**Item 8.01. Other Events.**

On June 26, 2007, Lewis M. Kling, President and Chief Executive Officer of Flowserve Corporation (the Company), and Mark A. Blinn, Senior Vice President and Chief Financial Officer of the Company (together, the Officers, and each, an Officer), adopted prearranged trading plans (together, the Plans, and each, a Plan) in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended (Rule 10b5-1), for the sale of the Company's common stock.

Pursuant to Rule 10b5-1, the Officers adopted the Plans to coordinate stock sales with their overall individual long-term asset diversification, tax and financial planning strategies.

The Plans provide for the sale of portions of each Officer's holdings of the Company's common stock on the open market in specified amounts, at prevailing market prices (subject to specified minimum trading prices), and on specified trade dates. The common stock transactions under the Plans will commence in the next open trading period. Mr. Kling's and Mr. Blinn's Plans will terminate on October 14, 2007 and November 3, 2007, respectively, unless earlier terminated pursuant to the terms of each such Plan.

The Officers that adopted these Plans and the respective numbers of shares subject to these Plans are set forth below. Each of these Officers will continue to own a substantial amount of shares (including unvested shares subject to equity awards) of the Company's common stock following the completion of any and all sales contemplated by the Plans.

<b>Officer</b>	<b>Number of Shares Subject to the Plan</b>	<b>Number of Shares Beneficially Owned(1)</b>	<b>Percentage of Beneficially Owned Shares(2)</b>	<b>Number of Shares Owned and Subject to Equity Awards(3)</b>	<b>Percentage of Shares Owned and Subject to Equity Awards(4)</b>

Mark A. Blinn	7,667	139,673	5.5%	188,840	4%

(1) Represents the number of shares beneficially owned by the Officer including shares that the Officer has the right to acquire within 60 days of the date of determination through the exercise of stock options under certain Company stock option and incentive plans.

(2) Represents the number of shares of the Officer subject to the Plan divided by the number of shares beneficially owned by that Officer.

(3) Represents the number of the shares owned by the Officer (including unvested shares subject to equity awards).

(4) Represents the number of shares of the Officer subject to the Plan divided by the number of shares owned by the Officers (including unvested shares subject to equity awards).

Transactions under these Plans, as applicable, will be reported to the Securities and Exchange Commission in accordance with securities laws, rules and regulations. The Company does not undertake to report Rule 10b5-1 plans that may be adopted by any officers or directors in the future, or to report any modifications or termination of any publicly announced trading plan, except to the extent required by law.
