ITEM 5. OTHER EVENTS

On January 14, 2003, Manugistics Group, Inc. (the "Company") entered into a one year unsecured revolving credit facility with Silicon Valley Bank ("SVB") for \$20.0 million. Under the terms of this credit facility, the Company may request cash advances, letters of credit, or both. The credit facility requires the Company to comply with the following financial covenants: (i) minimum tangible net worth (defined as stockholders equity plus convertible debt

less goodwill, capitalized software costs and other intangible assets) must be greater than \$155.0 million as of November 30, 2002 (a requirement which the Company has satisfied) and greater than \$150.0 million as of February 28, 2003, with the amount of the net worth required for subsequent fiscal quarters to be agreed to by SVB during the first quarter of fiscal 2004; and (ii) a ratio of (a) cash and cash equivalents deposited with SVB and its affiliates plus accounts receivables to (b) current liabilities, plus long term indebtedness to SVB and outstanding letters of credit minus deferred revenue of at least 2.0 to 1.0.

In addition, the credit facility requires the Company to maintain \$70.0 million in funds with SVB and its affiliates. The credit facility also restricts the amount of additional debt the Company can incur and restricts the amount of cash that the Company can use for acquisitions and for the repurchase of convertible debt. The Company may terminate the facility at any time upon repayment of any advances and the posting of cash collateral for any outstanding letters of credit. Under the credit facility, SVB has the right to obtain a lien on all of the Company's assets, other than Intellectual Property, upon an occurrence of default, unless the Company terminates the facility as provided above. The credit facility also provides that, upon an event of default, the Company is prohibited from paying a cash dividend to its shareholders.

The Company's credit facility with the Bank of America ("BOA") expires on February 26, 2003. The Company anticipates replacing outstanding letters of credit issued by BOA with letters of credit to be issued by SVB by the end of its current fiscal year, February 28, 2003. As a result of replacing the BOA letters of credit with SVB letters of credit, the cash restrictions under the BOA credit facility (which presently restricts \$14.1 million) will be eliminated.

The foregoing description of the SVB credit facility is qualified in its entirety by the loan agreement filed as exhibit 10.1 hereto.
