Item 1.01. Entry into a Material Definitive Agreement.

On June 2, 2008, Dawson Geophysical Company (the Company) entered into a new revolving line of credit loan agreement and related security agreement with Western National Bank. The new facility increases the amount available for borrowing by the Company to \$40.0 million from \$20.0 million under the previous facility.

Under the new facility, from June 1 through June 30, 2008, interest will accrue at an annual rate equal to the Prime Rate, minus three-quarters percent (.75%). Beginning as of July 1, 2008, interest will accrue at an annual rate equal to either: (a) the 30-day London Interbank Offered Rate (LIBOR), plus two and one-quarter percent (2.25%), or (b) equal to the Prime Rate, minus three-quarters percent (.75%), as the Company shall choose monthly. The loan agreement contains customary covenants for credit facilities of this type, including limitations on disposition of assets and mergers and reorganizations. The Company is also obligated to meet certain financial covenants under the loan agreement, including maintaining specified ratios with respect to cash flow coverage, current assets and liabilities, and debt to tangible net worth. The Company s obligations under the new loan agreement are secured by a security interest in its accounts receivable, equipment and related collateral. As of June 2, 2008, the Company had \$10.0 million borrowed under the previous loan agreement which amount has been renewed under the new loan agreement.

All outstanding amounts owed under the loan agreement become due and payable no later than the maturity date of June 2, 2009, and are subject to acceleration upon the occurrence of events of default which the Company considers usual and customary for an agreement of this type, including failure to make payments under the loan agreement, non-performance of covenants and obligations or insolvency or bankruptcy (as defined in the loan agreement).

The foregoing description of the loan agreement and the security agreement does not purport to be complete and is qualified in its entirety by reference to the Revolving Line of Credit Loan Agreement and the Security Agreement, which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
