Item 2.02. Results of Operations and Financial Condition

As described in more detail under Item 4.02 below, on January 26, 2005, Comstock Resources, Inc. (the Company) announced that it would be restating its financial statements for the three months and nine months ended September 30, 2004 and the previously filed financial statements for that period should therefore no longer be relied upon. The press release announcing the restatement is attached hereto as Exhibit 99.1.

Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review

On January 26, 2005, the Company's Audit Committee determined that the Company's financial statements for the three and nine month periods ended September 30, 2004 (the September 30, 2004 Financial Statements) should no longer be relied upon because they needed to be restated to correct the accounting for the Company's ownership interest in Bois d'Arc Energy, LLC (Bois d'Arc Energy). Upon its formation on July 16, 2004, the Company started consolidating Bois d'Arc Energy. Under the terms of Bois d'Arc Energy's operating agreement, the Company jointly shares management of Bois d'Arc Energy with the principals of Bois d'Arc Resources, Ltd. Upon further consideration of Bois d'Arc Energy's formation documents, the Company has concluded that consolidation is precluded due to its inability to control Bois d'Arc Energy pursuant to Bois d'Arc Energy's operating agreement. Consequently, the Company is restating the September 30, 2004 Financial Statements to account for the Company's 59.9% interest in Bois d'Arc Energy under the proportionate consolidation method. The Company's Audit Committee discussed the restatement with Ernst & Young, LLP, the Company's independent registered public accounting firm.

Except for the three and nine month periods ended September 30, 2004, no other periods were affected by the restatement. The restatement did not have any impact on the Company's consolidated stockholders' equity, net income or earnings per share for any of the periods presented. The Company will be filing an amendment to its Quarterly Report on Form 10-Q for the quarter ended September 30, 2004, which Form 10-Q/A will contain the restated September 30, 2004 Financial Statements.
