**PROXY STATEMENT
2005 ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD APRIL 27, 2005**

The Board of Directors of Piper Jaffray Companies is soliciting proxies for use at the annual meeting of shareholders to be held on April 27, 2005, and at any adjournment or postponement of the meeting. This proxy statement and the enclosed proxy card are first being mailed or given to shareholders on or about March 16, 2005.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of the meeting?

At our annual meeting, shareholders will act upon the matters outlined in the Notice of Annual Meeting of Shareholders. These include the election of directors and ratification of the selection of our independent auditor. Also, management will report on matters of current interest to our shareholders and respond to questions from our shareholders.

Who is entitled to vote at the meeting?

The Board has set March 2, 2005, as the record date for the annual meeting. If you were a shareholder of record at the close of business on March 2, 2005, you are entitled to vote at the meeting.

As of the record date, 20,679,957 shares of common stock were issued and outstanding and, therefore, eligible to vote at the meeting.

What are my voting rights?

Holders of our common stock are entitled to one vote per share. Therefore, a total of 20,679,957 votes are entitled to be cast at the meeting. There is no cumulative voting.

How many shares must be present to hold the meeting?

In accordance with our bylaws, shares equal to a majority of the voting power of the outstanding shares of common stock entitled to vote generally in the election of directors as of the record date must be present at the meeting in order to hold the meeting and conduct business. This is called a quorum. Shares are counted as present at the meeting if:

you are present and vote in person at the meeting; or

you have properly and timely submitted your proxy as described below under **How do I submit my proxy?**

What is a proxy?

It is your designation of another person to vote stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. When you designate a proxy, you also may direct the proxy how to vote your shares. Three executive officers, including our chief executive officer, have been designated as proxies for our 2005 annual meeting of shareholders. These executive officers are Andrew S. Duff, James L. Chosy and Sandra G. Sponem.

Table of Contents

What is a proxy statement?

It is a document that we are required to give you, in accordance with regulations promulgated by the Securities and Exchange Commission, when we ask you to designate proxies to vote your shares of Piper Jaffray Companies common stock at a meeting of our shareholders. The proxy statement includes information regarding the matters to be acted upon at the meeting and certain other information required by regulations promulgated by the Securities and Exchange Commission and rules of the New York Stock Exchange.

What is the difference between a shareholder of record and a street name holder?

If your shares are registered directly in your name, you are considered the shareholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the shareholder of record with respect to those shares, while you are considered the beneficial owner of those shares. In that case, your shares are said to be held in street name. Street name holders generally cannot vote their shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their shares using the method described below under How do I submit my proxy?

How do I submit my proxy?

If you are a shareholder of record, you can give a proxy to be voted at the meeting in any of the following ways:

electronically, using the Internet;

over the telephone by calling a toll-free number; or

by completing, signing and mailing the enclosed proxy card.

The Internet and telephone voting procedures have been set up for your convenience. The procedures have been designed to authenticate your identity, allow you to give voting instructions, and confirm that those instructions have been recorded properly. When you vote by Internet or telephone, you reduce our mailing and handling expenses. If you are a shareholder of record and you would like to submit your proxy by Internet or telephone, please refer to the specific instructions provided on the enclosed proxy card. If you wish to vote using a paper format, please return your signed proxy card to us so that we receive it before the annual meeting.

If you hold your shares in street name, you must vote your shares in the manner prescribed by your broker, bank, trust or other nominee. Your broker, bank, trust or other nominee has enclosed or otherwise provided a voting instruction card for you to use in directing the broker, bank, trust or other nominee how to vote your shares. In many cases, the broker, bank, trust or other nominee will permit you to submit your voting instructions by Internet or telephone.

How do I vote if my shares are held in the Piper Jaffray Companies Retirement Plan or the U.S. Bancorp 401(k) Savings Plan?

If you hold any shares of Piper Jaffray common stock in the Piper Jaffray Companies Retirement Plan or the U.S. Bancorp 401(k) Savings Plan, your completed proxy card or the submission of your proxy by Internet or telephone will serve as voting instructions to the respective plan's trustee. However, your voting instructions must be received at least five days prior to the annual meeting in order to count. In accordance with the terms of the Piper Jaffray Companies Retirement Plan and the U.S. Bancorp 401(k) Savings Plan, the trustee of the plan will vote all of the shares held in the plan in the same proportion as the actual proxy votes submitted by plan participants at least five days prior to the annual meeting.

Table of Contents

What does it mean if I receive more than one set of proxy materials or multiple control numbers?

If you receive more than one set of proxy materials or multiple control numbers for use in submitting your proxy, it means that you hold shares registered in more than one account. To ensure that all of your shares are voted, sign and return each proxy card or voting instruction card you receive or, if you submit your proxy by Internet or telephone, vote once for each card or control number you receive.

Can I vote my shares in person at the meeting?

If you are a shareholder of record, you may vote your shares in person at the meeting by completing a ballot at the meeting. Even if you currently plan to attend the meeting, we recommend that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend the meeting. If you submit your vote by proxy and then decide to vote in person at the annual meeting, the vote you submit at the meeting will override your proxy vote.

If you are a street name holder, you may vote your shares in person at the meeting only if you obtain and bring to the meeting a signed letter or other proxy from your broker, bank, trust or other nominee giving you the right to vote the shares at the meeting.

If you are a participant in the Piper Jaffray Companies Retirement Plan or the U.S. Bancorp 401(k) Savings Plan, you may submit a proxy as described above, but you may not vote your Piper Jaffray shares held in the Piper Jaffray Companies Retirement Plan or in the U.S. Bancorp 401(k) Savings Plan in person at the meeting.

How does the Board recommend that I vote?

The Board of Directors recommends a vote:

FOR both of the nominees for director; and

FOR the ratification of the selection of Ernst & Young LLP as Piper Jaffray's independent auditor for the year ending December 31, 2005.

What if I do not specify how I want my shares voted?

If you submit a signed proxy card or submit your proxy by Internet or telephone but do not specify how you want to vote your shares, we will vote your shares:

FOR both of the nominees for director; and

FOR the ratification of the selection of Ernst & Young LLP as Piper Jaffray's independent auditor for the year ending December 31, 2005.

Our broker-dealer subsidiary, Piper Jaffray & Co., is a member broker of the New York Stock Exchange. Under New York Stock Exchange rules, a member broker who holds shares in street name for customers generally may vote on certain routine items, including the election of directors and the ratification of the selection of an independent auditor, even if the broker has not received voting instructions from the beneficial owner of the shares. However, because of our relationship with Piper Jaffray & Co., the New York Stock Exchange prohibits Piper Jaffray & Co. from exercising discretion when voting Piper Jaffray shares held by it in street name for which Piper Jaffray & Co. has received no voting instructions. In this situation, Piper Jaffray & Co. is entitled to vote these shares only in the same proportion as the shares represented by the votes cast by all shareholders of record with respect to each proposal.

Table of Contents

Can I change my vote after submitting my proxy?

Yes. You may revoke your proxy and change your vote at any time before your proxy is voted at the annual meeting, in any of the following ways:

by submitting a later-dated proxy by Internet or telephone before the deadline set forth on the enclosed proxy card;

by submitting a later-dated proxy to the secretary of Piper Jaffray Companies, which must be received by us before the time of the annual meeting;

by sending a written notice of revocation to the secretary of Piper Jaffray Companies, which must be received by us before the time of the annual meeting; or

by voting in person at the meeting.

What vote is required for the election of directors and for ratification of the selection of the independent auditor?

The two director nominees who receive the most votes cast at the meeting in person or by proxy will be elected. The affirmative vote of the holders of a majority of the outstanding shares of common stock present in person or represented by proxy and entitled to vote at the annual meeting is required to ratify the selection of our independent auditor.

How are votes counted?

You may either vote FOR or WITHHOLD authority to vote for each nominee for the Board of Directors. You may vote FOR, AGAINST or ABSTAIN on the other proposal. If you properly submit your proxy but withhold authority to vote for one or more director nominees or abstain from voting on the proposal to ratify the selection of our independent auditor, your shares will be counted as present at the meeting for the purpose of determining a quorum. Your shares also will be counted as present at the meeting for the purpose of calculating the vote on the particular matter with respect to which you abstained from voting or withheld authority to vote.

If you withhold authority to vote for one or more of the directors or you do not vote your shares on this matter (whether by broker non-vote or otherwise), this will have no effect on the outcome of the vote. If you abstain from voting on the proposal to ratify the selection of our independent auditor, your abstention has the same effect as a vote against that proposal.

Will my vote be kept confidential?

Yes. We have procedures to ensure that, regardless of whether shareholders vote by Internet, telephone, mail or in person,

all proxies, ballots and voting tabulations that identify shareholders are kept permanently confidential, except as disclosure may be required by federal or state law or expressly permitted by a shareholder; and

voting tabulations are performed by an independent third party.

How can I attend the meeting?

All of our shareholders are invited to attend the annual meeting. You may be asked to present valid picture identification, such as a driver's license or passport, before being admitted to the meeting. If you hold your shares in street name, you also may be asked to present proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from your broker, bank, trust or other nominee are examples of proof of ownership.

Table of Contents

To help us plan for the meeting, please let us know when you submit your proxy whether you expect to attend the meeting, by responding affirmatively when prompted during Internet or telephone voting or by marking the attendance box on the proxy card.

Who pays for the cost of proxy preparation and solicitation?

Piper Jaffray pays for the cost of proxy preparation and solicitation, including the reasonable charges and expenses of brokerage firms, banks, trusts or other nominees for forwarding proxy materials to street name holders. We are soliciting proxies primarily by mail. In addition, our directors, officers and regular employees may solicit proxies by telephone or facsimile or personally. These individuals will receive no additional compensation for their services other than their regular compensation.

Can I receive future proxy statements and annual reports electronically instead of receiving paper copies through the mail?

Yes. If you are a shareholder of record, you may request and consent to electronic delivery of future proxy statements and annual reports by accessing the Web site www.melloninvestor.com and accessing your account after clicking on Investor ServiceDirectsm. If you do not see a prompt regarding consent to electronic delivery of materials, click on Consent Update under the Account Management option and follow the instructions. If your shares are held in street name, please contact your broker, bank, trust or other nominee and ask about the availability of electronic delivery.

ITEM 1 ELECTION OF DIRECTORS

The number of directors currently serving on our Board of Directors is seven. Our Board of Directors is divided into three classes of approximately equal size. The members of each class are elected to serve a three-year term with the term of office for each class ending in consecutive years. At this year's annual meeting, the terms of our Class II directors will expire. Michael R. Francis and Addison L. Piper, who currently serve as Class II directors with terms expiring at the 2005 annual meeting, have been nominated for reelection to the Board to serve until our 2008 annual meeting of shareholders or until their successors are elected and qualified. Each of the nominees has agreed to serve as a director if elected. The two nominees for director receiving a plurality of the votes cast at the meeting in person or by proxy will be elected. Proxies may not be voted for more than two directors. If, for any reason, any nominee becomes unable to serve before the election, the persons named as proxies may vote your shares for a substitute nominee selected by the Board of Directors.

The Board of Directors recommends a vote FOR the election of the two director nominees. Proxies will be voted FOR the election of the two nominees unless otherwise specified.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

The Board of Directors conducts its business through meetings of the Board and the following standing committees: Audit, Compensation, and Nominating and Governance. Each of the standing committees has adopted and operates under a written charter, all of which are available on our Web

Table of Contents

site at www.piperjaffray.com. Other corporate governance documents available on our Web site include our Corporate Governance Principles, Director Nominee Selection Policy, Procedures for Contacting the Board of Directors, Code of Ethics and Business Conduct, and Complaint Procedures Regarding Accounting and Auditing Matters. All of these documents also are available in print to any shareholder who requests them.

Director Independence

Under applicable rules of the New York Stock Exchange, a majority of the members of our Board of Directors must be independent, and no director qualifies as independent unless the Board of Directors affirmatively determines that the director has no material relationship with Piper Jaffray. To assist the Board with these independence determinations, the Board has adopted categorical standards referred to as Director Independence Standards, which are included as Appendix A to this proxy statement. Under the Director Independence Standards, a director will be deemed independent for purposes of service on the Board if:

- (1) the director does not have any relationship described in Rule 303A.02(b) of the New York Stock Exchange corporate governance rules;
- (2) in the event the director has a relationship that is not of a type described in the Director Independence Standards or that exceeds the limits of the relationships described in the Director Independence Standards, the Board determines in its judgment, after broad consideration of all relevant facts and circumstances, that the relationship is not material; and
- (3) the Board reviews all commercial, banking, consulting, legal, accounting, charitable, familial and other relationships the director has with Piper Jaffray that are not of a type described in the Director Independence Standards and determines in its judgment, after broad consideration of all relevant facts and circumstances, that the relationship is not material.

The Board has affirmatively determined, in accordance with our Director Independence Standards, that each of our non-employee directors (Michael R. Francis, B. Kristine Johnson, Samuel L. Kaplan, Frank L. Sims and Richard A. Zona) is independent as that term is defined in the applicable New York Stock Exchange rules. None of the non-employee directors has a relationship described in Rule 303A.02(b) of the New York Stock Exchange rules, and with the exception of one relationship between Piper Jaffray and Ms. Johnson, every relationship between Piper Jaffray and the non-employee directors is of a type described in the Director Independence Standards and does not exceed the limits set forth in the Director Independence Standards. Ms. Johnson's brother, Paul V. Olson, is employed by us as a financial advisor in the private client services business of our broker-dealer subsidiary. The Board broadly considered all the relevant facts and circumstances of this relationship, including the fact that Mr. Olson is not an executive officer of our company or of our broker-dealer subsidiary and the Board's determination that in her role as a director, Ms. Johnson exercises independent judgment that is not unduly influenced by management. After this analysis, the Board affirmatively determined in its judgment that this relationship is not material and that Ms. Johnson is independent.

Messrs. Duff and Piper cannot be considered independent directors because of their employment as executive officers of Piper Jaffray.

Meetings of the Independent Directors

At both the Board and committee levels, our independent directors meet regularly in executive sessions in which our employee directors (Messrs. Duff and Piper) and other members of management do not participate. Mr. Kaplan, chairperson of the Nominating and Governance Committee, serves as the presiding director of executive sessions of the Board, and the chairperson of each committee serves as the presiding director at executive sessions of that committee.

Committees of the Board

Audit Committee

Members: Richard A. Zona, *Chairperson*

B. Kristine Johnson

Frank L. Sims

The Audit Committee's purpose is to oversee the integrity of our financial statements, the independent auditor's qualifications and independence, the performance of our internal audit function and independent auditor, and compliance with legal and regulatory requirements. The Audit Committee has sole authority to retain and terminate the independent auditor and is directly responsible for the compensation and oversight of the work of the independent auditor. The Audit Committee meets with management and the independent auditor to review and discuss the annual audited and quarterly unaudited financial statements, reviews the integrity of our accounting and financial reporting processes and audits of our financial statements, and prepares the Audit Committee Report included in the proxy statement in accordance with the rules and regulations of the Securities and Exchange Commission. The responsibilities of the Audit Committee are more fully described in the Committee's charter, which is included as Appendix B to this proxy statement. The Audit Committee met nine times during 2004.

The Board of Directors has determined that all members of the Audit Committee are independent as that term is defined in the applicable New York Stock Exchange rules and in regulations of the Securities and Exchange Commission, and that all members are financially literate as required by rules of the New York Stock Exchange. The Board of Directors also has determined that all members of the Audit Committee have the accounting or related financial expertise required by the applicable New York Stock Exchange listing standards and that Mr. Zona and Mr. Sims each is an audit committee financial expert as defined by applicable regulations of the Securities and Exchange Commission. In addition to his service on our Audit Committee, Mr. Zona serves on the audit committees of three other publicly traded companies (New Century Financial Corporation, Polaris Industries, Inc. and Shopko Stores, Inc.). Our Board of Directors has determined that Mr. Zona's simultaneous service on these other audit committees does not impair his ability to serve effectively on our Audit Committee.

Nominating and Governance Committee

Members: Samuel L. Kaplan, *Chairperson*
Michael R. Francis
B. Kristine Johnson

The Nominating and Governance Committee identifies and recommends individuals qualified to become members of the Board of Directors and recommends to the Board sound corporate governance principles and practices for Piper Jaffray. In particular, the Committee assesses the independence of all Board members, identifies and evaluates candidates for nomination as directors, responds to director nominations submitted by shareholders, recommends the slate of director nominees for election at the annual meeting of shareholders and candidates to fill vacancies between annual meetings, recommends qualified members of the Board for membership on committees, oversees the director orientation and continuing education programs, reviews the Board's committee structure, reviews and assesses the adequacy of our Corporate Governance Principles, evaluates the annual evaluation process for the executive officers, the Board and Board committees, and oversees the succession planning process for the executive officers jointly with the Compensation Committee. The responsibilities of the Nominating and Governance Committee are more fully described in the Committee's charter. The Nominating and Governance Committee met five times during 2004. The Board of Directors has determined that all members of the Nominating and Governance Committee are independent as that term is defined in applicable New York Stock Exchange rules.

Meeting Attendance

Our Corporate Governance Principles provide that our directors are expected to attend meetings of the Board and of the committees on which they serve, as well as our annual meeting of shareholders. Our Board of Directors held eight meetings during 2004. Each of our directors attended at least 75% of the meetings of the Board of Directors and the committees on which he or she served during 2004. Attendance at our Board and committee meetings during 2004 averaged 96.8% for incumbent directors as a group, and all of our directors attended the 2004 annual meeting of shareholders.

Procedures for Contacting the Board of Directors

The Board has established a process for shareholders and other interested parties to send written communications to the Board or to individual directors. Such communications should be sent by U.S. mail to the Office of the Secretary, Piper Jaffray Companies, 800 Nicollet Mall, Suite 800, Minneapolis, Minnesota 55402. Communications regarding accounting and auditing matters will be handled in accordance with our Complaint Procedures Regarding Accounting and Auditing Matters. Other communications will be collected by the secretary of the company and delivered, in the form received, to the presiding director or, if so addressed, to a specified director. The chairperson of the Nominating and Governance Committee serves as the presiding director.

Procedures for Selecting and Nominating Director Candidates

The Nominating and Governance Committee will consider director candidates recommended by shareholders, and the Committee has adopted a policy that contemplates shareholders recommending and nominating director candidates. A shareholder who wishes to recommend a director candidate to the Board for nomination by the Board at the annual meeting of shareholders or for vacancies of the Board that arise between shareholder meetings must timely provide the Nominating and Governance Committee with sufficient written documentation to permit a determination by the Board whether such candidate meets the required and desired director selection criteria set forth in our bylaws, our Corporate Governance Principles and our Director Nominee Selection Policy described below. Such documentation and the name of the director candidate must be sent by U.S. mail to the Chairperson,

Alternatively, shareholders may directly nominate a person for election to our Board of Directors by complying with the procedures set forth in Article II, Section 2.4 of our bylaws, and with the rules and regulations of the Securities and Exchange Commission. Under our bylaws, only persons nominated in accordance with the procedures set forth in the bylaws will be eligible to serve as directors. In order to nominate a candidate for service as a director, you must be a shareholder of record at the time you give the Board notice of your nomination, and you must be entitled to vote for the election of directors at the meeting at which your nominee will be considered. In accordance with our bylaws, director nominations generally must be made pursuant to notice delivered to or mailed and received at our principal executive offices at the address above, not later than the 90th day, nor earlier than the 120th day, prior to the first anniversary of the prior year's annual meeting of shareholders. Your notice must set forth all information relating to the nominee that is required to be disclosed in solicitations of proxies for the election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934 and Rule 14a-11 thereunder (including the nominee's written consent to being named in the proxy statement as a nominee and to serving as a director if elected).

As required by our Corporate Governance Principles and our Director Nominee Selection Policy, when evaluating the appropriate characteristics of candidates for service as a director, the Nominating and Governance Committee takes into account many factors. At a minimum, director candidates must demonstrate high standards of ethics, integrity and professionalism, independence, sound judgment, community leadership and meaningful experience in business, law or finance or other appropriate endeavor. Candidates also must be committed to representing the long-term interests of our shareholders. In addition to these minimum qualifications, the Committee considers other factors it deems appropriate based on the current needs and desires of the Board, including specific business and financial expertise currently desired on the Board, experience as a director of a public company, geography, age, gender and ethnic diversity. The Committee will reassess the qualifications of a director, including the director's past contributions to the Board and the director's attendance and contributions at Board and committee meetings, prior to recommending a director for reelection to another term.

Compensation Program for Non-Employee Directors

Directors who are not Piper Jaffray employees receive an annual cash retainer of \$50,000 for service on our Board of Directors. No separate meeting fees are paid. The chairperson of the Audit Committee receives an additional annual cash retainer of \$8,000. The chairperson of each other standing committee receives an additional annual cash retainer of \$5,000.

In addition to the cash retainer, each non-employee director receives a stock option with a fair market value of \$20,000 on the date of the director's initial election to the Board. Non-employee directors who will continue their service on the Board following an annual meeting of shareholders receive a stock option valued at \$50,000 on the date of the annual meeting. In both cases, the number of shares underlying the option is determined using the Black-Scholes option pricing model, and the option is exercisable immediately, has a 10-year term and has an exercise price equal to the closing price of our common stock on the date of grant. The options are granted under our Amended and Restated 2003 Annual and Long-Term Incentive Plan. We plan to award directors who join our Board after the first month of a calendar year with pro rata annual retainers and equity awards based on the number of months in which they serve as directors during the year.

Beginning with the 2005 calendar year, non-employee directors are eligible to participate in the Piper Jaffray Companies Deferred Compensation Plan for Non-Employee Directors, which was adopted by the Board in December 2004. The plan permits our non-employee directors to defer all or a portion of the cash fees payable to them for their service as a director of Piper Jaffray for any

Table of Contents

calendar year. Amounts deferred by a participating director are credited to a recordkeeping account established for the director and deemed invested in shares of our common stock as of the date the deferred fees otherwise would have been paid to the director. This deemed investment is measured in phantom stock, and no shares of common stock are reserved, repurchased or issued pursuant to the plan. The fair market value of all phantom stock credited to a director's account will be paid out to the director (or, in the event of the director's death, to his or her beneficiary) in a single lump-sum cash payment following the director's cessation of service as a non-employee director. The amount paid out will be determined based on the fair market value of the stock on the last day of the year in which the director's service with us terminates. Directors who elect to participate in the plan are not required to pay income taxes on amounts deferred but will instead pay income taxes on the amount of the lump-sum cash payment paid to the director (or his or her beneficiary) at the time of such payment. Our obligations under the plan are unsecured general obligations to pay in the future the value of the participant's account pursuant to the terms of the plan.

Non-employee directors also may participate in our charitable gift matching program, pursuant to which we will match an employee's or director's gifts to eligible organizations dollar for dollar from a minimum of \$50 up to an aggregate maximum of \$1,000 per year. In addition, our non-employee directors are reimbursed for reasonable out-of-pocket expenses incurred in connection with their service on the Board and committees of the Board.

Employees of Piper Jaffray who also serve as directors receive compensation for their services as employees, but they do not receive any additional compensation for their service as directors. No other compensation is paid to our Board members in their capacity as directors. Non-employee directors do not participate in our employee benefit plans.

Code of Ethics and Business Conduct

We have adopted a Code of Ethics and Business Conduct applicable to all of our directors and employees, including our principal executive officer, principal financial and accounting officer, controller and other employees performing similar functions. A copy of our Code of Ethics and Business Conduct is available on our Web site at www.piperjaffray.com and is available in print to any shareholder who requests it.

We intend to post on our Web site any amendment to, or waiver from, a provision of our Code of Ethics and Business Conduct that applies to our principal executive officer, principal financial and accounting officer, controller and other persons performing similar functions within five business days following the date of such amendment or waiver.

EXECUTIVE COMPENSATION

Report of the Compensation Committee

The Compensation Committee of the Board of Directors, which consists entirely of independent directors, is responsible for discharging the Board's responsibilities relating to compensation of the company's executive officers, overseeing the company's compensation plans and policies, including administering the Piper Jaffray Companies Amended and Restated 2003 Annual and Long-Term Incentive Plan, and ensuring that the company's compensation and benefits philosophy is reflected in its compensation and benefits programs. The Committee's charter reflects these responsibilities.

Compensation Philosophy

The company's executive compensation program is designed to attract and retain motivated individuals who will lead Piper Jaffray to achieve long-term success, as measured by increasing shareholder value. A substantial portion of each executive officer's total compensation is intended to be variable and delivered on a pay-for-performance basis. Due to the intensely competitive nature of

Table of Contents

the securities industry, the executive compensation program generally will provide compensation opportunities, contingent upon performance, that are competitive with practices of other similar organizations in our industry.

We are committed to utilizing the company's compensation program to build an ownership culture among all of the company's employees and to expand the breadth and depth of employee ownership over time. We believe that employee ownership directly aligns the interests of employees and shareholders and will promote long-term shareholder value creation. This is particularly true in a human capital business like Piper Jaffray, where the performance of individual employees can have a direct and meaningful effect on financial performance and on the company's culture. This philosophy is reflected in our compensation program for executive officers as well as for employees generally.

Executive Officer Compensation Program

In 2004, the Committee retained Watson Wyatt & Company, a nationally recognized compensation consulting firm with securities industry expertise, to provide the Committee with analysis of industry practices and make recommendations to the Committee regarding the structure of the compensation program for the company's executive officers. The key components of the executive compensation program are base salary, annual incentive compensation and long-term incentive awards.

Base Salary

The purpose of base salary is to provide a set amount of cash compensation for each executive officer that is not variable in nature and is competitive with market practices. Base salaries for the executive officers are reviewed annually by the Compensation Committee. Adjustments are based on each executive officer's performance for the prior year, his or her experience, expertise and position within the company, and compensation levels for comparable positions at comparable public companies and other companies in the securities industry with whom the company competes, as reported in external compensation sources. Consistent with industry practice, the base salary for each of the company's executive officers generally accounts for a relatively small portion of his or her overall compensation.

Annual Incentive Compensation

The annual incentive program is a key component of the company's executive compensation strategy. The purpose of the annual incentive program is to provide cash and equity compensation that is variable based on the achievement of annual performance goals. The program is administered by the Compensation Committee under the Piper Jaffray Companies Amended and Restated 2003 Annual and Long-Term Incentive Plan.

In March 2004, the Committee established the performance goals for the 2004 annual incentive program. For 2004, each executive officer was entitled to receive annual incentive compensation based on the company's pre-tax operating income for the year, as adjusted to eliminate certain compensation and benefits expenses and certain other expenses, losses, income or gains that are unusual in nature or infrequent in occurrence. The specific amount paid to each executive officer was determined based on his or her performance against individualized, weighted performance goals relating to company-wide and business unit operating performance and individual performance against a personalized performance plan.

Consistent with our philosophy regarding employee ownership, the executive officers' annual incentive compensation for 2004 was paid out in a combination of cash and restricted stock, with the restricted stock representing from 36% to 46% of the total annual incentive payout, depending on the individual's position. The restricted stock was granted under the 2003 Annual and Long-Term Incentive Plan and will fully vest on February 22, 2008.

Table of Contents

For 2005, annual incentive awards for the chief executive officer and other executive officers also will be based on the company's pre-tax operating income, adjusted as described above. The 2005 annual incentive award also will be paid out in a combination of cash and equity, and the equity may include both restricted stock and stock options.

Long-Term Incentive Awards

Long-term incentives are intended to provide compensation opportunities based on the creation of shareholder value and an increase in the company's stock price. Both stock options and restricted stock awards provide these opportunities. As described above, the executive officers received awards of restricted stock as partial payment of their 2004 annual incentive compensation. The Committee also approved a stock option grant to each executive officer effective on February 22, 2005. The size of the stock option grant was based on each executive officer's past performance, future potential, past equity grants, and his or her position within the company. Like the restricted stock, the stock options were granted under the 2003 Annual and Long-Term Incentive Plan and will fully vest on February 22, 2008.

Consistent with our compensation philosophy, the equity component of each executive officer's total incentive compensation paid for 2004 represented from 40% to 50% of the total incentive payout approved for each executive officer, depending on the individual's position. The amount of equity awarded as a percentage of each executive officer's total compensation for 2004 (including base salary, annual incentive compensation and long-term incentive compensation) represented from 24% to 43% of his or her total compensation, depending on the individual's position.

Executive Stock Ownership

We have adopted stock ownership guidelines to ensure that each executive officer maintains a meaningful equity stake in the company. The guidelines provide for the executive officers to increase their ownership of Piper Jaffray Companies stock to a face value equal to seven times base salary for the chief executive officer, and two to five times salary for the other executive officers, depending on the individual's position, within five years after becoming subject to the guidelines. In addition to the ownership guidelines, we have adopted a share retention policy requiring the executive officers to hold at least 50% of the shares awarded to them through the company's incentive plans, net of taxes and transaction costs, for a period of five years.

Chief Executive Officer Compensation

In determining Mr. Duff's incentive compensation for 2004 and his base salary for 2005, the Compensation Committee took the following steps:

Reviewed the financial performance and the total relative shareholder return of Piper Jaffray Companies, comparable public companies and other companies in the securities industry with whom Piper Jaffray competes;

Analyzed data regarding the types and amount of compensation, including incentive compensation, paid to the chief executive officers of comparable public companies and other companies in the securities industry with whom Piper Jaffray competes;

Reviewed historical compensation information for Mr. Duff, including past grants of equity;

Considered feedback from Mr. Duff, other members of management, and the Board of Directors regarding Mr. Duff's performance for 2004; and

Independently evaluated Mr. Duff's performance as chief executive officer against the 2004 performance goals and objectives established for him by the Compensation Committee.

After completing this process, the Compensation Committee approved compensation for Mr. Duff under the annual incentive program in the amount of \$2,497,500, consisting of \$1,350,000 in cash

Table of Contents

and \$1,147,500 of restricted stock (a total of 28,963 shares). We also granted Mr. Duff a stock option with a Black-Scholes value of \$202,500 (a total of 11,719 shares). Consistent with our compensation philosophy to pay a significant portion of incentive compensation in equity in lieu of cash, Mr. Duff received 50% of his total incentive compensation in equity and the remaining 50% in cash. The number of shares of restricted stock was determined based on the closing price of the company's common stock on February 22, 2005, and the number of shares underlying the stock option was based on the Black-Scholes value of the option on that date. The restricted stock and options fully vest in February 2008.

Mr. Duff's incentive compensation reflects our view of his and the company's performance for 2004. Mr. Duff successfully led Piper Jaffray through its first year as an independent public company. He effectively guided the senior management team in establishing the company's strategic direction, and under his leadership, the company improved key financial metrics, including a 93% increase in earnings per share over 2003, and an improved return on tangible shareholders' equity, which increased to 12.9% for 2004 from 8.0% for 2003. Despite these improvements, revenue growth was slow, increasing 1.4% over 2003.

Mr. Duff's annual base salary for 2005 remains unchanged at \$380,000. We believe Mr. Duff's salary continues to be competitive based on market data, his experience and his prior-year performance.

Policy on Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code limits deductions for non-performance-based annual compensation in excess of \$1.0 million paid to the company's chief executive officer and its other four most highly paid executive officers. Our policy is to maximize the tax deductibility of compensation payments to our executive officers. Accordingly, in 2004 we sought and obtained shareholder approval for the Piper Jaffray Companies Amended and Restated 2003 Annual and Long-Term Incentive Plan, under which annual cash and equity incentives are paid. The plan is designed and administered to qualify compensation awarded thereunder as performance-based to ensure that the tax deduction is available to the company. We may, however, authorize payments to executive officers that may not be fully deductible if we believe such payments are in the interests of shareholders.

Employment Arrangement with Addison L. Piper

We have established an employment arrangement with Mr. Piper pursuant to which Mr. Piper serves as vice chairman and as a member of our management committee (which is comprised of all our executive officers). The employment arrangement provides that Mr. Piper will be a full-time employee of our company subject to the policies generally applicable to other executive officers and will be paid an annual base salary of \$250,000 and a minimum annual bonus of \$500,000 for serving in these positions. The bonus amount will be paid in a combination of cash and equity of our company. The percentage of Mr. Piper's bonus that is to be paid in equity in any given year will be determined in the same manner used to determine the percentage of bonus to be paid in equity for our other executive officers in accordance with then-applicable compensation plans and programs. This arrangement will continue through December 31, 2006.

Employment Arrangement with Paul D. Grangaard

We have agreed to make a \$300,000 payment to Paul D. Grangaard, head of our private client services business, in recognition of his service to Piper Jaffray during the first quarter of 2005. We previously announced Mr. Grangaard's decision to resign from Piper Jaffray effective April 1, 2005. In

Table of Contents

light of his resignation, Mr. Grangaard will not participate in our 2005 annual incentive program and is not eligible to receive additional bonus compensation for 2005. He will not receive other payments in connection with his resignation, and at the time of his resignation, Mr. Grangaard will forfeit all of the Piper Jaffray Companies restricted stock and stock options previously awarded to him, which are reflected in the Summary Compensation Table below.

Termination and Change-in-Control Arrangements

All of our executive officers participate in the Piper Jaffray Companies Severance Plan, a broad-based plan in which all of our full-time, U.S.-based employees generally participate. Under the plan, employees may receive severance pay up to a maximum of \$205,000 in the event of certain involuntary terminations of employment resulting from an employer-determined severance event. Such events may include closure of a company facility, a permanent reduction in our workforce or an organizational change that results in the elimination of the employee's position.

Cash Award Agreements in Connection with Our Spin-Off from U.S. Bancorp

In connection with our spin-off from U.S. Bancorp on December 31, 2003, we established a cash award program pursuant to which we granted cash awards to more than 2,300 of our employees, including all of our executive officers, who were employees of our business on December 15, 2003. These cash awards were designed to aid in retaining highly skilled and motivated employees and to provide fair treatment to our employees whose U.S. Bancorp stock option and restricted stock awards expired or were forfeited as a result of the spin-off. The cash awards are not a part of our regular compensation program. The cash award program was approved by U.S. Bancorp's board of directors prior to the spin-off, and was approved by our Board both in advance of and following the spin-off. The allocation and specific terms and conditions of these cash awards were approved by our Compensation Committee following the spin-off.

Each employee who was granted a cash award, including our chief executive officer and the other four executive officers named in the Summary Compensation Table below, has entered into a letter agreement with us setting forth the terms and conditions of the award. Pursuant to these agreements, Mr. Duff was granted a discretionary cash award of \$500,000 and Messrs. Duff, Grangaard, Nordstrand, Peterson and Schnettler were granted other cash awards replacing the lost value of U.S. Bancorp options and restricted stock that expired or were forfeited as a result of the spin-off.

Mr. Duff's discretionary cash award is payable in four equal installments on each of March 31, 2004, 2005, 2006 and 2007. Mr. Duff's other cash award totaled \$4,567,096 and relates to the lost time value of U.S. Bancorp stock options and restricted stock that expired or were forfeited by Mr. Duff as a result of the spin-off. Fifty percent of this other cash award was paid on March 31, 2004, with the remaining 50% payable in four equal installments on each of March 31, 2005, 2006, 2007 and 2008. Messrs. Grangaard, Nordstrand, Peterson and Schnettler also are parties to cash award agreements relating to the lost time value of U.S. Bancorp equity awards. Their cash award amounts are \$270,585, \$26,394, \$559,622 and \$244,185, respectively. Fifty percent of each cash award was paid on March 31, 2004, with the remaining 50% payable in four equal installments on each of March 31, 2005, 2006, 2007 and 2008. In all cases, the payments are conditioned on the award recipient's continued employment with Piper Jaffray on the payment date, except that Piper Jaffray will continue to pay the benefits if the recipient's employment is terminated by reason of death, disability or retirement, or is terminated without cause during the 24-month period following a change in control of Piper Jaffray. As a result of his resignation from Piper Jaffray, Mr. Grangaard will forfeit his cash award payments for 2006, 2007 and 2008.

Each award recipient acknowledged in the recipient's cash award agreement that (a) for purposes of any stock option or other equity-based compensation award of U.S. Bancorp held by the recipient, the completion of the spin-off constituted a termination of employment with U.S. Bancorp, and (b) with respect to any such options and awards that terminated within 90 days following a

Table of Contents

termination of employment, the recipient had no further rights whatsoever after the expiration of the 90-day period following the completion of the spin-off. The recipient generally waived any and all claims relating to any stock option or other equity-based compensation award of U.S. Bancorp. However, the waiver did not apply to any rights relating to the exercise of certain options within 90 days of the completion of the spin-off, or with respect to any options or other equity-based compensation awards of U.S. Bancorp that continued to vest and remain exercisable beyond 90 days following a termination of employment.

Summary Compensation Table

The following table contains compensation information for our chief executive officer and our four other most highly compensated executive officers for the year ended December 31, 2004. The information for 2003 and 2002 included in this table reflects compensation earned by the individuals for service with us while Piper Jaffray was a subsidiary of U.S. Bancorp and, for Mr. Duff, for his service as a vice chairman of U.S. Bancorp, a position he held (in addition to serving as an executive officer of our broker-dealer subsidiary) from 1999 until our spin-off from U.S. Bancorp on December 31, 2003.

The discretionary award is payable in four equal installments on each of March 31, 2004, 2005, 2006 and 2007, so long as Mr. Duff remains employed by Piper Jaffray on each payment date. continue to receive payments under the plans until a liquidity or bankruptcy event has occurred with respect to each measuring investment in which deferred bonus awards are deemed to be invested. Messrs. Grangaard, Peterson and Schnettler were granted deferred bonus awards under these plans in 1996, 1997, 1998 and/or 2000.

- (3) The 2004 and 2003 awards of restricted stock were granted on February 22, 2005, and February 12, 2004, respectively, as part of each executive officer's annual incentive compensation for the year indicated. The awards will vest 100% on February 22, 2008, and February 12, 2007, respectively. The restricted stock is subject to forfeiture prior to vesting in the event the officer is terminated for cause or misappropriates confidential company information, participates in a business similar to Piper Jaffray, accepts a similar position with another company or solicits employees, customers or clients of Piper Jaffray after certain terminations of employment with Piper Jaffray. Recipients have the right to receive dividends (if any) on and to vote the shares of Piper Jaffray restricted stock they hold. For 2004, the number of shares awarded to each executive officer was determined by dividing specified dollar amounts representing a percentage of the individual's total bonus compensation by \$39.62, the closing price of our common stock on February 22, 2005. The number of shares awarded to each executive officer for 2003 was determined by dividing specified dollar amounts representing a percentage of the individual's total bonus compensation by \$47.30, the average closing price of our common stock for the five consecutive trading days ended February 11, 2004. As required by the rules of the Securities and Exchange Commission, the award value that is reported in the Summary Compensation Table was determined by multiplying the closing sales price of one share of Piper Jaffray common stock on the grant date of the restricted stock by the number of shares awarded. Mr. Grangaard will forfeit his restricted stock awards for 2004 and 2003 at the time of his resignation. The value of each officer's aggregate restricted stock holdings at December 31, 2004, as determined based on a closing price of \$47.95 for our common stock on December 31, 2004, and the number of restricted shares held as of December 31, 2004 were: for Mr. Duff, \$596,882 and 12,448 shares; for Mr. Grangaard, \$191,368 and 3,991 shares; for Mr. Nordstrand, \$432,125 and 9,012 shares; for Mr. Peterson, \$311,771 and 6,502 shares; and for Mr. Schnettler, \$470,150 and 9,805 shares.
- (4) The 2004 and 2003 entries for the number of securities underlying options reflect stock option awards granted to the executive officers on February 22, 2005 and February 12, 2004, respectively. These awards were not part of the annual incentive compensation paid to the executive officers for 2004 and 2003, but were granted at the same time the annual incentive compensation was awarded. Mr. Grangaard will forfeit his stock option awards at the time of his resignation.
- (5) The table excludes U.S. Bancorp equity awards granted to the named executive officers in 2003 and 2002 while Piper Jaffray was a subsidiary of U.S. Bancorp. No U.S. Bancorp restricted stock awards were granted to the named executive officers as part of their annual incentive compensation for 2003 or 2002. In 2002, options to purchase U.S. Bancorp common stock were awarded to all of the named executive officers except Mr. Duff. The number of shares underlying U.S. Bancorp stock options awarded in 2002 that remained outstanding on December 31, 2003, were adjusted on that date to maintain the economic value of the awards in connection with the special stock dividend paid to U.S. Bancorp shareholders to effect our spin-off from U.S. Bancorp on that date. This adjustment was effected by multiplying the number of shares underlying the option by 1.0068. The adjusted number of shares of U.S. Bancorp common stock underlying U.S. Bancorp stock options granted to the named executive officers in 2002 are as follows: Mr. Duff, 0 shares; Mr. Grangaard, 12,912 shares; Mr. Nordstrand, 24,651 shares; Mr. Peterson, 12,428 shares; and Mr. Schnettler, 12,428 shares.

Perquisites

The Summary Compensation Table does not include perquisites and other personal benefits, securities or property received by the executive officers because the aggregate amount of this compensation for each of the executive officers named in the table is the lesser of either \$50,000 or 10% of the total annual salary and bonus reported for each such officer, and therefore is not required to be included under regulations of the Securities and Exchange Commission. The perquisites received in 2004 by our executive officers named in the Summary Compensation Table consist of reimbursement for the cost of a parking space and, for some of our executive officers, reimbursement for a portion of the dues paid by them for business-related club membership. The Company's cost for these perquisites in 2004 did not exceed \$7,000 for any individual executive officer.

All of our executive officers are eligible to participate in our charitable gift matching program, which is open to all of our employees and directors. Pursuant to this program, we will match an employee's or director's gifts to eligible organizations dollar for dollar from a minimum of \$50 up to an aggregate maximum of \$1,000 per year.

Retirement Plans

We maintain the Piper Jaffray Companies Retirement Plan, which consists of a 401(k) component and a non-contributory profit-sharing component. We match 100% of each participating employee's 401(k) contributions up to a maximum of 4% of the employee's total pay up to the social security taxable wage base. In addition, under the profit-sharing component, we have discretion to make contributions on behalf of all of our employees on an annual basis. These contributions are based on our financial performance.

Prior to 2002, our employees participated in the U.S. Bancorp Cash Balance Pension Plan. The cash balance pension plan consisted of a career average pay plan and a defined benefit excess plan. Essentially all full-time employees of U.S. Bancorp and its subsidiaries were eligible to participate in the career average pay plan. Under the terms of the career average pay plan, a notional account balance was maintained for each participating employee. The defined benefit excess plan provided retirement benefits that would have been provided under the career average pay plan but for certain provisions of the Internal Revenue Code that limit deferral of compensation. In 2002, upon establishing our non-contributory profit-sharing plan (now included in the Piper Jaffray Companies Retirement Plan), Piper Jaffray withdrew as a participating employer in the U.S. Bancorp Cash Balance Pension Plan. Following our spin-off from U.S. Bancorp, our employees with vested benefits in the career average pay plan may withdraw those benefits at the employee's request. The liability for any benefits payable to our employees under the career average pay plan remains with U.S. Bancorp. In 2004, our chief executive officer and our other officers named in the Summary Compensation Table withdrew their vested balances as follows: Mr. Duff, \$31,981; Mr. Grangaard, \$33,217; Mr. Nordstrand, \$31,981; Mr. Peterson, \$31,981; and Mr. Schnettler, \$32,734.

Following the spin-off, we assumed U.S. Bancorp's liability for the non-qualified benefits accrued to our employees under the defined benefit excess plan. In 2004, we established the Piper Jaffray Companies Non-Qualified Retirement Plan to maintain and administer these benefits, which were transferred to our Non-Qualified Retirement Plan following the spin-off. Following the transfer, participation in our Non-Qualified Retirement Plan was frozen and no new benefits may be earned by participants in this plan. However, participating employees will continue to receive investment credits on their transferred plan balances in accordance with the terms of our plan. Each employee's plan balance will be payable by us upon the employee's retirement or termination of employment. The account balances for our named executive officers as of December 31, 2004, under our Non-Qualified Retirement Plan were as follows: Mr. Duff, \$380,412; Mr. Grangaard, \$921,111; Mr. Nordstrand, \$89,260; Mr. Peterson, \$357,212; and Mr. Schnettler, \$647,115.

STOCK PERFORMANCE GRAPH

The following graph compares the performance of an investment in our common stock from January 2, 2004, the date our common stock began regular-way trading on the New York Stock Exchange following our spin-off from U.S. Bancorp, with the S&P 500 Index and the S&P 500 Diversified Financials Index. The graph assumes \$100 was invested on January 2, 2004, in each of our common stock, the S&P 500 Index and the S&P 500 Diversified Financial Index and that all dividends were reinvested on the date of payment without payment of any commissions. Dollar amounts in the graph are rounded to the nearest whole dollar. Based on these assumptions, the cumulative total return would have been \$111.51 for our common stock, \$111.23 for the S&P 500 Index and \$108.59 for the S&P 500 Diversified Financials Index. The performance shown in the graph represents past performance and should not be considered an indication of future performance.

SECURITY OWNERSHIP

Stock Ownership Guidelines

We believe it is important for our directors and executive officers to have a meaningful equity interest in our company, to ensure that their interests are aligned with the interests of our shareholders. Our Board of Directors has adopted stock ownership guidelines to establish its minimum expectations for our directors and executive officers with respect to their equity stake in our company.

Executive Officers

Our stock ownership guidelines provide for equity ownership by our executive officers in an amount having a market value ranging from two to seven times the individual's annual base salary, depending upon the individual's position, to be achieved within five years of the date the individual became subject to the guidelines. Both common stock and restricted stock count towards these ownership guidelines. Each of our current executive officers became subject to these ownership guidelines in 2004, the year in which the guidelines were initially adopted. The table below under *Beneficial Ownership of Directors, Nominees and Executive Officers* shows how many shares of stock were owned as of March 2, 2005, by each of our executive officers named in the Summary Compensation Table for purposes of measuring compliance with the guidelines.

In addition to the ownership guidelines, our executive officers are subject to retention guidelines providing that each executive officer must retain for five years at least 50% of all shares received by the officer upon vesting of a restricted stock award and upon exercise of a stock option award.

Non-Employee Directors

Our stock ownership guidelines provide for equity ownership by our non-employee directors in an amount equal to two times the director's annual cash retainer, to be achieved within three years after the director's initial election to the Board. Both common stock and phantom stock (acquired under our Deferred Compensation Plan for Non-Employee Directors) are counted towards these ownership guidelines. The table below under *Beneficial Ownership of Directors, Nominees and Executive Officers* includes the number of shares of our common stock and phantom stock that were deemed owned as of March 2, 2005, by each of our non-employee directors for purposes of measuring compliance with the guidelines.

As part of its activities, the Committee has:

1. Reviewed and discussed with management and the independent auditor the audited financial statements of Piper Jaffray Companies;
2. Discussed with the independent auditor the matters required to be communicated under *Statement on Auditing Standards No. 61 (Communications with Audit Committees)*;
3. Received the written disclosures and letter from the independent auditor required by *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*; and
4. Discussed with the independent auditor its independence.

Management is responsible for Piper Jaffray's system of internal controls and the financial reporting process. Ernst & Young LLP is responsible for performing an independent audit of the consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board and issuing a report thereon. Our Committee's responsibility is to monitor and oversee these processes.

Based on the foregoing review and discussions and a review of the report of Ernst & Young LLP with respect to the consolidated financial statements, and relying thereon, we have recommended to the Board of Directors of Piper Jaffray Companies the inclusion of the audited consolidated financial statements in Piper Jaffray's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

pricing consultation and in 2003 consisted of sales and use tax review. For 2005, we have hired KPMG LLP to provide tax services, including tax compliance services and tax consultation services. As a result, we do not expect to incur tax fees from services provided by Ernst & Young LLP for 2005.

Auditor Services Pre-Approval Policy

The Audit Committee has adopted an auditor services pre-approval policy applicable to services performed for us by our independent auditor. In accordance with this policy, the Audit Committee's practice is to approve annually all audit services and, on a case-by-case basis, recurring permissible non-audit services to be provided by the independent auditor during the year. The Audit Committee reviews each non-audit service to be provided and assesses the impact of the service on the auditor's independence. In addition, the Audit Committee may pre-approve other non-audit services during the year on a case-by-case basis, and has delegated authority to grant such pre-approvals during the year to the chairperson of the Audit Committee. Any pre-approvals granted pursuant to this delegated authority are reported to the Audit Committee at its next regular meeting.

Prior to completion of our spin-off from U.S. Bancorp on December 31, 2003, Piper Jaffray was not an independent company and did not have an audit committee. However, the audit committee of U.S. Bancorp did pre-approve all non-audit services provided to U.S. Bancorp and its subsidiaries by its independent auditor. Our Audit Committee has determined that the provision of the non-audit services described in the table above was compatible with maintaining the independence of our independent auditor. On February 22, 2005, the Audit Committee pre-approved certain services to be provided by our independent auditor relating to engagements occurring on or after February 22, 2005.

ITEM 2 RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR

The Audit Committee of our Board of Directors has selected Ernst & Young LLP to continue to serve as our independent auditor for the year ending December 31, 2005. While it is not required to do so, our Board of Directors is submitting the selection of Ernst & Young LLP for ratification in order to ascertain the views of our shareholders with respect to Ernst & Young LLP. If the selection is not ratified, our Audit Committee will reconsider its selection.

Representatives of Ernst & Young LLP are expected to be present at the annual meeting, will be available to answer shareholder questions and will have the opportunity to make a statement if they desire to do so.

The Board of Directors recommends that you vote FOR ratification of the selection of Ernst & Young LLP as the independent auditor of Piper Jaffray Companies and our subsidiaries for the year ending December 31, 2005. Proxies will be voted FOR ratifying this selection unless otherwise specified.

**PIPER JAFFRAY COMPANIES
DIRECTOR INDEPENDENCE STANDARDS
As Adopted by the Board of Directors
on December 9, 2004**

The Board of Directors of Piper Jaffray Companies has adopted these Director Independence Standards to assist the Board in making determinations of director independence in accordance with the rules of the New York Stock Exchange.

The Board will assess the independence of each director on an annual basis prior to approving director nominees for inclusion in the proxy statement for the Company's annual meeting of shareholders. If a director is appointed to the Board between annual meetings, the Board will assess the director's independence at the time of such appointment. Directors must notify the Board promptly of any change in circumstances that might be perceived as putting the director's independence at issue. If so notified, the Board will reevaluate the director's independence as soon as practicable.

Under these standards, a director will be deemed independent for purposes of service on the Board only if:

- (1) the director does not have any relationship described in NYSE Rule 303A.02(b);
- (2) in the event the director has a relationship that exceeds the limits described below, the Board determines in its judgment, after broad consideration of all relevant facts and circumstances, that the relationship is not material; and
- (3) the Board reviews all commercial, banking, consulting, legal, accounting, charitable, familial and other relationships the director has with the Company that are not of a type described below, and determines in its judgment, after broad consideration of all relevant facts and circumstances, that the relationship is not material.

The fact that a particular relationship or transaction is required to be disclosed in the annual proxy statement under SEC rules will not be dispositive for purposes of determining whether the relationship or transaction is material. If the Board determines that a relationship described in (2) or (3) above is not material, the basis for that determination will be explained in the Company's annual proxy statement, as required by NYSE Rule 303A.02(a)(2).

The following relationships will *not* be deemed to be material relationships that would cause a director not to be independent:

(a) the Company has made payments for goods or services to, or has received payments for goods or services from, the primary business affiliation⁽¹⁾ of the director or an immediate family member⁽²⁾ of the director in an aggregate amount during a fiscal year that does not exceed the greater of \$1 million or 2% of such other company's consolidated gross revenues for that fiscal year;

(1) For purposes of these standards, a director's primary business affiliation means an entity of which the director is an executive officer, partner or employee or owns directly or indirectly at least a 10% equity interest, and an immediate family member's primary business affiliation means an entity of which the immediate family member is an executive officer, general partner or owns directly or indirectly at least a 10% equity interest.

(2) For purposes of these standards, an immediate family member includes a person's spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and anyone (other than domestic employees) who shares such person's home.

Table of Contents

(b) lending relationships, deposit relationships, or other banking relationships between the Company, on one hand, and a director's or immediate family member's primary business affiliation, on the other hand, if the relationship is in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with similarly situated non-affiliates;

(c) the director or an immediate family member, or their primary business affiliation, maintains a brokerage, margin or similar account with, or has purchased investment services, investment products, securities or similar products and services from the Company, including ownership of interests in partnerships or funds sponsored or managed by the Company, if the relationship is on substantially the same terms as those prevailing at the time for comparable transactions with similarly situated non-affiliates;

(d) the director or an immediate family member is a partner or associate of, or of counsel to, a law firm providing services to the Company if (i) such person has not personally provided legal services to the Company, and (ii) the aggregate payments received by the law firm from the Company in any fiscal year do not exceed the greater of \$1 million or 2% of the law firm's consolidated gross revenues for that fiscal year;

(e) a relationship arising solely from a director's or an immediate family member's ownership of an equity or limited partnership interest in an entity that engages in a transaction with the Company, if the director's or immediate family member's ownership interest does not exceed 5% of the total equity or partnership interests in that other entity;

(f) a relationship arising solely from a director's position as a director of another company that provides services to, or is provided services by, the Company;

(g) a relationship arising solely because an immediate family member of the director is a director or employee of another company that provides services to, or is provided services by, the Company;

(h) the director or an immediate family member has received personal loans from the Company that are specifically permitted under Section 402 of the Sarbanes-Oxley Act of 2002 and any regulations adopted thereunder; and

(i) the director or an immediate family member is a director, trustee or executive officer of a foundation, university or other non-profit organization that receives from the Company or the Piper Jaffray Foundation charitable contributions in an amount that does not exceed the greater of \$100,000 or 5% of the organization's aggregate annual charitable receipts during its preceding fiscal year.

III. Meetings

The Committee may request any officer or employee of the Company or external legal, accounting or other advisors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. It is the sense of the Committee that the Committee generally will recommend to the Board that the selection of the independent auditor be submitted to shareholders for ratification at the annual meeting of shareholders.

The Committee may delegate its authority to subcommittees established from time to time by the Committee, which subcommittees shall consist of one or more members of the Committee and shall report to the Committee; provided, however, that in the event the Committee delegates to a subcommittee its authority to pre-approve audit and permitted non-audit services, any determination
