"

Edgar Filing: UNITRIN INC - Form DEF 14A

matters), depending on the subject matter of the proposal being voted

4

upon. With respect to Proposal 1, the uncontested election of directors is a discretionary matter under the applicable regulations, and a broker not receiving voting instructions from a customer generally will be free to cast a vote in its discretion as to this matter. With respect to Proposal 2, the approval of the Unitrin, Inc. 2002 Stock Option Plan is a non-discretionary matter under the applicable regulations, and a broker not receiving voting instructions from a customer may not vote in its discretion as to this matter.

How will voting on any other business be conducted?

With the exception of Proposals 1 and 2 described in this Proxy Statement, the Company's management knows of no other business that may come before the Annual Meeting. However, if any other business should properly come before the Annual Meeting, your proxy card will authorize the persons named in the proxy to vote on any such matters in their discretion.

May I revoke my Proxy or change my voting instructions?

If you are a shareholder of record, you may revoke your proxy or change your voting instructions as follows:

- . Deliver to First Union National Bank another signed proxy card with a later date anytime prior to the commencement of the Annual Meeting;
- . Notify Unitrin's Secretary, Scott Renwick, in writing prior to the commencement of the Annual Meeting that you have revoked your proxy;
- . Call the toll-free telephone number on the proxy card and modify your voting instructions anytime prior to 3:00 p.m. Eastern Daylight Saving Time on Tuesday, April 30, 2002;
- . Access the proxy voting website at the internet address identified on the proxy card and modify your voting instructions anytime prior to 3:00 p.m. Eastern Daylight Saving Time on Tuesday, April 30, 2002; or
- . Attend the Annual Meeting in person and deliver a new signed proxy to one of the ushers when requested to do so.

If you own your shares of Unitrin common stock in street name, you should contact your stockbroker or other institution holding your shares to determine the procedures, if any, for changing your voting instructions. Please refer to the discussion under the above question "How do I give a Proxy to vote my shares?" regarding shareholders of record and shares held in street name.

If I plan to attend the Annual Meeting, should I give my Proxy?

Whether you plan to attend the Annual Meeting or not, we urge you to give a proxy. Returning your proxy card or giving voting instructions by telephone or through the internet will not affect your right to attend the Annual Meeting and vote in person. However, giving a proxy will ensure that your shares are represented at the Annual Meeting in the event that you are unable to attend.

5

Edgar Filing: UNITRIN INC - Form DEF 14A

What does it mean if I get more than one Proxy Card?

If your Unitrin shares are held under different names or are in more than one account, you will receive more than one proxy card. Each proxy card will indicate the number of shares you are entitled to vote on that particular card.

Quorum and Required Vote

What is a quorum?

In order to conduct business at the Annual Meeting, we must have a quorum; that is, a majority of Unitrin's common stock outstanding as of the record date must be represented in person or by proxy at the Annual Meeting. If you properly submit a proxy, your shares covered by that proxy will be counted toward a quorum.

With regard to Proposal 1, how many votes are required to elect the Nominees for the Board of Directors?

If a quorum is present, directors are elected by the vote of the holders of a majority of the Company's stock having voting power present, in person or by proxy, at the Annual Meeting.

With regard to Proposal 2, how many votes are required to approve the adoption of the Unitrin, Inc. 2002 Stock Option Plan?

If a quorum is present, Proposal 2 will be determined by the vote of the holders of a majority of the Company's stock having voting power present, in person or by proxy, at the Annual Meeting.

Shareholder Proposals and Nominations

May a shareholder nominate someone to be a director of Unitrin or bring any other business before the Annual Meeting?

The time periods applicable to the 2002 Annual Meeting as prescribed by the Company's Amended and Restated By-Laws and certain SEC requirements for nominations and other business proposals by the Company's shareholders have expired. Accordingly, no such nominations or other business would be in order at the 2002 Annual Meeting. The time periods and the relevant procedures relating to the 2003 Annual Meeting are summarized below in the answers to the following two questions.

How can a shareholder nominate someone to be a director of Unitrin or bring any other business before the 2003 Annual Meeting?

If a shareholder of record wishes to nominate directors or bring other business to be considered by shareholders at the 2003 Annual Meeting, such proposals may only be made in accordance with the following procedure. Under the Company's Amended and Restated By-Laws, nominations of directors or other proposals by shareholders must be made in writing to the Company no later than March 3, 2003 and no earlier than January 31, 2003. However, if

the date of the 2003 Annual Meeting is advanced by more than 30 days or delayed by more than 60 days from the anniversary date of the 2002 Annual Meeting (i.e. May 1, 2003), then such nominations and proposals must be delivered in writing to the Company no earlier than 90 days prior to the 2003 Annual Meeting and no later than the close of business on the later of (i) the 60/th day prior to the

Edgar Filing: UNITRIN INC - Form DEF 14A

2003 Annual Meeting, or (ii) the 10th day following the day on which public announcement of the date of the 2003 Annual Meeting is first made. /

All shareholder proposals and notices should be submitted to Scott Renwick, Secretary, Unitrin, Inc., One East Wacker Drive, Chicago, Illinois 60601.

Please note that these requirements relate only to matters proposed to be considered for the 2003 Annual Meeting. They are separate from the SEC's requirements to have shareholder proposals included in the Company's Proxy Statement.

When are shareholder proposals due so that they may be included in Unitrin's Proxy Statement for the Annual Meeting of Shareholders to be held in 2003?

Pursuant to regulations of the SEC, shareholders who intend to submit proposals for inclusion in the Company's proxy materials for the 2003 Annual Meeting must do so no later than November 25, 2002. This requirement is separate from certain other SEC requirements that must be met to have a shareholder proposal included in the Company's Proxy Statement. In addition, this requirement is independent of certain other notice requirements of the Company's Amended and Restated By-Laws described immediately above. Shareholder nominations of persons for selection to the Board of Directors are not eligible for inclusion in the Company's proxy materials. All shareholder proposals and notices should be submitted to Scott Renwick, Secretary, Unitrin, Inc., One East Wacker Drive, Chicago, Illinois 60601.

Cost of Proxy Solicitation

What are the costs of soliciting these Proxies and who pays them?

The Company has retained the services of W.F. Doring & Co., Inc. ("Doring") to aid in the solicitation of proxies. Doring estimates that its fees and expenses for these services will not exceed \$12,000. The Company will bear the total expense of the solicitation which will include, in addition to the amounts paid to Doring, amounts paid to reimburse banks, brokerage firms and others for their expenses in forwarding solicitation material. Although the principal solicitation of proxies is being made by mail, additional solicitation may be made through direct communication with certain shareholders or their representatives by directors, officers and employees of the Company and its subsidiaries, who will receive no additional compensation for such solicitation.

REPORT OF THE AUDIT COMMITTEE

The Securities and Exchange Commission rules require the Company to include in its Proxy Statement a report of the Audit Committee of the Board of Directors. The following report concerns the Audit Committee and its activities regarding the Company's financial reporting and auditing process.

The Audit Committee consists of the following members of the Company's Board of Directors: William E. Johnston, Jr. (Chairman), Douglas G. Geoga, Reuben L. Hedlund, and Ann E. Ziegler. The Audit Committee operates under a written charter adopted by the Board of Directors. The Company's securities are listed on the New York Stock Exchange and are governed by the listing standards of the New York Stock Exchange. Each of the members of the Audit Committee is independent in accordance with the listing standards of the New York Stock Exchange.

Management is responsible for the Company's financial reporting process, including its system of internal control, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility as the Audit Committee of the Company's Board of Directors is to review and monitor these processes. It is not our duty or responsibility to conduct auditing or accounting reviews or procedures. We are not employees of the Company nor do we serve as accountants or auditors by profession. We have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent auditors included in their report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with accounting principles generally accepted in the United States, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent accountants are in fact "independent."

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the year ended December 31, 2001 with the Company's management. The Audit Committee has discussed with KPMG LLP, the Company's independent auditors for the fiscal year ended December 31, 2001, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee has received and discussed with KPMG LLP their written disclosures and letter regarding their independence required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees). The Audit Committee has

considered whether the provision of any services by KPMG LLP as described in this Proxy Statement under the captions entitled "Financial Information Systems Design and Implementation Fees" and "All Other Fees" is compatible with maintaining the independence of KPMG LLP.

Edgar Filing: UNITRIN INC - Form DEF 14A

In reliance upon these reviews and discussions, and the report of the independent auditors, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements for the year ended December 31, 2001 be included in the Company's Annual Report on Form 10-K for that year for filing with the Securities and Exchange Commission.

INDEPENDENT AUDITORS

Fees billed by Independent Auditors for 2001

KPMG LLP served as the Company's independent auditor for and during the year ended December 31, 2001. The following discussion provides information regarding the fees billed to the Company for services rendered by KPMG LLP for 2001.

Audit Fees

The aggregate fees billed by KPMG LLP for the audit of the Company's annual financial statements for the year ended December 31, 2001 and the reviews of the financial statements included in the Company's quarterly reports on Form 10-Q for 2001 was \$1,006,000.

Financial Information Systems Design and Implementation Fees

No fees were billed by KPMG LLP for professional services rendered for the year ended December 31, 2001 in connection with (i) directly or indirectly operating, or supervising the operation of, the Company's information system or managing the Company's local area network, or (ii) designing or implementing a hardware or software system that aggregates source data underlying the financial statements or generates information that is significant to the Company's financial statements taken as a whole.

All Other Fees

The aggregate fees billed for services rendered by KPMG LLP for 2001, other than the services described under the above two captions, was \$527,995, which consisted principally of fees for certain internal audit services and tax services.

17

Selection of Independent Auditors for 2002

On November 7, 2001, the Company's Board of Directors selected the certified public accounting firm of Deloitte & Touche LLP to serve as the independent auditor to audit the Company's financial statements for 2002. The Company's independent auditor for 2001 was the certified public accounting firm of KPMG LLP. On November 8, 2001, the Company advised KPMG LLP of the engagement of Deloitte & Touche LLP and that KPMG LLP would not be re-engaged by the Company following completion of its audit engagement for 2001. The

Edgar Filing: UNITRIN INC - Form DEF 14A

decision to change the Company's independent public auditor from KPMG LLP to Deloitte & Touche LLP was recommended to the Board of Directors by its Audit Committee.

The reports of KPMG LLP on the financial statements of the Company for the fiscal years ended December 31, 2001 and 2000 do not contain any adverse opinion or a disclaimer of opinion, nor was any such report qualified or modified as to uncertainty, audit scope, or accounting principles. During such fiscal years, there were no disagreements between KPMG LLP and the Company on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of KPMG LLP, would have caused it to make reference to the subject matter of the disagreement in connection with its reports. Further, during such fiscal years, there were no "reportable events" involving KPMG LLP and the Company of the kinds listed in Item 304 of SEC Regulation S-K.

The Company has furnished KPMG LLP and Deloitte & Touche LLP with a copy of this disclosure and acknowledged that each such firm may present its views in a brief statement to be included in this Proxy Statement if it believes that the above statements regarding the change in the Company's certifying accountant are incorrect or incomplete. Neither KPMG LLP nor Deloitte & Touche LLP submitted such a statement for inclusion in this Proxy Statement.

It is expected that representatives from Deloitte & Touche LLP will be present at the Annual Meeting. Such representatives may make a statement if they desire to do so and will be available to respond to appropriate questions. The Company does not expect that any representatives from KPMG LLP will be present at the Annual Meeting.

REPORT OF THE COMPENSATION COMMITTEE

The Company compensates its executive officers with two principal forms of compensation: cash compensation and stock options. Cash compensation consists of base salary, performance-based bonuses and may include discretionary bonuses. Executive officers currently are eligible to receive stock options under the Unitrin, Inc. 1997 Stock Option Plan. Although the type and terms of options granted under this Plan may vary, the Compensation Committee's current practice is to grant non-qualified options with exercise prices equal to the fair market value of the Common Stock on the date of grant, with terms of ten years, and which become exercisable in four, equal annual installments beginning six months after the date of grant.

18

Base salaries of the Company's executive officers depend on the Compensation Committee's subjective assessment of the individual officer's work performance with respect to such officer's normal job responsibilities. In its compensation deliberations in 2001, the Compensation Committee had available to it information regarding the salary compensation of the chief executive officers and certain other senior officers of a group of insurance and diversified financial services companies, some of which are competitors of the Company. While the Compensation Committee noted this information in establishing the base salary compensation of the Company's Chief Executive Officer for 2001, such information was not determinative of his compensation, and the Compensation Committee did not target a specific level within the range of such data for his 2001 compensation. Such information was not referenced in establishing the compensation of any of the Company's other executive officers, but it was noted that the salaries of the Company's executive officers generally were below those of the data presented.

Edgar Filing: UNITRIN INC - Form DEF 14A

The Company's executive officers generally are eligible to receive cash bonuses under the terms of the Company's 1998 Bonus Plan for Senior Executives (the "1998 Bonus Plan") based on attainment of designated corporate performance criteria. For 2001, the Company's executive officers were eligible for cash bonuses of up to 70% of their base salaries based on formulas adopted by the Compensation Committee at its February 2001 meeting. The formulas for participants with "line" responsibilities were based on growth in revenues and operating earnings of the business units they oversee. Formulas for participants with "staff" responsibilities were based on growth in earnings per share from operations. The Compensation Committee used a combination of the foregoing factors for executive officers having both "line" and "staff" responsibilities, including Mr. Vie. In 2001, no formula bonuses were awarded to any of the Company's executive officers other than Mr. Draut. Based on the Compensation Committee's subjective evaluation of such officers' work performance during 2001, Messrs. Vie, Southwell, Draut, Renwick and Konar received discretionary bonuses of \$150,000, \$75,000, \$75,000, \$50,000, and \$40,000, respectively.

The Compensation Committee endorses the concept that the interests of the executive officers are more closely aligned with those of the shareholders through the award of stock options. The number of stock options granted to executive officers, including the Chief Executive Officer, is determined by the Compensation Committee's subjective evaluation of the particular officer's ability to influence the long-term growth and profitability of the Company, given his particular job responsibilities. In light of the Chief Executive Officer's overall, day-to-day responsibility for the Company's operations and financial results, he would ordinarily be deemed to have the greatest ability to influence the long-term growth and profitability of the Company and would therefore generally receive a greater number of options than the other executive officers. In determining the number of stock options to grant a particular officer, the Compensation Committee also takes into account the number of options already held by such officer. The Compensation Committee has no predetermined goal for a particular level of stock ownership by its executive officers.

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to a public company for compensation in excess of \$1 million paid to its chief

19

executive officer and any of its four other most highly compensated executive officers. Certain performance-based compensation is specifically exempt from the deduction limit. All stock options that have been granted to the Company's executive officers through the end of 2001 either are not subject to Section 162(m) (because they were granted prior to the effective date of such section) or qualify as performance-based compensation under Section 162(m), as interpreted by final regulations promulgated by the Internal Revenue Service thereunder, and therefore are not subject to the deduction limit under such section. The 1998 Bonus Plan is designed to qualify as a performance-based compensation program under Section 162(m) in order to preserve the Company's federal income tax deduction for bonuses paid thereunder.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of the Company's Board of Directors consists of James E. Annable, Douglas G. Geoga, Reuben L. Hedlund and William E. Johnston, Jr. None of these individuals is a current or former officer or employee of the Company or any of its subsidiaries.

As described elsewhere in this Proxy Statement, one of the Company's directors, Mr. Sarofim, is the Chairman of the Board, President, a director, and the majority shareholder of Fayez Sarofim & Co. ("FS&C"), a registered investment advisory firm. Certain of the Company's insurance company subsidiaries and FS&C are parties to agreements under which FS&C provides investment management services for assets deposited with it by these subsidiaries. In addition, FS&C provides investment management services with respect to certain funds deposited with it by The Unitrin, Inc. Master Retirement Trust (the "Trust") in relation to the Company's Pension Plan. The agreements governing these arrangements are terminable by either party at any time on 30 days advance written notice.

Under these investment advisory arrangements, FS&C is entitled to a fee calculated and payable quarterly based upon the fair market value of the assets under deposit. During 2001, the Company's subsidiaries gradually implemented these arrangements and, by year-end 2001, had deposited approximately \$110 million with FS&C. For investment services provided in 2001, the Company's subsidiaries paid \$102,813 in the aggregate to FS&C. As of March 25, 2002, these subsidiaries had deposited approximately \$135 million in assets with FS&C for investment management.

20

During 2001, and as of March 25, 2002, the Trust had deposited approximately \$70 million in assets with FS&C for investment management. For investment services provided in 2001, the Trust paid \$235,644 to FS&C.

With respect to the Company's 401(k) Savings Plan, one of the alternative investment choices afforded to participating employees is the Dreyfus Appreciation Fund, an open-end, diversified management investment company (the "Fund"). FS&C provides investment management services to the Fund as a sub-investment advisor. According to published reports filed by FS&C with the SEC, the Fund pays monthly fees to FS&C according to a graduated schedule computed at an annual rate based on the value of the Fund's average daily net assets. The Company does not compensate FS&C for services rendered to the Fund. As of January 31, 2002, Company employees participating in the Company's 401(k) Savings Plan had allocated approximately \$22,355,000 for investment in the Fund, representing approximately 13% of the total amount invested in the Company's 401(k) Savings Plan.

The Company believes that the transactions described above have been entered into on terms no less favorable than could have been negotiated with non-affiliated third parties.

UNITRIN EXECUTIVE OFFICERS

The following summarizes the business experience over the last five years of the Company's executive officers, other than Messrs. Vie, Southwell and Draut whose business experience is described above in the section entitled

Edgar Filing: UNITRIN INC - Form DEF 14A

"Business Experience of Nominees." The executive officers serve at the pleasure of the Board of Directors.

David F. Bengston, 53, has been a Vice President of the Company for more than the last five years.

Before becoming Treasurer, Mr. Boschelli served as the Assistant Treasurer of the Company's wholly owned subsidiary, Unitrin Services Company, from December 1997 through January 2002. Prior to that, Mr. Boschelli was employed by Allstate Insurance Company.

- (b) All options listed were granted pursuant to the Unitrin, Inc. 1990 and 1997 Stock Option Plans and include automatic grants of restorative options (See also footnote (1) to the Stock Option Grants in 2001 Fiscal Year table immediately below). The number of options issued are shown (i) on a post-split basis reflecting the 2-for-1 stock split in the form of a stock dividend paid on March 26, 1999, and (ii) with respect to options granted in 2000 and 1999, on a CW Distribution Adjustment basis (defined below in this footnote (b)). The number of options granted in 2001 was not affected by the CW Distribution Adjustment. On November 29, 2001, the Company completed the distribution of its investment in Curtiss-Wright Corporation Class B common stock to the Company's shareholders under which each eligible share of the Company's common stock outstanding received approximately 0.065 shares of Curtiss-Wright Corporation Class B common stock (the "CW Distribution"). As part of the CW Distribution, the Compensation Committee of the Company's Board of Directors reduced the exercise prices of all outstanding options, issued additional options, and made cash payments to option holders to offset the diminution in the intrinsic value of outstanding options resulting from the CW Distribution (the "CW Distribution Adjustment").
- (c) The amounts shown in this column represent Company matching contributions to the named executive officers' accounts under the Company's 401(k) Savings Plan.
- (d) Mr. Konar first became an executive officer of the Company when he was elected as a Vice President in January 2001.

(1) All options granted to the named executive officers were granted under the Unitrin, Inc. 1990 and 1997 Stock Option Plans and include restorative options. Restorative options are granted when an option holder exercises a stock option and makes payment of the exercise price and/or the resulting tax obligations using shares of previously-owned Common Stock. In such a case, the option holder is granted a restorative option for the total number of shares used to make such payment. A restorative option becomes fully exercisable six months after the date of grant and expires on the same date as the original option. All option grants reflected in the table above are restorative options except for those marked with an asterisk which represent original grants. All options granted in 2001 were non-qualified options for federal income tax purposes.

Edgar Filing: UNITRIN INC - Form DEF 14A

A restorative option is intended to enable an option holder to remain in essentially the same economic position with respect to potential appreciation of the Common Stock as if he or she had continued to hold the original option unexercised. As the following table illustrates, the grant of a restorative option does not result in an increase in the total number of options and shares held by the option holder:

25

Net Change in Shares and Options Held by Named Executive Officers Resulting from Grants of Restorative Options

Name	Total		Net Change in	
	Options Exercised	Net Shares Received (x)	Restorative Options Granted (y)	Total Shares and Options- (z)

Scott Renwick.....	25,778	4,019	12,793	(8,966)
Edward J. Konar....	19,816	1,374	18,442	0

(x) Represents shares received in option exercises after subtracting shares surrendered to pay the exercise prices and/or related tax withholding obligations.

(y) Represents options granted to replace shares surrendered in connection with option exercises.

(z) Represents the difference between (i) the total options exercised, and (ii) the sum of net shares received and the number of restorative options granted. During 2001, each of Mr. Draut and Mr. Renwick exercised options which had less than six months remaining before their expiration. In such cases, the resulting restorative options would have expired prior to the six-month vesting period applicable to restorative options. Accordingly, such exercises are treated as if no restorative options were issued, effectively resulting in a net reduction in total options and shares reflected for Mr. Draut and Mr. Renwick.

(2) Exercise prices were set in all cases at the fair market value of the Company's Common Stock on the date of grant. The exercise prices shown in each case reflect the CW Distribution Adjustment which reduced the exercise prices originally set on the dates of grant.

(3) Grant date present values are based on the Black-Scholes option pricing model, which was applied using the following assumptions: (i) a weighted average expected volatility of 20%; (ii) a risk free rate of return equal to the yield on U.S. Treasury obligations with a maturity comparable to the term of the particular option; (iii) an expected life of one year for restorative options and five years for all other options; and (iv) a dividend yield of 4.136%, representing the average annualized dividend yield on the Common Stock for the period from January 1, 1996 through December 31, 2001. No adjustments were made to the model for the non-transferability of the options, the risk of their forfeiture or the CW Distribution. The Company's use of the Black-Scholes model should not be viewed as a forecast of the future performance of the Common Stock.

- (1) Substantially all option exercises by the named executive officers in 2001 were exercises in which the officers surrendered previously acquired shares of Common Stock as payment for the exercises. (See footnote (1) to the option grant table on page 25.) The shares reflected in this column are the gross shares issued in the exercise transactions, without deduction of the shares surrendered as payment. The actual net increase in the number of shares held by these officers as a result of such transactions was as follows: Vie (31,206); Southwell (9,311); Draut (6,608); Renwick (4,019); and Konar (4,442).
 - (2) The "value realized" represents the difference between the exercise price of the shares acquired and the market price of such shares on the date or dates of exercise, without regard to any related tax obligations.
 - (3) The value of unexercised in-the-money options is calculated by subtracting the applicable exercise price from \$39.52 (the closing price of the Common Stock on December 31, 2001) and multiplying the resulting difference by the number of shares covered by the options in question.

Unitrin Common Stock Performance Graph

The following Performance Graph assumes \$100 invested on December 31, 1996 in (i) the Company's Common Stock, (ii) the S&P MidCap 400 Index, (iii) the S&P Mid-Cap Multi-Lines Insurance Index, and (iv) the S&P MidCap 400 Index (Property/Casualty) industry group, in each case with dividends reinvested. The Company is a member of both the S&P MidCap 400 Index and the S&P Mid-Cap Multi-Lines Insurance Index. The Company was a member of the S&P MidCap 400 Index (Property/Casualty) industry group through year-end 2001. However, beginning January 2, 2002, Standard & Poor's instituted the Global Industry Classification Standard (GICS) going forward which resulted in the Company's re-classification to the S&P MidCap Multi-Lines Insurance Index and the elimination of the S&P MidCap 400 Index (Property/Casualty) industry group.

The comparisons in the Graph below are based on historical data and are not intended to forecast the possible future performance of the Company's Common Stock.

Pension Plans

The following table shows, for specified levels of average final compensation and years of credited service, the estimated annual benefits payable under the Company's tax-qualified retirement plan (the "Retirement Plan") and a related, non-qualified, supplemental executive retirement plan. Average final compensation represents the average annual covered compensation paid for the highest 60 consecutive months in the 120-month period ending three months prior to retirement. These benefit estimates assume retirement in 2002 at age 65 or older.

The foregoing benefits are illustrated as straight-life annuities and are not subject to reduction for Social Security or other offset amounts.

The years of credited service in the Retirement Plan as of December 31, 2001 for each of the Company's executive officers named in the Summary Compensation Table are as follows: Mr. Vie (10); Mr. Southwell (5), Mr. Draut (10), Mr. Renwick (10) and Mr. Konar (10). Compensation covered by the Retirement Plan is the participant's base salary and bonuses as defined in the Retirement Plan, but does not include compensation attributable to the exercise of stock options. The covered compensation for the executive officers named in the Summary Compensation Table on page 22 is the total of their salary and bonus amounts.

29

Mr. Vie formerly participated in a defined benefit retirement plan sponsored by a subsidiary of the Company. His participation in that plan was suspended on January 1, 1992 and no further contributions will be made on his behalf; however, he will be entitled to benefits under the plan upon retirement based on contributions made through the end of 1991. Assuming retirement at age 65, Mr. Vie would receive annual benefits of \$20,971.

Change of Control Arrangements

The Company has entered into individual severance agreements with the currently serving named executive officers (the "Agreements"). The Agreements provide various severance benefits to such officers in the event their employment is involuntarily terminated (other than for cause, disability or death) or voluntarily terminated, in either case within two years after a change of control. Such benefits are also payable to such officers in the event their employment is involuntarily terminated (other than for cause, disability or death) or voluntarily terminated for certain specified reasons, in either case in anticipation of a change of control. A change of control is deemed to occur if any person is or becomes, directly or indirectly, the beneficial owner of 25% or more of the voting power of the Common Stock, or the individuals who comprised the Company's Board of Directors on the date of the Agreement, or any of the individuals they nominate, cease to comprise a majority of the Board. Each executive officer would be entitled under the Agreements to: (i) a lump sum severance payment based on a multiple (specified below) of his annualized salary; (ii) continuation for up to three years of the life and health insurance benefits that were being provided by the Company to such officer and his family immediately prior to termination; and (iii) outplacement services at the Company's expense for up to fifty-two weeks. The Agreements contain identical terms and conditions, except that the severance compensation multiple is 3.0 for Mr. Vie and 2.0 for the other executive officers.

The Agreements are not employment contracts. Benefits payable are to be grossed-up to the extent that a recipient would be subject to an excise tax under Section 4999 of the Internal Revenue Code (including any interest or penalties imposed with respect to such tax) due to the receipt of such benefits or any other benefits that constitute "excess parachute payments" for purposes of Section 280G of the Code. In determining whether there are excess parachute payments, consideration must be given to payments triggered by a change in the Company's control. Depending on what actions are taken by the Company's Board of Directors under the Company's stock option plans in connection with a change in control, certain amounts relating to non-qualified stock options may be factored in to the determination regarding excess parachute payments. If severance benefits along with potential stock option amounts had become payable on December 31, 2001 as a result of a change of control on that date, no

Edgar Filing: UNITRIN INC - Form DEF 14A

executive officers would have received gross-ups for excess parachute payments.

Options may continue to be granted under the Unitrin, Inc. 1997 Stock Option Plan until options covering all shares presently available for issuance under such Plan (approximately 700,000) have been granted.

General

The purpose of the Plan is to secure for the Company and its shareholders the benefits arising from stock ownership by selected executives and other key employees (including employee directors) and other key persons providing services to the Company and its subsidiaries or affiliates ("Participants"). All options issuable under the Plan must be granted by February 1, 2012, except for Restorative Options (defined below) which generally may continue to be granted after February 1, 2012 until expiration of the original options from which such Restorative Options arise.

Effectiveness of the Plan is subject to approval by the Company's shareholders at the 2002 Annual Meeting. Approval of the Plan requires the affirmative vote of holders of a majority of the shares of the Common Stock represented and voting at the 2002 Annual Meeting, including abstentions which are counted as voting power under applicable state law.

Administration

The Plan will be administered by a committee of the Board of Directors ("Committee") consisting of two or more persons who qualify both as "outside directors" under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), and "non-employee directors" under the Rule 16b-3 of the Securities Exchange Act of 1934 (the "Exchange Act") or any successor provisions. The Plan would authorize the Committee to grant (i) incentive stock options ("ISOs") under Section 422 of the Code, (ii) non-qualified stock options, and (iii) stock appreciation rights ("SARs") to Participants (collectively, "Awards"). Subject to the provisions of the Plan, the Committee would have authority to construe and interpret the Plan, to determine eligible Participants, to select the times at which Awards will be granted, whether an option will be an ISO or non-qualified option, the size of the Award, the exercise price for the Award and all other determinations necessary or advisable for the administration of the Plan. In addition, the authority and discretion to grant Awards under the Plan may be delegated to one or more executive officers by the Board of Directors; provided, however, no such executive officer may grant Awards to himself or herself or to any officer of the Company subject to the reporting and short-swing liability provisions of Section 16 of the Exchange Act.

Shares Subject to the Plan

The shares offered under the Plan consist of the Company's authorized but unissued shares or treasury shares of Common Stock and, subject to adjustment as discussed below, the aggregate amount of such shares which may be subject to Awards will not exceed five million (5,000,000). The maximum number of shares for which Awards may be granted to an individual Participant under the Plan is one third of such total. Shares of Common Stock issued under the Plan will be accompanied by rights issuable under the Company's Shareholder Rights Plan adopted August 3, 1994.

Types of Awards

Options. Under the Plan, the Committee may grant ISOs or non-qualified stock options. The exercise price for an option may not be less than the fair market value of the Company's Common Stock on the date of grant.

Restorative Options. In the case of a Participant who pays the exercise price or tax withholding obligation of an option by surrendering "Mature Shares" (as defined below) of Common Stock previously owned by the Participant, the Participant generally is entitled to receive another option (a "Restorative Option") of the same type as the option being exercised for the same number of shares that were surrendered. Under the Plan, the term "Mature Shares" generally means shares of Common Stock that have been owned by a Participant unencumbered for at least six months and have not been surrendered by the Participant in connection with an exercise during the previous six months. The duration of the Restorative Option will be for the remaining term of the underlying option, and the exercise price shall be the fair market value of the Common Stock on the day on which the underlying option is exercised. Restorative Options may only be granted to employees or other key individuals performing services for the Company, its subsidiaries or affiliates as consultants or advisors at the time the underlying option is exercised. No Restorative Options will be granted if, on the date of exercise of the underlying option, such option is scheduled to expire within six (6) months.

Stock Appreciation Rights. The Committee may also grant an option coupled with a SAR to a Participant entitling the Participant upon exercise of the SAR to receive an amount in any combination of cash or Common Stock equal in value to the difference between the associated option exercise price and the fair market value of the Common Stock on the date of exercise, in lieu of exercising the associated option.

Other Terms of Awards

Each Award and all rights associated therewith will expire on such date as the Committee may determine. Each Award will vest and be exercisable in such installments as the Committee determines and, unless otherwise provided in an agreement relating to the individual Award, shall not be exercisable for at least six months after grant. The exercise price for Awards may be paid in cash, Mature Shares held by the Participant or, if authorized

32

by the Committee, through a secured promissory note in favor of the Company, or any combination of such forms of consideration.

Fair Market Value of Common Stock

For purposes of the Plan, the fair market value of a share of Common Stock will be determined by reference to the closing price of the Common Stock for

Edgar Filing: UNITRIN INC - Form DEF 14A

the date on which the option is granted or exercised as subsequently reported in The Wall Street Journal, or if no prices are quoted for that day, the last preceding day on which prices are quoted, as the case may be (or if for any reason no such price is available, in such manner as the Committee deems appropriate). On March 11, 2002, the closing price of the Common Stock as reported in The Wall Street Journal was \$39.96 per share.

Grants Under the 2002 Plan

No Awards will be granted under the Plan prior to shareholder approval of the Plan. Determinations as to who will be selected in the future as Participants in the Plan and the amounts of their Awards have not been made. Since no such determinations have yet been made, it is not possible to state the terms of any individual Awards which may be issued under the Plan or the names or positions or respective amounts of the allotment to any individual who may participate.

Transferability

Unless otherwise provided in an agreement relating to an Award, no Award may be transferred, other than by will or the laws of descent and distribution, and may not be pledged or otherwise encumbered either voluntarily or by operation of law.

Cessation of Services

If a Participant ceases to provide services to the Company or any of its subsidiaries or affiliates other than as a result of death, disability, retirement or for substantial cause, the participant will have 90 days to exercise any vested Awards. After such 90 days, all outstanding vested Awards will terminate. All Awards that are not vested on the date of cessation of services will immediately expire on such date. If a Participant's services are terminated for substantial cause, all of the Participant's Awards (both vested and unvested) will terminate as of the date of termination of services.

Retirement, Death or Disability

Following the retirement, death or long-term disability of a Participant while providing services to the Company, a subsidiary or affiliate, the Participant (or his or her representative) will have one year to exercise the Participant's outstanding Awards to the extent such Awards are vested at the time of such event, after which all unexercised Awards of the Participant will terminate. All Awards that are not vested on the date of death or disability will immediately expire on such date.

33

Sale or Divestiture of Employer

In the event the Company's controlling interest in any subsidiary or affiliate ceases as a result of sale, divestiture or otherwise, Participants employed by such former subsidiary or affiliate will have 90 days from such cessation of control (or one year in the case of Participants who have attained the age of 55 on such date) to exercise all options (including SARs) that are vested on such date. All Awards that are not vested on the date of the cessation of the Company's control will immediately expire on such date.

Adjustment Provisions

If there is a stock split, stock dividend or similar change affecting the

Edgar Filing: UNITRIN INC - Form DEF 14A

Company's Common Stock, appropriate and proportionate adjustments may be made in the number of shares that may be issued in the future and the number of shares and price of all outstanding Awards made before such event.

Upon the dissolution or liquidation of the Company, or upon a reorganization, merger or consolidation of the Company with one or more corporations as a result of which the Company is not the surviving corporation, or upon a sale of substantially all property, or more than eighty percent (80%) of the then outstanding stock, of the Company to another corporation, the Plan will terminate; provided, however, that notwithstanding the foregoing, the Board will provide for any one or more of the following alternatives in connection with such a transaction: (i) for each Award previously granted to become immediately exercisable; (ii) for the assumption by the successor corporation of the Award granted or the substitution by such corporation for such Award with new Awards covering the stock of the successor corporation, or its parent or subsidiary as appropriate; (iii) the continuance of the Plan by such successor corporation in which event the Plan and Awards shall continue in the manner and under the terms so provided; or (iv) for the payment in cash or stock in lieu of and in complete satisfaction of such Awards. In addition, the Committee may, in its discretion, provide in any individual agreement covering an Award that, upon the occurrence of certain events, including a change in control of the Company, any unvested Awards will immediately become vested and exercisable.

Duration, Amendment and Termination

The Board may suspend or terminate the Plan or amend the terms of the Plan at any time, subject to the prior approval of the Company's shareholders if applicable law requires such approval or if such shareholder approval is deemed desirable by the Committee in order to obtain or preserve certain benefits or achieve a "safe harbor" status. No amendment, suspension or termination of the Plan shall in any case modify, amend, alter or impair any rights or obligations under any Award previously granted under the Plan without the consent of the Participant.

34

Federal Income Tax Information

Non-qualified Stock Options and SARs. No income is realized by the Participant at the time a non-qualified option or SAR is granted. Upon exercise, the Participant realizes ordinary income in an amount equal to the difference between the exercise price and the fair market value of the shares on the date of exercise, and the Company is entitled to a tax deduction for the same amount. Upon disposition of the shares, appreciation or depreciation after the sale of exercise is treated as a short-term or long-term capital gain or loss and will not result in any deduction for the Company.

Incentive Stock Options. A Participant will not realize taxable income upon the grant or exercise of an ISO under the Plan. If the Participant does not dispose of shares issued upon exercise of an ISO within two years from the date of grant or within one year from the date of exercise, then upon the sale of such shares, any amount realized in excess of the exercise price is taxed to the Participant as long-term capital gain, and any loss sustained will be a long-term capital loss. No deduction would be allowed to the Company for Federal income tax purposes. The exercise of ISO's gives rise to an adjustment in computing alternative minimum taxable income that may result in alternative minimum tax liability for the Participant. If shares of Common Stock acquired upon the exercise of an ISO are disposed of before the expiration of the two-year and one-year holding periods described above (a "disqualifying

Edgar Filing: UNITRIN INC - Form DEF 14A

disposition"), the Participant would realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of the shares at exercise (or, if less, the amount realized on a sale of such shares) over the exercise price thereof, and the Company would be entitled to deduct such amount. Any further gain realized would be taxed as a short-term or long-term capital gain and would not result in any deduction to the Company. A disqualifying disposition in the year of exercise will generally avoid the alternative minimum tax consequences of the exercise of an ISO.

THE BOARD OF DIRECTORS BELIEVES THAT THE APPROVAL OF THE UNITRIN, INC. 2002 STOCK OPTION PLAN IS IN THE BEST INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS, AND RECOMMENDS A VOTE "FOR" APPROVAL OF PROPOSAL 2. EACH PROXY WILL BE VOTED FOR THIS PROPOSAL UNLESS SPECIFIED OTHERWISE ON SUCH PROXY.

2. DEFINITIONS

As used herein, the following words or terms have the meanings set forth

Edgar Filing: UNITRIN INC - Form DEF 14A

"Disability" or "Disabled" refers to a physical or mental condition that: (i) would qualify a Participant for benefits under a long-term disability insurance plan under which such Participant is covered, or (ii) in the absence of any such plan, would cause such Participant to be unable to substantially perform his or her duties as an employee, director, consultant or advisor, as the case may be.

"Exercise Price" means the price at which the Shares underlying an Option may be purchased upon exercise of the Option.

A-1

"Fair Market Value," as used to refer to the price of a Share on a particular day, means the closing price for the Common Stock for that day as subsequently reported in The Wall Street Journal, or if no prices are quoted for that day, the last preceding day on which such prices are quoted (or, if for any reason no such price is available, in such other manner as the Committee may deem appropriate to reflect the fair market value of the Common Stock.)

"ISO" means an Option that satisfies the requirements of Code Section 422(b) and any regulations promulgated thereunder from time to time, or any successor provisions thereto.

"Mature Shares" means Shares that satisfy the following requirements:

Edgar Filing: UNITRIN INC - Form DEF 14A

(ii) have not been exchanged or surrendered by Constructive or Actual Delivery in full or partial payment of the Exercise Price and/or the related tax withholding obligations arising out of an Option exercise within the previous six months.

The Committee may from time to time increase or decrease the six-month holding periods specified in (i) and (ii) above in order to satisfy applicable legal or accounting requirements or to secure advantageous treatment for the Company or the Participants under any provision of law or any accounting rule, pronouncement or interpretation by the Financial Accounting Standards Board or its successor. The Committee may eliminate the holding periods in (i) and (ii) above in the event that there are no legal or accounting requirements that they be imposed or if there is no longer any advantage to the Company or the Participants that they be imposed and such elimination is otherwise consistent with applicable legal and accounting requirements. The Company may also reinstate holding periods in order to satisfy applicable legal or accounting requirements or to secure advantageous treatment for the Company or the Participants of the type contemplated above.

"Shares" means shares of the Common Stock.

"Stock Appreciation Right" means a right of the type described in Section 9 of the Plan.

"Substantial Cause" means (a) the commission of a criminal act against, or in derogation of, the interests of the Company or its subsidiaries or affiliates; (b) knowingly divulging confidential information about the Company or its subsidiaries or affiliates to a competitor or to the public or using such information for personal gain, including, without limitation, by trading in Company securities on the basis of material, non-public information; or (c) the performance of any similar action that the Committee, in its sole discretion, may deem to be sufficiently injurious to the interests or reputation of the Company or its subsidiaries or affiliates to constitute substantial cause for the termination of services by a Participant as an

Edgar Filing: UNITRIN INC - Form DEF 14A

employee, director, consultant or advisor. Nothing in this Plan shall be construed to imply that a Participant's employment or other relationship with the Company or its subsidiaries or affiliates may only be terminated for Substantial Cause.

3. THE COMMITTEE

The Plan shall be administered by the Committee, which shall have authority:

- (i) to construe and interpret the Plan and to prescribe, amend and rescind rules and regulations relating to the Plan;
- (ii) to make all determinations as to eligibility pursuant to Section 5(a) of the Plan;
- (iii) to grant Options and Stock Appreciation Rights as more fully described in Section 5(b) below;
- (iv) to make adjustments or modifications to, or to waive, the terms of any outstanding Options or Stock Appreciation Rights, provided that such actions are consistent with the terms of the Plan and do not adversely affect or impair the rights under such Options or Stock Appreciation Rights;
- (v) to approve and determine the duration of leaves of absence which may be granted to Participants without constituting a termination of their employment for the purposes of the Plan; and
- (vi) to make all other determinations necessary or advisable for the administration of the Plan.

All determinations and interpretations made by the Committee shall be binding and conclusive on all Participants and their Representatives, successors in interest and beneficiaries. Any action of the Committee with respect to administration of the Plan shall be taken at a meeting of the Committee at which a quorum is present or by written consent of its members.

A-3

4. SHARES SUBJECT TO PLAN

Subject to adjustment as provided in Section 13(a) hereof, the maximum number of Shares that may be issued pursuant to the exercise of Options and Stock Appreciation Rights shall not exceed five million (5,000,000) Shares in total. The maximum number of Shares that may be issued to an individual Participant under the Plan shall be one-third of such total. If any Option granted under the Plan shall expire or terminate for any reason (other than surrender at the time of exercise of a related Stock Appreciation Right), without having been exercised in full, the unpurchased Shares subject thereto shall again be available for grant under the Plan. Any Shares that are used by Constructive or Actual Delivery as full or partial payment for the Exercise Price of an Option and/or the withholding taxes arising from the exercise of such Option, or that are withheld from the Shares that would otherwise be issued upon exercise of such Option in full or partial payment of such withholding taxes, shall in each case be added to the aggregate number of Shares available for issuance under this Plan.

5. ELIGIBILITY AND GRANTING AUTHORITY

a) Eligibility. The following persons shall be eligible to receive grants of Options or Stock Appreciation Rights under this Plan:

Edgar Filing: UNITRIN INC - Form DEF 14A

(1) executive and other key employees of the Company or of any subsidiary or affiliate of the Company who are selected by and in the sole discretion of: (i) the Committee or, (ii) if applicable, an executive officer of the Company who has been delegated such authority in accordance with Section 5(b)(ii) below; and

(2) any key person selected by the Committee in its sole discretion who renders services to: (i) the Company or a Company subsidiary or affiliate as a member of its board of directors, or (ii) the Company or a Company subsidiary or affiliate as a consultant or advisor pursuant to a written agreement.

Any persons selected pursuant to Section 5(a)(2) above shall only be eligible to receive Non-Qualified Options (including Restorative Options issued with respect to such Options).

b) Granting Authority. Subject to the provisions of the Plan, the authority and discretion to determine the Participants to whom and the time or times at which Options shall be granted, whether an Option will be an ISO or a Non-Qualified Option, whether to couple a Stock Appreciation Right with an Option and the terms and conditions of such Right, the number of Shares to be subject to each Option, the Exercise Price, the number of installments, if any, in which each Option may vest, the expiration date of each Option and all other terms and conditions of each Option shall reside with the following persons:

(i) the Committee; and

(ii) if authorized by a resolution adopted by the Board, one or more executive officers of the Company may be delegated such authority and discretion, provided that no such officer may grant Options or Rights to himself or herself or to any officer of the Company who is subject to the reporting and short-swing liability provisions of Section 16 of the Securities Exchange Act of 1934.

A-4

6. TERMS OF OPTIONS

a) Duration. Each Option and all rights associated therewith, shall expire on such date as the Committee may determine, subject to earlier termination as provided in this Plan. All Options granted under this Plan shall be granted on or before February 1, 2012, except for Restorative Options which may continue to be granted after February 1, 2012 until the expiration dates of the original Options from which such Restorative Options arose, subject in all events to the limitations in Section 8(b).

b) Exercise Price. The Exercise Price for each Share that is the subject of an Option shall be determined by the Committee and shall not be less than the Fair Market Value of the Common Stock on the date of grant, subject to adjustment pursuant to Section 13.

c) Vesting. Each Option granted under this Plan shall vest and be exercisable in such installments, if any, during the period prior to its expiration date as the Committee shall determine, and, unless otherwise specified in an Option Agreement, no Option shall be exercisable for at least six months after grant except in the case of the death or Disability of the Participant.

d) Non-Transferability. Unless otherwise provided in an Option Agreement,

Edgar Filing: UNITRIN INC - Form DEF 14A

an Option (and any accompanying Stock Appreciation Right) shall, by its terms, be non-transferable by the Participant, either voluntarily or by operation of law, otherwise than by will or the laws of descent and distribution, and shall be exercisable during the Participant's lifetime only by the Participant (or, in the case of the incapacity of the Participant, by the Participant's Representative) regardless of any community property interest therein of the spouse of the Participant, or such spouse's successors in interest. If the spouse of the Participant shall have acquired a community property interest in such Option (or accompanying Stock Appreciation Right), the Participant, or the Participant's Representative, may exercise the Option (or accompanying Stock Appreciation Right) on behalf of the spouse of the Participant or such spouse's successors in interest.

e) Option Agreements. The terms of each Option granted pursuant to this Plan shall be evidenced by an Option Agreement in a form approved by the Committee and signed by both the Company and the Participant, except that a Restorative Option may be evidenced by a certificate or statement issued by the Company that recites the essential terms of such Option.

7. EXERCISE OF OPTIONS AND STOCK APPRECIATION RIGHTS

a) Notice by Participant. Each Participant (or such Participant's Representative) who desires to exercise an Option or Stock Appreciation Right shall give advance written notice of such exercise to the Company in such form as may be prescribed from time to time by the Committee or the management of the Company.

b) Payment for Exercises of Options. The Exercise Price of an Option shall be paid in full at the time of exercise of such Option: (i) by check payable to the order of the Company, (ii) by Constructive or Actual Delivery of Mature Shares, (iii) by electronic transfer of funds to an account of the Company, (iv) if authorized by the Committee, by a promissory note by the

A-5

Participant payable to or to the order of the Company, upon such terms and conditions and secured by such collateral as may be required by the Committee, or (v) any combination of the foregoing. Mature Shares used by Constructive or Actual Delivery to satisfy the Exercise Price of an Option shall be valued at their Fair Market Value on the date of exercise.

c) Partial Exercises. No Option or Stock Appreciation Right may be exercised for a fraction of a share and no partial exercise of any Option or Stock Appreciation Right may be made for less than fifty (50) shares unless the total number of Shares covered by an Option is less than 50 at the time of exercise or unless an Option or Stock Appreciation Right is scheduled to expire within six months of the date of exercise.

d) Withholding Taxes. Upon the exercise of a Non-Qualified Option or a Stock Appreciation Right, the Company shall have the right to: (i) require such Participant (or such Participant's Representative) to pay the Company the amount of any taxes which the Company may be required to withhold with respect to such exercise, or (ii) deduct from all amounts paid in cash with respect to the exercise of a Stock Appreciation Right the amount of any taxes which the Company may be required to withhold with respect to such cash amounts. Subject to the limitation set forth in the next sentence, a Participant or such Participant's Representative may elect to satisfy all or any portion of the tax withholding obligations arising from the exercise of an Option or Stock Appreciation Right either by: (1) any of the methods described in Section 7(b), or (2) directing the Company to withhold Shares that would otherwise be issued

Edgar Filing: UNITRIN INC - Form DEF 14A

pursuant to such exercise. No Participant or Participant's Representative shall have the right to utilize Constructive or Actual Delivery of Mature Shares or have Shares withheld, in either case, in excess of the minimum number required to satisfy applicable tax withholding requirements based on minimum statutory withholding rates for federal and state tax purposes, including payroll taxes. Shares used in either of the foregoing ways to satisfy tax withholding obligations will be valued at their Fair Market Value on the date of exercise.

e) Exercise of Stock Appreciation Rights. Exercises of Stock Appreciation Rights shall be done in accordance with provisions of Sections 7(a) and 9.

8. RESTORATIVE OPTIONS

a) Grant and Terms of Restorative Options. Subject to the remaining provisions of this Section 8, if a Participant elects to pay some or all of the Exercise Price of an Option (the "Underlying Option") and/or any related withholding taxes by Constructive or Actual Delivery of Mature Shares (or, in the case of such taxes, by directing the Company to withhold Shares that would otherwise be issued upon exercise of such Underlying Option), then such Participant shall be granted a Restorative Option to purchase additional Shares without any further action required on the part of the Committee or any officer of the Company. The number of Shares subject to the Restorative Option shall be equal to the sum of: (a) any Mature Shares used by Constructive or Actual Delivery to pay the Exercise Price and/or the related withholding taxes, and (b) any Shares withheld from an exercise in payment of withholding taxes. The Exercise Price of the Restorative Option shall be equal to the Fair Market Value of the Common Stock on the date the Underlying Option is exercised. The

A-6

Restorative Option shall be fully vested beginning six months after the date of its grant and shall expire on the expiration date of the Underlying Option. All other terms of the Restorative Option shall be identical to the terms of the Underlying Option.

b) Limitations on Restorative Options. No Restorative Options shall be granted: (i) to any Participant who does not meet any of the standards for eligibility set forth in Section 5(a) on the date of exercise of the Underlying Option, or (ii) if, on the date of exercise of the Underlying Option, such Option is scheduled to expire within six (6) months.

9. STOCK APPRECIATION RIGHTS

If deemed appropriate by the Committee, any Option may be coupled with a Stock Appreciation Right at the time of the grant of the Option, or the Committee may grant a Stock Appreciation Right to any Participant at any time after granting an Option to such Participant but prior to the expiration date of such associated Option. Such Stock Appreciation Right shall be subject to such terms and conditions consistent with the Plan as the Committee shall impose, provided that:

(i) A Stock Appreciation Right shall be exercisable to the extent, and only to the extent, the associated Option is exercisable and shall be exercisable only for such period as the Committee may determine (which period may expire prior to the expiration date of the Option);

(ii) A Stock Appreciation Right shall entitle the Participant to surrender to the Company unexercised the Option to which it is related, or any portion thereof (subject to Section 7(c)), and to receive from the Company in exchange therefor that number of Shares (rounded down to the

Edgar Filing: UNITRIN INC - Form DEF 14A

nearest whole number) having an aggregate value equal to the excess of the Fair Market Value of one Share over the Exercise Price per Share specified in such Option, multiplied by the number of Shares subject to the Option, or portion thereof, which is so surrendered; and

(iii) The Committee may elect to settle, or the Stock Appreciation Right may permit the Participant to elect to receive (subject to approval by the Committee), any part or all of the Company's obligation arising out of the exercise of a Stock Appreciation Right by the payment of cash equal to the aggregate Fair Market Value of that part or all of the Shares it would otherwise be obligated to deliver, provided that in no event shall cash be payable to an officer or director of the Company upon exercise of a Stock Appreciation Right: (i) if the Stock Appreciation Right was exercised during the first six months of its term; or (ii) unless the transaction is otherwise exempt from the operation of Section 16(b) of the Securities Exchange Act of 1934.

10. HOLDING OF COMMON STOCK

At the discretion of the Committee, any Option Agreement may provide that the Participant, by accepting such Option, represents and agrees, for the Participant and the Participant's permitted transferees, that none of the shares purchased upon exercise of the Option or any accompanying Stock Appreciation Right will be acquired with a view to any

A-7

sale, transfer or distribution of said shares in violation of the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder, or any applicable state "blue sky" laws, and the Participant shall furnish evidence in form and substance satisfactory to the Company to that effect, including an indemnification of the Company in the event of any violation of the Securities Act of 1933 or state blue sky law by such Participant.

11. CESSATION OF SERVICES

a) Termination of employment. If a Participant ceases to be an employee of the Company or any of its subsidiaries or affiliates other than by reason of death, Disability or Retirement, then the following consequences shall apply:

1) If the termination of employment was not for Substantial Cause, then the Participant shall have 90 days from the date of termination in which to exercise all of his or her Options that were vested on such date and all such Options which are not exercised within such 90-day period shall expire and be of no further force or effect. All Options that were not vested on the date of termination shall immediately expire and be of no further force or effect. A leave of absence approved in writing by the Committee shall not be deemed a termination of employment provided that no Option may be exercised during a leave of absence, except during the first 90 days thereof unless otherwise consented to in writing by the Committee. The foregoing provisions shall apply equally to any Stock Appreciation Rights held by the Participant.

2) If the termination of employment was for Substantial Cause, then all of the Participant's outstanding Options (and any accompanying Stock Appreciation Rights) shall immediately terminate (whether vested or not) as of the date of such termination and shall be of no further force or effect.

b) Death or Disability. If a Participant dies or becomes Disabled while employed by the Company or any of its subsidiaries or affiliates or while such

Edgar Filing: UNITRIN INC - Form DEF 14A

Participant was providing services as a director, consultant or advisor to any of such entities, then the Participant (or his or her Representative) shall have one year from the date of death or the date the Participant first became Disabled in which to exercise any Options that were vested on such date. All Options that were not vested on such date shall immediately expire and be of no further force or effect. The foregoing provisions shall apply equally to any Stock Appreciation Rights held by the Participant.

c) Retirement. If a Participant Retires, the following consequences shall apply:

(i) If the Participant continues to render services to the Company or any of its subsidiaries or affiliates as a director, or as a consultant or advisor pursuant to a written agreement, then all Options held by such Participant shall continue in full force and effect in accordance with their terms for so long as such Participant continues to satisfy at least one of the eligibility requirements of Section 5(a). Thereafter, if the Participant dies or becomes Disabled, the provisions of Section 11(b) above shall apply, or if the Participant at any time fails to satisfy at least one of the eligibility requirements of Section 5(a), then the provisions of Section 11(a)(i) above (including time limits for the

A-8

exercise of vested Options) shall apply as if the Participant had experienced a termination of employment thereunder. The foregoing provisions shall apply equally to any Stock Appreciation Rights held by the Participant.

(ii) If the Participant does not at the time of Retirement satisfy any of the eligibility requirements of Section 5(a), then the Participant shall have one year from the date of retirement in which to exercise all of his or her Options that were vested on such date and all such Options which are not exercised within such one-year period shall expire and be of no further force or effect. All Options that were not vested on the date of Retirement will immediately expire and be of no further force or effect. The foregoing provisions shall apply equally to any Stock Appreciation Rights held by the Participant.

d) Sale or Divestiture of Employer. In the event that the Company sells or divests its controlling interest in any subsidiary or if its control of an affiliate ceases, then any employee of such subsidiary or affiliate who is a Participant shall have 90 days from the date of such sale, divestiture or cessation of control (or one year in the case of a Participant who has attained the age of 55 on such date) in which to exercise all of his or her Options that were vested on such date and all such Options which are not exercised within such 90-day (or one year) period shall expire and be of no further force or effect. All Options that were not vested on the date of such sale, divestiture or cessation of control shall immediately expire and be of no further force or effect. The foregoing provisions shall apply equally to any Stock Appreciation Rights held by the Participant.

12. PRIVILEGES OF STOCK OWNERSHIP

No Participant shall have any of the rights or privileges of a shareholder of the Company in respect of any Shares issuable upon exercise of any Option or Stock Appreciation Right until Shares shall have been issued and delivered: (i) to the Participant in the form of certificates, (ii) to a brokerage or other account for the benefit of the Participant either in certificate form or via "DWAC" or similar electronic means, or (iii) to a book entry or direct

registration account in the name of the Participation. No shares shall be issued and delivered upon the exercise of any Option or accompanying Stock Appreciation Rights unless and until there has been compliance with all applicable requirements of the Securities Act of 1933, as amended (whether by registration or satisfaction of an available exemption), all applicable listing requirements of the New York Stock Exchange or any other national securities exchange or market on which the Common Stock is then listed and any other requirements of law or of any regulatory bodies having jurisdiction over such issuance and delivery.

13. ADJUSTMENTS

a) Stock splits, reorganizations, etc. If the outstanding Shares are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company through reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar transaction, an appropriate and proportionate adjustment shall be made in the maximum number and kind of shares or securities as to which Options (and accompanying Stock Appreciation Rights) may thereafter be granted under this Plan. A

corresponding adjustment changing the number or kind of shares or securities allocated to unexercised Options (and any accompanying Stock Appreciation Rights), or portions thereof, which shall have been granted prior to any such change, shall likewise be made. Any such adjustment in an outstanding Option (or Stock Appreciation Right) shall be made without change in the aggregate purchase price applicable to the unexercised portion of such Option (or Stock Appreciation Right) but with a corresponding adjustment in the Exercise Price for each Share or other unit of any security covered by the Option (or Stock Appreciation Right).

b) Equity Restructurings. The Committee may, but shall not be obligated to, make an appropriate reduction in the Exercise Price of any outstanding Option, and/or grant additional Options to the holder of any outstanding Option, to compensate for the diminution in the intrinsic value of the Shares resulting from any non-reciprocal transaction (i.e., one in which the Company does not receive consideration) between the Company and its shareholders, such as a spin-off, stock dividend, rights offering, or recapitalization through a special, substantial nonrecurring dividend.

c) Change of Control Events. Upon the dissolution or liquidation of the Company, or upon a reorganization, merger or consolidation of the Company with one or more corporations as a result of which the Company is not the surviving corporation, or upon a sale of substantially all the property or more than eighty percent (80%) of the then outstanding Common Stock of the Company to another corporation, this Plan shall terminate; provided, however, that notwithstanding the foregoing, the Board shall provide in writing in connection with such transaction for any one or more of the following alternatives (separately or in combinations): (i) for each Option and any accompanying Stock Appreciation Rights theretofore granted to become immediately exercisable notwithstanding the provisions of Section 6(c) hereof, (ii) for the assumption by the successor corporation of the Options and Stock Appreciation Rights theretofore granted or the substitution by such corporation for such Options and Stock Appreciation Rights theretofore granted of new options and rights covering the stock of the successor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices; (iii) for the continuance of the Plan by such successor corporation in which event the Plan and the Options and any accompanying Stock Appreciation

Edgar Filing: UNITRIN INC - Form DEF 14A

Rights therefore granted shall continue in the manner and under the terms so provided; or (iv) for the payment in cash or stock in lieu of and in complete satisfaction of such Options and rights. At the discretion of the Committee, any Option Agreement may contain provisions to the effect that upon the happening of certain events, including a change in control of the Company (as defined by the Committee in such Option Agreement), any outstanding Options and accompanying Stock Appreciation Rights not theretofore vested shall immediately become vested and exercisable in their entirety, notwithstanding any of the other provisions of the Option.

d) Authority of Committee. All adjustments under this Section 13 shall be made by the Committee, whose determination as to which adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Shares shall be issued under the Plan on any such adjustment.

A-10

14. AMENDMENT AND TERMINATION OF PLAN

The Board may at any time suspend or terminate the Plan or amend or revise the terms of the Plan. In the event that any provision of applicable law mandates that any such amendment or revision be approved by the Company's shareholders, then such amendment or revision shall be submitted to such shareholders for approval or ratification within a time period that satisfies such law. In the case of other laws that require shareholder approval of amendments or revisions as a condition to receiving or preserving certain benefits (e.g., deductibility of certain compensation under Section 162(m) of the Code) or achieving a "safe harbor" status, the Board shall have sole discretion to determine whether or not to submit amendments and revisions to the Company's shareholders for approval.

Notwithstanding the foregoing, no amendment, suspension or termination of the Plan shall, without specific action of the Board, in any way modify, amend, alter or impair any rights or obligations under any outstanding Option or accompanying Stock Appreciation Right unless the written consent of the holder of such Option or Right is first obtained.

15. ARBITRATION.

The Committee may, as a condition to granting Options or Stock Appreciation Rights, require that a Participant agree in writing to submit all disputes or claims arising out of or relating to any such Options or Stock Appreciation Rights to binding arbitration in accordance with such terms as the Committee shall prescribe.
