*Crescent Real Estate Equities Company ( Crescent Equities ) conducts its business through its direct and indirect subsidiaries, which include Crescent Real Estate Equities Limited Partnership (the Operating Partnership ) and the direct and indirect subsidiaries of the Operating Partnership and its general partner. Unless the context otherwise requires, the term Company includes, as applicable, Crescent Equities, the Operating Partnership, the general partner of the Operating Partnership and the direct and indirect subsidiaries of the Operating Partnership or its general partner.*

Summary Description of Terms of Disposition of Assets

On November 10, 2004, the Company contributed three of its office properties to a limited partnership in which the Company has a 40% interest and a fund advised by JP Morgan Fleming Asset Management ( JPM ) has a 60% interest (the Partnership ). The three office properties contributed to the Partnership are The Crescent in Dallas, Texas, Houston Center in Houston, Texas, and Post Oak Central in Houston, Texas (collectively, the Office Properties ). The Office Properties were valued at \$897.0 million, which was negotiated in an arms-length transaction.

Initially, an affiliate of the Company serves as the sole and managing general partner of the Partnership (the Crescent General Partner ), and another affiliate of the Company (the Crescent Limited Partner ) and JPM are the sole limited partners. The Crescent General Partner Entity expects to continue in the role of managing general partner. The Crescent Limited Partner, however, is engaged in negotiations with an institutional investor to transfer an approximately 16% interest in the Partnership (40% of its current partnership interest) to that institution in order to reduce its ownership interest in the Partnership to approximately 24%. If that transfer occurs, that institution may become both an additional limited partner and an additional general partner in the Partnership, although the Crescent General Partner would continue to serve as the managing general partner. The Company anticipates that it will complete that transfer by December 2004, but there can be no assurance that the Company will be able to make that transfer or, if it does, what the terms of any such transfer will be, including the price at which the transfer will be made or the portion of the interest of the Crescent General Partner or the Crescent Limited Partner that may be transferred.

In accordance with the provisions of the limited partnership agreement of the Partnership (the Partnership Agreement ), each of the Office Properties is owned by a separate limited partnership. The sole general partner of each of those property partnerships is a separate limited liability company wholly owned by the Partnership, and the Partnership is the sole limited partner of each of those property partnerships. Also in accordance with the provisions of the Partnership Agreement, each of the property partnerships has entered into a separate leasing and management agreement with the Company pursuant to which the Company has agreed to provide leasing and management services for the Office Property owned by that property partnership for an initial term of five years, subject to automatic annual renewals thereafter, unless the property owner or the Company gives 30 days prior notice that it desires to terminate the agreement or the owners of 75% of the partnership interests in the Partnership (excluding the Company) vote to terminate the agreement. For its services under the property management and leasing agreement, the Company will receive a monthly management fee and leasing commissions for executed leases approved by the property partnership.

In connection with the formation of the Partnership and the Company's contribution of the Properties to the Partnership, the Company paid in full all of the debt associated with the Properties, in an aggregate amount of \$387.0 million. The Company also paid certain costs, including penalties associated with the payment of the debt and obligations relating to the Office Properties, in an aggregate amount of approximately \$97.2 million. Upon contribution of the Properties to the Partnership, and the Partnership's subsequent contribution of each Property into a separate property partnership, each of the property partnerships obtained mortgage financing secured by the Property

held by that property partnership, in an aggregate amount of \$582.0 million. The mortgage financing is non-recourse to the property partnerships, subject to limited exceptions for matters such as environmental liabilities.

---

**Table of Contents**

As a result of the transaction described above, the Company received, in addition to its 40% interest in the Partnership, approximately \$290 million in net cash proceeds, which the Company has used to repay secured debt and temporarily pay down its revolving credit facility. As a future date, the Company intends to re-draw the amounts used to temporarily reduce amounts outstanding under its revolving credit facility to acquire properties or make other real estate-related investments, repay other secured debt, repurchase shares of Crescent Equities and for other corporate purposes.

Under the terms of the Partnership Agreement, all net cash flow of the Partnership will be distributed 40% to the Company and 60% to JPM on a monthly basis, subject to an annual true-up. In addition, the Crescent General Partner, in its capacity as managing general partner, will receive an annual incentive distribution based on the Partnership's adjusted net operating income. In general, upon the occurrence of a capital transaction such as a sale or refinancing of any of the Properties or the sale of the partnership interests of any of the partnerships that owns one of the Properties, the net proceeds of the transaction initially will be distributed 40% to the Company and 60% to JPM, subject to the Company's right to receive a greater proportion of the net proceeds if JPM receives total distributions from the Partnership sufficient to provide it with specified internal rates of return on its investment in the Partnership, as provided in the Partnership Agreement.

**Other Relationships Between the Company and JP Morgan Fleming Asset Management**

The Company owns three of the office properties included in its office portfolio through three separate partnerships in which an affiliate of JP Morgan Fleming Asset Management (each, a JPM Affiliate) is the other partner. The three office properties are Miami Center in Miami, Florida, Five Houston Center in Houston, Texas and BriarLake Plaza in Houston, Texas. The Company has a 40% interest in Miami Center, a 25% interest in Five Houston Center, and a 30% interest in BriarLake Plaza. A JPM Affiliate owns the remaining 60% interest in the partnership that owns Miami Center, the remaining 75% interest in the partnership that owns Five Houston Center and the remaining 70% interest in the partnership that owns BriarLake Plaza.
